

COLORFUL PARADE BEING MAPPED

Homecoming Spectacle Announced

Prizes Will Be Offered Three Best Floats of First Post War Parade

First Homecoming parade since the war is tentatively announced as 10:30 p.m. to 11:30 p.m., Saturday, Oct. 25, according to Pat Rutherford, co-chairman of Homecoming parades. All participants are to meet at Lawrence Stadium at 9:30 Saturday evening.

All student organizations will enter floats in the parade. Any individual may enter his own float. Everyone who expects to be in the spectacle must be signed up with the parade chairman before Oct. 24, Pat Rutherford said.

Prizes will be given for the three best floats. First prize will be \$15., second prize \$10., and

Students Will Pick Queen In Election on Oct. 17

Homecoming queen candidate petitions must be in Dean Grace Wilkie's office in the Administration Building by Friday at 1 p.m., Tom Curry, Student Council president, reported Monday.

The annual queen election will be held in the Commons Lounge on Friday, Oct. 17, with all students voting. The queen will be presented at halftime of the Wichita-Arizona State football game and will reign over the entire day's festivities.

A picture suitable for Sunflower publication next Thursday should be submitted with petitions on Friday, Curry said.

third prize \$5. \$15 is the maximum amount that may be spent to decorate any float.

The Student Council float will carry the Homecoming Queen.

Homecoming football game will be played at Veterans Field at 2 p.m., Saturday. The Wichita Shockers will play Arizona State of Flagstaff.

'Meatless' Day Is Back

In accordance with President Harry Truman's request to Americans to tighten their belts in order to aid hungry Europe, meatless Tuesdays will be observed in the Commons fountain room and cafeteria, Hattie Gesner, food service director, announced Monday.

No meat was served in the cafeteria last Tuesday as the University food establishment got the jump on many downtown restaurants who will not introduce the meatless day until next week.

"University students will not go hungry despite the lack of meat on Tuesdays," Miss Gesner said.

President Truman also requested every family to "save a slice of bread every day" and asked public eating places to serve bread and butter only on request.

R.O.T.C. Gets Best Award

Blue star, highest award an R.O.T.C. unit can receive, has been won by the University unit for the 18th consecutive year, according to Major Eddie Robertson, of the R.O.T.C. staff.

The award is given for the rating of excellent in inspection and a blue star is worn on the right sleeve of each member of the unit.

An annual inspection of all senior R.O.T.C. units throughout the country is made by the war department, and the results of this inspection determines the rating to be given each unit. If the rating is below excellent the star is removed from the uniforms of the unit.

French Motif Is Planned For Varsity

Webster's to Sponsor Saturday Night Party; Costumes to be Judged

"Montmartre" is theme of the varsity sponsored by Men of Webster fraternity from 9 to midnight, Saturday, in the men's gymnasium, announced Karl Pond, dance chairman and master of ceremonies.

A section of Paris, Montmartre, where intellectuals, artists and students reside will be reproduced and four Latin Quarter night clubs will be featured at the varsity, said Pond.

Members of the fraternity will appear in costumes typical of the district and all who attend are requested but not required to costume. Best costumed couple will receive title of "Pierro and Pierrette," announced Pond.

The Varsity Crew, appearing in costume, will play French-American popular tunes such as "Mam'selle," "Symphony" and "L'Amour." Imported French records will be played during band intermissions.

Guests are President W. M. Jardine, Dean Grace Wilkie, Miss Jacquetta Downing, Miss Whittby, Miss Winifred Engdahl and William Nagel.

Publicity convocation will be held in the Commons lounge Friday noon and varsity tickets may be obtained from any Webster or at the Commons' booth. Prices are \$1.50 per couple or \$1 stag.

Editors Meet On Campus

More than 75 newspaper editors and their families are expected to attend the annual fall meeting of Fourth District Editors at the University on Saturday, Wharton Hoch, fourth district president and co-editor of the Marion Record-Review, predicted this week.

A full day of activities all with the compliments of the University and Wichita printing and paper suppliers is scheduled beginning with a tour of the Wichita Beacon at 10:30 a.m. Saturday, followed by an informal luncheon and election of officers in the Pine Room of the Commons Building starting promptly at noon.

The luncheon is with the compliments of the Graham, Southwest and Butler Paper Companies and the Western Newspaper Union.

The luncheon meeting, with Hoch presiding, will adjourn at 1:30 p.m. in time for the University of Wichita-Drake University football game in Veterans Field starting at 2 p.m. Editors and their families will be seated in a group to view the university's only Missouri Valley Conference game played at home this season.

The University Library has arranged especially for the visiting editors an unusual display of foreign language newspapers published in the United States. This exhibit can be seen immediately following the game. Two color motion pictures concerning printing and publishing will be shown in the lounge of the Commons starting at 6:15 p.m.

Highlight of the day's meeting will be the banquet starting at 6:30 p.m. in the Pine Room of the Commons Building. J. C. Denious, editor of the Dodge City Globe, will speak on "In Front of the Iron Curtain."

Denious recently returned from a tour of France, Holland, Switzerland, Luxemburg, Belgium and England.

REHEARSALS FOR "PAPA IS ALL" are in full swing daily in the University Auditorium. The cast is pictured above and includes, seated from left, John Kelso and Helen Christy; standing, left, Jim Kemper, Elizabeth Kirkpatrick, Bo Hattan and Tony Holloway. The play will be presented Oct. 23, 24, and 25 under the direction of George Wilner.

Students Favor Program Of Compulsory Training

As the Communist parties of Russia and eight other European states this week formed a new Communist International bureau to combat American "imperialism" and as Robert St. John, noted news correspondent, told a Student Forum audience of an American base in Greece, students of the University were voicing an impressive "affirmative" opinion to the question of compulsory military training for all male citizens in the United States.

A weekly poll conducted by reporters of the Sunflower revealed that students believe in military training for two reasons. First, preparedness in case of war, and second, a better American citizenry.

Out of 86 students quizzed, 60 were in favor of a training program while 24 were opposed, and only two had no opinion on the question.

Several opinions given Sunflower representatives follow:

Charles Hickman: "Yes, I do. It not only prepares our country for an unexpected attack, but it builds fine character in young men and trains them to be mentally and physically alert."

Lee Batt: "Yes, it builds boys into men. Strengthens their physical and moral character."

Buzz Rogers: "Being a veteran, I can sympathize with those who would experience the so-called hardship, but it seems that it would be for the good of everyone concerned."

S. O. Brooks: "It might be all right, but I believe it puts a fellow behind in his education. I don't think there is a real necessity yet."

Dan Dwyer: "I don't think the present possibility of war warrants the necessity of interrupting the natural growth of our 18-year old boys life."

Mrs. C. U. Price, Commons' hostess: "I favor a program of university physical and health education instead of military training. The tactics of war can be learned quickly, but the building of bodies takes a long time. The health program would be a step forward if war came or not."

Bud Weaver: "Yes, because preparedness for the next war could be the great factor for shortening it."

Max Calvin: "Look at Germany, they had a military government and all they wanted to do was fight."

Kathleen Thies: "I don't think it is worthwhile. With atomic bombs the next war will be over before the men who had been trained could be called together."

LaVurn Unruh: "Yes, a program such as the R.O.T.C. in high school would be sufficient, to be followed up with R.O.T.C. in college."

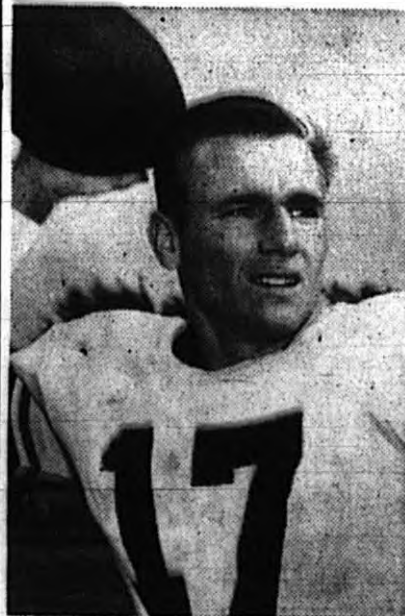

Faye Wilson: "No, I believe it will tend to make our country militaristic and our children will grow up in that atmosphere."

Reporters will quiz students this week as to which of six candidates for president they would vote for if an election were held today.

Nutter Into First Place

Jimmy Nutter, a freshman from McPherson, Kan., who entered the University for an education and a berth on the Shocker basketball team, was named the leading football ground gainer in the nation this morning by the National Collegiate Athletic Bureau in weekly statistics.

The blonde halfback has piled up 349 net yards rushing in 21 carries in the three games of the season.

Jimmy Nutter

This gives him a net average of 16.67 yards per carry. Nutter is ranked tenth in the nation on total offense.

Nutter is an all-around athlete participating in football, basketball, baseball, and track. He played third base for a McPherson semi-pro baseball team in last summer's state tournament.

The Shocker grid eleven ranks fifteenth in the nation on total offense, the NCAB statistics revealed.

Wichita Downtown Quarterbacks were high in their praise of Nutter at Tuesday's meeting, when the gridster received a trophy from the club.

Comical Skit To Highlight Pep Convo.

Coming Football Game With Drake is Purpose For Student Pep Rally

Highlight of the all-school pep convocation to be held in the Auditorium tomorrow at 10 a.m. will be a humorous skit, "The Three Furies," according to Dot Neises, student chairman. All classes will be dismissed Friday for the assembly.

In addition to the skit there will be music by Dick Haughton and his orchestra with vocals by Zella Dustin, Bob Kness, and The Varsity trio—Zella Dustin, Gloria Fetters, and Barbara Brosius. A comic Hawaiian dance by Ellen Anderson, and a humorous piano solo "Nursery Rhyme Melody" by Harold Cary, both professionals in their fields, will also be presented.

Leading roles in "The Three Furies" skit are Bob Tanner, How-

Periods Shortened Due To Pep Rally Friday

Shortened periods have been announced for Friday morning because of the pep convocation by Harry Corbin, chairman of the convocation committee. The schedule is as follows:

- 8 a.m. until 8:35 a.m.
- 8:45 a.m. until 9:20 a.m.
- 9:30 a.m. until 10:05 a.m.
- 10:15 a.m. until 11:05 a.m. (Convo.)
- 11:15 a.m. until 11:50 a.m.

ard Current, Arlene Cooley, Christine Christy, and Helen Christy. The supporting cast includes Donna Baillie, Phyllis Plumb, Phyllis Barton, Ted Ashmore, Pat Kelly, Chuck Banks, Art Jochem, and Bob Sandifer.

The purpose of the assembly is to arouse pep for the W.U.-Drake U. game Saturday. Coach Ralph Graham will introduce the football players, and the cheerleaders will lead the assembly in yells and school songs. Jean Cline, president of Wheaties, will be mistress of ceremonies of the program.

On the planning committee headed by Miss Neises are Dick Haughton, Bill Smith, Frank Lemke, Pat Rowley, Shirley Galatas, Vinita Hood, and Jean Cline.

Rooters Sign For T.U. Bus

Registration for transportation to Tulsa by bus for the annual student booster trip on Saturday, Nov. 1, has begun in Room 153, Administration Building and will continue until Oct. 24, Tom Curry, Student Council president, announced Tuesday.

All students planning to take the chartered busses are urged by Curry to sign up immediately in order to determine the number of coaches that will be needed.

A round trip price of \$4.65 has been set for the Tulsa excursion, Curry said. Tickets for the game are additional costing \$1.22 each, however, only a limited number are still available with the first 250 tickets being sold before 11 a.m. Monday.

Plans are being made by the University council to parade down the streets of Tulsa upon arrival there. The Tulsa student government is arranging a dance after the game. Following the dance, the busses will return to Wichita.

Round about the Campus

"FIVE MINUTES MORE" is the theme song of Webster Wendy Rice and his Pi Kap sweetie, Jane Dietrick, as they plug along to school each morning at 7:55. Always stealing the spotlight or rather the best parking space on the campus is Gooch MacCauley with his latest Gamma Get Up and Go wagon . . . what makes the thing tick . . . must be the coal oil fuel he uses. Speaking of cars, Ted Noel is mighty proud of his greatest money-spender in the world . . . a new Crosley.

A 'GLITTER AND A'GLOW is a Pi Kap Ruthie Jewett, who received a diamond from her Gamma fella, Lynn Lawrence. Wearer of the D.O. best pledge bracelet this week is Mary Lou Simpson, who won it from her pledge sister, Doris Doornbos.

AT THE ALPHA TAU pledge dance last Saturday night, Norma Neill received Morey Long's Phi Sig pin . . . another mighty happy lil gal was pledge Pat Payne, who was celebrating her birthday. We also hear about pink elephants on the walls at the Pi Kap dance . . . no, this wasn't a case of "seeing things," only the clever decorations that were used.

QUESTION For Miss Downing— will credit for French be given to those who attend the Webster varsity, Saturday? Campus on-lookers are wondering if Websters and varsity crew members will ap-

pear as MAUVAIS GARCONS. SEEN 'CRUISING' THRU town in a trailer, with orchid corsage flying in the breeze, after their wedding Sunday were Jim Zerbe and Joan Ray Zerbe.

PLEDGES OF SOROSIS and Pi Kap decided to do a redecorating job—switching tables, chairs, and pictures last Monday; guess they changed their plans or anyway had them changed, when they were in the midst of the job. Say, Carter, did the weight of the Gamma pledge loot hurt the springs in the rear of your convert?

POLITICAL MINDED Carolyn Counts and Peggy Quackenbush payed off their election bets by washing dishes at the Gamma House . . . guess they had a lot of willing helpers. For un-willing dancers, Bill Keough staged a "wild-cat" dance at the Newman club meeting last Wednesday—both fellas and fems could cut in and have a chance of getting a partner who was giving away dollar bills . . . dance? I'd love to!

New Lab Assistants With Zoology Staff

Two new assistants have been added to the Zoology staff since last year according to Dr. Hazel Branch, head of the Zoology department.

Meryl Burner, graduate of the class of 1947, is a full time laboratory assistant. Alexander Henderson, teaching fellow or graduate assistant from Pennsylvania State, class of 1947, is working on his masters degree along with his laboratory instruction. Margaret Wulf, class of 1946, and Al Schaplowsky, class of 1947, are also working on their master's degrees, though not as lab assistants.

Beauty Hints Given Girls

Estelle Compton Modeling Agency gave practical hints for make-up usage and dress at the first meeting of the Association of Women Students last night in the Commons' Lounge.

Every university woman automatically became a member of A. W.S. upon payment of her registration fees. Dues have been provided for by a grant from the Student Council.

To further spirit of cooperation and friendliness, to sponsor intellectual activities and promote social development, and to cooperate with the administration in creating high standards are the three aims of this new campus organization, according to Beth Jones, president.

Regular meeting dates have not been set, but tentative plans have been made to alternate Wednesday evenings with Wheaties. Miss Jones said that later A.W.S. may have joint meetings with Y.W.C.A. to help promote both organizations.

Officers of A.W.S. are Beth Jones, president; Persis Bonjour, First Vice-president; Ru Bueke, second vice-president; Virginia Castres, third vice-president; Jackie Swallow, secretary; and Mary Lu Taggart, treasurer.

Two New Buildings Are Being Completed For Music, R.O.T.C.

"Within the next two weeks the University of Wichita will have the services of a new music hall and a new armory," according to John M. Gaddis, superintendent of buildings and grounds.

The new music hall is located one block east of the Administration building. The building, formerly an Army P.X. store at Camp Crowder, Mo., was dismantled, shipped here and rebuilt to suit the needs of the music department.

"This music hall will be one of the finest places for orchestra or band rehearsal in Wichita," Gaddis stated. It will be put into use as soon as the painting is completed.

The new armory, located three blocks east of the Administration building, will have a floor space of 12,500 square feet. This is about the amount of space on the ground floor of the Administration Building, Gaddis pointed out.

R.O.T.C. will use the land adjacent to the armory as parade and drill ground.

Year Calendar Dates Must Be in Thursday

College calendar dates for the present semester and the second semester must be reserved by Thursday, Oct. 16.

Each organization must fill out semi-annual registration blank, which may be secured in the office of the Dean of Women.

Phi Sig is Youngest Fraternity On Campus; Chartered 1927

Phi Upsilon Sigma, youngest Greek fraternity on the University campus, was formally chartered Nov. 9, 1927. First organized by Democrats and Masons, the fraternity still retains the principals of masonry.

Gerald Tusler was chosen first active president and charter members were James B. Armstrong, Francis Baker, Harry F. Busch, Kenneth Corporan, Gerald W. Cron, O. R. Kirk, Donald B. McRoberts, Frank Salisbury, Ernest F. Sawallesh, Otis Schweiter, Wayland Steel and Gearld Tusler.

The first initiation of Phi Upsilon Sigma was held Feb. 7, 1928 when Frank Salisbury, Ralph Stewart and Philip Davis were inducted into the organization. Meetings were first held in Fiske Hall and later in private homes. In the fall of 1939, the new fraternity house located at 1750 North Vassar was completed, making it the first house on Fraternity Row.

Capt. Louise D. Christman, a 1931 University graduate, appears on the first list of officers commissioned in the regular army in the physical therapist section of the women's medical special corps, Brig. Gen. George E. Armstrong, acting surgeon general of the army, has announced.

Morton Gould, famed composer-conductor, will appear with the University Symphony Orchestra at rehearsal in the University Auditorium Oct. 21 at 2 p.m., announced Walter Duerksen, chairman of the music department. Students are invited.

Students Want Mixer In Commons Again, As Last Year - Price

Many students are inquiring about the mixers which last year were held in the Commons during the noon hours, Mrs. C. U. Price, the Commons hostess announced yesterday. They are absent this season because the Student Council has not yet given its approval. Mrs. Price has given her support.

Last year, these mixers were held once every two weeks. Time was arranged in order to accommodate students having noon hour classes.

Any organization wishing to sponsor a mixer must first obtain approval of the student council.

Educator Warns of Lowering Standards To Spread Resources

PALO ALTO, Calif., (I.P.)—Dr. Donald B. Tresidder, president of Stanford University, warned recently that American colleges and universities are facing grave dangers.

The most serious danger, he declared, is that in attempting to provide for ever-increasing numbers, they may spread their resources too thinly and lower the quality of work to the point where coming generations of graduates are inadequately prepared for responsibilities which they must assume.

Dramatic Students Are Admitted Into National Fraternity

Two University students and one alumnus were initiated into the National Collegiate Players at a meeting held recently.

Anita Faye Lalletment, June Cale and Edwin Sisk were made members because of their outstanding contribution to dramatics in the University.

In an election Mrs. David Jackman was elected president, Anita Faye Lalletment, secretary, and June Cale, treasurer.

New Heads Selected For Accounting Club

First Accounting Club of University of Wichita is being organized, according to William F. Crum, faculty sponsor. At a preliminary meeting temporary officers and committees were selected.

The club plans to hold its first official meeting in about two weeks, with a guest speaker from a local firm, said Crum.

Temporary officers elected are: Billy Henline, executive chairman, Marjorie Bradshaw, secretary; William R. Grier, publicity. Philip S. Edwards was appointed chairman of a committee to draw up a constitution and by-laws.

Statistics!

Methodists Lead All Denominations In Total Enrollment

Methodists out-number all other religious groups at the University, having more than double the number of any other denomination and representing nearly one-third of the student body, according to Dean L. Hekhuis, head of the college of liberal arts and sciences, who released the preference list recently.

Protestants are in second place with 356 members, next under the 737 Methodists. Catholics ranked in third place with 316, and Christian, Baptist, and Presbyterian were nearly tied with 296, 292, and 286 respectively.

Check To Council

Five successful candidates in the recent election, one a Student Council representative, and a Council officer chosen last spring have discovered that they either lack the necessary credit hours or points to assume their offices.

Regardless of what action or compromise the coalitions and the Student Council decide upon, such a situation should not have arisen. The candidates should be checked scholastically by the coalitions upon nomination, and finally by the Student Council upon receipt of petitions.

It is useless to hold elections if — after all the smoke is cleared, all the money has been spent for literature, and the whole campus is littered with posters—there are still no winners to the Student Council. problem to the Student Council.

Snobbism's Field Day

On the campuses at Lawrence and Manhattan, and to a lesser degree on those of the other three state colleges, this week snobbism has been having its annual field day. When the last of the fraternity and sorority pledge lists has been announced, the campuses will be littered with bruised feelings, injured dignities, bitter jealousies, cloud-walking feet, noses out of joint and little boys and girls who, for the moment, are sure their hearts are broken. And so, short-staffed are the janitorial departments that there will be no one available to clean up the trash.

As an ex., but reformed, Greek letter lad, myself, I think the system stinks. It is one of the important reasons why the Middle Western states get so precious little out of the millions they invest annually in providing higher educational facilities for all. It stinks particularly on a year like this, when campuses are too crowded with veterans trying to stretch \$90 a month to cover education for themselves and their families to have proper room for those who see the ivied halls only as a background to magnify the importance of making Alpha Alpha Alpha.

The institutions in this country which are seriously concerned with education either have tied the fraternities and sororities with a flat-iron in a sack and dropped them in the lake, or have reduced them to such unimportance that they furnish only comic relief. In the state co-ed colleges, though, they still flourish to such an extent that they vie with football in making the whole campus life revolve around them.

There ought to be a law. It is unlikely there will be one. Too many of the members of the legislature wear those mystically symbolized little gold pins. If they organized a little, though, the 96 per cent of the people who never belonged to a fraternity, or cared to, might force the introduction of a slight degree of sanity by specifying that rushing and pledging couldn't begin prior to the beginning of the sophomore year.—Jack Harris, Hutchinson News-Herald.

PARKING ON THE CAMPUS

On Another Campus

At the University of Tulsa, the Tulsa Collegian is fighting an attempt by various administration members to control its editorial policies. The University Council supported the publication, one member stating, "As long as the Collegian continues to publish the truth, there is no need for a change of by-laws."

The T.U. president revealed in an interview that he was displeased with the critical policy of the Collegian. "I have nothing for the Collegian and will have nothing until their policy of criticizing the administration has changed," stated the president, "the Collegian will not print the constructive things I have done for the school."

Also, on the same campus a monster-size celebration was held last week as ground-breaking ceremonies were held for the new addition to Skelly stadium.

Freshmen and sophomores will renew their campus tradition of "tug-o-war" preceding the homecoming celebration at Fort Hays State college reports the State College Leader. If the frosh win they will no longer are required to wear freshman caps. If they lose they will wear the caps until Thanksgiving and be dunked in the Big Creek.

An Armenian by race, Haikaz Marcar, has come to attend Kansas Wesleyan University from Calcutta, India where he attended St. Zavier college, states the Wesleyan Advance.

Circulation figures of the Collegio, publication at the Pittsburg State Teachers college, were placed at 4,000 last week. Marking the largest circulation in the history of the paper.

A snack shack has ben set up at the Pittsburg school in which pencils, papers, pop, gum, candy, and sandwiches are sold. Profits from the enterprise go to the student union building for recreation.

Veterans' News

By C. O. Taylor
KEEPING A PROMISE to explain the new leave regulation of Public Law 346, here is the way the situation now stands.

ALL LEAVE RULES under Public Law 346 have been changed, effective Sept. 1, 1947. Under the new regulation a veteran can receive subsistence allowance without intermission—or no interval between terms with more than 15 days in length.

If you will check the "Notice of Authorization" sent you by the Veterans Administration, you will find that you are enrolled in school for the period Sept. 8, 1947 to Aug. 27, 1948. Payments will continue until Sept. 11, 1948, according to R. M. Colver, chief of Veterans Administration Guidance Center.

Now instead of a vet requesting leave payment, he will be continued automatically in a training status for 15 calendar days—after the training is terminated, Colver pointed out.

To explain this more clearly, here is an example. If a veteran stays in training through the normal school year, then continues in school for both first and second summer sessions, he will not have any interruption in subsistence pay. But, if the vet attends the first summer session and does not enroll in the second summer session—his subsistence entitlement will be terminated 15 days from the

closing date of the first summer session. Sounds fairly complicated, but after you read this a few times it is simple.

HERE IS SOMETHING IMPORTANT to all Public Law 346 trainees. Extension of training status will be made in any case unless the vet's training is interrupted prior to expiration of the term or semester—OR unless the vet notifies the Veterans Administration **IN WRITING** at least 30 days preceding end of the term or semester that he desires his training status to be interrupted at the end of the semester.

THIS MEANS that if you are dropping out of school at the end of a semester and are not returning for the succeeding semester—you must write the Veterans Administration to let them know you are leaving school. This letter must be sent to the Veterans Administration at least 30 days before the term ends.

In the case of a part-time student the extension of training status will be for 15 calendar days and the payments of subsistence allowance will continue unchanged for that period.

The whole intent of this new set-up is to provide payment to a veteran without disruption—where he continues in his course of schooling in succeeding semesters. By succeeding semesters, this means continuing on through both summer sessions—or going to school the year round.

Nothing mentioned above applies to Public Law 16 trainees. So, this week's column pertains to Public Law 346 vets only.

IF YOU HAVE any questions on this new leave regulation, don't hesitate to contact the Guidance Center.

Typed On A Wednesday

By William Fein

The long arm of fate has finally caught up with me, in the guise of roly-polly Lester Rosen. As most of you know, Les is the big boss of this newspaper outfit, and what he says goes; and who he says goes, too. He didn't exactly hand me my "pink slip", but he made it clear that The Sunflower is trying to raise its standards, and Typed On A Wednesday, as written by Fein does very little to add to the buoyancy of the paper. The whole controversy started this way.

I was sitting in the Commons drinking a cup of bile, (or was it coffee?) when Les walked in carrying an armful of posters which read, "Lester Rosen for President". Ignoring this obvious attempt at pressure politics, I offered to buy him a glass of water. He was indifferent to my advances, so I realized there must be a problem on that narrow guage track he preferred to call a mind.

"Fein", he said, wiping the froth from the corners of his lips. "Fein, I don't think your column is very good. In fact, I'd go as far as to say it's one of the worst pieces of literature I've ever read."

"You needn't soft soap me, Rosen," I countered. "Why don't you be frank and tell me that it stinks? Go on, tell me!"

"O.K., it stinks." I had just finished my third cup of coffee and was becoming drunker by the minute. Les tried to console me, but ingrate that I am, I threw a soggy donut in his face.

"Look, I'll try and be reasonable," Les said, combing the sugar out of his hair. "If you can get one miserable reader to write me a letter pro or con, for or against you, you can stay. If not, I shall be forced to replace your column with a literary dissertation and book review on some of the more popular books."

"What books are popular enough to review?" I asked. Les looked amazed. "Why, haven't you read the 'Love Life Of The Amoeba', and 'Why A Paramecium Acts Like A Paramecium'. Both these books are very educational, and if I must say so myself, sexy."

"And who do you think, which you don't often, you can get to write such tripe?"

"Oh, I probably will recruit some innocent little co-ed pledge. Someone like that will add class to this paper."

By this time I was hysterical and had to be led to the "little boy's room" where I received a shot of Kem-Tone to quiet my nerves. The finance company says I'll live.

That's the simple story, told by a simple guy, to no doubt, a simple audience. I'm depending upon you simple people to write Les (if you can't write, due to ignorance, send in a recording), and to tell him how lousy you think this column is. It needn't be a long letter, two or three thousands words will do.

Remember, if you like being insulted, if you enjoy being made a fool of, stick with Fein. I guarantee to drag your name so thoroughly through the mud, even your own mother will hate you. Mine hates me!

VOX DISCIPULI

From the Reader

Anna-Maria Braun
(13b) München 15, Linderwurmstrasse 126/A, Germany-Bavaria, US Zone.

15/8/47

Dear Sir:

After having established an International Correspondence Bureau, I—on behalf of members on my waiting list—take leave to apply to you. May I request you to put me in touch with readers of your paper interested in friendly correspondence?

Having been secluded from the outside world these long years, and yearning for a real democratic enlightenment and a personal contact from man to man across borders, my members would only too gladly welcome and answer letters from abroad. Most of my members (among them scientists, students, experts, businessmen and other well-educated ladies and gentle-

men, are also hobbyists, housewives and even young boys and girls) have a fairly good knowledge of English, but would also be pleased to write in German, if desired. I am sure, my members will try and give their pen-friends every satisfaction.

Individuals and groups of persons may communicate with me direct stating their particulars and interests. All letters will be attended to and all applications linked up. If possible, two or three reply coupons should be enclosed to cover expenses, and also—to save time—an introductory letter to future pen-friends over here will be appreciated.

Pen-friendships are a step towards the creation of that international friendship and goodwill that is so essential to understanding and peace, don't you think so?

Yours hopefully,
(Miss) Anna-Maria Braun.

Alumni Association Keeps Tab On 3,500 University Graduates

Thirty-five hundred graduates and former students of the University of Wichita and Fairmount College, still retain their touch with the campus through the Alumni Association.

By means of a three way card file system maintained in the Alumni Office, a record is kept of each alumnus. Each month a news letter is sent to each member, and an issue of the Sunflower is sent to those who have paid their dues, according to Miss Mickey McCoy, executive secretary.

The permanent alumni office was formed in the spring of 1946, with the first full time secretary being Esther Meyers Wenzel, class of '34. Miss McCoy has been in the office, which is located in Room 153, Administration Building, since July, 1946.

The executive committee includes: Garner Shriver, class of '34 and state representative for the 66th district, president. Jim Ar-

mour, class of '38, vice president, Beulah Barrett Ausherman, class of '38, secretary, and Sherman Culbertson, class of '38, treasurer. There are also six members on the Board of Directors which are elected for a three year term.

It is the aim of Fairmount College and the University of Wichita Alumni to work together for the betterment and advancement of the School.

Coming Calendar events scheduled are:

1. Homecoming Day, Oct. 25 at Univ. of Wichita.
2. Tulsa meeting and football game at Tulsa, Okla., Nov. 1st.
3. St. Louis meeting and football game at St. Louis, Mo., Nov. 8th.

Drama Ticket Sale Opens

Season tickets for dramatic presentations are now being sold for \$3.85, according to George D. Wilner, head of the dramatics department.

"With this ticket, theater patrons will be offered six, three act productions including an opera and a road show", Wilner stated.

The season ticket will mean a savings of one dollar over individual tickets for each play, and may be obtained at the Continental Airlines office in the Lassen Hotel or from any University Player.

Oh, Doctor! Ten Former Students Prepare for Medicine In Midwest Schools

Many University alumni are studying at various medical and dental schools.

Harland Jones is attending the St. Louis University school of dentistry.

Ben Estep, Tom Lawlis, and Harold Brammer are studying dentistry at Kansas City University.

Mildred Pottorf, Dorothy Danna, Gerry Brown, Vade Holman, Richard Walters, and David MacNaughton are attending medical school at Kansas University.

Alums Name Coffee Hour

The annual alumni Homecoming reunion coffee will be held in the Commons Lounge and Pine Room immediately following the game, on Oct. 25. The approximate time will be 4:30.

Heading the alumni Homecoming committee this year are Janet Israel Bachman '47 and Jim Armour '38. The presidents of the alumni groups along with faculty members and the executive committee will serve as hosts and hostesses for the affair.

It's A Date!

Alumni To Breakfast With State Teachers At Annual Confab

In conjunction with the Kansas State Teachers meeting to be held in Wichita Nov. 6 and 7, the Alumni Association will sponsor a breakfast on Friday morning. The breakfast will be at Droll's English Grill, 3120 East Central at 8:00 A. M.

Reservations must be in the Alumni Office by Wednesday, Nov. 5. Further notice will be given in the newsletter.

Reunion Meeting Set For St. Louis Grads Before Grid Game

All alumni and former students living in and around St. Louis, Mo., are urged to attend the dinner meeting to be held in St. Louis before the Wichita-St. Louis game on Nov. 8.

Complete details will be announced in the October newsletter. Mrs. Meuli Curry '41 will serve as general chairman of the dinner-meeting, and reservations may be made by calling her at PL 3165.

Tulsa Tickets Now Available To Alumni

Tickets for the Wichita-Tulsa game at Tulsa on Nov. 1 may be purchased through the Alumni office. A block of 250 tickets was sent up to Wichita for alumni and other interested fans. There are about 40 tickets at \$3.00, and about 175 at \$2.50 still available. You may come out and purchase in person, or send your checks and state where you prefer to sit. Mail soon!

The Tulsa meeting will, in all probability, be a luncheon before the game. Details are not yet available, but will be at a very near date.

Maurice E. Johnson and Ernest M. Jones, college of business administration graduates, are now working on masters degrees in accounting at the University of Texas according to William F. Crum, accounting department head.

Alex Henderson, graduate of Pennsylvania State, is working with the zoology department. Mr. Henderson holds a graduate assistantship.

Shriver Calls For More Active Alumni Group To Keep Pace With Growing University

Garner E. Shriver

A strong alumni association with a large membership is of great assistance to a university such as ours. We could be much more effective if our active membership were doubled. That is the goal of this year's officers. Help us to have the kind of association you want.

Sincerely yours,
Garner E. Shriver.

GRAD Gossip

By Mickey McCoy

IT'S SUCH A pleasure to have so much news to publish; the response to the newsletter was most satisfactory, and all I ask now is to keep it up.

Let's begin with the wedding bell department: Eddie '47 and Mary Kay Quinn Costello '46 were married in Wichita Sept. 1. They now live in Topeka where Eddie is attending Washburn law school. Arlo Mitchell '37 (Major in army at Fort Benning, Georgia) was married in August to Sarah St. John of Fort Benning. Rita Lyman '46 became Mrs. Wm. A. Jamison on Sept. 26. 'B's' Battle Oklahomans Friday Night

Seek Second Victory On Old Shocker Field In Third Grid Contest

Battling the Oklahoma A. & M. freshman football team at 8 p.m. tomorrow under the lights of old Shocker stadium, the Shocker frosh seek their second win of three starts.

The University of Wichita freshmen, coached by Ted Warren, defeated the El Dorado Jucos 12-6 in the season opener, then dropped a 19-0 decision to Ft. Riley last week. Oklahoma defeated Tonkawa 12-6. Admission to the game will be 25 cents for high school students and 60 cents for adults. University students will be admitted by showing student activity tickets.

Bill Davis, 1905 Fairmount Center, threw the first forward pass in football history to Art Solter, Shocker end, on Christmas Day, 1905. The pass was a primitive two-handed toss and was completed for 10 yards against Washburn University of Topeka.

Art Hodges, Shocker fullback led the scoring for the 1946 squad with six touchdowns and two conversions, with a total of 38 points.

More Tickets On Sale For Tulsa Grid Game

Two hundred and fifty additional tickets for the Tulsa University-Wichita football game arrived yesterday, and are on sale at the cashiers office, according to Mickey McCoy, Alumni Association secretary.

In less than two hours Monday, the first 250 tickets were sold, for the game that is scheduled Nov. 1, at Tulsa.

There are 250 tickets for the public now on sale at the downtown Alumni Association office in the Lassen Hotel, said Miss McCoy.

Varsity Men Beat Bradley

Led by freshman Jimmy Nutter, the University of Wichita Wheatshockers rolled over Bradley University, of Peoria, 28-7, last Saturday in Veterans Field.

A sweltering crowd of some 7,000 fans watched the Shockers punch across three touchdowns in the second quarter, then add one more in the third, against a heavier Bradley team. Bradley scored its lone tally on a pass play in the fourth quarter.

Jimmy Nutter, Shocker halfback from McPherson, for the third straight week was the game's ground gaining star, scoring twice and running for a net gain of 93 yards on four carries. Other Shocker tallies were made by Art Hodges, Hap Houlik, and Tom Allen place-kicked four consecutive extra points.

Fairmount College Wheatshockers played in the first night football game held in Kansas, on Oct. 6, 1905, at Wichita. The Shockers defeated Cooper College of Sterling, Kans., 24-0, on a field illuminated by gas lights.

Army Beats Frosh Team

Fort Riley Centaurs defeated the University "B" team at the Fort Riley stadium last Friday night by a score of 19 to 0.

The score hardly tells the true story as the "B's" had two touchdowns called back on penalties. One was a 66-yard run by Carruthers, colored star, and the other a two yard plunge by Vic Rubbo.

The game was played on a muddy field and was rough with many penalties, estimated at about 100 yards by coach Ted Warren.

W.U. SEEKS THIRD 1947 VICTORY

Intramurals Close Today

Today's play ends the intramural round-robin speedball tournament as Men of Webster meet I. S. A. and Phi Sig's play the Gammas at 4 p.m. on the football practice field.

Next on the intramural sports calendar is touch football, with play starting Tuesday, Oct. 14. Each fraternity is allowed to enter two teams in this sport, and the unaffiliated Cowpokes have one team entered.

Intramural student manager, John Kocour, announces that intramural fall tennis will begin Oct. 21. Anyone interested in competing should contact Kocour in the intramural office.

A meeting of intramural managers will be held today at 1 p.m. in the intramural office.

Campus 'W' Clubbers Reorganize Tuesday

All Shocker lettermen interested in forming a campus lettermen's club meet in Room 105 women's gym, at 2 p.m., Tuesday, for election of officers.

This reorganized campus "W" club is sponsored by Jim Trimble, wrestling coach, and Ted Warren, baseball coach.

Tuffy Robinson and Jim Denison have revised the old constitution.

The 197 Yards picked up from scrimmage by Shocker fullback, Art Hodges, against Washburn University of Topeka, in 1946, was the second highest single-game total in the nation.

Football was reinstated in the athletic program in 1945, after a one-year wartime lapse, as University of Wichita joined the Missouri Valley conference.

'W' Winners Form Club

Help Athletic Program And Scout New Talent

"To stimulate and support the athletic program at the University of Wichita and assist in bringing in new talent for all sports is the aim of the newly organized 'W' club," announced Joe Stitt, newly-elected club president.

The "W" club is composed of men who earned varsity sports letters at the University of Wichita, or Fairmount College as it was known before it was municipalized in 1926, and holds meetings every Monday at 6:30 p.m. in the Shirkmere tea room.

Plans are being made to reserve a special section for club members attending the Homecoming game, Oct. 25, against Arizona State of Flagstaff.

At a recent meeting, Joe Stitt, class of '29, was elected president. Ray De Hon, '37, was elected vice-president; Red Harp, '39, vice-president, and Paddy Thies, '24, also elected vice-president.

Members elected to the advisory committee are: Howard Fullington, '29; Red Shadoan, '33; Harry Christopher, '20; and Ted Kolbohm, '49.

Bulldogs Seek Revenge Over the Shocker "Jinx" After Three Lost Battles

Coach Al Kawal Leads Heavier Drake Squad In Wichita's First Valley Conference Games After Loosing Close 28-14 Brawl With Tulsa

University of Wichita gridsters will open their Missouri Valley season against the Drake Bulldogs of Des Moines, Iowa, in Veterans Field at 2 p.m. Saturday.

Coach Al Kawal, former Northwestern University star, coaching his first year at Drake, has a heavy squad, including 15 returning lettermen, and is hoping to avenge three consecutive losses to the Shockers since 1944.

The heavy Bulldog line is led by 210 pound Jerry St. Clair, co-captain, at the left tackle position. Another letterman, Tom Shestokes, a 200-pounder will probably start at right tackle.

Burt Adkins, 197-pound sophomore, and Al Hader, 184-pounder from East Chicago, Ind., are slated to start left and right guard respectively. Al Harbutte, 177-pound flanker will start at center. Flanking the line at end positions are Tom Bienemann and Dick Bunting, both 195-pounders.

Leading the Bulldog scoring machine is Bob Handke, 160-pound sophomore, who threw two touchdown passes against Colorado A. & M., in Drake's second game of the season. Behind a host of scat-backs, Coach Kawal has a 200-pound letterman fullback, Chuck Cacek.

Shocker coach, Ralph Graham, has not decided definitely on his starting line-up, because many of the positions are a toss-up between two or more men, fighting for a starting berth.

Last Saturday, the improved Drake squad battled the Tulsa Golden Hurricanes for four quarters, with Tulsa finally triumphing by a 28-14 margin. The mere 14-

point margin of victory for Tulsa, which was doped to win by 40 points, may mean that at last Tulsa football is on the Missouri Valley level. On the other hand, Drake may be just as strong.

The Shockers have proved to be Drake's "jinx" opponent, winning the three previous contests by close margins. In 1944, Drake scored in the last few minutes but failed to make the extra point that would have tied the game. Wichita scored three touchdowns in the last nine minutes to defeat Drake in 1945. Last year the Shockers stopped the Bulldogs 12-6, in a game featured by a last minute 80-yard touchdown pass play, Sexton to Houlik.

SHOCKER SIDELIGHTS

By Al Littleton

The 1947 edition of the University of Wichita football team has rolled up some impressive yardage totals against its first three opponents, Warrensburg Teachers, Utah State, and Bradley. The Shockers have amassed a total of 974 yards gained from scrimmage, both rushing and passing, for an average of nearly 324 yards per game.

Of the total amount, 782 yards were gained via the ground route, and 192 yards gained on 13 completed passes. Individually, Jimmy Nutter, has gained 349 yards in 21 carries, to average 16.67 yards. With only two games played, Jimmy Nutter ranked second in the nation on yards gained; the latest rankings were not available as this column goes to press.

Ray "Scooterbug" Morrison has the next highest per carry average, making 52 yards on 5 carries. All-Missouri Valley halfback Linwood Sexton has rolled up 123 yards on 20 carries for an average of 6.15 yards per try.

Jimmy Nutter also leads Shocker scoring for the three games played with 24 points made on four touchdowns. Art Hodges has scored 13 points and Hap Houlik 12 points to rank second and third in Wichita scoring.

Freshman Football Coach Ted Warren was halfback on the 1934 Kansas State Big Six championship club and gained All-Big Six mention in 1936.

All-Missouri Valley halfback Linwood Sexton was second in scoring for the 1946 Shocker squad with five touchdowns, for 30 points.

Scoring four touchdowns during the 1946 season gave Anton "Hap" Houlik third place in Shocker scoring with a total of 24 points.

FRESHMAN MIKE KNOPIK, an Ambridge, Pa., athlete, is slated to start at left end for the Shockers against Drake University Saturday. Knopick, a 20-year-old gridster who captained his high school team, was switched from guard to end after regular end Jack Hazlett was injured. Knopick won the first quarterback "oscar" two weeks ago for his line performance. He is adept at snagging passes.

'Cupid's' Arrow Strikes Deep Into W.U.'s Fighting Gridsters

By Earl Hamilton

University gridsters opened their 1947 football season and their fiftieth grid year, with a squad that has more married men than ever before. Approximately one-third of the members are married.

Past seasons have found players with their own private rooters in the stands, usually consisting of mom, dad, a girl friend or two, and some fraternity brothers. But this year the fan may be his wife, and she may be at the game or home close to the radio taking care of the family.

Six members of the squad are daddy's, with Marvin Campbell taking the honors with a three-

year-old son and a three-week old twin daughters. Fred Silverthorn, fullback from Seb-ro-Woolley, Washington, is next in line with two boys and a girl.

Ray Morrison, Art Hodges, and Earl Hamilton are the proud owners of girls and Paul Houser, strong candidate for All-Missouri Valley tackle honors, has a boy.

Other married men are: Herb Harrison, Cliff Yarnell, Harold Reynolds, Glenn Dody, John Agee, Bill James, and Jesse Richerson.

Therefore students after this before you criticize or boo a player on a Saturday, remember that he might have been up the night before taking care of his children.

Two Stations To Air Game Here Saturday

Two radio stations will carry the W.U.—Drake football on Veterans Field Saturday, University officials revealed yesterday.

They include KANS of Wichita and KRNT of Des Moines, Ia. Officials here stated plans are being worked out with other out-of-town stations for broadcasts later this year.

The Sunflower is the oldest college newspaper in the state.

Stage Groups Make Sets for First Play

Set props for the production, "Papa is All," have been designed by a stage group headed by Rex Norton and are under construction.

Norton and the group began work on the sets early this year because of an extra heavy school program.

The set will carry a Pennsylvania Dutch theme with a low gabled roof on a combination kitchen, a living room containing an old cookstove and a pitcher-pump well.

Material of the sets is made of unbleached muslin, shaded to the desired colors, and tacked to a three inch framework.

Counseling Program For Religious Sects Is Now Established

"A religious counseling program for all religious denominations on the campus to make possible closer contact between students and their churches has been established," Dean L. Hekhuis, head of the College of Liberal Arts and Sciences has announced.

Under the plan, pastors representing each denomination will contact students of their faith each week in order to provide closer church fellowship among the 18 denominations represented on campus.

"It is recognized that the program, as it is now set up, may need to be changed somewhat as we gain more experience and as the convenience of the individual groups may suggest," Dean Hekhuis added.

All meetings will be held in room 206, University Library.

During 1946, a total of 5292 touchdowns were scored on the "major" college gridirons, and the try-for-point was added 3477 times. This set an all-time efficiency peak of 65.7 percent of success in making point-after-touchdown.

'Swing Shift' Offers 31 College Courses

"Swing Shift" schedule brings 484 late afternoon and night students of the University of Wichita, according to Leslie M. Blake, chairman of the adult education committee.

Two hundred of these are day students and 284 are evening students.

There are 31 night courses being offered this semester, Blake said.

A Book List may be secured at the library on Prof. T. V. Smith, who will speak Nov. 19, on "The Promise of American Politics."

W.U. Band To Perform

A display of precision marching will be presented by the marching band at the half-time period of the Shocker-Drake game, Band Director James Kerr has announced.

The 85-piece marching band will open the program by spelling out HOWDY, followed by DRAKE and BULLDOG. Then, with the help of the Wheaties and Whoc pep squads, a map of Iowa will be formed around the band as the band plays the Iowa state corn song.

Next, a map of Kansas will be formed around the band as the band spells out KANS. The program will be concluded with the band forming a block W and the pep squads forming the U.

A pre-game salute will be given by the band to the editors of the Fourth Congressional District, who will be the guests of the University.

Travelin' Travis Tidwell, Auburn freshman, won the 1946 individual offensive football championship compiling a total gain of 1715 yards on 389 plays, for an average gain of 5.06 yards per play.

'U.S. Public is Propagandized By Air and Press' -- St. John

By Dean Campbell

"I'm a liberal and not ashamed of it," declared Robert St. John, noted author lecturer and radio-commentator, in his speech before a capacity audience in the University auditorium which was held under the auspices of the Student Forum lecture series.

"The American people have a habit of believing everything they see in print or hear over the air. They're letting too many radio commentators and writers do their thinking for them. They don't realize that some of these people who supposedly are doing their thinking for them seldom move outside their own offices."

Because of this Mr. St. John feels that we are the victims of the 'most pernicious propaganda that was ever unleashed upon a people'. He said that we are unaware of the happenings in other countries and of these countries opinions of us as a people. It was his contention that the State Department and its pursuant foreign policy is far removed from the intelligent practice of setting democracy up as an example for the people of Europe. Instead, he said, "We're forcing communism upon the people by trying to force democracy down their throats."

He cited several instances in the particular countries in which he had traveled recently. His particular examples were drawn from his experiences in Greece and Yugoslavia.

"Our foreign policy in Greece has done nothing but convert it into an armed 'flat-top' for World War III. Our money has gone for the maintenance of the corrupt politicians who do not represent the people of Greece, consequently most of the people who want a democratic way of life have fled to the hills."

"The Yugoslavs have done a lot in solving their own problems by a concerted co-operated effort. Though their country was one of the worst devastated of all European countries, they have already built for themselves more railroads, more highways and bridges, more schools and hospitals, than they had before the war."

He explained that these events have taken place without the mass of the American public being actual-

ly aware of what was going on.

Upon being asked what we could do to prevent another war St. John replied, that there were three things we could do: (1) Stop being hysterical. (2) Be aware of the truth, i.e. test everything you read and hear by the use of logic and intelligence. (3) Be articulate. Elect your own officials and question them. Through your organization of clubs discuss the events of national importance.

"I think this nation's wisest choice is to chart a course toward a peaceful conflict between the American and Soviet ideologies and economic systems. If our American system is best—and I think it is—we can maintain our position as a world power without recourse to war," were the concluding remarks of St. John.

Y.W.C.A. Council Unit Names New Officers

The advisory committee, organized to aid the Y.W.C.A. cabinet in their activities on the campus, has elected Mrs. C. A. Foreman as chairman, and Mrs. S. R. Howes, secretary, for the coming year.

Committee members and their respective committees are Alice Iseley, program; Mrs. Harry Corbin, publicity; Eva Hangen, membership; Mrs. H. W. Ralston, projects; Mrs. Houston Barclay summer service; and Grace Wilkie, finance.

Mrs. W. M. Jardine serves as ex-officio member.

Shocker End Coach, Paul Walker, starting his first season as coach at W.U. was an outstanding end on the 1946 Shocker team and was named to the All-Missouri Valley second team.

Comedy Cast Summarized

"Papa is All," the three-act comedy that runs three successive nights starting Thursday, Oct. 23, is a story of "old-fashioned Pennsylvania Dutch family life."

Following is a character summary of the play.

John Kelso plays the part of Papa Aukamp. He is the hard, cynical, villain and rules over his two children and his wife with an iron hand.

Mama Aukamp, played by Helen Christy, on the other hand is quiet, non-violent, has a mind of her own, but doesn't get to use it much.

Jim Kemper, playing the part of Jake, the eighteen year old son, is timid and boyish, but there are flare ups between him and Papa in the play.

Playing the part of Emma, the twenty year old daughter who falls in love with a man Papa is staunchly against, is Elizabeth Kirkpatrick, a typical farm girl whose only aim is to seek a little happiness in the world.

Tony Holloway has the part of Brendle, the state trooper who represents the law of the land and gets involved in the affairs of the family.

Barbara Hatton, who depicts the part of Mrs. Yoder, the village gossip, is pleasant, good hearted and represents the theory that women are tickle and that they are generally speaking.

Trophy!

Quarterbackers Give 'Oscars' To Standout Shocker Grid Stars

Football "Oscars" are presented each week to the outstanding Shocker lineman and backfieldman by the Wichita Downtown Quarterbackers after viewing movies of the latest Shocker football games.

Paul Houser, right tackle, and Max Knieps, left end, tied for lineman honors with their outstanding performances against Utah State and each was given an Oscar. Lining up in 140 yards from scrimmage and scoring the lone Wichita touchdown Jimmy Natter also earned an Oscar as the outstanding backfieldman.

For outstanding performances turned in against Bradley last Saturday center Vincent Galt and Don Sharpsteen, right tackle, earned Oscars as outstanding lineman backfield honors.

All Wichita sports fans interested in attending the next meeting of the Downtown Quarterbackers where movies of the Wichita-Drake contest will be shown, are urged to make reservations for Tuesday's meeting with the Lasser hotel before 5 p.m. Monday.

G.O.P. Starts Drive For 1,000 Members: Largest U.S. Group

Young Republicans with 1,000 proposed members are planning to have the largest college group in the United States for the second consecutive year, announces Ray Ball, young Republican chairman.

"We aim," said Ball, "to create better government at all levels, and to give students unprecedented freedom of expression in their opinions on social and governmental affairs."

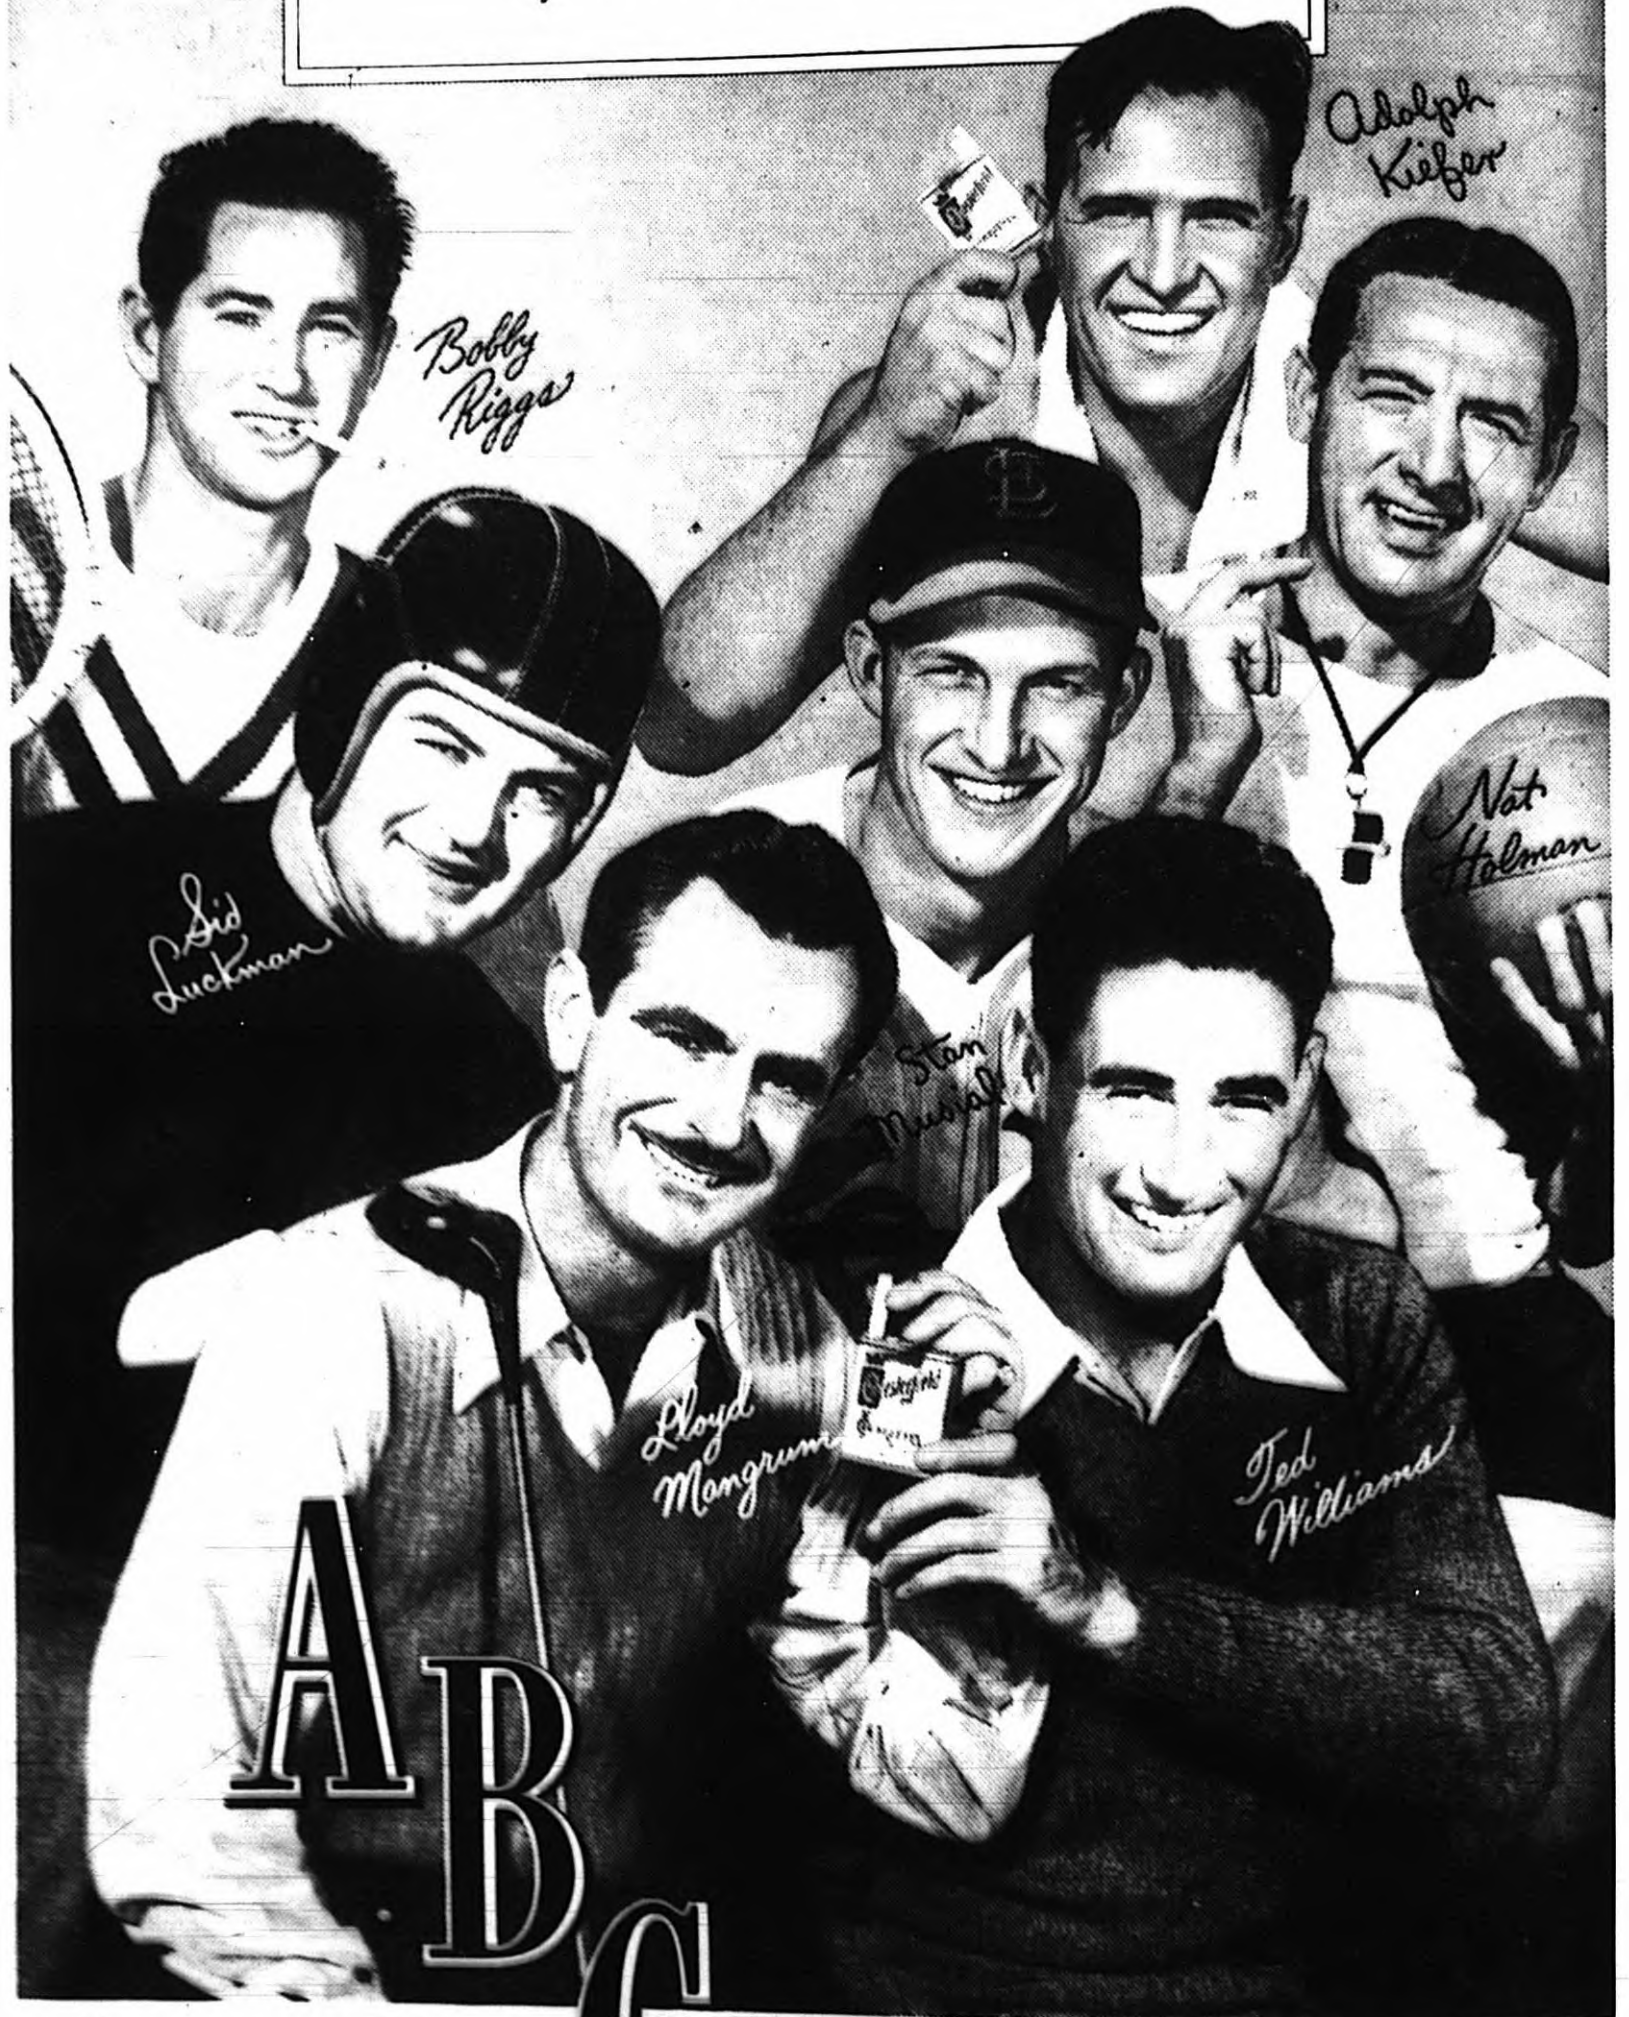

Bob Partridge, program chairman, says that outstanding speakers will be scheduled for speeches on university and governmental problems. Panel discussions are to be held among members in issues concerning university, state, national and international politics.

Plans for an organization dance Nov. 15, are being completed by Bob Worthington, chairman of the dance committee. The dance will be held in a downtown hotel ballroom, and will be free to all members.

Wilton Zacharias, Wichita attorney, will address the group Oct. 15, at the Alpha Gamma Gamma fraternity house.

University of Tulsa broke an all-time football record in the number of forward passes completed, having completed 126 passes during the 1947 season.
