

## Faculty Members New to University Campus

### Six Members Return After Absence Dean Neff Returns to Head Business College

With the release of several personnel from war work and other temporary jobs, the University of Wichita has added a number of returning personnel to the faculty this semester, it is announced.

As a result of this growth the College of Business Administration again is headed by Dean Frank Neff. During his leave of absence, Dean Neff has acted as director of the War Manpower Commission in Wichita.

**Music Has Three**  
Department of music with an addition to their personnel of three members has the largest increase. Tony Chiuminatto, assistant professor of violin and instrument theory, is returning to the University this year after serving as an attendant with the army in the Mediterranean and European campaigns.

For Gotherie, instructor in piano music theory, graduated from State Teachers college, West Chester, Pa., and received his B. M. M. from the University of Michigan.

Merley Ainsworth, instructor in voice, has taught voice for four years and received her B. M. from Eastman School of Music, University of Rochester. While in school she received first rating in the national music contest as a performer, and in college she won the George Eastman scholarship award.

In the language department, one addition has been made. J. R. Stinson, new associate professor of Spanish, received his B. A. from Washington State College, Pullman, Wash., and his M. A. and Ph. D. from the University of Wisconsin. He traveled in Mexico on the Albert J. McKim Research Fellowship. Prior to his appointment to Wichita University, he was graduate assistant in Spanish at Wisconsin University, instructor in Spanish at Nebraska University, instructor in Spanish at the University of Florida.

**Bryant Returns**  
Carroll W. Bryant, professor of physics, is returning to the University this year after a leave of absence to do secret war work. He is connected with the operations analysis section of the A. A. F. in Washington, D. C.

Another addition to the science department is Clarence Stuckwisch, assistant professor of chemistry. Leaving the University he was connected with the Eastman Kodak Company, Rochester, N. Y.

Fred Rustenbac, glassblower and technician for the chemistry department, previously served the University in this capacity for 13 years prior to 1941, when he returned to accept a position with Northern U. S. regional laboratory in Peoria, Ill. Later he was associated with the Denver clay company and just recently returned to Wichita to set up his own shop.

**New Art Instructor**  
The new instructor in English, Elizabeth Forter is a graduate of Wichita University where she received the Swett prize awarded to a student with the highest grade average during the senior year. She received her Master's at Wisconsin University.

Eulah Linder, new instructor in art, received her A. B. and M. A. from the University of Kansas and taught in Luray, Kan. and Winfield, Kan. public schools. For the past four years she held a position at St. High. Miss Linder received advanced work at Columbia University and in the Chouinard art school on the west coast. Prior to the war she traveled through Europe, returning to this country just before the outbreak of hostilities.

Another graduate of the University, Katharine Van Keuren, assistant professor of home economics, is the only addition to that department. Receiving her M. A. from Columbia University, she did graduate work at the University of California, University of Colorado, Colorado Agricultural College, University of Chicago, and Johns Hopkins. Prior to her assignment to Wichita University she taught in the Winfield high school.

Formerly with the Hutchinson radio station and with KFBI in Wichita, Don Williams, instructor in speech, has been added to the University faculty this semester. Receiving his B. S. and M. S. from Kansas State College, he took additional work at the University of Kansas, University of California, and University of Southern California. He taught in the Chanute High School and Junior College, in the Abilene High School, in the Hutchinson High School, and at Kansas University in the English extension courses.

Another ex-service man is Arthur Wichmann, assistant professor of accounting. He received his B. S. at the Southeast Missouri State Teachers College, and MBA in commerce at Northwestern University. Previous experience includes an instructorship in business administration courses at several high schools. Enlisting in the U. S. A. A. F., he was called to duty and commissioned a lieutenant. While serving overseas with the 15th Air Force in Italy, he was commissioned a captain and, after having completed his 50 missions, he returned to the states. Prior to his overseas duty and when he returned he served as instructor at Ellington Field, Tex. Business experience includes work with the Industrial Loan company as assistant manager. He also served on (Continued on page 2)

## Two Convoys Open Season

The first pep assembly of the university year took place Tuesday in the auditorium under sponsorship of the Student Council.

Harold A. Vagtborg, a native of Copenhagen, Denmark, appeared as guest speaker for the first formal convocation of the season Monday morning. The speaker is president of the Midwest Research Institute, Kansas City, Mo.

Jerry Carr was the master of ceremonies for the pep assembly and Alma Ruth Funk assisted him. Jo Miller, Leslie Jean Parker and Beth La Green impersonated the Andrews Sisters and Jane Crittenenden played the piano in boogie-woogie style. Frances Douglas, president of the Student Council and Dorothy Bruce were co-chairmen of the program.

Drummer Jack Colvin and his band played for the pep assembly. After the cheer leaders led the crowd in some school yells Coach Melvin J. Bimford and the football team were introduced to the assembly.

"Beaten Paths Are For Beaten Men" was the topic of discussion by Dr. Vagtborg at the Monday convocation. In his address he brought out the fact that imagination is an important requisite for success.

"The way to succeed," Dr. Vagtborg advised his audience "is to find the fresher and newer approach."

During the course of his address the speaker gave a demonstration of wire recording. He elaborated on the future possibilities of this technique and emphasized its usefulness in this last war.

The University of Wichita concert band, under the direction of Walter J. Duerksen, professor of band and theory, made its initial appearance at the convocation Monday.

"Amparito Roco," the Spanish symphony, a new arrangement of the nation's hymn "The Star Spangled Banner," and the composition by Henry Filmore, "His Honor," completed the program.

Dean Earl K. Hillbrand, chairman of the convocation committee has announced the following members for that committee: Roy Elliott, C. C. Harbison, Dr. Henry Onsgard, Fay Ricketts, Clayton Staples, and Dr. Forest Whan.

## WELCOME

It is always a pleasure to welcome students to the University campus. This year brings added joy in this respect. Not only do we have the largest freshman class in several years, but many upperclassmen are returning to take up their studies where they were interrupted by military service or war jobs. We are mighty glad to have them back. My best wishes are with all of you throughout the year as you pursue your studies and campus activities.

W. M. Jardine.

## Open Forum October 16

### Haverford Head First Speaker

Five speakers are to be brought to the University auditorium this season by the Student Forum Board, according to Alma Ruth Funk, executive secretary.

October 16 is the date set for the first speaker; Felix Morley, president of Haverford College, Pennsylvania. His speech on "World Peace Organizations" will precede a discussion on the United Nations Charter.

The other speakers are to be: Madame Pandit, November 19, "India Independence"; Sidney Montague, January 7, "Alaska and Canada"; Harrison Forman, February 14, "China." The fifth speaker is to be announced.

Student Forum board officers include: Alma Ruth Funk, executive secretary; Betty Deshler, public relations; Carol Croft, recording secretary; George Bell, treasurer; Dorothy Hodgson, dinner chairman; Mary Lou Hobson, ticket chairman.

Ticket sales have begun. Season tickets may be purchased from any board member for \$1.83.

The lectures will be presented in the Wichita University auditorium at 8:15 p. m.

## Bureau Announces Teaching Positions

According to the Bureau of Recommendations of the College of Education, the following graduates from the class of 1945 have been placed in teaching positions:

Vera Buck, Longford, Kans.; Joan Donnell, Douglass, Kans.; Kathryn Hogue, Leon Kans.; Marilee Jewell, Fort Huen, Mich.; Patricia Mather, Eureka, Kans.; Leiland Nydegger, Oceanside, Calif.; Marian Schuh, Wichita, Kans.; Arrolin Swonger, Peabody, Kans.; Betty Taylor, Whitewater, Kans.; Chester Yoder, Valley Center, Kans.; Gladys Cummin, Sedgwick County; Gladys Ewell, Dunbar School.

Those holding 30 and 60-hour certificates are teaching in the following places: Georgia Colgan, District Nine, Sedgwick County; Norma Hoover, Haysville, Kans.; Miriam Johnston, Greenwich, Kans.; Gladys Neubauer, Attica, Kans.

## Tryouts For Play Scheduled for Today

Tryouts for the play "Return Engagement," by Arthur Riley, which will be presented November 14, 15, and 16, are to be held in the University auditorium this afternoon at 3:00 p. m., according to Prof. George D. Wilner, director of the play.

Students enrolled in 12 hours of credit are eligible to try out for play parts.

Election of new secretary-treasurer will be the purpose of the International Relations Club meeting Third hour Tuesday, in room 222. Administration building, according to Mary Lou Hobson, president of the club. Dues and names will be collected from the members. Meetings are led by some member of the club of which Dr. Hugo Wall is sponsor.

## Enrollment of 945 Shows Increase of 199 Students Greatest Increase Shown In College of Liberal Arts; Many Vets Enroll in Classes

Total enrollment figures for this year are 945, compared to 746 at a corresponding time last year, showing an increase of 199 students, according to Worth A. Fletcher, registrar.

The fact that 611 women enrolled this year compared to 514 last year is attributed to the termination of many jobs held during the war, Dr. Fletcher said.

Of the 334 men enrolled, 75 are veterans of the recent war. Many of these attended the University prior to entering the army, Fletcher said. He added that there are 102 more men enrolled now than there were at the corresponding time last year.

The Freshman class boasts the largest enrollment of all classes again this year, with 522 students compared to 379 who enrolled last year.

The only decrease in class enrollment is shown in the sophomore class which has an enrollment of 171 students, compared to 175 last year.

There are 121 juniors enrolled, compared to 88 at a corresponding time last year.

Enrollment in the senior class increased from 70 to 89 students this year.

The greatest increase in enrollment in the various colleges is

## Music Groups Attract Many

Approximately 70 musicians have enrolled in the orchestra class and 81 students are enrolled for band, according to the Fine Arts department. Walter Duerksen is director of the band, which meets every Monday and Wednesday at 6:00 p. m. and Anthony Chiuminatto is director of the orchestra which meets every Tuesday at 6:00 p. m.

Although the male enrollment does not reach prewar records, both the band and orchestra report the largest group to be enrolled in the past four years.

The dress uniform which has been worn in former years will still be worn by the marching band and at the athletic contests, but a new style of dress for the concert band is being considered.

It is probable that the band will be in uniform and playing for the next home football game according to Prof. Duerksen.

## Wheaties Journey To Kansas State

A delegation of Wheaties Club members will leave at 8:00 a. m. Saturday for the Manhattan football game between the Shockers and K.S.C., according to Dorothy Ransom, club president. This is the first out of town trip made by the Wheaties this season.

An increase in the membership of the club from 10 to 15 persons from each organization was decided at a meeting held Tuesday morning.

Besides the president, the officers of the Wheaties Club are: Rita Lyman, vice-president; Reba Holloway, secretary; Maxine Wells, head cheerleader; and Dr. Geraldine Hammond, sponsor.

## Publications Staff Positions Are Filled

Geraldine O'Hurd was appointed society editor, and Bill Nelligan advertising manager of the Sunflower at the meeting of the Board of Student Publications, according to Dr. Francis J. Nock.

Reba Holloway, editor of Parnassus for 1946, named two assistants, Lois Burrell and Maxine Sargent. Miss Holloway announces that ideas are being assembled for the book and work on it will soon begin.

shown in the College of Liberal Arts, which has a total enrollment of 423 students, showing an increase of 99 students over last year. There are 159 students enrolled in the College of Business Administration. In the College of Education there are 127 enrollees. Those enrolled in the College of Fine Arts number 137.

With the end of the war, President William Jardine believes that the University of Wichita enrollment will be almost back to normal by the fall of 1946. Enrollment figures for this semester show that almost a pre-war number of students are now attending.

## Fighter Plane Is Purchased

"Kingcobra," RP63A single seater fighter plane, was recently delivered to the University landing field, after its purchase by the University Aeronautical engineering department.

Students gathered at class windows Friday morning to watch the fighter plane as it zoomed over the University buildings in exhibition flight. Lieut. John Wenzell of the army air forces ferry command, piloted the plane from Sioux Falls, S. Dak. in two hours and 15 minutes.

The fighter plane, which was purchased from the army for a nominal sum through the Reconstruction Finance Corp., will be used for training purposes by the aeronautical engineers department, according to Roy W. Elliott, head of the department.

"Kingcobra" has a cruising speed of 325 miles per hour, at top speed of 500 miles per hour, and one Allison engine with 1500 horsepower. The plane has never been flown in actual combat, but as a fighter it has been put under combat conditions. It was formerly stationed at Clovis, New Mex., and Paine Field, Washington with the 465th Army Air Force base unit.

## Alumni Form New Council

In an effort to correlate campus and alumni interests into a more progressive program, an Alumni Co-ordinating Council, composed of alumni members from each campus organization, has been formed. The Co-ordinating Council will meet regularly with the officers and executive committees of the Alumni Association, according to Esther Myers Wenzel '34, executive secretary.

Members of the Council and their respective organizations are: Mrs. James S. Tasheff, Alpha Tau Sigma; Mrs. Dan Tontz, Sorosis; Virginia Neifing, Delta Omega; Genevieve Rapp, Pi Kappa Psi; Mrs. M. M. Pratz, Epsilon Kappa Rho; Leon Watkins, Webster; K. F. Lawless, Alpha Gamma Gamma; Robert Shadon and Phil Strauss, Pi Alpha Pi; Will G. Price, Jr., Pi Epsilon Sigma; and Margaret Schermuly, Independent Student's Association.

Officers of the Alumni Association include: Emil Holgersson, '33, president; Norval Messick, '38, vice-president; Josephine Rice, '41, secretary; and Clement Zandler, '43, treasurer.

Members of the executive committee are: Lee Cornell, '26; Mrs. Jane Pierce, '40; Ralph Stuart, '30; Dr. John Willis, '24, and Mrs. Kathleen Edmiston, '33.

Homecoming, the first Alumni party, will be held on the University campus November 10.

A party for the art majors will be held at Clayton Staples home Friday. Discussing plans of reorganizing Phi Beta Chi and refreshments will be the entertainment for the evening.

## Typed on a Wednesday

By Lois Burrell

Bluebirds fly over the White Cliffs of Dover, the lights went on again all over the world, there was a hot time in the town of Berlin, and Johnny's marching home again.

Once more W. U. resembles a co-educational university instead of a girls' convent, for the timbre of masculine voices echoes over the hill. No slam is intended to the 12, or was it 13, gallant Rectanglers who last year successfully held out against the ranks of assiduous man-hunters.

A pigskin is no longer a hog's enclosure, but refers to football, to fine pre-war hog bristle toothbrushes, to gen-u-uine leather purses (remember back in '40?), and then again FOOTBALL.

Who knows? Perhaps one day in this thankful school year of 1945-46, the words "Smothered STEAK with onions" will head the cafeteria menu?

The favorite Commons juke-box tune, "Story of Two Cigarettes," though appealing enough as Vaughn Monroe emanates it, became untimely over night, for even slow bags can purchase plenty of fags since V. J. day.

Once more an empty gas gauge is a void excuse for road parking. Amusing ourselves in a quite pre-warish fashion, we drove in gasoline-propelled automobiles out of Sedgwick county, way down to Tulsa to view the football game.

It's inevitable that light, romantic comedies, with such old-time favorites as Jimmie Stewart, Tyrone Power, and Clark Gable, will soon replace the current war propaganda films and movies again will entertain.

Men are devastating in colors, are they not? A blue tie often emphasizes the color of the eyes.

Candy bars are crowded high in the glass case of the University bookstore and we've been choosing our brands.

Yes, peace has come to the world and with it the University campus is alive again. It breathes, it's young, it's gay, and it's purposeful. Victory is more than steaks, fags, gas, and an enviable football team, it's our way of life preserved, it's brilliant young students home again to mend their severed careers, and it's the answered prayers of mothers, sisters, and sweethearts of a nation.

Commonology is one course in which everyone enrolled, but returning veterans, and war-weary co-eds, also know the location of the library. Perhaps our generation can show the jelly-beans and flappers (our fathers and mothers) of the flaming '20's that we can emerge through hell without growing bitter or without blowing our tops on a twenty-year joy ride. One class I won't be cutting is International Politics (Dr. Wall, take note). I'll be there every session to try to learn what makes for wars.

## Sweaters Still In Vogue

### As Co-eds Don New Wardrobes

Co-eds of the nation have capered about in sloppy sweaters, pleated skirts, and dusty saddle shoes for the past five years and it would seem that fashion, like a wartime job, was frozen.

With peace a reality, innovations in feminine attire begin to appear. Though, as yet, no drastic changes have occurred, some variations are in evidence on the University of Wichita campus.

Here is a Sunflower reporter's observation of what the conforming co-ed is wearing this season.

Despite repeated attempts by clothing manufacturers to render sweater-skirt combinations obsolete, co-eds persist in wearing the comfortable garb.

Sweaters are as much in vogue as they were in '44. The noticeable difference is that now the sweaters often fit their owners. There prevails a tendency to tuck in sweaters and display flashy belts at the waist. The more audacious may wear a dog collar, that matches the belt, 'round the neck. Short sleeve sweaters are on the ascendancy.

Eisenhower jackets are among the newest. They emphasize square shoulders and reveal tiny waistlines.

Co-eds are seen jangling along with three to five identification bracelets on one wrist (evidence of trophies from the service men).

Satin fitted raincoats in colors, black and grey particularly, have displaced last year's khaki-colored box raincoats, that sported auto-graphics and jivey inscriptions.

Windsor ties looped 'round the head and knotted at the side, are

practical as well as decorative when Kansas winds play havoc with the locks.

Skirt lines promise to be smoother, with fewer pleats. Evening gowns become increasingly more slinky. Checks, in black and white or brown and white, remain chic.

## Morrison Art Gallery Now Open to Public

The Art Gallery on the lower floor of the Morrison building is now open to the public during all school hours and Saturday mornings.

The opening exhibit for the next two weeks will be Mr. Clayton Staples water colors which he painted while in France, Spain, Algeria, Tunisia, Tripolitania, Egypt, and Italy. These paintings are all well known over the state and before coming to the gallery the paintings were on display at the Hutchinson State Fair.

The exhibits in the gallery will be changed frequently and will show professional as well as student work.

## President Gives Tea for Faculty

The annual faculty tea was held Sunday afternoon at the home of President and Mrs. W. M. Jardine. Autumn flowers were used as table decorations and the house decorations carried out the same motif.

Mrs. C. C. Harbison and Mrs. Downing P. O'Hara presided at the tea table.

Mrs. J. Ray Hanna, Mrs. Penrose S. Albright, Mrs. Worth A. Fletcher, Mrs. William T. Hardie and Mrs. Laura M. Cross also assisted Mrs. Jardine with the tea.

## Men Pledge 14 Students

### Rectangle Names Partial List

Fourteen University of Wichita men have pledged the Rectangle Fraternity according to Jack Paulson, the newly-elected president.

At a recent meeting, George Bell was elected vice-president; Bob Johnson, secretary; Paul Bohrer, treasurer; Bill Penfold, sergeant-at-arms; Gerald Carr, pledge captain.

An incomplete list of pledges is Harlan Seeber, Elwood Bell, Bob Overstake, John Cooper, Charles Pendleton, Richard Edwards, Delbert Phillips, John Kocour, Galen Christian, Bill Gartung, Paul Harris, Bob Green, Harry Clawson, and Bill Calhoun.

Bill Burks and Eugene Galloup, originally of the Alpha Gamma Gamma Gamma Fraternity, returned this year to Wichita University from the Army Air Force. Jack Paulson, also of the Alpha Gamma Gamma, returned last year from the Army Air Force. These men are automatically members of the Rectangle.

Just for the heck of it we'd like to say "Hi" to all you lovely people and welcome you back to the academic way of life. And while we're being so clubby leave us be kind toward this columnist 'cause she is very young!

Everybody wonders what happened to Herbie James' hair during the summer. Did he get a bad scare or has he been experimenting with one of those home set permanent wave deals? Either way the effect is charming.

Pi Kap Joan Bond is sooo blue because that sailor of hers has gone back from whence he came. The navy simply has a way of calling back good men. Joan passed the chocolates just recently yuh know.

Marilyn Whitehead was playing tag with the clouds a few days back. Her George buzzed in with his neat convertible, an army discharge and a lot on his mind. Joanne Lyons passed the chocolates recently to her sorority sisters. It was all real charming, especially the part where Ernie Shuart was bombarded with kisses by the sorority gals. He probably would've preferred parachuting into enemy territory.

They probably won't start a style revolution because of it but the Delta Omega pledges are now wearing one white sock and one pink sock. These dainty little articles have become standard equipment . . . orders from the big boys yuh 'understan'.

HAVE YOU HEARD: . . . that Church Pendleton is out-of-this-world . . . that Leenda Andell's ring is STILL making us gasp . . . that pledges are required to wear green hair ribbons with every costume . . . that Janet Israel is lush in almost any color combination . . . that the Y. W. room is having its face lifted again . . .

Bette Heft shocked her friends by having an appendectomy this week end. However, she's well on the road to recovery and will soon back among us.

Have you noticed all the service men around the campus lately? Wayne Holleicke, M. J. Nyberg, Van Jones, Buddy Raymond, Buddy Phillips, Jimmie Swenson and Dick Wohlgemuth. Let's hope they'll soon be back with us.

"While I'm There in the Air" is Pat Gardiner's theme song lately, as she is taking flying lessons and hopes to solo soon.

Add to your calendar dates October 19 as Don Williams, speech instructor is portraying the part of Sir Toby Belch in "Twelfth Night." It is to be sponsored by the University Club.

Kappa pledge Doris Asman did a beautiful job of making love to an unresponsive hassock in sorority meeting last week. Hey Doris, tell the nice people about your extra special job handed down by the actives. Yeah, you know. THAT ONE!

If it seems kinda gloomy around here at time is might be because Doris Jean Meads and her friendly smile are missing from the campus this fall. While she and Virginia Chisom were in Kay See this summer Doris broke both of her collar bones.

Roy W. Elliott, comptroller and head of the engineering department, returned to Wichita yesterday with Mrs. Elliott from a combination pleasure and business trip. The Elliotts spent a few days in Chicago celebrating their twenty-fifth wedding anniversary.

New pledge Nadine Cummings had a terrific time with her semi-preference. She got so excited she marked the wrong sorority but everything turned out beautifully. Nadine is still embarrassed about the whole deal!

You could hear the wail of pain go up from the student body clear down on Market and Douglas when

the East Thirteenth Street bus was knocked out of reach and the East Second Street bus extended its run. If you don't have a car the best means of transportation at the present moment is a good pair of skates.

Despite the controversy which raged all summer between the baggy sweaters, skirts and saddies converts, and neat suits and dresses advocates for campus attire we notice that the former still predominates. College colleens are strong creatures of habit but doncha think it's an attractive rut to get into?

#### Buck's Sponsor Popularity Queen

With this week's issue of the Sunflower, Buck's, Inc., one of Wichita's largest department stores, announces the sponsoring of an election to be held at the University each month during the school year to elect Buck's Campus Queen of the Month.

Girls, chosen on their personality, attractive appearance and popularity as Buck's Queens, will receive handsome gifts from Buck's and will be announced as winners

through the Sunflower. A picture of each queen and facts concerning her campus activities will be carried each month in the Sunflower.

Rules for the election are:

(1) All ballots will be counted void if they do not have a University student's name and address.

(2) This is a closed election. A board made up of Buck employees will count all ballots.

(3) No girl can win more than one election during the year.

(4) Ballots other than those found in Buck's ad in the Sunflower will be considered void.

(5) Ballots must be placed in Buck's ballot box, located in the Commons building.

Jackie Purnell, Buck's representative at the University, will gladly answer any questions that arise concerning the election.

Arrangements have been made with Buck's to have several fashion shows and talks on the campus during the year.

Alma Eikerman, a former student of the art department one year ago and now serving in the Red Cross, visited in Wichita and the art department September 23 to 25. She has just returned from Italy.

# Shockers Clash With Kansas State

## Third Grid Game of Season Scheduled for Saturday

It will be Wichita's third game of the 1945 season and the Kansas Aggies opener as the two schools meet Saturday afternoon at Manhattan.

Intensive practices this week have polished down the rough spots and Wichita fans who attend the game should see a team which has more power, speed and a smoother passing attack than at any time this year.

"We'll be in much better shape for this game than we were for the Tulsa game," head coach Mel Binford stated today in commenting on Saturday's game. "Kansas State has the advantage of playing on their own field but I know that we'll give them a good battle."

Four first string men will see action again after being idle for a

week. Linwood Sexton will be back on the squad at left halfback and Louis Scott will be a possible starter at the fullback position.

**Maris and Sexton Return**  
Glen Maris, after nursing a bad knee for the past week, an injury that he received in the Doane game, will probably start at the quarterback spot. Buddy Coffey, unable to play in the Tulsa game because of a leg injury, will add strength to the passing attack playing end on the Shocker line.

Coach Mel Binford and assistant coach Pete Bausch will use Bob Hudgins or Joe Krafels at the other end position.

Jack Bell and Dillard Luther will handle the tackle spots and it will probably be Bill Penfold and Dick Edwards at guard.

The center job will be taken over by either Frazier, Battershell or McCausland.

In the backfield Harry Clawson, Virgil Parker, Kenneth Hedrick, Lester Watts and John Kocour will all be strong possibilities for starting positions on the Shocker eleven.

**K-State Has Lettermen**  
L. C. "Lud" Fisher, head coach at Kansas State, reports that he has ten lettermen returning this year as compared with only two last year.

His lettermen include: Harold Kinard, Jay Payton, Russ Hardin, Marvin Norley, Harvey Haas, John G. North, Robert King, Bob Mooney, Dale Cowan and Max Harvey.

This gives Coach Fisher a letterman at every position except left halfback. This spot, handled by Dana Atkins, star of the Aggies '44 squad, is a hard one for Coach Fisher to fill.

Records show that W. U. and Kansas State have met five times in pigskin games since the Wichita school became a municipal university. The Aggies won three of these engagements, winning in 1931 and 1932. The Wheatshockers took the next game played in 1942 by a score of 9 to 0. Last year's results showed a 6-6 tie in the first game and a win for Kansas State later in the season 15 to 0.

While under the name of Fairmount College, Kansas State took seven games of the nine played between 1900 and 1913. One of the games was a tie game and Wichita won, 15 to 0, in 1904.

**Tulsa Defeats Wichita**  
Wichita tasted defeat for the first time this year Saturday as the mighty University of Tulsa squad showed their strength by swamping the Shockers 61-0.

Outclassed in every way, the Shocker's passing attack refused to click and the backfield, missing starters Linwood Sexton and Glenn Maris, could gain no yardage against the Hurricane's line.

Tulsa chalked up three touchdowns in the first quarter and

Wichita 72—Doane 0.

**1st Quarter:**  
Sexton opened the scoring early in the first period going over from Doane's 2-yard line. A minute or so later Bell intercepted a Doane pass on the Doane 28 and raced for a goal. Watts' kick was good. Drives by Watts carries over goal number three for the Shockers and the quarter ended 20-0.

**2nd Quarter:**  
The most sensational play of the game came in the second stanza when Linwood Sexton passed from his own 45 to Bob Hudgins who caught the ball on the Doane 1-yard line and stepped over for the touchdown.

**3rd Quarter:**  
Sexton and Hedrick scored early in the third with Watts kicking both field goals. The score at the end of the quarter stood at Wichita—40, Doane 0.

**4th Quarter:**  
Sexton, aided by Watts, Maris and Hedrick, pushed over two more in the final period to complete the scoring.

Final score—Wichita 52, Doane 0.

## Basketball Classes Begin

Classes in men's physical education are starting off with basketball as their first sport this year. The two classes, under the direction of Rush Holloway, instructor in men's physical education, took tests last week to determine their physical condition. The tests will be given again at the semester's end to check on the progress of the students.

The classes will be divided into four groups each. There will be double round robins held in each sport. From basketball they will probably go on to volley ball, leaving touch football till warmer spring weather. Softball is also on the spring program.

## SHOCKER STUFF

Someone was asking us recently about the first football game ever to be played by Fairmount College. The records date back to 1896 when the college played its first football game with Wichita high school. Incidentally the high school won, 10 to 0.

Some confusion is resulting because of the fact that there are two Bob Jackson's on the campus. Both play football and the announcer begins to wonder just who is crazy when Bob Jackson replaces Bob Jackson.

After viewing the Doane game fans expressed the desire to have a better lighting system set up.

If they can wait another year the new stadium should be completed.

Quite an improvement in the system for providing water for the players. They now have portable drinking fountains.

Dr. C. B. Read, professor and head of department of mathematics, and Dr. L. Hekhuis, dean of the College of Liberal Arts, attended a Boy Scout meeting at the K. G. & E. cabin this week-end. Opportunities for senior scouting of the Quivira Council were discussed. The senior program includes explorer scouts, sea scouts, and air scouts.
