WASHINGTON IS HONORED IN CONVOCATION

Dr. Frank Neff, Wichita, Gives Memorial Address Before Student Body

INAUGURATES PROGRAM R.O.T.C. Units also Participate in Morning's Memorial Activities

Dr. Frank Neff, pastor of the First Methodist church presented a character sketch of George Washington as a feature of the convocation program this morning.

Both the tendency of hero-worship and the more recent tendency of "debunking" Washington's life are wrong, according to Dr. Neff. These two tendencies, if carried to an extreme, present an inaccurate picture of the Revolutionary leader.

In studying the characteristics of Washington, Dr. Neff pointed out, we find that, despite his limited education, he made the most of every opportunity.

Despite the fact that Washington was extremely popular with everyone, no one, according to Mr. Neff, would have taken the liberty of slapping him on the back, as we often do at present, for his innate dignity commanded high respect.

Other features of the convocation, which was in charge of a committee made up of Major George W. Price, chairman, Mrs. Thor Jager, Captain Cecil Rutledge and Charles Adams.

STUDENT LEADER TO SPEAK ON CAMPUS

Benjamin Cherrington, nationally known leader in student conferences, who has just returned from the League of Nations convention in London, will speak at the Christian World Education convocation in Wichita March 5 and 6.

The following colleges have already signified their intentions of coming to Kansas Wesleyan, Arkansas City Junior college, Bethel, Southwestern and McPherson.

CITY TEACHERS TO GIVE BENEFIT PLAY

"Passing of the Third Floor Back" will be presented by members of the Wichita City Teachers' association in the auditorium of Wichita high school East March 15.

Today's Speaker

ABOVE is Dr. Frank Neff, pastor of the First Methodist church, and one of the city's prominent clergymen. Dr. Neff gave the Washington memorial address before the student body.

SPECIAL MUSIC TO BE PRESENTED AT A WINTER'S TALE

University Theater Orchestra Directed by Duerksen to Play Between Acts

Walter Duerksen's University Theater orchestra will present special music between acts and for the dances which are a part of the University Players' production of Shakespeare's "A Winter's Tale," scheduled for March 3 and 5 in the Wichita High School East auditorium.

"Danse Antique," one movement from the ballet music of Gounod's "Faust" will be used as the musical accompaniment for the dance of shepherds and shepherdesses, and a number entitled "Cortège de Bacchus" will be played for the satyr dance.

Following are the persons whom Mr. Duerksen has named to appear with the orchestra for "A Winter's Tale": Beatrice Sanford, Glenn Parrar, Lillie Bell Preston, Bob Carnahan, Francis Baxter, Byron Jacques, Wayne Watson, Merrill Bosworth, Ruth Vandenburg, Alberta Bainbridge, Drusilla Reichard, Le Roy Stokely, Parker, Dale Dumbauld, Carlos Pease, Winston Leach, William Crosby, Charles Williams and James Wilbur.

Miss Helen Hilliard has been selected to work as an assistant on the publicity for "A Winter's Tale," and Miss Geraldine Hite has been named property manager.

LIBRARY STUDY NEARS COMPLETION

Miss Cossitt Gives Rural Schools Instructions in Use of Catalogue

After spending three years on the organization of rural high school libraries in Sedgewick county, Miss Kathryn A. Cossitt, cataloguer at Morrison library, announces that her work is "about finished."

C. R. Rankin, county superintendent, always goes with Miss Cossitt on her annual tour of inspection, and this year, they were accompanied by R. T. Hunt, state supervisor of rural high schools of southern Kansas.

"Some schools," says Miss Cossitt, "have completed the organization of their libraries, and some are even giving students instructions in the use of the catalogues. In many communities the work has advanced so far that experiments such as installing picture and bibliography files are being made."

Although the libraries are quite well organized, Miss Cossitt says that there is still much work to be done, as evidenced by the fact that many superintendents and others in charge of libraries throughout the county have made appointments for the spring and summer months for consultations with Miss Cossitt concerning the work.

Miss Cossitt's work is sponsored by the University of Wichita in the Wichita area, and, in her own words, "I am trying to prove to my own satisfaction that this is the type of service that might be rendered by municipal universities throughout the country."

RIFLE TEAM IS CHOSEN FOR KEMPER MEET

University Squad Will Leave Tomorrow for Booneville

CADETS ACT AS HOSTS Hope to Win Meet for the Third Consecutive Year to Clinch Trophy

Co-ed sharpshooters representing the girls' rifle team at the University of Wichita in the Mid-west Indoor Gallery Meet at Kemper Military school, February 26 and 27, have been selected, according to Sgt. Manning L. Euthon, coach.

The team leaves tomorrow to defend its two year record as possessor of the University of Missouri rifle club trophy, symbolic of victory in the women's division. If the girls win this year, the cup will become the permanent possession of the university.

Margaret Klopfenstein, captain, will defend her record made last year when she shot a score of 194 to take individual honors. Pauline Folkers, manager, Lucille Everett, Florence Moe and Albert's Basey comprise the remainder of the team.

The boys team to represent the university will be made up of a basic group consisting of Leon Schaefer, Parker Dale Dumbauld, Pete Pierce, Howard Kinchloe and Sterling Krugger.

The girls entry will fire in the prone position. The boys team will fire as a team and will also fire in the free for all individual matches.

The team that wins in the girls division this year will not lose over two points according to Pauline Folkers, manager. Every girl will have to score 98 points out of a possible 100 to be in the running to take first place.

The boys team has shown much improvement over last year's team and should place higher in the division. Capt. Cecil L. Rutledge, coach, believes.

SINO-JAPANESE CLASH DISCUSSED

Political Science Club Holds Second of Series of Open Forum Discussions

Continuing a series of open forum discussions which started two weeks ago under the sponsorship of the Political Science club of the university, a second meeting will be held next Tuesday evening in the university Y. M. C. A. room.

The entire discussion will be devoted to the Sino-Japanese situation, which is especially timely, according to those in charge.

The meeting, which will be held from 6:30 to 7:30, is open to anyone interested in the discussions and everyone is invited to attend, according to the officers of the club.

ORCHESTRA TO GIVE BENEFIT CONCERT

The Minnie Symphony orchestra and chorus of the University of Wichita under the direction of Dr. Thurlow Lieurance will present a benefit concert in the University of Wichita auditorium, Monday evening, February 22, for the Wesley Mother's Endowment Fund.

The program to be presented is in four parts. It is as follows: Part I. No. 1. Prairie Sketches, No. 2. Prairie Sketches, The Owl; Part II. To Celia, Snowflakes, Rippling Corn, Chorus and Orchestra; Part III. Integritum, Tchaikovsky, The Mill, Ravi, String Quartet; Part IV. Paris Sketches, The Fountains, Mount Vernon, Tan Tam Ergo, Angeles, Drest Parade.

In Memoriam

TWO DAYS AGO the celebration of the two hundredth birthday of George Washington was officially begun throughout the world.

The president from the rostrum of the White House, ministers from the pulpit, and orators from the platform are eulogizing the Father of His Country.

The University of Wichita joins the nation in commemorating the anniversary of Washington's birth by converting today's convocation into a memorial program.

Washington rose from the ranks to lead the embryonic nation through the morass of doubt and despair to the victorious heights of independence.

The nation today needs a Washington, someone to lead us through our Valley Forge of financial hardship and suffering, to guide us across our Delaware of economic peril, fraught with frozen assets.

It will become us to pause for awhile to pay homage to the man who moulded a nation from sturdy pioneer granite, shaping it with his magic chisels of wisdom and understanding.

GREEK EDUCATION SOCIETY FAVORED CHANGE CARNIVAL DATE TO MARCH 11

50 Students Show Interest in Kappa Delta Pi at First Meeting

Approximately 50 students signified their interest in Kappa Delta Pi, national education society, at the initial meeting held Thursday night, February 18, at the headquarters of the downtown division of the university.

Petitions will be sent immediately to the national organization, according to Leslie B. Sipple, dean of the college of education. This must be voted upon by the 95 chapters in existence over the United States. Organization will probably be completed before commencement this spring. Requirements for eligibility are a B average, six hours of education and a junior standing at the university.

PRESENT PROGRAM TO MUSIC CLASS

Miss Mabel Whitney, instructor in piano at the university, and Roy Schuessler, baritone, presented the following program before the students of Dr. Thurlow Lieurance's music appreciation class, February 18:

Country Dance, Arthur Hinton; En Auto, Pauleine; To an Old White Pine, Sjoegen and La Chasse, Paganini-List, all played by Miss Whitney. The following numbers were sung by Mr. Schuessler: Ship O' Dreams, Hueter; May Day Carol, Deems Taylor, and Mountains, Rasbach.

INFLUENZA CONFINES EUTHON TO HOSPITAL

Sgt. M. L. Euthon, instructor in military science, coach of the girls rifle team and custodian of R. O. T. C. equipment at the University of Wichita, is confined to Wichita hospital where he is suffering from a severe attack of influenza.

As a result of his illness, Sergeant Euthon will be unable to go to Booneville, Mo., this week end.

PRELIMINARY WORK ON MAY FETE IS BEGUN

Announce First Plans for Annual Pageant; Taggart in Charge of Affair

USE ATHLETIC FIELD Contest for Sketch to Be Produced by Students Is Open to All on Campus

First preliminary arrangements for the annual May Fete of the University of Wichita were completed this week, according to Miss Gladys Taggart, director of physical education for women, who is in charge of plans for this year's festival.

Miss Taggart announced a contest for a dramatic sketch, written by some student of the University, which will be presented at the fete. The contest is open to any student of the University, and the sketch must be given to her before March 20.

The entry must include a story and suggestions for dance and music. It must be on some phase of the spring theme. Any story submitted becomes the property of the committee and the committee wishes the privilege of using parts of entries other than the winner in the contest, according to Miss Taggart.

The romantic sketch presented last year was "A Festival of Spring," written by a committee in charge of the affair. Miss Oeythe Dear-smith was the Miss Queen and Phil Evans was chancellor. "The Treasure Chest" with Miss Georgetta Tyndale as queen and Odis Schweitzer as chancellor was presented in 1930. The story for "The Treasure Chest" was written by Miss Helen Hill.

DOWNTOWN SCHOOL PRESENTS CONCERT

Monthly recitals of the department of music of the downtown division of the University of Wichita will be given in the auditorium of the downtown school under the direction of William E. Snyder, instructor in piano and organ.

Tentative dates for the recitals are: Sunday, March 6, recital of two piano pieces by Professor Snyder and Miss Helen Rockwood; Sunday, April 3, lecture recital by piano, organ and composition pupils of Professor Snyder; Sunday, May 1, two-piano recital by Professor Snyder and Miss Velma Snyder; Sunday, June 5, lecture recital on Organ and Liszt by Professor Snyder and pupils.

Designs Bridge

PICTURED here is Prof. Clayton Henri Staples, head of the University art department. The Washington Bicentennial bridge, now being constructed on the campus, was designed by Mr. Staples.

DEBATE TEAM IN CLOSE DECISION OVER M'PHERSON

Croft and Walton Defeat Opponents Before Large Crowd February 19 HUTCHINSON JUDGE

Before an audience of 200 people a University of Wichita debate team of Clayton Walton and Tom Croft defeated McPherson college representatives in a debate held at University college February 19.

The subject for debate was: Resolved, that congress should enact legislation favoring a centralized control of industry. Merville Perill Hutchinson, Kan., the judge, awarded a close decision to the university team.

This debate was one of the most successful of the season from the point of interest, according to Prof. Leroy Lewis, coach of the university debaters. Student attendance was larger than usual, many hearing the debate before attending the freshman party. Mr. Lewis said.

"This was the finest and most appreciative audience I have ever seen in attendance at an intercollegiate debate," declared Mr. Lewis, who stated that directors of the speech department were pleased at the growing interest in intercollegiate debating on the campus.

On the same evening, Oliver Witterman and Willard Parker met a similar success at the Kansas Wesleyan college at Salina. They were accompanied on this trip by Mr. C. C. Harrison, head of the speech department.

Future Pi Kappa Delta activities include a debate against Bethany college at Lindsborg on March 9, when Croft and Walton will argue affirmatively, and representatives from the university who will argue negatively against Sterling college on the same date.

MENTION MENTORS IN "WHO'S WHO"

7 Members of School Faculty Mentioned in Education Volume

A total of seven instructors from the University of Wichita are in Volume III of "Who's Who in American Education," a recent addition to the shelves of Morrison library, according to Clinton H. Col-ester, librarian. "This," comments Mr. Colleston, "is a much greater proportion than would be expected in an institution the size of our municipal university."

From 800,000 school teachers and 60,000 college professors, 6,500 men and women were selected for representation in the 1931-32 educational "Who's Who." Of course, in such a selection, many of the choices were purely arbitrary, declares Mr. Colleston, "but it is interesting to note that Wichita's seven out of 6,500 is a greater ratio than that of Wichita's instructors to the 600,000 from which list was made. Many persons worthy of inclusion do not for one reason or another appear."

"Who's Who in American Education" was printed first in 1928 and contained 1,400 names. It has grown with each publication and advance reports say that the next volume will contain no less than 8,000 names.

R. O. T. C. BAND PLAYS AT FORUM

In the civic celebration of the bicentennial anniversary of the birth of George Washington which was held at the Forum February 22, the University of Wichita was represented by the R. O. T. C. band and James Wilbur, saxophonist.

SUBSCRIPTION RATINGS ARE TABULATED

Alpha Gamma Gamma and Sorosis Lead in Year Book Percentages

TAKE SPORTS PICTURES Greek Groups Must Have 90% of Members Subscribing for Panel

"No fraternity or sorority will be given a panel in the Parnassus unless the subscription rating of 90 per cent is reached in the next two weeks," stated Miss Amy Ruth Mahin, editor of the year book, who declared that the staff is anxious to complete work on these sections as soon as possible.

Latest estimate of fraternity ratings are as follows: Alpha Gamma Gamma, 65 per cent; Zeta Delta Epsilon, 53 per cent; Webster, 42 per cent; Phi Upsilon Sigma, 41 per cent and Pi Alpha Pi, 38 per cent.

Sorority ratings to date are as follows: Sorosis, 87 per cent; Epsilon Kappa Rho, 70 per cent; Alpha Tau Sigma, 51 per cent; Delta Omega, 48 per cent, and Pi Kappa Psi, 46 per cent.

The basketball section was completed this week and last week clubs, the faculty section, R. O. T. C. pages, and drawings for the sub-division pages were finished. The society section under the direction of Miss Mary Lou Parker and her assistant, Miss Ruth Burney, will be ready to send to the engraver by the end of this week. At the present time pictures of women's athletics are being taken.

"We are striving to have all pages and sections of the Parnassus through the hands of the engravers by the middle of March," said Miss Mahin when commenting on the progress of the annual.

EXPRESSION GROUP PRESENT PROGRAM

Pupils of Alice Campbell Wrigley Give Concert Honoring Washington

As part of a program given in commemoration of the bicentennial anniversary of the birth of George Washington, Mrs. Alice Campbell Wrigley, instructor in expression at the university, presented the pupils of her dancing class in a group of colonial dances at the Innes tea-room February 22.

The program which was opened by a short resume of the life of Washington by Mrs. Wrigley consisted of numbers by the Friends University male quartet; a dance by Miss Oeythe Dear-smith, and a sketch, "Colonial Days," read by Mrs. Wrigley and acted in pantomime by the following students: Geraldine Hite, Mary Ann Fallott, Kathryn Slawson, Elsie Dumbauld, Katherine Johnson, Hortense Rhodes and Violet Klyler.

Music for the minutes was played by a string trio composed of Guy Snyder, pianist; Lois Ayers, cellist, and Beatrice Sanford, violinist.

STUDENTS VOTE FOR ARMS CUT

YELLOW SPRINGS, O.—(NSFA)—A nation-wide straw vote on disarmament announced by the Inter-collegiate Disarmament Council from its offices in New York City reveals 92 per cent of the 24,345 students voting in 70 different colleges in favor of reducing armaments, and 63 per cent for the United States setting an example by beginning to disarm without waiting for other nations.

The poll shows a feeling against the compulsory feature of military training in some colleges, 81 per cent of the students voting on this question being opposed to compulsory drill. On the other hand, only 38 per cent favored eliminating military training from all colleges.

Of those voting one-seventh had had military training. Seventy-four per cent of the votes cast supported American adherence to the World covenant upon the basis of the Root protocols.

Among the colleges participating in the poll were Antioch, Yale, Dartmouth, Amherst, Williams, Wellesley, Mt. Holyoke, Radcliffe, Vassar, Barnard, Syracuse, Bucknell, Pittsburgh, Virginia Polytechnic Institute, Rollins, University of Kansas, Nebraska, Washburn, Southern Methodist university, Occidental, and many others.

NEW CAMPUS MEMORIAL

SHOWN here is a sketch of the Washington Bicentennial bridge now under construction on the campus. Plans for the bridge were drawn by Prof. Clayton Henri Staples, director of the department of art. The bridge will serve as a memorial to Washington, and will bear a plaque commemorating the 200th birthday of the first president.

Shockers Overwhelm Builders; Finish Season Saturday

Wichita Defeats Southwestern in a Scoring Spree

Shockers Have No Trouble Trimming Opponents in Ragged Game Here

True to advance dope, the University Shockers had little trouble in swamping the Southwestern college Mountbuilders 43-22 at the high school East gym last night, practically assuring the Winfield team of an undisputed place in the cellar of the Central conference. Leading the contest by a score of 25-6 at the half, the Shockers were never pushed to maintain their advantage during the entire last period, though the invaders were more successful in their attack than in the first period.

Playing his first string of varsity players during at least part of the game, Coach Johnson presented a squad in which every man had a part in adding to the final score. Led by Rasland, Vaughn and Johnson, the Shocker offensive functioned effectively, though raggedly, through the entire contest and at no time did the Wichita cagers show serious trouble in breaking through the opposing defense.

The game was featured by the rough and erratic playing of both squads, two Southwestern players being forced from the contest because of personal fouls, which the Shockers managed to turn into counters, making a total of 11 free points against the Winfield team of five. The visiting cagers tallied a total of nine field goals against the Shockers' score of 16.

A feature of the play was the showing made by the Shocker reserve strength, which played during a large part of the game following the first few minutes when the university squad secured a decisive lead.

Led by Bruce, star guard, the Builders made a strong attempt to stage a rally during the final period and managed to hold the University players to a one-point advantage during the period. They were unable, however, to score enough to materially affect the lead of the Shockers.

By KENNETH HAYS
Varsity football at the University started last Monday with Coach Gebert and Locke putting the lads through light drills. Nearly twenty-five players are out already for the early sessions with more to follow as soon as basketball is over.

Only two more games and conference basketball, as far as Wichita is concerned, is passed. As it is now, it seems a surety that Pittsburg has another championship, the only possible threat being the Hays Teachers who have already lost three battles. At the worst, the Corillas can do no less than tie for the title by losing her last two games while Hays is winning three. And the Shockers, who started out as a title threat will have a battle for second place with Hays and C. of E.

Varsity track at the University is slated to get under way Thursday afternoon when all candidates report to the north locker room in the stadium at 3 o'clock for their first workout. Don Eberhardt was appointed manager of this year's team by Coach Goerger to succeed Lee Clark.

The intramural season is also drawing slowly to a close with the last games next week. Webster seems certain to be the new champions displacing the last year winners, the Eagles club, with Alpha Gamma and the Eagles fighting it out for second place. The Webster cagers are entered in the city turn-out this week and will see how the intramural competition compares with other city teams.

"LOVE CLINIC" TO CURE MARITAL ILLS

Practical Value of Domestic Relations Department Demonstrated

BY COLLEGE NEWS SERVICE
EVANSTON, ILL., Feb. 24.—It is popularly known as a "love clinic," but Northwestern university's new domestic relations department this week was rapidly demonstrating its practical value.

Couples, either contemplating marriage or abandonment of the matrimonial state, are daily receiving expert yet sympathetic advice from experts, under the direction of Prof. Arthur J. Todd, Northwestern sociologist, who believes that domestic and pre-marital problems can be treated by specialists in the same manner as physical ills.

In this way many of the pitfalls on the road to marital happiness may be avoided, he contended in his announcement that a branch of the domestic relations clinic has been established in Chicago.

Yale's One-armed Ball Captain

ED WARREN, Yale university baseball captain who lost an arm in an accident at a camp last summer, returned to the squad when the call came for the first indoor practice. He is showing Coach Joe Wood that he can still hurl the ball with his good arm.

Wichita Favored Against Emporia Teachers Sat.

Though the recent path of the University of Wichita cage team has been rough and crossed with unexpected defeats, the Shockers are hoped to complete the season with a victory Saturday night, when they meet the Emporia Teachers on the Forum-court in Wichita.

A win would probably leave the Shockers in undisputed possession of third place in the conference, while a defeat would mean that the Wichita cagers would very likely be displaced by either the College of Emporia or the Emporia Teachers. The contest Saturday night at the Forum will bring the Shockers against the team which first broke through their undefeated record earlier in the season to upset them by a small margin on the Emporia court. The Shockers, unable to hit with their customary accuracy, were swamped by the Hornet offensive, led by McCoy, Richards and Carroll.

Opposing the Emporia quintet, Coach Johnson will probably start his regular first string guards, Hennigh and Rasland, with Seede held in reserve. In the offensive department, the Shockers will probably be represented by Francis Johnson, scoring ace, with Beeman, Moore, Neely or Dedrick in the other forward position. The center of the court might be played by either Vaughn or Moore, who has recently taken his place on the varsity squad after playing most of the season with the freshmen.

The game Saturday is scheduled to start at 8:30 with the Shocker freshmen playing the preliminary game.

Closing their conference season away from home, the Shockers meet the College of Emporia cage squad at Emporia Friday in a contest for the position of third place in the standings. Doped to win by virtue of a previous decisive victory over the Emporians, the Shockers are expected to force their opponents into a tie for fourth with the Emporia Teachers.

Led by Barb, ace forward, the College of Emporia presents strong though erratic offense and the Emporia squad is expected to make a strong effort to force Wichita into a still lower place in the conference standing, taking undisputed possession of the third place.

TABLES TURNED AS MENTORS GET GRADES

BY COLLEGE NEWS SERVICE
EVANSTON, ILL., Feb. 24.—Northwestern University students this week turned the tables on their professors and told them what they thought of them.

While results of a unique experiment conducted by The Daily Northwestern were being checked, faculty members wondered what sort of grades they would receive. For hundreds of students, at the request of The Daily, had cast ballots indicating "the course I dislike most" and "the course I like most."

"The university emphatically does not want so-called 'Red' speeches on the campus."

Eddy was declared to have challenged present governmental practices and to have criticized Samuel Insull and Senator Hiram Bingham by name.

"Hereafter, all talks of such a nature that they may be directed against the government or against certain individuals will be limited to departmental assemblies of an academic nature," President Spencer said. Newspaper men would be excluded from such gatherings.

Webster Remains Undefeated in Intramural Play

Increasing their string of victories to five, the league-leading Websters emerged victorious over Bosworth's Barbs, 26-21, last Thursday evening while the Eagles trounced the Phi Sigs by a score of 32-18.

In the Webster-Barb game, the Barbs were pushing their opponents hard throughout the game and came within three points of the Websters in the final quarter as they ran the score to 22-19. Kepner soon scored, however, only to be followed by Shrader's goal which increased their lead to 26-19. Richardson, diminutive Barb, was substituted in the final moments and scored a set-up to end the scoring with the count at 26-21.

Playing one of their best games of the season, the Eagles had little difficulty in disposing of the Phi Sigs in the latter game. Lockert and Wilson, Eagle forwards, each registered five field goals, to lead their team in offense while Schull, Phi Sig forward, counted four times to lead his mates.

COLLEGE HEAD IN ATTACK ON EDDY

Declares No Speaker Will Be Allowed to Criticize American Statesmen

BY COLLEGE NEWS SERVICE
SEATTLE, Feb. 24.—Strict supervision of all departmental assemblies will hereafter be exercised by the administration of the University of Washington, it was announced this week, following a talk given by Sherwood Eddy, author and traveler, on industrial Russia.

"No speaker will be allowed to speak on the campus at an open assembly if he intends to attack the state or national government, specific individuals or the university itself," declared President M. Lyle Spencer.

"The university emphatically does not want so-called 'Red' speeches on the campus."

Eddy was declared to have challenged present governmental practices and to have criticized Samuel Insull and Senator Hiram Bingham by name.

"Hereafter, all talks of such a nature that they may be directed against the government or against certain individuals will be limited to departmental assemblies of an academic nature," President Spencer said. Newspaper men would be excluded from such gatherings.

W. A. A. First in Kansas to Join National Group

University of Wichita has the distinction of having a chapter of the National Association of American College Women, on the campus. The Wichita organization of W. A. A. is the first group in the state of Kansas to go national.

At a banquet given recently by W. A. A. the platform, organization and membership, were explained to active members of the Wichita chapter. A national conference conference every three years, with sectional meets each year. In 1932, the national meet will be in Texas at the university of that state.

There are 210 chapters of the A. C. A. C. W. in the United States. Membership to the organization is open to any college women's athletic association. The platform emphasizes mass participation in intramural sports and play days, medical and physical examinations every year for every girl on the campus, an average scholastic ability; and an elimination of the point system.

Further athletic interest and activity is the purpose. The organization was founded by women of the University of Wisconsin in 1917, and was primarily to make uniform, the styles and rules of play in sports.

There were southern basketball and western hockey eliminated, and a general style formed, for every college to follow.

Colleges have varied forms of recreation to encourage membership. The University of Oregon organization goes for week-end parties at their lodge while other colleges have several dances a year. All of the universities sponsor play days and health weeks.

FRAT "BROTHER" WORKS CON GAME

BY COLLEGE NEWS SERVICE
MINNEAPOLIS, Feb. 24.—Local and state police this week were attempting to locate an alleged fraternity "brother" who recently afflicted himself with a local house-bad check disapparing—after cashing bad checks totaling several hundred dollars.

The man had represented himself as a transfer student from another university and a member of a national fraternity; there, it was reported. He, therefore, gained admission into the local chapter and, consequently, approval of his checks by Minneapolis business firms. The house treasury itself, however, also suffered to the extent of approximately \$40.

FOOTBALL ATTENDANCE BOOM

There may have been an average drop of 10 per cent in football attendance throughout the country year but not so at the University of Southern California. Student officials have estimated that the total receipts for the 11 games would reach \$1,262,000 as against \$1,190,000 for the 1930 season.

Special Pavilion Used for Olympic Fencing

LOS ANGELES, CAL., Feb. 24.—Lovers of the art of fencing will be privileged to enjoy 14 consecutive days of men's foils, swords and sabres and women's foils during the games of the 10th Olympiad to be celebrated in this city from July 30 to August 14, inclusive, 1932. The organizing committee has arranged for the use of a pavilion for the fencing events, which will be held from July 31 to August 13. This pavilion, which is the California State armory, is located in Olympic park, near Olympic stadium, and is of concrete and steel construction, surmounted by a glass roof which provides natural light. The floor measures 90x45 meters and will accommodate eight regulation fencing mats. The pavilion is arranged to seat several thousand spectators. Splendid offices are available for federations and jurors, and dressing rooms and showers, baths for the competitors. A complete kitchen and dining room are installed in the pavilion.

Ice Skating Rink Open!

Folks, Here is Something New Wonderful Recreation Fine Sport

If you have not been on the ice you are missing something worth while. Skating every afternoon and night, also Saturday and Sunday mornings.

Hours and Prices

April 23—Quadrangular Meet at WICHITA, Southwestern, W. U. Emporia Teachers, C. of E.
April 24—Central Conference championships at Wichita.

Lindley Will Go to Olympic Games

LAWRENCE, KAN., Feb. 24.—Chancellor E. H. Lindley of the University of Kansas announced today he had accepted an invitation to be one of 10 delegates at large to the Olympic games at Los Angeles this summer.

The appointment, it is understood, carries with it voting power equal to that of the presidents of the 29 different districts of the American Athletic union, and involves also the making of a number of addresses interpreting American ideals of sportsmanship to the world athletes or at other meetings in connection with the Olympic.

Chancellor Lindley is chairman of the committee on student group life for the American Association of State Universities. This committee has been making special studies of collegiate athletics.

Names of the other nine delegates at large are not available here, but it is understood the list includes President Frederick M. Hunter of Denver University; President Rufus B. von Klein-Smidt of the University of Southern California; Theodore Roosevelt, governor general of the Philippines, and Gen. Douglas MacArthur, chief of staff of the United States army.

Women's Sports

By Dorothea Kyle
Eleven points won a rifle match for the Women's Gun club, which they defeated Wichita university co-eds at the school range, Saturday evening. The Gun club tallied 984 over a 973 score of U. shooters, with two "possibles" registered by Mrs. J. T. Stone.

American Coaches Discuss Changes in Grid Ruling

(By College News Service)
HANOVER, N. H., Feb. 24.—Much more good than evil will come from the new football rules.

Such seemed to be the general opinion of coach and player alike this week, following drastic revision of gridiron warfare by the rules committee of the National Collegiate Athletic association.

For a time some opposition seemed to be developing among the menorial ranks to several of the changes, particularly the new "dead ball" rule, which means that the play will hereafter be automatically out of play if any part of the carrier's body, except his hands or feet, touches the ground.

After due reflection, however, most of the coaches throughout the country accepted this rule as one which will help to eliminate the dangers involved in "piling up" after every play.

Playbook critics also were taking a benevolent attitude toward the elimination of the "flying wedge" formation on the kick-off, since this had not been entirely unexpected. Ever since Dick Sheridan, Army end, died last fall as the result of injuries he received during such a play, there has been a continuous agitation against the "wedge."

Practically all of the changes instituted by the rules committee were designed to make the game safer both for the offensive and defensive player. The new regulations were carefully worked out by the members of the committee, it was said, after they had studied the report of Fielding H. Yost of the University of Michigan on football deaths.

The rules changes announced are summarized as follows:
1. Elimination of the "flying wedge" by requiring at least five players of the team receiving the kick to remain within 15 feet of the restraining line until the ball is actually kicked.
2. Players on the defense are forbidden to strike an opponent on the head, neck or face with the hand, wrist, forearm or elbow. Penalty: Half the distance to the penalized team's goal line.
3. It will be no longer legal to use the flying block or tackle. Penalty: Five yards.
4. The ball will be dead when any part of the carrier's body, except his hands or feet, touches the ground, whether or not he is in the grasp of an opponent. Exception: Place-kick.
5. Hard substances used for thigh guards, shin guards, braces and similar equipment must be protected by padding.
6. Any player withdrawn from the game may be returned in any subsequent period. The team making the substitution will be charged with "time-out" however.
Edward K. Hall, chairman of the rules committee, expressed the opinion that the new regulations will make the game safe for high school boys, as well as older players.
