

VOL. XXXVII WICHITA, KANSAS, WEDNESDAY, JANUARY 6, 1932

NO. 15

REGISTRATION FOR MID-YEAR BEGINS

Enrollment Period to End January 16; Schedules Now Available

All students now enrolled in the University of Wichita must have their second semester schedule completed by January 16, according to Dr. Worth A. Fletcher, registrar. A tentative schedule, completed later than this date will be considered late registration, and will be subject to a fine of two dollars, Dr. Fletcher said.

Registration day (January 25) is reserved for the adjustment of schedules wherein failures have necessitated a change either in course or in reduction of hours. It is also reserved for the completion of registration routine in the payment of fees and in the filing of the permanent cards.

New students will be advised on the 25th of January. Students desiring deferred payment in fees for the second semester must make such arrangements with the Bursar before the 16th of January.

Procedure for Pre-registration. The student should make an appointment with his advisor. In consultation with the advisor a tentative schedule is prepared in duplicate.

After the schedule is approved and signed by the advisor, one schedule is given to the student and the other is filed in the Dean's office. In certain cases it may be necessary for the advisor to refer the student to the instructor in some particular course for guidance.

The student will then take the approved schedule to the Dean of his college for his sanction. The procedure must be completed no later than January 16, 1932. A late enrollment fee will be charged all those failing to complete their tentative registration by this date.

The student will then secure a fee card from the registrar's office upon presentation of his approved tentative schedule. Fees will be paid at the office of the Bursar.

Upon presentation of the fee receipt at the office of the registrar the student will receive a large enrollment card. This card should be filled out in ink from the approved schedule that the Dean has signed.

After the Dean's signature is obtained the card should be presented in person and intact, at the office of the registrar. For those who do not pay their fees before January 25, provision will be made for the completion of this outline on registration day, January 25.

Listed below are the names of the faculty members in charge of pre-registration activities, together with the number of hours wherein the student may interview his advisor.

Request Semester Treasurers' Books

The treasurer's books of all campus organizations, such as fraternities, sororities, Y. M. C. A., Y. W. C. A., student council, Sunflower, and clubs handling money must be in my hands by January 15, so that they may be audited by the close of the semester.

"WINTER'S TALE" CAST IS SELECTED

Wilner Selects Brown and Schuessler to Play Leads

Anita Brown, Roy Schuessler, and David Menzies will play the leading roles in "The Winter's Tale," tenth annual Shakespearean production of Fairmount college and the University of Wichita, according to George D. Wilner, director of dramatics.

The play will be presented under the auspices of the East High school English department in the high school auditorium February 25 and 26.

Other members of the cast, some of which have been named only temporarily, include Garner Shriver and Eugene Graham, as Camillo and Antigonus, two lords of Sicilia; Miss Fern Worden in the role of Mamillius, the young prince of Sicilia; Charles Ellis as Florisel, Prince of Bohemia; Jack Rees, who will play Archidamus, a Lord of Bohemia; Eugene Myers, who will appear as the old shepherd; and Herbert Lindley as Clown, his son.

Autolycus, a rogue, will be portrayed by Carl Johnson, and Douglas Gow will be the gaoler. Miss Doris Walters has been selected to play Perdita, daughter to Hermione and Leontes; Miss Alberta Watkins will appear in the role of Paulina, wife to Antigonus; Miss Mary Sipple will be Emilia; and Miss Betty Stanley and Miss Mary Ellen Taggart will be two of the ladies of the queen's court. Miss Thelma Ward will play Mopsa, a shepherdess.

Special settings and music are being planned for "The Winter's Tale," and costume measurements will be taken soon in order that costumes may be ordered from Chicago.

This will mark the sixth year that the East High English department has sponsored the Shakespearean productions of the University Play-ers.

OREBAUGH TO ENTER U.S. FOREIGN SERVICE

Walter Orebough who was graduated from the University of Wichita in 1931, has completed examination for entrance into the Foreign Service of the United States, according to a letter received recently from him by Dr. Harold W. Foght, president.

Orebough is now attending Clark University at Worcester, Mass., where he secured a scholarship last year. He will go abroad for six months as attaché at some foreign embassy which will be followed by further study at Washington, D. C.

Junior and seniors prepare schedules during week of January 11 and 12 in connection with registration. Dean Deane, in charge of the registration office, has announced that all schedules must be approved in Dean's office before registration is completed.

WICHITA MAY GET FEDERATION MEET

National Student Council Considers City for 1932 Convention

The University of Wichita will be host to next year's convention of the National Student Federation Council, if present plans of the university student council materialize, according to Alden Brooks, president of the council.

The cooperation of the Wichita Chamber of Commerce has been assured, according to Brooks, who stated that the council at a meeting Monday night decided to establish a fund for the promotion of the convention project.

Two hundred fifty delegates from approximately 190 colleges attended the National Student Federation convention at Toledo, O., December 29 to 31, according to Miss Anita Brown, who represented the University of Wichita at the convence.

Sunday, December 27, the delegates were welcomed by Dr. Henry J. Dorman, president of the University of Toledo, and Monday morning Miss Brown attended the international relations commission where disarmament and international questions were discussed. On Monday afternoon student government was discussed and representatives were grouped according to the size of their schools.

The student board of publications was held Tuesday morning at which time newspapers of the various schools and functions of the board were the subjects.

"Are Students People?" was the address given Tuesday afternoon by Dr. H. N. McCracken, president of Vassar college. Wednesday Miss Brown attended the meeting of the municipal university in the evening where there were eight present. In the afternoon prohibition was discussed. Officers were elected Thursday, the closing day of the convention.

DAVIS WILL OPERATE UNIVERSITY CAFETERIA

The Shocker Inn, cafeteria operated under the supervision of H. O. Davis, has been leased by H. O. Davis, who will continue the operation of the "Shocker," and will operate the Shocker Inn on the unexpired lease of the former manager, T. J. Van Arsdale.

Mr. Davis is well known among the faculty and students, being a former student of the university. He was graduated in the class of 1920, and was prominent in athletics and campus activities, a member of Webster fraternity. Mr. Davis has operated the "Shocker" for a year and a half, coming to Wichita from Anthony, Kan.

Cafeteria service will be offered to patrons of the Shocker Inn between the hours of 11:30 and 2:30. Mr. Davis announces. Table service will be available at all other hours.

SCHEDULE PEP RALLY ON CHAPEL PROGRAM

Group singing of school songs was scheduled to be directed in convocation this morning by Homer T. Hubbard, music instructor at the university. Slides were to be shown to familiarize the students with the words to the school songs.

The remainder of the convocation period was to be devoted to a pep rally in preparation for the Washburn-University of Wichita basketball game at the Forum Wednesday night. Members of the basketball team were to be introduced to the student body.

Sunflower Pleased at Student Meet

The Sunflower received very favorable comment at the student board of publications session in connection with the national student council meeting at Toledo, O., December 29 to 31, according to Miss Anita Brown, representative from the university.

Representatives brought over 100 papers for comparison and the Sunflower rated high among these. The method of selecting the board of publications here was commended, also, according to Miss Brown.

SEMESTER TESTS TO BE GIVEN JAN. 18-22

The first semester examinations of the University of Wichita will be given during the week of January 18 to 22, inclusive, according to the schedule for the final examinations which has been announced by the registrar's office. Students must have completed registration in all courses before the examinations start. The time allotted for enrollment is between January 4 and 16.

The announced schedule is: Monday, January 18, 8:00-11:00 A. M. 1 hour class meeting Monday, January 18, 11:00-1:00 P. M. 1 hour class meeting Monday, January 18, 1:00-3:00 P. M. 1 hour class meeting Monday, January 19, 8:00-11:00 A. M. 1 hour class meeting Monday, January 19, 11:00-1:00 P. M. 1 hour class meeting Monday, January 19, 1:00-3:00 P. M. 1 hour class meeting Tuesday, January 20, 8:00-11:00 A. M. 1 hour class meeting Tuesday, January 20, 11:00-1:00 P. M. 1 hour class meeting Tuesday, January 20, 1:00-3:00 P. M. 1 hour class meeting Wednesday, January 21, 8:00-11:00 A. M. 1 hour class meeting Wednesday, January 21, 11:00-1:00 P. M. 1 hour class meeting Wednesday, January 21, 1:00-3:00 P. M. 1 hour class meeting Thursday, January 22, 8:00-11:00 A. M. 1 hour class meeting Thursday, January 22, 11:00-1:00 P. M. 1 hour class meeting Thursday, January 22, 1:00-3:00 P. M. 1 hour class meeting

UNIVERSITY BUYS COLLEGE OF MUSIC

Will Take Over Wichita College of Music Next Semester

The Wichita College of Music will be taken over officially by the University of Wichita at the opening of the second semester of 1931-1932, according to Dr. Harold W. Foght, president.

The building and entire equipment will be used, including 14 pianos, all but two of which are concert grands. As many university college classes as possible are expected to be held in the newly purchased building, according to Dr. E. K. Hillbrand, dean of that division of the university. At the present, classes are being held in seven different buildings over the city.

This will be the center of all downtown work and late afternoon and evening classes will be held there. One half of the rooms will be used for studio purposes as they are now, and seven members of the present Wichita College of Music faculty have been retained by the university. "Work of the university college has been growing so rapidly that a need has long been felt for such a building. This is another step in the expansion of the university, the aim of which is to be of the greatest benefit to the community," stated Dr. Foght.

The preparation of class schedules for the downtown division is expected to be completed next week, and the classes to be offered and hours of their meeting will be made public at that time. Additional plans for the work next semester include the reduction of teachers' hours, and a proposed increase in student tuition.

PLACEMENT BUREAU SEEKS JOBS FOR 100

Preparations have been started by Frank R. Hickerson, head of the teachers placement bureau in connection with the College of Education, to locate available teaching positions for nearly 100 students who are expected to be graduated from that division of the University next spring.

Letters are being sent to superintendents and principals of schools over the Southwest to determine what staff vacancies they may have for another year. Such positions are discovered by this survey will be applied for by education students whose qualifications most nearly fit the requirements, Hickerson said. Letters are being sent also to the employers of last year's teaching group, to check-up on the success of those entering the teaching profession in 1931, and to alumni who are graduates of the College of Education but have not secured teaching positions and may care to enroll with the bureau again this year. Seventy-four students found teaching positions through the placement bureau last year, according to Mr. Hickerson.

HEKHUIS SPEAKS TO WICHITA MINISTERS

Dr. Lambertus Hekhuis, dean of the College of Liberal Arts, spoke to the Wichita Ministerial association at a meeting held Monday morning at 10 o'clock in the Y. M. C. A. The subject of his talk was "The Life of Jesus Christ."

Mr. Hekhuis used maps and illustrations from his regular class "Life and Teachings of Jesus," a discussion hour and conference followed the talk.

Although University of Kansas has over 60 girls out for their rifle team this year, Sgt. Manning Euthon, coach of the girls rifle team of the university, believes that this is the best chance to win. It is the girls' team which has won third time in succession they have won the cup offered by the University of Missouri. If they win it this year it can remain in the possession of the school.

RECEIVE EXTINCT CORAL SPECIMENS

The geology museum has acquired a specimen of rock, in which are embedded 20 corals of a type that is no longer living. They lived in the sea about 50,000,000 years ago. The specimen was donated to the University by Mr. W. A. Whorlan, who is the chief geologist in Wichita for the Prairie Oil and Gas company. This piece of rock comes from Cowley county, in Kansas.

PITTSBURG GETS BLEACHERS

Five sections of large bleachers have been built in the gymnasium of the Pittsburg Teachers department under the direction of Prof. C. R. Wassner, to be used for basketball games. The new bleachers are along the sides of the gym and will accommodate 300 people.

On Advisory Board

ASK PRESIDENT TO CONDUCT SURVEY AT NEW OMAHA U.

Regents Select Dr. Foght to Direct Educational Investigation

OTHERS TO ASSIST

Has Had Wide Experience in the Field of Scientific College Planning

Dr. Harold W. Foght, president of the University of Wichita, has just been appointed by the board of regents of the Municipal university of Omaha to direct an educational survey of the new municipal school being started at Omaha, Neb.

The survey will be conducted to ascertain the several lines of service in order to best serve the needs of the municipality. It will deal with the study of location of the permanent campus, the buildings to be erected, the organization of the university into colleges, a study of faculty and faculty needs, courses, and finances.

President Foght will be assisted by a number of other school and educational leaders including: Dr. George Works, of the University of Chicago, Dr. N. Carson Ryab, of the Department of the Interior, Washington, D. C., and President Kent of the Municipal University of Louisville. The full staff for the study has not yet been secured, but it is expected to be completed within the next few days.

Formerly President Foght has directed local, state, and national surveys for the office of education at Washington, D. C. He has had intimate connection with educational surveys in the states of Alabama, Delaware, Kentucky, Washington, and New Mexico. In addition to these surveys he has conducted others in the Japanese Empire and in Saskatchewan, and Ontario in Canada. He has also assisted with surveys in Colorado, Arizona and Virginia.

NEXT MONTH WILL BE BUSY ONE FOR ARMY'S MARKSMEN

Compete in Hearst Trophy Match and Intercollegiate Gallery Matches

February will be a busy month for the men's rifle team at the University of Wichita, according to Captain Cecil L. Rutledge, coach. Each week one stage of the four stages of the corps area intercollegiate gallery matches will be fired in competition with teams from the senior units of the R. O. T. C. in Kansas, Missouri, Arkansas, Nebraska, North and South Dakota, Minnesota and Iowa.

The scores for all matches will be kept at corps area headquarters of the war department at Omaha. The team having the highest score will win the corps area championship. Members of the winning team will be awarded bronze medals for their superiority.

UNIVERSITY RANKS CLOSE TO KANSAS

Colleges in Virtual Tie for Scholarship Honors

The University of Wichita ranks strikingly close to the University of Kansas in the matter of high and low grades given. It is revealed by figures just compiled through the office of the registrar. The percentage of failing grades given at the University of Kansas amounts to 7.6 per cent, according to the report, whereas the corresponding figure at the University of Wichita is 6.21 per cent.

The percentage of "A" grades at the University of Kansas is 13.3 per cent, and at the University of Wichita the corresponding figure is 11.81 per cent. "B" grades at the University of Kansas comprise 29.1 per cent of the total whereas at the University of Wichita are 29.78 per cent of all grades given.

The grades of the "C" level at the University of Kansas are 37.4 per cent at Union University, 36.37 per cent. A slightly higher percentage of "D" grades are given here than at Lawrence. The figures are 13.8 per cent at the University of Wichita, and 12.6 per cent at the University of Kansas.

Sterling college has a higher percentage of "A" grades than any other in the state, 29 per cent of the total grades being of that level. The lowest percentage represented was 9.4 per cent at Kansas State Teachers' college at Emporia.

Nineteen fully accredited colleges in Kansas were represented in the survey.

Y. W. C. A. MEETING

"What I would like to See in Y. W. Next Year" was the subject of the meeting of the Y. W. C. A. on Wednesday, January 6, Miss Helen McCann was in charge of devotions. John Wenzel gave two special selections.

MCCORMACK AT K. U. John McCormack, noted tenor, presented at the University of Kansas Thursday his only concert between Columbia, Mo., and the Pacific slope, singing for more than 2,000 in the university auditorium. His concert was an extra on the concert course given by the University School of Fine Arts.

Miss Edna Mummert, freshman at the university, and Maebert Hymer, sophomore, spent the week-end (Jan. 9-10) at their respective homes in Sedgwick.

ASK PRESIDENT TO CONDUCT SURVEY AT NEW OMAHA U.

Regents Select Dr. Foght to Direct Educational Investigation

OTHERS TO ASSIST

Has Had Wide Experience in the Field of Scientific College Planning

Dr. Harold W. Foght, president of the University of Wichita, has just been appointed by the board of regents of the Municipal university of Omaha to direct an educational survey of the new municipal school being started at Omaha, Neb.

The survey will be conducted to ascertain the several lines of service in order to best serve the needs of the municipality. It will deal with the study of location of the permanent campus, the buildings to be erected, the organization of the university into colleges, a study of faculty and faculty needs, courses, and finances.

President Foght will be assisted by a number of other school and educational leaders including: Dr. George Works, of the University of Chicago, Dr. N. Formerly President Foght has directed local, state, and national surveys for the office of education at Washington, D. C. He has had intimate connection with educational surveys in the states of Alabama, Delaware, Kentucky, Washington, and New Mexico. In addition to these surveys he has conducted others in the Japanese Empire and in Saskatchewan, and Ontario in Canada. He has also assisted with surveys in Colorado, Arizona and Virginia.

MIKESELL COMPILES STUDENT RATINGS

Purpose of Charts is to Give Student an Interest in Self-analysis

Personality rating sheets should help the student to know himself and become interested enough in self-analysis to understand his deficiencies," declared Dr. W. H. Mikesell, head of the psychology department in commenting on the averages he has recently compiled for 200 students.

Each student in the psychology department was given 10 personality sheets, one to be filled out by himself, nine by others. The characteristics of the student are covered under 10 general heads on the front of the sheet, and three favorable traits, three deficiencies and three faults on the back of the blank.

"To me the back of the sheet tells more than the front," said Dr. Mikesell. "If three of more persons mention the same trait, it is a good indication of a character fault." The result on the front of the sheet is obtained through the general average system.

Halo ratings are fewer, and franker estimates are now being given than in the first tests, three years ago, in the opinion of Dr. Mikesell. When the nine averages compare with the person's own rating, he is well-balanced.

"I cannot force people to come up for conferences about their problems. They must come of their own accord before I can help them," he commented.

These scales are in connection with the Personality Bureau, and were compiled by Dr. Mikesell.

VISITS DR. CLOUGH DURING HOLIDAYS

Mrs. Bliss Isely, instructor in English and journalism at the university, who spent the holidays in Arizona, visited with Miss Flora Clough, who is spending a short time at the home of her nephew, Graham Foster, in Phoenix. Mr. Foster is a graduate of Fairmount college and a former football star.

Miss Clough is well-known to everyone on the campus, having been professor of English literature here for many years. She resigned her position last year.

Miss Clough was well and happy, and seemed to derive a great deal of pleasure from talking about her friends in Wichita. Mrs. Isely said, "She plans to visit friends in New York at the end of her visit in Arizona."

ADDRESSES SOJOURNERS

Dr. Harold W. Foght, president of the University of Wichita will address the Sojourners Club at the Hotel Lassen tomorrow night at 8:30. This is to be a dinner meeting, and following the dinner Dr. Foght will speak on "The War Drama in Man-churia."

GIVES LECTURE ON STEEL At 12 o'clock today in the machine drawing room on the fourth floor of the Administration building, Mr. Jack Singleton of Topeka, who is connected with the iron and steel industry, will talk on steel and steel construction. This meeting is open to all students interested.

Clewellyn Murphy and Fred Welland, former students at the University, visited on the campus Friday.

Wichita U. Meets M

Shockers Meet Strong Bulldog Quintet Next Saturday at 8 o'Clock

Same Lineup to Start Game with Possibility of Beeman at Forward for Johnson

JOHNSON PROBABLY OUT WITH BAD ANKLE

University of Wichita Shockers meet their second test in the current season when they play the fast McPherson Bulldog quintet in a game Saturday, December 19, at East high school gym, starting at 8 o'clock. Many flaws in Wichita's play, discovered in the Alva contest, have been ironed out by Coach Johnson, and he expects to be able to put a steady playing five on the floor.

McPherson has most of last year's lettermen back for this year, losing only their regular center by graduation. Besides their veterans, a large group of freshmen have been showing up especially well, and are sure to see some service in the coming game.

Johnson Out

Coach Johnson probably will start the same lineup that began the Alva contest. Vaughn is sure to be at center with Hennigh and Ragland at the guard positions. Francis Johnson and Don Dedrick are the likely choices for forwards, although Ray Beeman may get the starting choice. Beeman was a letterman last year, but was kept from the Alva game because of low grades. Johnson suffered a sprained ankle in the last game and may be unable to start.

Randle, guard and Seidle, forward, are sure to see some service in the game. While Neeley and McLaughlin may get in. Both Randle and Seidle played against Alva as did Neeley, all showing a strong floor game, although Neeley was weak around the basket.

Play Alva Again

Following the McPherson tilt, Johnson will take his men down to Alva, Okla., for two games against the Northwestern Teachers. Wichita defeated this team last Monday in a close battle, 26 to 19, and Alva is expected to put up a much improved game on their home court. The Teachers have practically a veteran team back with Martiney and Coffman at forwards and McLaughlin at guard. All of these players have a good eye for the basket, and caused the Wichita team most of its trouble last Monday. Besides these three players, Alva has an exceptionally large crop of freshmen who have been showing some nice basketball.

Marysville Strong

Following the Alva game, the Shockers will journey up to play the Marysville Teachers in Missouri. This team is considered one of the strongest in the Middle West, annually going far in large tournaments they enter. Last year they reached the finals in the Southwestern Invitation tournament but were defeated in the last game by Wichita. Building the team around McCracken, star center and former All-American high school pivot man, Marysville has most of last season's speedy squad returning. Last season they had 12 good all-around players to build around McCracken, and nearly all of these men are back.

Shockers Meet Kansas Aggies in First Game

A tradition of many years will be broken next year when the Washburn Ichabods replace "Fris" in the annual Thanksgiving grid feature on the Shocker field. The tentative schedule, which was announced recently, places the annual classic with the Quaker school second on the list, with the Kansas Aggies opening the Shocker season at Manhattan.

Another highlight on the brilliant schedule announced for the 1932 season is the proposed tilt with the "praying colonels" of Centre college, Danville, Ky., which has not yet been definitely scheduled, but may be played sometime during October.

Opening the season, the Shockers journey to Manhattan to battle the Kansas Aggies on their own field, September 24, following which will come the annual "Fris" game on October 1. The October 8 date, which was refused by Centre, is being held open, while the Shockers travel to Pittsburg on October 14 to meet the Teachers.

Another date which has been considered for the Centre college game is October 29, on which the University team is scheduled to meet the Hays Teachers at Hays. Featuring early November, the Builders will travel from Southwestern to meet the Shockers on the Shocker field, continuing the rivalry of past years, and once more bringing to life the historic jinx. Closing the regular season, the Central Conference co-champions, Washburn, will meet the Shockers on the University field.

1932 W. U. Football Schedule

Sept. 24—Kansas Aggies at Manhattan.
Oct. 1—Friends U. at Wichita (night).
Oct. 8—Fields open for game.
Oct. 14—Pittsburg Teachers, Pittsburg (night).
Oct. 21—Emporia Teachers at Emporia.
Oct. 28—Hays Teachers at Hays or Centre here.
Nov. 4—Southwestern at Wichita.
Nov. 11—College of Emporia at Wichita.
Nov. 18—(Open).
Nov. 24—Washburn at Wichita.

If all the telephone users spoke in a loud tone continually, the telephone firm would undergo great expense increasing the amount of electricity over its wires.

18,006 Chose All-American Football Team

NEW YORK, (Special)—An All-American football eleven, the first ever chosen by a large section of the American public and the first even chosen through the medium of radio, was announced today.

Eighteen thousand and six voters who began to make their choices immediately following the Hart, Schaffner and Marx Trumpeter broadcast, November 19, in which regular weekly program the poll was announced, gave Marchmont Schwartz Notre Dame back, first place in the matter of popularity. Schwartz received 16,887 votes.

Three judges, Ted Husing, ace sports announcer of C. B. S. Sol Metzger and Warren Brown, both nationally known football authorities, in each case approved the popular choices, which, in almost every case coincided with prominent All-American eleven picked by football writers and experts in various sections of the country.

The Hart, Schaffner and Marx All-American team follows:

Left end—Jerry Dalrymple of Tulane.

Left tackle—Dallas Marvill, Northwestern.

Left guard—Clarence Munn, Minnesota.

Center—Tommy Yarr, Notre Dame.

Right guard—John Baker, Southern California.

Right tackle—Jim McMurdo, Pittsburgh.

Right end—Vernon Smith, Georgia.

Quarterback—Barry Wood, Harvard.

Left halfback—Marchmont Schwartz, Notre Dame.

Right halfback—Ernest Pinckert, Southern California.

Full back—Ernest Renter, Northwestern.

Tommy Yarr, believed to be one of the two most important pivots on national gridirons this year, placed second in the popular vote, 14,003 of the 18,006 voters naming him on their teams, Vernon "Cat" Smith, Georgia, and with 12,727, Jerry Dalrymple, Tulane.

With 12,506 and Ernest "Pug" Renter, of Northwestern, with 12,384 took the next places in number of ballots received.

One of the unusual features of the poll, a matter in which all three judges concurred was selection by the voters of Barry Wood of Harvard for quarterback, with 12,157 votes. Husing, the C. B. S. announcer, who was barred during the season from any further broadcasts at Harvard, because of his description of a play in which Wood figured, had no hesitancy in approving the voters' choice of Wood on the Trumpeters All-American. It was in the controversial broadcast that Husing referred to a play in which Wood participated as "putrid."

During the latter part of the banquet, football letters were recommended for 19 Presby players.

Captain Don Long, Captain-elect Guy Ward, Roger Thatch, Dick Barnes, Raymond Beal, Dick DeBor, Ramsey Lohr, George Pankhouser, Alvin Ench, George Cheney, Earl Daniels, Ernest Cupra, Homer Bigham, Rice Brown, Leo Koons, Gerald Meek, Ronald Powell, LeRoy Starluck and Keith McCarthy.

Bigham, DeBor and Cheney are the only C. of E. lettermen who will be lost through graduation.

Georgia Elwell High Scorer in Archery

Georgia Elwell, Thelma Butler and Inez Heilman hold high scores in archery. From 30 arrows shot at 30 yards Miss Elwell made 21 hits and scored 103 points. Miss Butler made 21 hits and scored 100 points one day and the following day made 23 hits and scored 123 points. Miss Heilman made 23 hits scoring 107 points. Other high scores were:

Onalake Co. Virginia Lewis 19 24
Ester Myers 17 21
Bettya Bowers 17 21
Bettya Bowers 17 21
Estelle Miller 17 21
Leta Newman 17 21
Leta Newman 17 21
Leta Newman 17 21
Leta Newman 17 21

A co-ed at the University of Wichita carried on an intensely engaging conversation with her neighbor in the rear of the room, while in the front a pacing professor orated on the development of Fiji culture in the second century. A very staid professor rapped seven times on his desk before the students became sufficiently quiet to call roll three minutes after the last bell had rung.

In convocation a student made weird sounds as the chairman called for attention. He concocted an unearthly laugh when the guest speaker became nervous in front of the microphone. He applauded with noises like a cannibal feasting bank. He mumbled in a monotone audibly three rows on either side. This student revelled in tapping his foot to an original tune which he hummed.

Perhaps the day of common courtesy is past, maybe respect for others and superiors is silly; but until something is found that will take the place of common courtesy, it well behooves students on the campus to observe a few of the commonest of the common courtesies.

The beginning of the New Year marks the time for resolutions. It would be well to include a common courtesy clause in the list, and resolve to have more respect for other people's feelings and thoughts. Incidentally, such resolutions, if carried out, usually bring rich reward in personal profits.

Roundabout

Last week—a deserted campus except for those of the office force who felt their calling enough to lay pleasure and idleness aside—this week—everyone rushing around like mad trying to make themselves believe that the next week's going to go faster than the week this one would—people just coming out from under the spell of seeing and hearing about so many holiday weddings—Alpha Gamma in particular—sounding off being burnt to term papers—friction over new schedules appearing on the nose too far distant horizon—the usual after Christmas slump in finances—no hearing a lot to certain Alpha Gamma pledge that looks all the time like she was about to disclose an awfully big and interesting secret—just sorta bubbling over—now that winter's here, where's spring?—the Sunflower getting shrunk up in the wash—that's all there is this week—M. L. P.

Announcement of Office Hours for Arranging New Schedules

In order to facilitate registration of the faculty member and the time for the second semester, a complete list of those faculty members who will assist in the enrollment has been released from the office of the registrar. Included in the list are the names of those in alphabetical order and include the following:

Name	Days	Place	Time
Altman, Leo W.	Mon., Tues.	113 Ad.	1:00-4:00
	Wed., Thurs.	113 Ad.	9:00-12:00
	Friday	113 Ad.	2:00-4:00
Artes, Hiram D.	Monday	203 S.	2:00-3:00
	Tuesday	203 S.	9:00-10:00
	Wednesday	203 S.	1:00-2:00
	Thursday	203 S.	9:00-10:00
	Friday	203 S.	11:00-12:00
Bakkum, Glenn A.	Monday	225 Ad.	10:00-11:00
	Tuesday	225 Ad.	10:00-11:00
	Wednesday	225 Ad.	10:00-11:00
	Thursday	225 Ad.	10:00-11:00
	Friday	225 Ad.	10:00-11:00
Bevbe, Viola McK.	Mon., Wed., Fri.	229 Ad.	9:00-10:00
	Tues., Thurs.	229 Ad.	9:00-10:00
Branch, Hazel E.	Monday	123 S.	9:00-10:00
	Tuesday	123 S.	9:00-10:00

Wichita U. Meets M Shockers Meet Strong Bulldog Quintet Next Saturday at 8 o'Clock

Same Lineup to Start Game with Possibility of Beeman at Forward for Johnson

JOHNSON PROBABLY OUT WITH BAD ANKLE

University of Wichita Shockers meet their second test in the current season when they play the first McPherson Bulldogs quintet in a game Saturday, December 19, at East high school gym, starting at 8 o'clock. Many flaws in Wichita's play, discovered in the Alva contest, have been ironed out by Coach Johnson, and he expects to be able to put a steady playing five on the floor. McPherson has most of last year's lettermen back for this year, losing only their regular center by graduation. Besides their veterans, a large group of freshmen have been showing up especially well, and are sure to see some service in the coming game.

18,006 Chose All-American Football Team

NEW YORK, (Special)—An All-American football eleven, the first ever chosen by a large section of the American public and the first even chosen through the medium of radio, was announced today. Eighteen thousand and six voters, who began to make their choices immediately following the Hart, Schaffner and Marx Trumpeter broadcast November 19, in which regular weekly programs the poll was announced, gave Marchmont Schwartz Notre Dame back, first place in the matter of popularity. Schwartz received 16,887 votes. The three judges, Ted Husing, ace sports announcer of C. B. S. Sol Metzger and Warren Brown, both nationally known football authorities, in each case approved the popular choices, which, in almost every case coincided with prominent All-American eleven picked by football writers and experts in various sections of the country.

The Hart, Schaffner and Marx All-American team follows:
Left end—Jerry Dalrymple of Tulane.
Left tackle—Dallas Marvill, Northwestern.
Left guard—Clarence Munn, Minnesota.
Center—Tommy Yarr, Notre Dame.
Right guard—John Baker, Southern California.
Right tackle—Jim McMurdo, Pittsburgh.
Right end—Vernon Smith, Georgia.
Quarterback—Barry Wood, Harvard.
Left halfback—Marchmont Schwartz, Notre Dame.
Right halfback—Ernest Pinkert, Southern California.
Full back—Ernest Renner, Northwestern.

Tommy Yarr, believed to be one of the two most important players on national grids this year, placed second in the popular vote. 14,003 of the 18,006 voters naming him on their teams. Vernon "Catfish" Smith, Georgia end, with 12,727. Jerry Dalrymple, Tulane with 12,506 and Ernest Pinkert, Northwestern with 12,384 took the next places in number of ballots received. One of the unusual features of the poll, a matter in which all three judges concurred, was selection by the voters of Barry Wood of Harvard for quarterback, with 12,157 votes. Husing, the C. B. S. announcer, who was barred during the season from any further broadcast at Harvard, because of his description of a play in which Wood figured, had no hesitancy in approving the voters' choice of Wood on the Trumpeters All-American. It was in the controversial broadcast that Husing referred to a play in which Wood participated as "putrid."

Ward Heads 1932
C. of E. Grid Team
C. of E. Dec. 16—Guy Ward, three letter guard on the College of Emporia football team, was unanimously elected to head the 1932 squad at the annual football banquet held at Emporia last Thursday, December 3. Ward, a junior, won his choice as captain-elect through his steady playing through the recent season, playing more. He was also selected on several All-Central conference second teams. During the latter part of the banquet, football letters were recommissioned for 19 Presby players—Captain Don Long, Captain-elect Guy Ward, Roger Thatcher, Dick Barnes, Raymond Beal, Dick DeBolt, Rumsey Lohr, George Fankhauser, Alvin Emch, George Cheney, Earl Daniels, Ernest Cipra, Homer Bigham, Rice Brown, Leo Koons, Gerald Meek, Ronald Powellson, LeRoy Starbuck and Keith McCarthy. Bigham, DeBolt and Cheney are the only C. of E. lettermen who will be lost through graduation.

Shockers Meet Kansas Aggies in First Game

A tradition of many years will be broken next year when the Washburn Ichabods replace Friends in the annual Thanksgiving grid feature on the Shocker field. The tentative schedule which was announced recently, places the annual classic with the Quaker school second on the list, with the Kansas Aggies opening the Shocker season at Manhattan.

Another highlight on the brilliant schedule announced for the 1932 season is the proposed tilt with the "praying colonels" of Centre college, Danville, Ky., which has not yet been definitely scheduled, but may be played sometime during October. Opening the season, the Shockers journey to Manhattan to battle the Kansas Aggies on their own field September 24, following which will come the annual Friends game on October 1. The October 8 date, which was refused by Centre, is being held open, while the Shockers travel to Pittsburg on October 14 to meet the Teachers.

Another date which has been considered for the Centre college game is October 29, on which the University team is scheduled to meet the Hays Teachers at Hays. Featuring early November, the Builders will travel from Southwestern to meet the Shockers on the Shocker field, continuing the rivalry of past years, and once more bringing to life the historic jinx. Closing the regular season, the Central Conference co-champions, Washburn, will meet the Shockers on the University field.

1932 W. U. Football Schedule

Sept. 24—Kansas Aggies at Manhattan.
Oct. 1—Friends U. at Wichita (night).
Oct. 8—(Held open for game.)
Oct. 14—Pittsburg Teachers, Pittsburg (night).
Oct. 21—Emporia Teachers at Emporia.
Oct. 28—Hays Teachers at Hays or Centre here.
Nov. 4—Southwestern at Wichita.
Nov. 11—College of Emporia at Wichita.
Nov. 18—(Open.)
Nov. 24—Washburn at Wichita.

If all the telephone users spoke in a loud tone continually the telephone firm would undergo great expense increasing the amount of electricity over its wires.

Shockers to Open Cage Season with Washburn Game

Gardner Brings Impressive Team Against Wichita at Forum on Wednesday

Football champions test their mettle on the cage court tonight at 8:00 when the Ichabods from Washburn bring a strong squad to Wichita to battle the Shockers on the Forum court. The contest, which is the opening of the conference season for the Wichita cagers, brings one of the most powerful teams of the Central loop for the engagement. With their strong team of last year furnishing a big nucleus, and with the addition of a number of new players, the Ichabods are rated as having a chance to upset Pittsburg, considered the strongest five in the conference.

Heading the invading team will be Capt. Leo Burger, playing his second and last year under Washburn colors. Last year, though his first, found him the leading scoring threat on the Washburn team, and he is said to be going even better this season. Boyd and Birdson, another pair of letter men, are the other candidates for the forward berth. Boyd is unusually fast and Birdson is noted for his work in covering the ball on the backboard. For the positions at guard, Washburn will have an ample supply of good material. Cecil Peterson, with a brilliant high school record, is playing his second year of college competition. Walter Pedder is an excellent ball handler, and Irvn Deschner, playing his first year in college, is a defensive man, dangerous on long shots and general offensive work. The center position may be held by Dowd, six foot five inch athlete, replacing Alfred Peterson, who was forced from the lineup the middle of December because of illness.

Opposing the Washburn aggregation of veterans, Coach Johnson will have a comparatively new squad, with only a few members of his last years team on the court. Capt. Bill Hennigh and Ragland at guard are old performers on the Shocker court and have a reputation for making scoring by their opponents difficult. Holding down the three front berths will probably be Dedrick, Johnson and Vaughn, all of whom have had considerable experience this season in non-conference contests. Beeman, Bailey, Seidle and Randle are also almost sure of being seen in the lineup tonight during part of the game. Though the Wichita team is comparatively new, Coach Johnson has built up a powerful offense and a strong defense. The team, while not rated as the most powerful in the conference, is a dark horse and other members of the Central group are watching the Washburn tilt with interest.

With all of the pre-season contests over, Coach Johnson can now get down to the business of winning a Central conference championship. One of the smoothest working combinations as yet found by Johnson is in F. Johnson and Dedrick at forwards, Vaughn at center, and Captain Bill Hennigh and Ragland at the guard positions. And with reserve material like Beeman, Bailey, Moore, Randle and others, the outlook for wins over the other conference threats is brighter than ever before.

Special Courses for University People

Each year a larger and larger proportion of our students complete college and university people. We are proud of the fact that this class has benefited our school for intensive business training and we have arranged special courses for them.

For nearly half a century in Wichita, we have devoted ourselves to making our work better and have kept our equipment, courses, etc., up to date at all times. After you have finished what work you wish at Wichita, we invest in this well known institution for further business training. All teachers have degrees in business and have had actual business experience.

QUALITY TRAINING

Intramural B. B. Season to Open Tuesday, Jan. 12

Intramural basketball at the University of Wichita is scheduled to get under way next Tuesday, January 12 with Webster and Phi Alpha meeting in the opening game. Eight teams have entered rosters so far and have signified their intention of entering the competition for the intramural trophy presented to the champion team each year by the university.

At present three squads are doped as favorites for the title, won last year by the Eagles club. Tip Tucker has collected a strong group of players among them being Hunter, Gebos and Lester. These men played for the winning Eagles last year and consequently, the Tigers squad is considered one of the strongest entered.

Webster and Alpha Gamma tied for second place in the league last season, and from reports have a strong or stronger teams back. Webster is sure to rely on Skinner, Keper, Rape, Burkett, Robertson and Schrader; while among the Gamma boys, Davis, Brooks, V. Priboth, Belt and Mason are sure to see much service.

Zeta Delta is considered the dark horse in the coming tourney. These men have always been exceptionally fast squad, but heretofore have lacked experience. This season reports have it that under the leadership of Melvin Bowlin, the Deltas have developed into one of the best teams on the campus. In Barnes, Jones and Kerr, Bowlin has three of the dearest shots on the hill, meanwhile having a wealth of reserve material.

Not much is known about the other four teams entered. Merrill Bosworth has collected a band of non-fraternity men who are bound to cause any team much trouble. Bosworth himself captained a Barbwire team two years ago that finished second in his league, and he has as good or better a team this year. In Speer and Oakes, Bosworth has two of the best guards to be found. Both have starred in Sunday school leagues, and are

strong defensive men. Some others on the new squad are Amsherry, Toews, Parker, Johnson and Merle Collins.

Phi Alpha and Phi Upsilon Sigma have both had fairly weak teams in the past while the champion Eagles have lost many of their stars by graduation. However, each of these teams are sure to have fighting squads on the floor against the favorites and may turn in several upsets.

Play in the league will be on Tuesdays and Thursdays with two games being scheduled for each night. The first contest will start at seven o'clock with the last following immediately. Ten minute quarters are to be played with two referees working each game, furnished by Gene Johnson's class in officiating, working each game. No games are to be played during examination week.

Also at the end of the season, the intramural committee has ruled that the high four teams will enter a round robin play for the championship, each squad playing all of the other three teams.

Manning in Training for Millrose Games

Harold Manning, University of Wichita track star is training for the Millrose Games to be held Feb. 6 at Madison square Garden, New York City. Manning has been training at the University for the last month after recuperating from an injury to his right foot. Last year he won this event nosing out McCluskey, Fordham University star, by a few feet.

The race will be a two mile mile and out race in which after five laps have been run, the last man of each succeeding lap drops out until but five remain.

"This year the competition will be keener than ever according to Harold T. Goerger, head track coach at the university, this being the season preliminary to the Olympics. The outstanding competitors besides Manning are McCluskey, Venzel, Lermond and others.

Washburn college makes the gathering material about its cage players, schedules and history by sports writers an easy matter. Copies of the 1931-32 Ichabod Sportster, containing all information necessary to writers have been sent out. Washburn also follows this practice for its football teams.

Smart Shirts From Smart People

Christmas nineteen thirty-one is bound to be a practical Christmas. You may be sure he'd thoroughly enjoy one of these smart, collar attached shirts.

A smart tie, plain in color or striped would certainly make a handsome combination.

We'll cap the climax then by boxing it in a most attractive manner.

It Gives You More Play Hours

SOME sage philosopher has reasoned that every minute that's lost can never be regained. Conversely, we say that every minute that's saved is a minute manufactured. When you waste them they're gone for good—when you save them they're yours to use in any fashion you deem profitable.

There are so many ways that minutes can be hoarded into valuable hours that few of us have even begun the crusade in time-saving. Outside of the stock methods—there are some brand new easy ways to have hardly been used. From morn till night there are ways to save minutes electricity. You're acquainted with a lot of them—but here's one of the best.

Let an electric range do the meals for the family automatically. Then a greater part of the cooking time and kitchen time saved—to lengthen your life by both adding hours to your day and saving minutes for you.

Electricity can manufacture minutes for you lots of ways.
