### **Update to Wichita State faculty from provost and president**

I'm writing to you today on behalf of myself and President Jay Golden. In the following video, there are a number of important updates that relate to you as a faculty member.

The video covers a lot of information, but we think you'll be interested in the content, which includes the following:

- Appreciation to faculty
- Challenges for the coming fall semester
- Maintaining shared governance

- Moving with singular purpose
- Staying engaged with your research, students and colleagues
- Tenure policies
- Credit-no credit policy
- Fall courses

Thank you for your time and continued understanding as we navigate these changes.

Take care,

Rick Muma
