## WICHITA STATE'S GENERAL EDUCATION PROGRAM

### WELL-ROUNDED LEARNING.

At Wichita State, we strive to offer the most complete college experience possible to produce well-rounded, successful Shocker graduates. Through general education courses, you'll explore subjects outside of your major, expanding your knowledge, perspective and skills and making a positive impact on your career and life.

### What you'll get from general education courses:

- Improved critical thinking skills
- Better communication, written and spoken
- Increased analytical reasoning and problem solving
- An acquired knowledge of natural and social science, the arts and humanities

Improve your skills by taking courses that include diversity content, study abroad experiences, service learning and experience-based learning.

### GENERAL EDUCATION COURSE REQUIREMENTS, IN A NUTSHELL.

The 42-hour General Education Program at WSU consists of three tiers containing four kinds of courses.

#### | TIER 1 | FOUNDATION COURSES ➔ Complete four courses within the first 48 hours of enrollment with a grade of C- or better.

*Foundation courses cover the fundamental skills you'll need throughout your college career and should be taken at the very beginning of your studies.*

- English 100 or 101      → Communication 111
- English 102            → Math 111, 112 or 131<sup>1</sup>

#### | TIER 2 | INTRODUCTORY COURSES IN THE DISCIPLINES ➔ Complete seven courses<sup>2,3</sup>

*These courses introduce students to the scope of human knowledge and inquiry. You'll use skills learned in Tier 1 during these courses.*

#### | TIER 3 | ADVANCED FURTHER STUDY AND ISSUES AND PERSPECTIVES COURSES IN THE DISCIPLINES

➔ Complete three courses<sup>5</sup>

*From addressing broad issues to providing more focused studies, these courses allow students to follow up on interests developed during Tier-2 courses in the following divisions:*

- Fine Arts and Humanities (Division A)
- Social and Behavioral Sciences (Division B)
- Mathematics and Natural Sciences (Division C)

<sup>1</sup> MATH 111 or any math course that requires MATH 111 or 112 as a prerequisite. MATH 131 does not fulfill the prerequisite for any further math course. MATH 131 does not meet degree requirements in all colleges.

<sup>2</sup> Courses within a student's major department shall not count toward fulfilling general education requirements. (This restriction applies only to one major. For students with a double major, courses in the second major could count toward fulfilling their requirements).

<sup>3</sup> An approved advanced course can be used as an introductory course.

<sup>4</sup> Excluding Foundation Courses.

<sup>5</sup> One course must be an Advanced Further Study (FS), one must be an Advanced Issues and Perspectives (I&P), the third course can be either. If a student takes two FS and one I&P, the two FS courses must be distributed over two divisions; if a student takes one FS and two I&Ps, the I&P courses must be in at least two subject areas.

## | ADDITIONAL COLLEGE/SCHOOL GENERAL EDUCATION REQUIREMENTS |

- **Business** requires MATH 144 or 242 and ECON 201 and 202. MATH 111 or 112 meets the prerequisite for MATH 144. Philosophy requirements: PHIL 125 counts as an introductory course and PHIL 306, an advanced course.
- **Education** requires PSY 111. Teacher education students must take STAT 370 (Secondary Math majors must take Math 242 instead of Stat 370). MATH 111 is a prerequisite for STAT 370. Elementary majors must earn a C (2.000) or higher in MATH 111 in order to take higher level MATH courses.
- **Engineering** students are required to take MATH 242, 243 and CHEM 211. Students fulfill advanced issues and perspective requirements with PHIL 385 and PHIL 354. Students cannot take an advanced further study course in the division of Fine Arts.
- **Fine Arts** students majoring in art education, music education and special education music are required to take PSY 111 and STAT 370 (or a higher level MATH course).
- **Health Professions** requirements are listed by major. General education requirements vary.
- **Honors College** requires the following:
  - Honors students fulfill General Education requirements set by their major college. Honors students have dual advising: They should meet first with their major college advisor and then as needed with an Honors advisor to choose Honors courses that meet General Education requirements.
  - Students working toward the Emory Lindquist Honors Scholar distinction or the Honors Baccalaureate degree are required to fulfill any 3 of their General Education credits with an HNRS seminars.

  - Foreign language in all BA degrees and the BS degree in criminal justiceExploratory students meet with an academic adviser in the Liberal Arts and Sciences Advising Center. Students who have not declared a major may want to take a variety of courses to help clarify interests and identify possible majors and remain academically flexible.

## | AMENDMENT TO WSU GENERAL EDUCATION POLICY – MAY 2014 |

### COMMUNITY COLLEGE TRANSFERS

☛ A student transferring to WSU having earned an AA or AS degree from a Kansas public community college will be considered to have satisfied WSU's general education curriculum provided that he or she successfully completes at WSU (with a grade of C- or better) two Tier 3 general education courses numbered 300 or above (Tier 3 courses are those designated as Advanced Further Studies or Issues & Perspectives). The two courses must be in two separate divisions or subject areas. Students must also complete the Foundation Skills courses of English 101 and 102, Communication 111 (public speaking), and Math 111 or equivalent (college algebra).

### RN-TO-BSN AND DENTAL HYGIENE DEGREE COMPLETION STUDENTS

☛ A student enrolled in WSU's RN-to-BSN degree completion program having earned an associate degree in nursing will be considered to have satisfied WSU's General Education curriculum provided that he or she successfully completes (with a grade of C- or better) two Issues & Perspectives courses.

☛ A student enrolled in WSU's Dental Hygiene degree completion program having earned an associate degree in dental hygiene will be considered to have satisfied WSU's General Education curriculum provided that he or she successfully completes (with a grade of C- or better) two Issues & Perspectives courses.
