## GREEN CAPS RETURN

**Yellowdogs Hurl Threat At Freshmen**

**Campus Pep Swells For Fort Hays Game**

**By WILBUR CALLOWHILL**  
Forcefully urged onward by a mysterious pep society, Yellowdogs, more than a hundred of the school's upper-classmen Saturday night green of their heads in glee with the gusto of a star paddle wielder.

It is that not all, for the once astute band of rooting taboos have arisen from their hideaways and again roar campus. This week "the finger points" to men, the ever childish victims blunt jokes—and, this year, it is that such preparations threats are circulated here before the all-important Ft. Hayes football game this week. However, freshmen have not down the Yellowdogs, for they better, with added zest they are aring to exhibit both on the

### BONFIRE FRIDAY NIGHT!

As a means of "letting off steam," students and friends of the University will stage a bonfire on the campus tomorrow night. It has been announced that representatives of the Yellowdogs in touch with The Sunflower. Details plans have been completed it is pointed out, and freshmen must attend in a body. After the bonfire, students will stage a snake dance in the downtown section after which they will "make their own entertainment."

### Play Cast Is Experienced

### Holiday Performance Promises Rare Excellence

Stage experience is not lacking among student-actors selected for the important roles in the production of "Holliday," Thursday and Friday nights, Oct. 31 and Nov. 1.

Carrying the feminine lead as Linda Seton will be Miss Betty Neely, who has given excellent performances in past plays presented on this campus. In "He and She," initial play of last season, she played Millecent, and was the Honorable Gwendolyn Fairfax in "The Importance of Being Earnest."

Leon Watkins, who is Johnny Case in "Holliday," is well remembered by his outstanding portrayal of the villain in "Gold in the Hills." He was also a member of the cast of "The Importance of Being Earnest," which was presented last spring.

Miss Eleanor Corcoran, the Julia Seton in "Holliday," played the leading role in "He and She." Miss Eleanor Martin also carried a part in this play.

W.H.E. a High School North, Ralph Harding had much stage experience. He has specialized in character parts and will carry such a role when playing Edward Seton, the father.

Mr. Harding is the only freshman chosen for a part in the Phillips Barry comedy.

Merie Millikan had valuable experience while in the "Gold in the Hills" cast.

Thursday and Friday nights, Dec. 5 and 6, are the dates set for "Much Ado About Nothing." Announcement was made this week by George D. Wilner, professor of dramatic art, regarding the play to be given later in the year. The Shakespeare play will be followed the next week by a group of student-coached one-act plays to be staged December 12 and 13.

### R. Elliott Returns From Mother's Home

Roy W. Elliott, Comptrol of the University, returned last Sunday from Phoenix, Arizona, where he was called to the bedside of his mother, Mrs. Julia C. Elliott. Mr. Elliott, who was accompanied by his wife, left two weeks ago. His mother was much better when he left there.

**CSEP Checks Will Be Out This Week**

Due to the complete change of the CSEP into the National Youth Administration, the monthly check for September has not yet been issued, said Roy W. Elliott, Comptroller of the University, early this week. However, the checks will be issued soon, possibly this week, Mr. Elliott said.

Forms which were sent to the bursar's office last week were immediately filled out and returned in order that students may secure their checks which are long over due.

**Easier To Charm Snakes Than Co-Ed—And Cheaper!**

Students have found many different fields for summer work, but none so unusual as that of Guy Harvey.

For the past two summers Harvey has been nurse and charmer to more than a hundred rattlesnakes at the Conoco Museum in western South Dakota.

Rattlers are quite easy to handle, the glass tube can be inserted down the serpent's throat. Then the food is poured into this tube and forced past the snake's throat by the plunger.

Rattlers are the victims of many false accusations, states Mr. Harvey. For instance, it is impossible to tell the age of a rattlesnake by the number of rattles he has. Rattlers have three or four rattles a year and rarely just one. Rattlers are not aggressive; on the contrary, they are very docile. Rattlesnakes do not always rattle before they strike, and they cannot hold any hypnotic spell over their victims.

### Dr. Jardine Heads Fund For Rogers

### President in Charge of Memorial Work

Dr. William M. Jardine, president of the University of Wichita, has been appointed chairman of the Will Rogers Memorial Fund committee for Wichita and surrounding territory.

Doctor Jardine was informed by a telegram from Eddie Rickenbacker, national director for the Memorial fund, Tuesday morning.

"I am sure that the people of Wichita and this trade territory," said President Jardine, "will welcome an opportunity to contribute to a suitable memorial in memory of Will Rogers, who was a friend of everybody and who did so much to bring happiness, good cheer, and sensible thinking into the lives of so many of us."

Among the members of the Rogers Memorial Commission are Owen Young, Will Hays, Tribune Davison, Alan Carter, Jesse Jones, and Governor Marland of Oklahoma.

Dr. Jardine stated that he had no time yet to formulate definite plans, but whatever is done will be in keeping with Will Rogers' life and human qualities.

The general plan for nation-wide Rogers Memorial Drive are being drawn up in New York, the national headquarters of the campaign.

### Reunion Plans Are Complete

### Interest Promises Record Alumni Crowd

Interest in the Wichita Homecoming dinner on the evening of Nov. 1 continues to grow. The dinner will be served at 5:30 p.m. at the Innes Tea Room and a record crowd is expected.

Committees are general chairman and program, Leslie B. Sippie; menu, Dean Grace Wilkie; Miss Lotte Smith; tickets, F. R. Hickerson; decorations, Henry Stimpfle and the art club; reception, Miss Jacinta Downing; Dr. Hazel Branch, George Wilner, Miss M. Alice Isley, assisted by all faculty and secretaries.

Walter Woods, superintendent of schools at Whitewater, will be toastmaster at the program which consists of and address by President Wm. M. Jardine; community singing directed by Roy Schuessler; numbers by the Harmony Jesters; a male quartette, made up of Coleman Ashe, Arthur Bestwood, Roy Schuessler, Don Baxter, and Jack Adamson, accompanist.

Completing the program Harold Malone, president of the Alumni Association, will present "Alumni Sparks." Dr. Earle R. Davis will sing a solo, Willie Madge Bryant, a graduate from the University will speak for the alumni as a whole, and the new faculty members and the student and guests will be introduced to those present.

**Fire Prevention Speeches Given**

### University Speakers On Club Programs

Speakers on Fire Prevention before downtown civic clubs last week were Miss Vera Setzer, Miss Loneta Brown, Frank Malone, and Miss Ernestine Briles, chosen by the speech department to represent the University in filling engagements.

Miss Setzer addressed the Junior Twentieth Century and the Twentieth Century Clubs on October 7 and 8, and the Stitch and Chatter Club.

The speaker before the D. A. R. on October 2 and the Federation of Women's Clubs on October 14, was Dr. Wm. M. Jardine, president, Tuesday morning.

"The University will not add any branches or courses to the school if they are not equal or better than courses offered by other universities throughout the country," said President Jardine.

He explained that inferior departments in a university only waste the time and money of the student and the school. It would be much better to send the students to other schools specializing in aeronautics.

There has been an attempt by the officials of the university to found such a school, its origin being outside official sanction.

### All-Men's School Opposes Proposed Change

(By Associated Collegiate Press)

MORAGA, CALIF., Oct. 18.—An emphatic "No" to the recent proposal that St. Mary's College turn co-educational is the answer of the Collegian, weekly student newspaper at the Moraga institution.

In the leading editorial in its current issue, Editor Philip Quittman calls the idea "absurd" in no uncertain words.

"We chose St. Mary's because we wanted to go to a man's college. And we still prefer to go to a man's college." There are ample co-educational facilities in the immediate region for those who must constantly be with the weaker sex.

For those students who must have company, transfers to co-educational institutions can be obtained.

Quittman called St. Mary's "the real stronghold of masculinity in the region." Authorities of the college are sounding out sentiment on the proposed admittance of women students in the future.

Yale and Harvard students will meet in annual "intellectual" contests for a prize of \$5,000 awarded in the will of the late Mrs. Elizabeth Putnam.

## BROWN IS COLONEL

### Graduates To Return Home November 1-2

### Annual Homecoming Plans Nearing Completion

Homecoming festivities have been set for November 1 and 2, to enable the University of Wichita graduates who are teaching, to attend the activities, according to information given out by Prof. S. W. Wright, chairman of the faculty homecoming committee.

"A homecoming reunion banquet will be given in the Innes Tea Room Friday evening at 5:30. Teachers of high schools from which this university hopes to draw a large attendance in the future will be brought together at this event," relates Professor Wright.

**Bonfire Planned**

After the banquet on Friday evening, a bonfire will be held on the University campus. It has been rumored that immediately following the bonfire a pep rally and snake dance will take place in the business district of Wichita. Starting at ten o'clock Saturday

(Turn to Page 2, Column 4)

### Army Forms Companies

### Largest Enrollment Requires More Companies

A new company was formed last week boasting the total number of companies to 13 in the Wichita University R. O. T. C. There are now approximately 325 taking the basic course in Military Science and 58 enrolled in the advanced course, setting a record in both of the divisions.

The R. O. T. C. band, under the direction of Walter Duersken, made an appearance at the C. U. C. game. The band has an enrollment of about 75 members. Selection of head drum major and two twirlers was revealed last week, with Don Enoch as the drum major and Bobby Gaske and Jack Park twirling the batons.

New company commanders will charge of the R. O. T. C. companies at the beginning of the second six weeks. The officers are being judged and soon regular commanders will be assigned to each company.

Cadet officers in charge of companies for the following six weeks are: Company A, Roscoe W. Smith; Willard Junker; Company B, Robert M. Colver; John E. Ahlf; Company C, Loren E. Stettler; John H. Haas; Company D, Francis Wickens; Elmer Zelzman; Company E, Harry Galnes; Company F, Frank Stienkirchner; Charles Lavender; Company G, Markey Chittenden; Edwin Miller; Company H, Jack Emery; Edwin Francis; Company I, Harold Newman; Phillip Fancher; Company K, Maurice Dyer; Eugene Wolz; Company L, Loy Wood.

Eugie Arley Buckner again requests that all men interested in practicing for the rifle team see him. New 22 caliber rifles have been ordered for the range, and the school furnishes targets, shells, rifles, and a

The men and movements we support, we must support, not because we hold them to be comprehensively quite right, but because we are convinced they tend in the right direction.—(H. G. Wells)

**Shocker R.O.T.C. Band Brings Pride to University Students**

Wichitans at the Oklahoma City game last week felt a thrill of pride in their University, not only on account of the hard fought battle waged by Wichita grid men, but also in the trim snapiness of the R. O. T. C. Band.

The boys really looked good. Under the leadership of Walter Duerksen, with Sergeant Arley Buckner acting as drill master, they marched out on the field and executed the most difficult movements with military precision. In their entire performance there were no noticeable errors.

Yet of the 88 members more than half are freshmen. Since they have only been drilling together for a little more than a month errors would have been excusable. The excellence of their performance reflects great merit on the band and its leaders and on the spirit of the University.

The band certainly deserves its rating of being one of the best R. O. T. C. bands in the United States.

**America Can Progress Without Bringing Evils of Dictatorship**

Dictatorships are a sign of national decadence.

When people become too weak to bear the heavy duties of freedom they naturally turn to any demagogue who promises to settle their problems for them. Europe, having thrown its best youth beneath the juggernaut of war, finds itself beset by social and economic problems which its hopeless, war weary citizens can not meet. The men who could have saved Europe died in the tragic years between Sarajevo and the Armistice.

Unfortunately the panaceas promised by the dictators threaten to be more deadly than the diseases which they were to cure. In Russia, where everyone owns everything and no one has anything, the dictatorship of the proletariat starves and enslaves labor more than capitalism ever did. In western Europe Mussolini, Hitler, and their understudies are promising by the doubtful method of war those things which could be more certainly gained by an intelligent study of economics.

It is encouraging to note that the evil of dictatorship does not grow readily on American soil. The American Communists have a mere 25,000 members, the various brands of Fascists even less. The fate of the scarcely lamented Huey Long, while a shameful blot on our politics, demonstrated that Americans will not tolerate high handed government. Even the pedantic meddling of the Brain Trust has received an emphatic thumbs down from the Supreme Court and public opinion.

We Americans can go places without goose stepping and can think for ourselves.

I shall try to correct errors when shown to be errors, and I shall adopt new views so fast as they shall appear to be true views.—Abraham Lincoln.

As for a future life, every man must judge for himself between conflicting vague probabilities.—Charles Darwin.

Truth never yet fell dead in the streets; it has such affinity with the soul of man, the seed however broadcast will catch somewhere and produce its hundredfold. — Theodore Parker.

Error is a hard plant; it flourishes in every soil.—Martin Tupper.

**Short Pants**

Conducted by LOY WOOD

The adage to the effect that "those who can, do; those who can't, teach" can hardly be applied to Sgt. Arley Buckner in reference to his coaching the R. O. T. C. rifle team. Last summer at Ft. Leavenworth Sergeant Buckner shot the highest score that had and has ever been fired on that range with the calibre .30 rifle. Out of a possible total of 200 points, he dropped nine for a score of 241.

After seeing the six-inch incision and subsequent stitching taken in Nordy Hoffman's injured knee by Dr. Romold, S. Schwab Major, athletic equipment custodian, says he is going to get the doctor to lace footballs for him.

To FRESHMEN: In the matter of discipline by upperclassmen the word "freshman" has ever been synonymous with "Chump." (Capital C).

The R. O. T. C. office gets that feminine touch which has so long been lacking in the person of Nadine Cotton who is acting in the capacity of secretary. What will the Army rate if it gets another hundred cadets?

Frank Malone, one of six entertainers scheduled to appear before a prominent local women's club, delivered his speech to a record audience of three members, and it wasn't just a rehearsal—that's just all that showed up.

I guess the column is really a success—Not only is the current number hung up on the bulletin board in The Mixer, but past numbers are not removed. These boys, Van Welden and Dorsett, have an excellent sense of values.

Being adept (I pride myself) at taking cracks at others, irrespective of rank, I can stand a few on myself: Some of the boys were talking about the column and some of the "funny" things in it. Some one said the funniest thing in it is the picture. (See above.)

Until last year the University Dramatists have presented a "Shakespeare play annually for 10 years. This practice dates from the days when the University had an enrollment of 300 counting faculty and janitors, and now with the enrollment well over 1,000 only eight men have reported for tryouts. And at least 15 are needed, moans G. Wilner.

He says: "I used to think the reason that we could get no men out for play practice was that all the men students had to work in the afternoon. That is, I used to think that—until I saw the stag line at the recent afternoon varsity."

Evidently wanting it to be read, Stan Waddell, Parnassus business manager, asks that Short Pants print a warning that pictures for Parnassus, unless taken on the day scheduled, are most unlikely to appear in the book. The moral being, have your picture taken on your scheduled day, or else.

It would seem that since the student has to pay 50 cents to have his picture put in the book he would be allowed to have it taken at his convenience.

"Will some student?" asked Professor MacMahon in one of his English classes, "tell me what invention caused the ultimate downfall of the chivalrous days of knighthood?"

Came a husky voice from the back of the room. "Sure, the can opener."

As my authority for that little story I have the word of the husky voice itself. Since no one else says anything funny he goes around saying funny things himself and then writes them up.

**Collegiate World**

By ASSOCIATED COLLEGIATE PRESS

We were telling you last week about the levels to which colleges have fallen in the procurement of students, especially good athletes. Comes this tale to light. In 1933 a state university in the south discovered and trained a brilliant halfback through his freshman year. In the fall of 1934 he did not return. An intensive search found him on the squad of a western school. A prominent political figure whose heart was with the southern team notified the boy that if he did not return, his father would lose his position with the state highway department.

A degrading spectacle? A perplexing problem for the boy? Take another chaw and listen closer. The whole darn family of the lad was transported en masse to the western university, where his father got an even better position in the highway department in that state.

A future Sam Johnson at the University of Michigan develops a few word definitions: Honesty—fear of being caught. Truth—lack of tact. Courage—combination of stubbornness and resignation. Pleasure—one half memory; one half anticipation. Love—one half imagination; one half biology. Moron—one who is content with a serene mind.

New development in campus etiquette as outlined by a dean at the University of Iowa (Iowa City). He thinks that students should wait three minutes for an instructor to appear, five for an assistant professor, eight for an associate professor, ten for a full professor or dean.

To which we amend: O. K.—if the faculty will do this: Allow freshmen to be two minutes late, sophomores five minutes, juniors ten minutes and senior fifteen minutes.

Following our valuable custom of making known all the newest philosophies of education we introduce to you the latest course study at the University of Wyoming (Laramie). It is a course in dude ranching. You study bookkeeping, pottery, journalism, food purchasing, contract laws and speech making.

What! Nothing about how to appeal to the instinct of romance in beautiful, rich, eastern girls?

Nothing about how to roll a cigarette with one hand, in full gallop?

My goodness, it looks like a course of work!

The college editor on the intellectual firing line—We hereby reprint a sentence from an editorial from a college paper that rated "Pace-maker" recently.

"The psychologist knows that emotions are here to stay."

**UNIVERSITY BULLETIN**

Notices for publication in the University Bulletin should be presented at the editing desk not later than 4 p.m. on the day before publication.

Col. Brown

(Continued From Page 1)

Hellenic Society. She is majoring in journalism.

She is the daughter of Mr. and Mrs. Harry B. Brown of 3433 Engeman Place.

"I am sure," says Lt. Col. George W. Price, "that Miss Brown is the logical person for the honor, since the class of 23 cadet officers was unanimous in selecting her as its Honorary Colonel."

The Honorary Colonel will preside over the annual Military Ball on Nov. 22, at which affair she will be presented to the unit with full military honors.

Throughout the year she will review the 380 cadets in their regimental parades. These will be held periodically during the year as well as on special occasions.

Miss Brown will also be the honored guest at the annual formal dinner dance given by Scabbard and Blade, national honorary military fraternity in the spring.

Last year's Honorary Colonel was the diminutive Natalie Ring.

As outlined by Col. Price, the qualifications—a girl must have to be eligible for the honor are good grades, good looks, and that personality which will make her an asset to the unit.

Col. Price will aid Miss Brown in the selection of her uniform.

(Continued From Page 1)

morning the annual homecoming day parade will be staged downtown. The student body will put on one of the most imposing and spectacular parades that this institution has ever attempted," says Professor Wright.

A trophy will be awarded for the best float, which was won last year by Pi Kappa Psi. Pi Alpha Phi won the prize for having the best decorated float in the fraternal division.

**Award Trophies**

As is the custom—a trophy will be awarded to the best decorated sorority house and also the best decorated fraternity house. Last year these awards were won by Epsilon Rho and Pi Alpha Phi.

The election of the homecoming queen is in charge of the student council. The queen will preside over all the festivities. Her coronation will take place at the half of the football game, and she will be the queen of honor at the varsity Saturday night. The non-fraternity and non-sorority students on the campus are planning a large banquet Saturday evening following the game, at which the homecoming queen will be the guest of honor.

After the game, the different fraternities and sororities will fete their alumni and friends.

**Green Caps**

(Continued from page 1)

field and on the sidelines spontaneous enthusiasm—or else, if what rumors moving about the University are true. Everything will be in readiness for the big "show" according to one anonymous source when the Tigers invade Wichita with their "seven-league boots."

Freshmen are to stage the special "performance" at the half. This exhibition, the exact nature of which is a secret, will be a "superior demonstration of greenhorn skill—and energy."

In efforts to gain more pep and enthusiasm for the entire school it is required that all freshmen attend the game without dates, sit in a body in a special reserved section and that all freshmen boys purchase and wear regulation green caps. Names of all persons buying the caps are recorded so an accurate checkup can be made.

Any infraction of these rules, it is said, will draw punishment to merit the cause. Girls, as well as boys, it is pointed out, will also be exposed to similar methods of "correction."

Immediately after the game there will be a free varsity in Henion Gymnasium. Admission will be by activity ticket only.

**Student In Hospital**

Miss Rosalin Voshell, student from Dodge City, has been in Wesley Hospital for the last two weeks Monday morning she underwent a mastoid operation; she is reported to be very seriously ill, altho doing as well as can be expected.

**W.A.A. Adopts Shockin Susies****Approve Plan to Operate Under New Order**

Shockin Susies will henceforth be under the auspices of the W. A. A. This suggestion met with unanimous approval when offered to the Susies last meeting. The acceptance of the club was made final at the meeting of the board of the W. A. A. called last week.

This new arrangement will aid the club in putting over pep stunts and will serve to increase club membership. A plan is being devised whereby points will be awarded for belonging to the Susies. The necessary 50 points for membership in W. A. A. will thus be acquired more easily.

Final announcements have been made regarding the uniforms for the coming year. Black skirts, shoes, and yellow angora sweaters with the Wheatshocker emblem will complete the outfit.

**Standards Of Schools Fall****Institutions of Medicine Lose Rating**

(By Associated Collegiate Press)  
CHICAGO, Ill., Oct. 16.—The standards of the medical schools once among the highest, have been lowered in recent years, asserted The Journal of the American Medical Association in this year's review of educational conditions in the United States and Canada.

Undermanned faculties, over crowded laboratories and the acceptance of students of below-par scholastic records have resulted in an impairment of efficiency, according to the publication.

Responsibility for the situation is largely attributed to financial stringency during the depression, which has compelled some schools to rely more largely on income from student fees. The Journal says that larger numbers of students have been accepted for the money they bring in, pointing out that in most cases the teaching staff has not been correspondingly strengthened or the physical plant commensurately enlarged.

**New Parking Area Is Being Completed**

To accommodate more student cars on the campus, a new parking area just north of the Administration Building will be completed this week.

The new area is large enough for approximately 50 cars, according to E. A. Welsh, superintendent of grounds.

Faculty cars will be parked, as usual, to the east of the new area but the center of the faculty parking lot may be used by student cars. Mr. Welsh said.

## Roundabout

Campus dirt by the carloads... The Shockers make a name for themselves in Oklahoma City... But we don't say what kind of a name... Cliff Robinson being heard in these days... And what goes on in the "dark room" of the press photography classes? Belva Webb, one of planning a cozy little home in New York City with a friend... A prominent new faculty member keeps his classes after the bell... Margarette McClure, the proud possessor of a handsome Phi Sig Frat jacket... Some people just rate! Two Alpha Tau activities share the attention of a Webster pledge... But we've got a friend's argument about the "sorority"... And the Sorosis bridge have lunch outside the dormitory in style... Resser having fun with her horn and North Hoff can not enjoying it!... Kaye Miller having a great time in O. K. City... The Alpha Gamma "army" rates the gym at open houses... A blonde Alpha pledge really rates with the opposite sex... Be seen you at the ultra-lightweight after the game Saturday night... Footballer Brill realises lifelong ambition when he walks down the steps with Ruth Jardine. And that was the campus this week.

—K. A. E.

## Shocker Team Will Tangle With Tigers

**Central Conference Champs Bring Big Team**

Fort Hays State Teachers College will invade the Shocker field Saturday to bring to football followers of this section one of the greatest pigskin conflicts of the current season.

Always a strong contender, since their humbling defeat of 61-6 at the hands of the Shockers years ago, Coach Jim Yeager will this year bring one of the strongest teams in the history of the Tiger school, as indicated by their performance so far this season. To date Hays has won three of four starts. Their first two games, although evidently played under wraps, were won by heavy margins. In the third contest, the Big Six champion, Kansas State, were bumped 3-0. The Tigers' loss was suffered at the hands of Emporia by the same score that defeated Kansas State.

### Sexton Lost by Graduation

Although Cocky Sexton, the thorn in Wichita's side last year, will not be present, Hays has compensated for his loss by building her play around three proved players. A designed type of play has been designed to put Alvin Staab, 105 pound broken field runner, into the secondary where he is very effective at ground gainings.

The Central Conference champs have rebuilt their formerly weak line and now boast a forward wall squad composed of four ends, four tackles, three guards, and two centers, aside from such new threats as Stehwein of Chaffin, Dale Neele of Hopewell, Mitchell of Monetzuma, Long of Edmond, and George Neele of Hopewell. Hays also has a playing backfield of 16 members.

### Shockers to Avenue Defeats

The Shockers on the other hand, while having a powerful backfield and comparatively

have come away to a slew beginning in their three major stars, winning from the Alta Teachers and strong Texas and Oklahoma teams, while the Shockers dropped both of these contests, these losses do not represent the true power of Wichita machine as scores in both

games were divided by the narrowest of margins and the "breaks" were largely responsible for the results.

Hays' tentative line-up is as follows: center, Hoffman; guards, Dreiling and McKee; tackles, E. Bender and Skubal; ends, Reising and Gruber; halves, Staab and Melwald; quarter, Palmer; full, H. Bender.

### Dugan at Center

Although the Tigers have several veterans back and most of them were conference selections last year the Shockers will have an imposing array of men on the field. Dugan, all-conference selection at center will be at his usual position in the line. Dugan will be flanked by Ax and Martin. Both of these men turned in a good performance against Oklahoma City in the contest last week. Keith Fulton, guard is still out of football with an injured back he sustained in the game with Texas Tech two weeks ago.

At tackles Gebert will probably start Elkerman and Parsons. Both of these men are veterans and have played considerable good ball this season. On the wings the Shockers will be weakened by the loss of Nye, who received an injured shoulder last week. Either Rosenbaum or Stewart will replace Nye if his injury is not healed before game time.

### Backfield Undecided

In the backfield Gebert has a trio of signal callers as it is not known which one will be the field general for this game. Randels, Ogden and Gathrop are the men who have been running signals on the first team. At full back Moore has been displaying splendid ability and the choice for this game will be between Moore, Ward and Wills. At half backs Kornhaus will have one call with DeHon and Brill deciding the other.

The game is scheduled to start at 7:30 p. m. on the Shocker field. This is the first Central Conference encounter for the locals.

### Directories Will Appear Monday

Leroy Stokely, business manager, announces that the student directories for this year will be ready for sale Monday. Pledges of all fraternities and sororities will have the directories for sale or they may be purchased at the Mixer. The price this year has been set at ten cents.

Some remark has been made concerning the fact that the books are being put out much later than usual. Those in charge with Mr. Stokely as business manager have made an attempt to see that all names, addresses, and phone numbers are correct. Because of this copy reading took an extra amount of time consequently publication was held up.

## W. U. Bows to Goldbugs

Oklahoma City Wins; Score 9-10

By STUD WATSON  
Sunflower Sports Editor

Another tough loss was chalked up against the Shocker team at Oklahoma City last week. Altho the score was 10-9 in favor of the Goldbugs the Shockers were outplayed in every department of the game.

The O. C. U. line ripped holes in the Wichita team and the aerial attack was superior to the Shockers in as much as the Shockers attempted 20 passes and completed 11 while the Sooner team tried eight and made half of them good.

Newberry, Goldbug quarter, was the mainstay of the Goldbug attack. Time after time Newberry ripped off substantial gains through the Shockers, scoring all except one point for the Goldbugs. Newberry made the Goldbug touchdown in the middle of the third period and again tallied by a placekick in the last quarter from the side of the field on the 24-yard line.

Barton, substitute back for the Goldbug, made the conversion after touchdown. Barton, who had been out all season with an injured hand, was put in the game for the point after touchdown.

The Shockers scored late in the final quarter on a long pass from DeHon to Rosenbaum. The ball had been worked down the field in a series of running plays and passes by the Shockers when the touch down came. Wichita scored a safety on the O. C. U. team in the third quarter when Dugan, Wichita center, nailed Barton behind his coal line in an attempt to punt.

Several Goldbugs were assisted off the field in the first quarter of the game. Wills, Wichita full, was injured in the first quarter and was assisted off the field. Glen Nye, end of the Wichita team, sustained a dislocated collar bone in the third period which will keep him out of the Hays game here on Saturday night.

All in all it was just another football game with spectators on both sides hating the officials and making threats after the game.

The starting lineup:

GOLDBUGS	POS.	WICHITA
Jones	LG	Nye
Jones	LG	Perry
Gash	LG	Ax
Johnson	C	Dugan
Gardner	RG	Eckermann
Wade	RE	Hoefer
Newberry	QB	Randels
Woodworth	HB	Reising
Parker	HB	Staub
Wayland	FB	Wills

will probably start November 13, which is the end of the softball season. Play is almost a certainty.

The Phi Alphas and Barbies want to play touch football. The Websters and Alpha Gams are in an out of conference game. Pittsburg meets the Edmond Oklahoma Teachers.

Ten thousand students at a Los Angeles relief school are paid to go to school—and docked if they cut classes!

**Seniors on Grid Team**

Above are Tom Kornhaus and Paul Randels, both are back-

Above are Tom Kornhaus and Paul Randels, both are back-

field men in the Shocker lineup. Kornhaus is playing his fourth year of ball for the University while Randels is in his third season of competition. Kornhaus is from Peabody while Randels hails from Bluff City. In the games so far this year Kornhaus has made several large gains and has accounted for most of the Shocker scores. Randels is a quarterback and is considered one of the best field generals in the Central Conference.

## Hoffman Wants More Entries

### Coach Disgusted At Intramural Turnout

Coach Nordy Hoffman is very

much dissatisfied with the intramural turnout up to this time. He complained of lack of interest of the student body.

"Only five teams showed up to play softball," said the disgruntled mentor. "There should be at least ten teams in a school of this size. Many of the fellows in this school seem to be afraid of exercise. Evidently they expect me to personally ask each to take part every time we play: I even have trouble trying to find the captains. We will play touch football if we can get enough teams. Every organization should enter; they will enjoy it even if they do get beaten."

Letters were sent out by Coach Hoffman this week to ascertain whether enough touch football teams can be formed to organize a league.

Note to graduating engineering students: Exactly 26 states now require professional engineers to be registered.

will probably start November 13, which is the end of the softball season. Play is almost a certainty.

### Saga of Saturday

That gorgeous girl I had today

You want to know her name?

To have her at next Saturday

First listen to my tale of woe

Don't say I didn't let you know.

The game began and so did she

As both teams tood the line.

She stood up so I couldn't see

Those baby eyes ashine.

"Look, Bill, this dress I have is

new

I bought it, honey. Just for you."

We were behind. I saw her frown.

I thought her spirit grand

Until I learned what had her

down

Was not the score at hand.

Two other girls in nearby rows

Were wearing her same football

clothes.

And when at last the team came

thru

And won that blasted game

Thru cheers and din and snake

dances too

Her girlish treble came:

"Another game next week — I

sweat. I haven't got a thing to

wear."

—Felicia V. Lampert.

## Emporia Leads League Rivals

This Week's Games Will Change Standings

### CENTRAL CONFERENCE

Team—	Won	Lost	Per.
Emporia	0	0	1000
Wichita	0	0	000
Pittsburg	0	0	000
Hays	0	1	000
Southwestern	0	0	000

In the only Central Conference game of the week the Emporia State Teachers College turned in a 3-0 win over the Fort Hays Tigers, winners of the conference last year.

Hays threatened only once during the game. An intercepted pass put the ball on Emporia's 15 yard line, but the fast stepping Tigers faltered and dropped their chance to score.

Emporia walked over Hays for three quarters but were unable to score until late in the fourth period when Starkey succeeded in kicking a field goal for three points.

In non-conference games two wins were recorded along with one loss. Southwestern defeated the Oklahoma Baptists 13-0. Pittsburg swamped the Nebraska "B" team 20-0, and Wichita dropped a thriller to Oklahoma City, 9-10.

Games for this weekend will include Hays vs. Wichita, Emporia vs. Southwestern, and in an out of conference game Pittsburg meets the Edmond Oklahoma Teachers.

Presence of a coach is necessary for any success. A man can't get a Carnegie medal without being afraid of his own welfare before making the rescue. To be fearful is honorable. This applies to the athletic world as well as any other. A football team is human and can be just as honorable as other groups or individuals.

A group of familiar faces

will be seen among members of the Tigers football squad. One of these is Ward Reigel, promising freshman Tiger back who will be remembered as the one man track team representing Ford in the state Inter-scholastic meet last spring.

Reports by witnesses of Southwestern's Homecoming game with Oklahoma Baptist indicate that the Moundbuilders may give their Central opponents quite a race for the crown. They possess more than the average line and some hard bucking backs that are capable of going places at the proper time. Remember Locker? He's still there.

## MEN'S Sport Shorts

By L. CARPENTER

When a Tiger team from Hays comes onto the Shocker field Saturday night it will be out for revenge. The defeat presented them by Emporia last week is without a doubt a sore spot. What Jim Yeager might have expressed to his gridsters after their stunning defeat is an unknown quantity, but it probably was to some effect that over-confidence never has and never will pay.

It was coincidental that the C. I. L. C. champions should be defeated by Emporia's Hornets by exactly the same score of their win over Kansas State the previous week. Where was that powerful Hays line, heralded after the Aggies game as the state's best? One of those mysteries which adds to the magic of sport is the interesting spectacle to watch.
