The Morgan collection of southwest pottery

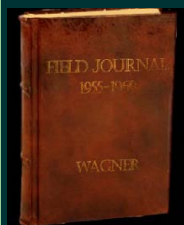

Through the eyes of the pot

The Morgan website is a unique educational tool that provides information on the style and history of contemporary Southwestern pottery. This includes information about the potters, and the culture and history of pueblos of the southwest, using the pottery as a visual focal point.

Major Web Projects

A Lutheran missionary family in New Guinea

The Wagner collection field journal, 1955-1969

A multimedia website describing the experiences of Rev Bill and Mrs. Ruth Wagner while living amongst the Enga, Duna, and Hewa Peoples of the Highlands in Papua, New Guinea. The Wagner family donated their New Guinea collection to the L. D. Holmes Museum in memory of Rev. Wagner.

Art and culture of Asmat

The Asmat collection

This multimedia website contains information on Asmat culture, a catalog of the Holmes Museum's extensive collection of Asmat art and how the objects are important to Asmat life and ritual.
