HONOR GROUP IS NAMED

High Tribute Bestowed On Senior Men

Enoch, Howse, Oliver And Sowards Are First Selections Since 1943

Four University graduates of recent years and four seniors of the 1947 graduating class have been named to the men's Honor Group by the Honor Men of 1943.

Keith Oliver, Kelley Sowards, David Enoch, and Jack Howse compose this year's selections. Since no honor group was named because of the war in 1945 and 1946, four other men were named along with this year's group. They include Bob Hill, John Megaffin, Paul Hesse and Francis Hesse.

The honor group of 1943 included Harold Brammer, Tom Cannon, Maurice Curry, and Quentin Isely. The men of this group who are still living in Wichita made the selections from the group of graduating senior men.

This group of men following the procedure as outlined by the constitution of the Honor Group submitted a provisional list to a Board of Review after which the final selections were made entirely by the student group.

In making the selections campus citizenship was considered predominately. Other factors taken into consideration were, character, leadership, cooperative spirit, scholarship, and participation in extra-curricular activities.

The scholarship requirement provides that honor candidates have at least an 80 per cent standing.

Student Trio Attends Meet

Three of the University's ranking student speakers, members of Delta Sigma Rho, national honorary forensic league, represented the University at the Delta Sigma Rho National Student Congress, held Thursday, Friday, Saturday in Chicago.

They were June Cale, Lester Arvin and Jim Harrison. Leslie M. Blake, debate coach, accompanied the trio.

In an effort to broaden and make more realistic the training of intercollegiate speakers and to provide actual experience in the problems of legislating a democratic government, the Student Congress held an actual two-day session and passed three legislative bills.

Representatives from Hawaii completed the attendance of over 200 students and coaches from thirty-two chapters.

Lester Arvin was elected secretary of a special committee to study legislation pertaining to problems of labor and management.

As one of three members chosen from the Congress, June Cale served on a committee investigating the possibilities of expanding the National Student Congress to include the entire western hemisphere.

Copies of the three bills drafted by the Congress will pass across the desk of President Truman, and will go to selected members of the Congress of the United States. One of the bills concerns labor and management problems, and the other public health. The third was similar to bills already in the Congressional Record. This was a bill presented by the Hawaiian delegates proposing the admittance of Hawaii as a member of the United States.

Election Procedure, Rules Announced By Council

Rules and regulations governing the May Queen election tomorrow have been announced by Joan Bond Student Council representative in charge of the election.

The polls will be located in the Commons Lounge and they will be open from 8 a.m. until 1 p.m.

The following is the voting procedure as outlined by Miss Bond:

1. The voter approaches the election table where he is given a ballot. He also receives a card on which he must write his name and ballot number.

2. He then goes alone into the voting booth to mark "X" in the square beside his choice for May Queen, and "X" in the square beside the YES or NO denoting his approval or rejection of the pending Student Council constitution.

3. After marking the ballot, the voter hands the ballot and the card to Ruth Price, Commons hostess, who places the ballot in the ballot box.

4. Upon turning in his vote, the voter leaves the election room.

Miss Bond has also announced rules prohibiting campaigning in the Commons lounge and posting of campaign literature in the voting booths, emphasizing further that public address systems may be used only between classes.

Military Ball Will Be Held Friday Night

Cerney Will Receive Formal Presentation As Honorary Colonel

First annual University of Wichita R.O.T.C. formal military ball since 1942 will be held from 9 p.m. to midnight tomorrow in the Broadway Hotel, according to Capt. Samuel C. McAdams, professor of military science and tactics.

Decorations will consist of flags and ensigns of all branches of service. A military theme will be carried out in table decorations, Warren Wallis, program chairman, said Wednesday. Mahlon "Skip" Hawkins and his band have been contracted to play for the ball.

Highlighting the evening's festivities will be the presentation of Eileen Cerney, Sorosis, as Honorary Colonel of the University's air and ground units.

After the mounting of the colors, Captain McAdams will formally present Miss Cerney under a canopy of sabers. Upon completion of the presentation, the Honorary Colonel will lead the units in a grand march.

Independents Play Leads Attend Meet Are Picked

Five delegates from the local independent Student's Association attended the National I.S.A. convention at University of Oklahoma last week, where 21 colleges and universities were represented.

Campus delegates were James Young, Gene McIntosh, Ralph Stiles, Martha Wyatt and Corine Nuckolls.

"Financing Independent Organizations," was the title of a discussion led by McIntosh. Young received some professional publicity when asked to display magical talent at the final banquet Saturday night.

The convention, according to McIntosh, gave the University students a chance to discover the trends and ambitions of other universities throughout the nation and to exchange ideas on student government and campus organizations.

Ehram Elected New Officer of State Group

Wilber Ehram, head of the University Guidance Center, was elected vice president of the Kansas Guidance Association at a meeting held at Manhattan last Saturday.

Six new four-way reading lamps have been installed in the Commons Lounge to provide better reading light for students, according to Mrs. C. U. Price, Commons hostess.

Saturday Classes Draw Fire From Some; Praised by Others

By Lester Rosen

Several University male students this week praised the new plan of Saturday classes to be instituted next semester, while several others expressed unfavorable opinions of the new schedule which will bring about the offering of three-hour courses, especially in the freshman category, on Tuesday, Thursday, and Saturday.

Although the Sunflower has not attempted, as yet, to discover the attitudes of a large sample of the students on the campus, the following interviews were taken early this week from representatives of the freshman, sophomore, and junior classes.

Bill Wingate, sophomore: "It's a fine thing for people who are living

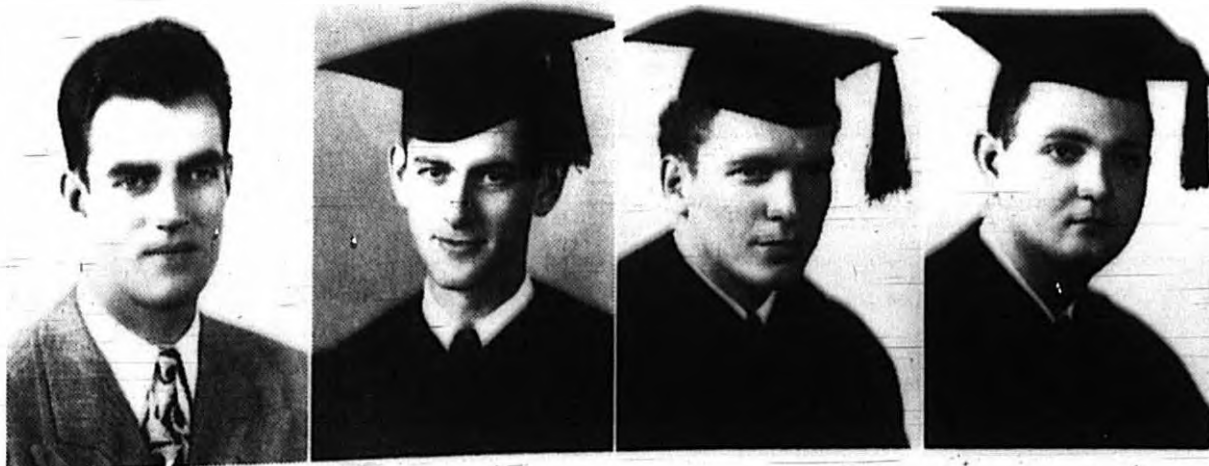

with their folks and don't have to work on Saturdays. However, for the veteran freshman, who may have a family to support, it may mean curtailment of his education by making it impossible to work on a part-time basis."

Gil Weeder, sophomore: "I believe it is a good idea, for the facilities are available on Saturday and should be used. Even though it might cause some hardships, a larger enrollment will create a better school, and Saturday classes are the answer to handling that increased enrollment."

John Crichton, freshman: "I don't believe that the faculty should have taken it upon themselves to make such a decision. There are too many fellows who have to depend on Saturday jobs to get them through the week. The matter should have been voted on by the students."

Pat Rowley, sophomore: "I am in favor of the plan and am willing to arrange my outside schedule to comply with the new school schedule."

Dan Dwyer, junior: "If the plan is kept on an optional basis it will be alright. But, if not, it will create a lot of inconveniences. I, personally, am in favor of it." (Continued on Page 3)

MEN'S HONOR GROUP OF 1947 was announced this morning by the Honor Men of 1943, the last group to be selected since the war. The four men, all graduating seniors this spring, are pictured above. They include from left to right, David Enoch, Jack Howse, Keith Oliver and Jesse Kelley Sowards. Four other men including Bob Hill, John Megaffin, Paul Hesse, and Francis Hesse were also named to the group representing the Honor Men of the years in which no selections were made.

Your Right To Vote

Tomorrow is election day on the campus and just as it is the duty of every citizen of Wichita to vote in the primary and general elections so it is the duty of every citizen of our University community to vote.

Appearing on a special ballot tomorrow will be the consideration of the newly revised constitution. That constitution is the authority-giving document of our student government.

Every student should read it in the Sunflower before going to the polls. However, those who do not read it and those who do not vote should not be the ones to criticize the student government or its constitution later.

Everyone has the privilege to express his opinion tomorrow by ballot. Let everyone vote tomorrow or remain silent thereafter.

The honor of May Queen will go to either Dorothy Bruce or Gloria Fouts. They are both deserving senior women. They are deserving of your trip to the polls to cast your vote for the one you, the student body, feel is your choice. May the better woman be victorious.

HERE are some pertinent facts about the procedure for veterans under Public Law 346 at the completion of the semester. All veterans under this law will automatically be interrupted at the completion of this semester and classified as follows: (a) Those who do not enroll in summer school and do not want leave will not be required to report to the Veterans Administration Guidance Center as to what they intend to do. (b) Those who do not enroll in summer school but desire to take accrued leave must complete Form 1908 between May 1 and 15. Forms will be available at the Guidance Center.

Leave is accumulated at the rate of two and one-half days per month for each month in training. (It should be noted here that time used as leave will be deducted from the period of eligibility.) (c) Veterans who re-enroll for summer school but do not desire leave to cover the period between terms need not file forms or take any action. (d) Those who re-enroll for summer school and do desire leave to cover the period between terms should stop by the Veterans Administration Guidance Center and pick up and file two copies of Form 941 sometime between May 15 and 29. These should be completed and held until registration day for the first summer session. On registration day they should be handed to Veteran Administration personnel. (e) If you are transferring to any other school in this region except the University of Kansas, and are planning to enter your new school this summer, you should obtain two copies of Form 7-942 and complete them sometime between May 1 and 15. If you are planning to wait until the fall semester to enter your new school, these forms should be completed sometime in June. 3. If you are transferring to another school outside this region VA Form 7-942 must be completed between May 1 and 10. If, in addition, leave is desired to cover between semesters, Form 1908 should be completed.

GOOD news for veterans who may have signed a pre-discharge statement saying that they did not wish to file a claim for disability compensation, according to the regional VA office.—Assistance in preparing claims can be obtained from the VA Guidance Center, which will submit the application form to the Wichita office for rating and determination of compensation.—If a veteran applies within a year after discharge, awarded compensation can be made retroactive to discharge date. If he applies later, compensation begins as of the application date or the date on which disability evidence is found, whichever is later.

TO National Guardsmen: The VA Guidance Center reports that veterans in University of Wichita under the GI Bill may receive drill pay as members of the National Guard without including it in their reports of estimated earnings.

Notes and News:

The indications around Los Angeles are that Artie Shaw, the "now I'm married, now I'm not" man, is shopping for a new band, which makes better listening news than his matrimonial sonatas. Doris Day, the cute little chick who added the jazz touch to the now-disbanded Les Brown band, has signed up with the Columbia people for a stack of vocal records with a small combo background. And Perry Lee will do some recording with hubby Dave Barbour. Nice listening coming up, folks.

For you who may have gotten a little worried, forget it; Stan Kenton definitely is not going to disband. Fact is he just signed a big contract with Capitol. Frankie Laine is getting the publicity he deserves, and better yet, the work spots which pay off. He joins the Les Paul Quartet at Dixon's in New York. Up he goes! Tex Beneke and the Miller band will sign for the Chesterfield summer spot soon after this is written; so there's another favorite who won't get away.

Chuck Foster (Mercury) "Linda". This is the tenth recording of this pop hit that I've heard, and as far as I'm concerned, you can break the rest of 'em. Foster has a knack of arranging a sweet tune in the proper manner. He uses a full, rich ensemble with just the right touch of muted brass. Behind the vocal Chuck keeps the band muffled and lets Tommy Ryan carry the record to the finish. A very refreshing style. Not too sweet, yet the romantic touch is there. Very danceable. The flip side is "Roses in the Rain", with Ryan again singing. No choice on sides; both are excellent.

Benny Goodman (Capitol) "Lonely Moments" and "Whistling Blues". As you know Benny hasn't re-organized his own outfit yet, so he borrowed a studio staff band to back him on these Mary Lou Williams' compositions. Technically you couldn't ask for better clarinet work, and this should prove that

Newman Club Holds First Spring Meeting

Newman Club will hold its first social meeting of the spring season at 7:30 o'clock at Blessed Sacrament Hall. Refreshments will be served, and dancing, bridge, and ping-pong will comprise the evening's activities.

John Cooper, president of the organization, stated that the social committee is making plans to accommodate all members, and that every University Catholic student is invited to attend the meeting.

A short business session will precede the evening's recreation.

The Great Goodman hasn't slipped even a little; but something is missing and if you listen closely you'll recognize the exact phrasing of passages which Benny used in the pre-war days, which only proves that he hasn't seen fit to copy the complex mannerisms of the rock-in, "be-bop" style of the moderns. But what the heck—he still plays the greatest harmonic jazz of the day.

New Constitution up for Vote Is Presented by School Paper

The newly-written constitution of the University of Wichita which is proposed by the Student Council will be voted on by University students at the May Queen election April 18. This constitution, completely revised, appears as follows:

Constitution of the Student Council of the University of Wichita

PREAMBLE

We, the students of the University of Wichita, in order to facilitate the formulation, execution, and coordination of all student affairs in cooperation with the University administration, do hereby establish the Constitution of the Student Council of the University of Wichita.

ARTICLE I

Membership

1. The Student Council shall consist of the four officers and of five members elected from the student body at large by proportional representation, and of two Seniors, one Junior, and one Sophomore, chosen by their respective classes.
2. All members shall take office one week after election and serve for a period of 12 months.
3. All members shall have a satisfactory scholarship record, as prescribed in the by-laws.

ARTICLE II

Officers

1. Officers of the Student Council shall consist of a President, Vice-President, Secretary, and Treasurer, to be elected from the student body at large.
2. All officers shall serve for a period of 12 months.
3. All officers shall have a satisfactory scholarship record, as prescribed in the by-laws.
4. The President of Student Council must have senior standing, and the other three officers must have junior or senior standing.

ARTICLE III

Duties of the Officers

1. The President
 - a. Shall preside at all Student Council meetings.
 - b. Shall direct the activities of the Council.
 - c. Shall appoint all committees of the Student Council.
2. The Vice President
 - a. Shall preside at those meetings from which the President is absent.
 - b. Shall assist the President in his administrative duties.
 - c. Shall serve as chairman of the election committee.
3. The Secretary
4. The Treasurer

ARTICLE IV

Powers of the Student Council

1. The powers of other student organizations shall be subordinate to the powers of the Student Council.
2. The Student Council shall regulate and administer student customs, traditions, and celebrations.
3. The Student Council shall superintend and administer all student body elections according to the provisions of the by-laws.
4. Vacancies in Student Council offices, class offices, and Student Council representation shall be filled by election by the Student Council according to the by-laws.
5. No money from the Student Council treasury may be expended without Student Council appropriation under the rules set forth in the by-laws.

ARTICLE V

Faculty Committee of Arbitration

1. A Faculty Committee of Arbitration shall act as a board of arbitration in matters concerning interpretation of the constitution or by-laws or contested elections. Action of the committee may be obtained only by the request of a member of the Student Council or a candidate for office.
2. The Chairman of the Faculty Committee of Arbitration shall be appointed from among faculty members at the beginning of each Student Council administration by the President of the University.
3. Other members of the Committee shall be appointed according to the by-laws.

ARTICLE VI

Amendment of the Constitution

1. Amendments to this constitution may be proposed by a two-thirds vote of the Student Council, or by petition signed by twenty-five per cent of the undergraduate students.
2. Amendments to this constitution require ratification by a majority of the students voting on the question in the next student election.

ARTICLE VII

By-Laws

1. By-laws of the Student Council may be enacted by a two-thirds vote of the Student Council.

ARTICLE VIII

Suspension Procedure

1. In case of emergency, any or all parts of this constitution may be suspended temporarily by a unanimous vote of the Student Council and the approval of the President of the University.

By-Laws of the Student Council of the University of Wichita

ARTICLE I

Membership

1. No person may serve on the Student Council who does not have a minimum over-all grade average of 1.0.
2. Members chosen by proportional representation shall be elected during the third week of the first semester. The single-transferable vote system of proportional representation shall be used in electing those members.
3. Members chosen on a basis of class representation shall be elected during the fourteenth or fifteenth week of the second semester. A class representative shall be declared elected upon receiving the largest number of the votes cast for that position.

ARTICLE II

Officers

1. No person may serve as an officer in the Student Council who does not have a minimum over-all grade average of 1.0.
2. Officers of the Student Council shall be chosen at the same time as the class representatives to Student Council. An officer shall be declared elected upon receiving the largest number of votes cast for that position.
3. Student Council officers shall be elected by the student body at large.

ARTICLE III

Class Officers

1. No person may serve as an officer of a class who does not have a minimum over-all grade average of 0.75.
2. Officers of classes shall be chosen at the same time as those members of Student Council chosen by proportional representation. A class officer shall be declared elected upon receiving the largest number of votes cast for that position.

ARTICLE IV

Elections

1. The Vice President of Student Council, serving as election chairman, shall supervise the counting of all ballots. Ballots shall be counted by the Student Council members, except
2. In proportional representation elections, the ballots shall be counted by the Student Council with the assistance of a faculty representative from the political science department.
3. The quotient for election shall be established by the Council for each election in accordance with the formula used in the Hare system of proportional representation.
4. The Student Council shall fill vacancies in Student Council offices, class offices, and Student Council representation by election from a list of nominations submitted by the organization of which the vacating officer was a member. A majority vote of the Council shall suffice to fill the vacancy.

ARTICLE V

Meetings

1. All meetings of the Student Council shall be open except those declared to be executive meetings by a two-thirds vote of the Council.
2. A majority of the Student Council members shall constitute a quorum, and a majority of the quorum may pass a measure.
3. All meetings shall be conducted according to parliamentary law as set forth in Roberts Rules of Order, except when such rules conflict with the Constitution and by-laws of the Student Council.
4. The Student Council shall meet weekly, holiday recesses not included.
5. Special meetings may be called by the President or a majority of the Student Council.

ARTICLE VI

Finances

1. No funds may be withdrawn from the Student Council treasury without a requisition signed by the Treasurer and President of the Student Council.
2. At the end of each administration, the Treasurer of Student Council shall submit a complete financial report to the Sunflower for publication.

ARTICLE VII

Standing Committees

1. The President of the Student Council, at the beginning of each administration, shall appoint chairmen and members of each of the following committees. The chairmen must be members of the Student Council.
 - a. Variety Committee
 - b. Election Committee
 - c. Publicity Committee
2. Any other committees which the Student Council deems necessary shall be established by the procedure outlined in Article VII, Section 1, of the by-laws.

ARTICLE VIII

Psychology Students Visit State Institution

Members of the Psychology Club participated in a field trip to the State Training School for the feeble-minded at Winfield last Friday. The trip was made for the purpose of studying methods used in curing the insane.

According to Dr. N. H. Pronko, head of the psychology department, who directed the trip, the students found the Winfield institution efficient and the patients' quarters clean, but the methods of psychological treatment were lacking because of the need of trained personnel.

Fifth Debate Is Broadcast

In the fifth of a series of radio debates being presented by the University of Wichita over radio station KFBI, Richard Hobbs and Philis Hetherington opposed a University of West Virginia team on the question, "Resolved: That advertising should be regulated by the federal government." The debate was broadcast at the regular series time, 9:30 p.m. Tuesday.

The next debate will be: "That women should receive equal pay for equal work," James Fitzpatrick and Walter Mullikin vs. the University of New Mexico, to be held April 29.

Roy W. Elliott, comptroller of University of Wichita, is vice-president of the Wichita chapter of Rotary Club International for the coming year.

PLANS FOR THE MILITARY BALL to be sponsored by the Reserve Officers Training Corps of the University have been completed and the formal affair is scheduled to be held in the Roof-garden of the Broadview Hotel tomorrow from 9 p.m. until midnight. Honorary Colonel Eileen Cerney is pictured above with her escort, Cadet Captain Howard Anderson.

Band Tours Five Towns

The 90-piece University Concert Band will be guests of five Kansas high schools on its annual spring tour Monday and Tuesday.

The band, directed by James Kerr, will play at the Kingman, Pratt and Dodge City High Schools on Monday and the Larned and Great Bend High Schools on Tuesday.

Programs will feature the trumpet trio of Delbert Johnson, Melba Bram and Joe Longorio, and a bassoon solo by Larry Intravala.

Faculty Professors Hold Open Discussion

Dr. Hugo Wall, Dr. John Rydjord and Dr. Dell Hitchner, members of the political science department, held an open discussion meeting last night at the Wellington High School Auditorium.

Topic for discussion was "Nations in a Atomic Age" and the problems which confront the United States and Russia.

ally, use the weekend to catch up on my studies."

Ralph Hearn, freshman: "Five days of school is sufficient. Students should have the week-end to themselves."

Warren Southard, junior: "I went to Drake University, where they had a six-day week, and it does reduce the load of night classes. I think it is a good idea, and if I have to, I will take Saturday classes."

Bill Farrow, freshman: "Too many fellows work on Saturday, and if they don't work, their folks or their wives have some special errands planned for Saturday morning."

Ed Pores, sophomore: "If the University is willing to accept veterans and older students, it should be equally willing to accept their accompanying problems. It is a common misconception that \$65 or \$90 per month will support the G.I. or his family, as a result, some of us are forced to work on Saturday. I feel these cases should be given special dispensation and no Saturday classes."

Ernest Namee, freshman: "Personally, I have to work on Saturday. Generally, I believe it will relieve the congestion of the school."

Bob Tanner, sophomore: "It's a good plan and surely is the best of the three alternatives." (Referred to the classes beginning at 7 a.m., late afternoon classes, or night classes which the faculty would have been forced to adopt in lieu of the Tuesday, Thursday, and Saturday plan.)

"NOTORIOUS GENTLEMAN"

WINNER of 1947 title of Phi Upsilon Sigma, "Sweater Girl" is Helen Carter, University senior and member of Alpha Tau Sigma sorority, pictured above. She was selected by the fraternity at its annual dance Friday night.

Liberal Arts club will meet at 2:30 p.m. today at the home of Miss Mabel Crocker, 1130 Forest. Miss T. J. Carter will give a review.

Officers of Mu Phi sorority installed at a ceremony Monday are Peggy Gene Lentz, president; Abbie Marie Slentz, vice president; Zellah Dustin, secretary; and Mary Frances Titus, treasurer.

FIGURE seen dashing about campus waving both arms excitedly and shouting "It's a girl, a girl, a girl," was J. R. Ashton, head of Espanol. Ashton, who has three sons, says this is the first girl child born in the Ashton family in 65 years. Congratulations to padre y madre!

SELECTION of "Sweater Girl" by Phi Sigs was acclaimed by all when title was bestowed upon Alpha Tau Helen Carter . . . who received a sweetheart pin, corsage, and sweater bearing Phi Sig emblem. Gamma varsity was a big hit and reasons were obvious . . . chairs 'n tables, splendid decorations, a laugh provoking skit . . . and an original quartet with more original songs.

HIGH School group visiting Commons Friday was slightly pink when serenaded by blaze (?) sorority girls. Understand waist measurements of Howard Overstake and George Walker are .00001 inch smaller after randum tandum cruise Friday.

BRAVELY, but red-faced, he crept down the stairs . . . and then he (Burton Jones) and Janet Brosius passed chocolates to pleased Alpha Taus. Recently engaged are Marilyn Gwinn to Bill Fox and Pat Hinshaw to Andy Chandler . . . and could it be that Liz Shultz is planning a spring wedding with that "old friend" from Texas? June Cale had nice things to say about Texas, and vice versa, upon return from national debate convention in Chicago . . . convenient that Jim

Adams of the Texas team was scheduled to speak here Tuesday eve. Are Gammas over-doing this Simms picnic stuff?

AND many a W.U.'er is knocking off from a six weeks cramming to see "Open City" at the Roxy. Pat Pottorf amazed at size of crowd who showed up for mysteriously planned party. Beth Jones and Anita Faye Lallement returned from nationwide convention of women's organizations at Minneapolis tired but inspired. Beth saw Betty Hart (now Mrs. Dick Johnson), former W.U. art student, while there. Margaret Hesse was rather embarrassed when Dr. Marsh discovered she was wearing half concealed curlers to class . . . my, my, what a difference a little rain can make in hair styles! Rumor has it that Jack Magathan has been married since Feb. . . . Speak up, boy!

Titus and Fouts Win New Musical Honors

Mary Frances Titus won the auditions held Monday by the alumnae chapter of Mu Phi Epsilon, honorary music organization. Miss Titus chose as her selection "Prelude and Fugue in A minor" by Bach-Kabalevsky.

Mary Lu Taggart received honorable recognition.

Other contestants for the \$36 scholarship were Gloria Fettes, Abbie Slentz and Zellah Dustin.

Gloria Fouts, senior in the music department, has been nominated by the local Mu Phi Epsilon chapter for the National Scholarship Award Contest.

Qualifications are scholarship, professional activities, Mu Phi Epsilon activities and campus activities.

Dames Club To Meet At Speech Institute

University Dames will meet at 2:30 p.m. today at the Institute of Logopedics. Mrs. W. L. Barritt will give a demonstration of logopedic technique. Refreshments will be served.

Hostesses are Mesdames W. A. Fletcher, L. B. Sipple, J. S. Allen, G. H. Burrow, J. R. Berg, R. V. Christian, Jr., R. W. Elliott, S. C. McAdams, D. C. Reed, and G. Terwilleger.

Frank Tiffany, head of the Wichita bureau of the Associated Press, will address the two freshman reporting classes in the journalism department second and third hours Friday. He will discuss news reporting for the wire associations as compared to that for the individual newspaper.

Jardines Expected Here This Week-end After Long Absence

Dr. and Mrs. W. M. Jardine are expected to arrive in Wichita this week-end, according to Lois Carpenter, the president's secretary.

The Jardines sailed from Honolulu, T.H., last Friday and were to have left by train from Los Angeles, Calif., yesterday.

Dr. Jardine, absent from campus duties since last August because of illness, is expected to be in his office early next week.

Latest reports are that his health is "much improved."

Students and faculty of Bryn Mawr College are sending shipments of food supplies to selected groups in Europe.

Taggart Attends Two Meets in Minneapolis

Gladys M. Taggart, director of women's physical education, will be in Minneapolis, Minn., this entire week, attending two physical education meetings of the Southwest.

From Monday to Wednesday, Miss Taggart will participate in the college meeting of the Central Association of Physical Education for College Women, where she will be chairman of one of three committees in charge of the program for the convention.

Central District Health, Physical Education and Recreation Association representatives will meet the remainder of the week.

Programs concerning all age groups, from grade school to college, will be presented.

Joint Dance Is Saturday

"Manhattan Merry-Go-Round" is theme of honorary fraternities and sororities' semi-formal dance scheduled for Saturday in the KFH ballroom. Mahlon Hawkins and orchestra will play.

Four night clubs are to be depicted. They include the famous "Stork Club" of New York, Billy Rose's "Diamond Horseshoe," the "Zebra Room" and the "Kiss Room."

Participating in the event are Aesculapius, honorary science fraternity, Omega Upsilon, national professional dramatic sorority, Phi Mu Alpha Sinfonia, honorary music fraternity, Mu Phi Epsilon, national honorary music sorority, University Players, dramatic club, Pi Beta Chi, honorary art fraternity, Gamma Rho, chapter of Kappa Delta Pi, national honorary educational fraternity, and Psychology club.

Track Team To Tulsa, KU

BULLETIN

Track meet with Tulsa has been cancelled because of weather. Arrangements are underway to reschedule the meet.

This week will be a busy week for the Shocker track team. Tracksters were in Tulsa Wednesday and will travel to University of Kansas at Lawrence, Kan., to participate in the K.U. relays on Saturday.

According to Coach Ab Bidwell, the Shocker runners will be up against such schools as Texas University, Ohio University, Kansas University, and several other large universities of the Southwestern Conference. Due to the heavy competition in all fields the Shockers will concentrate on the sprint relay, two-mile relay and the mile relay. Bidwell added that football stars Linwood Sexton, Jack Hazlett and Al Grouchowalski will be added to the track line-up.

The men who will participate and their respective events at both the Tulsa and K.U. meets are listed as follows:

Mile run: Jolley, Oder and Lallament. 440-yard dash: Alley, Devore, and Murray. 100-yard dash: Grouchowalski, Southard, Ramsey, and Sexton. 120-yard high hurdles: Evans, Smith, and Konecny. 880-yard run: Donaldson, Hunter, and Phillips. 220-yard low hurdles: Evans, Smith, Konecny. Mile relay: Alley, Devore, Muhey, Grouchowalski, and Nichols. Shot put: Balkman, Heibert, and Houser. Discus: Balkman and Houser. High jump: Mullen, Douglas, and Hazlett. Pole vault: Anderson and Silverthorn. Javelin: Heibert and Hazlett. Broad jump: Barnhouse and Hazlett.

Cosmopolitans Hold Contests Tomorrow

SHOCKER SIDELIGHTS

By Dean Campbell

Light has been thrown on the complaint aired by this column last week about the golf and tennis teams not having letters awarded to them. Coach Graham reports that last year there was no tennis team and no schedule and that consequently no letters could be awarded. As for the golf team, the letters are ordered but due to a material shortage they haven't arrived.

Monday's scrimmage gives a preview of things to come next year in the way of good football games. From where I sat the defense that the Black team put up against the Gold was pretty fair for spring practice. This was in the last quarter where the third string was playing against the fourth string. It did show, however, that the coaching staff is working hard to develop both a strong offense and defense.

The passing attack that Coach Graham is developing should prove a definite asset this fall to open up a tight opponents defense. Several of the boys that originally started on the Black team are showing definite signs of improvement and will probably see their share of the game next year playing on the field against the University opponents.

Cliff Yarnell, game little back that hails from Lock Haven, Pa., has certainly proven this spring that he'll be in there fighting next fall when the Shockers again check out their uniforms. Harold Reynolds, former North high school star, was outstanding on the passing plays in the scrimmage. Bill James, who played end on the Black team, made several good stops and looks like good material as a linesman. Al Grouchowalski also playing in the backfield, showed promise as a running back who has the ability to shake-off tacklers. Cliff Henderson, rangy linesman, showed the ability to stop his opponents and looks like a solid defensive player.

Ab Bidwell's tracksters had a little tough luck at Emporia but with the football practice completed

a few more gridmen will report to his squad. The weather has still been a jinx for the trackmen as they have had little time to work out. If weather conditions clear up and the boys have ample time for practice, we should have quite a few firsts come our way in succeeding track meets.

English Instructors To Attend State Meet

Seven instructors from the University English department will attend an annual meeting of the Kansas Association of College Teachers of English at Pittsburg State Teacher's College tomorrow and Saturday.

Two years ago the University of Wichita entertained as host to the K.A.C.T.E.

Those attending the meeting will include Dr. Eva C. Hangen, Dr. Geraldine Hammond, Mary Haymaker, Dr. T. Reese Marsh, Dr. Robert G. Mood, Eleanor McCormack and Lucille Gossett.

The world's pole vault record of 15 ft. 7 1/4 in., is held by C. Warmerdam who made this vault at Modesto, Calif., May 23, 1942, according to A.A.U. records.

Tracksters Take Second at Emporia

Shocker trackmen took second place at the Emporia meet there last Saturday. Wichita won all running events except the 880-yard relay. Jolley, star miler, was out of the line-up.

Trackmen who took first places were: Mullen, Smith, Konecny and Evans in the 480 shuttle hurdle relay; Ramsey, Nichols, Konecny in the one-mile relay; Oder, Phillips, Hunter, Donaldson, in the two mile run; and Murray, Matthews, Oder, and Hunter in the distance medley.

One second place was also taken which was the high jump, with Mullen, McCaslin, Baldwin, and Douglas placing in order listed.

The A.A.U. record for the 880-yard run is held by S. C. Wooderson of London, England, with a time of 1 min. 49.2 sec.

The high jump record of 6 ft. 11 in. is held by Les Steers according to the A.A.U.

Davis To Attend Meet of N. C. A. A. As Valley Delegate

Dr. Earle R. Davis, English department head, left yesterday for New Orleans, La., to attend an athletic policy committee meeting as a representative of the Missouri Valley Conference.

Dr. Davis was chosen as a representative by members of the Missouri Valley Conference.

His capacity at the meeting will be that of an on-looker in order to determine an expression of opinion on the attitude of Southern schools toward the National Collegiate Athletic Association.

Record time for the 100-yard dash belongs to Jesse Owens and Frank Wykoff who ran it in 9.4 seconds according to the A.A.U.

Jesse Owens running broad jump record of 26 ft. 8 1/4 in. made at Ann Arbor, Mich., on May 25, 1935, is still the worlds A.A.U. record.

How many do you have in your house?

Counting on your fingers is fair. But first, make a quick guess: How many electric motors do your home-work for you? Would you say 3? 5? Maybe 10?

Now count 'em up. It's easier if you think of them room by room. How about the bedrooms? Electric clocks and shavers each have a motor. So do the fans you use in summer.

A modern kitchen is a gold mine. There's a motor in the electric refrigerator, the food mixer, the ventilating fan. (The list at the right will remind you of others.) Don't skip any rooms. Even the basement and storeroom may be rich picking.

Finished? How does the count compare with your guess? Most people guess way low. Actually 10 motors per house is common—20 is not unusual!

But, whatever the number, the point is true. We seldom realize how many jobs electricity does for

us, because it does them so dependably, regularly and cheaply.

You've helped bring this about by taking advantage of so many electrical opportunities. And the men and women of the business-managed electric companies are always working to bring you better service at lower cost. That's why the price of electricity has gone down and down, while the price of almost everything else has gone up and up.

Listen to the New Electric Hour — the HOUR OF CHARM, Sunday, 3:30 P.M., C.S.T., C.B.T.

Emporia State Here For Golf and Tennis

Today, the tennis and golf teams go into action once more as they meet Emporia State at 2 p.m. on the Riverside courts and Crestview Country Club, if the weather permits.

Two important tennis and golf matches were rained out last week and had to be postponed until a later date. The Oklahoma A & M golf match was called off after nine holes had been played in the rain, with W.U. holding a 4-2 edge with in a short time. Tuesday's match

with Kansas State was also rained out.

Ralph Graham's tennis team remains home to take on the Kansas State "Wildcats" at 2 p.m. Saturday, on the Riverside courts. The golf team, coached by Mel Binford, journeys Monday to Winfield to meet the Moundbuilders from Southwestern University.

Jesse Owens ran the 220-yard dash in 10.3 seconds on May 25, 1935, to set an A.A.U. record.

Gunder Hagg of Sweden holds the A.A.U. world record for the mile run with a time of 4 min. .01.4 seconds.

Two Seniors Will Coach

Bill Draut and Charles "Hoot" Gibson, graduating seniors and former football players, have signed contracts for coaching positions, according to Dean Leslie B. Sipple of the College of Education.

Bill Draut will go to Minneapolis, Kan., to coach the high school football team.

Draut, a graduate of El Dorado High School in 1940 and a star tackle for El Dorado Junior College, was elected to All-Kansas Junior College football team in 1941. He came to the University in 1942 and after playing one season, was called to the Army where he served three years, two of which were spent in the China-Burma-India theater.

Ralph Graham terms Draut as "the best 175-pound tackle I've ever seen."

Draut was also a two-season letterman in basketball.

Gibson has signed a contract to begin coaching at Kinsley, Kan., high school after graduation this spring.

He has attended the University for four years and has lettered in football and track. He played football in 1938, 1939, 1940 and was a mainstring halfback on the 1946 squad following Army service.

Gold Takes Black In Final Tilt

Score Is 38-0; Passing Attack Is Stressed By Shocker Athletic Staff

With frequent passing attacks the Gold team defeated the Blacks 38 to 0, Monday in the second and last spring scrimmage held on Shocker field.

In the first quarter Anton "Hap" Houlik tore through the Black line to score after six plays had been completed. Tom Allen, veteran kicker, placed the ball between the goals for the extra point. On the next play Al Gouchowski, Black team back, made a 55-yard run only to have it nullified as the Golds held and took the ball.

A pass from Sexton to Hazlett netted the Golds 10 yards on the next and on the following play Sexton hurled the ball 55 yards to arms of Houlik for the second touchdown. The extra point was missed.

The second quarter contained little action except a novel run by Art Hodges who was sent to kick the Black team out of trouble but was forced to run with the ball. He ran it for a first down.

In the third quarter Houlik of the Golds carried the ball to the Blacks' seven-yard line and Hodges plunged through center for the touchdown. Tom Allen punted for the point making the score at 20-0.

Four members of the Black team, Yarnell, Clayton, Henderson, and Reynolds, changed to gold jerseys.

A pass from Reynolds to Yarnell put the Gold on the five-yard line and in the next play a pass from Reynolds to Hazlett netted a goal. The conversion was missed and the score was 26-0.

In a succeeding play the Golds recovered a Black fumble on the 27-yard line and started a march to the goal. As they neared the goal a play which took Hedrick around left end counted for the Golds making the score 32-0.

Fourth quarter play was by far the liveliest of the game. It consisted mostly of third and fourth stringers as opponents on Black and Gold teams. It started with Freddie Silverthorn running the ball for 55 yards on the kick-off. Kenny Hedrick then carried the ball to the five-yard stripe after his pass in the previous play to Silverthorn had netted eight yards.

On the next two plays Hedrick and Silverthorn brought the ball to the two-yard line. Thus, what had looked like a sure goal march was aborted by the brick-wall defense of the Black team. Hodges kicked the Black team out of trouble and Ray "Scooter" Morrison ran the ball from the 47- to the 22-yard line with the help of a well-placed block by Walt Knoke on Hazlett, who was about to make the tackle. Three passes were attempted by the Gold team and on the fourth down Morrison ran wide around right end for the final score.

Assistant Graduate Openings Are Offered by Two Schools

Openings for graduate assistants are available in the University of Southern California department of botany for students working on master's and Doctor's degrees in plant ecology, morphology, physiology and taxonomy, announced Dr. C. C. McDonald, head of the bacteriology department, Tuesday.

Two classifications are available: laboratory assistants with a bachelor's degree in botany, or laboratory assistants with a master's degree in botany and/or previous experience as teaching assistants. Remuneration will be \$800 and \$1000, respectively for two semesters with possibilities of additional pay for work during the summer session.

Duties will include teaching laboratory sections of general botany and related subjects and usual duties of teaching assistants.

Application blanks may be received from Louis C. Wheeler, head of the botany department, University of Southern California, University Park, Los Angeles 7, California.

Increased opportunities for graduate study research and graduate assistantships are available at the University of Tennessee, continued McDonald.

Fields of bacteriological investigation represented are physiology and taxonomy, pathogeny, food, dairy and agriculture. Strong supplementary training is provided through cooperation with other departments in related scientific fields. Unique research opportunities are available through a cooperative arrangement with the biology section of Clinton Laboratories at Oak Ridge.

Annual stipend for graduate assistants is \$800, and all fixed fees

for two semesters. Duties assigned allow assistants to carry a course of study equivalent of three-fourths of a full schedule, said Dr. D. Frank Holtman, head of bacteriology department, University of Tennessee.

Winners of the speech contest sponsored by the Will Rogers Club last week were Tom Raum, first place; Karl Pond, second place, and Bill Gawthrop, third place.

The contest was held in the commission room of City Hall.

Other contestants were Clark Geddes, Leon Green, Jack Graves, Jack Kiebs, Verl Martin, John McLean and Lester Rosen.

New Constitution Proposed

(Continued from Page 2)

ARTICLE IX

Amendment of the By-Laws

1. These by-laws may be amended by a two-thirds vote of the Student Council, provided that the proposed amendment shall be submitted at a regular Student Council meeting, and acted upon at a subsequent regular meeting of the Student Council.

Note: By resolution of the Student Council on February 25, 1947, the election of class representatives to Student Council will take place on the third week of the first semester in the fall of 1947, along with the election of members chosen by proportional representation and the election of class officers. This arrangement will allow those representatives who took office in January of this year to serve for a longer term. After the election in the fall of 1947, the provisions in the new constitution will prevail.
