SMGT447A	Internship Sport Management	6	3
SMGT447A	Internship Sport Management	12	6
SMGT847	Internship	6	4
STAT986	PhD Dissertation	8	1

*All courses that indicate six or more credit hours are field experiences, internships, clinical rotations, dissertation, and so forth. Generally, for courses that are six or more credit hours, the work exceeds the credit hour that a student would generate in a standard course and allows the student to obtain required and relevant work experience.
