

PAUL HENRION, '18, president of the Alumni Association, is this week urging all University graduates to attend the forthcoming Homecoming celebrations now being planned by faculty, alumni, and student committees.

MARY EVELYN BRINCEFIELD, senior, will reign over all Homecoming festivities Saturday. Her majesty is a member of the Bar organization, is vice president of the Y. W. C. A., and president of Matrix, honorary journalism sorority.

DOUGLAS NUNN, senior, has been chosen by Miss Brincefield as her escort. He will escort the Queen to the Webster dinner to be given in her honor, and to the varsity Saturday evening. Mr. Nunn is a Pi Alpha Pi.

KATHERINE ISRAEL, senior, recently elected Honorary Colonel, is chairman of the Student Council Homecoming committee. She is a member of Alpha Tau Sigma sorority.

ARTHUR KALLET, co-author of the non-fiction book, "100,000,000 Guinea Pigs," will be the first speaker presented on this year's Student Forum series which begins Wednesday, Nov. 16.

HOMECOMING PLANS COMPLETE

FORUM WILL OPEN SERIES HERE NOV. 16

First of Seven Student Forum Talks Will Be On Wednesday

Arthur Kallet, co-author of "100,000,000 Guinea Pigs," and first of seven prominent men to be brought to the campus by the 1938-39 Student Forum, will speak in the University Auditorium next Wednesday, Nov. 16.

Four years ago Mr. Kallet's expose of current practices in food and drug industries shocked the world into the realization that the Pure Food and Drug Act of 1906 had not prevented the flooding of the market with dangerous products.

Fought Consumer's Battles
As a direct consequence of the disclosures in "100,000,000 Guinea Pigs," one of the initial acts of the Roosevelt administration in 1933 was the introduction of new food, drug, and cosmetic legislation in Congress.

Mr. Kallet was often in Washington fighting the consumer's battle during the four years of Congressional quibbling. Although the effort was unsuccessful, the scheduling of new food and drug bills on the legislative calendar has presaged a continued struggle.

Formed Union
Early in 1936, in response to widespread demand from progressive

STUDENT HOURS OF CONSULTATION UP 17 PER CENT

Conference Periods Are Becoming Significant At W. U.—Hekhuis

Student conference hours now available constitute an increase of 17 per cent over the figure of 1936, according to a survey completed this week by Dr. L. Hekhuis, dean of the College of Liberal Arts.

Now each instructor has an average of eight hours reserved for consultation with students, and many have indicated that any additional periods desired may be set aside by appointment.

In discussing the significance of the report, Dr. Hekhuis stressed the value of these hours, but indicated that the faculty fears that many students have an improper attitude concerning such conferences.

"These are not to be considered 'trouble-shooting' periods," he interpreted. "Instead, they should be considered time in which students may meet with their particular instructor on common ground, and through mutual conversation, gain a better understanding of their problems in the particular line of study, and the principles of the course."

Dean Hekhuis feels that too many students leave the campus at the time of graduation with few friends among the faculty group. He says that a greater democratic spirit should prevail. These conference hours constitute a method of breaking down this barrier, he said.

WALLING IS ADDITION TO UNIVERSITY STAFF

Winifred Walling, director of the Red Jackets Girl Band, recently was added to the University of Wichita downtown division faculty to teach xylophone, marimba, and piano accompaniment.

Lieurance's 'Minnetonka' Goes on Swing Rampage

Swing Recording of Famous Indian Song Proves Popular in Fountain Room

Unperturbed by the newest Ray Noble swing version of his famous "By the Waters of the Minnetonka," Dean Thurlow Lieurance, of the College of Fine Arts, hearing it for the first time this week, decided only that it was "quite a shakedown."

Other swing arrangements of the song have been written by Paul Whiteman, Fred Waring, and Freddie Rich. (Dean Lieurance thinks the last version is best.)

But the Ray Noble arrangement, heard on the campus for the first time last Monday, is somewhat of a more riotous "swing-a-roo" than the others.

And the new added lyrics—well, judge them for yourself:
"Land of the sky blue waters
Oh Minnie
Oh, you are dear to me
You are the one for me, but
I'm definitely
Start listin' to your lovin' pipsa."

TRANSFER SYSTEM INSTALLED HERE

Releasing the University switchboard of an added load of calls, the "one-hundred key" system of transferring calls has been installed in the business office.

Control boxes containing three keys which correspond to the phones of the comptroller, his secretary, and the cashier, have been placed on the three desks. By manipulating the keys, calls on one phone can be transferred to one of the others without signalling through the main exchange in the registrar's office.

STUDENTS NAMED TO COMMITTEES FOR NEW WORK

Dennis Activity Chairman; Russell, Nunn Head Dorm Agitation

Plans were launched this week by the activity committee of the Student Council for a campaign to enlist aid in the establishing of dormitories on the University campus.

Hugh Dennis will serve as general chairman of this committee. Co-chairmen Doug Nunn and Virginia Russell will assist him in his work. Remaining members include Martha Barrett, Gail Frank, John St. John, and Willard Garvey.

Doug Nunn, senior, will represent the out of town students in his efforts to call attention to the need for a dormitory. "We hope," he said, "to show the necessity for official recognition of the housing problem that exists at this University."

Mr. Nunn has access to a year's research made relative to this problem, and will present a report at a future council meeting.

Also included in the committee's plans is work on a revision of the prevailing grade system. Upon the request of a great number of students, the Council will attempt to modify the awarding of numerical and letter grades.

Effort will be made by the committee to install a point system at the University. Campus leaders and faculty members have long believed that the number of offices held by an individual should be limited. An endeavor will be made to provide such a system for the school.

An additional appointment was made to the Student Council social committee with the naming of Jeanne Carr to this group.

WICHITA'S R.O.T.C. BAND IS LARGEST IN W. U. HISTORY

Total Membership of 87 in Group Surpasses Previous Years

Boasting a total membership of 87 men, the University R. O. T. C. Band this year is said by Maj. Walter A. Duerksen, director, to be the largest in the history of the school.

Members include 32 out-of-town students from high schools in five states.

A recent survey of the band unit shows that each R. O. T. C. Band member has had an average of 4.4 years of experience in high school and junior high before enrollment in the municipal school.

Twenty-one of the men have received some form of recognition because of proficiency as instrumentalists.

Officers, in addition to Major Duerksen, are Capt. Kenneth Marks, company commander, Sgt. Orland Krug, drum major, and the Sergeants Robert Higgins, Ben Buck, and Clyde Crosswhite, and Assistant Director Lester Brown.

Bandsmen Virgil Rork, Harold Fritz, Edwin Ransom, and John Blankenship have charge of properties and the band library.

ARMY CONVO TO BE HELD HERE NOV. 11

Lewis To Give Armistice History; Lieurance Will Direct

Convocation tomorrow, Friday, Nov. 11, under the auspices of the army, will observe the twentieth anniversary of the Armistice.

For the first time since 1918, Nov. 11 is to be a legal public holiday "to be dedicated to the cause of world peace and to be celebrated and known as Armistice Day," according to a proclamation by President Franklin D. Roosevelt in May, 1938.

Lewis Will Speak
Group singing of "America," led by Dean Thurlow Lieurance, accompanied by the R. O. T. C. band will begin the ceremonies.

Maj. Harry L. Lewis, assistant professor of military science, will give the address. He will speak on the history of the signing of the Armistice, how it started and its origin.

Roll to Be Called
Names of University boys who lost their lives in the World War will be called by Cadet Lt. Charles Morgan. After each name a roll on the drums will be heard.

Robert L. Higgins, bugler, will play taps preceding the usual silence of one minute at 11 o'clock, after which the audience will again be directed by Dean Lieurance in singing "The Star-Spangled Banner."

NEXT WEEK WILL CLOSE YEARBOOK PHOTO SCHEDULE

Wednesday Will Be Last Day; Heads To Pass On Excuses

BULLETIN
Seniors are especially urged to have their pictures taken for the Parnassus, Sam Smith, editor of the book, said yesterday. The Fred H. Reed Studio, where pictures are being taken, has caps and gowns which may be used without charge. Students, regardless of classifications, may visit the studio at anytime without appointment, however.

Wednesday, Nov. 16, will close the allotted period during which students are to have pictures taken for the 1939 Parnassus, Sam Smith, editor, said this week.

Names ranging from "Sa" to "Z" are being accepted throughout the current week without a penalty charge, it was said. A penalty of 25 cents is collected from students who have not been photographed before the Saturday deadline affecting them.

"We do not want to appear unreasonable in regard to the penalty," Mr. Smith said. "If a satisfactory reason is given for not making the deadline, we will take that in consideration and not collect the additional fee."

It was pointed out, however, that students with excuses should apply to Dorothy Tennant, associate editor, Maxine Pantier, picture editor, or to Mr. Smith. The Fred H. Reed Studio, where pictures are being taken is not authorized to exempt students who are late. Only notification by the staff makes such possible.

Staff members can usually be found at the journalism department's Bug on the campus, the yearbook editor stated.

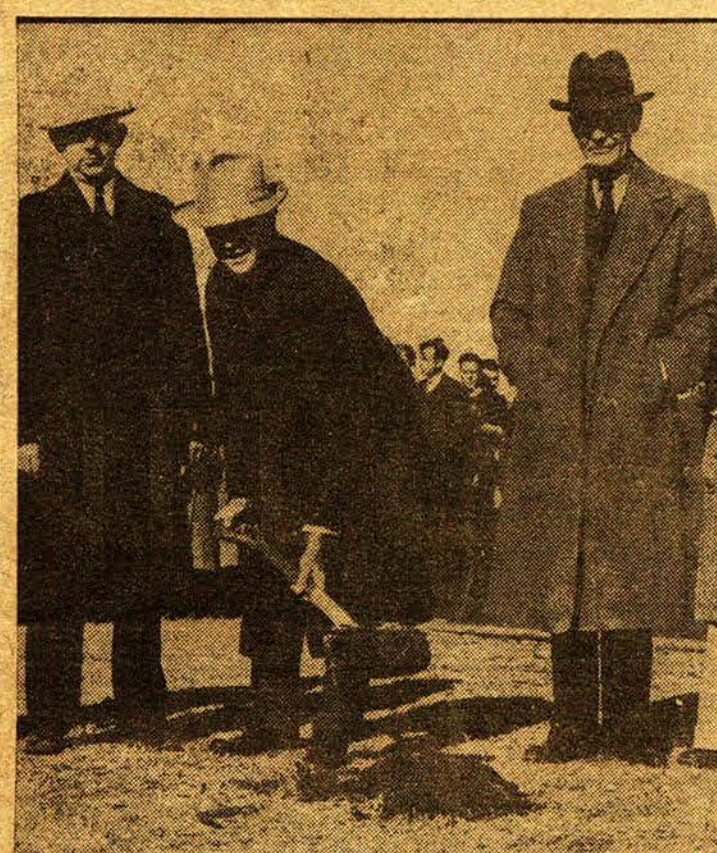

Coming Recovery Will Soon Arrive Cites B. A. Head

"CONDITIONS will grow steadily better in the business world," is the advice of Dean Frank Neff of the College of Business Administration, who is a recognized authority on business and economics.

He gives five reasons for his belief:

1. Surpluses except some agricultural commodities which reportedly caused the depression are being rapidly diminished or are now at a low point. Therefore normalcy should return.
2. The curve, representing business conditions after having hit the bottom, has started its upward travel. Conditions are yet 14 per cent below normal and the curve should progress to normal with little deviation.
3. Elections always affect conditions, and after the pending one is completed, the air of uncertainty will be lost.
4. On the basis of the law of averages, the movement should be upward, for the depressed conditions have now persisted an extraordinarily long time.
5. Heavy spending for national defense which stimulates basic industries, will help induce a forward momentum.

Dean Neff's optimistic outlook is corroborated by the report of Roger Babson, established predictor of the future.

Students Looked On . . .

As S. C. Brennan, chairman of the University Board of Regents broke the ground formally beginning the construction of the new \$120,000 University Library, Roy W. Elliott (left), comptroller, and W. M. Jardine (right), president, aided in the ceremonies. Other dignitaries present were: Otto Souders, member of the Board of Regents; Ed Forsblom, architect and W. P. Swanson, WPA representative.

Candid Cameras Record 1938-39 Campus History

STUDENTS over the entire campus are recording life at the University with their candid cameras in preparation for the annual Parnassus snapshot contest, Maxine Pantier, picture editor, said this week.

Closing date of the first of three contests, is on Nov. 18. The reward to the winners, one girl and one boy, will be portraits of them on two pages in a special section of the 1939 Parnassus, the University yearbook.

Departing from procedure in the past which recognized the number of pictures as the most important factor in the contests, the judging committee has announced that it will judge on quality primarily. A minimum of 35 pictures is required for entrance in any one contest, however. The maximum is 100.

INFORMAL TALK OF LOCAL DEAN IS NEWS STORY

'Peggy of Flint Hills' Writes of Lieurance In Column

What he took as a more or less casual conversation in Topeka after the Washburn football game has turned out for Dean Thurlow Lieurance as a generally circulated newspaper interview.

Dean Lieurance's visitor was Zula Bennington, Greene, who writes for Kansas newspapers the syndicated column called "As Peggy of the Flint Hills Sees It."

"In the matter of musical and artistic undertakings where success depends upon the sale of tickets, the third year is the hardest," she quotes Dean Lieurance as saying.

"The first year the public goes because it is the thing to do on the tickets are being sold by the 'best people.' The second year the thing is carried along by its own momentum, but the third year it either falls or pulls through with a grave shortage of white corpuscles."

The article goes on to explain the dean's conception of the everlasting appeal of the circus; the cycles experienced by music, painting, sculpture, and literature; and finally the tremendous advantage of beauty over plain talent in programs requiring public acceptance.

Unaware that he was talking for publication, Dean Thurlow Lieurance was nevertheless pleased with the "kind and comprehensive" manner in which his observations were written.

UNIVERSITY AGAIN HAS MUSIC MEET

Duerksen Attends Topeka's Two-day Session

Wichita will be host to nearly 1,000 Kansas high school musicians when they meet here for the district music festival April 13 and 14, according to Maj. Walter J. Duerksen, director of the University R. O. T. C. band.

Major Duerksen left Wichita last Friday morning for Topeka to attend the annual Kansas Music Supervisors' Convention, which was held there on Friday and Saturday.

From Topeka he telegraphed word last Saturday that the University had been awarded the meeting. Last year the festival was held here with more than 800 high school musicians attending.

GROUND BROKEN FOR LIBRARY BY HEAD OF REGENTS

Construction Company Starts Excavation; Blaser Has Job

Ground was broken on the site of the new University Library yesterday morning at 10 o'clock when S. C. Brennan, chairman of the Board of Regents, turned over the first spadeful of earth before several hundred students and school officials.

Dr. W. M. Jardine, president of the University, presided at the ceremony, assisted by members of the Board and Roy W. Elliott, comptroller. The R. O. T. C. trumpet trio played the "Alma Mater" as the first spadeful was turned up.

Immediately the Frank Blaser Construction Company, which was granted the contract Saturday morning, started excavating. Government approval of the contract was received Tuesday afternoon in the office of Roy W. Elliott, comptroller, from the Ft. Worth PWA offices.

Building to Face Hillside
The building will stand square with and facing Hillside avenue in the center of the campus, and on a line running northwest from the Administration building. The main entrance will be 65 feet east of the flagpole. It is of almost true rectangular shape, 120 by 90 feet, accented with slight wings on the north and south.

First floor plans show a layout similar to that of Morrison Library with a main reading room in the north and a magazine room in the south. Offices and the main desk will be directly beyond the main entrance. Stacks will fill the center rear space.

On the second floor will be another reading room in addition to a browsing room and more stacks. The bindery and receiving rooms will be in the basement.

Provision has been made for the building to have an entrance on the south, and eventually a north entrance will be inserted when needed. A clock tower will top the structure, similar to that of Science Hall, but designed for future insertion of a four-faced clock.

Completion Next Summer
An eight-month construction schedule has been established, making the date of completion sometime next summer. After the building is finished it will be considerable time before the University will occupy it.

"We hope to have it available for use by the time school starts next fall," Mr. Elliott said. "However, the school will have to buy new stacks and furnishings which will need to be financed out of next year's budget."

Architect Ed Forsblom drew the plans for the \$122,000 building, 45 per cent of which is being financed by the government. Frank Blaser, head of the construction company, was a member of the firm which built both Science Hall and the Administration building.

Housemother of Theta Contends Coeds Improved

PITTSBURGH, PA.—(ACP)—"If you trust a girl, she will respond to that trust."

That is what Mrs. Mabel Cooper believes. And Mrs. Cooper should know, for she is celebrating her eighteenth anniversary as housemother at the Kappa Alpha Theta chapter house at the University of Pittsburgh.

"American college girls have changed considerably in the last 18 years," Mrs. Cooper says. "Eighteen years ago girls were a little more thoughtful and more deliberate. Now they do most things on impulse, but they have pretty fair judgment."

MORE THAN 1,000 GRADS EXPECTED FOR HOMECOMING

Coronation Ceremony Will Take Place During Half Of Game; Coffee for Former W. U. Students To Be after Game

BULLETIN
Cooperating with the other organizations in the celebration of Homecoming, Nov. 12, the R. O. T. C. will attend the football game Saturday as a unit, it was announced this week by Col. Robert H. Barrett.

Attendance is to be checked and all members in the R. O. T. C. will attend unless otherwise excused by Col. Robert H. Barrett.

More than 1,000 former University of Wichita students are expected to return to their alma mater, Saturday, Nov. 12, to take part in the festivities being arranged for them and to witness the Wichita-Emporia football classic.

Cooperative work of three committees representing the faculty, the alumni, and the student body this week completed plans to honor the returning grads. Alumni members and their families will be seated in the east section. Tickets may be purchased for 56 cents. Alumni badges will be issued at this table.

Queen To Be Honored
Mary Evelyn Brincefield, senior, will be crowned Homecoming Queen during the half of the game by Stanley Diamond, Student Council president and Paul Henrion, president of the alumni association. The University's R. O. T. C. band will salute the queen as her float is drawn across the field.

Following the game a coffee for alumni and former students will dine Hammond and Faye Hicketts have charge of arrangements. Alumni badges will be honored

(Continued on Page 2 Column 6)

Brincefield Is Queen of Homecoming Festivities

Victorious Candidate Chooses Doug Nunn for Escort; Coronation To Take Place During Half

Mary Evelyn Brincefield, senior and editor-in-chief of the Sunflower, was elected Homecoming Queen by a large plurality vote in the general election last week.

At the time of the election Miss Brincefield was in Cincinnati as one of the delegates representing this University at the Associated Collegiate Press national convention. Scores of telegrams and bouquets of flowers informed her of her victory.

Miss Brincefield was the unanimous choice of the Barb party in the election. Since entering the University she has been prominent in the Barb organization, in the Y. W. C. A. and in the journalism department. In 1938, she was all-school party to be held at the Commons Friday night, and again Award, which is annually given by the American Association of University Women to the outstanding junior woman.

The queen will be crowned between the halves of the Wichita-Emporia battle by Paul Henrion, president of the Alumni Association. A float made by Whook, University pep club, will be the throne of her majesty and her five attendants, Corinne Bennett, Laurie Chandler, Kathryn Landdowne, Janet Tudhope, and Alice Jane Brown.

Miss Brincefield has chosen Doug Nunn, senior and managing editor of the Sunflower, to be her escort. The five other counselors are Henry Amsden, Lewis Riley, Sherman Culbertson, Bill McDowell, and Don Small.

The queen will be feted at the all-school party to be held at the Commons Friday night, and again Award, which is annually given by the American Association of University Women to the outstanding junior woman.

Supper, Bonfire, Snake Dance To Be Tomorrow

Festivities Friday Evening Are Planned for All W. U. Students; Queen To Be Honored

With an all-school supper, bonfire, and snake dance for features, Shockers will Friday night stage a pep rally to propel the Wichita football team to their fourth consecutive Central Conference title.

Preceding the bonfire to be held on the campus at 7:30 p. m. Friday, a chili supper will be served in the Commons luncheon room. Ruth Strickland and Lewis Crum have charge of the arrangements. Mary Evelyn Brincefield, Homecoming queen, will be honored at the supper.

The menu will consist of chili, pickles, crackers, doughnuts, and coffee will be served cafeteria style. Tickets will be sold for 20 cents by representatives of the Barb and Greek organizations.

Gifford Booth, '36, will give a short pep speech as a representative of the alumni group.

Following the bonfire a snake dance will be formed that will wind through the downtown section. Stanley Diamond, president of the Student Council, stressed the fact that the festivities planned were for the entire school.

"This is an all-school party," he said, "and we want everyone to turn out en masse and informally to the chili supper, bonfire, and snake dance, and 'dance crash'."

'Victory' To Be Theme At Varsity Feting Queen

Alumni Badges Will Be Honored at Dance Saturday Evening; Newman Will Play

"Victory" is the optimistic theme of the Homecoming Varsity, to be given Saturday evening, Nov. 12, in the Henrion Gymnasium under the direction of the social committee of the Student Council.

Alumni badges will be honored at the dance which will fete the Homecoming Queen, Mary Evelyn Brincefield. The queen will enter the ballroom at 10 p. m. amidst trumpet fanfare. Her majesty will be introduced to the assembled guests, and be presented a corsage of flowers by Stanley Diamond, president of the student body.

The gymnasium will be decorated in the school colors, black and gold. A huge "Welcome" sign will be placed above the band platform. Hal Newman and his orchestra will play for the dancing from 9 to 12 p. m. Popular prices of 50 cents a couple or 75 cents for stag will prevail for students.

Lewis Crum, senior, has charge of varsity arrangements and is being assisted by June Ilgen, Margaret Alexander, Ferd Evans, Carl Aucterlonie, and Bob Baird.

THE SUNFLOWER
Vol. XLIV, No. 9 Thursday, Nov. 10, 1938
Published each Thursday morning during the school year by the students in the department of Journalism of the Municipal University of Wichita. Entered as second class matter, Sept. 24, 1916, at the postoffice at Wichita, Kans., under the act of March 3, 1879.
Member of the Associated College Press, publishers of the Collegiate Digest, and a member of the College News Service. The Sunflower is one of the oldest student publications in the State of Kansas, having been founded in 1896.
Subscription by mail in the United States is \$1.50 per school year. Advertising rates furnished upon request. Address: The Sunflower, University of Wichita, Wichita, Kans., or phone 3-8633.

**Library Begun Yesterday;
Can Dormitories Be Next**

Yesterday the new University Library was formally begun with impressive ceremonies. Laudable has been the work of those instrumental in securing this much needed addition to the University's facilities.
Perhaps it is premature to wonder what is next on the building program for the University. There are those who wish to see a new stadium built. If so, again the out-of-town student and the housing problem that he presents will be ignored.

The establishing of a student community would be an economical addition to the University. Speaking of such an addition from an abstract, aesthetic point, the building of the first cottage (in the cottage system) or the first dormitory (in the dorm system) would build that long-sought school spirit and life.

**New Library Should Put
Zest in Academic Life**

Ground was broken this week for a new library, and with that come the first steps toward what is hoped may be an academic revolution.
For a new library building is not enough. A good library is more than just a physical structure. It is part of one's educational program, an avenue to knowledge, an incentive to life.
No matter how good the library building is, no matter how good the facilities and equipment are, a library is essentially a human thing. Like a cathedral, it can't do much good by itself. It has to be used and loved.

**Four Score and Seven
Years Is 75 Years Old**

During the month of July the entire nation celebrated the seventy-fifth or diamond anniversary of the battle of Gettysburg. Civil War veterans were carted across thousands of miles on air-conditioned, modern, high-speed railroad trains. They all met—North and South alike—on the battle ground, where before they had met when death alone ended their friendship.
On Nov. 19, another related historic event will be celebrated in many sections of the country. It too will be a diamond anniversary. But not of a battle, nor of even a death. Instead it will commemorate a speech—a speech perhaps unsurpassed.
This speech was the Gettysburg Address of Abraham Lincoln. He spoke of "four score and seven years ago." If he were to speak of the creation of the Union now it would be seven score and twelve years ago. Lincoln as a speaker was superb, and this one oration has affected American life, government, and outlook for 75 years.

**Modern Advertising Has
Been Economic Blessing**

Those who still try to make themselves believe that advertising ultimately costs the consumer, have forgotten the important part it has played in developing industry and bringing us better living for less money.
In our economic consumption structure, two things are essential—mass production and standardization for mass distribution. Good informative advertising, which includes salesmanship, gets credit for making these things possible.
Only through advertising was it possible for industry to make rapid strides toward large-quantity production in hand with low prices. We should be happy that advertising has hurried the era of standardization of brands, weights, measures, and prices.
Deliver the poor buyer from the old days of sampling and dickering, trading and gyping, or buying "just coffee" from the old open grocery store barrel.
High-pressure advertising, pushing commodities the buyer really should have, is an economic blessing.

On the Hill
Man-Slack
Victory!!
Wonderings
By Marge Gray

WILNER, through little assistance from the campus-at-large, has finally succeeded in casting the lead roles in Shakespeare's "The Winter's Tale." Why there is such a pronounced lack of men with either reading ability or vision—or both—on this campus remains one of the major Hill mysteries.
Attempting to produce Shakespeare is something that, on a campus, requires a lot of faith in the students—the first place. When that faith is turned up slightly damaged, it takes a nice slice of what is commonly known as nerve to keep going. Producer Wilner has more than his share of spinal column, and also much more than his share of ability; so "Winter's Tale" WILL be presented. And it WILL be good—because he never misses.
However, a little aid and abetment from the masculine members of the stu-body wouldn't be exactly amiss, for there are still some roles to be cast. So, come out men, and give yourselves a chance to do something you will be awfully proud of.

Friday evening on the campus will see a Frosh-bull bonfire flare over the Hill; likewise, following the bonfire, studees will board chartered buses, be transported downtown, and proceed to snake-dance thru the streets. After that, the program calls for an all-datesless stomp at a downtown hall—where, Whock's really in session.
Saturday, an elaborately decorated campus will spell "Victory" to hundreds of returning alums, who will be feted at open-houses, an afternoon pigskin tussle, and an evening Victory Varsity. Over all these festivities will reign popularly-chosen Mary Evelyn Brincefield as Queen with her escort, Doug Nunn. Lap it up, studees—it's the best week-end in the year. It's Homecoming!

WANDERINGS: Notice the eds slouchin about in cords n'sweaters; it really looks great. . . . Hi-school studees, lacking parachutes in case of a deluge, were asked not to get too excited while in our bleachers—can't help thinking those worn sticks of worm-eaten wood certainly would be nice for the bonfire Friday. . . . The Senior Fountain's beginning to take shape, one thing remains, tho—a "No Fishing Allowed" sign. . . . Dean Luettrance, "Minnetonka" creator, adds Ray Noble's swing version of his famous song to his already bulging collection. . . . Wonder who'll win the decorations contest. . . . Why don't we smash the coalitions lots of studees, who by personal popularity and ability would be officed, are neglected because they don't vote right. It smells too much like Pendergast.

Collegiate World

(By Associated Collegiate Press)
ONE for the book—any book—turns up at the University of Detroit. It seems the boys were cafeteria-ing in great style when there was a delay at the head of the line, where coffee was being served.
Says sophomore Willy to a female flunkie: "What's the delay?"
"I have to wait for some saucers," says the f. f.
"Oh, never mind," says W., "I can drink out of the cup."
The languid eulogies of Indian summer from coast to coast prompt the observation that spring doesn't have all the charm, for "In the fall a young man's fancy turns, too!"
And then a fresh frosh at St. Norbert College tells of conducting a grammar quiz downtown with a popular local barmaid on the answering end.
"What's the plural of 'whose'?" queried the embryonic grammarian.
"The beautiful barmaid pondered the question for some time, then popped up brightly with 'Whoses!'"
Fred Hires, junior class council representative at Toledo, U., challenged Council President Robert Dorrell to a fly-catching contest, defeated him, 263 to 98, concluded "That proves the juniors are better than the seniors."
Said Dorrell, "Bzzzzzzz."
And we, with a suspicious eye at both Hires and Dorrell, meditate: "Hmmm-mmm-mmm."

UNIVERSITY BULLETIN

Notices for publication in the University Bulletin should be presented at the editing desk not later than 3 p. m. on the day before publication

Pegasus Luncheon
Pegasus members will meet tomorrow noon in the Commons Pine Room—Jeanne Lewis, President.

French Club
Le Cercle Francais will meet Monday, Nov. 14, in the Alpha Tau house at 7:30 p. m.—LeTresa Tyler, president.

Lost
A red Indian jacket has been lost somewhere on the campus. Will the finder please see me or phone 3-4038—Mary Chance.

Lost
A mottled-black Sheaffer fountain pen. Will the finder please phone 3-2515—Lorraine Melcher.

Radio Tryouts
Any person who wishes to try out for radio speaking may still do so by making appointment with me.—Dr. Forest Whan.

Roundtable To Meet
Dr. Duncan J. Spaeth will lead an informal discussion on the European situation in conjunction with the Debate Roundtable which will meet at the Pi Kappa Psi sorority house at 8 p. m. Thursday. The general public is invited.—Forest Whan.

Colophon
All members of Colophon are urged to be present at a short business meeting in the Brig at 1 o'clock this afternoon.—Doug Nunn, president.

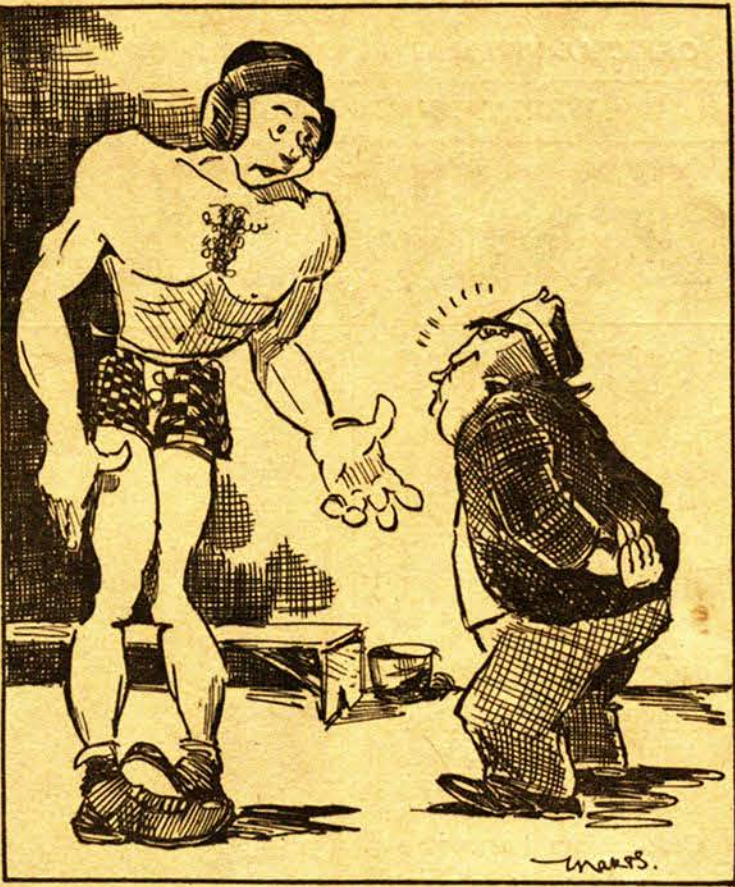

Creative Writing Club
Members of the Creative Writing Club will meet Thursday at 8 p. m. in the Y. W. C. A. Room to formulate plans for this year's Tom Tom, Campus literary magazine.—Marguerite Cleary, president.

Student Forum
Members of the Student Forum will have a brief meeting Friday noon in Room 328 of the Administration Building. It is important that ticket sellers be present.—Clark Ahlberg, executive secretary.

Y. W. C. A.
Regular cabinet meeting will be held in the Y. W. room Monday, November 14 at 5 p. m. This is to be a dinner meeting, June Illgner, president.

Lost
Black, leather, zipper notebook lost somewhere on the campus. Contains geology papers, geology handbook, and a History of Contemporary Civilization. If found please leave at the Brig or call 4-7570. Reward offered.

Shocker Shots - - by Marts

"Some of th' fellows thought it'd be nice to decorate the Dorm with 'em for Homecoming!"

**Political Parties Are As
Old As Democracy—Wall**

**Political Science Head Says Jackson Originator of
First Major American Party**

WHY, politics is as old as man," Dr. Hugo Wall replied when a reporter asked him to give an approximate date for the origin of the art.
But political parties are as old as the American democracy, he continued to say. Andrew Jackson in the United States was probably responsible for the first real political party.
"It was with a great deal of suspicion that people who opposed the operation of government were held," the head of the political science department declared. "In England they were called 'the most loyal opposition.'"
Many Denounce Practice
Now, with the nation in the shadow of another November election, candidates opposing office holders are loud in their denunciation of the existing order. The age old political practice of trying to win the consent of the voters is merely being practiced now as it has been since democracy began, according to Dr. Wall.
All democracies vote by secret ballot now, he revealed. The five most important nations governed in this manner are Switzerland, Belgium, France, Great Britain, and the United States. In France, however, the voters provide their own ballot. In Belgium there is compulsory voting.
Southern Voting Restricted
Commenting on the control of large parts of the South where the negro population is predominant, he declared that the Democratic Party controls government there and through precedent set by the

**Everything from Soup
To Nuts Found in Books**

**Sullivan Memorial Library Reports that 'Shoes, Ships,
Sealing Wax Found between Pages**

PHILADELPHIA, PA.—(ACP)—"Shoes and ships and sealing wax, and cabbages and kings." Almost as great a variety of objects is found between pages of books returned to Sullivan Memorial Library.
The biggest catch to date has been a ten-dollar bill—used as a book-mark! "But they wouldn't let me keep it," complained the almost-lucky circulation attendant.
Stamped and addressed letters often found in the books are mailed on. Recently one addressed to Mrs. Franklin D. Roosevelt was discovered.
Some borrowers help future readers by leaving synopses of chapters. Temple students also display their artistic ability by filling the pages with drawings, by "improving" on pictures already in books, and by carefully decorating the covers.
Unused theater tickets are another find, but usually they are discovered too late for use.
Other bookmarks: Rulers, calendars, clinic cards, hairpins, paper clips, stamps, four-leaf clovers, paper napkins and campaign buttons.

STUDENT FORUM

(Continued from Page 1)

groups for a pro-labor consumer organization, Mr. Kalliet took the initiative in organizing the Consumers' Union of the United States. The non-profit membership organization supplies its members with periodic reports on all types of consumer goods. Within eight months after organization the union had a national membership of 25,000 people.

**Ticket Drive Is
Going at Top Speed**

Response of local business men and friends of the University to the Student Forum ticket drive being conducted by campus organizations is far exceeding expectations, according to Forum leaders.

Tickets are being sold for the entire series at \$1.50. Single admission prices to each of the six programs will vary, it was understood.

Campus groups are competing for the prizes of \$10, \$5, and \$2 which will be awarded to the organization selling the most tickets. Each group will select one person to head the group's sale.

Heads for the various sororities' sales include Margaret Craig, Pi Kappa Psi; Alberta Zimmerman, Delta Omega; Margaret Alexander, Alpha Tau Sigma; Dorothy Tennant, Epsilon Kappa Rho; and Georgeann Anderson, Sorosis.

Walter Tait will take charge of the Barb organization's drive.
Business Courses Most Popular
Profession Among Harvards
More Harvard University seniors selected business as their profession than any other line of endeavor.

Grad Gossip

Cassidy with Government—Word received by Dean Frank Neff, of the College of Business Administration, reveals that J. Keith Cassidy, '35, is now a general deputy collector of junior grade in the Internal Revenue Department of the Federal government.

Grad Receives Award—Leon Welsh, graduate of 1935 and principal of Sharon, Kan. Junior High School, attended the Columbus Penmanship School in Columbus, Ohio, last summer and was the only student to receive the Green Seal, efficiency award, for that term. Mr. Welsh is working towards a position as penmanship supervisor in a larger school.

Snook Has Teaching Job—Hubert M. Snook, 1932 graduate, is teaching in Kingsdown, Kan. He is on the high school faculty in the Kingsdown Consolidated School and is teaching general science and history. Dean Leslie B. Sipple received a letter from Mr. Snook recently and reports that though the school is small it is one of the nicest schools in that section.

Grad Collects Reptiles—Mrs. Hobart Smith, the former Rosella Blood, '32, is now in Mexico with her husband, reptile collecting for the Smithsonian Institution.

Student Working on Degree—Mrs. Joy Cross, '36, received her masters degree last year at the University of California at Berkeley and is now working on her doctor's degree in the zoology department there.

Two Grads on Campus—Mrs. Richard Shuler, the former Marian Douglas, '38, and Mrs. Percy Sterns, formerly Mary Ellen Cook, '36, were visitors on the University campus Saturday, Oct. 29.

Cross in Manhattan—Laura Cross '25, assistant registrar, spent the week-end in Manhattan, Kan., as the house guest of Eve Lyman.

Grad in Wyoming—Mrs. O. O. Guth, '26, now resides in Veteran, Wyo. While attending the University she was a member of Sorosis sorority.

Grad Speaks to Class—Mrs. Stuart L. Anderson, who was graduated from here in 1933 as Rosella Kieper, talked before the life and teachings of Jesus class Tuesday morning concerning her recent visit to the Holy Land. With Dr. Anderson, she has just completed a tour of the world.

McClure Is Chemist—Kenneth Frederick McClure, '32, is a chemist in Baltimore, Md. The one time Alpha Gamma Gamma fraternity member lives at 309 Dolphin, apartment C-1.

Steele in Boston—Hubert Steele, '38, visited on the campus last week end. Mr. Steele is executive secretary of the Student Forum, recently. The last year's Forum manager is attending the Fletcher School of Diplomacy in Boston where he received a scholarship for outstanding work done here.

Pipkins in Great Bend—J. Wayne Pipkin, '30, and his wife, the former Ann Hunt, '31, are living in Great Bend, Kan., where he is associated with a motor company. While a student at the University, Mr. Pipkin was a member of Pi Alpha Pi fraternity. Mrs. Pipkin is an alumna of Alpha Tau Sigma.

Betty Visits Campus—Dean Betty, '37, visited on the campus last week end. Mr. Betty was a member of Pi Alpha Pi fraternity, Blue Key, and Student Forum.

Grad Has Oil Position—Russell Cooper, '31, has accepted a position with the Skelly Oil Company as assistant geologist for Illinois. Friends may reach him by writing to 1712 1/2 Broadway, Mattoon, Ill.

Grad in Athens—At a time when Europe is in international turmoil, Mitchell Khlentzos, '37, in Athens, Greece, takes time to inform the Sunflower editor that his address is changed, but will be "please still send him his campus paper."

Not content with the blaring headlines of foreign papers, this graduate wishes to read the University Sunflower, because he likes to "keep up with campus affairs." Mr. Khlentzos is now employed by the Power and Traction Co. of London, Ltd.

Stebbins Returns—Lois Stebbins, secretary to Dean Leslie B. Sipple, of the College of Education, has just returned from a two-week vacation at her sister's, Mrs. Ward West, who resides in Midland, Texas.

Steele Has Laboratory—Jack Steele, major in chemistry who was graduated last June, is owner of the Mid-West Testing Laboratory located in the Orpheum Building.

Gunter Works for City—Elder Gunter, '38, is now working in the City Hall filling positions of city officials who are taking their vacations.

While enrolled here he was a member of Pi Alpha Pi, Blue Key, Student Forum and Men's Pan-Hellenic Council. He was president of Pi Alpha Pi and Blue Key.

HOMECOMING

(Continued from Page 1)

his orchestra will play for the dancing.

Committee's Make Plans
Maj. Walter Duerksen, general head of the faculty committee, this week appointed a group to work on downtown window displays. The committee members include James K. Hitt, Earl K. Hillbrand, and Max Milbourn.

Buildings on the campus will remain open all day Saturday for inspection. Decorations of the grounds are under the supervision of Vane Smith. Campus fraternal organizations will compete for monetary prizes in the decoration of their houses. A \$5 award will go to the fraternity and sorority with the cleverest decorations centering about the Victory theme.

Byron Chappell, '26, chairman of the alumni committee, has been assisted in his work by Mary Cies, '37, Dick Price, '38, Janet Oxley, '35, Ashford Manke, '35, and Mrs. Edith Strauss, '21.

Signed—Frank E. Rolf.

MARSH BACK FOR HOME-

COMING—Last year's Homecoming Queen, Virginia Marsh, who is now teaching music in the Carmen, Okla., public schools, is expected to be among the throngs of former Wichita U-ites who return to the campus this week-end.

CIES ON COMMITTEE—Mary

Cies, ex-Honorary Colonel of 1937, is working on the alumni committee for Homecoming. Miss Cies is employed at the Morgan Ad Co. in Altona, Mo., where she has worked since her graduation in 1937.

From the University of Wichita, Mrs. Smith went to the University of Kansas where she also worked as assistant in the zoology department. She was at K. U. four years. Since then until this summer she taught at Altona, Mo.

After teaching in the summer session in the zoology department here during the past summer, Dr. and Mrs. Smith were married on Aug. 24 and went immediately to Washington, D. C., where they have been awaiting their permit to leave for Mexico.

Hull Goes South—Forrest Hull, '37, has recently enrolled for his first year of medical school at the University of Alabama. Mr. Hull laid out of school last year, at which time he was employed at the Mixer, campus eatshop.

Cross Gets Master's—Mrs. Joy Barnes Cross, for two years an assistant under Dr. Hazel E. Branch in the zoology department here, has recently received her master's degree from the University of California at Berkeley.

Employed as a special research assistant in the zoology department of the California school, Mrs. Cross is now beginning work on her doctorate.

She received her bachelor's degree from the University here in 1936.

Shriver Gets Honor—Garner E. Shriver, '34, was one of 30 students in the Washburn College law school to be included on the second semester honor roll there.

A student must carry at least ten hours of work to be eligible for the honor. Those students who receive three times as many hours of "A" as of "C" grade, with the minimum number of hours of "A" being seven, are included in the lists.

Former Student to Venezuela—Edwin Matthews, '35, stopped in Wellington over the week-end before starting for Venezuela where he will assume a position as assistant geophysicist for the Gulf Petroleum Company. When he reaches the South American country, he will first go to Caracas, and from there will be sent into the jungles of eastern Venezuela.

Bodkin Returns—Hillard Bodkin, '37, returned from Illinois to visit his family and friends over the week-end. He now resides in Mattoon where he is chief scout and assistant geologist for the Superior Oil Company. His address in Mattoon is 1205 Wabash Avenue. While a student at the University, he was a member of Pi Alpha Pi fraternity.

Grad Teaches in Alaska—Mr. Lester Dawson, instructor in mathematics at the University of Alaska, according to word received by Dean Earl K. Hillbrand, spent the summer employed in the Fairbanks Exploration Company. His work was concerned with drafting and blue-printing.

Mr. Dawson received his Master's degree from here in 1933.

Former Student Visits Here—Mrs. James F. Doolittle of Philadelphia, Penn., is vacationing with her parents, Mr. and Mrs. Carl Foley.

Mrs. Doolittle is the former Mary Carroll Foley who was graduated from the University in the class of 1928.

Jones Leaves Wichita—Lavelle "Buck" Jones, '38, resigned his position in local Cudahy Packing Co. to accept a position with the Black, Sivals and Bryson Tank Co. He left recently for Salem, Ill., where he will be employed.

While attending the University he was a member of Pi Alpha Pi fraternity and a member and captain of the University track squad.

Gensch Visits Campus—Miss Betty Gensch, '38, was a visitor on the University campus last Friday and a guest of her mother, Mrs. L. A. Gensch over the week-end. Miss Gensch is teaching school in Cimarron, Kan.

East Employs Grads—Betty Ann Adams, Alpha Tau Sigma, '37, and Gratia Colombs, Sorosis, '38, both graduates of the College of Liberal Arts, are associated with the business office of Wichita High School East.

Powell on Staff—Miss Yvonne Powell, '36, is a member of the medical technicians teaching staff at St. Francis hospital.

Current Addition of Library and President's Home To Campus Buildings Increases University of Wichita's Total Evaluation from \$1,464,808 to \$1,626,425 — Elliott

Construction Begins On Two Long Hoped For Structures

Addition of the two new buildings, library and president's home, to University property will increase the school's evaluation considerably, Roy W. Elliott, comptroller, pointed out yesterday.

Value of the school at time of the June report of this year was \$1,464,808. The total after completion of construction now in progress will bring the figure to \$1,626,425. This does not include the value of equipment to be financed by the University out of next year's budget.

The president's home was begun last week when Dr. W. M. Jardine turned up the first spadeful of ground. Immediately thereafter the Wilson-Donnell Construction Company, which was granted the contract Oct. 29, started excavating.

The new home, which will be located in the southwest corner of the campus, will face on Hillside. Designed by Overend-Boucher, architects, it will be of colonial design harmonizing with other buildings on the campus.

Mr. Elliott made final arrangements last week preparatory to beginning construction. Deadline date set by the district FVA offices for starting work was Nov. 13, but Mr. Elliott's trip resulted in speeding up the beginning two days.

A six-month construction program has been scheduled, for the 11-room house which will make its completion date sometime in April. Construction on the library was begun yesterday.

SPAETH IS SPEAKER AT DINNER MEETING

Dr. Duncan J. Spaeth, visiting professor of English at the University, addressed the monthly dinner meeting of the German Language Club which met Nov. 8, in Wolf's Cafeteria.

His subject was "My Visits to the Germanic Countries of the Continent." Dr. Spaeth has visited Europe many times and has watched its developments. Among his many acquaintances in Europe are many famous men, such as the renowned psychologist Wundt.

Howard College Student Sets New World's Record

Boy Has Watched Deanna Durbin Picture 144 Times For Unprecedented Achievement

CAMBRIDGE, MASS.—(ACP)—Another world's record holder has been discovered in the ranks of the class of '41 at Howard college. It is none other than Theodore Held, who has seen Deanna Durbin's picture "Mad About Music" 144 times.

This startling disclosure was made after representatives of the Howard Crimson, tracking down a rumor, had submitted Held's roommate, Barclay Feather '41, to two and a half hours of merciless grilling. Feather broke down and admitted that the story was true.

Secretive About Matter
After this initial statement, Feather was quite willing to speak without further pressure. "The first I knew about it," he gasped, "was when he began disappearing just before the exam period. Ted would be gone for hours. I was terribly worried."

"He was very secretive about the whole matter. I was unable to extract any information from him as to what was the object of these mysterious absences."

Feather remarked that finally he trailed Held to one theater six times in four days, adding that Held would stay through as many as three shows per day. After the Durbin picture left the Square, Feather followed Held to the Exeter theater in Boston.

Then he began going to the Tremont. By that time he knew that he was pretty fond of the girl. After the Tremont, Feather said, "he even contemplated going to Brookline."

Record Cost \$45
It was after the 84th performance

Red Light Tells Dinner Speakers When Time's Up

MINNEAPOLIS, MINN.—(ACP)—Everyone has squirmed while some after-dinner speaker blissfully ran overtime.

Some day Wayne Shaffer, mechanical engineering junior at the University of Minnesota, may do a little speech-halting on his own hook. Wayne has just invented a "stop and go" signalling device to aid in limiting speeches of classmates in his technical discussions class to five minutes.

Built of scraps of electrical material, the semaphore is now replacing tapping pencils and flashing cards which distracted both the speaker and the class.

Wayne's "stop and go" light, a comparatively simple device, works on the same principle as a regular traffic signal. Containing three bulbs mounted on a board fastened to a wooden base, it is operated by a class timekeeper. As the speaker begins his discussion, the timekeeper switches on the green light. When four minutes have elapsed, the amber bulb signals a warning to the speaker. The red light flashes the "stop" signal at the end of five minutes.

MILLS COLLEGE FEATURED HERE

Work of California Students Shown at Art Studio

Now hanging in the lecture room of the campus Art Studio is an exhibition of student work from Mills College in Oakland, Calif.

There are 28 pictures divided into nine different types of work; abstract design, oil painting on canvas, oil on paper, still life, flower study for costume color, elementary drawing, figure, water color, portrait, and advanced design.

The latter includes design for murals, mask design, all-over pattern, and abstract.

The exhibit will remain until the Thanksgiving holidays, Nov. 23

BOOKS ON EDUCATION RECEIVED BY LIBRARY

"Higher education has been the subject of a great part of the new books being received by the library," announces Downing P. O'Hara, librarian.

"Counseling the College Student" by H. L. Bragton, "The Liberal Arts College" by F. W. Reeves, and "College and Society" by E. H. Wilkins are some examples of books on this higher education line recently received by the library.

FOUR DELEGATES TO A. C. P. MEET BACK TO SCHOOL

Business Manager and Publication Editors Return to W.U.

Four University of Wichita delegates to the Annual Associated Collegiate Press convention held last week at the Hotel Gibson, Cincinnati, Ohio, returned Sunday following a three-day series of roundtable discussions concerning modern journalistic trends.

Those attending were Mary Evelyn Brincefield, Doug Nunn, Bill McDowell, and Sam Smith.

Important discussion groups were held on interpretative newswriting, feature writing, editorial writing, typography and editing, national collegiate advertising, and yearbook layouts and advertising.

Ryan Supports Summaries
Milo S. Ryan, faculty adviser for the Wayne University Collegian at Detroit, pointed out a trend toward news-summary pages for collegiate publications using interpretative newswriting style.

U. S. Vance, faculty adviser for the University of Akron, Ohio, Buchtelie, told of experiments of featureization used by that University's paper, which has for several years received pacemaker rating from the A. C. P.

Prof. Fred L. Kildow, a member of the department of journalism of the University of Minnesota, and Robert E. Harris, chairman of the publication department of the Los Angeles City College, presented examples in the modernization of college newspaper photography and makeup.

Mr. Kildow offered criticism to those editors desiring it.

Buchen Lectures
Philip W. Buchen, of the University of Michigan Daily, told collegiate business managers of methods in the organization of solicitation and promotion of local advertising.

Charles A. Wright, faculty adviser of the Temple University Templar, at a roundtable held for yearbook editors, presented many new angles in yearbook makeup.

Delegates to the convention were taken on tours through several of the daily newspaper plants of Cincinnati, including the Times-Star and the Enquirer.

The municipal University of Cincinnati was host to convention delegates and presented them with tickets to the Ohio Wesleyan-Cincinnati game last Saturday afternoon.

Four hundred and sixty college students representing 35 states and 125 schools attended the three-day meet.

Swarm of Bats Invade Math Class
A University of Texas mathematics class was recently dismissed in the middle of the class hour because a swarm of bats invaded the lecture hall.

MASCULINE ROLES ARE YET UNFILLED

Several masculine roles in the forthcoming University Theatre production, "A Winter's Tale," are as yet unfilled, according to George Wilmer, director, who suggests that any men who can try out for these roles either see him in his office, just off the balcony of the campus theatre, or come to daily rehearsals which are being held from 3 until 6 p. m.

DARTMOUTH TEAM MAY COME HERE

W. U. Debate Group Making Plans

That tentative plans for a debate with the Dartmouth college debate team on this campus is being considered, was announced today by Dr. Forest L. Whan of the speech department. The Dartmouth team has signified that Wichita university is one of the schools which it would like to debate on its western trip.

Dartmouth college, located in Hanover, N. H., is the college to which Prof. Carl D. England, former university debate coach, was transferred. Dartmouth is an institution for men only and has been well-known since the famous Dartmouth case.

SCHOOL AWARDED THANKS BY CHEST

Certificate 'Magnum Cum Laude' Given W.U.

For having jointly subscribed "the full amount of their total quota," the faculty and employees of the University were this week awarded a merit certificate "magnum cum laude" from the Wichita Community Chest.

The certificate, received by Dean Earl K. Hillbrand who conducted the campus chest, was signed by Paul White, president, and L. O. Ripley, commander-in-chief of the Community Chest.

Dean Hillbrand's summarized report of campus contributions is as follows:

1. Total amount contributed by employees (excluding students) \$871.80
2. Students' contribution 60.38
3. Number of persons who contributed (excluding students) 115
4. Average contribution (excluding students) 8.10
5. Total contribution (employees and students) \$932.18

FORESTRY EXPERT SAYS EROSION BY WIND REMEDIABLE

Wheeler Delivers Talk in Students Convocation Here Friday

That wind erosion, origin of spectacular dust storms in recent years, can be largely prevented by proper placing and distribution of shelterbelts and other types of tree plantations was expressed by Dr. N. N. Wheeler, of the United States forest service, who addressed University students at a convocation last Friday morning in the Auditorium.

Dr. Wheeler declared that wind erosion has ruined many millions of acres, particularly in the plains states, and "has resulted in serious soil losses over much larger areas."

The forestry expert, who has been lecturing on forestry and related subjects throughout the country for several years under the auspices of the forestry service, presented a rapid-fire talk with a humorous and dramatic style.

His talk was illustrated by color pictures.

Hillbrand Named Committee Head at Teachers' Meeting
Dr. Earl K. Hillbrand, dean of

the University extension division, was named chairman of the college department of the Kansas State Teacher's Association at the annual meeting of the association held at East High School, Nov. 4.

The duty of the chairman of the college department is to arrange for the programs of all meetings of the association.

University Organizations Will Greet Alumni Members at Gala Celebrations Saturday

HONORING former members of their organizations, sororities and fraternities this week are completing arrangements for special functions to be held before and after the Saturday Homecoming game.

Following the tea in the Commons for all alumni after the game members of Epsilon Kappa Rho will hold a dinner in their sorority house from 6 until 8 p. m.

The pledge group will present a program. Decorations of sorority colors, blue and gold will be carried out in the centerpiece and favors. Dorothy Tennant has charge of arrangements.

A BUFFET luncheon will be given to honor members of Sorosis sorority alumnae on Saturday from 12 to 1:30 p. m. at the sorority house. Centering the table will be an arrangement of autumn flowers. Virginia Russell heads the committee in charge of the affair.

Pi Kappa Psi has made arrangements for an open house from 1 until 2 p. m. Hot chocolate and cookies will be served, and members of the sorority trio: Iris Wilson, Doretha Kane, and Francis Anderson, will sing. Francis Carr has charge of arrangements.

MEMBERS of Delta Omega sorority will hold open house from 1 until 2 p. m. Alice Jane Brown, president, and Mrs. Clayton Henri Staples, sponsor will be seated at the service table to greet guests. Invitation has been extended to all alumni and their wives by members of Alpha Gamma Gamma fraternity to attend a buffet supper at the house after the tea in the Commons.

MEMBERS of Pi Alpha Pi will give their traditional stag for all former members after the game at 6:30 p. m. Open house will be held before and after the game.

Saturday night Men of Webster will honor the Homecoming Queen at a formal dinner. Open house will be held before and after the game. Phi Upsilon Sigma fraternity will hold open house during the day, and will hold a Founder's Day dinner Saturday night.

Phi Sigs To Have Stag on Saturday

Phi Upsilon Sigma will entertain at their annual Founder's Day stag Saturday evening, Nov. 12.

The entertainment will begin with a dinner to be held in the Pine Room of the Commons at 6:45 p. m. From there, the group will go to the fraternity house at 1750 N. Vassar.

The decorations for the table will be an "Armistice Day" theme. A committee of Maurice Gillenwater, Harland Jones, and Dick McPherson are in charge of the dinner.

Balance your budget by riding the bus.

Websters Have Founders' Stag Monday Evening

Affair Held in Pine Room; Miller, Harding Make Arrangements

Men of Webster entertained last Monday evening at their annual Founder's Day stag in the Pine room of the Commons at 6:30 p. m.

Two charter members, Bert Ludlam and I. N. Roseberry, who helped organize the fraternity in 1895, were guests of honor. Autumn flowers were used in the table decorations. Several alumni members gave after dinner speeches on the activities of the organization in past years.

Bill Miller and Raelph Harding made the arrangements for the affair.

Guests included:
Bert Ludlam, J. L. Punderbush, J. N. Roseberry, James Hammond, Cliff Hunt, Gerald Hayter, E. K. Edmonson, Bob Lightner, Jack Thomas, Jack McWilliams, Stan Spurrer, Jack Swenson, Dick Wade, Jim Miller, Bill Stewart, Harold Penner, Dave Jackson, Bob Ray, Leon Watkins, George Rowland, Byron Chapell, George Scher, Sidney Brick, Marvin Smith, Harold Weaver, Harold Woodard, Amil Holgerson, George Campbell, Maurice Carr, James Ebridege, Paul Henrich, Gene Fay, Ernie Bloss, Dick Bratsch, Gerald Branson, John Eastman, Floyd Malonee, Hamble Fairleigh, Tommy Orr, Howard Funderbush, Cyman Smith.

Alpha Taus Have 'Hit Parade' Party

Honoring their pledges, Alpha Tau Sigma members entertained last Saturday evening at a clever Hit Parade dance from 9 p. m. until midnight at the Crestview Country Club. The pledges were introduced in groups of three throughout the evening, and Verne Nydegger dedicated a popular tune to each honored group. Each pledge was given a blue, chiffon handkerchief with the sorority letters embroidered in a corner.

Roundabout

WE DON'T know which smells the worse, last Tuesday's election or the very rapid antics of the current crop of pledges. About time they were shaken' off those high school hang-overs... it's Adonis Campbell now, since Bluff City's pride 'n' joy is posing for local artists... seen at the Phi Sig struggle—Robyn Fulton with Rosemary Ridings—guess she isn't steadyin' anymore...

TOP HONORS to the slick tune "You Must Have Been a Beautiful Baby"... saddest story of the week—Wadell drives 700 miles to acquire Kay to the Alpha Tau thing 'n' then she sprains the ankle right on the Crestview threshold... 'n' Dean Lience orders a record of Ray Noble's new swing version of "Waters of the Minnetonka"...

HAVE YOU noticed—Kappa Rho pledge Adele Raffman's gorgeous eyelashes, Pi Alph Torchey ardon's hot swingin' and swayin', Richardson's hot swingin' and swayin', Sorosis pledge Miriam Bartlett's ultra clothes, O. O. LaVera Achelpohl's peaches 'n' cream complexion, Webster pledge Jerry Rogers' shy 'n' retirin' manner, Alpha Tau's pledge, Dot Thompson's um-un figur', it's no longer Sully's Ten Collegians since he lined up with the union boys, Pi Kap pledge Judy Mullin's cute grin, and Phi Sig's personality plus Bob Turk?...

GREEKS get those frozen smiles ready for all the old grads they hope to hook for some juicy donation... 'n' campus tin soldiers await the first appearance of the Kernel in her new uniform... Fitzwilliams now wears a Gamma crest—on a bracelet—the boydady remembrance from Sully... MLS MP.

ANY TIME IS

Arnold's COFFEE TIME

"Welcome Grads"... Is the greeting of these girls for Homecoming next Saturday. They are, top row left to right, Dorothy Strickland, June Ilgner, Margaret Alexander, Jean Braley, Aveline Clark, Jane Schnitzler, and Jeanne Lewis. Bottom row, left to right, Dorothy Toland, Ruth Williams, Martha Barrett, Katherine Israel, and Mary Jean Shaft.

Coffee To Fete Returning Grads Following Game

Affair Will Be In Commons; Ricketts and Hammond Are In Charge

Autumnal colors will decorate the prettily appointed table at the coffee to be given Saturday afternoon by the alumni committee in honor of the homecoming graduates. Yellow chrysanthemums and American Beauty roses will make a distinctive centerpiece.

At either end of the long table covered with a Russian linen cloth will be a brass samovar. Mrs. William M. Jardine and Mrs. Rene M. Gouldner will pour.

Log fires will crackle a cheerful welcome to the returning students. A string quartet under the direction of Elizabeth Ann Stratton will provide a musical interlude. Others in the quartet include Rayburn Pierce, James Gould, and Gerald Pease.

General arrangements for this courtesy have been in the hands of Geraldine Hammond and Faye Ricketts. A Homecoming varsity will be held Saturday evening in the Henrion gymnasium to which all graduates are invited to be guests of the Student Council.

Decoration of the Pine Room is under the supervision of Clayton H. Staples. Helen Hanson, Lollie E. Smith, and Lucille Gassett will decorate the coffee table. The menu will be arranged by Gladys Sissel.

Guests will be welcomed in the Commons Lounge preceding the coffee and there will be no formal receiving line. Members of the administrative staff and of the alumni committee will greet the former students.

Mary Carlock, secretary of the Alumni Association, is to have charge of the guest book which is annually signed by the guests at

Spread To Precede Pledge Court

Epsilon Kappa Rho sorority will entertain at a spread next Wednesday afternoon, Nov. 16, at the sorority house. Grace Kindsvater and Dorothy Perry are co-chairman. They will be assisted by Hazel Adenauer, Carol Shuler, and Margaret Hull.

Preceding the spread, active members of the group will hold pledge court for the pledges.

Pledges Feted At Kappa Delt Dinner

A formal dinner at Innes Tea Room honored 14 new pledges of Kappa Delta Pi, education fraternity, last Monday evening.

Mary Ella Howell, president, presided at the dinner. Beatrice Sanford Pease presented a program of violin music and Dr. Duncan Spaeth, visiting professor of English, was the guest speaker.

Pledges include: Dr. Gordon Hansen, Dorothy Perry, Virginia Shuler, La Vera Achelpohl, Mildred Wilson, Corinne Bennett, Charlotte Kaufman, Lewis Crum, Kathleen McQuown, David Willis.

Moving Pictures Shot of Boosters

That the first part of the Y. W. C. A. campus newscast contains shots taken of students on the recent booster trip to Emporia has been revealed by Katherine Israel and Martha Barrett, who are directing the movie.

Pictures of students boarding the booster train, and Shocker fans cheering at the game were taken by Bill Smith, photographer who took the campus movie shown at the Hippodrome last April.

Annual Military Ball To Feature Review of Unit

Scabbard and Blade Pledges for Coming Year Will Be Announced

Preparations for the annual Military Ball are now well under way, according to Sgt. Jack Chaney, who has charge of arrangements. The Ball, to be held in the Forum Rose Room from 8:30 p. m. until midnight Dec. 2, marks two important events of the campus season—the presentation of honorary Colonel Katherine Israel, and the announcement of Scabbard and Blade pledges for the coming year.

At 9:30 the presentation of the Colonel, who will wear the regulation uniform of cadet grey trimmed with black braid, black Sain Browne belt, and black custom-made boots, will feature a reviewing ceremony with Companies A and B leading, followed by the color guard, and ending with battalions C and D. The University R. O. T. C. band will play during the review.

Verne Nydegger and his orchestra has been engaged to play for the dancing. Decorations will consist of flags of all nations draped around the huge ballroom. Tickets may be obtained from any senior officer, or at the R. O. T. C. office in Fiske Hall.

R. O. T. C. members will be given courtesy tickets to provide their parents with a chance to watch the military proceedings from the balcony overlooking the west end of the dance floor. The dance committee is composed of Jack Chaney, chairman; Kenny Marts, band; Jack Wertz, ticket sale; Joe Rowan and Warren Bowersox, decorations. Invitations have been issued to the R. O. T. C. staffs and the R. O. T. C. senior officers at the University of Kansas, Kansas State College, and Arkansas University.

Calendar

Saturday, Nov. 12—Wichita-Emporia game here, Homecoming varsity.
Wednesday, Nov. 16—C. U. W. party, Student Forum.
Thursday, Nov. 17—Phi Beta Kappa dinner.
Friday, Nov. 18—Noon mixer.
Saturday, Nov. 19—Wichita-Okla. A. & M. game there.
November 24-27—Thanksgiving vacation.
Thursday, Nov. 24—Wichita-De Paul game here, Thanksgiving, semi-formal varsity.
Friday, Nov. 25—Pi Alpha Pi stag.
Saturday, Nov. 26—Omega Upsilon semi-formal.

*It's straight cut
It's bias cut
It's a new Barbizon*

Streamline 225

When you sit down this slip stays down because it is scientifically cut on the straight of the fabric. Hasn't a chance to "hitch" up! The top is cut on the bias and darted in to mould to the figure. Like all Barbizons, this new slip fits beautifully and is carefully tailored with attention to every small detail. French side seams are stoutly stitched. Straps are pull-proof. The fabric is the popular Crepe Gartiere pure dye, pure silk... no weighting of any kind. Three lengths: short, medium, long. Regular and half sizes.

Sorosis To Sponsor Book Review

Pledges of the Sorosis sorority are sponsoring a book review to be held next Tuesday, Nov. 15, at 2:30 p. m. at the Walter Morris home, 1155 West River Boulevard.

Mrs. H. A. Allison will give the review on "All of This and Heaven Too." Tickets may be purchased from any Sorosis pledge for forty cents.

Simonet Chooses Bridal Attendants

Marjorie Simonet, bride-elect of Lt. Eugene Woltz, has chosen Mrs. Julius Simonet, Jr., to attend her as matron of honor at her wedding Nov. 19, at 8 p. m., in St. James Episcopal Church. Rev. Samuel West will officiate.

Miss Simonet has selected Mary Margaret Schroeder, Mrs. Paul Keesling, Annavee Conroy, Virginia Piper, Maxine Harris, and Marie Pinder to serve her as bridesmaids. Ensign Max Muller will be Lieutenant Woltz best man and ushers will include Lt. Harold Keeger, Lt. Harold Stewart, Lt. Elliot Reed, Lt. Victor Haugen, Lt. Vernon Smith, and Lt. Ernest H. Beverly, of Langley Field, W. Va.

CHAMPS ARE PRIMED FOR CIC THREAT

Emporia Has Chance For Tie With Wichita For C. I. C. Title

With their two-year unscored upon conference record broken by Fort Hays State last week, the Shockers will probably be a little more wary of Emporia Teachers who play here Saturday in the Homecoming game, the last conference contest of the season.

Emporia State has been steadily improving since they took a 14-0 beating from Fort Hays and with the exception of Wichita, is probably the strongest team in the league. Although the Emporians suffered from graduation losses, reserves from last year's squad are filling places left vacant by such as Kline, end on the national Little All-America football team last year.

Lohkamp is threat

One of the bigger men in the Central Conference is Tony Lohkamp, powerful tackle who hails from Westphalia and is playing his third year at Emporia. Weighing in at 240 pounds, "Two-ton Tony," is one of the most feared opponents in the conference and will come nearer to cracking the Wichita front lines than any man in the loop.

Coach "Frank" Welch, has a veteran line this year but most of the men are light and he is developing a backfield with a dependable passing attack.

The Emporians have lost to Washburn and St. Benedicts both by 19-6 margins and to Fort Hays by a 0-14 decision. On the other side of the ledger they have won from Southwestern 33-0 and Quachita (Arkansas Teachers) 26-13.

VIKINGS, VANDALS PLACE FIRST AND SECOND IN MEET

37 Participants Swim in 12 Events; Pi Kaps Come in Third

With a final score that practically doubled that of their nearest opponent, the Vikings took first place in the inter-society swimming meet that was held last week in the Elks Plunge, according to Gladys Taggart, director of women's physical education.

The freshman-junior Barbs' winning score was 47 points. The Vandals, sophomore-senior Barbs placed second with 27 points, and the Pi Kaps won third with 22 points.

Kappa Rho was the only group not entering the meet. Sorosis and D. O. receive 5 points each for participation. Alpha Tau was one short of the required four entrants and, therefore, did not receive participation points.

A summary of the events, winners, and times follows:

20-YARD FREESTROKE RACE—Salisbury, Viking, 10.4 sec., first place. Robinson, Pi Kap, 12.6 sec., second. Carr, Sorosis, third. Harrison, Viking, fourth.

SIDE STROKE FOR FORM—Brennan, Sorosis, first. Salisbury, Viking, second. Taylor, D. O., third. McCarthy, Sorosis, fourth.

NOVELTY RACE—Junker, Viking, 16.9 sec., first. Anderson, Sorosis, 18 sec., second. Hart, Vandals, third. Tie for fourth between Chance, Vandal, and Muley, Viking.

40-YARD FREESTROKE RACE—Bissmeyer, Viking, 21.6 sec., first. Conover, Viking, 24.7 sec., second. West, Alpha Tau, third. Bartlett, Sorosis, fourth.

ELEMENTARY BACK STROKE FOR FORM—Craig, Vandal, first. Hart, Vandal, second. Strickland, Pi Kap, third. No fourth place.

20-YARD BREAST STROKE RACE—Wilkins, Pi Kap, 31.5 sec., first. Quisley, D. O., 35.3 sec., second. No third or fourth place.

CRAWL FOR FORM—Conover, Viking, first. West, Alpha Tau, second. Junker, Vandal, third. Anderson, Sorosis, fourth.

BREAST STROKE FOR FORM—Bissmeyer, Viking, first. Wilkins, Pi Kap, third. Chance, Vandal, third. Harrison, Vandal, fourth.

MEDLEY RELAY—Delta Omega, first. Vandals, second. No third or fourth place.

NOVELTY RACE—Salisbury, Viking, first. Hartman, Pi Kap, second. Strickland, Pi Kap, third. No fourth place.

20-YARD RELAY—Vikings, 10.8 sec., first. Sorosis, 1 min. 1 sec., second. Pi Kap, third. No fourth place.

DIVING—Dobbin, D. O., first. Conover, Viking, second. Dyer, D. O., third. Leimbach, Viking, fourth.

OFFICIALS—Gladys Taggart, clerk of course; Evelyn A. Hinton, chief scorer; Catherine Dedrick, assistant scorer; Glen Moss, announcer; Gaylord Cole, starter; Elizabeth Covington, prometry manager; Geraldine Hammond, Virginia Dunne, and Jack Evans were time judges; and Jeanne Lewis, Natty Hart, Eleanor Woolley, Virginia Dunne, and Jack Evans were timers.

KENNETH FORRESTER
Campus Representative

"Two Ton Tony" Lohkamp, who performs at the tackle position for the Emporia State Hornets, is one of the most feared men in the conference. In his third season at Emporia, he packs 240 pounds of weight with unusual speed and opens holes better than a truck.

Sports Wise

By Katy Dedrick

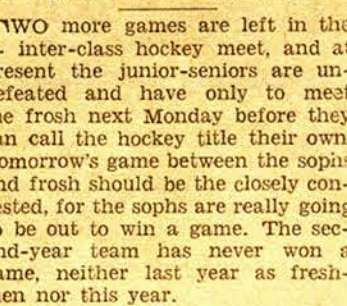

ALL THE WORDS the Greeks have for it are these, "Let's have no more about a Vikings-Vandals combination."

It is very definitely seems that the Vikings, freshman-junior Barbs, took first place in the inter-society swim meet last week with no trouble at all, and the Vandals who are the soph-and-senior Barbs came in second. There being no other Barb groups left for third place, the Pi Kaps took care of that.

This should be as good as any test of future Barb strength, for if they can get a team (minimum of four) in the swim meet, they can surely manage all right in other inter-society competition.

Anyway, it should be a safe prediction to say that the Exec. Board of the P. W. S. R. A. will say "NO" to any request to combine the two Barb teams.

TWO more games are left in the inter-class hockey meet, and at present the junior-seniors are undefeated and have only to meet the frosh next Monday before they can call the hockey title their own. Tomorrow's game between the sophs and frosh should be the closely contested, for the sophs are really going to be out to win a game. The second-year team has never won a game, neither last year as freshmen nor this year.

DEDRICK

Wholesale Walk Out at Oregon Hard on Pledges

CORVALLIS, ORE.—(ACP)—When Oregon State College freshmen fraternity pledges decided to walk out on their newly-found "brothers," they failed to reckon with the punishment for their sins.

After the neophytes decided they'd put their older members in their places by staging a mass exit, they finally returned to find the following "duties" awaiting them:

The Alpha Tau Omega's stayed up all night waxing floors, polishing furniture and trophies. Of course, backs and cold showers were in the offing. At the Kappa Sigma house a nice lively lamb was left for the boys to take care of along with sawdust inches thick on the floor to be cleaned by 6:30 o'clock in the morning.

The Alpha Gam's managed to get cold water baths from their members and all the fraternities around joined in and gave them good duckings. Alpha Chi's were given a good rubbing and brought up before their president to drink a mysterious potion. The Chi Omega's cleaned all the dishes and clothes for the members.

Quints of Economy . . . five bus tokens for 25 cents.

HAYS SCORE IS FIRST BY LOOP TEAM

Early Drive Gives Tigers Lead, but Shockers Hold Lead

Last Saturday the Fort Hays Tigers pounced on their supposed quarry and held the Shockers for one period, but when the western Kansas jungle beasts began to thaw a little, the Shockers threw their sheep's clothing away and retaliated with a counter attack that brought them a 15 to 7 victory.

After the Hays squad had crossed the Wheatshocker goal line for the first time a conference team has accomplished the feat in two years, the visiting eleven worked out a disconcerting double wingback formation, and proceeded to show some of its own tricks.

Smith Makes Run

Tromer Smith started the fireworks with a 63 yard scramble that took him within five yards of the Tiger stripe. Harold Brill on the next play skirted the end to place the pigskin on the pay side of the line.

In the second period the Shockers in style similar to that displayed before this year brought the ball to their opponents' three-yard line and were unable to put it over. The line was equal to the occasion, however, and blocked Staab's punt although he recovered for a safety.

Shockers Out-Gain Tigers

On the second play of the fourth period the Wichitans cashed in on a concerted drive of the preceding stanza which had carried them at least two-thirds of the field. Yardage figures were entirely in favor of the visitors who had 291 yards to the Tigers' 181.

The win brought an almost certain repetition of Central Conference honors for the Shockers, with only the Emporia Hornets yet on the conference roster. One other game besides the Emporia Homecoming tussle will take place at the Wichita stadium—that with DePaul University of Chicago, which will be staged on Thanksgiving Day, November 24.

BARBS AHEAD OF GAMMAS IN RACE

Intramural Results Show Leaders Far Ahead

Cumulative totals in intramural competition bring the Barbs into a two and one-half point lead over their closest rival, Alpha Gamma.

Eleven and a half points behind the Alpha Gam's is Phi Lambda Psi who is trailed by Phi Sig, Pi Alpha, Pi Gamma and K. K. T. in order.

The results cover soccer, and both the singles and doubles of intramural tennis. The touch football program is yet to be played.

The summarized results are as follows:

Team	Score	Tennis	Tennis	Totals
Barbs	15	21	16	52
Alpha Gam	37 1/2	10	0	47 1/2
Wolster	29	0	0	29
Phi Sig	9 1/2	6	2	17 1/2
Pi Alpha	1	1	1	3
Phi Gamma	0	0	2	2
K. K. T.	0	0	0	0

Military Ball
DECEMBER 2

From the Sidelines

By BOB CAMPBELL

It looks like a clear field to another conference title for the Shockers since the Fort Hays game is out of the way and Wichita still has a tight hold on the lead. Emporia Teachers may be a little trouble though, for they have steadily improving since their defeat by the Tigers. In the first few minutes of the game Saturday the Shockers looked worse than at almost any other time this season. On the Tigers drive for their single touchdown they gained almost at will and they were never entirely checked. Had the Wichita defense been able to decipher those double reverses, we might still be unscored upon in conference games.

Our next problem is the Emporia State game Saturday, and with the passing attack, they are reputed to have perfected they will be hard to stop. The Emporia line is probably their most vulnerable spot for their forward average around 180 pounds and with the exception of "Two Ton Tony" Lohkamp, 240 pound tackle, they will be no match for the powerful Wichita line. Despite the comparative smallness of the Hornet guards and ends, they average 165 according to Emporia's statistics, their opponents have all had difficulty in penetrating the Hornet defense. Last week against Iowa Teachers Lindell Petty, Hornet halfback, ran a punt back some 50 yards for a touchdown and the hometown folks are backing Petty all the way to lead the assault against Wichita.

This Saturday at the Homecoming game the present crop of cheer leaders will get a chance to show the alumni who are back for the game just what they can do. In the past few games the cheer leaders have been getting some nice cooperation from the students but they have a long way to go. At the Creighton game the two cheer leaders who tried to get some help from our stands looked much better than what we are used to seeing. Some of the grads who come back for the games will probably be disappointed at the showing, because as I understand there were really some rabid fans back there when the Friends game was the highlight of the season.

Basketball, is cropping up to take the place of football on the campus and basketball coach, Bill Hennigh, is well pleased with the Shockers chances this year as he watches about 20 cage prospects work out. Most of his men in pre-season workouts are freshmen but some nice looking varsity material is rounding into shape and with the recruits from the football squad Wichita is going to have a strong conference contender.

Correction—The stands on the east side of the field are not worn eaten. They are wood and we probably do deserve better, but there is no danger of any spectators being crushed under falling timbers. The wooden seats are supported by heavy braces and are inspected by school officials before each season. Delegates to the convention of college journalism students in Cincinnati report that a football game between two small Midwest colleges is definitely to be preferred over a game between Cincinnati U. and Ohio Wesleyan (enrollment in the former school is about 6,000 while Wesleyan has about 2,500 students).

NOVEL GAME WITHOUT EXTRA POINT IS TRIED

DETROIT, MICH.—(ACP)—For the first time in the history of American football, a game will be played without the point after touchdown when the University of Detroit and Santa Clara meet at Sacramento, Cal., Sunday, Nov. 27.

In case of a tie score, victory will be awarded the team making the greatest net yardage in running, passing, and running back kicks; less yards lost in penalties.

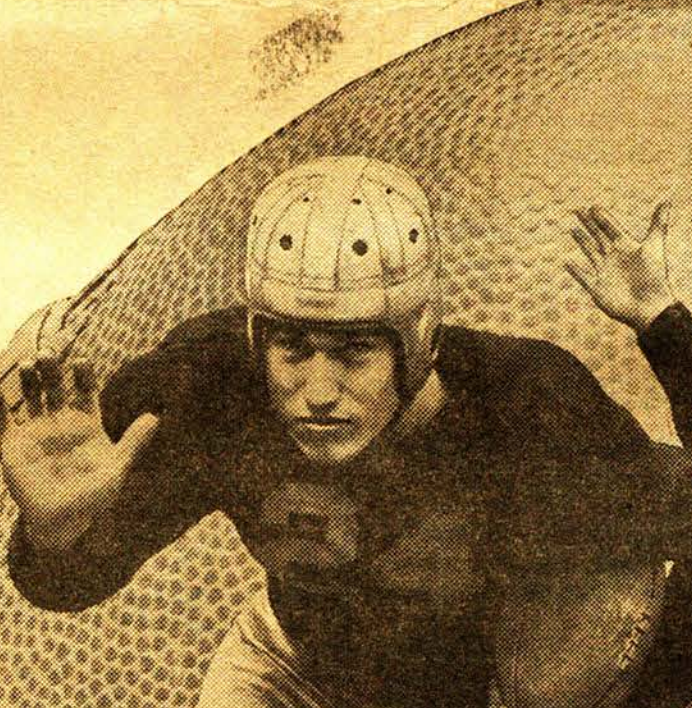

This novel experiment comes as a result of an interview in which Charles E. "Gus" Dorais of the University of Detroit was quoted as saying he thought the point after touchdown was often unfair in giving a team, outplayed in everything but number of touchdowns, the winning margin through the efforts of one specialist in kicking goals.

HORSESHOE TITLE WON BY GILLARD

Alpha Taus Receive Second and Third Places

With Glenell Gillard's winning first place in the inter-society horseshoe tourney completed this week, Epsilon Kappa Rho sorority was awarded 20 points toward the inter-society sports plaque, according to Dorothy Taylor, intramural manager.

Second-place winner was Shirley Bishop, Alpha Tau, who received 15 points for her sorority. Alpha Tau was also awarded 10 points for third place which was won by Ann Neff, who defeated Virginia Russell in the consolation finals.

WICHITA ASSURED FIRST PLACE TIE WITH TIGER WIN

Game Saturday Will Give Shockers Chance to Clear Title

With the Central Conference race almost over and Wichita sure of at least a tie for first place interest in the loop is centered on the Emporia State-Wichita game at Wichita Saturday.

The only other game in the conference this week is the Fort Hays State-Pittsburg Teachers game at Pittsburg. Fort Hays looks to be the stronger of the two teams and should take the game, but it will probably be one of the best games of the conference season. The teams meet Friday afternoon.

Southwestern has yet to play Fort Hays, Pittsburg plays the Tigers this week, and Emporia Teachers later and the Shocker-Hornet meeting Saturday will end the conference schedule for Wichita.

Michigan Recognizes Need of Museum Building for Collections

Michigan was the first state university to recognize the need of a museum building to centralize the research and educational functions of organized scientific collections.

Ride the bus and save the difference.

Today's Gridiron Giants Pygmies to Forerunners

Football Elevens May Well Blush When Compared With Braves of Old, Says Wesleyan

MIDDLETOWN, CONN.—(ACP)—The football writers and fans throughout the nation who sing the praises of today's giants of the gridiron will blush a bit when they hear of the early days of the sport that has grown to be the biggest drawing card in the roster of amateur athletics.

The giants of today are mere pygmies beside their forerunners, and to prove it, listen to this from Wesleyan University's new volume, "Athletics at Wesleyan," published by that institution's alumni council and edited by Prof. Frank W. Nicolson:

In 1881, "there were two halves instead of four quarters. If the team winning the toss chose to take the ball, that team could keep it the full half regardless of scores." With that picture of one team taking the offensive for a full half of the game, add this historical oddity to your scrap-book on football: In 1885, the various plays of the team were given names instead of numbers, and the quarterback's signals sounded like this:

For the center rush, he'd yell "step on foot" to tell which side of the center it was to go over, and to the center, "rub stockings" if the ball was to go to the quarterback. And for a second quarter rush in succession, he'd tell the center to "rub stockings."

In talking to the halfbacks, he'd tell them it was their turn by saying "hands on hips, or leg on either side."

And here's how a complete play often sounded: "Hawky, Mind, Get, Eyes, Rub Stockings, Lively." Which

is quite a bit different from the 1938 game in which the spectators never hear a play called.

Howard Students Believe Course Outlines Improve Grades

Howard College students believe that course outlines are a definite aid in improving grades, a recent poll revealed.

Meet your friends on the bus.

CLASS IN BOXING, WRESTLING READY

Students interested in intramural wrestling and boxing may take instruction in the gym classes in the two sports in preparation for the annual meeting to be held in February, Dr. Lawrence Rarick, director of physical education said this week.

The wrestling class meets at 10 a. m. on Monday and Friday; and the boxing class at the same time on Tuesday and Thursday.

A wrestling meet will be held Feb. 22 in the gymnasium, and the boxers will tangle Feb. 15, a week earlier.

WELCOME GRADS

GIVE us your support Saturday and the team will cinch the conference title for the second straight year.
