Leads For First Play Are Chosen

Dramatic Production Will Run Three Days Beginning on Oct. 23

Cast leads for "Papa Is All", the first University dramatic production of the season, to be presented October 23, 24, and 25, have been given to Helen Christy and John Kelso, announces George D. Wilner, director.

The three-act comedy by Patterson Greene, was produced by the Theatre Guild of New York City. Its humor is portrayed by a farm family in the heart of the Pennsylvania Dutch country.

Miss Christy, who heads the cast as Mama Aukamp, is a University (Continued On Page 8)

School Mixer Is Tomorrow

The second all-school dance of the year to be sponsored by an organization, will be the all-school mixer tomorrow night, Friday, Sept. 26, in the men's gym.

The dancing will start at nine o'clock with the popular Dick Haughton band doing the musical bits, featuring Bobby Kness as vocalist.

The all-school party is being sponsored by the I.S.A., with Jo Rutherford acting as chairman of the gay affair.

Admission to the event will be only 60 cents for stags, one dollar per couple, plus tax.

This party is to be the first of a series of such dances to be sponsored by the I.S.A., said Ernie Waite, I.S.A. president. Plans have already been completed and the series will be continued, with one a month to be given.

There will be no varsity Saturday night, Sept. 27, as a result of a meeting of the varsity committee last Monday afternoon. The next varsity will be Oct. 10.

Campus Party for Facilities; Shockers for Excuse Change

Campus and Shocker Coalitions announced this morning their platforms for the forthcoming election being held tomorrow in the Commons Lounge. Campus is campaigning for additional temporary fountain and cafeteria facilities and Shocker is driving for abolishment of the excuse system for absences, announced coalition managers.

Complete Campus platform is as follows:

1. Provision of immediate temporary fountain and cafeteria facilities to be used until new Union building is completed.
2. Establishment of more adequate campus parking facilities.
3. Better organized Victory walkouts.
4. Use of Student Council funds to strengthen campus activities.
5. Cooperation with the administration to secure larger bookstore space with capacity to handle used books and serve students faster.

"Campus coalition has three officers on the Student Council as a result of last spring's election. These officers have not served during a regular school year, but they have succeeded in systemizing election procedure and organizing a booster trip for this year's football game at Tulsa", stated Sam Osterlag, Campus Coalition manager.

Complete Shocker platform is as follows:

1. Voting to abolish the excuse system for absences as in larger universities.
2. Continued insistence for fair elections.
3. Continuing to represent fairly the unaffiliated student.
4. Voting to complete arrangements on newly proposed Union building . . . a Shocker coalition achievement.

"Shocker coalition would like to remind students of their achievements during the past year. Revision of the student Constitution and plans and financial arrangements for building new student Union are two Shocker innovations to the students of this university" announced Rae Batt, Shocker coalition manager.

Police Plan Crackdown On University Speedsters

The local police department is prepared to take drastic steps if necessary to stop reckless driving by University of Wichita students, Sergt. Floyd Hannon, safety director, warned Monday.

"Several complaints have already been received by the department in reference to students driving at high rates of speed on East Thirteenth and South Hillside," Hannon said. "Patrolmen have been assigned to the main streets leading to the University and if the issuing of summons against the violators does not stop such foolish and costly driving a plan for the revoking of drivers licenses will be put into effect."

Under the plan to revoke drivers license, which is already being used against high school students, any student who is arrested or given a summons for traffic violations will lose their right to drive a car for a period of time

ranging from a week to two weeks according to the seriousness of the violation.

With more students attending the University this year than ever before the traffic problem has increased considerably by the large number of student drivers.

Slow and careful driving is the only sure method of a safe trip to and from school.

"The routes taken by the majority of the University students pass by several intermediate and grade schools causing a very dangerous condition," Hannon stated. "Speed has been responsible for five out of the eight traffic fatalities which have occurred this year. Don't let it be responsible for any more."

Fall Student Election To Be Held in Commons Lounge Friday Morning

All Students are Urged to Vote; Changes Made in List of Candidates; This Election Will Fill Student Council and Class Offices

Twenty-nine offices will be filled at the fall student election tomorrow in the Commons lounge. The polls will open at 8 a.m. and close promptly at 1 p.m.

All students on the campus, except graduate students, are eligible to vote in this election.

For the first time in the history of the University, five Student Council representatives will be chosen by proportional vote. There will be no restriction of classes on this ballot.

In addition, four class representatives will be chosen for the student Council.

The two parties have announced the following candidates:

Shocker coalition candidates for proportional Student Council representatives are Art Hodges, Dorothy Neis, Kenny Hedrick, Vinita Hood, and Jo Miller. Senior representatives are Maurice Starr and Charles "Bill" Banks. Junior representative is Pat Rutherford. Sophomore representative is Pat Taylor.

Senior class officers are as follows: president, Ralph Brack; vice president, John Stucky; secretary, Zella Dustin; treasurer, Betty Brock; and sergeant-at-arms, Lihwood Sexton.

Junior officers are president, Lester Rosen; vice president, Tom Wells; secretary, Martha Roop; treasurer, Nancy Quinlisk; and sergeant-at-arms, Earl Hamilton.

Sophomore officers are president, Bill Smith; vice president, Roy Craig; secretary, Jo Ann McKinley; treasurer, Marcia Fisher; and sergeant-at-arms, Jim Dennison.

Freshman class officers are president, Dean Skaggs; vice president, Tom Hanson; secretary, Doris Doornbos; treasurer, Georganna Pollock; and sergeant - at - arms, Jodie Jennings.

Campus party candidates for proportional Student Council representatives are Bert Davies, Ru Beuke, Elbie McNeil, and Jeanne Courtney. Senior representatives are Dave Enoch and Gloria Lembke

Bailey. Junior representative is Beverly Coldsnow. Sophomore representative is Burton Randle.

Senior class officers are as follows: president, Dan Dwyer; vice president, George Hickok; secretary, Betty Jean Cox Friend; sergeant-at-arms, Homer Hulsey; and treasurer, Marge Morris.

Junior class officers are president, Bob Meilert; vice president, Bud Weaver; secretary, Biye Hinson; sergeant-at-arms, Don Smith; and treasurer, Shirley Holloway.

Sophomore officers are president, Bill Mosbacher; vice president, Janet Brosius; secretary, Marjorie Van Camp; sergeant-at-arms, Bill Mitchell; and treasurer, Betty Williams.

Freshman class officers are president, Dick Haughton; vice president, Gea Stark; secretary, Pat LeBoeuf; sergeant-at-arms, Burton Hall; and treasurer, Carolyn Caunts.

Vaccination Results Must Be Recorded

All students who received vaccinations for small pox on September 9 and 10 and who have not had the results of these vaccinations recorded should report immediately to Room 117, Science Hall, according to Dr. Clinton C. McDonald, health department chairman.

In order to determine the negative or positive results of small pox vaccinations they must be examined within two weeks.

CONCERT SERIES COMES TO CAMPUS

Frances Yeend

Mario Lanza

Whittemore & Lowe

David Robertson

Rose Bampton

Regular concert series sponsored by the Wichita Symphony will be brought to the University of Wichita campus this fall, according to Walter Duerksen, chairman of the music department.

Approval of the concert series by the Board of Regents and Student Council resulted from petitions circulated on the campus recently. These petitions were instigated by a group of students interested in obtaining the series for the Student body of the University.

Concerts will be given in the University Auditorium the night previous to the scheduled downtown concert. The guest artist will present the same program at both concerts.

Scheduled to appear for 1947-48 concert season are the following artists: Frances Yeend and Mario Lanza will open the series on October 30, 1947. Miss Yeend, a young soprano, and Lanza, a tenor, have titled their appearance, "An Evening of Opera".

Whittemore and Lowe, distinguished pianists, will appear December 4, 1947.

David Robertson, concertmaster of the Wichita Symphony and assistant professor of violin and instrumental theory in the University, is scheduled to appear January 15, 1948.

William Kapell will present his piano concert February 19, 1948.

Final guest artist of the concert season will be Rose Bampton, who will appear March 11, 1948. Miss Bampton is a featured soprano of the Metropolitan Opera Company.

"This student series will be one of the most outstanding university series in this country. It is one of the few which will feature both a nationally famous guest artist and a symphony orchestra," Duerksen stated.

The Wichita Symphony will accompany all guest artists. Many of the musicians that make up the 87 piece symphony orchestra are identified directly with teaching positions. Orien Dalley, professor of musicology at the University, is conductor of the Symphony.

The student concert series will be open to University students only. Students will be admitted to concerts upon presentation of their activity tickets. Charges for the concerts were included in the activity fee.

Faculty members will be admitted only by purchasing a Wichita Symphony membership which entitles members to attend the entire concert series. No single admission tickets will be sold.

Student Council

New Student Council members will be chosen by an all school election Friday. But do we, the voters, fully understand the purpose of this Council?

The members of this group represent all University students in an organized student government. It is their united effort, as laid down in the preamble of their constitution, "to facilitate the formulation, execution, and co-ordination of all student affairs in co-operation with the University administration".

In summary, the Council's duties are to superintend all student elections, regulate and administer student customs, traditions, celebrations and varsities, and to help solve student problems. The members meet weekly to fulfill their obligations to the student body.

Briefly these are the efforts and duties of the Council. But it is the duty of all the students to know the purpose of the group and to familiarize themselves with the provisions of the constitution. Only in this way will we be able to elect conscientious members to represent us in our student government.—R. T.

Veterans' News

By C. O. Taylor

THE OLD EAGLE will be flapping his wings the first time this semester for campus veterans in just a few days. According to R. M. Colver, chief of the Veterans Administration Guidance Center, veterans who pre-enrolled with the Center during the month of August should receive their subsistence checks by October 1-6.

Veterans who did not go through the pre-enrollment procedure should not expect their checks before November 1. So, those vets who did not enroll with the Guidance Center will receive checks for September and October—in about two months.

EACH FRIDAY has been set as the day for veterans to consult the Guidance Center on any question they may have regarding their insurance, loans, pensions, schooling, etc.

SPEAKING about insurance, veterans who have discontinued or let their National Service Life Insurance policies lapse, may reinstate their insurance before December 31, 1947.

IMPORTANT! Vets, this is for your benefit, so read it carefully and get it straight. Two weeks after a veteran enrolls with the Veterans Administration Guidance Center, he should have received a "Notice of Authorization of Subsistence Allowance", VA Form 7-506.

This "Notice" means that you have been placed on the payroll and will receive subsistence allowance. It shows the amount of payment authorized, the date the payment will begin and the date it will end. In all cases, the date ending the subsistence should be September 11, 1948.

Also, on this form, appears the amount of the entitlement or the number of days and months of schooling you have left. This remaining entitlement was computed from September 8, 1946.

If there is any question about the entitlement take the "Notice" to the Guidance Center for immediate verification or correction.

Veterans who have not received this form should contact the Guidance Center, Room 154 Administration Building.

ALL VETERANS pursuing graduate studies should report to the Center, if they have not done so.

REMEMBER to keep an eye on the bulletin boards at the Guidance Center. They contain information that applies to both Public Law 16 and Public Law 346 trainees.

Now for the QUESTIONS and ANSWERS which may help solve some of your problems.

Q—I am a World War II veteran taking a school course that requires three hours per week. Am I entitled to receive subsistence under the G. I. Bill?

A—If you are taking an undergraduate course at a college or university, you are eligible for one-quarter of the full subsistence allowance.

POLITICS ON THE CAMPUS

Typed On A Wednesday

By William Fein

On the island of Sumatra lived a native named Sinatra. Though he's no relation to a crooner by the name of Frank. His skin is rather dusky and to say the least, he's husky. But this poor forgotten fellow had no money in the bank.

Till the age of one and twenty, though he didn't have a penny, He was happy on the isle, the isle where he was born. Then he met a roving pastor; who would save him from disaster, By showing him a technicolor "still" of Lena Horne.

From the moment that he saw her, he no longer could ignore her, And solemnly he vowed that someday she would be his own. For his long suppressed libido, sharp as steel of famed Toledo, Caused him pain that traveled to the morrow of his bones.

To rectify this situation, brought about by his relation With a picture of the girl whose very image haunts his dream. He would swim around the isle, (more than fifteen hundred mile) It was the only way he had to blow off excess steam.

Then he had an inspiration that promised him salvation And immediate removal from this charming tropical isle. He built a raft of timber, held by thick vines that were limber, And on the day he finished, he set out for a trial.

Though privations were terrific, upon the blue Pacific, Sinatra was determined to reach the U.S.A. And after months of sailing, his resistance nearly failing, He entered San Francisco on the good ole New Years day.

Amid the celebration that spread throughout the nation Sat a man upon a flimsy raft who wept dejectedly. Though he sailed here without cover, just to be beside his lover, The immigration quota from Sumatra was but three.

Since his trials and tribulations could not change the regulations, Once more he sailed upon the sea that he had learned to hate. And so ended Sinatra, for he never made Sumatra, Though he made an eight-course dinner for a porpoise and his mate.

And the moral of this story, though the details are quite gory, Should be heeded and adhered to if a long life's what you wish. Please don't let a strong libido, sharp as steel of famed Toledo, Make you a very sumptuous eight-course dinner for a fish.

Radio News Analyst Outlines UNESCO At Recent Meeting

George Gow, news analyst of radio station KFH, at an address before the Sedgwick County United Nations Educational, Scientific, and Cultural Organization, Monday evening at the Roosevelt Intermediate school, outlined the aims and ambitions of UNESCO.

"UNESCO has as its declared aim the establishment of peace in close association with the United Nations and kindred organizations, by means of schools, press, radio, films, libraries, museums and art, combined with various agencies of adult education," Gow said.

The local council's primary function, according to Bert A. Hedges, chairman of the meeting, is to act as a promotion center for the United Nations and to disseminate information in the various professional fields obtained by international interchange of ideas. UNESCO is non-sectarian, and recognizes no racial barriers.

During the meeting plans for a new constitution were discussed.

Forum Tickets Are Available to Members

Members of the Student Forum board who have failed to obtain their supply of tickets to sell for the coming programs are urged to obtain them from Patrick Hanagan at Dean Neff's office between 10 a. m. and noon on Tuesday, Thursday or Saturday.

A prize of \$10 will be awarded to the member selling the largest number of tickets.

Whan Has Returned From Radio Meeting

Dr. Forest L. Whan, head of department of speech, returned Friday from the National Association of Broadcasters convention held in Atlantic City, N. J. Dr. Whan has attended the convention for the past three years largely because of his work in radio research. On his return, he stopped in Topeka to arrange for transportation of the new WU radio transmitter.

Warning!

Parking Violators Will Pay Fines In New Campaign

A concerted campaign to prevent parking violations on the campus has begun with the tagging of all violator's vehicles according to John Gaddis, buildings and grounds superintendent.

Fines will be regulated by the Student Council recommendation of last year that allows for one warning ticket before the fines begin. The second and each ticket thereafter received will be \$1 payable at the cashier's window and the student will receive no school credit until these fines are paid.

Tickets will be distributed for parking in marked red curb zones, double parking, crosswalk blocking, restricted truck loading zones and parking in front of fire hydrants. These rules apply to campus drivers only.

WU Begins Operations

Students Interested In Radio Work Needed

WU, campus radio station broadcasting on 640 kilocycles, will begin its broadcasting season at noon on Monday, Sept. 29. The program is tentative at this time but plans call for a one hour program daily to be expanded as rapidly as possible to three or four hours, according to Don Williams, station director. The complete program will be announced later.

A new transmitter has been installed in the station by K. G. Marquardt, chief engineer for three Kansas stations. Marquardt installed the original WU equipment. With this new transmitter, WU is expected to give better and more extensive coverage on the

Mikergues Organize In Commons Tonight

Mikergues, the Campus radio club, will meet at 7:30 p. m. today in the Commons Lounge. All students interested in radio or in working on WU campus radio station, are invited to attend. The purpose of this first meeting is to organize the club for this school year and to discuss plans for station WU.

campus and surrounding residential area.

The call is now out for students with interest and some talent who can work as announcers, newscasters, engineers, or disc jockeys, or who have program ideas. Prospective engineers should report to Bob Barns. Others see Williams in the speech department on the fourth floor of the Administration building; or come to Mikergues meeting at 7:30 P.M., in the Commons Lounge.

Building Priorities End September 30

Last day for students to exercise their priority in reserving the auditorium or the gymnasium for extra-curricular activities will be Tuesday, September 30, it was announced today by Gene Spangler, auditorium manager.

An entirely new procedure has been used in reserving buildings for student and public social events. This year a student priority period, in which numerous groups were given one month to make all reservations before the calendar was thrown open to the entire public, was installed. This period was set to be from Sept. 1 to Oct. 1.

Letters were sent to all clubs, fraternities, sororities, and other groups by the comptroller's office. All students who did not receive a copy of this letter may acquire one at the cashier's window. Contained in the letter are a list of the rental fees for University buildings and procedure for obtaining the reservations.

The Parking Area around Veterans field football stadium has been given a coat of oil to eliminate muddy and dusty conditions.

Help!

Band and Orchestra Instruments Needed Says Duerksen

"Band and orchestra instruments are urgently needed by the music department," announced Walter Duerksen, chairman. "There is a critical need for additional French horns, sousaphones, baritones, trombones, alto clarinets, bass clarinets, oboes, and bassoons."

The concert and marching bands need these instruments if they are to continue. The University symphony orchestra needs more violas, cellos, and string basses, stated Duerksen.

Anyone who has any of these instruments and who would be interested in either selling or renting them please contact the fine arts secretary in Morrison Hall, said Duerksen.

Utah State University, of Logan, Utah, was co-champion of the Big Seven conference in 1946, with a season record of seven wins, two losses, and one tie.

After Losing to the 1946 Shocker football squad by a 13-7 score, the University of Toledo bounced back to defeat Bates in the Glass Bowl.

Debaters Will Meet To Elect Officers

University debate club will meet Tuesday evening at 7:30 in the Commons lounge with the intention of electing new officers and forming a new constitution.

Seventeen members of last year's club will be present and will form the nucleus of the new organization. Old members include, Herbert James, Bill Reynolds, June Cole, Karl Ponds, James Fitzpatrick, Walter Mulliken, James Young, Virgil Moore, Sylvester Holtze, Merle Butcher, Dick Hobbs, Barbara Dunlop, Frank Welsh, Keith Eales, Don Moore, Leo Wetta and Lester Rosen.

Paul Walker, end coach at the University of Wichita, was a starting end on the Kansas All-Stars in the annual MO-KAN bowl game in 1946 and was named on the St. Louis U. all-opponent team, the same year.

Take Exams, Grads Urged

New graduate students are requested to take their graduate record examination as soon as possible, according to Dr. John Rydjord, chairman of graduate studies.

Application blanks may be obtained at the graduate office first floor of the Administration building. Dr. Rydjord stressed the fact that the applications must be in by Oct. 9.

Two men have completed their master studies, writing their theses on chemistry, said Dr. Rydjord. They are John S. Belew and Charles Fairbanks.

Lynn W. Winget is the only student taking honor studies at the University. His honor work is in Spanish under the direction of Prof. Eugene Savaiano, acting head of Spanish department.

Study Grant Goes To Jacquetta Downing; \$500 Award To Girl

Jacquetta Downing, professor and head of the French department, has been awarded an International Study Grant in her name. The Jacquetta Downing International Study Grant provides \$500 for a French girl for graduate study in the United States.

Prof. Downing, who is state fellowship chairman of the Kansas division of American Association of University Women, was given the honor for outstanding leadership in educational research. Only 54 previous grants of this kind have been made.

Theresa Roussel is the French girl who received the grant. She will do graduate work in English and American literature at Wellesley college.

Y.W. Starts Annual Drive

Young Women's Christian Association will conduct its annual membership drive next Monday through Wednesday, it was announced yesterday by Marjean Spencer, president of the organization.

A booth will be located in the rotunda of Administration Building where members may pay their dues of 50 cents per year and receive their membership pins.

Emphasis will be placed this year upon working in conjunction with Associated Women Students on contacting every woman on the campus, continued Miss Spencer.

Meetings of Y.W.C.A. are held once a month. At the first meeting questionnaires will be passed out wherein each member may indicate her preferences for committee work throughout the year.

Hal Bingham, senior, zoology major, was awarded the F. C. Sauer scholarship last spring. This scholarship is made possible by the interest on a sum of money which the wife of Dr. Sauer gave for that purpose, according to Dr. Hazel E. Branch, head of the zoology department.

Twelve Committee Members Appointed By Women Students

New committee members named at the Association of Women Students meeting Tuesday night were announced by Beth Jones, president. The committees are as follows: Program chairman, Virginia Castres; Assistant, Jean Gay; Publicity chairman, Joan McKinley; Budget committee, Mary Lou Taggart; Associate, Pat Rutherford. The point system committee is

headed by Jerry Nelson with the Women's Honor Group as her committee. This group is composed of Maxae Wells Fey, Jeanne Ritteroure, Ru Bueke, Marjean Spencer and Betty Ensign. Sue Bowers is chairman for the personnel committee. "Any girl wishing information about AWS should contact any one of these committee women," Miss Jones concluded.

Flora M. Means, sociology instructor, whose office was formerly at 329 Administration Building, is now located at 423 Administration Building.

Round about the Campus

CAMPUS "eager beavers" can relax — Hollywood has refused to follow style trends in ladies apparel. Forthcoming movies will continue Glamma Gamma, National sorority.

Twin girls arrived recently at the home of Mr. and Mrs. Marvin Campbell. Lana and Linda were mentioned as possible names for the newcomers. Papa plays end position for the University Shockers. Another female member of the diaper-set has come to stay at the home of Mr. and Mrs. Earl Busch. TRYING TO outdo one another on the football field last Saturday were Jack Stanger, Pete Perry, Hugh Cowan, Dale Silcott, and Bill Ray. The reason — their gal-friends from out of town were here to watch them.

Bob "With No Pants On" Worthington, as he is known around the Gamma house, found himself that a way Sunday evening because of an afternoon of bird-dogging. 'Twas at the first of open house parties to be held on the campus this fall. Looking mighty nice in their Sunday best, pledges visited with guests, while A. D. Martin drafted

actives to work in the kitchen. JUNE CALE, Kappa Rho, shows nicotine stain of the left hand . . . this strictly right handed woman enjoys watching the live ashes reflect in the solitaire received Friday night from Jack West, Gamma alumnus. Standing behind a huge box of chocolates, Cecil Kenagy knocked at the Pi Kappa door last Wednesday and meekly asked for the gal who captured his heart, Abbie Slentz, who also is wearing a bee-utiful diamond.

Now to the latest in men's fashions—slinking around in a local hotel looking like fugitives from a linen closet were Webster actives, Sonny Sumpter and Dick Hobbs, who were kidnapped on the pledge walkout last Monday. Danny Smith can be seen modeling a complete "kiddy" suit which he won at the recent hole-in-one golf contest.

Latest events KAPPA RHO announces two new pledges; Jane Ann Scott and Cleora McFadden. Future events include: I.S.A. all-school mixer Friday night, Jim Daniels promise of a plaid paint job on his car, and Alpha Gams, Betty Coed dinner, Saturday night.

BY THE looks of the crowd at the Missouri-Pacific station last night, Whocks and Wheaties groups were giving the football squad a rip-roaring sendoff. Making with the music was the campus pep band. As for the faculty, the arrival of a third son leaves Doc Taylor with no choice but to sound proof the walls of his home. Meanwhile a donation of ear plugs will be appreciated.

Picnic for Home Eco Group Planned

A picnic will be given by the Home Economics Club on Thursday, October 2, at 5 p.m. All majors and minors are invited and will meet in the department office at 5 p.m. Details of the picnic will be posted in the Home Economics office.

Officers of the club are Wanda Vogt, president; Katherine Maloney, vice president, Mildred Schaff, secretary, Corine Nuckolls, treasurer.

Greeks Pick Pledge Heads

Greek organizations on the campus have elected their pledge officers for this semester. They are the following:

Alpha Tau Sigma: Gea Stark, President; Suzanne Gray, Vice President; Sharon O'Rourke, Secretary; Jo Ann Smith, Treasurer; Betty Dodson, Song Leader; and Mary Ann Reed, Keeper of the Roll.

Delta Omega: Phyllis Plumb, President; Doris Doornbos, Vice President; Mary Lou Simpson, Secretary; and Dorothy McComb, Treasurer.

Epsilon Kappa Rho: Pat Le Boeuf, President; Anna McHugh, Secretary; Carol Anderson, Treasurer; Ann Hereford, Sgt. at Arms; Georgia Hammond, Keeper of the Roll.

Pi Kappa Psi: Gloria Skaer, President; Thelma Graber, Vice President; Peggy Dull, Secretary; Edna Richardson, Treasurer; Irene Bauml, House Assistant.

Sorosis: Mary Corrigan, President; Beverly Taylor, Vice President; Georganna Pollock, Secretary-Treasurer; Barbara Coats, Sergeant-at-Arms; and Carol Lovelace, Song Leader.

Alpha Gamma Gamma: Ralph "Sonny" Parks, President; Paul Heineman, Vice President; Jack Sheats, Secretary; Ed Masters, Treasurer; and Bud Clayton, Sgt. at Arms.

Men of Webster: Wilson Cadman, President; Roy Swanson, Vice President; L. M. Benefiel, Secretary; and Phil Wheeler, Treasurer.

Phi Upsilon Sigma: Ed Denning, President; Charles Harris, Vice President; Reid Kays, Secretary; Harry Crow, Treasurer.

French Instructress Sees War Horrors

Phillida Whitby, new instructor in French, knows some of the horrors of war for she and her family were in England until the time France fell to the Germans. They left England for Montreal, Canada when fear of invasion became imminent. It was there that she learned elementary French.

Miss Whitby was born in Hull, Yorkshire, England while her English parents were visiting relatives. Soon after her birth they returned to their home in Canada.

It was in March, 1939, that Miss Whitby's parents made their last trip to the British Isles. After some difficulty they were able to book a return passage to Canada.

Shocker Football Squad Plays Under Lights At Utah State Tomorrow

1946 Big Seven Conference Co-Champions Play Second Game of '47 Season Against University of Wichita Shocker Grid Squad

University of Wichita Wheatshockers will arrive in Logan, Utah, tomorrow to meet the Utah State Agriculture College, 1946 co-champion of the Big Seven conference, in a game played under the lights of the university stadium.

Head football coach Ralph Graham is taking approximately 35 men on the road trip, along with line coach Jim Trimble, end coach Paul Walker, and trainer Les Needham.

Max Milbourn, faculty representative, and Bill Mendell, publicity representative, are also accompanying the Shockers.

Graham has not released a starting lineup but will probably use the same three team combinations that were so effective against Warrensburg Teachers, last week.

Men most likely to receive backfield nods are the hard running starting backfield of 1946; Linwood Sexton, LH; Art Hodges, FB; Hap Houlik, RH; and Earl Hamilton at the QB slot.

In the line, the likely starters are Walt Knoeke or Tom Allen, LE; Carl Creely or John Agee, LT; George Walker, LG; Vincent Gott, C; John Stucky, RG; Paul Houser, RT; and Marvin Campbell or Mike Knopick at the RE position.

Little is known of the true offensive power of the Utah State football team, which lost its season opener with San Diego State by a 24-19 margin, because of a bad case of fumble-itis, losing the ball on nine out of twelve miscues.

Coach Dick Romney has eight 1946 starters back, four of these were chosen on the 1946 all-conference teams.

After winning the conference football championship three years in a row, the Shockers withdrew from the Central conference in 1940.

Grid Team Bucks Mules

Displaying plenty of offensive power in scoring five times, the University of Wichita Wheatshockers rolled up a 33-0 victory over Warrensburg Teachers in Veterans Field last Saturday, to open the 1947 grid campaign.

Superior manpower was a great factor in allowing Wichita to roll up such a score as Coach Ralph Graham used three different teams in regular shifts, allowing the players to be rested and fresh at all times.

The three teams showed almost an equal amount of offensive and defensive ability in gaining 334 yards rushing and holding Warrensburg to 84 yards rushing and 23 yards on three pass completions out of 12 attempts.

The Shockers unleashed a fine aerial offensive as well as a good running attack by completing five of nine passes for 110 yards and two touchdowns. Linwood Sexton and Eddie Kriewel did the chucking for W.U., with Sexton tossing both touchdown passes.

A crowd of approximately 6,000 sat through a drizzling rain to watch Wichita score five times, with five different men doing the trick from the three team combinations.

Football Fans! Freshmen Gridgers Open With Victory Over Junior College

Freshmen football squad opened the 1947 season with a 12-6 victory over the hard rushing El Dorado Junior College Jucos, last week, under the lights of old Shocker stadium.

A crowd of about 2000 fans watched Vic Rubbo score both Shocker tallies, one on a pass

from Bill Farina, and the other on an intercepted pass good for a 70-yard Wichita touchdown. The Jucos scored their lone tally in the closing minutes of the game.

Fine performances were turned in by several men, but Bob Caruthers, colored halfback from Chicago, and Bill Farina, Rochester, Pa., sparked the Shocker squad with a running and passing attack.

The New Football clock in Veterans Field was given to the school by the graduating classes of 1940-1947.

Hazlett to Receive Scrapbook of W. U. Football Clippings

Jack Hazlett, 1946 letterman end of Shocker fame, will soon receive a large and complete scrapbook of W. U. football clippings compiled by Mildred Cecil of the Commons building.

The attractively bound book contains clippings from The Sunflower, the daily Wichita papers, and others. Jack was seriously injured last summer when he was thrown from a horse and has been bedridden since the accident. Miss Cecil and Miss Hattie Gesner, director of the Commons Food Service, plan to send future clippings to supplement the book.

The first forward pass in football history was thrown on Christmas Day, 1905, in an experimental game between Fairmount College and Washburn College of Topeka, with the encouragement of President Theodore Roosevelt.

Library Initiates Student Assistants

In order to increase the effectiveness of library service student assistants at the University Library are initiating an in-service training program under the direction of R. Paul Bartolini, assistant librarian.

Both former and new students have taken a general library information test. Subject matter of the training program for student assistants is based on the needs of the library's patrons, with the test result being used to indicate areas where student assistants need specific instruction in order to better their service to the patron.

Willie is Bright Enough

But the
Light ISN'T !

"We ought to give Willie a chance to prove that he's brighter than the bad light that he's been given to study by," says Reddy Kilowatt. "And when I say 'bright' light I don't mean light that consists of one bright spot that dazzles his eyes and makes him fall asleep.

"Better Light is light that is bright enough to let Willie see his work without straining his eyes. But it must be placed properly and free from glare, too."

Let a K. G. & E. representative counsel you about the kind of light you should have in your home - - not only around your child's study table, but in all of the places where intense eye-work is done.

Intramurals Schedule To Begin Today

This Year's Program Open to All Students Interested in Sports

The Intramural program, headed this year by John Kocour, gets into full swing Thursday, September 25, on the practice football field with the first frame of a single round robin speedball schedule. The organizations that will be represented are; Alpha Gamma Gamma, Men of Webster, Phi Upsilon Sigma, Independent Students, and the Cowpokes.

This system is so arranged as to give every man on the campus a chance to participate in his favorite sport or sports, and will feature speedball, touch football, wrestling, and basketball.

Some of the regulations to be observed by participants will be:

1. Each organization will have easily distinguishable uniforms or shirts.

2. A varsity letterman will not be allowed to compete in the sport in which he lettered until, either one year has elapsed, or he has the permission of the coach.

3. A player shall not be permitted to transfer from one club to another until the season is over. The committee also requested that drivers park their cars on the north and east sidelines only, and that they refrain from driving on the playing field.

An Intramural manager meeting will be held today at 1 p. m. in Ab Bidwell's office.
