

Robertson To Conduct Symphony

Concert Will Feature
Rimski-Korsakov In
Four Suite Movements

University Symphony, under the direction David Robertson, will present its second concert of the season tonight in the University auditorium at 8:15, according to Walter Duerksen, chairman of the music department.

Featured on the program will be "Scheherzade, Symphonic Suite, Opus 35" by Rimski-Korsakov.

The orchestra will present the first four movements of Kor-

David Robertson

sakov's Suite as they were given in their performance under the composer's direction in 1889.

Other selections will include "American Salute," by Morton Gould. This selection is based on "When Johnny Comes Marching Home," one of the finest American marching tunes, "A Night on Bald Mountain," a concert fantasy by M. Moussorgsky and "An Outdoor Overture" by Aaron Copland.

"This concert promises to be one of their finest concerts ever presented by the 75-piece orchestra," Mr. Duerksen said.

There is no admission and the public is invited. John Duncielberger will be the student concert master.

Varsity Has Congo Theme

"Cannibal Congo," an all-school varsity sponsored by Alpha Tau Sigma sorority, will be held in the men's gymnasium, Saturday, from 9 to 12 p. m., according to Maxine Moore, chairman.

The gym, momentarily a jungle, will be invested with wild animals, and centered with a huge, black, human-torture kettle. Highlighting the varsity, Alpha Tau pledges will enact a cannibal dance (or every man a tiger) to "Bingo, Bango, Bongo."

Tickets are available in the Common's Lounge, and will also be sold at the door. Admission is \$1.50 per couple.

Costumes for the evening will be sweaters and saddle shoes, according to Miss Moore. Dick Haughton's band will play.

T. V. SMITH, noted lecturer and philosopher of Chicago University, will be the second speaker on the Student Forum Lecture series next Wednesday at 8:15 p. m. in the University Auditorium. Activity tickets will admit students.

WSSF Plans Campaign To Raise \$1,500

Campus Officials Seek
To Aid 400,000 Foreign
Students in 1947 Drive

With a goal of \$1500 set for this year, World Student Services Fund officials will begin a week-long drive next Monday on the campus in conjunction with 810 colleges attempting to raise a needed two million dollars in the United States for relief, rehabilitation, and reconstruction of foreign students and universities.

More than 400,000 students in Europe and Asia are reported dependent upon W.S.S.F. for immediate aid, June Cale, campus chairman, has stated.

University student solicitors will canvas classrooms next Wednesday and Thursday during the third period, Miss Cale revealed. "This drive is for help from Students to Students. We can meet our goal if every student will give 50 cents," she commented.

A booth will be set up in the rotunda of the Administration Building and donations will be accepted there. Last year the goal was missed, with only \$471.56 being raised, Miss Cale said.

The W.S.S.F. drive was endorsed this week by President W. M. Jardine and Tom Curry, Student Council president. Committee members include Miss Cale, Midge Moore, Twilla Stoss, George Meloy, Dick Elving, T. J. Curry, Dan Dwyer, Martin Rice, Dick Hobbs, Lester Rosen, Bill Fein, Harold Kemper, Marjean Spencer, and Martha Wyatt.

Faculty representatives include Dean Grace Wilkie, Geraldine Hammond, Dr. C. C. McDonald, and Harry Corbin.

"W.S.S.F.'s American drive is actually getting the jump on Congress in speeding food, books, grants, medical care, and housing to foreign students," Miss Cale said.

The University of Kansas goal is \$9000, making nearly one dollar per person.

Rates Lower For Students

Sale of Fox Theater student reduced price application cards began yesterday morning in the Administration Building, said Tom J. Curry, president of Student Council. "These cards allow students to obtain tickets to all Fox Theaters in Wichita at greatly reduced prices," Curry said.

The sale of these cards resulted from the signing of a petition by Greek organizations and unaffiliated students, which comprised more than 80 per cent of the student body.

Each student is asked to submit his activity ticket with 50 cents for the application card which he may present at the theater ticket offices. Both Curry and Ralph Bartlett, city manager of Fox Theaters, ask that application cards be obtained at the Rotunda in the Administration Building as soon as possible. The deadline set for final purchase of these cards is Wednesday, Dec. 3.

Students with application cards will be admitted to the Orpheum, Miller, Boulevard, Palace and Sandra Theaters for 50 cents; to the Wichita Theater for 35 cents; and to the Uptown and Planeview Theaters for 30 cents.

Renewal of the reduced rate program will depend on student participation in this year's plan. Manager Bartlett asked students to cooperate with the theaters by not abusing the privilege.

HONORARY COLONEL MEETS COLONEL—Persis Bonjour, unaffiliated senior in the College of Fine Arts, was elected the 1947 Honorary Colonel by members of the Reserve Officers Training Corps on the campus. Miss Bonjour will be presented to the unit at a military ball in December. Honorary Colonel Bonjour, left, talks things over with Col. B. T. Beeler, professor of military science and tactics.

Persis Bonjour Named 1947 Honorary Colonel By R.O.T.C.

Persis Bonjour will be presented as the twenty-second Honorary Colonel of the University R.O.T.C. unit at their annual ball, Dec. 6, according to Paul Macauley, president of Scabbard and Blade.

Miss Bonjour is an unaffiliated senior in the College of Liberal Arts. She is the first unaffiliated student ever elected to the honor position.

The Honorary Colonel was named after the election held in the new armory by the entire corps last Friday, her name being submitted only the night before the election.

A full dress uniform will be presented to Miss Bonjour for the occasion and the expense of the

uniform will be assumed by the ball committee.

The ball will be held at the Beech Employees club house and will be the first formal social of the winter season.

Other candidates for the R.O.T.C. honor were Wilda Lee Rogers, Alpha Tau Sigma; Mary Armstrong, Sorosis; Gloria Feeters, Pi Kappa Psi; Jackie Swallow, I.S.A.; Joy Redfield, Delta Omega; and Helen Glasco, Epsilon Kappa Rho.

Shockers Play Host to 888 Musicians at Game Saturday

James Kerr, director of bands, will lead 888 visiting high school musicians from 15 Kansas towns in the Band Day celebration at the Wichita-Miami University football game, Saturday.

The "Military Escort March," "Billboard March," and "The Star Spangled Banner," will be played in a formation spelling out "Bands."

During the game, the bands will be seated on either side of Veteran's Field.

They will present a half-time spectacle including the spelling of "band" 50 yards high and 100 yards wide. A herald trumpet quartet from Garden City will open the presentation playing "To The Colors."

Visiting bands and their directors are Wichita High School North, Harold Clevenger; Reno Community, Harold Lutz; Florence, Gloria Fouts; Chanute, John Davies; Haven, J. Q. Dodge; Leon, Don Gart; Great Bend, W. L. Sherrard; An-

thony, C. H. Crawford; Augusta, Raymond Henderson; Ellinwood, H. B. Lowdermilk; Sterling, K. R. Thompson; Eureka, R. S. Miller; Caney, E. Nordstrom; Garden City, Robert Darnes and Planeview, R. Williams.

Harold Lutz, Gloria Fouts, John Davies, and J. Q. Dodge were graduated from the University of Wichita College of Fine Arts in 1947.

Garden City's Chamber of Commerce is sponsoring the appearance of its band here. Eighty-five additional Garden City residents will make this trip to Wichita. Garden City and Great Bend bands have 100 musicians each.

Kerr said Saturday's event will be the biggest of its kind in the history of the University.

Unaffiliates File Petitions For New Deal

New Arbitration Board
Or Re-election Wanted
By Greeks, Non-Greeks

Acting upon a decision of the faculty arbitration committee, the Student Council has called a special election to name four class officers on Friday, Dec. 5, Tom Curry, Student Council president, announced Wednesday.

Officers to be elected include senior vice president, junior treasurer, secretary, and sergeant-at-arms. Only members of the junior and senior classes will be able to cast votes at the polls in the Commons Lounge, Curry stated.

Petitions for each candidate will be due on Wednesday, Nov. 26, in Dean Grace Wilkie's office in the Administration Building. Petition details will be announced in next week's Sunflower.

While the Council was scheduling the new election, unaffiliated students passed two petitions, one requesting a new election for all six of the disputed offices and another asking for a new arbitration board. "One thousand signatures have been affixed to the petitions since Friday," Albert Voigt and William Fein, unaffiliated spokesman, revealed Tuesday.

"Not only unaffiliated students have signed our petition, but there have been many Greeks who feel the same way as we do," Fein said. A week ago, the unaffiliates named an all-man committee to draw up a platform and name candidates for the new election. Unaffiliated leaders also have demanded a stronger voice in campus government in addition to seeking broader representation for their group.

Meanwhile, Shocker coalition officials who had requested a new election from the arbitration committee during the hearings stated that the party would "continue its fight for equal representation of all students" and planned to support the unaffiliated petition to the board to reconsider the decision.

However, neutral observers on the campus were of the opinion that the unaffiliated students and Shocker coalition must present new evidence other than that already heard by the five-man board to bring about any change in the verdict.

Students Aid Chest Drive

More than \$1544.16 has been contributed to the Red Feather Community Chest Drive according to figures from the Comptroller's Office at the campaign's close. This figure shows a decrease in comparison with last year's contribution of \$1882.

Tom J. Curry, president of the Student Council, announced that "More than \$98 was dropped into the envelope passed throughout the University Oct. 31. About 90 dollars was given by various Greek organizations, which brought the total to \$188.16 which was a decrease of \$93.00 when compared with last year," he stated.

ROTC May Be Moved Thanksgiving Week

Offices, equipment, and classrooms are hoped to be moved into the new R.O.T.C. armory, installed ready for work by Thanksgiving week, according to Colonel D. T. Beeler, professor of military science and tactics.

Landscaping and laying sidewalks were the only factors delaying the moving, said Colonel Beeler.

Yvonne Davis, Peter Rankin United In Single Ring Service

Mr. and Mrs. R. E. Davis, of 1722 N. Yale, announce the marriage of their daughter Miss Yvonne Davis, to Peter Rankin of 401 N. Topeka. The Rev. James C. Hofmann read the single ring service at St. John's Episcopal Church, October 16.

Miss Barbara Davis, sister to the bride, was maid of honor, and John Macaulay was the best man. Richard L. Schacklett sang "O Perfect Love" before the ceremony. Mrs. B. B. Anawalt gave a reception at her apartment in the Hillcrest immediately after the ceremony.

Miss Davis attends University of Wichita and is a member of Alpha Tau Sigma sorority. Rankin attended Shattuck school before entering the University and is a pledge of Alpha Gamma Gamma fraternity. He returned last year from service in the Pacific.

Mr. and Mrs. Rankin are now living at St. John's rectory, 401 N. Topeka.

Educational Society Initiates 11 Members

Kappa Delta Pi, national honorary educational society, initiated eleven new members at a dinner in the Commons, Thursday according to Dean L. B. Sipple, professor and head of the College of Education.

The new pledges are Carol Groom, Marjean Spencer, Jeanette Munger, Lura Batterton, Margaret Woods, James Charles, Mrs. Elsie Kemper, Barbara Brooks, Dean Campbell, Edgar Turrentine, Dean Hatfield. Guests were Margaret A. Coleman and Mrs. Francis W. Brooks, who is Barbara Brooks mother.

Pledges Are Initiated Into Omega Upsilon

Five pledges were initiated into Omega Upsilon, national dramatics sorority, after a formal dinner at the Lassen Hotel, Monday, June Cale, sorority president, said.

The program included a reading by Marjorie Deering and a vocal selection by Virginia Popkins, accompanied by Mary Lou Wyckoff. Decorations were in two tones of green.

Faye Wilson, vice-president, was chairman of the dinner. The pledges were Betty Heft, Helen Christy, Patricia Whitaker, Barbara Dunlap, and Maxine Moore.

Dean L. Hekhuis announces the reorganization of Alpha Phi Omega, national boy scout fraternity. Men, who were scouts and are interested in the organization register in Dean Hekhuis' office in the Administration Bldg. The date for the first meeting will be announced.

Juniors Make Dates For Photo Sitings

Junior picture appointments for Paranasus will begin and continue until next Wednesday, announces Betty Jacobs, editor. Seniors must complete their appointments by today.

Pictures will be taken in the Commons Lounge and not in Borniger's studio as reported in last week's Sunflower. One dollar will be paid to Paranasus at the time of the sitting.

Students finding it impossible to make school appointments may go to Borniger's studio at 2226 W. Douglas. The studio will be open every afternoon until 8 p. m. and all day Saturdays.

Co-eds To Be Guests Of Faculty Members

Women students will be guests of faculty members at a "get acquainted coffee" in the women's lounge of the Administration building, Wednesday, between 9:30 a. m. and 2:30 p. m.

Plans were made by a committee of faculty women, headed by Mrs. Frances Brownlee, instructor in German.

Committee members are: Dean Grace Wilkie, Geraldine Albritten, Jeanne Donley, Josephine M. Cowles, Leone R. Enterline, Laura M. Cross, Viola M. Beebe, and Nancy Christopher.

Round about the Campus

CUPID captures cute campus couples—the latest additions on his list include Gamma Galen Christian pinned to Pi Kap Charlene Parrott; Gerald Ramsey, Alpha Gam pinned to Frances Asher, Sorosis; and Jim Blue engaged to Jeanne Ann Hoek.

HAPPIEST fella at the Phi Sig anniversary dinner was Ralph Stewart who was presented a Sky-line luggage set by the alumni—and those ROTC MEN are anxiously awaiting the first plimpse of Persis Bonjour, their Honorary colonel, in her chic official garb... still trying to fool cameramen at the downtown news office on the date of her wedding, visitor Max Sargent sneaked into the ole weather beaten haven of the split infinitive dept. ... for a few minutes of teeth chipping—tasty news, huh?

BONGO Bango Bongo—hope to see ya at the congo—hear those A. T. pledges have planned a dance—a can-can-ibel maybe???? Depleted bones of graduating seniors (dangling particples?) will add atmosphere, no doubt...

SLEEPY but surprised, D. O. actives were awakened at 4 a.m. by their peppy pledges and treated to a breakfast of Raiston (Hut sut) ... Sigma pledges are singing their favorite song these days "Blue Blue Moon" ... Sorosis Alumn dance is coming up ya know!

KEEPING in voice for that next Presbyterian gatherin and learning some jim-dandy new songs are Gammas Charles Christian and Jackson Sheets—displaying manly physiques (the football players that is) students carried the team on their shoulders—while parading through the downtown district, Sunday evening. Hope you didn't miss the fun!

CHESTERFIELD cigs labeled "free" in commons saved many a camper from nicotine fits ... Also, Maxine Bradbury tried "fattening" her roommates with chocolates ... all we know is that "HE" is from Eldorado!

LEAVE us hope that song about "Miami"—you know—the sun shines east, the sun shines west, etc., be changed to Stormy Weather after the game Sat. Hope Graham's crackers crumble Miami ... don't let those Indians creep up on us!!! **FOR** 50 dollars those three "take me back to Russia" Gamma fellas will give a command performance for the student body—and that's just what we want!!!

Dames Hear English Talk

University Dames will meet at the Sorosis house today and Monica Bishop, a visiting teacher from England, will speak.

A yearbook prepared for the University Dames, an organization consisting of the wives of the faculty and administration, was mailed to the members last Thursday, according to Mrs. H. A. Decker, vice president of the Dames.

Lists of the officers and committees of the club, names, addresses, and telephone numbers of all members, and the club calendar, were featured in the yearbook.

Maxine Moore is chairman of the all-school varsity, sponsored by Alpha Tau Sigma sorority, Saturday from 9 p. m. until midnight in the men's gym.

Delta Omega Mothers Club held an annual Mother and Daughter luncheon in honor of actives and pledges at the Delta Omega house, Monday, from 11:00 until 2:00. About 75 members were present. Mrs. George A. Brown and Mrs. Vern Cooley served. Marjorie Boyle accompanied on the piano during the luncheon.

Sociology majors met Tuesday night in the library to discuss plans for a club, according to Dr. Donald O. Cowgill, sociology department head.

Journalists Revive Frat

Men journalists on campus will reorganize Colophon, honorary journalism fraternity at a breakfast in the Commons next Wednesday at 7 a. m., Max Milbourn, acting head of the journalism department, declared today.

"A definite grade average in journalism and a strong interest in the field will be required for membership," Milbourn said. Plans for the group include bi-monthly breakfast meetings addressed by local men of journalism.

Business of the first meeting will include election of officers, selection of meeting time, and naming of pledges.

Because of the inactivity of Colophon during the war, there are no active members in the fraternity. Milbourn said active members will be juniors and seniors in the journalism department. Pledges will be freshmen and sophomores.

Mu Phi Celebrates Founding of Sorority

Four members of the University of Kansas Mu Phi Epsilon chapter joined the Wichita alumnae chapter as guests of the Phi Pi chapter of Mu Phi Epsilon. The University chapter of the national music sorority entertained at a Founders Day luncheon, Sunday, Peggy Gene Kerr, president, said.

A musical program followed the luncheon. Musicians were Zella Dustin, Ruth Sheer, Gretchen Dalley, Lois Ayers Gordon, Margurite Campbell Elliott, Mary Eby Bickford of Wichita, and Maxine Dunkelburg of Kansas University.

The Shockers scored 150 points in the first six football games this season.

Gamma Wins 'Honor Pin'

Gerald Ramsey, sophomore, was presented the Alpha Gamma Gamma "Herbert Bartel Honor Pin" at the annual Gamma fall pledge dance Friday evening. The presentation was made by Charlie Dunn a member of the Alpha Gamma Gamma Alumni Association.

The award is made annually to an outstanding first year active with sophomore classification. The pin is awarded in recognition of a member's contribution to the fraternity by his leadership, fraternal brotherhood, scholastic rating, and his activity in college affairs. The recipient is privileged to wear the pin throughout the year.

The pin, which originally belonged to Herbert Bartel, former president of the fraternity, was placed in the custody of Gamma Alumni Association by his parents. It was the desire of his parents to set Bartel's high ideals as an example for the fraternity and to perpetuate his memory in the Alpha Gamma Gamma organization.

The awarding of the "Herbert Bartel Honor Pin" as a traditional affair was instituted by the Gamma Alumni Association in the fall of 1937.

Kappa Rho Mother's Club Sponsors Dinner

A dinner, sponsored by the Epsilon Kappa Rho Mother's Club, will be held from 5:30 p. m. to 7:30 p. m., Thursday, in the sorority house, 1704 N. Holyoke.

The dinner was designed to aid the Kappa Rho building fund. Sorority members will sell tickets for 75 cents and Mrs. D. T. Beardsley, chairman of the dinner, will take telephone reservations.

WU Students Poll Agreement With Editor On Greek Pledge

The majority of students quizzed by Sunflower reporters believe Greek pledging should begin with the sophomore year according to the weekly campus poll.

Journalism reporters asked for student opinion on a prominent Kansas editor's suggestion that all Greek pledging be confined to second year college students.

Two-thirds of persons asked agreed with the editor and 7 per cent said there should be no Greek pledging. Sorority and fraternity members were included in the poll.

Following is a partial list of persons questioned and their opinion:

Roy L. Craig: Greek organizations have much to offer bewildered freshmen in their efforts to find their place in college life. Also freshmen add much to the spirit of the organization.

Martha Roop: I don't think freshmen should be allowed to pledge, but I think other classes should be allowed to do so.

Joanne Grieb: If a student wants to sign up for pledging when he is a freshman. I don't see anything wrong with it if he wants to get acquainted with other people.

Amelia Mikes: Most students that graduate from high school that come out here come for the only reason, to pledge, and I don't see anything wrong with this.

Gladys Johnson: I believe that there should be no Greek pledging.

Kent Whelan: If students are made to wait until their second year to pledge it may cause them to lose interest and also a full year will be wasted.

Bob Northcutt: The first year in college is the hardest for most people, so the second year of college would be better for pledging.

Shirley Holloway: I think it would be a good idea. Too many students, entering college directly from high school, need more time to become adjusted.

Charles Hickman: Yes, it gives the students a chance to find out

just what kind of an organization they are planning to join.

Betty Ann Dodson: I think it is a good idea if the school provides enough outside entertainment.

Jimmy Nutter: I think its a good idea to wait, then you will know by then whether or not you would want to join.

Don Mullins: Don't think it's a good idea. Better get it over with.

Kate Thies: Good idea. Freshmen don't know what they are getting into.

Thelma Tarra: No. I do not think that it should be confined to sophomors. Why? Freshmen are just as good as upper-classmen.

Loyal Woodson: Freshmen should be in fraternities, if they are eligible. I wouldn't consider joining if I had to wait.

Ernest Bruce: The adjustment of freshmen to college life is a full time job within itself. Greek affiliation should come later.

Movie, Talk Highlight Monthly Meeting Of Engineering Society

The movie, "Destruction Test for the Martin Mariner," a product of the Glenn Martin Aircraft Corporation, and a talk on Air Transportation by a student will highlight the monthly meeting of the engineering department.

The meeting will be held November 19, at 7:30 p.m., in the Commons building.

Student chapters of the Institute of Aeronautical Sciences, and the Society of Automotive Engineers will attend.

All department students are urged by Robert Parsons, student chapter vice president of Institute of Aeronautical Sciences to join one of these organizations.

TWO UNIVERSITY ROADS were blocked Monday as University students celebrated a 38-6 grid victory by the Shockers over St. Louis. The automobile blockade at the Fairmount entrance is pictured. After a huge welcoming rally at the Union Station greeted the team Sunday night, a special convocation was called during second and third periods on Monday. President W. M. Jardine congratulated team and coaches. Films of the victory were also shown.

Blood 'n Guts! Team Sees Needham When It Gets Sore Playing On Gridiron

With eight Shocker football games completed, Lester Needham, trainer of the University's gridsters, can step forward and take a bow for the teams fine physical condition.

Needham spends from ten to twelve hours a day in the training room located under the East stands in the old Shocker Stadium. At present Les is crowded for space because he has a whirlpool bath, a diathermy machine, four heat lamps, and five tables to accommodate his injured men.

Trainer Needham reports that this season the football squad has used 11,100 yards of two inch tape, ten pounds of cotton, and six hundred 3 by 3 inch gauze pads. To

soothe sore muscles, fifteen pounds of Analgesic Balm has been used. Les uses Tuf Skin for the prevention of blisters and four gallons of Tuf Skin has been used, with seventy-five pounds of foot and body powder.

Linwood Sexton is Needham's most frequent customer with Nutter and Houlik running a close second.

Seven Plays Scheduled

Seven one act plays, two of them originals, will be presented in the University auditorium next Thursday and Friday, according to George D. Wilner, professor of dramatic art.

Members of Prof. Wilner's play production class will produce and direct five of the plays. The five students and the plays they will produce are: Ted Noel, "Napoleon Crossing the Rockies" by Percy Mackaye; Molly Childs, "A Little Learning" by Nancy Bancroft Brocius; Ted Cervania, "What Never Dies" by Percival Wilde; Vivian Whittle, "Lonesome Like" by Harold Brighthouse; and June Cale, "The Chinese Water Wheel" by Edna Higgins Strachan.

The two original one act plays are "The Babbling Court", by Mary Jane Woodard of the speech department, and "The Departed," by Jim Stearns, University student.

Four of the plays will be given in one night and the other three will be given the following night, according to Prof. Wilner.

Admission will be free.

The University Band needs a bass clarinet player. Anyone interested see James Kerr, band director.

Staff Post To Be Filled

Applications for managing editor of the Sunflower will be accepted by the board of student publications this week, according to Dr. F. J. Nock, board chairman.

Applications should be addressed to Dr. Nock and left in Room 153, Administration Building, not later than noon Friday. Students who have taken the editing course, Journalism 335, or are now enrolled in it are eligible for the staff position vacated recently with the resignation of Mike Curtis who accepted a position on The Wichita Beacon.

The student board probably will meet early next week, Dr. Nock said.

Home Economics Club Issues 'News Letters'

First edition for this year the state wide magazine, the "News Letter," will be published by the Home Economics Club. Articles from every club in the state will be printed in this issue.

The News Letter is published quarterly and this copy will be the Christmas edition.

Staff officers were elected at the meeting of the Home Economics Club Wednesday. Names of officers will be made known in next week's Sunflower.

HAROLD CAREY ENTERTAINS approximately 75 persons daily in the Commons Lounge. Playing the piano is just a hobby with Carey, but he's got a lot of students bragging about his talent of making the "piano talk". Carey is pictured at the piano with several unidentified University students listening to one of his sentimental numbers.

Robert W. Cooke, associate professor of art, spoke to members and guests of the Twentieth Century Club recently. His subject was "Contemporary American Painters." Colored slides from the Britannica Encyclopedia were used to illustrate the lecture.

Four page newsletters, once a month, are being distributed to the teaching alumni of the University, according to Leslie B. Sipple, Dean of the College of Education. The newsletter contains announcements of reunions, news of school events, personal items and faculty.

Carey Makes Piano Talk, But Plans Dentistry Career

Harold Carey's hobby is probably the best-known on the campus, but not many students realize that its just a hobby. Carey entertains approximately 75 persons daily on the grand piano in the Commons Lounge.

Carey, a 25-year old freshman, can't say exactly how long he's been playing the piano but does say, "As long as I can remember I've been playing. Oh, I'd say since I was five years old."

Lessons? He'd never had one! Carey plays entirely by ear. He picks up new tunes from records or the radio, getting the song in his head before playing it on the piano. Carey comes from a musical family. His mother, Mrs. Gladys Carey, plays the piano and his father, Irvin, sings.

Harold has played to at least 100 different audiences including thousands of GI's in the China-Burma-India theatre. Carey served 37 months with the quartermasters corps. "The roughest time I can remember was flying over the 'Hump' in Burma, and then there was a show interrupted by Jap planes in Burma," Carey said.

The piano is not his only hobby, he also dances. In addition Harold is a member of a vocal trio. The trio consists of his uncle, a brother, and himself. They, too, have appeared before various groups in the city.

Make any money from the hobby? Carey had his own band while in a Texas high school; he was

half of a piano team, Seals and Carey; later worked with an 11-piece orchestra; he's done radio work at KFH and KFBI. Now he plays with the Esquire Jumpette.

What about music today? "The trend is toward sentimental and romantic ballads along with novelty music," Carey commented. The best novelty out according to the piano hobbyist is "Near You." "Solitude," "Star Dust", and "September Song" are three old numbers that still live, Carey says.

He's doing some work with Station WU on Tuesday and Thursday which is proving popular.

Harold can play sentimental, jazz, swing, or semi-classical tunes. "Star Dust" is his favored all-time hit. Carey can play approximately 75 per cent of the requests he receives.

He entered the university last fall and is a pre-dentistry student. Carey has a lot of students sold on him, and he's sold on the students. "The students and the faculty are real friendly to me. A lot of 'em say hello, and some will stop and talk. I've even been inside some of their houses." He's played for several fraternity and sorority functions and recently stole the show at a pep rally.

Carey came to Wichita in 1940 from Tyler, Tex. He lives at 1326 Cleveland.

W. U. Band Performs For Visiting Teachers

University of Wichita marching band demonstrated 22 formations at Veteran's Field Friday morning for the band directors attending the Kansas State Teacher's Association convention, according to James Kerr, band director.

Photographs of other performances given by the band this fall were displayed in the Commons and in Veteran's Field.

Here, in question and answer form, are some facts on the U. S. Air Force Aviation Cadet program. They cover details you may have been wondering about—and will be useful to you if you want to learn to fly and begin a career in one of today's fastest-moving fields.

- 1. Who is eligible for appointment to the Cadets?**
You, if you're physically fit, single, between 20 and 26½ years old, and have completed at least one-half the requirements for a college degree from an accredited institution — or pass an equivalent examination.
- 2. How long does the training last — and what does it cover?**
You receive approximately 52 weeks' training — worth \$35,000 — in primary, basic and advanced flying, along with other related courses designed to give you the finest background in your specialty.
- 3. What's the story on duty after graduation?**
After successful completion of the course, you will be commissioned a Second Lieutenant, Officers Re-

serve Corps, and assigned to pilot duty with the U. S. Air Force at a starting monthly salary of \$336 (including flight pay). You will serve on active duty for three years unless sooner relieved, and be eligible for \$500 a year bonus for each year of active duty as a Reserve Officer. If you're interested in a Regular Air Force commission, you'll be given a chance to qualify.

- 4. What are the civilian career opportunities?**
That's one you can answer for yourself by taking into consideration these facts: Contrary to what some people think, aviation is not overcrowded — for pilots or anyone else. No field is expanding more rapidly or offering more profitable openings to qualified men. After Aviation Cadet training, you can compete on an equal basis with any flier in the world.
- These are only a few of the advantages. Why not stop in today at your nearest U. S. Army and U. S. Air Force Recruiting Station and get all the details?

A Worthy Cause

The University of Wichita football team is on the march. A two touchdown underdog against St. Louis University last week, it smothered the Billikens, 38-6. A victory over Miami of Ohio Saturday will certainly call for either a post season game or one of the many bowl bids. A five star attraction here in Wichita would certainly be a rematch with the Hurricane of Tulsa University.

The Collegian, the T.U. school paper, is to be commended for its stand on Linwood Sexton. At least we know that seven out of 10 Tulsa students wanted our star halfback to play at Skelly field on Nov. 1.

A post season game would be in line with The Collegian's statement, "of giving the fans the best football game possible," for Sexton could be included in the lineup in Veterans Field.

Why have another game with Tulsa this year? Wichita fans have demonstrated more interest than ever before in the Shocker football team. The Tulsa-Wichita battle of Nov. 1 afforded Oklahoma fans a chance of seeing the toughest game the Hurricanes and Shockers have had this year. Why not allow Kansas fans a chance to see such a battle in early December, when the two teams can battle at full strength not for profits but for a worthy cause.

The Sunflower believes that worthy cause is Sedgwick County's incomplete war memorial and citation, Veterans Field. All funds have been spent, and unless further donations come soon the completion of the memorial may be years in the offing.

Students of this University demonstrated roaring approval to such a game for such a cause and this week are signing petitions asking for the rematch with Tulsa.

The Tulsa Collegian commenting on the race problem in Oklahoma said, "It will probably take another war, but someday we may see democracy mean something around these parts." The Sunflower believes that the problem may be ironed out someday by education and understanding, we've had enough of war.

Save A Student

The World Student Service Fund drive will soon be underway on this campus and this year our goal is 1,500 dollars, it is essential that we meet the 1947 quota as 400,000 students in 18 war-scarred countries in Europe and Asia are depending upon us for aid.

W.S.S.F. is the American student's "Marshall Plan." It is designed to bring relief and rehabilitation to less fortunate students in foreign lands. Education in many lands was interrupted or enslaved. Many universities were badly damaged, many destroyed, many despoiled, with laboratories looted, and libraries purged or destroyed.

We have learned through the last war that we can not isolate ourselves. We must not cut ourselves away from fellow students in other lands. We know that we must eliminate ignorance, hunger, and disease to beat totalitarian forces.

Last year \$377,199.65 was spent by W.S.S.F. in its program, this year the need is much greater. A recent cablegram from Geneva sets the need at five million dollars, but they have asked for only two million. Half of this it is hoped will come from American students.

University of Wichita students are being asked to give at least 450 cents per person. This we must do to give fellow students—food, fellowship, and freedom.

Dr. C. B. Read, math department head, and Dr. L. Hekhuis, dean of the College of Liberal Arts, attended the annual dinner of the Quivera Council of the Boy Scouts recently at the Kansas Gas and Electric Company cabin. Plans for the next year were discussed and special attention was paid to the development of the camp site.

A cosmetics demonstration will be featured at the women's Independent Student Association meeting at 4 p.m., Monday. Mrs. M. E. Wilkinson, cosmetic representative, will give the demonstration. All unaffiliated women are invited to attend.

EATING ON THE CAMPUS

On Another Campus

"Sadie Hawkins' will have not one but two days on the University of Tulsa campus according to The Collegian. Students have been urged to wear clothes in keeping with the mountain motif. The University has also instructed men to run from the powder-puff set on the days of scanty dress. However, they foresee a head-on clash rather than a chase. On the same campus W.U. cheerleaders and students are featured on the front page in the pep parade and dance at Tulsa, Nov. 1.

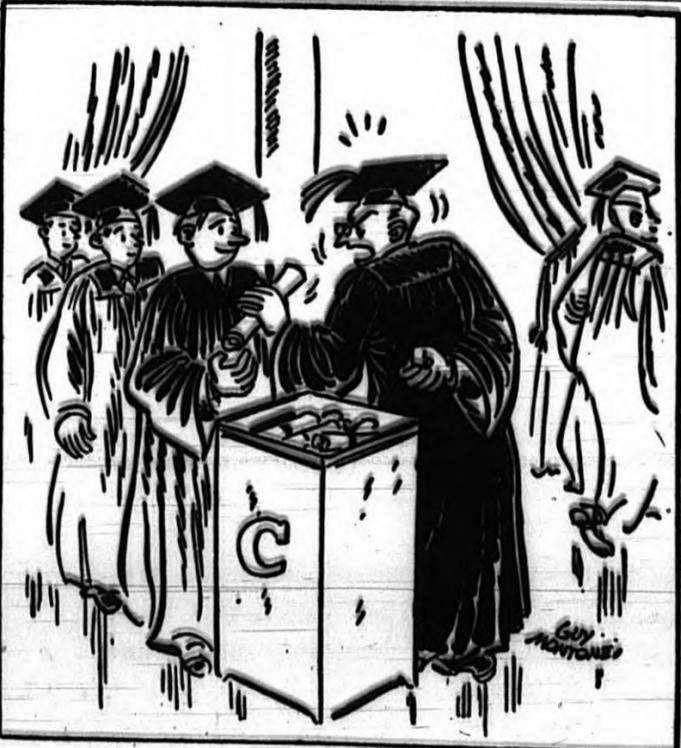

An old tradition has been broken as Case College in Cleveland, Ohio, reports The Case Tech. The sun dial on the campus has been known as the congregating place for seniors. Today, however, the tradition has fallen into sad disrepute, with underclassmen roaming all over the sacred ground.

A snake-dance on an escalator was one way in which Drake University students celebrated their upset over the Oklahoma Aggies two weeks ago. The Times Delphic tells how nearly 1,000 students caused a traffic jam having their pictures taken in front of the local newspaper, then riding the escalators, snake-form, at a local department store. The group later called on the Governor of Iowa and later held a dance in the field house.

An "Eisenhower-for-President boom" has been advanced at Kansas Wesleyan University. The Wesleyan Advance asks editorially, "How about a Kansan in the White House?"

At Colorado State College at Greeley, Dr. George W. Frasier, president, declared this week, "For the first time in our peacetime history we have more soldiers than teachers and it is axiomatic in the world that a nation with more soldiers than teachers is headed for war."

Two father-son combinations are enrolled at Kansas Wesleyan University according to the Kansas Wesleyan Advance. They are James Mueller and his father, Capt. W. J. Mueller and Rev. S. Ben Finley and his son, Robert.

Dear Editor:

The recent election of Persis Bonjour, unaffiliated candidate for "Honorary Colonel", by the R.O.T.C. is an indication of the reversal of student opinion. Until recently, all elections, regardless of their importance, were cut and dried. It was merely a matter of selecting the fraternity or sorority student to fill the vacancy.

By this victory, it is very apparent where the power lies. If the unaffiliated students will only vote, there isn't a position on the campus they couldn't control unanimously or at the very least, have a working majority.

Yours for better representation,
William E. Fein.

Dear Editor:

It seems to me that it is about time that the students and the Student Council wake up and notice that the University of Wichita is not just a little school. Now that the school has grown up a little, isn't it about time that the students grow up, too?

A few years ago when the University had only a small enrollment, the faculty and students came to an agreement that once every year the students could hold a walkout.

Now the University has an enrollment of 3,000, with one of the best departments in chemistry, music, and aeronautical engineering in the United States and with a nationwide reputation for our Research Foundation and the Institute of Logopedics. So what do we do? Still act like kids in grammar school and think we're smart to get out of a day of school. There isn't even any gambling spirit out here. There'd be a walkout once a year even if we lost all the games of the season.

Why doesn't the Student Council either rule out the walkout completely and help the school grow up, or else hold off their one official walkout until there is a good reason for a celebration? No reason—no walkout.

Sincerely,
Jane Mueller, senior.

Editor's Note: Students were sorry last year when they walked out after a Washburn victory and a week later St. Louis fell for the first time, 13-0. Certainly the 1947 38-6 Billiken rout was a better reason for a celebration than the 55-7 win over a weak Arizona State eleven.

Dear Editor:

In the past few years we have observed Wichita University acquiring recognition as one of the leading municipal Universities throughout the Middle West. No doubt, this recognition must be attributed to its able President and aptly qualified educators. The scholastic advancements, the efficiently organized departments, the extra-curricular activities promoted by the University, are representative of a mature University.

In order to keep abreast in this progress at the University, I wish to suggest the establishment of an "AIR BOWL". May I further suggest (if the necessary arrangements can be made) that the first game to be held: WICHITA v. TULSA.

Yours, for an Air Bowl,
Russell E. Cramer, Junior.

Educational Opportunities for better communal understanding were stressed in a discussion at the National Conference of Christians and Jews, Monday, at the First Presbyterian Church. University of Wichita representatives attending were Dr. Gordon C. Hanson, associate professor of education and psychology, Faye M. Ricketts, head of secretarial training department, and L. Hekhuis, dean of the College of Liberal Arts.

Y.W. Picks Committee

Advisory Committee for the Young Women's Christian Association Cabinet has elected Mrs. C. A. Foreman as their Chairman and Mrs. S. R. Hawes as Secretary for the coming year, announces Marjean Spencer.

This committee has been organized for the purpose of aiding the YWCA Cabinet in their activities on the campus.

Committee members and their respective committees are: Alice Isley, program; Mrs. Harry Corbin, publicity; Eva Hangen, membership; Mrs. H. W. Ralston, projects; Mrs. Houston Barclay, summer service, and Grace Wilkins, finance.

Mrs. W. M. Jardine serves as ex officio member.

A Picnic to celebrate the birthday of Dr. Martin F. Palmer, director of the Institute of Logopedics, was held recently in a vacant lot owned by Mr. and Mrs. Forest M. Hall, supervisors at the Institute. Forty Institute of Logopedics staff and former members attended the picnic.

Even 'Rover' Can Carry On Limited Conversations--Palmer

"Even the smartest dog will have to be satisfied with about two words per sentence," said Martin F. Palmer, director of the Institute of Logopedics, in his speech to the National Society for Crippled Children and Adults convention in Chicago.

"It's just a matter of having the time and patience to teach the mutt to use his vocal organs to his own advantage," continued Dr. Palmer, in his speech, "Your Child Has a Future". Teaching a dog to speak parallels the correction of speech defects in children.

In his luncheon address at the Ballroom of the Midland Hotel on Nov. 5, Dr. Palmer stated that, "speech correction should be considered as a part of the treatment of the child."

Pointing out that no child is beyond help, Dr. Palmer gave the encouragement that, "there is every likelihood an intelligent child who has even a severe speech defect can be helped. Our goal is not normality in severe cases, but training to bring the child's speech to a vocational level."

Dr. Palmer then considered the social benefits derived from this speech training. "In many of these severe cases it is either a question of these children being given proper speech training or of them becoming a charity on society."

New Course Offered To County Teachers

Committee on Adult Education is making arrangements for a credit course for the teachers of Barber County to be given at Medicine Lodge, according to L. M. Blake, committee chairman.

The course, "Principals and Types of Geography," will be taught by Robert Crowe, high school principal at Medicine Lodge. Details of the arrangements are being handled through Jennie McKinley, superintendent of schools in Barber County.

Other activities in adult education include a non-credit course in business correspondence that is being given to employees of Beechcraft Corporation here at the University. The twelve-week course was initiated upon request of the Beechcraft Corporation, and is taught by Fern M. Lyon, professor of English.

Great Books Study Opens

The University Library is participating in a program to present to the University students, and citizens of Wichita, discussions and studies of some of the books from the St. John's College List of Great Books.

Discussions will begin this month and continue until May. Sixteen books from the collection of 100 will be studied and discussed.

There is no cost other than for books which can be obtained for 60 cents per copy. Trained discussion leaders will direct the classes.

Classes, beginning Monday will be held from 7:30 until 9:30 at two-week intervals at the following places: the Wichita City Library, Wichita High School East, Fairmount Community Church, the First Presbyterian Church, and Friends University.

"The purpose of the meetings is to read and discuss these classics and to apply what those thinkers had to say to today's problems," R. Paul Bartolini, assistant librarian, said.

The University Library has all but six of the volumes listed. Those books not owned by the library will be obtained on microfilm, Bartolini continued.

Among the books on display are "The Wealth of Nations", by Adam Smith, and William James', "Psychology". These books are first editions.

All students interested in attending these classes may obtain the necessary information from the library.

The following books are to be used in the classes, "The Bible", I Kings, II Samuel; The Declaration of Independence; Crito' from Plato's Apology"; Books I-II, "Republic" by Plato.

Selections from History by Thucydides; Lysistrata, Birds and Clouds by Aristophanes; Book I, "Ethics", and Book I, "Politics" by Aristotle; "Lycurgus", "Numa", "Comparison", "Alexander", and "Caesar" by Plutarch.

Books I-VIII, "Confessions" by St. Augustine; Treatise on Law by St. Thomas; "The Prince" by Machiavelli; Of Civil Government by Locke; The Social Contract by Rousseau.

Federalist Papers; Book I, "The Wealth of Nations" by Smith and Karl Marx's "Communist Manifesto".

On Oct. 24, 1946, the non-smoking rule in the Administration and Science Buildings was lifted and special areas were designated in which students could smoke.

PAYOFFS REACH MID-POINT IN INTRAMURALS

Phi Sigma B Team Leads In Football

Contestants Narrowed To Sixteen For Final Tennis Tilt Next Week

Phi Sig B squad retained leadership in intramural touch football last week with a 42 to 6 victory over ISA A, as several favorites were downed.

Gamma B upset the dope by beating ISA A, 18 to 12, while the Cowpokes fought to a 6 to 6 tie with ISA B. Webster B pulled a near upset in losing to Phi Sig A 12 to 6 and Gamma A smothered Pi Alpha 12 to 0.

High scoring games featured other battles as Webster A tromped over ISA B 36 to 0 and Phi Sig B breezed by ISA A 42 to 6 margin.

In games this afternoon, Phi Sig A plays ISA B and Phi Sig B meets Pi Alpha, at 4 p. m. on the practice football fields.

In the third week of play, the intramural tennis tournament has narrowed down to 50 players to 16 contestants. Quarter and semi final rounds are to be played this week with the finals early next week.

V. Martin, pre-tourney favorite withdrew from competition, leaving Starr, Loder, Hickman and Binford as top seeded men.

Line Coach Jim Trimble played tackle for three years under "Bo" McMillin at University of Indiana, and was selected the outstanding player on the 1941 team.

TWO TALENTED QUARTERBACKS of Miami University, Oxford, Ohio, who will see action against the Shockers Saturday in Veterans Field are Tom Cole, kicking, and Mel Olix, holding. Tom Cole has successfully converted 17 of 23 points after touchdown attempts this year. Mel Olix has completed 52 of 89 attempted passes good for 847 yards.

Pennant Poles, Heater Added at Vets Field

Miniature flag poles are being erected on top of the east stands of Veterans Field to hang pennants of opposing schools and of the University of Wichita, according to John M. Gaddis, supervisor of buildings and grounds.

The new flag poles will be installed before the next game. A temporary heating unit is also being installed in the two unfinished dressing rooms under the west stands.

Venison Dinner Given By W. U. Foods Class

A venison roast provided the main course for the buffet dinner given by the second year foods class for the home economics majors, last Tuesday.

Grace Wilkie, dean of women, was a guest at the dinner.

Five Shockers Enter Inter-Collegiate Meet At Drake University

Five Shocker trackmen will enter the Central Inter-Collegiate cross-country track meet Saturday at Drake University, Des Moines, announced Ab Bidwell, head track coach.

The men making the trip to the nation's second largest collegiate track meet are Rodney Breth, Bill Hunter, Larry Lallament, Dean Mathews, and Leo Konecny.

Cross-country championship of the Missouri Valley Conference will be decided at the same time by comparing times of Valley entrants.

SHOCKERS BATTLE FAST REDSKINS SATURDAY

Club Awards Four 'Oscars'

Four Shocker gridsters were selected by the Downtown Quarterback Club Tuesday to receive grid trophies for outstanding performances in the 38-6 defeat of St. Louis University, last week. These men are Fullback Art Hodges, left halfback Linwood Sexton, left tackle Carl Crelly, and left end Mike Knopick. At the same meeting "oscar" were presented to Shocker halfback Anton "Hap" Houlik and guard Bob Schreiner for play against the Tulsa Golden Hurricanes.

Dribble! Shocker 'B' Team Against Friends 'A' In First Cage Game

Preview of coming basketball prospects will be shown tonight as the varsity "B" squad opens the season with Friends University cagers at 7 p.m. in Henrion Gym. The "B" squad, defending Kansas State Amateur basketball champ, is composed of freshmen and coached by Ted Warren. Friends University was defeated twice last year, 67-24 and 57-23, by the Shockers but little is known of the comparative strength of the two teams this season.

Wheatshocks Thrash Bills

Wichita Closes Valley Play In Second Place

Bowling over a tough St. Louis Billiken grid squad last week 38-6, the University of Wichita Wheatshocks rolled into second place in final record of two wins and one loss.

Tulsa won the Valley conference with three wins, and St. Louis dropped to third with a record of one win and one defeat. Drake University with one win against three losses held fourth position ahead of Oklahoma A. & M. who lost two Valley contests.

St. Louis started fast, scoring within four minutes after the kick-off, marching from their 46-yard line to pay dirt without losing possession of the ball.

The Shockers tied up the game on a 15-yard scoring pass from fullback Art Hodges to end Mike Knopick, and went ahead 13-6 later in the second quarter as Hodges bucked over from the 2-yard line, and Tom Allen's conversion was good.

SHOCKER SIDELIGHTS

By Al Littleton

Returning from the 38-6 triumph over St. Louis University, the Shocker coaching staff and 20 members of the squad paid a surprise visit to Jack Hazlett at Bell Memorial Hospital, Kansas, City, Sunday.

The gridsters report that Hazlett, 1946 Shocker end who was injured when a horse fell on him last summer, is much improved and is now sitting up for the first time in three months.

Shocker tackle Paul Houser is thinking of converting to fullback for the remainder of this season's games. The 127th Fighter Squadron of the Air National Guard has offered him 50 dollars if he scores a touchdown this season.

Houser did score against Arizona State, powering over from the four-yard line, only to have the play recalled by a penalty.

Undefeated Miami Team Plays Here

Gillman's Team Boasts Enviably Win Record For Last Five Seasons

Unbeaten Miami University Redskins, of Oxford, Ohio, current leader of the Mid-American Conference, will battle the Shockers Saturday at 2 p. m. in Veterans Field, in the sixth home game of the 1947 season.

Coach Sidney Gillman is bringing a light and fast squad, boasting 27 returned lettermen from the 1946 team, that won seven of ten games. The Redskins have a record this season of six wins and one tie game.

Gillman has compiled an enviable record as Miami coach with 28 wins against 8 losses and one tie. The Redskins have not been held scoreless in 35 games, since Gillman became coach in 1943.

An ace place-kicker, quarterback Tom Cole, will be seen in action Saturday against the Shockers. Cole racked up 28 completions out of 31 attempted conversions last year, and has successfully kicked 17 of 23 attempts this year.

The starting quarterback Mel Olix, 188-pound soph, ranks seventh in the nation on passing with 58 completions of 105 attempts.

Ara Parseghian, 190-pound junior right halfback and three year letterman, turned down a chance to play professional football this season.

Shocker football coach Ralph Graham has not released a definite starting lineup, but probable starters are:

"STEAKS ARE STEAKS," THE MAN SAID!

I can remember when there just weren't any steaks to be had. But they are to be had now at any Kings-X address listed below. And they're not just "steaks." They're Kings-X steaks that are chosen by X-perts and are prepared by X-perts exactly the way you want them. So you can plainly see that "steaks are steaks" isn't exactly the thing to say.

Gentlemen, Not Bums, Play On Squad; Coach Flies High

By Sunflower Staff Writer

Jubilant Shocker fans heard and read of the brilliant 38-6 Wichita victory over a two to three touchdown favored St. Louis University eleven but they didn't hear of the halfback that loves classic music, the one-eyed placement kicker, the tackle's grandfather who wrestles, and how a winning coach feels.

Strangely enough the team didn't talk much about the game on the way to St. Louis. The Billiken school paper predicted a 21-point victory for St. Louis, other bold scribes were taking the Missourians by 13 points. But, the Shockers paid little attention, instead they were reading of the 103-year old California woman that burned to death after falling asleep with a lit cigarette.

Vincent Gott, Shocker center, was probably the most excited member of the team. Gott discovered upon taking off his topcoat on the train that he had left his suit coat behind. However, every member of the team dressed in his Sunday best, and the University was represented by gentlemen not bums.

Upon arrival in St. Louis several members of the squad noticed the absence of their favorite breakfast cereal on the tables. This was quickly remedied by Line Coach Jim Trimble, and the Shockers did perform like champions that night.

At Walsh Stadium, the Shockers appeared to be on the way to defeat in the first few minutes of the first quarter, but from the second quarter on they blasted and blitzed the Billiken into defeat.

After the final Wichita T.D. there was an argument among the Shocker team members. No, there was no dissension—they were pondering over the placement. Should a back or linesman kick? Someone said, "Oh let a linesman do it." So it was that "One-eyed" George Walker was called in to boot the ball. George didn't lose that one eye in the game, he had been hit in a practice scrimmage the day

before. Thus, the man that attempted but missed that extra point was the only bad Shocker injury, but he had been injured on Friday by his own teammates.

With victory, Anton "Hap" Houlik, captain, grabbed the white pigskin and took off the field. Later Hap commented that the "break" in the game came when Allen kicked the ball out of the park. "That ball was no good, and the next one they put in play was better," said Houlik. On the return trip every member of the squad and coaching staff affixed his signature to the football.

Immediately after the contest a gridster was hoisted to the shoulders of Shocker team members. He was Linwood Sexton, the "swivel-hipped rhumba master." Linwood had played his last road game for W.U. It was one of his finest, he had gained 159 net yards rushing and scored a long tally. On the return trip, Sexton revealed his love for the classics as well as the grid game. It was Paul Skinner's radio that put Sexton in that exotic mood Sunday.

Paul Houser is a flyer, and Saturday night he flew high and wide into that Billiken line. But on Sunday he beat the boys home because he had another ride. Paul's flying squadron came to St. Louis to see him play and on Sunday they all flew home. What was Houser doing when the team came in Sunday night? Why he was fast asleep in his bed at home.

There was a lot of jubilation on the return trip. However, some of the gridsters brought out the text

books and prepared for Monday classes, others played bridge or listened to classics with Sexton.

Carl DePaolis and Mike Knopick took the opportunity to catch up on their sleep. Carl "Ironhead" Crelly told of his 135 pound grandfather that could pin Big Jim Trimble. End Coach Ted Warren told navy experiences mixed with football while Dr. Cramer Reed, the really vital man on the trip, listened but dreamed of the alumni reunion he had with former Washington University classmates.

"Steamboat" Ed Kriwiel kept pretty quiet as usual, but he had at least 11 members of his family watching him at St. Louis. They had come from Chicago, and were really proud of Eddie after he scored for the Shockers.

Trainer Les Needham looked forward to getting local high school stars in shape for the city game next Friday. Ray Morrison slept until Kansas City, but was doing public relations along with Dee Egbert from K.C. to Wichita. A local barbershop quartet that boarded the train at Topeka entertained the Shockers with old ballads for about forty-five minutes.

Ted Kolbohm was explaining how Herb Harrison had kayoed him during the game. John Stucky was telling how many press clippings he had—they weren't too numerous.

Walt Knocke and Pat Larimer plastered Crelly and Walker in a game of bridge. "Hap" Houlick, one of the quietest men on the trip, later joined in the game. Marvin "Pop" Campbell was quizzed by one Shocker fan about his new twin daughters.

Best behaved man on the squad was Art Hodges. His wife, Barbara, accompanied him. But better yet his father-in-law, C. C. Sutton, had won the Downtown Quarterback trip and he also went along.

No one expected the huge ovation at the Union Station, but Head Football Coach Ralph Graham just about hit the nail on the head when he explained how he felt

SHOCKER GRID STARS WERE ALL SMILES as they boarded a Missouri Pacific train for St. Louis last Friday night, but those smiles were much bigger upon their return after trouncing the Billikens 38-6, Sunday night. Pictured boarding the train for the Missouri city are from left, Paul Houser, Jimmy Nutter, Linwood Sexton, and Marvin Campbell.

after he won the ball game. "After the boys won that game, I was about 15,000 feet in the air. I came down to 3,000 feet by morning, and was at 2,000 when we reached Wichita. But when I got off the train and saw all the fans I went back up to 15,000 feet again!"

St. Louis and Wichita Alumni Meet Before Big Grid Victory

Twenty-two St. Louis, Mo., and Wichita alumni held a reunion dinner at the Bevo Mill in St. Louis last Saturday evening, prior to Wichita's greatest football victory of the season—a 38-8 win over the favored St. Louis University Billikens which assured the Shockers of undisputed second place in the Missouri Valley Conference.

Meuli Curry, former Shocker basketball captain and brother of T. J. Curry, student council president, presided at the dinner.

Mrs. Curry had charge of table decorations, consisting of miniature wheatshocks tied with yellow and black ribbons. The centerpiece was a make-believe playing field. Candy pumpkins dotted the table.

Immediately following the dinner, the group attended the game in a body. They were joined by Dr. George Scheer, Harriet Mc-

Kay (Mrs. Ray) Weaver, Maryann Earl (Mrs. Paul) Eger, and Maurice Byrd.

Nearby were Gifford M. Booth, Jr., Oliver Elliott, Ed Thomas and Bud Lawless who had just arrived from Wichita.

Those attending the dinner included Mr. and Mrs. Curry, Mr. and Mrs. James T. Lee, Mr. and Mrs. Harland Jones, Mr. and Mrs. Phil Robertson, Mr. and Mrs. Hal Kelley, Mr. and Mrs. Ronald Sohn, Mr. and Mrs. Harry Corbin, Mr. and Mrs. John Botenfield, Doris Harvey, Maurine Feese, Helen McCaslin, Helen Hege, Melba Van Sickle, and Mickey McCoy.

President W. M. Jardine wired the St. Louis Group:

"Your meeting this evening is welcomed with more than usual interest by your many student and faculty friends. It is their hope—as it is mine—that in these difficult post-war times your school will justify and continue to receive your wholehearted and enthusiastic support. Best wishes to all."

Name Opera For Yuletide

"Production of the opera, 'Hansel and Gretel,' is the most ambitious undertaking of its kind in the history of the University," declared Eugene C. Spangler, technical director of the University Theater.

The opera will be staged at 8:30 p. m. Dec. 11, 12, and 13, in the University Auditorium.

The cast, headed by Gloria Fetters and Zella Dustin, will be supported by the entire University Symphony Orchestra, ballet group, and chorus.

This fantasy, written by E. Humperdinck, is a comedy based on the familiar children's tale, and is an excellent choice for the Christmas season. Spangler added.

Rehearsals are being directed by Harold A. Decker, head of the vocal department, and George D. Wilner, professor of dramatics.

Five-Man Steering Group Is Named By Religious Council

Five students were named to a steering committee of the University's religious council Tuesday evening, Dean L. Hekhuis, head of the religious education department, has announced.

The five students include Barbara Cochenet, Jack West, George Meloy, Ralph Brack, and Charles Bevis. Harry Corbin, associate professor in religious education, was named counselor for the committee.

Under the religious counselling program recently instituted among the various faiths represented in the University, life's problems are discussed with experts and ideas are shared among the faiths, Dean Hekhuis said.

Each denomination has one hour reserved each week at which time a minister of that denomination is in Room 206, Library, to talk with anyone interested. Following is the schedule:

- Tuesday—10 a.m.—Lutheran Missouri
- Tuesday—1:30 p.m.—Presbyterian
- Wednesday—10 a.m.—Catholic
- Thursday—11 a.m.—Lutheran National
- Thursday—12 noon—Congregational
- Thursday—1 p.m.—Evangelical
- Thursday—2:30 p.m.—Episcopal

CURTAIN CALL OR CRY

The National Repertory Theatre presented Oscar Wilde's "The Importance of Being Earnest" in the University auditorium Friday. This marked the first performance of a road show company on the University stage.

It is difficult to single out any member of this professional cast as being decidedly better than the others. For the most part the actors were well cast in their roles. William Browder was strong in the lead part, but failed to outmeasure Dean Nelson or Isabelle Ward when it came to scene stealing.

During the first act, the entire cast was mechanical, lacking life, and appeared bored in spite of the warm response it received from the audience.

The second and third acts moved faster, with the actors displaying excellent acting ability and technique. Apparently the group was slow to realize that they had an encouraging audience who seemed anxious to laugh at the verbal crossfire of retorts in the Wilde comedy.

On the whole, the actors had the polish, deportment and assuredness that goes with being professional. Their lines were spoken sharply, distinctly and with the right punch to put them across.

Occasionally, their timing was amateurish. They failed to give the audience sufficient time to laugh. The audience overlooked this minor technicality as they gave the cast several curtain calls. Judging by this the audience enjoyed the play and the good work of the cast.

The plaudits of this reviewer, however, go to the dramatics department of the University for sponsoring the play. This should happen more often.—C. T.

An inflamed eye caused J. C. King, third floor janitor of the Science building, to be absent from work several days. He will be able to return soon.

I.R.C. Meets Tonight In University Library

International Relations Club meeting will be held tonight instead of Nov. 20 at 7:30 in the

library. An explanation will be given of what UNESCO is and its connection with the U.N.

The IRC met last Thursday evening in the Carter Room of the library and made plans for a club discussion on the Palestine

issue to be broadcast over station KAKE. This broadcast is sponsored by Dr. John Rydjord, head of the history department.

Names and addresses of young people in other countries were submitted to each member. The in-

formation received from these individuals overseas will enable the member to decide which region and what group of people they could benefit most by adopting.

After all business had been transacted a debate on "Palestine for the Jews," was held.
