Constitution Up for Vote By Students

Criticism to Be Heard By Council Members Next Monday at 3 p. m.

The newly revised Student Council constitution will be placed before the student body for approval or rejection on a special ballot to be distributed at the May Queen election on Friday, April 18 according to Keith Oliver, president of the Council.

The newly written document was completed recently after six months work by a committee including Mary Lou Hobson, chairman, Bob Fidler, Dorothy Hodgson, Thornton Anderson, and Dick Elving.

Constitutions of 20 schools with situations comparable to this University were studied by the committee before beginning work on the new document.

Dr. Hugo Wall, head of the political science department, acted as advisor in the drafting of the constitution. "We were greatly aided by Dr. Wall in revising the constitution, and we didn't write anything in without first consulting him," stated Miss Hobson, chairman of the committee.

In order to give students an opportunity to criticize the new document, a special hearing will be held

by the Student Council on Monday in Room 207, Science Building at 3 p.m. Council members will be present to answer any questions students may have.

The constitution this week received the approval of the Student Affairs Committee headed by Dean Grac Wilkie.

"We have tried to write a constitution which is shorter and as concisely stated as possible in order to do away with the old one which was long, vague, tedious reading, and hard to understand," said Miss Hobson.

Women's rifle match results for March have been announced by Mrs. Thelma Bateman, sponsor. Lois Williams, Alpha Tau Sigma, had highest score, shooting 482. In second place was Ruth Keller, Delta Omega, who shot 479, and in third place Janice Rainey, Independent Student's Association, who shot 470.

Contestants fired five targets each. A score of 475 gives the shooter a sharpshooter rating, achieved by both Lois Williams and Ruth Keller.

Dr. Hekhuis Attends Chicago Meeting of College Professors

Dr. L. Hekhuis, dean of College of Liberal Arts, was in Chicago attending three meetings of college professors March 25 through 28. The meetings were held in the Palmer House and included the meetings of graduate studies and North-Central association. Conference of graduate studies was held Tuesday through Friday, while the dean's meeting convened Wednesday evening. Meetings were held every evening.

"The University of Wichita was facing the same problems of enrollment, curriculum, library, etc. that other institutions were, but my feeling was that in many ways we have gone further in accomplishing these ends than have many of the other schools and colleges," Hekhuis said of the meeting of the deans of universities and colleges, 70 schools were represented at this session.

Dr. John Rydjord, professor and head of the history department, also represented the University at the meetings.

Plan Given Endorsement By Council

Expected 3,200 In Fall Causes Faculty Action To Add More Classes

Anticipating the largest enrollment in history next September, estimated at 3,200 persons, will require additional classes, the University will institute Saturday morning classes beginning with the fall semester according to Dr. Worth A. Fletcher, registrar.

After careful study by the curriculum and Schedule Committee headed by Dr. Lloyd McKinley, the recommendation was made to the faculty. It was later presented to the Student Council and was endorsed by them.

With the present freshman enrollment standing at 1,500 an inevitable increase was seen for the fall semester with most of the G-I enrollment moving to junior status. An increased enrollment meant only additional classes to Dr. McKinley's committee.

Four possible solutions were studied and they are as follows:

1. Begin classes at 7 a.m.
2. Conduct more night classes.
3. Have more classes during the 7, 8, and 9 periods.
4. Have classes Tuesday, Thursday, and Saturday, 8 to 12 p.m.

The first possible solution was ruled out as most persons attending the University do not live near the school requiring them to leave their homes around 6 or 6:15 a.m.

Night classes would mean two trips, back and forth, to the school in order to allow time for the evening meal. Late afternoon classes or Tuesday, Thursday, and Saturday classes remained as the only alternatives before the committee.

The plan calling for Saturday classes seemed to offer the most advantages to the general student body. It was believed that greater flexibility in the student's schedule could be obtained. The necessity for a straight five-day schedule could be relaxed. The student could (Continued on Page 3)

Dr. Jardine Sails Friday

Dr. and Mrs. W. M. Jardine are scheduled to sail tomorrow from Honolulu enroute to Los Angeles where they will board a train for Wichita, according to Lois Carpenter, secretary to the president.

President Jardine is expected in his campus office about April 21, following an absence of about nine months because of serious illness.

The Jardines have been in Hawaii since early January.

Phi Sigs Entertain At Veteran's Hospital

Phi Upsilon Sigma presented their varsity skit, Friday, March 27, to some 150 men being treated at the local Veteran's Hospital.

Arrangements for the program were handled by Robert McGrath, who worked in accordance with the Gray Ladies organization in the Veteran's Hospital.

The program consisted of five acts: an Ink Spot imitation by Bill Geist, Bud Weaver, Garrell Becker, and John Hyndman; a ballet by Dale McCoy, Burton Jones, Bill Fox and Jack Maurer; an adagio dance scene by Maurice Long, Bob Pinkerton, Gerald Sheets, and an imaginary woman, Kathleen.

Joe Faegins played two piano boogie numbers, and the program ended with the group singing "When Irish Eyes Are Smiling", led by Bill Glasgow.

REHEARSING FOR "PETTICOAT FEVER," forthcoming production of the dramatics department are several members of the cast. The students and the characters they portray include, from left to right: Doug Conrad, Sir James Fenton; Chariana Taylor, Ethel Campion; Eddie Sisk, Dascom Dinsmore; Betty Heft, Clara Wilson; Tony Holloway, Captain Landry; and Walter Mulliken, Rev. Arthur Shaphan. Not pictured are Jimmie Kemper, who plays Kimo and two Eskimo dancing girls, April 24. George D. Wilner, professor of dramatic art, is directing the production.

Job Well Done

Appearing today for the first time in the Sunflower is the newly rewritten constitution of the Student Council; it is the product of six months hard work by five members of the Council's constitution committee, which was aided by Dr. Hugo Wall, head of the political science department.

The committee has done well in improving upon the old constitution which was long, vague, tedious reading, and hard to understand. Anyone who has read it will agree. The new document, students will find, is shorter and written with the idea of clarity and conciseness.

No longer can there be confusion as to election dates. The new constitution provides for two a year and sets the exact week in which elections are to be held.

Proportional representation, in filling most offices, will provide for better distribution of representatives to each group according to its voting strength.

The student body will also have the opportunity to see what its student government is doing as all Council meetings will be open.

On Friday, April 18, you, the students, will have the opportunity of either accepting or rejecting the new constitution. You should read it carefully before you make your decision.

If you are not clear on anything about the new document or if you have any suggestions it is your duty to attend the special hearing by the constitution committee on Monday at 3 p.m. in 207 Science Building. The Sunflower believes the newly-written constitution is worthy of the approval of the Student body in that it does much to remedy the faults of the old document.

Veterans Administration's total commitment on these loans, made by private lending agencies, exceeded \$1,708,000,000. Nearly half the total number, or 322,000 were approved within the last 6 months when a monthly average of nearly 54,000 loans of all types were processed for closing.

THE Easter holidays brought many alumni and former students back to Wichita and several of them were out on the campus. Oscar F. Schaaf, '42' dropped in to the office Monday morning to pay his alumni dues. Oscar is teaching and coaching in the high school at Anthony, Kansas.

MARY Virginia Mueller Williams, '46, and husband Dudley, '42-'43, were home from Kansas State where Dudley is going to school. Mary Virginia is working on the K-State campus. Jerry Comer, '41-'43, and Mrs. Comer spent their vacation here in Wichita—away from the Michigan University campus. Jerry is now in graduate school. Jim and Neva Sue Rhinehart Miller (with two young daughters) are visiting Suzie's parents. The Millers live in Fairbault, Minn.

ALSO coming south to Wichita from Minnesota are the Lewis Gasink's (Carolyn Johnson, '43). They came down from St. Paul to visit Carolyn's parents. Ferd and Donice Evans came in from K.U. BUT at different intervals. Ferd, who is in law school, began vacationing on Wednesday, but Donice, who is working in the Dean of Women's office, didn't start until Friday; so Ferd came on down and Donice followed Friday. It worked out satisfactorily, however, because Ferd helped his mother and sister, Jane, get settled in their new home.

R.O.T.C. Detachments Celebrate Army Day Parading Downtown

Detachments from the R.O.T.C. participated in the parade Monday in celebration of Army Day. Starting at Macauley Boulevard, they marched down Douglas Avenue to St. Francis.

Preceding the R.O.T.C. was the University of Wichita band, and following the band was Major General Frederick Evans, commanding general of the Second Air Force. The R.O.T.C. detachment was led by Captain Samuel McAdams, professor of military science and tactics.

Various organizations took part in the parade. These included bands from North, East, and Plainview high schools, American Legion, Veterans of Foreign Wars, Civil Air Patrol and the elementary schools safety patrols.

During the parade, the National Guard sent over a flight of twelve P-51's. Earlier in the day, 40 B-29's flew over the city on their way to Chicago where they will help celebrate Army Day.

Work Begins On Buildings

Foundations for three frame buildings that have been allotted the University of Wichita from Camp Crowder, Missouri by the Federal Works Agency are in the process of being completed this week.

Cost of removal and reconstruction of the buildings is borne by the federal government.

Saturday Classes

(Continued from page 1)

choose between all morning classes or all afternoon classes.

Institution of Saturday morning classes would also alleviate the condition of crowded classrooms and permit smaller classes.

Another advantage would be the expansion of several two hour courses to three hours, permitting the presentation of more essential material to that course.

"Several disadvantages were also recognized by the committee and the faculty," stated Dr. Fletcher. Saturday classes would probably produce a greater tendency to cut, especially on Saturday. Many students will avoid taking these classes. This plan will prohibit a Saturday morning job, it will also mean a shorter week-end. Finally, operating expenses of the school would rise.

Incoming freshmen will be mostly affected under the new schedule as the greatest demand for classes lies in the 111-112 categories.

"We are not trying to force this upon the students, but we believe this to be the best of the four alternatives," said Dr. Fletcher.

The Board of Regents gave its consent last Friday to the new schedule providing it meets with the approval of the majority of the student body.

Many universities over the nation have already adopted Saturday classes including the University of Kansas and Kansas State College. The University of Illinois holds classes from 7 a.m. until 10 p.m., including Saturday.

Field Representative Discusses Insurance At Meeting of Icarus

Benjamin Maynard, field representative of the Mutual Insurance Company of New York, Wichita agency, was guest speaker at a meeting of Icarus, military honorary fraternity, last Wednesday evening.

His subject was G.I. insurance, and he strongly advocated that the veteran should hold on to his insurance as it is the best and least expensive of any kind yet offered.

Said Maynard, "This government insurance guarantees complete coverage, and is far cheaper than any other insurance offered by another company. If the veteran will take time to inquire about government insurance at the Veterans Administration, he will find many new provisions that will be of great benefit to him."

Ollyne Jeffries from Westinghouse Electric Corporation, gave a demonstration before the Home Economics Club Wednesday.

City Rooters Meet Here

Meeting of the Downtown Quarterback Club will be held Saturday 1 p.m. in the Commons' Cafeteria, announced Byron Chapell, chairman.

The coaching staff of the University will discuss plays and formations of football squads to be held during the scrimmage session starting at 2 p.m. Club members will also be introduced to the football team before scrimmage is held.

The Downtown Quarterback Club is a group of businessmen who are interested in furthering the success of W. U.'s athletic activities, and membership is open to anyone interested. The Quarterbacks have furnished money to be spent on taking moving pictures of the Saturday scrimmage.

Reservations may be obtained by calling Mrs. Helen Lake, secretary in the athletic department.

Coach Orders 'Full Scrim'

Second Spring Game Slated for Saturday

"This could possibly be the last scrimmage of spring practice if everything goes well," said Coach Ralph Graham, speaking of the second public scrimmage of the University of Wichita football squad to be held at 2 p.m. Saturday at Veterans Field.

Signal calling has been improved and the quarterback will be informed on the types of plays and how they should be set up. On this basis alone the squad can be expected to make a good showing, as the last scrimmage was conducted with the quarterback calling signals without any definite plays set up, Graham said.

Loss of men has reduced the squad to forty. This has prevented Coach Graham from designating definite squads for the scrimmage. Each player will have a minimum of thirty minutes playing time with passing plays being emphasized.

Backfield prospects who have shown promise and will be given a chance to work with a first or second string line are: Cliff Yarnell, fullback, Harold "Sonny" Reynolds, left halfback, Al Groucho-walski, right halfback, and John Swinehart, right halfback.

SHOCKER SIDELIGHTS

By Dean Campbell

Main talk about the spring football practice seems to be the team spirit that is being displayed. Coach Graham commended the boys highly at a recent meeting of the Downtown Quarterbacks Club. He said that there was more team spirit than he had seen since he had been coach here. If this continues throughout the fall season, and there is no plausible reason why it should not, the fans should see some of the best football in the school's history.

It seems fitting that one should mention this group of men, the Quarterbacks' Club. The University is indeed fortunate to have a group of men in business who are avid sports fans and who are constantly boosting the University's football team.

Spring sports seem to be well under way. Tracksters lost their first meet with Oklahoma A&M but that was to be expected because of the small amount of practice the Shockers had before the meet and with the experience that Oklahoma has had. Golf and tennis men started their competition Monday with wins in both sports.

Somebody Slipped Up

Heard some interesting comments about Varsity letters not being awarded to the men on the golf and tennis teams of last year. Seems like the coaching staff should get their heads together and give some consideration to the boys who participate in these sports. Having a golf team that took a Missouri Valley championship and not awarding letters to eligible men should be rectified.

W.U. Opens Valley Golf, Tennis Play

Shockers Meet Aggies Saturday, Wildcats on Tuesday In Dual Meets

Two home golf and tennis matches are scheduled for this week as play in the Missouri Valley conference officially opens against Oklahoma A & M, Saturday.

Coach Ralph Graham's tennis squad, fresh from a 5-1 victory over Southwestern University, takes on Oklahoma A & M at 2 p.m., Saturday, at the Riverside courts. Kansas State University plays W. U. at 2 p.m. Tuesday, at the Riverside courts.

The golf team, coached by Mel Saturday, at Sims Park golf course Binford, will tee off at 12 p.m., against Oklahoma A & M to open its Missouri Valley conference play. Tuesday the golf team will shift the battleground to Crestview Country Club to play Kansas State with teeing-off time set for 2 p.m.

Golfers and Tennis Team Take Opening Meets from Builders

Shocker tennis players and golfers opened their 1947 campaigns Monday afternoon on the Riverside courts and Sim Park with sweeping victories over the Southwestern University Moundbuilders.

The Shockers took five of six tennis matches over the Builder netmen at Riverside. At the same time the Wichita golf squad was registering an 18-0 shut-out victory by whipping Southwestern on Sims golf course.

Charles Crum led the Shockers in the tennis meet by taking the Builders' Bill Hanlin, 6-1, 6-2.

In the top match of the afternoon Builder veteran Olin Tucker was successful on his singles bid by whipping Ray Bershauser of Wichita, 6-3, 6-1, but his victory was only a token one as the local's Leland Able downed Stuber, 6-4, 6-0, and Chuck Hickman defeated McFaddin by 6-2, 6-2.

In the doubles, Crum-Bershauser combination took a Tucker-Stuber duo 9-7, 6-3, while Able and Hickman combined to whip Hanlin and McFaddin 6-4, 7-5.

The Shockers' golf victory was highlighted by Al Littleton's individual match victory over Marty Sidner of Winfield. Littleton fired a one-over-par 72 to finish five strokes up on Sidner's 77 on the 18-hole distance.

"Such meetings are always inspiring and challenging, as well as being informing," Miss Wilkie commented.

Educational and vocational counseling were main topics of discussion.

Highlighting the meeting, according to Miss Wilkie, was the address on "Consuming Human Resources" delivered by Dorothy Stratton, consultant of personnel, international monetary fund.

Dr. Clinton C. McDonald, head of the botany department, attended the seventy-ninth Annual Academy of Science meeting April 2 at the University of Kansas in Lawrence.

Dr. Martin F. Palmer, director of the Institute of Logopedics, spoke at the "Conference on Exceptional Children" at Topeka today.

Veteran's News

(Continued from Page 2)

Administration officials announced recently. More than 94,000 applications were received during the month in comparison with an average of approximately 50,000 monthly during the past year. Although the majority of National Service Life Insurance policies in force are on a term basis, veterans are increasing conversions to permanent plans, VA said. Of the 5,784,000 NSLI policies in force on March 1, 1947, about seven out of eight were on a term basis, the remainder, 710,000, were distributed among the six available permanent plans. Although NSLI term insurance provides the maximum amount of temporary protection at the lowest current premium, the policies have none of the cash, loan, paid-up, or extended insurance values that permanent plans offer, VA said.

Independents Attend National Convention

Delegates from the local chapter of the Independent Student's Association will attend the National I.S.A. convention at the University of Oklahoma tomorrow through Sunday, according to Marilyn McClintock, publicity chairman.

Campus representatives will be Gene MacIntosh, Mary Jane Vening, Ernie Waite, Leona Sowards, Corine Nuckolls, Harold Perkins, Marilyn McClintock, James Young, Martha Wyatt and Eugene Coughlan.

ROY W. ELLIOTT, chairman, pictured above, will lead the Wichita Chamber of Commerce education committee today noon on activities, problems and prospects of the University, according to J. W. Gates, committee chairman.
