➔ **AS THE STATE'S MOST-DIVERSE COLLEGE CAMPUS,**

WSU provides every multicultural student with a welcoming, supportive and well-rounded college experience they won't find anywhere else.

From offering resources like mentoring and counseling to minority-specific scholarship opportunities and more than a hundred student groups, multicultural students have a ready-made support network to help them make friends and succeed in the classroom.

DIVERSE RESOURCES FOR DIVERSE STUDENTS

OFFICE OF MULTICULTURAL AFFAIRS (OMA)

| WICHITA.EDU/OMA |

The range of ideas, cultures and perspectives making up the Shocker community is wide, and OMA highlights them by filling every month with free events showcasing diversity, celebrating heritage and encouraging students to become more culturally aware.

AMBASSADORS FOR MULTICULTURAL AFFAIRS (AMA)

AMA students represent the rich diversity of Wichita State and work to increase cross-cultural awareness and participation in on-campus multicultural events.

MULTICULTURAL STUDENT MENTORING PROGRAM (MSMP)

Eligible students are mentored by a successful upper-class student, who will show them the ins and outs of college, while helping them make connections and giving them personal assistance with university procedures.

McNAIR SCHOLARS PROGRAM

| WICHITA.EDU/MCNAIR |

This program provides research training and early scholarly experiences to domestic minority students, ensuring participants graduate with their bachelor's degrees and encouraging them to pursue graduate-level education.

STUDENT SUPPORT SERVICES

| WICHITA.EDU/SSS |

Student Support Services is a valuable resource that gives limited-income and first-generation college students assistance with financial aid, career guidance and study-skills training.

NATIONAL STUDENT EXCHANGE (NSE)

| WICHITA.EDU/NSE |

Students have the option of swapping campuses with hundreds of schools across the country—while earning WSU credits and paying WSU tuition—including Historically Black Colleges and Universities like Alabama A & M

University and Grambling State University, and Hispanic-serving Institutions like California State University, Los Angeles and Texas State University, San Marcos.

STUDENT GROUPS

| WICHITA.EDU/INVOLVEMENT |

WSU students can join any of nearly 150 student organizations (or even start their own), in interests ranging from Multicultural Greek Council and sports-based groups to culture groups like the Black Student Union (BSU), the Hispanic American Leadership Organization (HALO) and the Vietnamese Student Association (VSA).
