Price, Kinsey Vie for Presidency

Old Parties Realign For '37 Election

Phi Sigs Join Caucus Party; Barbs Are With Shocker

Dick Price, Phi Upsilon Sigma, and Charles Kinsey, Alpha Gamma Gamma, are the two candidates for the office of president of the Student Council in the coming spring election, which is to be held Friday, May 14.

Mr. Price is running on the Caucus ticket while Mr. Kinsey is the Barb-Shocker representative. Other candidates nominated on the Caucus ticket are Miss Beulah Barrett, Kappa Rho, vice-president; Miss Kathleen Hite, Sorosis, treasurer; and Bill Fine, Pi Alpha, secretary.

Welded for Vice-President
Ronald Van Welden, Barb, is running for the office of vice-president on the Barb-Shocker ticket. The other Barb-Shocker nominees are Miss Alice Jane Brown, Delta Omega, treasurer, and Miss Mary Evelyn Brincefield, Barb, secretary.

Until yesterday there was no distinct line of demarcation as far as the Phi Sigs and the Barbs were concerned. Late yesterday afternoon, it was announced by Harry Corbin, Phi Sig political representative replacing Cramer Reed, that the Phi Sigs had joined forces with the Caucus coalition, formed of the Webster, Pi Alpha, Sorosis and Kappa Rho groups, for the coming election.

On the same day the Barb Council released a statement saying, "We are rejoining the Barb-Shocker party, because we realize that no single organization on the campus could possibly run candidates for each of the Student Council offices. The Barbs and the Shocker party, formed of Alpha Gamma Gamma, Alpha Tau, Pi Kap, and Delta Omega, have cooperated in selecting the most meritorious candidates from the groups represented to run on the Shocker-Barb ticket."

Equal Representation
We find that this insure a more equal representation of the student body on the Student Council and will aid in the promotion of all student activities," the statement said.

This lineup is the same as the former coalitions with the exception of the change of coalitions by the Phi Sigs. In spite of their emphatic declarations to remain independent their political representative Harry Corbin, who replaced Cramer Reed when he stepped out of the picture by his own desire, felt that they needed some outside support, hence the cause for joining the Caucus party.

Both Charles Kinsey and Dick Price, candidates for president, are members of Blue Key, and Scabbard and Blade.

A convocation is to be held the first of next week, the week of the election, for the purpose of making the formal nomination and the acceptance speeches. Balloting for the election is to take place in the Commons Building, and the ballot boxes will be open from 8 o'clock Friday morning, May 14, until 1 o'clock Friday afternoon.

Handicapped In Ark City Aided

Dr. Palmer Receives Many Requests for Help

Speech-defective children of Arkansas City and neighboring towns may now obtain examination and advice from Dr. Martin F. Palmer, head of the speech science department of the University, in the Red Cross rooms at Arkansas City. Because of the many applicants who sought Dr. Palmer's aid last Friday when he visited that city, the civic organizations, Business-Professional Women's Club, and the Parent Teachers Association asked him to conduct clinics weekly, in Arkansas City, under the auspices of the Red Cross.

The regular clinic at Salina was established last winter by Dr. Palmer with the aid of the civic clubs of that city. This training division and the new one at Arkansas City are the only branch divisions from the Flo Brown Memorial Laboratory at the present. However, two other towns have requested Dr. Palmer's conduction of clinics, but because of the distances, arrangements have been delayed.

Two of three staff members will accompany him to Arkansas City each week.

Speech Group Holds Contest

Former Students Organize For Study

A speech contest for freshmen men will be held downtown in the Hotel Lassen Friday evening, May 21, at 8 o'clock, according to Prof. C. C. Harbison, of the speech department of the University of Wichita.

"This contest is open only to those boys who have not had previous training in this field or have not had speaking in high school or college," said Professor Harbison in referring to the event.

Sponsors of the movement are a group of downtown business and professional men and women who have had training from Mr. Harbison and who are organizing a club.

The only specifications laid upon the speeches is that they must be five minutes in length. The material, manner of presentation, and all other details may be decided on by the speaker himself.

Members of the downtown business speech groups will be the judges of the speeches and will determine the winner. This organization is new and this is one of its first official acts.

Outstanding Seniors Chosen For Both Honor Selections

The selection of the men's honor group and the women's honor group brings to the front the highest individual honor the University has to offer its senior students.

Should one regard the achievements of these selected students he will find a record of real service and sacrifice to the perpetuation and better life of the school. He will find that the services rendered by these students do not necessarily overshadow the work of other students, but that their influence and character among their fellow students and instructors has been recognized, and that their devotion to the school has been unselfish.

Paens of praise for honors achieved should not run overzealously into flamboyancy. It is better that they be kept reserved, yet should express what is desired to be said.

These honor students were the ones, who, since freshman days, were always to put in that extra few hours or so every so long in order to see affairs, meetings, and progressive movements culminate into success. They expected no pay for that extra work, outside of their regular scholastic work, except, perhaps, the thanks of their fellows. But, their efforts during their four years of work here have come to be recognized by their instructors as well. Many of them carry on outside work that they keep going in good order, keep up their scholastic record, and yet have the energy and good-will left to keep affairs of student government and student recreation in good order.

Whether or no the chances of these students in life after graduation are better than the average we won't state for fear of starting controversy. But we will state that the honor accorded them gives them the distinction of being recognized as the outstanding members of the senior class, and of the entire student body.

The honor cannot be valued intrinsically. Yet it remains the major bestowal of honor that the University possesses.

Youth Sees a Fruitful Future Where Pessimists See Gloom

No chance for youth, they say. Jobs are scarce; millions are unemployed; the times are surely out of joint.

Business is faint-hearted. Commerce is lagging. The world is in the throes of social unrest, and on the trembling threshold of haunting fear, black reaction, long decadence.

That's what they say. Youth, approaching another commencement time, hears that from every side. Pulpit, press, and platform — they all sing the same swan song. Young people have heard the whole weary tune so much they know it by heart.

But they don't like it. And, looking about them, they don't believe it. They see a confused and chaotic world, yes. But one more in need of tolerance than taxes, more in need of mercy than munitions.

War threatens. Nations turn their backs on their neighbors and resolve to go it alone, unaided and defiant. Propaganda machines grind out a poisonous potion of fear and hatred.

Youth, coming to commencement, sees it all — and wonders. Hypocrisy, sham, connivance, and ill-feeling seem to abound in the world.

Nothing for youth to do? What nonsense. There never was a time when youth had more to do.

the Last Add

By Kathleen Hite

The finest gesture made for Charles Tinder, ailing ex-president of Webster, other than the courageous efforts of his fraternity brothers, was on the part of members of Phi Upsilon Sigma early this week. The entire chapter voted to submit to blood tests so that they might aid in Tinder's recovery. Alpha Gamma Gamma and other groups have sent flowers, while countless others have remembered him and his family with notes of encouragement. Action of this type has a certain bigness that is most admirable.

Under the slogan, "Boost the University of Wichita," the Women's Panhellenic Council is planning a general convocation of all girls who will graduate from Wichita high schools this spring. This group will include North, East, Cathedral, and Mount Carmel. The date is set for late this month. Representatives from all women's campus organizations will be introduced in the auditorium and the nature and working order of each group will be given. A general "tour of inspection" of the school will follow. The girls feel that this is a step forward in the progress of a growing university.

Who named it the STUDENT Commons Building? Whoever it was must have been given to pipe-dreams. There's plenty of adverse comment among students to the effect that the downtown people have it rented so far in advance that student functions there are almost impossible. 2. Experience has shown that those who work their way through college should not attempt a full-time course. No man can serve two masters—full-time course and a job. To avoid getting behind, while working and pursuing a lighter schedule, attend the summer session and add a few courses as reserve. Eight sessions are hours of class work earned during the summer are equal to half a regular fall schedule. This is a plan no working student can profitably overlook.

Holyoke Hall Easily Takes School Meet

Alpha Gams, Phi Alpha And Barbs Only Other Track Scorers

Holyoke Hall team, defending champions, won the intramural track meet again this year with a total of 90 1/2 points. In second place was the Alpha Gam team with 47 points, next were the Pi Alphas with 19, and in fourth place were the Barbs, scoring 1 1/2 points. The Webster entries failed to register a single point.

Buford Emble of Holyoke Hall was high point man with 20 points. Brill, of Holyoke, was next with 18, and B. Christian and Amsden, Alpha Gams, were tied for third with 12 points each.

Marks made this year were better in some of the events, in spite of the rain, than those made last year. One tenth of a second was clipped off last year's time in the 100-yard dash. The 220-yard dash was run in 1.1 seconds faster this year, and 4.3 seconds were knocked off the quarter mile run, and five feet were added to the discus throw this time.

Cochs Hoffmann said he was very pleased with the results of the meet inasmuch as several fair marks were made.

Netmen Even Up on Wins And Losses

Losing only one out of six singles matches, Shocker netmen breezed through the Emporia Teachers squad last Friday on the North High School courts to bring their record up to three wins, three losses and a pair of draws.

This was the second victory for the locals over the Teachers within the week as they had journeyed to Emporia earlier during the week. On their home courts, the Teachers won two matches and came close to gaining a tie in the meet.

WOMEN'S Sport Glances

May Fete soloist Frances Wright says this week, "I've practiced so much I feel like a whole May Fete."

Members of the Federation of Women's Sports will charter a bus and go to Sterling College Saturday for a college sports day, similar to Play Day, held here recently. Federation members from all over the state will be there.

Miss Hinton will study this summer at the University of Washington. She also attended that school last summer.

At last! A baseball tournament has been officially started and inter-society games are being played. The next games come up May 10, with the Barbs vs. Sorosis, and Pi Kap vs. Alpha Tau. Sorosis won their game against D. O. Monday; Kappa Rho forfeited their game on the same date with Pi Kap.

There are 14 entries in the golf tournament now being played at the Crestview Country Club.

The third round of the tennis tournament must be finished by Saturday. Positively no excuses, says Miss Hinton. The tournament must be finished before the banquet on May 18.

Miss Taggart will spend the summer as a camp leader at Holiday Camp in Minnesota.

Did you know that about 200 persons will constitute the cast of the May Fete, one of the most pretentious to be presented on this campus? Dozens of people have been working for a month on choreography, costumes, and all the other multitude of things necessary for a successful performance.

League Ball In Second Round

Three Teams Undefeated In First Round

Three teams remain undefeated this week in the softball tournament which began last week under the supervision of Nurdy Hoffmann. The teams of Pi Alpha Pi, Phi Upsilon Sigma, and the Filial Flames have hung up two wins apiece in the first two games of the tournament.

The Pi Alphas met and defeated the Barb team with a score of 27 to 16 and then walked away with another victory when the Indians forfeited their game by not appearing.

Phi Sigs also are credited with two wins when they defeated the Alpha Gams with a score of 17 to 19 and the Websters with a score of 10 to 9.

The Filial Flames, the third top team, has taken wins from the Websters with a score of 14 to 9 and the Alpha Gams in a 13 to 12 game.

Barbs follow the top notch teams by a lose to the Pi Alphas and a win when the Holyoke Hall team forfeited.

Taking the low positions are the Alpha Gams with a lose to Phi Sigs and one to the Filial Flames; and the Websters with a lose to the Filial Flames and one to the Phi Sigs.

Games scheduled for yesterday were postponed because of rain. Standings of the six teams in the softball tournament are:

TEAM	WON	LOST
Pi Alpha Pi	2	0
Phi Upsilon Sigma	2	0
Filial Flames	2	1
Barbs	1	1
Webster	0	2
Alpha Gamma Gamma	0	2

Practice Game Ends Training

Gold and Blacks Play In Night Game

Although the Gold team, composed mainly of last year's varsity men, won a practice game from the Blacks, mostly freshmen, by a 6 to 0 score last Friday night the teams seemed evenly matched.

The lone touchdown came following a pass from Brill to Wells. The pass was incomplete but there had been interference which prevented Wells from catching the ball.

From the Blacks' 27-yard line, Brill and Ogden smashed their way down to the 6-yard line. Wells went over for the score after two tries from there.

The longest run of the game was made by Brill after breaking through to gallop 62 yards. K. LaFever brought him down and prevented another score.

Riggins, Steward, K. LaFever, Smith, and Ward were the outstanding players of the Black team, while Cotter, Ogden, Brill, Malory, and Wells starred for the golden clad men.

Niehaeg, full back for the Gold team, was injured and was taken from the game late in the first half.

In the second half the Gold team started a drive that resulted in five consecutive first downs and carried them from their own 20-yard line to the Black five yard stripe. In the same period the Black team nearly succeeded in scoring by sheer powerhouse strength when they butted their way down to the 2-yard line only to have the Gold team stop them.

The team of Willard Johnson and Ralph Burford were victorious in the doubles. Runner up in this flight was the fresh team of Merle Brock and Warren Nossaman.

WHY DO YOU RIDE THE BUSES?

Walt Cunningham answers: "My chief reason for riding the buses is economy. It costs a lot of money to keep a car in running condition and I can ride the buses to and from school each day for fifty cents a week. I live about six miles from the University and I can make the trip for less than a cent a mile. Figures released by the American Automobile Association show that the average cost of driving a private automobile is 4.86 cents a mile. Thus I divide my transportation bill 80% by taking advantage of the facilities of the Wichita Transportation Company."

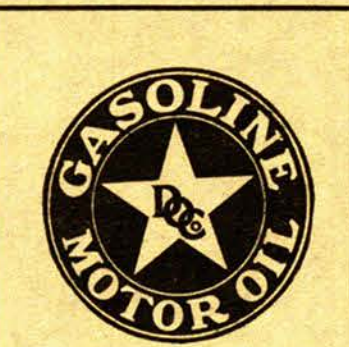

Golfers Lose One To Emporia Rivals

Wichita golfers lost their second match this season last Friday afternoon when the Emporians won in a return match 7 1/2 to 4 1/2. Earlier in the week the Shockers beat them.

Price, Shocker captain, was the only local man to win. Buser's match ended in a tie, and Armour and Beven were defeated.
