### DEFINITIONS:

**Absence:** Missed shift/work day for an unplanned reason without prior approval.

**Employee:** An individual who, when hired, provides services on a regular basis in exchange for compensation, receives a W-2, and who does not provide these services as a part of an independent business or as an independent contractor. This includes temporary and part-time Employees.

**Leadership:** For purposes of this policy, Leadership includes individuals at the University who have Employees reporting to them, or Department Chairs/Directors.
