All classified employees are welcome at the meeting !

Focus Groups Formed

President Hughes has established several focus groups to address issues, problems and areas of concern expressed to him both verbally and written by a variety of people.

Linda Pratt, Emma K. Alder, Sally Fiscus, Brenda Achey and Teresa Gile have volunteered to serve on the Classified Employees Focus Group.

Campus Campaign for Students

For years we have been asking for a scholarship to assist employees and their dependents with tuition. NOW is the time to begin!

A contribution of any amount may be made to the Employee and Dependents Scholarship Fund through the current Campus Campaign for Students. Contributions may be made through payroll deductions or as a one-time gift.

Of course, you may choose to donate to one of the other worthy funds if you choose. If you have questions about the Campus Campaign, contact the Endowment Association at extension 3040.

A Look Ahead...

October 15, 1994

The annual statewide Classified Senate meeting will be held in Lawrence. This will be an opportunity to share ideas, problems and concerns with other classified employees across the state and prepare a position paper to be presented to our state legislators.

February 1995

Lobby Day will be held in Topeka allowing classified employees to meet legislators and discuss topics prepared in the statewide classified employees position paper.

Classified Retirees Luncheon

On May 10, 75 retired classified employees attended a luncheon hosted by the Office of Human Resources and the Classified Senate.

President Hughes spoke about new plans and programs for the University.

Entertainment was provided by the "Fritz Family Players," a group made up of WSU theatre students.

Tours were provided of Dr. Ken Pitetti's Rehabilitation Lab and the Electronic Classroom in the College of Health Professions.

Many thanks to Frankie Brown, Janice Holtsclaw, Val Peck, Melinda Ware and Linda Doll for their hard work on the luncheon.
