**You're already an artist.  
We'll show you how to be a professional.**

In the School of Art, Design and Creative Industries at Wichita State University, we'll transform the creative energy you already have into a dynamic career in the world of contemporary art and design. Whether it's designing the latest app for a global client or learning how to inspire our next generation of creative practitioners, we empower your creative and professional ambitions with our Bachelor's degrees in [Art Education](#), [Art History](#), [Graphic Design](#) and [Studio Art](#), as well as an interdisciplinary [Master of Fine Arts](#) degree in Studio Art. All of our degree programs blend classroom learning and practical experience for a contemporary creative education unlike anything else in Kansas.

Make a lasting impact in the arts through our partnerships with museums, galleries, cultural institutions, local businesses and community organizations. These professional opportunities for creative collaboration and personal growth are a part of our cutting-edge curriculum – and so is

international travel! Students in the School of Art, Design and Creative Industries have taken their ideas on the road (and in the air!) – traveling to Mexico, Peru, Brazil, Cuba, Taiwan, Singapore, Japan, Cyprus, Turkey, Italy, England, Ireland and more! Through active engagement with creative ventures at home and abroad, Wichita State University gives you the experiences you'll need to be an innovative local and global citizen.

Thrive in an environment where innovation and creative risk-taking are all around. Want to try your ideas on for size? [PROJECTSPACE](#), [PRINTSPACE](#), and [Clayton Staples Gallery](#) in McKnight Art Center are experimental exhibition environments where students and visiting artists alike can brainstorm, collaborate, express and critique. [SHIFTSPACE Gallery](#), our premier art space located in the heart of Wichita's downtown gallery district, is dedicated to exploring the newest frontiers of contemporary art and design. Our ongoing collaboration with the [Ulrich Museum of Art](#) means that you will engage some of the best art of our time, and leave our program as an innovative arts professional ready to stake your claim in the contemporary art and design world.
