On a day you’re not rushing to class or to work, you may notice the University’s Strategic Plan posted in the lobby of most campus buildings. It’s our version of the North Star, providing a consistent sense of where we want to go as a university.

First comes the Vision: For WSU to be internationally recognized for applied learning and research.

That means we want you, and all of our students, to have access to experiences that will prepare you for success, in whatever way you define it.

Then comes the Mission: For the university to greatly contribute to the future of Kansas and society.

And, finally, you’ll see the Values: The six values are about doing the right things, for the right reasons to achieve the best results.

I’m especially fond of positive risk-taking.

The path to accomplishing all these things is in a longer Strategic Plan you can find on our website. If you read it, please pay special attention to Goal 5: “Students are empowered to create a campus culture and experience that meets their changing needs.”

For that to happen, you need to become part of the action. Yes, you should attend class and study hard, but we also want you to make friends, have fun and grow as a person. Leave this place better than you found it.

If you have ideas for improving the university experience, please let me know, president@wichita.edu. And when you see me around campus, I hope you’ll introduce yourself. We’re glad to have you as a Shockers.

Sincerely,

John Bardo, president
After orientation, you should:

- Check your myWSU email daily.
- Pay your tuition and fees by the deadline to avoid late charges.
- Buy your textbooks. The WSU Bookstore is located on the first floor of the Rhatigan Student Center.
- Complete the student TB questionnaire located in myWSU under “TB Survey” on the main page in the bottom-left window.
- Complete your health history form. Go to wichita.edu/shs and click on “Forms and CHP Information.”
- Send your final high school and/or your most recent college transcripts to:
  Office of Admissions
  1845 N. Fairmount St.
  Wichita, KS 67260-0124
- Buy a parking permit. Keep up to date on parking updates and shuttle routes: wichita.edu/parking.
- Complete the “Think About It” module. You’ll receive more information on this important requirement via email.
- Get 24/7 help with virtually all of your WSU-related needs with OneStop: wichita.edu/onestop or in person in Jabara Hall, Room 122.
- Purchase a meal plan or add Shocker Dollars to your Shocker Card on the second floor of the RSC.

ACADEMIC CONVOCATION – A program that serves as the official opening to the academic year, incorporating Shocker pride, celebrating our learning community and engaging in our common read program. Find Your Story at this event in September.

B2SB – Back to School Bash. An evening of games, food, inflatables, prizes and more, welcoming our students back to campus.

GROUNDHOUSE – Early morning or late at night, the Groundhouse & WSU’s newest place to study, study a bite and get your caffeine fix. It’s located on the first floor of Shocker Hall next to Shocker Dining Hall.

HESKETT CENTER – Home to Campus Recreation and where shockers come to play and stay healthy!

HIPPO – Officially known as Hippodrome. This is one of WSU’s oldest and most-lived events. It’s a week of fun activities building up to Hippo’s main attraction, the student ski competition.

INNOVATION UNIVERSITY – As an innovation university, WSU is the place where researchers, students and industry come together to share ideas, space, tools and technology—to transform the world.

JOHN W. BARDO – As the 13th president of WSU, President Bardo started his term on July 1, 2012. He is full of new ideas and is helping transform WSU into the optimum environment for students, professors, researchers and industry to learn, work, live and play.

KOCHELL/ROUNDHOUSE – Short for Charles Koch Arena, this 10,506-seat area is home to Shocker basketball and volleyball—and one of the loudest, proudest student sections you’ll find anywhere.

METROPLEX – Short for the Eugene M. Hughes Metropolitan Complex located at 29th and Oliver. There’s also shuttle pick-up service to campus from this location.

MILLIE – WSU’s very own big, bronze millipede sculpture. You’ll find her between Shimer Audubonum and Harrison Hall.

MRC – The Media Resources Center. The place for audio/video creativity and support. MRC provides an array of media technology services for the university and community.

ODI – Office of Diversity and Inclusion: Your home away from home! The place that sponsors programs and events that promote cultural awareness and an appreciation of diversity.

OMEGA COURT – A sorority-lined street just north of campus.

ONESTOP – Your go-to resource for fast, accurate answers and student-focused support for virtually all of your WSU-related questions: Available 24/7 at wichita.edu/onestop or in person in Jabara Hall, Room 122.

OSMM – Office of Student Money Management: Offering free personal finance education for students to help them make good financial decisions before, during and after college.

#PLAYANGRY – if you don’t know already, you will learn. #PlayAngry #StudyAngry #LeadAngry Let’s go SHOX!!!

Shocks 16

#NewShocks16

Plaza of heroines - A circular plaza, located on the busy pathway between Ablah Library and the RSC—honoring women who have positively impacted our community and the world.

RSC - Rhatigan Student Center: The newly renovated RSC is the place to relax, study, play, eat, and socialize on campus.

RSO - Registered Student Organizations: There are more than 200 registered student organizations at Wichita State for you to get involved in. Stop by Student Involvement or go to wsu.orgsync.com for a complete list.

SAC - Student Activities Council: A student-run organization bringing a ton of great events to campus each semester, including Welcomefest, Mud Events, Family Carnival, Camelfest and live entertainment, just to name a few.

SGA - Student Government Association: A group of dedicated students representing your interests on campus.

Shocktoberfest - WSU’s annual weeklong celebration of Shockers pride — including a banner competition, mud events, three-on-three basketball, and the main event, Songfest, a lip-syncing and dance competition.

SI - Student involvement: With more than 200 student organizations to choose from — plus, volunteering opportunities, Creek Life and semesters jam-packed with events — SI has something for everyone.

Also: SI - Supplemental Instruction. Offers extra help with traditionally difficult classes through weekly study sessions led by experienced SI leaders. Additional free tutoring for any class is offered through the Office of Student Success.

Study day - The Friday before finals week. It’s a day without classes — giving you extra time to study for your finals.

Three women walking - WSU is home to numerous famous sculptures, and this is one of our more well-known pieces. You’ll find these women near the RSC and Grazi Memorial Chapel.

TM - Transition Mentors are here to help you navigate your first year at Wichita State.

WSU Reads - The university’s common read program designed to spark conversation between students across majors and on campus.

Wu-Rah! - The fall pep rally kicking off the school year, complete with Shocker pride, lunch and free T-shirts.

WusHock (aka: Wu) - A big, bad, muscle-bound bundle of wheat — WSU’s mascot since 1948. A friend to every Shocker fan and #1 supporter of all things Wichita and Wichita State.

Shocker sports grill and lanes - Located in the lower level of the RSC, Shocker Grill and Lanes has great food and good times — including billiards, bowling and lots of big screen TVs.

Shocker Nation - A name representing Wichita State’s legion of students, alumni and fans — and our limitless amount of Shocker pride. Do you tweet? Add #shockernation to your campus-related tweets.

### Video and Audio Recording:

Video and audio recording of lectures and review sessions without the consent of the instructor is prohibited. Unless explicit permission is obtained from the instructor, recordings of lectures may not be modified and must not be transferred or transmitted to any other person, whether or not that individual is enrolled in the course.

### Definition of a Credit Hour:

Example for three credit-hour class: Success in this 3 credit-hour course is based on the expectation that students will spend, for each unit of credit, a minimum of 45 hours over the length of the course (normally three hours per unit per week with one of the hours used for lecture) for instruction and preparation/studying or course related activities for a total of 135 hours.

### Grading Scale:

WSU uses a +/- grading scale for final grades and to calculate grade point averages. Be sure to understand and ask about the different grading scales in all of your classes.

## Want to Graduate on Time?

WSU’s advisors are here to help you figure out where you’ve been — and where you need to go — to keep you on track toward your graduation goal.

### Advising Quick Tips:

- Schedule an advising appointment each semester before enrolling in classes.
- Contact your advising center around the mid-term to schedule an appointment for the upcoming semester.
- Summer and fall enrollment begins in April and spring enrollment begins in November.

Housing FAQ

How safe is campus living?
Student safety is our top priority. Each residence hall can only be accessed by its residents’ Shocker Cards. Residence halls have a staffed information desk, and resident assistants complete rounds of the buildings each night. Guests must be accompanied at all times. In addition, safety lighting, alarm and fire suppression systems and campus-wide communication capabilities are in place. Severe weather, fire evacuation and mass-communication drills are conducted throughout the academic year.

What is a Living Learning Community (LLC)?
Living Learning Communities are groups of students with similar academic or special interests who choose to live together in Shocker Hall. By participating in an LLC, you’ll enjoy a built-in support system, personal attention and mentoring, leadership opportunities and an enhanced sense of community.

What is Move-in Day Like?
Move-in Day is an exciting day filled with important information and fun events. You’ll have plenty of help from university volunteers to get moved in and settled into your home away from home. Check your WSU email this summer for more information about the move-in process.

What is the Housing Cancellation Policy?
The $75 application fee is non-refundable. The $200 prepayment is refundable if you cancel your application before the specified date in your contract. If you cancel after the specified contract date, there is no refund. Depending on the date of cancelation, students could also be charged a cancellation fee, in addition to a percentage of the remaining room and meal charges.

Can someone check in on my student?
Due to the Family Educational Right to Privacy Act, federal law prevents the dissemination of student records to any third party. As a result, the Office of Housing and Residence Life is unable to provide a student’s personal information—including room number, cell number or emergency contact information—to anyone. In addition, all residence hall staff members are unable to confirm or deny the location of any student. If contacted, the Residence Life staff will notify a student to contact you.

Can my student change meal plans after they move in?
Residents may change their meal plans to better serve their dietary needs. However, they may only make changes to their meal plan before Sept. 15th for fall or before Feb. 15th for spring. Visit the housing website for the online form.

Are there any fees for applying for housing?
Yes. All new students are required to make a payment of $275 ($75 non-refundable application fee and $200 housing prepayment fee).

Where did this charge come from on the student’s account?
There are various fees that may appear on a student’s account at the end of the semester. These include, but are not limited to:
- Lock out
- Lost key
- Cleaning
- Common area damage
- Miscellaneous fees

What is the cost of housing for the next year?
Housing fees are assessed in July for the fall semester and December for the spring semester. Visit the Housing and Residence Life website for complete information pertaining to housing rates and charges.

Can my student’s financial aid cover the housing room and meal fees?
Yes. Grants, scholarships and loans are first applied to tuition and course-related fees. Remaining financial aid is applied to housing fees.

What does my housing bill look like?

For a complete list of event dates, visit wichita.edu/firstyear or follow us on Twitter at @newshocks.

• Welcomefest | August 20 - September 3
The first two weeks of the fall semester are packed with Student Involvement activities. The more events you attend, the more you’ll learn about our campus and everything it offers (and the more free WSU swag you’ll get). From information fairs over the back to School Bash to open houses and picnics, these two weeks will help you get to know Wichita State—and make plenty of new friends.

• Clash of the Colleges | August 26
It’s on! This annual event includes large-scale activities and a competition between academic colleges at Cessna Stadium to determine who rules the school. Come by yourself or in a group. To participate, RSVP online at wichita.edu/clash.

• Wu-Rah! | August 26
Be sure to attend WSU’s largest pep rally in Koch Arena to kick off the school year, complete with Shocker pride, lunch and free T-shirts.

• Syllabus Party | August & January
Let the Office of First-Year Programs help you get organized for the semester! Join in on this party the second week of classes to get you ready to start the semester off at your best. Bring your syllabi and the Office of First-Year Programs will provide supply and helpful tips as you begin to plan your personal and school schedule.

• Academic Convocation: Find Your Story | September 29
This fall, we will host an exciting event that blends our WSU Reads program with other student learning and engagement opportunities. During Orientation, you will receive a free copy of “Start Something That Matters” by Blake Mycoskie, the founder of TOMS. This book has been chosen as our common read and will be used throughout the year in various classes, involvement and service events as we help you Find Your Story. You will find out more about the WSU Reads program and Academic Convocation at Orientation.

• Transition Tuesdays | Monthly beginning in September
These are monthly programs addressing various transition issues our students face. For a schedule of topics and dates, visit wichita.edu/firstyear.

• Pancakes and Pajamas | October 6
By the time mid-term comes around, you will be ready for a pajama party! Join us for some fun and great food at this annual event in Shocker Sports Grill and Lanes.

• Shocker Season Starter | November
Shocker Basketball is kind of a big deal. Keep an eye out for this pre-game pep rally prior to the Shocker Men’s Basketball season opener. There’ll be free food, lots of Shocker spirit and loads of activities to get you pumped up! The date will be set upon release of the game schedule.

Building your ideal Shocker experience is easy thanks to the hundreds of ways to get involved at WSU. Through Student Involvement, you’ll have access to:

• More than 200 student organizations
• Leadership skills development
• Community service opportunities
• Campus event planning
• Fraternity and sorority life

Find out how you can get involved at wichita.edu/involvement.

Office of Diversity and Inclusion

The Office of Diversity and Inclusion aims to cultivate and sustain an inclusive campus that strives for academic excellence by creating an environment that educates, empowers and mobilizes our students, campus and Greater Wichita community.

The office provides dynamic programs, which range from speakers and film showings to award ceremonies, cultural festivities and LGBTQ+ programming — each representing a small piece of the diversity displayed on the WSU campus.

The Multicultural Student Mentoring Program offers academic and social support for first-generation and underrepresented students.

Ambassadors for Diversity and Inclusion are student volunteers who work to increase campus-wide participation in diversity programs, activities and understanding to build an all-inclusive campus community.

The ODI is the students’ home away from home!

Campus Recreation

Your enrollment at WSU comes with serious perks, including an automatic membership to Campus Recreation services. From intramural sports and Shocker Fit group fitness classes to a 166,000 square-foot fitness center, Shockers have all the indoor and outdoor resources they need to stay healthy — and have fun — year round.

- Heskett Center features a 200-meter indoor track, 25-meter swimming pool and dive well; basketball, racquetball and squash courts; climbing wall; tennis courts; fitness studios; cycle, circuit and cardio rooms; weight room and more.
- Stay competitive — and meet some new friends — with intramurals and sports clubs in everything from flag football and volleyball to bass fishing and table tennis. Additionally, consider joining our nationally competitive Shocker Rowing program!
- Students have access to fitness classes, personal training — and even massage therapy.

Office of the Registrar

The Office of the Registrar oversees the academic calendar and student records — and offers many services which can be accessed online through the myWSU portal, including:

- Registration
- Drop/Add Classes
- Change Major
- Change Address
- Grades
- Transcripts
- Enrollment Verification
- Degree Evaluation

National Student Exchange

Through the National Student Exchange, Shockers have the life-changing opportunity to take their Wichita State education on the road, where they can:

- Choose from nearly 200 universities across the United States and Canada.
- Study for a semester or full academic year.
- Pay WSU tuition at their host institution.
- Earn credit toward their WSU degree.

[wichita.edu/nse]

Study Abroad

Through WSU’s numerous study abroad programs, Shockers can swap campuses, cultures and countries — while earning credit toward their WSU degrees — all at the same time.

- Tap into study, intern or volunteer opportunities around the world — such as France or Japan.
- Programs last from three weeks up to one year.
- Pay regular WSU tuition when you study at one of WSU’s exchange universities.

I’m from out of town, what is there to do in Wichita?
Welcome to Wichita! Visit the First-Year Programs website at wichita.edu/firstyear to help find local restaurants and Wichita area attractions.

Do you have a parent’s guide to student resources?
Yes. Wichita State has a parent and family website you can use to stay up to date with what is happening on campus and keep your student aware of the resources provided to them on campus. Visit wichita.edu/parentfamily for information.

What if my student needs to take a placement exam?
The English or math placement exam can be administered in person or online. The Spanish exam is offered online. To view more information on the placement exams, visit wichita.edu/placementexams.

How often do students meet with the academic advisor? Are the advisors readily accessible?
Each college has different rules about meeting with academic advisors. However it is advised that for your student to stay on track to graduate, they should meet with their advisor at least one time each semester. Advisors are accessible to schedule on-campus appointments and can be contacted via phone and email. Advisors may be willing to take phone/Skype meetings for our online or distance students.

What if my student brings a car to campus?
Students can bring a car to campus. A parking pass will need to be purchased in order for your student to park in permitted parking lots on campus. For a parking map and costs for permits visit wichita.edu/parking. To purchase a parking permit online visit wichita.edu/parkingpermit. All other parking questions can be answered by our university police department.

What resources are available for tutoring help?
Tutoring is a free academic resource provided by the Office of Student Success. Tutoring is usually in small groups but can be one-on-one, based on the needs and schedules of the tutors and individual requesting help. For more information and/or to request a tutor you can visit wichita.edu/tutoring.

How can my student get involved on campus?
Wichita State has over 200 student organizations, student government, mentoring and intramural programs. There are a number of ways to get involved. Students can request information about student organizations online through OrgSync on their myWSU student portal. There are also involvement fairs at the beginning of each semester at which students can get information and join student groups.

How can my student purchase books for classes?
All the books your student needs can be found at the WSU Bookstore, located in the Rhatigan Student Center. They can also go to wsubooks.com to search for the books they need and print a book list.

What is Family Weekend?
Family Weekend is our way of welcoming family and friends of WSU students to campus. A variety of activities and events are planned to introduce you to student life at Wichita State and help you become more familiar with the university. More information can be found online at wichita.edu/parentfamily.

What health services requirements does my student need to complete before arriving on campus?
After being admitted to the university, every student will need to complete the tuberculosis screening, a quick survey accessed through myWSU. Students living on campus will need to have a meningitis vaccine before living on campus. For more information regarding health services and the new student requirement visit wichita.edu/studenthealth.

Where does my student go if they need to speak with someone about financing college?
The Office of Financial Aid is always ready to answer any questions your student may have about scholarships and funding for your college experience! Visit wichita.edu/financialaid. For questions regarding paying bills, your student can visit the Office of Financial Operations or go to wichita.edu/billpay. The Office of Student Money Management can help your student develop wise financial habits throughout college. Peer Financial Coaches are available for one-on-one coaching sessions for students. Visit wichita.edu/osmm.
University Police Department and Personal Safety

Emergency Blue Phones
- Greater than 20 Emergency Blue Phones are located across campus.
- Each phone can be easily identified by the blue light located on top of the pole, and each pole is marked “Emergency.”
- Calls are activated by pushing the button, which starts the strobe light.
- Once the dispatcher answers the phone, tell them what assistance you need, if there is no answer, or if you are unable to answer, an officer will be sent to the phone’s location.
- The location of the call is noted and only the dispatcher can disconnect the phone.
- Calls coming from the emergency phones are treated as a top priority.

Detecting Suspicious Activities
- Suspicious activity is an occurrence that is out of place and should not be happening in that area.
- Suspicious activity occurs when a person’s conduct or action does not fit the norm of the area or the surrounding circumstances.
- Suspicious activity is when your attention is drawn to a person’s conduct that is unusual, odd, dangerous, appears wrongful, or just not right, under the circumstances.

Reporting Suspicious Activity
- Remain calm.
- Keep the number to the Wichita State University Police Department readily available — (316) 978-3450 or 911 from any campus phone.
- Call 911 if it is a life-threatening situation and you need police, fire or ambulance immediately.
- Avoid taking any risks — your safety is most important.
- Keep away from the crime scene to preserve evidence.
- When you call WSUPD or 911, you will be asked for your name, address and telephone number. This information is requested so that you can be re-contacted after the initial call if necessary.
- The dispatcher will ask you several questions to determine the appropriate law enforcement, fire or ambulance response.
- Remain on the telephone until you are certain the police department has all the necessary information.

Personal Safety
- Use the buddy system.
- Stay in populated, well-lit areas.
- Don’t run or walk alone, especially at night — go with a friend.
- Ensure that you can hear others approaching if you are listening to music, etc.
- Become familiar with emergency blue phone locations.
- Walk confidently.
- Be aware of your surroundings; don’t text if you are walking alone.
- Follow your intuition; trust your feelings.
- Be aware that alcohol and/or drugs compromise your awareness and your ability to identify and act on your feelings. They also increase the opportunity for victimization.
- Be able to identify your sexual limits; it’s your body and no one has the right to force or pressure you to do anything you do not want to do. No means NO.

Emergency Preparedness
- In the event of a natural or man-made emergency, WSU and WSUPD have preparedness plans in place.
- The ShockerAlert is a notification system that all students, faculty, and staff can register for. These notifications provide necessary information during an emergency situation or an event which needs attention for safety reasons.
- Notifications come in the form of emails and/or text messages, social media and message boards throughout campus buildings. To sign up, visit wichita.edu/alert.

WSU Student Complaint Process Guide
Students should begin the process of resolving an issue by completing step 1 for the appropriate complaint type. If the issue is not resolved after completing step 1, the student should complete step 2 and so on until the issue is resolved or all steps have been exhausted. All policies referenced can be found in the WSU Policies and Procedures Manual.
