College of Health Professions

Hands-on education in Kansas' largest health care community. **The College of Health Professions** at WSU places graduates in some of the fastest-growing, highest-paying health careers of the next decade. And since the best programs deserve some of the best facilities around, that's exactly what students get.

Our home in Ahlberg Hall is filled with **cutting-edge equipment and labs**, giving students real-world learning opportunities. Plus, our location in the health-care hub of Kansas puts hundreds of internships and jobs within reach.

With a health-care degree from Wichita State — the future is yours.
