SPRING 2016 EXHIBITS HOW TO EXHIBIT EXPOSURE

Cadman Art Gallery

The Wilson K. Cadman Art Gallery is located on the first floor of the Rhatigan Student Center and serves as an exhibition space to artists. The gallery showcases annual competitions, rotating student exhibits and alternating features in the outer display. The gallery consists of two spaces, the main gallery and the Looking Glass.

Students, of any major, are encouraged to apply to exhibit in the **main gallery**, which serves as a teaching space for students who have the opportunity to develop, market and curate their own exhibits. If you are interested in an experience like this, apply and become a Cadman Art Gallery Exhibitor.

Any student, staff, faculty, alumni or department can apply to exhibit in the **Looking Glass**. We encourage those who want to share their art with others to apply and become a Looking Glass Exhibitor.
