PROMINENT STARS WILL PICK QUEEN

Power, March, Crosby Consent to Choose Queen of Book

One of six University girls will be selected by film actors Fredric March, Tyrone Power, and Bing Crosby to become the 1939 Parnassus Beauty Queen.

Every effort was made to obtain the most popular screen actors in Hollywood, and after literally months of negotiation we believe that everyone interested will agree that these men are among the best the picture industry could offer.

Queen Featured in Book
Fredric March is under contract to Hal Roach Studios, Tyrone Power is with Twentieth Century Fox, and Bing Crosby is associated with Paramount Pictures Incorporated.

The three actors have stated that they will be happy to serve on the board of judges which will choose the University girl who is to reign over the 1939 Parnassus. The queen will have an entire page in a special section of the book. Her court will occupy another page in the same division.

Candidates Announced Soon
Sororities and the Barbs are asked by the annual staff to make preliminary choices either before the Christmas vacation or during the first week after it.

Other activities in progress for the yearbook are the photographing of the student body by the Fred K. Reed Studio and the second in a series of three snapshot contests the first of which was won by Sorosis sorority and Phi Lambda Psi fraternity.

LEWIS PRESENTS DANCE CONCERT HERE SATURDAY

Taggart, Wrigley Work On First Recital Given Here This Year

Directed by Hildegard Lewis and sponsored by the department of physical education for women, the first dance concert of the season will be presented Saturday, Dec. 3, at 8:15 p. m. in University Auditorium.

With Gladys Taggart, head of the department, and Alice Campbell Wrigley, expression instructor, Mrs. Lewis is directing all of the dance groups in what she terms "a progressive step in fine arts education by relating all the arts through dance."

Nearly 100 modern dancers are participating in the dance recital, which includes a group called Youth, made up of members of the physical education classes, Orchestra, the honorary dance club composed of undergraduates, and the Concert Group.

The first part of the program, presented by Orchestra and the Concert Group, is made up of all new dance arrangements. The second part will be a repeat presentation of the "Dance Symphony," given last spring.

McNeill Is Accompanist
"Two of the new dances will have original music composed by Myrabel McNeill, accompanist," Mrs. Lewis said. "On display in the lobby during the recital will be a series of sculptures made by Frances Wright, member of the Concert Group. These sculptures form a miniature stage setting, illustrating all movements in the symphony."

The cover for the dance programs has been designed by Nellie Girvin, president of Orchestra. Eugene Spangler, senior, has charge of the lighting effects. Admission is free.

WICHITA STUDENT IS STILL MISSING

University Freshman Gone For More Than Week

Appeals of his parents and searching by local police has done little to cast light on the disappearance of Orley LeeRoy Neher, freshman in the College of Business Administration.

The University student has been missing for over a week, and is reported to have had only \$18 in his pocket when he left his home. He is the son of Mr. and Mrs. G. W. Neher, 1407 North Holyoke.

On the day he left Mr. Neher was to have met Alice Louise Sell, a friend who last year was graduated from East High School. The missing student was president of his Sunday school class at the Church of Brethren in this city.

The parents fear foul play may be responsible for his absence.

BING CROSBY

The three motion picture stars shown above have consented to judge the annual Parnassus Queen contest which will be held in the near future, according to Sam Smith, yearbook editor. Those who have agreed to make the selections are: Fredric March, upper; Tyrone Power, middle; and Bing Crosby, lower.

Gold-Diggers Are To Be Found in Various Places

L EXINGTON, MO.—(ACP)—If you think all the gold-diggers are blondes and live on Broadway you are wrong, for Capt. Tom Emerich will tell you that they are cadets and they live at Wentworth Military Academy here.

Captain Emerich's curiosity was aroused by the increasing number of cadets who have come into his office to consult his Dunn and Bradstreet rating book. In interrogating one cadet who came in with a long list of names of business men in several states whose credit rating he wished to ascertain, the captain asked him what he was doing.

"Well, captain, I have dated 17 girls this past summer," the cadet replied, "and I want to find out which one of the girls' fathers has the most money. It's his daughter that I expect to marry."

SPAETH TO TALK TO WRITING CLUB

Creative Writers Plan For Dinner Meeting

Dr. J. Duncan Spaeth, visiting professor of English, will address a dinner meeting of the Creative Writing Club in December, according to Marguerite Cleary, president.

Formerly president of the University of Kansas City and professor of English at Princeton University, Dr. Spaeth has two classes here this year, a lecture course in Shakespeare and masterpieces of literature.

According to the club's president, all students interested may attend the meeting. Alumni are urged to be present. Time and place of the dinner will be announced next week.

BENES' COUSIN IS ALL FOR CZECHS

MINNEAPOLIS, MINN.—(ACP)—Joseph James Benesh, pre-business freshman at the University of Minnesota is very emphatic in his support of Czechoslovakia. He has two good reasons for being emphatic.

First, he is 100 per cent Czech. That's good reason, but Joe's second is even more important.

His granddad, Matt Benesh, is a cousin of Eduard Benes, ex-president of Czechoslovakia, now exiled and newly signed University of Chicago lecturer. That makes Joe third cousin of the most famous Czech.

WHO'S WHO SELECTIONS ARE NAMED

W.U. To Be Represented By 17 Students In Publication

Seventeen seniors were selected this week for recognition in the 1938-39 edition of Who's Who in American Universities and Colleges, it was announced yesterday.

The final decision on the list of the 17 students came after recommendations were received by the Board of Deans and school officials. After the selections were made the completed list was sent to the national Who's Who headquarters at the University of Alabama.

Seniors to be included in this year's publication are: Clark Ahlberg, Alpha Gamma Gamma, executive secretary of the Student Forum, Student Council representative, and member of Blue Key.

Henry Amsden, president of Alpha Gamma Gamma, member of the Student Forum council, and Men's Panhellenic representative.

Mary Evelyn Brincefield, Barb, winner of the Junior Citizenship Award, editor-in-chief of the Sunflower, 1938 Homecoming Queen, and vice president of the Y.W.C.A.

Alice Jane Brown, president of Delta Omega, vice president of the senior class, and last year treasurer of the Student Council.

Jeanne Carr, president of Sorosis, and the Women's League of Voters, and member of the Student Forum council.

Lewis Crum, president of the Barb group, chairman of the Student Council social committee, and member of Blue Key.

Stanley Diamond, Alpha Gamma Gamma, president of the Student Council, president of the campus Young Democrat Club, and member of Blue Key.

Gail Frank, Delta Omega, secretary of Y.W.C.A., and member of Omega Upsilon.

June Ilgner, Pi Kappa Psi, president of Y.W.C.A. and Women's Pan-Hellenic, and the 1938 Alpha Gamma Gamma Betty Coed.

Katherine Israel, president of Alpha Tau Sigma, member of Student Council.

'MAGNA' WILL BE SHOWN HERE BY LANGUAGE GROUP

Sound-film Will Be Run Monday; No Charge For Admission

"Magna," a recently released sound-film feature based on Hermann Sudermann's nineteenth-century drama "Helmat," will be presented on Monday, Dec. 5, at 7:30 p. m. in the Pine Room of the University Commons, according to Kurt A. Seppmeier, head of the German department.

"This is the first time that 'Magna' has been produced as a motion picture," says Dr. Seppmeier. "The title role is played by Zarah Leander, Swedish actress. In stage productions this role has been immortalized by Sarah Bernhard and Eleanor Duse."

Other lead players in this screen production, which is being presented under the auspices of the German students, are Leo Slezak and Heinrich George.

There will be no admission charge for this film presentation which is a vital instruction project of the University.

DEBATE SQUAD IS INVITED TO MEET

W. U. Group Asked to Attend Austin Tournament

Wichita debate squad has been invited to attend the Texas Debate Tournament at Austin, Texas, this year, according to Forrest Whan debate coach.

Invitations from the Delta Sigma Rho, oldest honorary forensic fraternity in the nation, at Delta University and the University of Missouri have also been received.

Last year the University attended the Iowa tournament. This is the first invitation received from Texas.

Wichitans Band Together To Aid German Refugee

Student Committee Launches Drive To Raise \$600 In Contributions for Scholarship

As a gesture against the rising tide of minority oppression in Germany, a group of University of Wichita students banded together this week to form the student refugee committee, with the purpose of raising \$600 by contributions from students and townspeople to establish a scholarship in this school for some victim of Nazi persecution.

The plan, as outlined by Doug Gleason, chairman of the group, would call for 25-cent contributions from each student and interested outsiders. The \$600 will pay the expenses for one year of the scholarship student.

Drive Starts Monday
Starting next Monday, an active drive will begin to collect the money with the approval of Dr. William M. Jardine. Among those persons directing the committee are, besides Mr. Gleason, Bob Branson, Willard Garvey, Dick Douglas, Henry Amsden, Alan (Jiggs) Nelson, Stan Diamond, Charles Sherman, Jack Nilsson, James Gardner, and Harold Brown.

The person selected for the scholarship will be a recently-arrived refugee from Germany, who—because he is a Jew, Catholic, or Czechoslovakian, or a member of some other oppressed group in Germany—has been forced to seek refuge in the United States.

The final selection, Mr. Gleason declared, will be at the hands of President Jardine in cooperation with the Coordinating Committee for German Refugees.

Prominent representatives of Wichita business, educational, and clerical groups were unanimous in their approval of the refugee scholarship plan as outlined by the student committee. Some of their comments were:

L. W. MAYBERRY, superintendent of the city's schools: "I believe it is a very worthy cause. A scholarship of this kind would be the only means by which a refugee could gain education."

REV. R. E. SNOODGRASS, pastor of the Central Christian Church: "I think it is a very worthy project. The only question in my mind is whether we should spend so much for one person where there are so many unfortunates. However, if the one being educated would use his education for the promotion of democracy, for justice to all people, and for a better feeling between all classes, it would be worth while."

WILLIAM M. FLOD, prominent Wichita showman: "I'm very much in favor of it. I think it is a splendid plan."

DR. FRANK R. NELSON, professor of English at the University of Wichita: "The plan is a fine project. I feel it would be better to do a definite act of good will than indulge in hatred. Then, too, we would be doing the University a good turn by bringing to the campus a student of promise."

BENTLEY BARNABUS, director of public relations at Kansas Gas and Electric Company: "Since the unfortunate situation in Germany makes it necessary for refugees to come to America, it seems to me that it is a duty of every American citizen to do anything reasonable to accomplish an assimilation of these unfortunates, and to inculcate in them American ideas and ideals. The plan is a noble contribution toward this goal."

WOMEN RIFLISTS TO PREPARE FOR SCHEDULED MEET

Science Hall Range To Be Open Here Everyday Except Friday

In preparation for the first telegraphic meet, scheduled for Jan. 14, women riflists will start shooting on the range, fourth floor of Science Hall, next week, according to Mary Chance, rifle manager.

"It is necessary that all who intend to participate in future telegraphic and intersociety meets receive preliminary instruction this week," says Miss Chance.

Riflists are required to attend at least two sessions of the instruction which is being given in the basement of Fiske Hall every day this week from 1 p. m. until 4 p. m.

The range will be available for practicing, beginning next week, on Monday, Tuesday, Wednesday and Thursday from 1 p. m. until 4 p. m. Jack Jackson, cadet sergeant, is instructing the women riflists this year.

Mother Earth No Longer Essential to Plant Life

Plants Grown without Soil in University's Botany Lab as 'Water Culture' Inaugurated

Plants without soil now are growing happily in the University's botany laboratory as local experimentation proceeds with the widely publicized "water culture" of plant life.

Set up and started two weeks ago, six boxes of radishes, tomatoes, and corn are now growing nicely without benefit of soil or sand. Their roots are submerged in water in which has been dissolved the chemical elements which scientists have found essential to plant growth.

For when the scientists, about a century ago, began to investigate their soil in an effort to find what it supported plant life they started the process of soil analysis which has since resulted in several startling discoveries.

Twelve Elements Needed
Ten elements, it was formerly thought, are necessary in the soil

ALPHA TAU, ALPHA GAM WIN RATING

Second Semester, 1937-8, Averages Released By Registrar

Alpha Tau Sigma sorority and Alpha Gamma Gamma fraternity placed first in the scholastic standing for the second semester, 1937-8, it was announced yesterday by Laura McMullen Cross, assistant registrar.

Both the winning sorority and the winning fraternity are now in possession of the scholastic awards for the second semester of 1936-7 and the first semester of 1937-8.

The standing for the sororities for this period is as follows:

Alpha Tau Sigma	87.48
Delta Omega	86.49
Sorosis	86.07
Pi Kappa Psi	85.36
Epsilon Kappa Rho	85.03

The high scholastic sorority rating was 3.42 points higher than the highest fraternity average. The low sorority average was 97 higher than the high score of Alpha Gam.

The fraternity average ran as follows:

Alpha Gamma Gamma	84.06
Pi Epsilon Sigma	81.37
Pi Alpha Pi	79.05
Webster	78.83

In order to maintain their respective awards both Alpha Tau and Alpha Gam must maintain high averages for this first semester.

The award is based on the average of two semesters' work.

Alpha Tau sorority has had possession of the tea set, the sorority prize, for the past four years. Alpha Gam has been able to maintain the scholarship cup for the past three years.

The ratings are made at the end of each semester. The rating for the present semester will be made during the latter part of February the first of March. Fraternities and sororities must present the registrar a list of those to be included in the rating. This list is to be handed in at the end of the twelfth week.

W. U. COMMITTEE WILL REPORT ON GREEK ROW PLAN

Board of Regents Will Investigate Housing Of Sororities

Although little action has been taken this school term, a Board of Regents committee is compiling a report on the various possibilities of establishing a sorority row comparable to the new fraternity row which was begun last summer with construction of the Phi Upsilon Sigma house on Vassar.

"When the question is brought before the board there will be several problems to consider," Carnot Brennan, chairman of the board, declared. "Parking facilities and permanency of the houses will be important factors in the decision."

It was decided last year, the board chairman said, that the fraternity and sorority houses will not be built in the same district.

As matters now stand there has been no minimum valuation set for new homes. Neither has there been any standard style of home designed; however, the colonial type building might be used to blend with the styling of campus buildings.

"If sororities are planning to build," Mr. Brennan answered in reply to statements that some groups are reportedly considering such a move, "they should get their plans ready, and we'll have to take action."

STUDENT PROOFS ARE DUE DEC. 3

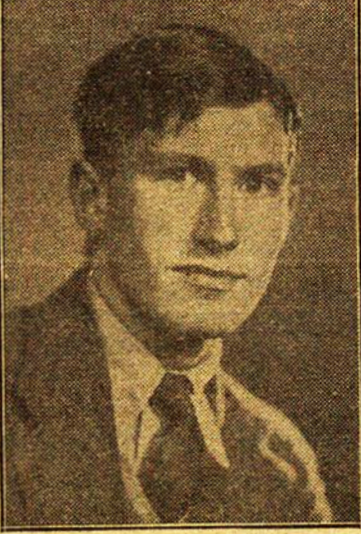

Studio Will Make Choice If Photos Not Returned

Proofs on student Parnassus photographs should be returned to the studio by Saturday, Dec. 3, Sam Smith, editor of the yearbook, said this week, and if no choice has been made known to the photographer by this date he will finish the one which he believes to be best.

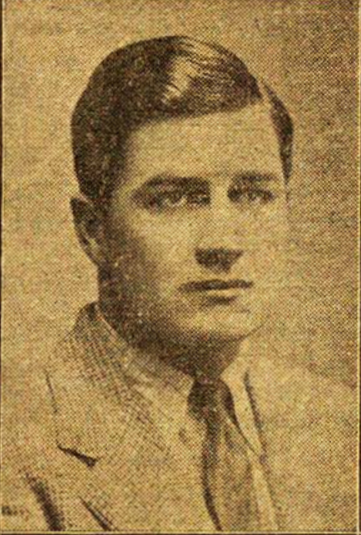

Additional penalties will be assessed those who have failed to have pictures taken. The cost is now \$5 cents. After Dec. 3, it will be \$1. The cap and gown which was furnished without charge to seniors is no longer available, the yearbook editor said.

Scabbard and Blade members, faculty, and others who may be having a second photograph taken are being charged the original price of 50 cents. The final date for such photographs is also Dec. 3.

12-WEEKS GRADES TO BE REPORTED
Reports on unsatisfactory work for the 12-weeks period should be turned into the office of the dean by Saturday, Dec. 3, Dean Frank Neff, speaking for the Board of Deans, announced this week.

CHRISTOPHER MAYHEW

PHILLIP R. NOAKES

STUDENTS ASKED TO SUBMIT COPY FOR MAGAZINE

Writing Club Sponsoring Tom-Tom To Appear In February

Material for Tom-Tom, University magazine, must be submitted before Friday, Dec. 16, according to Marguerite Cleary, president of the Creative Writing Club, which sponsors the publication.

This will be the only issue of the year and will appear sometime in February. Contributions may be left in the English office on the second floor of the Administration Building, with Dr. Earle Davis, head of the department, or Miss Cleary. "No copy will be accepted after the deadline," the club president said.

Acting in capacity of editor until the appointment to that post is made by the club's board at the next meeting, Miss Cleary said this week that all types of creative writing are acceptable for consideration.

"We have a particular need for short stories and poetry," she said, "and we can always use humorous articles."

Other types acceptable include essays, book reviews, and short feature articles. Dr. Davis has prepared a list of suggested essay subjects which is posted in the English office.

OFFICER WILL BE CAMPUS VISITOR

McClure To Be Here For W. U. Inspection

Maj. Clinton I. McClure, field artillery and acting corps area R.O.T.C. officer, will pay an "informal" visit to the University Dec. 8, 1938.

Major McClure is succeeding Col. R. H. McMaster, field artillery, who has made the annual informal inspection tour for the past years. Purpose of the visit is to acquaint the officer with the military personnel assigned to the University, the school officials, and with the general set-up here. There will be no change in the regular schedule of military classes for Major McClure's visit.

Major McClure is from the Seventh Corps Area Headquarters in Omaha, Neb. On his tour he will visit St. Joseph's College and Military Academy, Kansas State College, and the University of Kansas.

A native Kansan from Iola, Major McClure was Sgt. Francis McCarty's commander in the World War.

LAST 1938 NOON MIXER THURSDAY

Last in the series of the 1938 noon mixers will be held in the Henrion Gymnasium, Thursday, Dec. 8, it was announced by Lewis Crum, varsity chairman.

An assessment of 5 cents will be made each student who attends the dance. Bud Gould and his Rhythm Boys will play for the dancing.

The mixer will be given under the auspices of the Student Council. Announcement of calendar dates for mixers to be given next year will be made following the Christmas vacation, Mr. Crum said.

W. U. TEAM TO DEBATE TOMORROW

Local Debaters To Face Cambridge, Oxford Scholars

Convocation tomorrow, under the auspices of the newly-organized Debate Roundtable, will feature between the Oxford-Cambridge team, composed of Philip R. Noakes and Christopher P. Hayhew, and the University team, composed of Margaret Craig and Walter Taft.

Prof. C. C. Harbison of the speech department will act as chairman. Question for debate is "Resolved: that whilst holding firm to the principal of Anglo-American co-operation, the conception of an Anglo-American alliance is rejected." The University team will uphold the affirmative in opposition to the negative British team.

British analysis of Chamberlain's Munich work will feature the Student Forum's presentation, Friday, Dec. 2, when Phillip R. Noakes, of Cambridge, and Christopher Mayhew, Oxford representative, take the speaking platform.

Mr. Noakes, 22, and youngest son of Mr. and Mrs. Charles Noakes, was educated at Wycliffe College, Stonehouse, Gloucestershire. He was active in student government, serving as head of the school. Captain of the rugby football team, he also played cricket on the school eleven.

Fact to Be Discussed
Mr. Noakes is conservative in politics and will uphold Chamberlain's course of action.

Mr. Mayhew, son of Sir Basil and Lady Mayhew, Felthorpe Hall, is 23. He was educated at Haileybury College, Harford, where he was a classical scholar, and captain of rugby and hockey.

Mr. Mayhew, a socialist, is a member of the British Labor Party. (Continued on Page 3 Column 3)

LOCAL FRESHMEN ARE SUPERIOR IN GRADE AVERAGES

Scholastic Standing Is Better Here Than State Schools

In an extensive analysis of test grades of entering freshmen students, both at the University and on a national scale, Dr. Cecil Read, professor of mathematics, found that Wichita students were definitely superior to the national average.

"Entering freshmen at the University of Wichita, both in intelligence and in high school achievement, are on a par with national standards and in some cases rank higher," he reported.

"Over the entire period of three years on which the figures are based, the results remained essentially constant showing that the situation is not merely a temporary one."

"The groups in the lower ranges of ability are definitely superior at Wichita. In other words, there is a significantly smaller percentage of very poor students entering the University of Wichita than at the large state Universities, while there is just as large a proportion of superior students here as elsewhere."

The graduates of the Wichita public high schools make an outstanding record," he continued. "The records of graduates of East High School and of North High School are so nearly alike as to be almost identical."

PEASE SELECTED CONCERT MASTER

Symphony To Offer 'Pop' Program Dec. 11

Beatrice Sanford Pease, instructor in violin at the University, has been chosen by Harry K. Lamont, assistant director of violin and music theory, to act as concert master for the symphony "pop" concert to be held Sunday, December 11, at 8:15 p. m.

The concert will be the outstanding symphony presentation here this season. It has been called a "pop" concert because the orchestra will present the light or "popular" classics.

Outstanding members of the orchestra who have been given recognition are: George Griffith, first chair of the second violins; Alice Tomlinson, first string bass; Dorothy Feemster, first flute; Robert Higgins, first trumpet; Virgil Rork, first horn; Lester Brown, first trombone; and Major Walter Durksen, who, according to Mr. Lamont, has been of great assistance in organizing the orchestra.

Walter Walker, first oboe of the orchestra, is an accomplished oboist and has aided in training the woodwind choir. Mr. Lamont further stated. Also Robert Hollowell, Jr., first viola; and Elizabeth Ann Stratton, first cellist, are outstanding members of the orchestra.

America's Contribution Is Its Social Democracy

What, ask some of our practical jokers, is America's contribution to the world and to contemporary culture? And without much hesitancy we enumerate thusly: Well, there's the cinema's greatest creation—Mickey Mouse, and radio's Charley McCarthy. And there's Babe Ruth and the Mayo Brothers and Edwin C. Hill and Shirley Temple, also Santa Claus and the Ritz Brothers and the Ford car, not to mention skyscrapers and suspension bridges and electric-lighted Christmas trees, municipal universities with new libraries, chop suey and cowboys, swing music and wheaties, and . . . the list soon becomes quite a staggering one.

But America's truly American and unique contribution is its social democracy. We have our exclusive clubs, to be sure, our wrong sides of the tracks, and our "ins" and "outs"—but we are far from the staid one-two-three castes of class-conscious Europe and Asia. And we, as Americans, can well be proud that we are exponents of Abe Lincoln's much-repeated axiom that "all men are born equal."

Football Team Deserves Recognition for Success

Less than a fortnight ago Al Gebert's varsitymen carried the University of Wichita to another successful Central Intercollegiate Conference season—the second consecutive title win. Most students and many faculty members are willing to admit that football is a focal point for college spirit. So, taking for granted that college spirit is to be desired and that football is a focal point for college spirit, the sad lack of recognition of the varsity's achievement by both faculty and students explains any breach between the football men and the student body. Even at this late date any campus-wide recognition of the fine work of the team would no doubt be appreciated by the varsity and Mr. Gebert.

Jewish Atrocities Cause Anguish in Hand-writing

Someone has set fire to the house of the people across the street, and it's burning to the ground. How terrible that such a thing should happen, we say; those poor people have no place to go. We shake our heads sadly; but you see, there's nothing we can do about it. Although it's true we live in the best house in the neighborhood, we couldn't take those people in; we have troubles of our own. It's expensive running a big house; besides it would be too inconvenient having another family. Petty? Hypocritical? Selfish? Yes, but it parallels exactly our attitude toward the predicament of the Jews in Germany. We've told all the neighbors how indignant we are, so we'll just stand on the porch and wring our hands for the unfortunates. Oh well, maybe someone down the street will take them in.

Aviation Is No Longer An Infant of U. S. Transport

During a recent nationwide radio program which featured achievements of the public works progress, the manager of San Francisco's World's Fair spoke. In describing his Treasure Island exposition he used the term "transportation and aviation." Why should not aviation be considered a part of the first larger grouping? It is no longer a baby industry in the field of transportation. Its utility and economy have long been proved. Unlike some other modes of transport it has not yet reached its peak of accomplishment, but this is no reason for separate classification. Perhaps because of its youth and romantic appeal aviation receives this particular distinction. However, it cannot be denied that this, a leading American industry, should be treated with adult respect.

Fanfare Seekers Must Pay Price of Publicity

Westbrook Pegler, in one of his weaker moments, has come to the conclusion that the "press" has no right to harass Lindbergh and Garbos who want to be left alone. In brief—Westbrook must be getting old. It is true, however, that apart from his early days as newsboy and reporter he has been a columnist for these many years and hasn't had to face the cold, brutal job of collecting facts. Perhaps it is his present vantage seat that enables him to see the folly of the news gatherer and cameraman, who, he admits, "have a hard job."

What should be done, according to the widely-read author of "Fair Enough" is to ban articles and photographs which would reflect adversely on innocent citizens. Perhaps in the case of a "Lindbergh" he is right; but only his long separation from the task he once performed would justify his decision regarding "Garbos." These creatures live on publicity. They sought it; let them pay the penalty it involves.

On the Hill

Triangle Copeland Errors Would It? About the Campus By Marge Gray

NITE and Day: The huge "Winter's Tale" cast is really pitching Shakespeare around—Reser swarms about the stage looking very tragic and hurt, but being extremely noble about it all (you know, as Hermione, the Queen, she is basely accused of and punished for a slight case of infidelity). Mal Nicholson, as Leontes, the King, becomes a highly unpopular character—despised by loyal Pauline (Lansdowne), and best friend Camillio (Fairleigh) for his cruel injustice to his ever-loving queen and supposedly-dead daughter, the exiled Perdita—charmingly portrayed by cute Norma Tebeau, and expertly courted by Florizel (Diamond). All in all it's a good old three-sided, with true love triumphant just before the final curtain. Not to be overlooked is that excellent comic, Bud Gould, and Wilner himself, who brings Antigonus, a Sicilian lord, very much to life.

The holidays, being a huge success, merit some sort of mention. Huzzahs go to our superb football machine for the mow-em-down manner they practiced on the strong De Paulians. A good adjective for the Demons—surprised. It was the best game of the year—and oh-so-sadly misjudged by Jack Copeland of the Beacon, who is probably still paying.

WOULD the Hill be the same without: Sorosis gets trying to buck Hill-rule by short-skirting it at the only semi-formal varsity of the year. . . . Sleivers cigareting outside Ad betwixt lectures. . . . Fems wondering just who IS dated for the Ball. . . . Dewey truck-truck-truckin'. . . . The Beer Keg firmly lodged in the Gamma domain. . . . A Phi Sig carefully planting a rat trap on the Webster's fountain-room crest. . . . The Common's music box consistently blaring the latest swingdash, "F. D. R. Jones." . . . Dedrick and Hartman handholding, etc. . . .

Just chatter: Is Bolan giving Nice-guy Hafer the old runaround—or does it just look that way. . . . Clark Gable was rife when he remarked that the On-Top hairdo is nice for evening—but peck-yar for day-wear. . . . Credit must be given the Sternbeck-Green combination—they picked up full-decks, and they certainly know how to play them. . . . Himber's "Day After Day," and the Duke's "Prelude To A Kiss" ought to be in for long runs—a couple of hits. . . . Never knew the army-boys had a couple of candy machines in their quarters—they call 'em Canteens.

Collegiate World

THROUGHOUT the world, U. S. collegians are famed for fun and football. Even though we refuse to join the ranks of those who believe colleges are as the talkies picture them, we just can't resist passing on to you some of the good-timing stories we've heard during the past week:

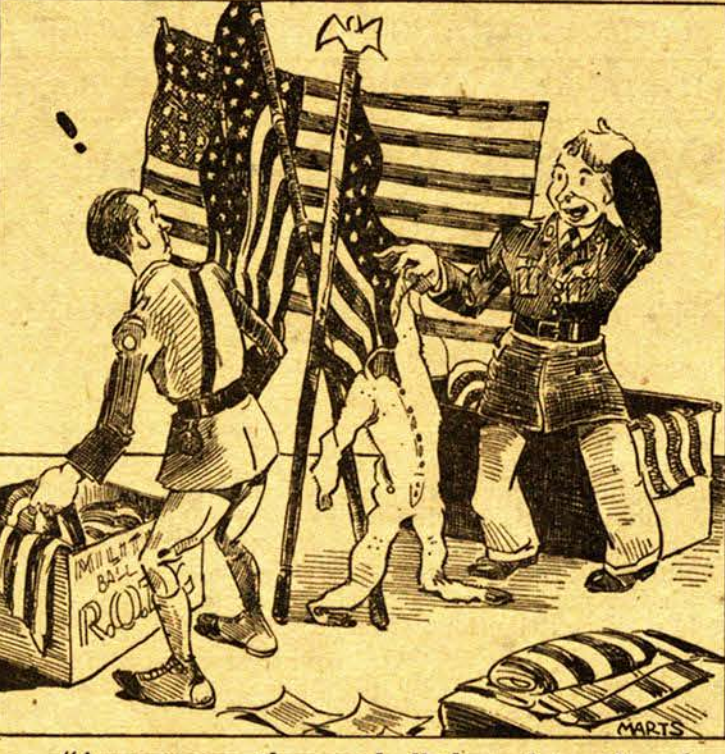

Up in the hill and snow country of New Hampshire, where Dartmouth College rules the roost, 1,200-odd students drew \$35,000 from savings accounts in one bank so they could truck on down to the Harvard game and the post-game doling. That's the most expensive of all football week-ends, but the Yale game once brought withdrawals of thirty thous.

Tied up with all of this spend-and-dance program is the problem of who should foot the bills, and here's a new slant on the whole thing from the Earlham College campus: The student newspaper there recently asked the students for their opinions on a new share-the-bills program which proposed that on the third Friday in each month the women make and stake the dates and that every third date with the same man should be "Dutch treat." Sounds more like California than Indiana, doesn't it? But the pay-off in date-making comes from Michigan State College. Some time ago the Collegiate Digest featured a picture of a group of State's beauties. Some days after the section made its appearance one of the campus leaders received this letter: "We the undersigned, being two undergraduates of Indiana University, and, believe, as all males do, in their dogmatic ability to recognize true pulchritude, have had our fancy caught and held by the face of a certain young lady. So, just for the heck of it, who's the girl circled in red?" But just the same, claims one of the members of the Anglo-Irish college debate team touring the U. S.: "American students are much more serious than are English students." What do you think?

Drama Director To Play Role in Next Production

Costumes Ordered from Chicago for Shakespeare's 'Winter's Tale' Will Arrive Soon Prof. George Wilner, head of the dramatics department, will play the role of Antigonus in his forthcoming play, "Winter's Tale." Not since the presentation of "Romeo and Juliet" nine years ago has Professor Wilner acted in one of his own productions. Then, as now, the move was made through dire necessity. Nine years ago, the girl who was to have played the Nurse to Juliet became ill the opening night—so Wilner donned skirts and talked falsetto for the sake of art.

Today Professor Wilner will act once more; once more being prompted by dire necessity. There weren't enough to fill the roles. And so, from an unhappy circumstance, we shall profit. It will undoubtedly be an experience well-worth having to see Professor Wilner, the actor superior, on the stage. The costumes, ordered from Chicago last week, will arrive next Sunday or Monday with the costumes for the stars arriving today and tomorrow. Dress rehearsals will be held beginning Monday, every evening until Thursday, the opening night.

The University players will pay special recognition to the original music composed by Harry K. Lament of the Fine Arts division for the production. Also much credit is to be given Klara Seppeler for her interpretation of the various and intricate dance sequences.

Journalism Groups Plan Joint Dinner

Plans are being made for a joint dinner for members of Matrix, honorary journalism sorority, and Colophon, journalism fraternity, to be held Dec. 9, at which time Colophon will announce its pledges for the coming year.

The committee in charge of arrangements includes Catherine Dedrick, Maxine Pantier, Bob Campbell, and Hampe Fairleigh.

and water culture so difficult," he says, "there is not much chance of our changing systems."

For water culture, he points out, is difficult. Precisely the correct elements in precisely correct proportions must be dissolved in the water; the solution and the root systems in it must be kept largely in the dark; and the solution must be tested and treated frequently to insure its staying slightly acid. Since plants are extremely sensitive to change in the reaction of the cultural solution, this testing must be done every day when the plants reach an appreciable size.

STUDENT FORUM

(Continued from Page 1)

He is a liberal in politics and will denounce the Munich pact.

Clyde Harbinson, junior, will introduce the speakers. Following the two talks, a brief open forum will be held. The Forum is scheduled for 7:30 p. m. in order that students may attend it before going to the Military Ball.

Students will be admitted upon the presentation of their activity tickets. A 40-cent admission charge will prevail at the gate.

Dr. Forrest L. Whan, debate coach, has received many advance reports about these speakers. "From these reports," he said, "we have been informed of the unusually fine speeches these men have given elsewhere before large and appreciative audiences."

Men to Be on Air
 The Englishmen will be interviewed over radio station KANS and KPH late Friday afternoon. Paul Mason, University sophomore, will conduct the broadcast over KANS.

Winners of the Student Forum ticket sale will be announced and presented with the \$10, \$5, and \$2 prizes. Henry Amsden has been general chairman of the ticket sale.

Sorosis Gives Tea For Patronesses

To honor new patronesses of Sorosis sorority, last Wednesday, Nov. 23, members gave a tea at the sorority house from 4 until 6 p. m.

Honorees were Mesdames Joe Alward, Houston Barclay, and Ellen Hart. Other guests were Dean Grace Wilkie, and Mesdames R. M. Gouldner, W. M. Jardine, and H. H. Bradley. Mrs. Bradley spoke on school life in other lands.

The Sorosis trio, composed of Jeanne Lewis, Doris Harvey, and Mickey Mulconey, sang several numbers.

Decorations and refreshments were carried out in white and green. The centerpiece consisted of a bowl of white astors and chrysanthemums, and on either side were placed white candles.

Corinne Bennett had charge of arrangements.

Freshman Y. W. Council Presides At Dinner Meet

Local Chapter Makes Plans for Future Meetings, Carnival Ball

More than 150 university girls attended the general dinner-meeting of the Y. W. C. A. yesterday at 6 p. m., according to June Ilgner, president.

Yesterday's meeting was the annual one conducted by the Y. W. C. A. yesterday at 6 p. m., according to June Ilgner, president.

At the regular council meeting of the Y. W. chapter Monday evening Mary Jean Shaft, Dorothy Tennant, and Alice Lyon were appointed to meet with Dean L. Hekhus to plan the Christmas convocation, which each year is sponsored by the University's Y. M. and Y. W.

The next general Y. W. meetings will be set for Jan. 11 and Feb. 1, Miss Ilgner said.

Tentative plans for the third annual H. Y. M. Carnival Ball, which will be held Feb. 10, were discussed. Mary Evelyn Brincefield, vice president, was appointed chairman of the ball. She will select her committee next week.

"As has been the custom for the past two years, girls will do the 'asking,' the 'escorting,' and the 'paying,'" Miss Brincefield said.

Highlight of the evening will be announcement of the members of the secret H. Y. M. organization, which each year is kept "under cover" until revelation at the ball.

Proceeds from the dance will be used to send delegates to the joint Y. W.-Y. M. convention this summer at Estes Park, Colo.

Faculty Members Will Give Dinner

Faculty members of the University will have a dinner Thursday, Dec. 8, at 8:30 p. m. in the Pine Room of the Commons.

Following the dinner, guests will attend the play "Winter's Tale" in the Auditorium. Reservations may be made with Lolla Smith in the Home Economics office before Dec. 6.

Miss Smith heads the social committee making the arrangements and assisting her are Mrs. Thurlow Lieurance, Viola Eckhoff, Gladys Sissel, Evelyn Hinton, Dr. C. C. Slevers, Dr. Robert Mood, Leo W. Allman, and Harry K. Lamont.

Bride Honored At Shower Thursday

Honoring Mrs. Nathaniel Bachelder, the former Theresa Shaw, members of Omega Upsilon, honorary dramatics sorority, held a surprise potery shower at the home of Hazel Adenauer last Thursday evening at 8:30 p. m.

Mrs. Bachelder was a former student at the University.

Colophon Will Meet at Breakfast

Members of Colophon, honorary journalism fraternity, will hold a breakfast meeting tomorrow morning in the Pine Room of the Commons at 7 a. m., according to Doug Nunn, president.

The meeting is of a business nature, and plans will be discussed for a Matrix-Colophon dinner, and the selection of pledges.

Former Wichita Students Reveal Marriage Plans

Bradshaw-Meek, Elder-Hart Announce Betrothals Last Saturday

Mr. and Mrs. Leonard Bradshaw announced the engagement and approaching marriage of their daughter, Thelma, to Dr. George C. Meek, of Little River, son of Mr. and Mrs. M. C. Meek, of Idaho, at an informal tea Saturday afternoon in their home. The wedding will take place Christmas night.

Miss Bradshaw is a graduate of the University and also attended Colorado University. For the past three years, she has been teaching at the Little River High School.

Dr. Meek is a graduate of the University of Kansas, where he was a member of Phi Chi fraternity. He took his internship at St. Mary's hospital, St. Louis, and has been practicing at Little River for the last five years.

Mr. L. T. Elder, of Bodarc, announces the engagement and approaching marriage of his daughter, Gladys, to Thomas Hart, son of George Hart, of Macksville. The ceremony will be performed Sunday morning, Nov. 27, at the Methodist Episcopal Church at Bodarc with Rev. George Watts officiating.

The bride-elect attended the University where she was a member of Sorosis sorority. She has been teaching at the Douglass High School for several years.

Mr. Hart attended Kansas State College at Manhattan. Following a short wedding trip the couple will be at home in Macksville.

Lieurance Gives Music Program For Club Group

Munselle, Stratton, Feemster Play Solos; Ensemble Is Presented

One of the most beautiful musical programs to be presented before Wichita club women was the one given by Dean Thurlow Lieurance for members of the City Federation of Women's Clubs and their guests Monday, Nov. 28, in the lounge of the Commons at the University.

Dean Lieurance was presented by Mrs. Len Bouray, fine arts chairman of the Federation.

Of particular beauty was the "Indian Love Call" played by Dean Lieurance on an old cedar Indian flute. Following this was a piano solo by Matilda Gaume. The musical program was opened by the string quartet playing "Dondo" by Mozart. The quartet is composed of James Gould, violinist; Gerald Feesse, violinist; Rayburn Pierce, viola; and Elizabeth Ann Stratton, cello. Miss Stratton also presented a cello solo, "Hungarian Rhapsody."

Marguerite Munselle, well-known Wichita harpist played two selections. Dorothy Feemster, flutist, played the solo "Allegrretto."

The program closed with the ensemble playing Lieurance's famous "By the Waters of the Minnetonka" with Dean Lieurance at the piano.

First collegiate courses in pulp and paper technology were offered by the University of Maine 25 years ago.

BASKETBALL TAKES OVER ON CAMPUS

Four Lettermen Return; Team Will Be Built Around Sophs

With the season's opening less than two weeks away, Coach Bill Hennigh is holding intensive practice this week attempting to round out his squad of four lettermen and eleven sophomores to be ready for the Washburn game here, Tuesday, Dec. 13.

Only forwards Meuli Curry and Dale Neely, and guards James Cope and Wayne Johnson have returned. Johnson, who lettered in 1937, was not in school last year.

Loss of Pike Gawthrop, who is freshmen coach here now, has left a dent in the Shocker line-up which will have to be filled by sophomores. Hennigh, however, has indicated that he may juggle the returning lettermen to fill that post.

Center Position Open
The center position is wide open. Most shining prospect for this job is Walter Lewis, 6 foot 4 center from Kiowa. While playing on the freshman team last season, Lewis gave due warning to future conference competition that Wichita would not be so weak at the pivot post this year.

Other sophomores who are being depended upon for considerable work include two Greensburg boys, Mel Vice, center and Chet Fast, guard; Harry Hadler, guard from Argonia; Nick Stevens, former North High guard; Orlo Neely, left wing from Ebers; and Frank Brill, Norton guard. Bill Gilliland, of Ark City, and Bob Powell, a Wichitan, are also out for practice. Russell Smith is expected to join the squad next semester.

No Seniors on Squad
"We will be better than last year," Hennigh remarked yesterday, "but we are planning on really coming through next season, for not a single senior is on the squad."
First conference game will be Jan. 6, when St. Benedict's, new member of the C. I. C., comes here that Friday night. The Atchison school was admitted to the Central last spring and is entering competition with the cage season.

This game follows the tournament at Oklahoma City University which is being held during the Christmas holidays from Dec. 27 to 31. Wichita's first trip of the season will be to Oklahoma City for a game two weeks from tomorrow, Dec. 16.

A game with Friends University has been tentatively scheduled for one week from the opening. If played, it will be held on the Quaker campus.

WICHITA PLAYERS CHOSEN FOR TWO ALL-STATE JOBS

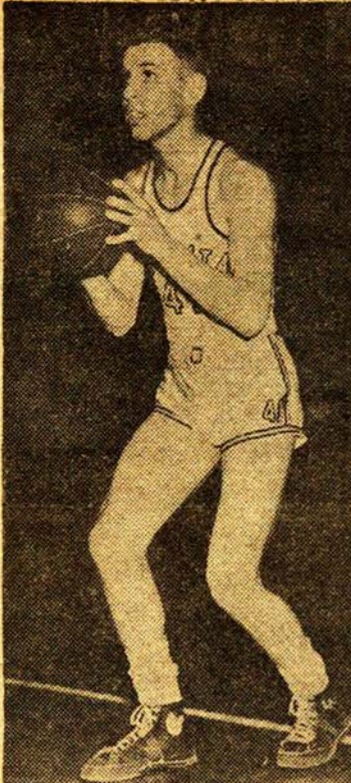

Ax Is Named Captain By Kemper with Smith At Halfback

Kansas University, Kansas State, and the University of Wichita were given nine positions on the all-state football team chosen by Gene Kemper, sports editor of the Topeka Daily Capital and Missouri Valley sports official.

George Ax, blond Shocker guard, was named captain of the eleven and Tromer Smith, senior halfback, was the other Wichita player chosen for the team.

The first team was composed of:
Ends: Don Crumbaker, Kansas State, and Dave Shirk, Kansas University. Tackles: Leonard Hofstra, Ottawa, and Shirley Davis, Kansas State. Guards: Ferrell Anderson, Kansas University, and George Ax, Wichita University. Center: Charles Warren, Kansas University. Quarterback: Ernest Ireland, Bethany. Halfbacks: Tromer Smith, Wichita, and Max Beaplogie, Kansas University. Fullback: Elmer Hackney, Kansas State.

The Wichitans were the only Central Conference players named on the team, and Washburn, in Kemper's home town, contributed no nominees to the eleven.

Captain of the Shocker basketball team for this season is Meuli Curry, a junior, who was the high scorer for Wichita team last year.

Sports Wise

By Katy Dedrick
SEEMS that most everybody is turning out for rifle and ignoring volleyball. In case you've forgotten, volleyball doesn't cost anything either.

Before the sports schedule proceeds further, perhaps it would be helpful to clarify a situation for inactive sorority girls. It has been ruled by the F. W. S. R. A. board that an inactive must continue throughout the year on the team with which she first affiliates herself—either as a Barb or sorority competitor. No shifting is allowed, unless the girl becomes active, and then she is obliged to play or compete with her sorority. Now since that situation is all nicely muddled-up for you, ask Prexy Strickland for the details—if you're interested.

IT MUST be one or all of three or ten different things. Either the could-be-members-in-good-standing don't know the identity of the F. W. S. R. A. treasurer, or they don't want to know, or don't know where to find out, or don't have the energy to find out, or happen to be broke, or don't care for business transactions, or don't want to due their due-ty, or somethin'.

It's a sad situation that's breaking the treasury all up. It's a financial tragedy, and, as Orator Craig might say, "You know—we have reached a dilemma." And the empty-pocketed treasurer, her hidden identity no longer hidden, is A. J. Brown. So start diggin'—and don't ditch.

BETTER write it down now. The first dinner meeting for the induction of new members and recognition of fall sports' awards is to be a week from today, Dec. 8, at 6 p. m. at Wolf's Cafeteria. Would-be members should give their applications for membership in the F. W. S. R. A. to one or some or all of the board members. Requirements for membership are posted in the women's gym.

QUICK, HENRY, the flit-ter-st! This Saturday evening the department is sponsoring, Lewis is directing, and McNeil is musically accompanying the first dance recital of the year.

Head football Coach Al Gebert and Dean Frank Neff, faculty representatives, will attend the Central Intercollegiate Conference meeting at Kansas City on Dec. 2 and 3.

At the same time the Big Six Conference, the Kansas Conference, and possibly the Missouri Valley Conference will be held in the same city. The Hotel Continental will be the headquarters for the meeting.

The University faculty members will meet with delegates from other colleges for the first time at 7:30 p. m. Friday.

DEMONS ARE STOPPED BY W'SHOCKERS

Seniors Stage Field Day In Last Contest Of Good Season

Scoring in every period, the University of Wichita Wheatshockers crushed the DePaul Blue Demons of Chicago 31-13 in the final game of the season Thanksgiving afternoon.

With the eight seniors on the Wichita squad intent on turning in the best game of their collegiate careers the game turned into a field day as the Shockers drove through, around, and over the Demons practically at will.

Wichita was supreme in all departments, but their kicking was shaky, although Brill punted out of bounds deep in DePaul territory several times. Most of the Demons gains were made possible by their well-developed lateral attack, but the Shocker defense held them in check most of the time.

Smith Scores First
Smith counted first for the Shockers on a reverse from Brill. He got the ball on the DePaul 49 and scored behind some nice blocking. Brill also scored during the first half when he faded back to the DePaul 35 to pass, and finding no one open, ran through the entire Demon team to score standing up.

In the last quarter, with the game seemingly on ice, the Shockers eased up and saw their lead melt to a slender thread as DePaul scored twice behind the capable passing of the Demon backs. On their second score everyone on the team seemed to handle the ball as no less than three laterals were responsible for the big gain.

The score was not the only margin of the Wichita victory, for in every way the statistical report stamped the Shockers as the better ball club.

Wichita outgains Demons
Wichita made 325 yards from scrimmage to 86 for DePaul. They also made 16 first downs to nine for the Demons. Five of the first downs made by DePaul came through passes, with only four being made on the ground.

OFFICIALS OF CIC MEET THIS WEEK

Annual Conclave Sits In Kansas City Friday

Head football Coach Al Gebert and Dean Frank Neff, faculty representatives, will attend the Central Intercollegiate Conference meeting at Kansas City on Dec. 2 and 3.

At the same time the Big Six Conference, the Kansas Conference, and possibly the Missouri Valley Conference will be held in the same city. The Hotel Continental will be the headquarters for the meeting.

From The Sidelines

Now that this season is over, all the football coaches have to worry about is finding men to fill the holes left in the varsity squad by the graduation of those eight seniors. Local experts believe that next year's football machine will be even better than the current team. The graduation of Ax, Brill, Smith, Nash, Niehage and the others is no small matter, though. Most of these boys have played together for four years. Their freshman year was the last that frosh could play on the varsity squad.

The first of the all-state grid teams, selected by Gene Kemper of the Topeka Daily Capital, has appeared and lists two Wichita players. Ax gets some of the credit which is his for Mr. Kemper names him to one guard post and the "captaincy" of the mythical eleven. Tromer Smith is named by Kemper for one half-back spot—there are no arguments there. The Wichita players are the only members of the Central Conference to receive recognition. Kansas U. gets four positions; Kansas State, three; and Bethany and Ottawa, one each. Although Kemper probably could have improved his selections. But no one can be right all the time. We, at least, heartily endorse his selection of Ax and Smith.

Basketball doesn't even give the gridiron sport time enough to die a decent death before it hogs the spotlight. The Shocker cagers began daily workouts this week and are working into shape a team built mostly of sophomores. Although not many seniors were lost, several of the lettermen who are still in school are not going out.

The season opens against Washburn on Dec. 13, and the schedule also calls for a tournament at Oklahoma City from Dec. 27 to Dec. 30. One new team will see action in the Central Conference this season as St. Benedict's of Atchison sees action for the first time.

Other teams which will appear in Wichita for games against the Shockers are Colorado State, Mexico City Y.M.C.A., Oklahoma City U., and DePaul.

The victory of Wichita over the Oklahoma Aggies must have been the straw that broke the back of Ted Cox and the Minnesota system at Stillwater. After the most disastrous season in the history of the school, Cox resigned the first of this week. For a football coach a resignation at the end of a string of poor showings is as final as a 99-year sentence. The Cowboys won only two games this season and dropped all of their Missouri Valley contests.

Manager To Set Definite Time for Tourney

Volleyball practices are to be held regularly on Monday and Wednesday at 3 p. m. and Friday at 2 p. m. in the women's gym, according to Dorothy Taylor, intramural manager. "There are three possible times for the tournament games, beginning after Christmas vacation, to be run off," says Miss Taylor. "These are Monday or Thursday at 3 p. m. or Wednesday at 6:15 p. m. All participating groups should indicate their preference as soon as possible."

If you're serious... give ELECTRICAL gifts

An electric refrigerator or electric range would be thrilling and practical for both. For HIM you couldn't do better than a new electric razor, or an I.E.S. reading lamp for HIS favorite armchair. Perhaps an electric motor or some piece of electrical equipment is just the thing that he's been wanting for his hobby workshop.

Whether for a HIM or HER, picking a gift won't be difficult at your electrical dealer's shop.
