Election Set For Friday In Commons

Homecoming Activities Include Parade, Rally, Game and Coronation

Jean Cline, Pi Kappa Psi sorority, and Shirley Holloway, Alpha Tau Sigma sorority, will oppose each other in the annual Homecoming election to be held in the Commons Lounge tomorrow with polls opening at 8 a.m. and closing at 1 p.m., Bill Geist, election chairman, has announced.

The winner in Friday's election will reign over Homecoming activities Saturday, Oct. 25. The queen will lead the first post-war parade in downtown Wichita on Saturday morning at 10:30 o'clock. She will be crowned at impressive coronation ceremonies at the Homecoming Ball that night, Geist said.

Both Misses Cline and Holloway have been active in campus affairs since they entered the University. Miss Cline's activities include Y.W.C.A.; Home Economics Club; Secretary-treasurer of International Relations Club; Wheaties Sweetie; president of Wheaties; Association of Women Students; and historian of Pi Kappa Psi.

Miss Holloway's activities include Psychology club; Orchestras; Pi Beta Chi; Y.W.C.A.; W.R.A.; Parnassus Queen; Sophomore treasurer; Young Democrats; Varsity committee; Pan Hellenic representative; Association of Women Students; and Alpha Tau Sigma social chairman.

Miss Cline is a student in the College of Education while Miss Holloway is in the College of Liberal Arts.

Homecoming activities will begin on the campus Friday, Oct. 24, at 7:30 p.m. with the traditional bonfire, pep rally, and mixer according to Pat Rutherford and Ru Beuke, homecoming co-chairmen, who announced that Kenny Hedrick, Pat Malonee and Peggy Malonee are arranging first night activities.

All organizations including Wheaties and Whoops or any unaffiliated group planning to enter the Homecoming parade on Saturday at 10:30 a.m. must register in (Continued On Page 10)

Women List Walk-Out Regulations

Men's Group Passes Judgment on Rulings; Results To Be Reported

Social organization walk-out rules written by the women's Panhellenic Council Monday were discussed last night at a joint meeting of men's and women's Panhellenic representatives.

The following rules were discussed:

1. Walkouts may not go out of the city limits.
2. All pledges will stay together and will go to the same place.
3. Actives kidnapped by pledges must be kept with pledges at all times.
4. Drinking of intoxicating beverages is prohibited.
5. There will be no display of actions by actives and/or pledges which will reflect unfavorably on the University.
6. Whether actives find pledges or not, pledges must be back to the organization house by 7 p.m. A group fine will be invoked for violation of this rule.
7. Safety rules in driving must be observed.

Some disagreement was expected on several of the points but Panhellenic officials expressed hope for the adoption of all the rules by campus social groups. Due to the Sunflower deadline no conclusions by the council were available at press time.

Tickets For Abilene Game Are On Sale

Tickets for the Shocker-Abilene Christian football game are now on sale at the University's downtown ticket headquarters, Continental Air Line Office, Lassen Hotel, according to Neal Duncan, assistant comptroller.

Tickets may be purchased at this office from 9 a.m. to 5 p.m. daily, and until noon Saturday. At 1 p.m. Saturday the tickets will go on sale at Veterans Field.

General 'Ike' Pulls Big Majority In Student Poll

If a presidential election were held today, General Dwight "Ike" Eisenhower would receive the majority vote of students at this University according to a weekly poll conducted by reporters of The Sunflower.

Eisenhower piled up almost double the votes of his nearest competitor, President Harry S. Truman. Students favoring the general praised him for his military and diplomatic ability.

More than 172 students voiced opinions to Sunflower reporters during the past week. Following are tabulations of the question, "If a presidential election were called today, which of the following would you vote for?"

Dwight Eisenhower	60
Harry S. Truman	38
Harold Stassen	31
Thomas Dewey	29
Henry Wallace	9
Robert Taft	4
Earl Warren	1
None of Listed	3

Opinions of several students on the question follow:

Carolyn Counts: Harry Truman, because I think he has a fine policy and he has carried on successfully for Roosevelt.

Arlene Cooley: Eisenhower. He is the best diplomat and statesman

of them all, and that is what we need.

Jim Becker: Wallace. Naturally, he is the only statesman capable for the position.

Darlene Reece: Eisenhower's military success shows that he thinks before he acts.

Perry Sullivan: I think I would vote for Truman. He's on the ball. Kitty Anne Curry: I would vote for Dewey because I like his cute little mustache.

Bill Simmons: I would vote for Tom Dewey because he is a Republican!

Gail Schieffer: Dewey, because I think he has some new blood to put into the veins of Democracy.

Norman Peebles: Eisenhower. I would vote for Eisenhower because I think we need a military man to handle the Russians more convincingly.

Leenda Andeel: Truman, because he has done such a wonderful job (Continued On Page 10)

Six Officers Not Eligible For Posts

Student Parties Agree To Faculty Arbitration For Disputed Offices

Five contested offices in the recent fall election and one Student Council office in the spring contest will be settled by a faculty committee of arbitration, Tom Curry, Student Council president, announced Wednesday.

The two coalitions had protested the election of six candidates to school offices and asked the Council to settle the dispute, Curry said.

The Council asked Dr. W. M. Jardine, president of the University, to appoint a chairman of the faculty committee and he appointed Dr. Hugo Wall, head of political science department. Each coalition will name two faculty representatives.

The offices were contested when it was found that the winners did not hold the required classification in the registrar's office.

Disputed offices include Bill Geist, vice president of the Student Council; Charles Banks and Dave Enoch, both claimants to the senior Student Council post; John Stucky, senior vice president; Martha Roop, secretary junior class; Shirley Holloway, treasurer, junior class; and Earl Hamilton, sergeant-at-arms, junior class.

Debate Club Planning Radio-Travel Series

Future plans of the Debate Club, including radio debates and out-of-town debate trips, were discussed at its weekly meeting Tuesday night in the Commons lounge, according to Jim Fitzpatrick, president.

A new constitution was adopted by the club.

The next meeting will be held at 7:30 p.m. Tuesday, in the Commons lounge. Marvin Harder, instructor in political science, will speak on the labor situation.

HOMECOMING CO-CHAIRMEN for the annual celebration on Oct. 25 are Ru Beuke, left, and Pat Rutherford, both members of the Student Council. Plans are now underway for the annual bonfire, Homecoming Queen election, and the resumption of the traditional downtown parade on Saturday morning. Feature game of the celebration will be the University of Wichita - Arizona State tussle in Veterans Field.

Phi Sig 'Artic Antics' Dance To Honor Pledges Tomorrow

"Artic Antics," Phi Upsilon Sigma dance in honor of their pledges, will be held in the Spanish Ballroom of the Lassen Hotel from 9 p.m. until midnight, tomorrow night. Dick Haughton's band will provide the musical background.

Pledges will star in the skit, "Artic Antics," basis for the dance theme. Chairman Bob Johnson, Burton Randle and Bob Stables worked out the details.

Round about the Campus

TICK TOCK go the school clocks—but n'ary a one is on the same beat—makes late students mighty happy. The best excuse came from Bill McMullin who told his prof he was late to class because—he has such terrible dreams he was going around the campus gathering bits of grass to feed his nightmare—quite the blade huh?

LATEST CAMPUS caper occurred when Chuck Elliott, Gamma, was looking at the bulletin board over in the Journalism office and remarked—'hmm-m what's this AGG fraternity? Figure it out for yourself! We also hear about the Pi Kap who was modeling those feminine articles at a recent style show—when a minister accidentally stepped into the all-women gathering and caused quite a bit of excitement.

TAKING THE spotlight at the pep rally last Friday, was Harold Cary, whom they say is always on the chords. In other words he's good! Webster Jack Brown could be nick-named "the friendliest

character on the campus cause everyone is his "free-ond" when decoded this means FRIEND.

RALPH GRAHAM is thinking about putting mats around the benches at the games... seems the fellas sitting there are so wrapped up in the game they almost fall off them, everytime their buddies gain ground. Track season already? Yep, Bill Smith and Gerald Ramsey have already checked out equipment—my question is—can Mable race that fast?

THREE MORE aglow — over at Kappa Rho — the happy couples are Jerry O'Hurd and Frank Oldfather, Jo Ann Moll and Carl Bryan, Doris Asmann and Richard Taylor. Nicest surprise of the week was the marriage announcement of Alpha Tau Bunny Davis and Gamma Peter Rankin. Anddddd — Wearer of Gamma Jack Kiefner's pin is Sorosis Marilyn Masters.

SOROSIS PLEDGES awakened activities at some too too early hour last Tuesday morning and took

them to a breakfast at the house. The D. O. house boasts having five new cooks—they are June Wilkerson, Joy Radfield, Shirley Clark, Marjorie Boil, and Mickey McDonald.

PRESSURE IS ON—we gotta have your society news such as dance lists and Roundabout items turned in by Monday noon. Wish I could donate a typewriter to those Phi Sigs. And as for the Pi Alphas, well those poor pledges are working like dogs making paddles of some sort.

GET YOUR JEANS, plaid shirts and cowboy hats down off the shelf—they'll be right in style for the celebration next Thursday and Friday. Whoops are actually considering growing those beards again. Oh well girls, remember patience and fortitude—see ya at the game Saturday!

European People Getting Few Benefits From American Loans

"Europe, formerly a continent that produced the finest in literature, art, music, and medicine, is not producing anything today and is decaying", J. C. Denious, former lieutenant governor of Kansas, declared at a banquet of Fourth District editors held in the Commons Pine Room last Saturday night.

Denious, present editor of the Dodge City Globe, recently returned from a tour of six European countries. "Luxembourg, a country with a population smaller than Sedgwick county, is America's greatest admirer, while the French people do not like Americans," he said.

France has been hit hard by the war and inflation, Denious stated, and high prices, shortage of food, and clothing may explain the bitterness of the French.

"You must see Europe to have an awakening of its needs," the editor told the more than 75 newspaper editors and their families. "I was most disappointed to learn that European people are getting less benefits from American loans than we imagine," Denious revealed. Loans made to France have been used to fight the Communists and maintain the present administration, he added.

The bright spot in Europe according to the Dodge City editor is Switzerland which he described as the "fairlyland of Europe,"—very democratic, patriotic, and hospitable.

The banquet concluded day-long activities which included a tour of the Wichita Beacon, a luncheon meeting, the Drake-Wichita football game, and industrial movies. An invitation was extended by the University to the editors for their 1948 fall meeting.

Dr. Forrest Whan, head of the speech department, has been active during recent years taking radio surveys.

Fred Kubic Speaks To Accounting Club In University Library

Fred B. Kubic, certified public accountant, and secretary to the state board for C.P.A., will be the guest speaker of the Accounting Club next Tuesday in the University Library at 7:30 p.m. according to William Crum, head of the accounting department.

The organization was recently formed and membership is still open to interested accounting students, Crum said.

Temporary officers are Billy E. Hinline, executive chairman; Marjorie Bradshaw, secretary; William Grier, publicity chairman, Jack O. Foltz and F. Merle Nicholson, publicity committee members; and Phillip Edwards, constitution committee chairman.

Dr. Earle R. Davis, head of the English department, is one of the best known jazz experts in Wichita. He has also written a book of poetry.

Money! Students Are Urged To Get Book Money At W. U. Bookstore

Many students have money waiting for them at the bookstore from the sale of their used books according to Frank M. Robertson, director of the bookstore. Around 1000 books have been sold and the students are urged to obtain their money as soon as possible.

Robertson said that it is necessary to clear the accounts in preparation for books during the second semester.

The bookstore is now buying used books if they are not obsolete, instead of selling them and charging 10 percent. This change in policy is due to the many accounts that were used in the old system, explained Robertson.

A list of books is available at the bookstore. All books on that list will be accepted.

'Papa Is All' Costumes Now Being Designed By Martha L. Heltzel

Costume designing for "Papa is All" is being conducted by Martha Lou Heltzel. The type of clothing and the way of living in York County, Pennsylvania, has to be studied to make correct costumes for the characters in the play. Some of these costumes have been purchased; but others have

to be made.

Mrs. Heltzel has accepted the responsibility for preparing costumes for all of the plays during the present season.

Season tickets for the public are being offered for \$3.85 at the Continental Airlines office in the Lassen Hotel or in the dramatics office at the University auditorium. Prompt attention will be given to mail orders for tickets from the dramatics office.

Cadet Captain Bill Wingate of University of Wichita chapter of Scabbard and Blade will represent that organization at the national meeting at Cleveland, Ohio on Nov. 13 to 15. High officials will map plans for the future of the national honorary military fraternity.

University Ticket Sale Rules Are Announced

Instructions concerning handling of ticket sales for varsities, student forum or any event to which an admission is charged have been released by the Internal Revenue department.

Organizations will be responsible to the Revenue department and not to the University for the income report and federal tax.

All tickets must be printed so as to show plainly established price, federal tax, state tax and the total amount of the ticket. Tickets must be serial numbered if not set up on definite seat schedule.

The night of the dance or performance, different individuals must sell tickets and collect tickets. The collector must tear each ticket in half, hand one half to the person going in and drop the other half in a locked box at the door.

Tax reports must be made at the University Cashier's Office within one week after the function.

Federal tax must be collected on every admission whether paid or complimentary. Unused tickets must be kept as evidence supporting statement of number used.

Attention! New Programs And Increased Time Improve Station WU

Four new programs and an increase in time have been added to station WU, according to Don Williams, professor of Speech. One of the programs, Jig Saw, featuring stories and humorous news, will be handled by Bill Bernhard on Wednesday 12:35 to 12:45 p.m.

The broadcasting time for station WU, which operates on 640 kilocycles, is now two full hours a day, Monday through Friday from 11 a.m. to 1 p.m.

The first increased program on Monday will be "Shockers Sport Light." It is now a 15 minute program and will include a complete round-up of sports events from the past week-end. The program, "Adventure and Research," formerly at 12:35 is now scheduled from 12:45 to 1 p.m.

Other programs added are: "Listen Ladies," featuring news interest to women on Tuesday 12:35 to 12:45 p.m., handled by Bette Heft; "Women Today", stories of women in the weeks news, Thursday 12:35 to 12:45 p.m., handled by Bobby Dunlap. "Side Show," humorous human interest, Friday 12:35 to 12:45 p.m., is handled by Jack Campbell.

Name Ten To UNESCO

Ten delegates for the National United Nations mock session at the University of Kansas, in January, were announced Tuesday night at International Relations Club, Jim Young, president, announced.

Four of these representatives were elected last spring by the Council. They include: Martin Rice, youth representative of the Wichita UNESCO board, Ernest Waite, vice-president of the Council, Robbie Dunlap, publicity chairman, and Jim Young.

Remaining delegates by members of IRC are: Frank Welsh, Mary Faith Pellett, Mary Ann Unruh, Robin Stuart, Vinita Hood, and Shirley Raymond. Roderick Smith was named alternate.

Bill Williams was elected representative to the Wichita UNESCO chapter, and Herb James, alternate.

Robin Stuart, University student from Monbassa, Kenya Colony, Africa, led the discussion on problems in England. He said that England's greatest trouble comes from her lack of manufacturing machinery. Stuart added "England needs American help, and although all of our loans to her may never be completely repaid in actual money, they will be paid by work and trade."

Additional Training equipment for weight lifters and tumblers has been received by the physical education department according to Ab Bidwell, head of the department.

Election Will Tell

The polls in the Commons Lounge will open once again Friday and this time the students will select a Homecoming Queen to reign over activities Saturday, Oct. 25.

This election will not be in vain—this time the two attractive candidates are eligible for the honor they seek. The student body surely has a difficult job before it, as both Jeanne Cline and Shirley Holloway are deserving of election.

They have both been active in campus activities since they came to the University. Misses Cline and Holloway have competed against each other in past beauty queen elections, and indications point to a very close race tomorrow.

The Sunflower makes no attempt to dictate to students for whom they should vote, but the paper does suggest that everyone make the trip to the polls tomorrow and cast his vote for the woman of his own choice.

A Challenge Hurlled

President Truman has asked for voluntary rationing on the part of every citizen of the United States. He, and the other leaders, claim that if every one does his part in the program, there will be enough to feed the starving of Europe.

That's fine—but will this program of voluntary rationing succeed?

We really don't know! We've heard Yes and No.

Whenever we get into a situation like this, we use our own system. We don't consult first any Big Shot who might or might not know. They're only human—they can be wrong. We go much higher. We get our information from BEYOND!

And so when the question of voluntary rationing came up, we contacted Madam Zee-Bee, our favorite contact for those who have gone before us.

The good madam uses the system of putting a blank letter on her crystal ball for the spirits to write upon.

Altho the reception was bad, our contact received only one answer.

The letter read:

To Herr Truman, Herr Anderson, Herr Luckman, and to all it may concern,

So—you're again going to try voluntary rationing. Do you really think it will work? You tried it once and what happened. Whenever anything was scarce, whether it was needed or not, you Americans started hoarding it.

You Americans are soft. You can't do without anything. Do without meat on Tuesday? Save a slice of bread each day? I know you Americans! I know that from now on, more meat and bread than ever before will be consumed.

What do you Americans care about starving Italy; starving Greece; starving Austria; and starving Germany, especially starving Germany?

To you, these people are merely foreigners who made war and should be punished.

Well, I know you. Yes, I know you very well. I'll grant that at one time you defeated me—but I'll have the last victory. While you preach voluntary rationing to people who are listening, my people will be slowly starving until they bring my doctrine back into the open and then you'll have another World War on your hands.

Ungratefully yours,

A. Hitler.

Well, there it is. Is that true? Surely the spirits can't always be right.

Must we believe Hitler? Or President Truman when he says:

"I know that they (hungry people in Europe) will be waiting with hope in their hearts and fervent prayer on their lips for the response of our people to this program. WE MUST NOT FAIL THEM!"

It's up to YOU.

University Players will meet at 3 p. m. Tuesday in the Commons lounge to vote on the revision of the organization's constitution.

Veterans News

By C. O. Taylor

HERE is the picture of how your entitlement or schooling time is figured by the Veterans Administration.

Generally speaking, vets entitlement is computed by adding 12 months to the length of the veteran's time in service, according to R. M. Colver, chief of the Veterans Administration Guidance Center.

If a vet has been in service two years, three months and five days, he is entitled to three years, three months and five days or thirty-nine months and five days training.

The Veterans Administration, in deducting your training time, matches your entitlement, day for day, against the time you were in school. In other words, if you spend 28 days in a summer session the VA will deduct 28 days from your training entitlement.

HERE is a breakdown on the amount of subsistence and entitlement allowed veterans. A veteran carrying 12 or more hours (full load) receives full subsistence pay and his entitlement is charged on a day to day basis.

If a veteran carries three-fourths load (9, 10 or 11 hours) he will receive three-fourths subsistence with the entitlement being charged for three-fourths of the number of days in the semester.

A veteran enrolled for six, seven or eight hours (one-half load) receives one-half of the subsistence pay and is charged one-half the number of days in the semester on his eligibility entitlement.

For less than three hours, the vet's entitlement is charged one-fourth the number of days in the semester on his training time but he cannot receive subsistence pay.

In case a veteran withdraws from the University prior to the end of a semester—the charge against his entitlement depends upon the charge made by the University to the Veterans Administration. This is known as a "partial charge".

HERE is an example of how the partial charge works. A vet enrolls, stays in school 10 days, then decides to withdraw. The entitlement is computed either according to the number of days the vet spent in school or at the rate of one day for each \$2.10 charged the Veterans Administration by the University—whichever is greater.

If a vet withdraws from school after the refund period, which ends with the eighth week of school, his entitlement is charged for a full semester.

Vox Discupli From the Reader

27 B Lastmakaregatan Stockholm, Sweden September 20, 1947.

Dear Sir,

We are writing to you as Secretaries of the Overseas Correspondence Departments of the above Organizations because we are very anxious to obtain young correspondents for English, Swedish, Danish, Norwegian and Finnish students of corresponding ages and interests. We are receiving many requests from young people between the ages of 14 and 25 (in England between 11 and 25) in our High Schools, for such correspondents, as they are very keen indeed to learn more about your country.

Our organizations are doing some very useful work amongst the schools in our countries and we have very flourishing Overseas Correspondence Departments, through which medium about 350,000 students of our countries together have been put in touch with young people in various countries since we started after the war. We earnestly hope that this work is leading to friendship and a better understanding between the nations for the future.

We should be very thankful to you, if you could arrange to publish the notice attached in your paper and looking forward to hearing from many of your readers we remain, Dear Sir,

Yours sincerely,

Typed On A Wednesday

By William Fein

It must have been a pleasure, before the last war, to have been the dean of a college. Take for example, Dr. Quintus Ampulla Fingerhut, dean of the College of Liberal Arts at Regurgitate University. He was never bothered by neurotic veterans with fantastic excuses for cutting classes. Pre-war Fingerhut was a carefree, adolescent jerk who devoted most of his time to his kangaroo farm trying to improve the breed. Once he attempted to cross a raccoon with a kangaroo so he could get raccoon coats with pockets.

With the war over, there came the first wave of G.I. students and an end to the "I don't give a darn" days of Quintus Ampulla Fingerhut. A year of catering to the whims of these veterans left Quintus a jabbering, babbling idiot. He was finally removed to a home for the insane, and after showing no improvement, or even a slight reaction to the treatment, he had to be destroyed. His body was bought by the Lever Brothers Company for \$1.28, and he was rendered down to a bar of Lux soap. Fingerhut is finally doing something constructive, helping keep the family clothes clean.

But, I'm getting ahead of my story. Quintus left a diary in which he described incidents that led to his unfortunate condition. The following is just one of the many that was the indirect cause of the death of Quintus Ampulla Fingerhut.

April 1, 1945:

Dear Diary: I heard of many fantastic excuses for being late, but this student had them all topped. He sat staring over my desk, impatiently clawing the wood off the edge with his fingernails.

"You were 15 minutes late this morning. Why so?" I asked. He looked around the room like a cornered rat seeking to escape. "Well sir, it's this way. You see, my home life has been most unpleasant, and they're the cause of it."

"I can't see what your home life has to do with being late." "Let me explain sir. My home is a most unusual place. I have, living on my 90 bucks and under one roof, four parasites, my mother, mother-in-law, wife and five year old daughter."

"That is unusual, but - - -" "I might as well tell the whole gruesome story. You look like an understanding and sympathetic educator. You see sir, my relatives are a pack of dirt hounds."

"Yes, I see, but - - -" "I can see that you don't understand women. Why sir, they pick up every piece of lint or ash they can find. They spend the whole day following each other around brushing tracks and waiting to pounce on me the moment I get home. It's horrible."

"Yes, but about being late - - -" "Don't get excited doc, I'm coming to that. Each day I'll have my clothes strung throughout the house, and if they would only keep the filthy paws off them, I would be able to find them in the morning without trouble. But no, they have to hang them neatly in the closets. It's horrible."

"But - - -" "I finally worked out a system. Each one had a different place to hang my clothes so it took some time to get acquainted with their hiding places. But with infinite patience I worked out a roster, and at long last I thought I had out-smarted them. How wrong I was. It was horrible."

"Wait just a minu - - -" "Last night was the pay off. They had a quarrel, and of course I suffered most. They got careless. My shoes had been swept under the rug with some dirt. My shirt was stuck in a faucet to stop a leak, and my trousers were behind a picture on the wall. I found that my jacket had been used as one of the ingredients of a mud pie. They had lost their roster and couldn't agree as to who was to hang up what. Honest, doc, all I have left to come to school in is this bathrobe."

"Please - - -" "It won't happen again sir, I promise. I'm going home right now and kick my mother out, shoot my mother-in-law, divorce my wife, and send my daughter to a military school and raise her to be a boy. Good-day."

He stalked out of my office muttering under his breath, "It's horrible." I wish he would have let me explain that the whole affair was a mistake. After he started talking, I realized he wasn't in my college at all, and had wandered in by mistake.

On Another Campus

Most every girl at the Fort Hays State College is ready "for Freddy" according to the State College Leader. It seems Freddie is one of the "dashing bus boys at the cafeteria who peeks over your shoulder to watch the last bite disappear and hears you gasp, "I'm ready for Freddie!"

Campus Host To Engineers

Campus chapters of the Society of Automotive Engineers and the Institute of Aeronautical Sciences will begin a membership drive, 7:30 Wednesday evening in the Commons Lounge. Representatives of both organizations will present aims and policies that govern their particular groups.

It is the goal of these local chapters to enroll the majority of the 350 engineering students on the campus into at least one or both of the professional societies.

Guest speakers of the evening will be, Prof. Kenneth Razak, head of the Engineering department at the University of Wichita, who will discuss the I.A.S., and Tom Salter, chief engineer of the Cessna Aircraft Company, who will present the many advantages to be gained by members of the S.A.E.

Following the talks, Melvin Snyder, Engineering instructor at the University of Wichita, will show films dealing with "jet" engines. All engineering students are urged to attend this meeting.

Dr. Earle R. Davis, head of the English department will speak on "American Folklore" tonight at the banquet of the Kansas League of Nursing Education in the ballroom of the Allis Hotel. He discussed America's contribution to literature and folk music.

Answer to Veterans Housing Problem Lies in Planeview

**FOR RENT
FOUR AND FIVE ROOM HOUSES
HEAT, LIGHT, AND ELECTRICITY FURNISHED
\$22.50 A MONTH**

Incredible as it sounds this add is not a hoax. In these days of high costs and the acute housing shortage to rent a home for such a low sum seems fantastic, but it can be done.

On the southeast corner of Planeview there is an area containing 120 dwellings. These homes are reserved for veterans who are going to school and their dependents.

For a year veterans have been given the opportunity of renting these homes. There is a fast turnover due to a veteran buying his own home or dropping out of school. Because of this the ex-GI doesn't have to wait long for a vacancy.

Uncle Sam is the landlord and he will see to it that before the new occupants move in the house is freshly painted inside and any defects fixed. After that the new inhabitants are on their own as to interior decorations.

Few of the veterans in Planeview have any money outside of the necessary funds for food and rent. Therefore, the saying "necessity is the mother of invention," is constantly proved.

Orange and apple crates, discarded lumber, and old fence posts are converted into fancy chairs, tables, vanities and dressers by the enter-

prising veterans. To do this takes ingenuity because to construct a vanity from a Florida orange crate and then convince your wife that it is as good as a \$75 job is a chore.

Old sheets and rags are turned into curtains and drapes by the wife. Thus she proves that she, too, is handy with materials that most people discard. Practically free of charge many veterans have furnished homes.

When settlers traveled across Americas' plains they found that to live peaceably one must "love thy neighbor". The same conditions hold true in Veterans' community. Friendliness is the by-word. There is a car pool and a constant loaning of garden tools and food. Although some of the borrowed things are never returned no friendship is lost.

Nearly every family has a dog and they, like their masters, know that in order to live happily one must live peaceably. Consequently, there are few dog fights and even

Cafeteria Serves 1,000 Students Each Day; Salaries Increased

More than 100 students are served in the cafeteria each school day. 350 students eat breakfast, 500 eat lunch and 200 eat supper in the cafeteria, Hattie Gesner, director of Commons, revealed today.

University cafeteria is not a money-making establishment and the slight rise in cafeteria prices is attributed to an increase of employees salaries, declared Miss Gesner.

"Food prices are extremely high and meat prices continue to rise. We serve chopped meat which may be obtained at prices within our budget," she said. Protein content of chopped meat is the same as equal amounts in whole cuts, she continued. Milk is a staple food and is sold cheaply to encourage student consumption.

The University of Wichita is the only municipal university in the nation with an endowed chair of religion.

the cats have little fear of their canine companions.

It's a toss up whether there are more dogs or babies. If a couple hasn't a baby now they are expecting one. One of these days a childless couple will be an "outsider".

If you are a veteran going to school and with dependents you should have no trouble in joining the ranks of those who have gone to Planeview to live economically and happily.

I.S.A. Adds To Council

Three members were added to the Independent Students Association council at a meeting last Monday night, according to Martin Young, vice president.

The new members are Donna White, Frank Dinella, and Jim Dorsett.

Young, and Gene Coghlin, senior; automatically placed on the council when they were elected to organization offices several weeks ago.

"The council, composed of all organization officers and three committee members, is a media to eliminate prolonged general business meetings. Discussions are held and outlines of organization activities are made," stated Young.

The completed council includes: General officers—Ernie Waite, sophomore; Martin Young, sophomore; Jackie Swallow, junior; Ralph Stiles, junior; Girls ISA officers, Martha Wyatt, junior; Jo Rutherford, senior; Ruthie Slentz, sophomore; Millie Shauff, junior; Mens ISA officers, Jim Young, sophomore; Gene Coghlin, senior; Don Berry, junior; Harold Perkins, sophomore.

Appointed officers—Corrine Nuckells, sophomore; Jim Dorsett, freshman; Twilla Stross, junior; Frank Dinella, freshmen; and Donna White, freshmen.

Grael Will Describe Jewish Refugee Halt

An eye witness account of the "Exodus, 1947", the Jewish refugee ship which was intercepted by the British going to Palestine will be given by Rev. John Stanley Grael this evening in the Roosevelt intermediate auditorium at 8 o'clock according to Sam Wallingford, Christian Palestine committee chairman.

Dr. W. M. Jardine, University president, is honorary chairman of the local committee.

Regents Authorize Railing For Stadium

Board of Regents has authorized building a permanent railing on the east stand of Veterans Field, according to John M. Gaddis, building supervisor.

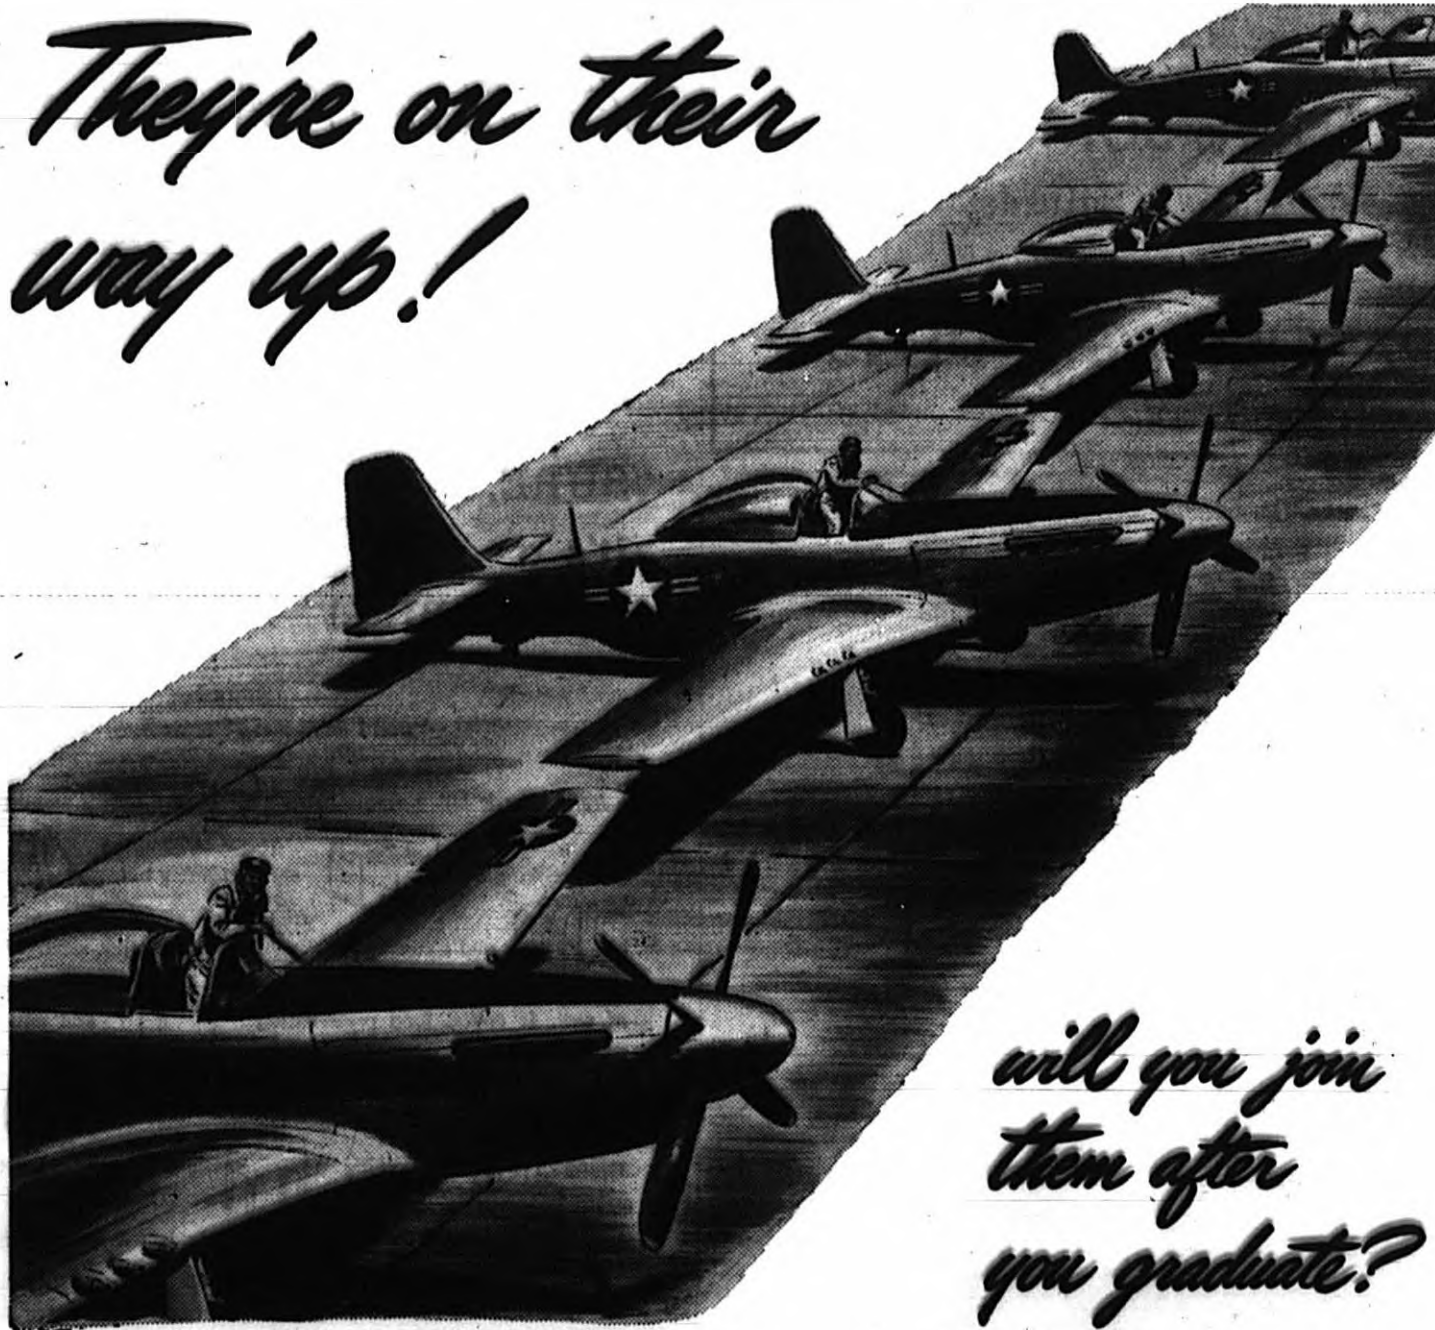

Construction of the new railing will start immediately and will replace the wooden one now in use. The railing will be of concrete, four feet high.

Bureau Will Translate Foreign Newspapers

Translation bureau of the University can translate 13 of 24 foreign newspapers on display in the Carter room of the library, according to Eugene Savalano, bureau head.

These newspapers will be shown this week.

Deadline for Sunflower advertising is Saturday noon.

They're on their way up!

will you join them after you graduate?

You probably know a number of men in your class who were pilots in the wartime Air Force. They are the best advertisements for the Aviation Cadet program. Talk with them about it.

Chances are, they'll tell you their service as pilots was one of the most interesting and exciting phases of their lives. Fast action, comradeship, and the chance to serve their country paid them dividends they don't forget . . . added something to their stature and poise that they couldn't have gotten anywhere else.

Cadet life today is no different. As a potential pilot in the new U. S. Air Force, you serve at a time of equal importance to the nation. Freedom, responsibility, the chance to use your own initiative are all yours.

The training you get is the finest your government can provide — \$35,000 worth for every Cadet.

You're taught by skilled instructors, fly the best airplanes. Your living facilities are excellent.

Learning to fly today opens profitable fields to you in aviation — which is expanding more rapidly than at any other time in history.

Pilot training is open, now, to single men, 20 to 26½ years old, who have completed at least one-half the credits for a degree from an accredited college or university — or pass an equivalent examination. Cadets completing the course will be commissioned Second Lieutenants, ORC, and assigned to active duty as pilots with the Air Force. During their tours of duty they will be given a chance to qualify for Regular Air Force Commissions. This is your opportunity! Look into it today at your nearest U. S. '46 Texas Conference Co-Champs Undefeated In Last Eight Contests

Seeking their fourth consecutive victory in Veterans Field, at 2 p.m. Saturday, the University of Wichita Wheatshockers battle Texas Athletic Conference co-champions, undefeated Abilene Christian College.

Head football coach "Tonto" Coleman is bringing a light but hard charging aggregation, that has won its last eight games, four of them this season.

The Wildcats, who boast a weight average of 178 pounds, have three members of the 1946 All-Texas Conference eleven, and two others on the second team.

These men are: guard Charles Floyd, tackle Willard Paine, back V. T. Smith, guard Marion Grant, and end Joe Akins.

V. T. Smith, 180-pound soph right halfback, led the nation's little colleges last year in gaining 958 yards from scrimmage in 10 games played, and was chosen to the nation's Little All-American football squad.

Ralph Graham, Shocker football coach has not released a definite starting line-up, but Paul Houser, 215-pound right tackle who has played exceptional football all season will be the Shocker captain.

The probable starting line-ups are:

WICHITA	Pos.	ABILENE
Campbell	LE	McKeever
Ague	LT	Paine
Walker	LG	Akins
Gott	C	Culwell
Stucky	RG	Hardage
Houser	RT	Stovall
Knecke	RE	Wilson
Hamilton	QB	Hannah
Sexton	LH	McClure
Morrison	RH	Smith
Hodge	FB	Mason

EXPECTED TO GIVE the Shockers plenty of trouble Saturday, in Veterans Field, is Charles Morris, 170-pound junior backfieldman and star passer of the Abilene Christian College team. Son of the athletic director of the Texas College, Morris lettered in football and basketball last year, and is now president of the junior class.

The Blue Star rating of excellence has been won by the University R. O. T. C. unit for 18 consecutive years.

Phi Sigs Are New Speedball Champs; Tennis Starts Soon

Phi Upsilon Sigma fraternity won the intramural speedball championship last Thursday with three wins and no defeats. Runnerup was Men of Webster with two wins and one defeat. Alpha Gamma Gamma followed with one win and two defeats. I.S.A. was fourth with three defeats.

Touch football scrimmage started Tuesday with Alpha Gamma Gamma, Men of Webster, Phi Upsilon Sigma and I.S.A. each supporting two teams. Organizations will start scrimmages to determine the starting teams.

Tennis matches will begin Wednesday. All students are eligible to enter. Participants must report before Friday to John Kocour, student director of intramurals, Room 101, Women's Gym.

Students not participating in varsity sports are urged to enter the intramural contests. Prizes and medals will be given at the end of the year, according to Kocour.

Dr. John Rydjord, head of the history department, spoke on "Nationalism" before the weekly luncheon meeting of the Junior Chamber of Commerce on Oct. 8 at the Lashen Hotel.

Muscles! Bidwell Announces Purchase of New Trampoline, Weights

New gym equipment has been purchased for the use of the physical education classes, announces Ab Bidwell, head of men's physical education department. The equipment includes a trampoline, which is a canvas covered set of springs with a steel frame used by tumblers; and a set of bar bells to be used by weight lifters.

Replacement items for regular gym classes include: 12 basketballs, six footballs, six speedballs, 36 softballs, six volleyballs, 18 softball bats, two gym mats, four badminton racquets, one badminton net and one tennis net. An attempt is being made to get a new wrestling mat.

"SURE, it's a LIGHT BILL!"

"And I don't mean electric light bill, either. I mean a *light* electric bill. Because lights are only a small part of it. It's a cooking bill and a cleaning bill and a heating bill and a cooling bill and a hot-water bill, as well. It covers food preservation and entertainment washing and ironing and time-telling and sewing and a lot of other things besides. It's the biggest bargain in my family budget. When the cost of practically everything else has gone UP, the price of my electric service has stayed modestly LOW. I know I'm getting twice as much electricity for my budget dollar as Mother did 20 years ago—and electric ~~is~~ doing many, many more jobs than it did then.

"It's a LIGHT bill, of course!"

SHOCKER SIDELIGHTS

By Al Littleton

Now that the 1947 football season is nearing the midpoint the football picture is clearing and grid squads know approximately what to expect from future opponents.

It appears that the strong

Shocker gridgers are virtually assured of wins in the Arizona State (Homecoming game) and the Colorado College game that is last on the 1947 schedule, both being played in Veterans Field.

Undefeated Abilene Christian looms as a tough contest but not in the class of Miami, Ohio, or St. Louis University who are bowling over "name" opponents regularly.

The boss and I don't always agree

He insists that everyone knows how clean we keep our Kings-X. I disagree with him because there are dozens of spots in a Kings-X that you customers never see. So how could you know? We keep those places that you don't see just as clean as the sparkling pie case that you see all the time. The boss still thinks you knew it all the time.

Basketball Roster Cut

Twenty-five men will be dropped from the basketball roster, bringing the present squad to 26 men. Mel Binford, head basketball coach, has announced. Of the present squad, 10 are lettermen.

Next week the squad will be cut in half, resulting in a varsity squad and a varsity "B" squad. All men eligible for varsity ball this year are from Kansas.

The squad will welcome the addition of Walter Knocke, two-year letterman and Jimmy Nutter, football and basketball star from McPherson, after the football season is over.

Some of the freshmen standouts are Rex McMurray, "Cot" Friesen, and Bob Shellenberger.

Frosh-Emporia State Grid Battle Cancelled

Cancellation of the Emporia State-Wichita "B" squad football game, scheduled for tomorrow night in old Shocker stadium, is announced by freshman football coach, Ted Warren.

The last game of the Shocker "B" team schedule will be played Oct. 30, at Bartlesville, against the University of Tulsa freshman squad.

Attending the annual convention of the Kansas Library Association in Topeka Tuesday through Thursday are Downing P. O'Harra, R. Paul Bartolini and Josephine Cowles, of the University library. It is expected that next year's convention will be held in Wichita with the University library staff as host.

Drake Loses To Shockers

Drake University failed to break the Shocker "jinx" that has plagued them four consecutive years and lost another thriller, 21-13, in Veterans Field last Saturday.

The Shockers gave Drake ample opportunity, fumbling seven times and giving Drake a touchdown when an attempted field goal was blocked and run the length of the field.

The Shockers scored once in the first quarter, on a 57-yard pass play, Sexton to Houlik, but trailed at the half 13-7.

Fullback Art Hodges crossed the Drake goal mid-way in the third quarter to send Wichita ahead for the first time as Tom Allen kicked the second of three successful conversions.

The final Shocker tally came as Mike Knopick fell on a blocked Drake punt in the end zone, in the third quarter.

Oklahoma Cowboys Down Frosh Squad

Oklahoma A. & M. freshman "Cowboys", playing a vicious hard-hitting brand of football downed a game Shocker "B" team 13-0 under the lights of old Shocker stadium last Friday.

A crowd of 2000 grid fans saw the lighter Shockers put on several determined goal line stands to finish the first half in a scoreless tie. In the last half, Aggie Toy Ledbetter sparked the Cowboys to two touchdowns, one on an 85-yard scoring march.

Left end Ed Szczpanik, right half Herb Harrison, and left halfback Cliff Yarnell, played outstanding games for Wichita, as did Ira Barkman and Jess Richardson at the tackle positions.

The Carter Scholarship has been awarded to Marilyn McClintock, sophomore in psychology, according to Downing P. O'Harra, librarian. This tuition scholarship is presented to the outstanding student librarian each year on the basis of merit.

the Alumni office in the Administration Building before next Thursday.

Prizes of 15, 10 and five dollars are being offered for the best floats which will be judged by a faculty committee, the co-chairman reported.

Students not entering floats in the parade are asked to decorate their cars and join the procession. Parade participants will meet at Lawrence Stadium at 9:30 o'clock Saturday morning, and the parade will wind its way through downtown Wichita from 10:30 until 11:30 o'clock.

Organizations planning floats or automobile decorations are reminded by the co-chairmen that Arizona State colors are blue and gold while the nickname is "Lumberjacks".

House decorations of social organizations will be judged at 1 p.m. Saturday and prizes of 15, 10, and five dollars are being offered.

The traditional western roundup theme will prevail during Homecoming as the University welcomes back its former students and graduates.

Students are permitted to wear western outfits including jeans, cowboy boots, and ten-gallon hats on Thursday and Friday of Homecoming week. Dress clothing must be worn to the Homecoming ball, Saturday night, Oct. 25.

New Y.W. Members Honored At Alpha Tau

To honor new Y.W.C.A. members a party will be given at 7:30 p. m., Oct. 29, in Alpha Tau house, according to Marjeen Spencer, Y. W.C.A. president. Members who want to attend must sign the list in the Administration building.

Jean Wogan will be in charge of games, which will include bobbing for apples, fortune telling and ghost stories.

Martha Wyatt will be in charge of decorations.

In 1898, the Shockers played first football game against college competition, losing to Friends-University, of Wichita, 5-0.
