[1] Online Distance Education includes only 100% internet courses (IIE); section data based on end-of-term fiscal year data; student credit hours and student counts based on fiscal year census data.

[2] Student full-time-equivalent (FTE) is based on undergraduate students at 12 hours and graduate students at 9 hours for fall and spring, and 6 hours in summer for both undergraduate and graduate.

[3] Credit hours are rounded to the nearest integer.

[1] Online Distance Education includes only 100% internet courses (IIE).

[2] Excludes non-enrolled online courses for remainder of table.

[4] Student full-time-equivalent (FTE) is based on undergraduate students at 12 hours & graduate students at 9 hours for fall & spring, & 12 hours for domestic undergraduate students & 6 hours for international undergraduate students and all graduate students

[5] Tuition includes course tuition and online fee (excludes exemptions, waivers and college fees); online salary is FY salary prorated based on online course hours of total hours taught; 2018 dollars based on Bureau of Labor Statistics' CPI-U income deflator.
