SHOCKERS SET FOR CHRISTMAS 'REST'

Christmas comes but once a year, and when it comes college students get two weeks vacation—anyway they do this year. School at the University of Wichita closes officially at 4:00 p. m. on Friday, Dec. 17, 1937, and resumes on Monday at 8:00 a. m. Jan. 3, 1938. That makes 16 days—count 'em, and ordinarily there is only ten days.

RESER IS CAST IN LEADING ROLE OF UNIVERSITY PLAY

'Elizabeth the Queen' Is the Most Elaborate Play Ever Attempted Here—Wilner. Beautifully costumed from the Elizabethan period, the best dramatic talent of the University combine to make Maxwell Anderson's "Elizabeth the Queen" the most elaborate play ever attempted by the University Players, according to George D. Wilner, director.

NEW BOOKS READY FOR STUDENT USE

Unusual Art References Are in Collection. Receipt of several new books of interest by Morrison library was announced by Downing P. O'Hara, librarian. The books include Stanley Besta's "Mountain Men," a story of the Western frontier, Frank's "College of the Future," Shankle's "American Nicknames," "Iceland," by Lindroth, and F. Martin Brown's "America's Yesterday."

KAPPA DELTA PI SENDS DELEGATE

Dorothy Smith Represents Education Society. Dorothy Smith, senior in the College of Liberal Arts, will be the University's representative at the biennial convocation of Kappa Delta Pi, national education fraternity, in Atlantic City, Feb. 28 to March 2.

HEALTH INSURANCE IS NOW PROVING USEFUL

College health insurance has proved itself to students at Dartmouth College and the University of Kansas according to reports of health insurance directors at the two institutions. Dartmouth, Lloyd K. Neider, chairman of the committee on health insurance, announced that visits were made to the college this year. This averaged approximately 50 per day. The total number of days of service was 8,529 and average length of patient's stay 1.5 days.

INDIAN INSTITUTE IS DAMAGED AS BLAZE SWEEPS STRUCTURE NORTH OF UNIVERSITY

Falling Plaster Hinders Firemen; Damage Is Set at \$1,500. Although more than 500 students of the University watched the flames which threatened to destroy the Roe Indian Institute Tuesday morning, Quannah Fields, student here, and a resident at the institute were probably the most excited of the group.

JARDINE IS RATED ABOVE LA GUARDIA

Who's Who in America, the Biographical Catalogue of famous men, gives President W. M. Jardine, the man who among other things, took the University out of the mud, two paragraphs more space than does Mayor Fiorello LaGuardia, the Republican mayor of New York who is considered as possible presidential timber.

FIRE INSURANCE RELIEVES LOAD FROM ELLIOTT'S MIND

With University Valuation of \$1,091,130, School Looks Out for Possible Loss Here. IF EVERY classroom on the campus went up in smoke today it would only be a matter of time until others were erected to take their places, thanks to the heavy insurance carried on campus buildings.

At present Roy W. Elliott, comptroller, is engrossed in the important task of setting new valuations on University property. "Not only is the property protected against fire, but it is insured for damage by hail, wind, and explosion," Mr. Elliott said. "On the whole the valuation is expected to be approximately ten per cent higher this year than last. This is because of new equipment and additions."

Albert E. Croft, head of the sociology department, is giving a series of five speeches to young people each Sunday at the Fairmount Congregational church. "The talks are a brief course of study for those interested in the successful planning of family life upon sound social and religious foundations," Dr. Croft said.

UNIVERSITY ATHLETICS RANK HIGH

Strict Policy Enforced Here Proves Very Successful. A general advancement in the school's athletic department, and especially in regard to football, was emphasized this week by an official of the athletic policy committee after it was shown that the University ranks head and shoulders above its sister conference members, not only in victories but also in standards.

Particularly praised was Head Football Coach Al Gebert's drive for "big time" ratings. The school has just completed its heaviest schedule in history, and accomplished its most successful season with scholastic standards which are higher than any in the state outside of Kansas State College, and the University of Kansas. Policy to Continue.

Websters and Pi Alphas Advocate Uniform Dress

Congratulations to the Websters and the Pi Alphas. Their outstanding leadership in the field of standardization of dress on the Wichita campus warrants merit from their fellow students.

These two organizations are obviously cognizant of two college attitudes necessary to modern-day students—practicality and conformity.

These two groups realize that they are not out of place when others also wear cords and sweaters. They are practical.

These two groups also realize that when many schools with student bodies ranging in size from 10,000 to 18,000 accept this democratic mode of dress, our own University, boasting 1,300 men and women, has little license to either criticize or poo-poo.

British Use Machiavellian Idea to Halt Propaganda

In a desperate effort to ward off undesirable influences which tend to dominate a democratic people, the British Broadcasting Company is preparing to fight propaganda with propaganda—to pit one nationalistic theory against another.

Calculating that the end justifies the means, broadcasting officials are ready to assort, color and otherwise present "straight news" in three different languages—Arabic, Portuguese, and Spanish—via short wave to peoples that have, because of anti-British propaganda, turned hostile to British cause.

In other words, regular channels of unbiased news are disseminated under the guise that this way is the most powerful, most influential mode of presentation—much more so than if it were known the reports were as lopsided as a trash hauler's cartwheel.

One obvious result will, in the final analysis, rear its ugly head. By many, fortnight's news from the colonies will be disbelieved, unrespected, and will be taken as unauthoritative. Can such dilatory handling of so-called freedom of the press or radio survive for long in one of three countries which still boasts of its basic democratic rights?

Even on the minutest scale an ordinary newspaper—even a college sheet—could not stand that.

Learning Comes Easier If Taken in Little Doses

Five more weeks and the first semester of the 1937-38 school year will be over and some students haven't opened their textbooks enough to take the squeak out of them.

the Last Add

By KATHLEEN HITE
Mighty pretty—that's our flag pole! Seriously, it is a very fine one; we should be proud of it.

Don't the members of the football squad know the school songs? When the "Alma Mater" and "Hail Wichita" were played at the Thanksgiving game, few were a larger stunner.

In this year when all campus organizations have shown great strides forward, perhaps the most progressive group has been Blue Key.

This fellow Tromer Smith, he's all right. The University of Wichita can be mighty proud of him and the way he led the Shockers to the C. I. C. championship.

I think everyone at one time or another has noticed that all of the schools around here "lay" for Wichita, if you know what I mean.

A word for "Elizabeth the Queen." This production is in line for the best of success. Think of these drawing points and then try to stay away—direction by George (I built a flag pole) Wilmer; acting by Reser, Marsh, Setzer, etc.

THE men at Brigham Young University are all a-flutter. Reason for their suspense is the poll being taken among women students to find the man they would "most prefer" having as an escort for the evening.

THE latest thing for college bands—to get all lit up. Fresno State College band is probably the most colorful musical organization in the country.

WHAT is the most difficult college course? Organic chemistry. The bureau of Educational Surveys in New York City has found that the use of college outlines and other supplementary aids to study is in direct proportion to the difficulty in the subject experienced by the student.

THE SHOCKERS were the sole claimants to the Central Conference title. Undeclared—untied—unscored upon.

IN THEIR first game with the University of Kansas since 1908 the Minies trounced the state school 18 to 7.

THE SHOCKERS lost only three games the entire season and won seven.

NEW FLAGPOLE IS PLACED ON FIELD

Funds Given by Students and Business Men

Doubly important to this University was the Washburn football game last Saturday because the long awaited flagpole was dedicated by Prof. C. C. Harbison.

This moment meant the crowning achievement of several months work for several of the students and faculty.

Even with this effort, the idea would not have materialized if others had not helped. It was said, Downtown business men contributed and were assisted by campus organizations.

of the entire day came when the dean asked the youthful audience to join Mrs. Ljeurance in singing the chorus of his immortal composition "By the Waters of Minnetonka."

It was an adult crowd which packed the audience in the evening. Many were old-timers who remembered Dean Ljeurance as a young man.

MONOTONY BROKEN BY WHITE CUPOLA

"Architectural embellishment" is what the cupola atop the Science Building is termed by those "in the know."

Since it's in a fairly "inconspicuous" place, you might not have wondered about it—or, again, you might have, just according to your individual turn of mind.

Well, in case you have wondered, or intend to sometime in the near future, this is to set your mind at rest.

The type of colonial architecture used in the Science Building demands something to break the long roof line—thus, the white cupola.

HENNIGH TO HAVE ONLY THREE VETS

Gawthrop, Johnson and Wells Return; First Game Dec. 9

Faced with the fact that he must build a team around three lettermen, Coach Bill Hennigh is nightly sending his charges through strenuous practice sessions in order to have a basketball quintet in line for the opening game Dec. 9 with Friends university.

Only Willard Johnson, Jud Wells and Pike Gawthrop have returned from those who carried off "W" last winter. The rest of the 17-man squad is made up of promising sophomores from last year's successful Fresh team.

Shocker Center Fall

Don Platt stands above all others at his six foot three inch height and will probably receive the center position. Don is a sophomore and played on the Fresh squad last season.

Forwards from last year's 1936 group are: Ross Denison, Kenneth La Fever, Dale Neeley, Melvin Radcliff, Melvin Curry, and Junior Glenn. Buford Emmele, James Cope, Bob Powell, and Gene Riggins are guard candidates.

Hennigh Uncertain

Others who are out for the varsity include: Jack Armour, Kenneth Barker, George Neeley, and Bill Steward.

Coach Hennigh is uncertain about the prospects for this season, but to look at the team on paper it appears to be quite mediocre.

Meet Quakers Dec. 9

Following the Friends game the Shockers leave on a nine-day trip into Illinois, Iowa, and northern Kansas. Dec. 11 will find the Shockers playing St. Benedict's at Atchison, Kans. On Dec. 14 and 15 the Shockers play Drake at Des Moines and De Paul at Chicago respectively.

Illinois Normal and Illinois college will entertain the Shockers Dec. 17 and Dec. 18.

The first home game for the Shockers in their new gymnasium will be Dec. 23 with Colorado college from Colorado Springs, Colo.

HOCKEY VARSITY DEFEATS GRADS

Team Scores Victory Over Friends University

Scoring one goal the hockey varsity was victorious over the alumnae team in the annual Turkey Day game played at 9 a. m. on the South Field.

The varsity and another picked team, rounded two Friends University teams with large scores. Although the varsity players were criticized for not playing their own positions but the field and the ball, the varsity was not lacking in speed and an eye for the goal.

Today the sophs meet the frosh in a tournament game at 3:30 p. m. If the sophs win, they will be tied for first place with the juniors.

The freshmen have not won a game and, therefore, are not favored to win.

FISTIC PROGRAM BEING PLANNED

Marr Outlines Big Intra College Tournament

Plans for a well-rounded intramural boxing program were outlined late Wednesday by Harry Marr, boxing instructor, who issued a call for all ring candidates to meet with him in the gym at 1:15 p. m. Friday.

"Preparations for the intramural boxing campaign will begin immediately after candidates have registered," Marr said. "We will begin training at once and, if all goes well, we should begin our tournament early in February."

"Boxing candidates must be willing to spend some time in conditioning," Marr continued. "It must be understood from the start that no man is going to climb into the ring unless he is in first class condition. To do so would be dangerous, besides being in contradiction to our plans to teach boxing principles during the training period."

SHOCKERS FINISH SPLENDID SEASON

Celebrating one of the most successful basketball seasons in the history of Wichita football, the 1937 record is as follows: with 7 wins and 2 losses: Oct. 25—Ola, A. & H. 11; Wichita 8. Oct. 29—Ava Teachers 6; Wichita 28. Oct. 31—Kansas 2; Wichita 18. Oct. 15—Southwestern 6; Wichita 28. Oct. 22—Dakota State 20; Wichita 6. Oct. 29—Pittsburg 2; Wichita 25. Nov. 6—De Paul University 21; Wichita 7. Nov. 11—Emporia 6; Wichita 12. Nov. 18—Fort Hays 8; Wichita 12. Nov. 25—Washburn 7; Wichita 16. Total—Opponents 79; Wichita 128.

SHOCKERS PLACE SIX PLAYERS ON ALL-CONFERENCE

Smith, Brill, Gawthrop, Cotter, Martin, and Ax Picked

By Bob Campbell
After so many all Central Conference football teams have been selected the Sunflower's choice is almost an anti-climax but here they are.

Wichita's Shockers have rated the most players on the mythical eleven on every team chosen so far and on the Sunflower's team they hold down six positions.

Heading the list as captain is the Shocker's Trotter Smith who is one of the smartest players in the conference as well as a dependable ground gainer. Holding down the other halfback position is Wichita's ace ball lugger Harold Brill who has been the most consistent ground gainer for the Shockers this year and is without a doubt, the best broken-field runner in the conference.

W. U. Fills Backfield

The Shockers continue to dominate the backfield with Pike Gawthrop, Shocker signal caller, who has played a bang-up game this season getting the call. The fullback post is one of the hardest to pick because it had not been for injuries two Shocker line smackers, Ward and Niehage, would be up in the running for all conference honors. However, Bender from Fort Hays who was an overwhelming selection last year is a good choice to repeat.

In the line Kilne, Emporia's sensational end, who was picked on the Little All American team is one of the greatest ends to be seen in the Central conference in years. At the other end position Sampson of Fort Hays rates a berth on the all-star team. At tackle Cotter of Wichita is one of the smartest line men on both offense and defense in the circuit, and his powerful playing rates him one tackle position with Mitchell who made all conference at Fort Hays last year. At guards, Ax and Martin, a pair of 200 pounders who have played smart ball for Wichita outlast their conference opponents.

INTRAMURAL VOLLEY BALL STARTS TODAY

Intramural volleyball for the 1937 season will open in the men's gym this evening at 7:30 with a probable entry of ten or more teams, according to an announcement made late Wednesday by Dr. Lawrence Rarick, men's physical education director.

"Not all entries have been made as yet," Dr. Rarick stated, "but I expect to have at least ten teams entered. Drawings for Thursday night's contestants can not be made until all entries have been submitted."

Organizations which had submitted entries to that date were the Men of Webster, the American Indian Institute, the Holyoke Hall "Gridsters," and the Barbs. Dr. Rarick expected entries from the three other fraternities, the faculty, the Holyoke Hall "Foreigners," and probably a second Barbs team.

Coach Bill Hennigh

Bill Hennigh, former Shocker cage star, is entering into his third year as basketball coach here at the University. Coach Hennigh was an outstanding player while in college. He also played some AAU basketball after he graduated.

1937-38 Basketball Schedule

The complete basketball schedule for 1937-38 is as follows:

Dec. 9—Friends at Friends
Dec. 11—Washburn at Topeka
Dec. 12—St. Benedict at Atchison
Dec. 14—Drake Univ. at Des Moines
Dec. 15—Normal at Normal
Dec. 18—College at Joplinville
Jan. 1—Southwestern at Wichita
Jan. 7—St. Benedict at Wichita
Jan. 11—Fort Hays at Wichita
Jan. 12—Friends at Wichita
Feb. 1—Emporia at Emporia
Feb. 5—Southwestern at Wichita
Feb. 8—Pittsburg at Pittsburg
Feb. 10—Pittsburg at Wichita
Feb. 12—Emporia at Wichita
Feb. 15—Fort Hays at Hays
Feb. 16—Friends at Winfield
Mar. 2—Southwestern at Winfield

SWIM TEAM TO START PRACTICE; RACE HIGHS

"Twenty men have signed up for a Shocker swimming team and I would like to have more yet," announces Lawrence Rarick, head of the physical education department. The first practice for the waterboys will be this afternoon at 4:30 at the East high school pool.

Between the Halves

By Merrell Kirkpatrick
WITH a more than successful football season ended your attention may be directed towards basketball. If you students will support the cage team as well as you did the football team it will give the members something to work for, living up to your expectations.

The episode that took place in the Washburn locker room after the game was a disgrace and the Ihabod players after thinking it over are probably pretty much ashamed of themselves, at least they should be.

Interesting Facts

Things you never think about: During the course of the Ihabod-Shocker game both teams ran a total of 155 plays. That may be a little high as an average but not much.

Brill carried the ball 19 times, last Thursday, for a total of 123 yards. This is an average of 6.5 yards per try.

Trotter Smith averaged 3.5 yards per try and carried the ball 15 times. Riggins also carried the ball 15 times and he averaged 3 yards. Brady, colored Ihabod flash, averaged 4.8 yards in 12 tries. These figures don't include completed or intercepted passes.

Sophs to Help

Now whether that sounds very good or not, it is good and if there are any of you who doubt it all I have to say is try it yourself sometime.

Hennigh is going to have some good ball players from last year's frosh team to use for varsity material this year. K. LaFever, Stewart, Platt, Curry, Glenn, Radcliffe, and others will be on the varsity this year helping to fill the shoes of Glenn Nye, Wayne Johnson, Cal Stewart, and others who were lost by graduation last spring.

PRACTICE STARTS IN VOLLEY BALL

Ping Pong Tournament to Begin Next Monday

First volley ball practice of the season was held Wednesday at 3 p. m. in the women's gym. The regular practices will be on Monday and Friday featuring two sessions, 2 to 3 p. m., and 3 to 4 p. m.

After several weeks of practice, an inter-society tournament will be played off. To receive credit for participation in a major sport, six practices are required. To receive the final award of the Federation of Women's Sports, participation in at least two major sports is necessary. Since there are few major sports, it is advisable to go out for volley ball.

Women's Sports

By Catherine Dedrick
Board members of the Federation of Women's Sports and (what's name) Recreational Activities had a "filling" good time at a chili supper and a "falling" good time at a skating party last Monday evening. The tender spot of the evening was when Martha (badminton champ) Barrett tendered her resignation as hockey manager which position is automatically absorbed at the end of hockey season anyway.

Someone became attached to two pictures of Martha Graham, dancer, which were on the bulletin board in the women's gym until the night of the Homecoming party. They are part of a collection and cannot be replaced, so please return them at the earliest convenience.
