

Wheaties Plan Varsity Dance Friday Night

Proceeds Contributed To Funds To Buy Gold Sweaters For Group

Dick Houghton's orchestra featuring Bobbie Brooks, vocalist, will play for the Wheaties varsity tomorrow from 8:30 p.m. until midnight at Corkey's Corral, 2860 S. Broadway.

Tickets are 75 cents per person and are on sale in a Commons ticket booth this week. Proceeds of the varsity will be given to a fund to buy gold Wheaties sweaters this year.

Sweet Notes . . .

Bobby Brooks

Gea Stark, Wheaties president, announced.

"This varsity should be one of the biggest dances of the year," Dick Mullen, Student Council President, said. "The music and location of the dance are of top quality and the entire student body is invited to attend."

Mrs. Fred Robinson, gym instructor, will call square dances during intermission. A skit under the chairmanship of Rita Dreiling will also be presented at that time.

Maureen Heaton is general chairman of the dance. Other committee chairmen are Helen Hurst, publicity; Carleen Sturges, ticket sales; Maureen Ramsey, concessions.

Guests who have been invited to the dance are Messrs and Mesdames Sam Ostertag, Robert Kiskadden, Mike Harder and Fred Robinson.

Debaters Have New Officers

Bill Tincher was elected president of Debate Club at the first meeting this year, Tuesday, Oct. 4, in the Commons.

Plans for panel discussions before local organizations were made and tentative dates for two debates were announced.

Other officers elected were Harry Hobson, vice president, Joylene Mason, secretary-treasurer, and Merton Rymph, program chairman.

After the election, Tincher, Hobson, Rymph, Bill Reynolds, Kenny Smith discussed the question of nationalizing basic industries.

During November, the varsity debate team will appear in an audience debate against the University of Oklahoma at Norman, it was announced.

The club also has been invited to send a team to a beginners' debate tournament at Kansas State College, Manhattan, in November.

A panel of debaters will discuss the nationalization question before the Metro Club, Thursday, Oct. 20, and on the following day will debate against Kansas State here. The two members of the local team will take the negative position.

The club will hold its next meeting Tuesday, and Tincher invites all University students interested in debate to attend the meeting at 7:30 in the Commons.

District Editors To Meet On University Campus, Oct. 22

The annual meeting of the Fourth District Editors will be held on the University campus Oct. 22, according to the public relations office. Harry F. Corbin, University president, plans to extend a welcome to

Activities will get underway on the University campus at 9 a. m. Saturday, said Henry B. Jameson, Fourth District president. Registration will be held in the Commons beginning at 9 a. m. and will continue until 9:30 a. m.

The luncheon for the editors will adjourn at 1:15 p. m., for the football game between the University and South Dakota State. Editors from 15 Kansas counties are expected to register for the annual meeting.

Karl L. Kennedy, founder and publisher of the Kansas Business Magazine and Kansas Construction Magazine, will be speaker at the banquet to be held in the Alibi Room commencing at 5:45 p. m. Kennedy will speak on "Industrial Kansas, Today and Tomorrow."

The editors will be taken on a tour of the Kansas Manufacturers' Show in the Wichita Forum during the morning. The Show features 1,000 Kansas manufactured products. The editors will return to the campus in time for the noon luncheon and election of district officers.

Reese Heads Inaugurators

Howard N. Fullington, president of Board of Regents, has appointed a special committee to plan an inaugural program for Harry F. Corbin, president of the University.

Chairman of the committee is Dr. T. Reese March, professor of English. Committee members include L. Hekhuis, dean of College of Liberal Arts and Sciences; Miss Grace Wilkie, dean of women; John Rydjord, head of department of history; Miss Eva C. Haugen, professor of English; Walter Duerksen, chairman of department of music; and Mrs. Laura M. Cross, assistant registrar.

Mrs. Justus Fugate, member of Board of Regents; Lester Rosen, director of public relations; and Fullington are also on the committee.

Definite date of the inauguration has not been set, Dr. Marsh said.

Grads Complete Silver Art Work

Two former University art students, Martha Brennan and Mary Louise Steinbuchel, recently completed a four week session at the third National Silversmithing Workshop for teachers, held at the Rhode Island School of Design, according to the Public Relations Office.

The conference, which is sponsored each summer by Handy and Harmon, New York City, refiners of precious metals, is limited to twelve teachers carefully selected by a jury of art authorities, and has as its purpose the "teaching of the possibilities of silver, its design, and technique."

Instructor at this year's conference was Baron Erik Fleming, court silversmith to the King of Sweden.

Miss Brennan, now an instructor in the department of fine arts at Indiana University, graduated from the University of Wichita in 1946. She is a member of Kappa Pi, national art fraternity, and has exhibited her work at the Wichita Art Association.

Miss Steinbuchel, 1947 graduate of the University, is now art supervisor and instructor in the Cody, Wyoming, High School.

Exhibits On Display In Morrison Gallery

An exhibition of water colors, and prints will be on display in the art gallery, Morrison Hall, until Oct. 24, David Bernard, art instructor, said today.

The prints consist of historical block prints in color, black and white lithographs, and etching.

Corbin Named State Chairman

President Harry F. Corbin has been named state chairman for National Brotherhood Week activities in Kansas during the week of Feb. 19-25, John T. Kenna, Kansas regional director of the National Conference of Christians and Jews announced.

An invitation has been extended the University president to attend a dinner of all state chairmen and

President Harry F. Corbin

Brotherhood Week officials at Washington, D. C., Nov. 11.

President Harry S. Truman, national honorary chairman, will be honored guest at the dinner. John L. Sullivan, former secretary of the navy, is national chairman.

Kansas Supreme Court Justice Hugo Wedel, headed the 1949 Brotherhood Week. Milton S. Eisenhower, Kansas State College president, served as chairman in 1948 and former governor Alf M. Landon was 1947 chairman.

Harbison Admitted To Wesley Hospital

Chester C. Harbison, professor of speech, who has been absent from the campus for two weeks because of illness, was admitted to Wesley Hospital, Monday for a physical check-up.

"Professor Harbison's illness isn't serious, and we expect him back on the campus in a few days," Dr. Forest L. Whan, head of the speech department, said.

Professor Harbison came to the University in 1913, and is one of the professors who was here before the college was municipalized in 1926. He has been affiliated with the speech department since 1928. He has been a member of the Athletic Policy committee since it was organized in 1942, and was appointed its chairman this year by President Corbin.

Walkout Staged As Students Celebrate 'After-The-Victory'

Bradley Gridiron Defeat Chosen as Occasion For University's Traditional One-day Holiday

Members of the student body of the University of Wichita elected to stage their only walkout of the semester Monday, in celebration of a 21 to 13 victory over Bradley University last weekend.

After a pep meeting with officials of the Student Council voting 4 to 3 to stage the walkout at a later date, the students took the advice of five members of the football team, present at the convocation, to have the walkout.

Immediately preceding the convocation a false fire alarm was turned in from a University pay phone booth. The Wichita Fire Department made a run to the campus.

Students arriving at the campus were faced with barricades and placards announcing the holiday.

Later, three students planned a celebration unauthorized by the Student Council or any other organization on the campus, at a party house south of the city.

A spontaneous parade formed around Douglas and Broadway streets and between the University and that location.

Following the parade, students divided in various ways to spend the one-day holiday.

The usual gaiety of the traditional event was marred somewhat by the false alarm and some damage to private property. The property damage occurred at the unofficial dance south of the city.

"The property damage which occurred at the dance has been settled," according to Bob Langewalter, co-sponsor of the dance, Tuesday.

In reply to a direct question Tuesday evening, Dick Houghton, a second sponsor, said, "The dance was not sponsored by any social organization on the campus, nor did they profit by it."

This was backed up by statements from representatives of each fraternity on the campus Tuesday, and James Smith, the third sponsor of the dance.

Students returned to class Tuesday morning.

Caesar Gives Violin Recital

James Caesar, associate professor of violin, will present a faculty recital Tuesday, Oct. 28, at 8 p. m. in the University Auditorium, according to Walter Duerksen, head of the school of music.

Formerly of the Cleveland Symphony and the Cleveland Institute of Fine Arts, this will be Caesar's first Wichita public appearance. He is also concertmaster of the Wichita Symphony and director of the Wichita String Quartet.

In 1940, Caesar appeared as

(Continued on page 4)

Council Meet Airs Walkout

First repercussions of the student walkout were felt Monday evening at the Student Council meeting when Dick Mullen, president of the Council, read a letter from University President Harry F. Corbin regarding three incidental, but serious, effects of the demonstration.

These included:

First, the commercial aspect of the walkout.

Second, the false fire alarm that nearly caused a father and his son to be run over at Hillside and Thirteenth Streets by a Fire Department vehicle. In addition, a fireman now is hospitalized as a result of a minor accident on the return trip to the fire station.

Third, University students' cars proceeding through the 15-mile-an-hour safety zone on Hillside Street and passing other cars in this area.

"This," the letter stated, "is near criminal conduct endangering the lives of young children who are unable to deal with passing and speeding cars."

The letter continued:

"I see a decided difference in the promotion of today's walkout from one resulting by reason of real enthusiasm and student government sponsorship."

Following the reading of the letter, the Council held an open discussion concerning the events of the day.

Mullen addressed a letter to be sent to each social organization on the campus, requesting its co-operation in not promoting another walkout this semester.

The Council then heard a report that the dance in question had been planned well in advance.

It was also said that a considerable amount of money was netted by the group operating the dance off-campus.

One suggestion that the profits from the party be turned over to the Council was not even put to vote as it became apparent that the question was "who sponsored the event" rather than how much profit derived.

At this point, an executive session was called. This action re-

(Continued on Page 4)

Opinions Given On Walkout...

NO WALKOUT, was the opinion of Head Shocker Coach Jim Trimble, left, and Richard Mullen, president of Student Council, shown above before the microphone at the pep convo Monday morning.

Curry Chosen As Betty Coed

Alpha Gamma Gamma fraternity honored Kitty Ann Curry as Betty Coed of 1949-50 at its annual dinner in the Polar Bear dining room, Friday at 7:30 p. m.

Howard Current, fraternity president, presented Miss Curry to the fraternity members and guests prior to the dinner. She received a bouquet of flowers and a bracelet from the fraternity.

Kitty Ann Curry

Miss Curry, a senior and member of Sorosis sorority, was chosen Honorary Colonel by members of R.O.T.C. last year.

Mrs. Galen Christian and Mrs. Forrest Weirick, formerly Charlene Parrott and Iris Gardner, respectively, were chosen as Betty Coeds the two previous years.

Alpha Gamma Gamma reserved a special section for their "Sweetheart," Betty Coed, at the University of Wichita-Bradley football game Saturday.

Independent Women Will Meet Mondays

The Women's Independent Students Association meetings have been changed from 4 p. m. Wednesdays to 4 p. m. Mondays, Janice West, president, announced today.

Meetings will be held in the Brig. All Independent and unaffiliated women are invited to attend, Miss West said.

General ISA meetings are held every other Monday at 7:30 p. m. in the Commons Lounge.

The Men's ISA will hold their meetings on the alternate Mondays in the Men's ISA Lounge, Seventeenth and Fairmount Streets, at 7:30 p. m., Herb Lens, president, said today.

YWCA To Give Last Frosh Meet Oct. 19

"Projects of the Y" will be the subject for the last in a series of Freshman meetings, sponsored by YWCA which will be Wednesday, Oct. 19, at 7:15 p. m. in the Commons Lounge. Jane Barkley, conference chairman, will lead the discussion.

Mrs. S. R. Hawes, a member of the University YWCA Advisory Board, spoke at the meeting held Wednesday afternoon, Oct. 12, in Room 201, Library. Her topic was "The Individual in the Work of the Y."

Six Women Initiated By Mu Phi Epsilon

Mu Phi Epsilon, national music sorority, held its pledge installation service, Friday afternoon, in the Mu Phi Room, Fiske Hall.

The six women who were received as pledges are Nancy Lehman, piano major; Barbara Mitchell, violin major; Margaret Pownall, bassoon major; Mary Lou Rucker, flute major; Helene Sykes, french horn major; and Elna Claire Valine, violin major.

To be eligible for the six weeks pledging a woman must have a sophomore standing, be a music major, and have a good scholastic and personality rating.

Hi-Y Leaders To Meet Here

The University of Wichita will be host to Kansas Hi-Y Youth-and-Government leaders from the Southwest part of the state Oct. 18 in the Commons Lounge. Dr. Hugo Wall, head of the political science department, will act as chairman of the training program for Hi-Y leaders.

Harry F. Corbin, University president; Dr. Ethan P. Allen, director of Bureau of Government Research; and Don C. Stuts, president of the Kansas Municipality League; will participate in the instructive program. President Corbin will speak on "Leadership and Legislators."

Following the meeting, the Hi-Y leaders will return to their schools to prepare bills on any subject they choose. The subjects will then be legislated on by these Hi-Y leaders when they take over Kansas government at Topeka for two days. The Hi-Y Youth-and-Government program is active in 20 states.

Last summer the boy governors in the Hi-Y group met with President Harry S. Truman. The Hi-Y program is sponsored for young men by the YMCA. The Commons cafeteria will be closed to the students from 12:45 to 1:30 p. m. on Oct. 18 to serve these Hi-Y leaders.

Coke Date!

Campus Experiments Prove "Tasted Can't Tell" In Cola Tests

"If you can get 12 ounces for a nickel, why take six?" This was the observation of Dr. N. H. Pronko, head of the psychology department, on the results of the beverage tasting test recently conducted in his classrooms.

Beginning psychology students were given three paper cups containing well known cola beverages, and asked to identify them.

Results show that the majority of people cannot tell the difference if the colas are tasted from cups rather than the bottle, Dr. Pronko announced. When given the same cola in all three cups, most students identified them as three different drinks.

The department of psychology is in the midst of many interesting experiments at the present time, according to Dr. Pronko.

Two skunks have recently been acquired which will be used in various experiments to determine their reactions to different conflict situations. The skunks have been deodorized.

The department is also engaged in research work concerning color-blindness among school children.

Sorosis Alumnae To Honor Pledges

Sorosis alumnae will honor the new sorority pledges with a tea Sunday, Oct. 16, from 3 to 5 p. m. at the sorority house.

The alumnae will present a short skit which will be followed by announcements of future events.

Chairman of the tea is Mrs. Bill Strickland who will be assisted by Mrs. Bill Jamison and Mrs. Robert Purcell.

Brige And Canasta Top Social Week-end

Open houses highlighted last week-end as University fraternity and sorority groups entertained.

Epsilon Kappa Rho sorority entertained University fraternity men Sunday at their sorority house at 3 p. m. Entertainment included group singing at the piano. Miss Jerry Beardsley was in charge of the affair.

Men of the Phi Upsilon Sigma fraternity honored members of Pi Kappa Psi sorority at an open house Sunday at 4 p. m. Bridge and canasta games provided entertainment for the afternoon. Bob Langenwaller headed the open house committee.

Pioneer Theme Will Prevail At Gamma Pledge Dance Saturday

Alpha Gamma Gamma fraternity will honor its first semester pledges at the annual pledge dance, Saturday, at the VFW Hall.

A pioneer theme will be carried out in decorations, and guests will attend in western dress. Cliff Morrissey's band will play for dancing from 9 p.m. to 12 midnight.

Pledges will present a skit imitating activities in a bar-room scene. Jim Hester and Bob Hawkins are dance chairmen.

A partial guest list includes: Pledges and their dates:

Stuart Lane	Theresa Aaron
Arnold Minks	Marie Reynolds
Bill Harper	Barbara Duff
Bob Jones	Shirley Wilson
Don Maurer	Mary Rogers
Joe Rockford	Dorothy Richardson
Bud Knowles	Nadine McGrew
Dallas Barrett	Sally Duke
Ed Roembach	Mary Ann Mead
Tommy Monk	Ruth Ann Harrison
Ralph Peake	Jesse Neal
Dick Thiessen	Janie

Roger Wilkinson	Hollingsworth
Melvin Lallement	Marlene Wyatt
Jim Hester	Vivian Graber
Doran O'Neale	Nadine Wilson
Jim Schuelke	Edna Neal
Harold Mouser	Georgeann House
Bob Chisholm	Wanda Gray
Jim Kiefer	Mary Hite
Bob Sandifer	Trudy Anderson
Richard Burke	Joan Brock
Bob Hawkins	Mara Barlow
	Betty Boyles

Actives and their dates include:

Nat Barton	Norine Schaezale
Pat Kelly	Nancy Mauer
Brick Wakefield	Carolyn Counts
Bill Greer	Sue Anshutz
Gene Toeline	Mary Ann Oak
Mike Hunt	Vera Warner
Darrell Minks	Frances Neilans

Donald Pratt	Mary Fran Sullivan
Ralph Precious	Pat Scott
Bud Fanning	Marguerite
	Wadsworth
Jack Bechtal	Carole Chapman
Bob Ralstin	Katy Chase
Jack Sauer	Lois Gibson
Larry Lallement	Marilyn Schmidt
Louis Harper	Eloyce Lear
John Rydford	Connie Compton
Jack Skelton	Jeanne Crow
Bob Malone	Billie Courter
Chet Maurer	Mary Lou Cox
Les Hostetler	Wanda Dooley
Don Hill	Dee Hill
Jim Parrish	Carlene Sturges

Homecoming Queen Petitions Due Soon

Petitions for the Homecoming Queen election must be in Dean Wilkie's office by Oct. 28 at 2 p.m. The petitions must have the signatures of 60 students and be checked by Miss Laura Cross, Registrar. The election will be held Nov. 4, according to Ronald Gott, Student Council election chairman.

Round about the Campus

By Gerry Hunter

THE candidates for the "Ugliest Man on The Campus" contest are protesting that they really aren't the only repulsive characters on the hemisphere. Most of them feel that the contest should be changed to "Ugliest Woman on The Campus."

The change in the gender of the contest might bring some mud slinging from females but fellows like Joe Morrissey, a Gamma who has always been called "friendless," would have a chance to voice their opinion on the subject.

WEBSTER, Delta Omega, and Alpha Tau Sigma pledges didn't seem to get around enough on the all-school walkout Monday so they left their respective meetings and wound up at a local club to continue the merriment.

Two Webster actives, Bob Simpson and Paul Hoblitt, didn't enjoy the walkout as was expected by the pledges who captured them and put them on the spot.

PLEDGES of Epsilon Kappa Rho also led their actives away from meeting for a party at Jo Ann Smeltzer's last Monday.

Two more couples have put their foot just a little deeper in the well. Sorosis Dorothy Green and Phi Sig

Calendar Announced For Week's Events

The following events are scheduled for next week:

Oct. 17—ISA box supper at the Brig, 1752 Fairmount, at 6:30 p. m.

Oct. 19—YWCA freshman meeting in Room 201 Library.

Oct. 21—Webster dance. Annual high school speech institute from 1 p. m. to 9 p. m.

Oct. 22—Annual High School Speech Institute, 8 a. m. to 5 p. m. Phi Upsilon Sigma dance. Epsilon Kappa Rho dance. Home game with South Dakota State. Mixer following game in Men's Gym from 4:30 p. m. to 6 p. m.

Deb Saunders were pinned at the Sorosis pledge dance. Gretchen Freeburg is now wearing the Beta pin of John Hoyt.

MR. and Mrs. Jack Campbell surprised Rankin Griesinger's date, Kay Clarahan, with a birthday party recently. Sam-Clements and Fran Powers also attended.

Joan Kallail, Pat Schreffler, Lois Anderson, and Nancy Jones, along with the rest of the Pi Kap pledge class played "hide-and-go-seek" with their actives at their meeting. The attic of their house seemed to be the chosen place for their hide-out.

CHESTERFIELDS seem to be the "cigarette of the day" for friends of Frances Asher. It must be because she is the campus representative for the Chesterfield Company.

If Bob Sandifer, Farris Farha, Roger Wilkinson, or Orvie Howell—all Gamma pledges—are seen picking up Phillip Morris wrappers, it isn't because they are trying to find a stray cigarette.

NO, the same company is sponsoring a contest with prizes. Twenty-five wrappers a pledge should add up to some prize. . . That seems to be their goal anyway!

Betty Colliatie, who is working for a baby doctor, wishes that she weren't quite so tall. Then she could fight back when a baby goes on the rampage. After the last onslaught Betty was left with the ligaments in one arm pulled besides a very broker. down constitution!

PHI Sig's dog, "Smoochy," who was guarding the fraternity's treasury is gone. Maybe someone felt that their treasury needed more guarding. . . There should be more than one watch dog in this area.

YMCA Plans Hobby School

The fall session of the YMCA Informal School will begin Wednesday, Oct. 19, 7:30 p.m., at the YMCA Building, First and Emporia Streets, and will continue over a period of eight weeks, according to Harry F. Corbin, University president and chairman of the YMCA Education Committee.

L. Hekhuis, dean of the College of Liberal Arts and Sciences, and Dr. N. H. Pronko, head of the department of psychology, plan to teach two of the eight courses to be offered at the YMCA.

Dean Hekhuis will teach a religion course entitled The Faiths We Live By and Dr. Pronko will teach a psychology course, Psychology of Successful Living.

The other six subjects to be taught by Wichita teachers are public speaking, home movies and color slides, square dancing, contract bridge, and a dramatics course entitled Learn to Act.

The Informal School is a hobby school in which teachers present lessons over a period of eight consecutive Wednesday nights and no tests are given.

The school is designed to appeal to individuals who are interested in learning a hobby but not interested in formal education where college credit is given, President Corbin said.

Anyone is eligible to attend. Charges range from \$3.50 to \$6 depending on the course.

Literary Society Elects Officers

The Writers', campus literary club and publishers of Carousel, elected officers at the first meeting of the year last week.

Bob Olson, junior, was elected president; Charles Pearson, junior, vice-president; Mike Miller, junior, treasurer and business manager; and Dawn Williams, sophomore, secretary.

The Writers' will meet the first and third Thursdays of each month in the basement of Fiske Hall at 7:30 p.m. according to Olson. The next meeting will be tonight for the election of an editorial staff for the 1950 Carousel.

"We hope that all students interested in writing and publishing material they have written will attend meetings and join the Writers'. Last year the club earned national recognition with the Carousel, and the members are planning a larger magazine with possibly more editions for this year," Olson said.

The Writers' are also being considered for admission into the Quill, national honorary college society for authors.

Announcements of the size and type of manuscripts to be submitted for possible Carousel publication will be made in all English classes and in the Sunflower.

Modern Dance Signs Four College Women For Apprenticeship

Honorary Modern Dance Club
Four University women became apprentice members of the Honorary Modern Dance Club after passing tryouts Oct. 3 in the Women's Gym.

Apprentices are: Joanne Sullivan, Connie Weckel, Shirley Barlow, and Suzanne Gray.

Tryouts consisted of techniques testing balance, coordination, composition, and rhythm.

Apprentice dancers who give and pass a solo dance become members of the club, according to Mrs. Winifred Robinson, dance sponsor.

French Club

Marian Box, senior in the college of Liberal Arts and Science, was elected president of the French Club at a meeting of club members Oct. 5, at the home of Barbara Gist, retiring president.

Other officers elected were: Ted Boyer, vice-president; Celia Bredehoff, secretary; and Pat Dirck, treasurer.

Young Republicans

Election of officers will be held at a meeting of the collegiate Young Republicans this evening at the Alpha Gam fraternity house.

"All members and those interested in joining are requested to be present at 7:30 p.m.," Pat Kelly, retiring president, said today.

ISA

The Independent Student Association will have an old-fashioned box supper Monday at 6:30 p.m. in the Brig, 1752 Fairmount, according to Charles Smith, vice-president.

Ferrell Catholic Students

Initiation ceremonies for all new members of the Ferrell Catholic Students Club will be held Wednesday, Oct. 19, at the Knights of Columbus Hall, announced Joe Cooper, president.

Plans will be discussed for two contests to be held soon within the club. Cash prizes will be awarded to members submitting the winning name for the club newspaper, and for writing a club theme song.

Mike Rogues

KMUW and WUCR officers for the coming year will be appointed tonight at a 7:30 meeting of Mike Rogues radio club in the Administration speech office, according to Bob Williams, station director.

Pegasus

Pegasus members will meet for their weekly ride at 3:30 p. m. Friday at the Bridle and Saddle Club. Jo Ann Smith, acting president, requests that reservations be made in the gym office before noon Friday.

Women's ISA

The Women's Independent Students Association will meet every other Monday at 7:30 p. m. in the Brig, 1752 Fairmount, Janice West, president, announced Monday.

Previously, meetings were held at 4 p. m. every other Monday.

Any independent or unaffiliated woman is invited to attend the meetings, Miss West said.

Third Son Born To Joe Hesse Family

Mr. and Mrs. John J. "Joe" Hesse are the parents of a third son, Mark Alan, born Sept. 27. Mrs. Hesse is the former Rosemary Boyle.

Hesse is the president of the University of Wichita Alumni Association. The family lives at 804 North Glendale in Wichita.

'Elvira' Is Out...

ELVIRA, THE MULE, donated to the University by a local drive-in owner, has been declared out by the Student Council. Elvira is pictured above with Clown Jack Denman aboard and the secret WuShock in the background.

Council Gives Mule Haughton Says Her Walking Papers Directories Ready

"Elvira," the mule introduced at the Bradley-Wichita game, is definitely not the official school mascot and will be barred from further football games, the Student Council decided Monday.

Wushock is the permanent and official school mascot, Dick Mullen, Council president, pointed out.

Warren Durant, owner of a local drive-in, gave the mule to the University to promote school spirit, but the housing and feeding of the animal would be too much of a responsibility to the school, the Council reported.

Friday Is Last Day For Rushee Signing

Tomorrow is the deadline for girls wishing to pledge a sorority to sign for six weeks rushing. Names will be taken by Miss Grace Wilkie, dean of University women, in her office, Administration Building.

Rushees are eligible to be pledged by a sorority a week after signing. Oct. 21 is the last day for pledges to be selected.

Council Meet

(Continued from Page 1)

quired that all spectators, including three members of the Sunflower staff, leave the meeting.

Later, in an interview with Dick Mullen, it was revealed that the names of the students who organized the dance and their reason were revealed to the Student Council in the closed session.

The WSSF drive will begin Nov. 14. Back it!

Student directories will be sold Tuesday at the Rotunda of Administration Building. The price of the 100-page publication will be 35 cents, Dick Haughton and Donna Bailey, co-editors of the Directory announced.

The black and gold booklet will contain an alphabetized list of student's names, addresses and telephone numbers. A special section will include names and telephone numbers of members of Greek organizations and Independent Students Association. Faculty names, addresses, and telephone numbers will also appear in a special section. In addition, names of Student Council members and class officers shall be listed.

Caesar Gives

(Continued from Page 1)

guest soloist with the National Broadcasting Company broadcast of "Musical Americana," under the direction of Raymond Page.

He left the Cleveland Symphony in 1943 to enter the American Air Force as concertmaster of the "Winged Victory" show staged by Miss Hart and directed by David Rose.

After his discharge from the service, he was a member of the Glen Miller band, and later appeared with Tex Beneke.

In 1946 he again joined the Cleveland Symphony, under the direction of George Szell.

During the first half of Tuesday evening's program he will play two numbers, "Sonata in G Minor," by Schubert, and "Concerto in G Major," by Mozart.

After intermission Caesar will present "Sonata in G Major," "La Gitana," by Kreisler; "Estrellita," and Paganini's "Twenty-Fourth Caprice."

'The Young And Fair' Is Called 'Tense And Lively' By Critics

"The Young and Fair," first play of the season to be presented by the drama department, is in its second week of daily rehearsals.

The three-act drama which opened on Broadway in November of 1948, will be presented in the auditorium Oct. 27, 28, and 29.

The plot involves a selfish student, whose father is on the board of trustees. She uses the threat of her father's influence to blackmail two other students and one of the school's servants.

As the story proceeds, the alumna and her niece aid the director of the school in thwarting the evil designs of the selfish young woman.

Richard Watts, critic for the "New York Post Home News," described the play as a "tense and lively melodrama."

"Fresh in spirit and clean in outline," was the comment of "Times" writer Brooks Atkinson.

George Wilner, of the drama department, who will direct the play, said "there is movement and suspense in the play and the lively characterization makes for holding drama."

All University students will be admitted to one performance of "The Young and Fair" on presentation of their activity tickets.

Pledges Initiated To National Music Frat

The national honorary music fraternity, Phi Mu Alpha, initiated ten men at their semester pledge initiation, Monday, Oct. 10.

Those initiated were: Richard Strange, Don Roe, Joe Giewartowski, Charles Snyder, Fred Young, Don Caldwell, Charles Tegler, David Lenenson, James Gould, and Oran Highley.

Richard Strange was elected president of the pledge class.

Four Men Enter Ugly Man Contest

Four entries have been submitted to Alpha Phi Omega, national service fraternity, which is sponsoring the Ugly Man Contest held to solicit funds for the Red Feather Drive, said Edward S. King, president.

The four submitted entries to vie for the Ugly Man honor are Patrick D. Quinn, Phi Upsilon Sigma; Charles E. Baldon, Independent Students Association; Robert D. "Stretch" Cather, Men of Webster; and Herbert A. Babb, Pi Alpha Pi.

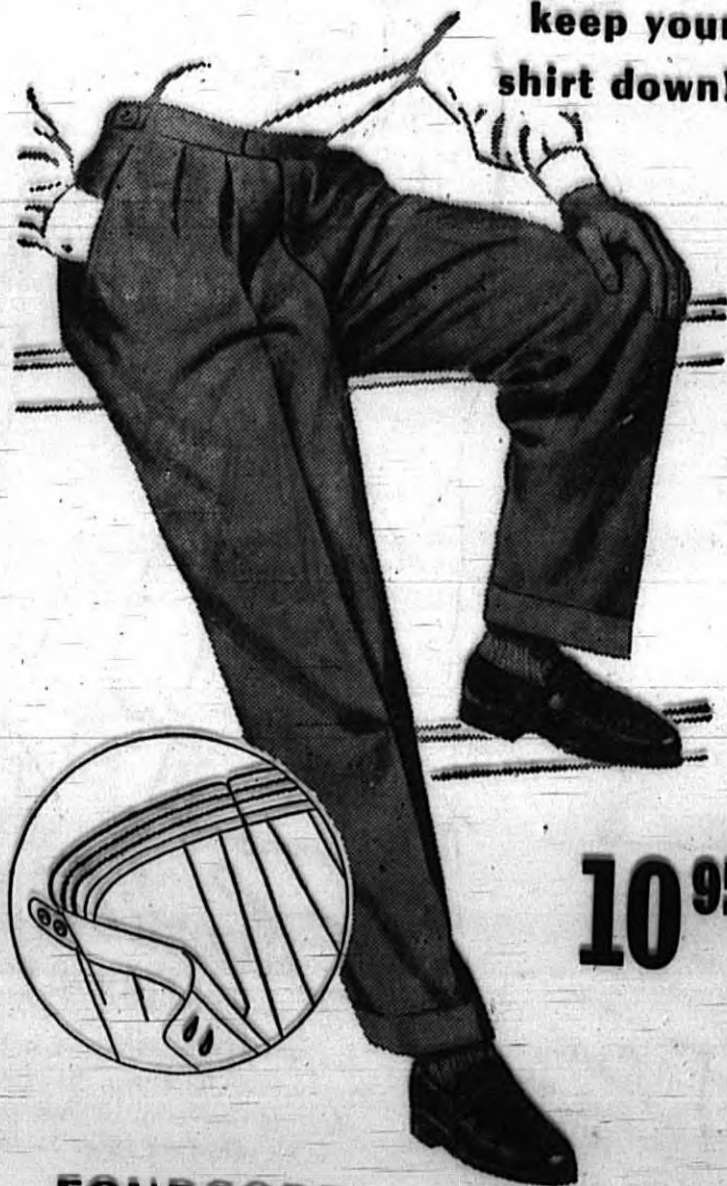

The winner of the Ugly Man Contest will receive a wardrobe of clothing amounting to approximately \$25. Spines and McVicars clothing stores will furnish articles of clothing to supplement the winner's wardrobe. Spines will furnish a shirt, tie, and hose. McVicars will furnish a pair of slacks.

"Students should submit Ugly Man Contest applications by Oct. 11," King said.

Eleven hundred high school musicians will perform during halftime ceremonies at the University of Wichita-South Dakota State Game.

WELCOME SHOCKERS

Meet and eat at one of the Five Friendly Continental Grills

Alibi Room Operation Provides Hard Work And Many Problems

"It takes a lot of labor," Miss Hattie Gesner replied when asked about the cafeteria and Alibi Room management routine.

"The Alibi Room is the worst financial problem I ever met in the food business," said Miss Gesner, a slender, slightly gray haired lady, as she assorted nickels, dimes, quarters and halves from the morning's take. Three-fourths of the sales are for five cents and there is not enough profit in five cent sales to pay the operating cost of the Alibi.

There is less profit in operating the Alibi, when the amount of work is considered, such as the chrome polished, the mirrors cleaned, and "even the lovely plants take hours a week" in watering and dusting the leaves.

The University cafeteria, city operated at overhead cost under the directorship of Miss Gesner, is trying to encourage correct eating and the serving of well prepared food at the lowest prices possible. All buying is done locally, if possible, and the policy is to rotate the business to a different company every three months.

Last year, as much as \$2,000 worth of meat was purchased a month, but this year's statistics for September will not be available until later.

The milk bill, alone, amounts to about \$60 a day.

About 240 hamburgers, 120 cones, 40 to 60 gallons of coffee, and 400 to 600 sandwiches are sold each day in the Alibi Room. These items make up a large share of the 1,500 to 2,000 transactions a day. The cafeteria feeds from 300 to 400 at breakfast, 400 to 500 at

lunch, and 175 to 250 at dinner.

Miss Gesner said that as many students as possible were employed in order to aid them in getting through school. Out of 40 employees, 19 are University students.

Breakfast is served to between 300 and 400 students.

Approximately 500 students and faculty members eat lunch in the cafeteria and an average of 225 eat supper on the campus.

M. D. Gilbert Is Dean At Arkansas School

Prof. Marc D. Gilbert, former University of Wichita student, has been named dean of students at John Brown University, Siloam Springs, Ark.

Professor Gilbert, formerly associate professor of accounting at John Brown, received his masters' degree from the University of Denver. He is a former resident of Kansas City, Mo.

KG&E To Hold 'Open House'

University students and faculty may attend the Kansas Gas and Electric Company "Open House" at the newly completed Ripley Station Sunday. The plant is located three miles north of Twenty-first Street on Arkansas Avenue and one-half mile west.

Tomorrow, Governor Frank Carlson will officially start the third and final turbo-generator which has just been added to the sta-

M. F. Gill, Chairman of the Board and President of Kansas Gas and Electric Company.

tion. Senator Andrew Shoepel and businessmen in the Wichita area will join the ceremony that will add 30,000 kilowatts or 40,000 horse power to the K. G. & E. lines.

Senator Reed and Kansas congressmen have also been invited to attend the ceremony.

Murray G. Gill, president of K. G. & E., said the plant includes three generators capable of producing 120,000 horse power every hour, giant boilers that provide steam under tremendous pressure, switchboard panels, cooling systems and towers, offices and testing laboratories, and switchboards to feed current into K. G. & E.'s 5,000 miles of transmission and distribution lines.

"Signs have been placed throughout the plant, and guides will be on hand Sunday to explain the operation of the huge machines," Gill said.

"This will be the first open house to be held at a K. G. & E. generating station since before the war," Gill said.

University Logopedics Majors Give Time To Institute Work

At the present time there are nine University students who are assisting instructors at the Institute of Logopedics, according to the Institute public relations office.

These students are attending the University, and are working at the institute, for clinical hours toward their degree in Logopedics.

Each student has an assigned number of children that he instructs. Instruction periods are a half hour long, three days a week.

Razak Plans Hobby Night

The School of Engineering will sponsor a weekly Hobby Night for all University faculty members interested in using the facilities of the Engineering Shops. The first Hobby Night is Oct. 13 from 7 p. m. to 10 p. m. The session will be held every Thursday, according to Kenneth Razak, professor and head of the aeronautical engineering department.

All faculty members are invited to use the equipment in the shop and to perform any type of work they wish. A member of the Engineering Shop Staff will be on hand to issue tools and furnish instructions in their use. All welding facilities, woodworking and metal working machines will be available.

There will be a charge of 10 cents per person to cover the cost of opening the shop. This will cover the use of tools, but any materials used in a project will be charged at cost.

A complete stock of cabinet wood is available and copper, brass, and aluminum can be secured for those interested in metal craft. Aluminum and bronze castings can be made, Razak said.

Civic Leader Speaks To Religious Group

Dr. Everett Ross Clinchy, one of America's civic and religious leaders, was the principal speaker at the National Conference of Christians and Jews banquet in the Lassen Hotel Wednesday.

Good wishes were extended to Jack Kenna, resigning Kansas director for the conference, according to Dean L. Hekhuis, dean of the College of Liberal Arts and Sciences.

Clinchy spoke on his observations in Europe where he examined firsthand the problems of intergroup relations abroad, especially during the Paris meetings of The International Council of Christians and Jews. He also had an audience with Pope Pius XII and visited leaders of the World Council of Churches.

Musicians Organize Educational Chapter

A student Music Educators National Convention club has been organized on the campus with Robert Buggert, associate professor of music education, as faculty sponsor, Walter Duerksen, head of the School of Music announced.

Earl Dungan, instrumental supervisor of music in the Winfield public schools, will speak at the first meeting, Tuesday, Oct. 18, at 8 p. m. in the Alibi Room. Following the dinner, the club will elect officers.

"The primary objective of this group is to promote interests in music education and attain a close contact with the music teaching profession," Duerksen said.

The club has 73 members and is open to all music education students, Duerksen added.

Eleven hundred high school musicians will perform during halftime ceremonies at the University of Wichita-South Dakota State Game.

Talent Sought For Program

Talent auditions for the Variety Show, presented each year to raise money for needy European students through the World Students Service Fund, will begin Monday, Oct. 17 and continue through Wednesday, Oct. 19 and Thursday, Oct. 20. Auditions will be held in the Auditorium from noon until 2 p. m., according to Harold Kemper, chairman of the show.

The show will be given Friday, November 18, in the Auditorium, Kemper said. "This year we want everyone who might be interested in taking part in the Variety Show to know about it before we make the selection of talent," he said.

The show last year, "The Lid's Off" given for the same fund made \$450. Claire Frances Rumpf is chairman of the WSSF committee.

"We are interested in securing student acts of any nature song and dance, instrumental, especially unusual instruments, acrobatic, magic, and dramatic. We would also welcome conscientious assistance in the matter of publicity, staging and suggestions," Kemper said.

Disabled Veterans

Ex-Service Men Are Warned Of Deadline For Life Insurance

World War II veterans with service-incurred disabilities were reminded by Veterans Administration today of an important deadline in connection with their entitlement to National Service Life Insurance.

Prior to Jan. 1, 1950, such disabilities actually incurred in service between Oct. 8, 1940, and Sept. 2, 1945, if less than total in degree, are disregarded in determining eligibility under the health requirements for NSLI purposes.

This means that veterans who might not otherwise qualify for life insurance for health reasons may reinstate lapsed NSLI or buy new or additional insurance up to the \$10,000 maximum if they apply before the end of the year.

A physical examination is required, however, for all insurance applied for under this special provision. Such examinations are made by VA without cost to the veteran.

The WSSF drive will begin Nov. 14. Back it!

Leaders, Not Speeders...

SCHOOL-BOUND WICHITAN, 82, SIX CHILDREN CAR STRUCK; TENTH VICTIM DEAD IN CRASH
3 ARE INJURED Almah A. Smith, 82-year-old, who was struck by a school bus on Monday, Oct. 10, died in the hospital. School Bus Collides on Bridge, 15 Others Are Hurt

Man and Teen-Age Girl Killed; Woman and 2 Children Hurt **5 Wichitans Are Hurt in 3-Car Crash** Middlesex, N. C., Oct. 6. (AP)—A three-car pileup on a highway here killed a man and a teen-age girl and injured a woman and two children.

CRASH FATAL TO WICHITAN **CRASH IS FATAL TO OKLAHOMAN** **EIGHT INJURED IN ACCIDENTS** Eight persons were injured in four traffic accidents in Wichita and several Sedwick County Sun-Kirkville, Mo., Oct. 6. **40 Stitches Taken in Face of Driver** **THREE INJURED IN CAR CRASH** Guy Walters, 35, of Cape Girardeau, Mo., was injured in a crash here Saturday afternoon when three Wichitan youths were injured.

PAIR INJURED IN CAR CRASH **Disabled Vet Riders Hurt** **Dies in Crash; 4 Are Hurt** Two Wichitans suffered minor injuries Tuesday afternoon when riding a motorcycle in the 2300 block Loren E. Tucker, 25, of Anthony, suffered numerous bruises and a skull fracture Friday evening.

BUS AND TRAIN HIT, 17 KILLED **Funeral of Crash Victim to Be Held Tuesday Afternoon** **Boy Falls From Truck** James R. Hase, 8, of 3008 West Maple, suffered severe cuts and bruises over most of his body when he fell from a truck tail gate.

University students have been issued 68 traffic violation tickets from the Wichita Police Department since the beginning of the current semester. In a meeting Monday night the Student Council appointed a committee to look into traffic problems of the students on the campus.

This is a problem that should be handled by the student body and the Student Council cooperatively, and all of us will do well to consider seriously the committee's report. However, pride in ourselves and in our school and a consideration of injury and loss of life should be enough to take care of the existing problem.

This week will mark the opening of a Safety Drive, sponsored by the Student Council. At their next meeting, Monday night, they will consider proposals to alleviate the difficulties.

According to statistics, University students are committing twice as many traffic violations per capita, as the rest of the population of Wichita.

Everyone knows that parking on the campus is a problem. It is also clear to all students that the sooner they get to the campus, the better their chance of finding a place to park. Another known fact is that students like to sleep to the last possible moment. *But what does this create?*

According to a report from the Police Department it creates speeding, running stop signs and lights, jaywalking, no signals on turns, and other infractions of traffic rules that eventually lead to only one thing: Loss of life or limb to someone, generally not those violating the rules. In far too many cases, everyone agrees, it leads to death or injury to the young children of whom all are so proud.

Students at the University have many records and achievements of which they can and should be proud. Ours is an enviable position which is looked up to by many and respected by all. We can change all that with the continuance of the reckless driving that we have shown in the past. It is far easier to criticize than it is to praise.

Serious thought on the matter on the part of all the students will bring about the solution to the problem. We should be leading, instead of speeding.

The Executive Session...

Monday at Student Council meeting, a subject that concerns every student in the University was discussed, namely, the walkout Monday and its effect on future walkouts.

Information was aired at the meeting that indicated, for a time at least, that the students had fallen in line with a predetermined plan to make money as a result of school spirit and group enthusiasm.

This was a charge that demanded the most exact consideration not only by the Council, but by you, the students.

In spite of this, the Council saw fit to go into "executive session," a meeting at which only Council members are allowed to attend.

Three Sunflower staff members were among those who were required to leave the meeting, thereby automatically closing the meeting to 3,000 students whose only medium for Council information is their official student publication.

There are times when a closed session is necessary. The United States Senate, itself, often declares closed meetings when the security of the nation is at stake.

There are times, too, when the security and well-being of the University of Wichita might be jeopardized by the presence of unauthorized persons, but Monday night was definitely not one of those times.

Whatever power the Student Council might have to declare closed meetings, that power should not be abused merely to be able to speak without fear of publication.

Holiday For Few... An Editorial

It is quite evident that this University has been the victim of the most unplanned "victory celebration" ever staged.

Primarily, the blame for the session south of town falls in the lap of the Student Council.

First, the Student Council had the opportunity to call off the walkout during the convocation in the Auditorium. With but one official walkout permitted a semester, the Bradley victory looked rather small.

Second, the Student Council had no planned program for a walkout.

Dick Mullen and Jim Trimble, both, expressed their desire to wait until following the Tulsa game, which all students will agree would be the natural time for a walkout, if we win.

After the Council voted not to have a walkout, and the Student body present continued a mass move to go through with it, Mullen made the mistake of turning the decision over to the small group of team members present.

Mullen as president of the Student Council, and elected by the students, had the power to halt this walkout. The fact that he didn't or couldn't, however you look at it, indicates a weakness in the student government of this campus.

One remarkable angle of the walkout has developed among the students. Ninety-five per cent of the students now know what they DON'T want.

As humans we can make one mistake, but let's learn by this one.

It is up to the Student Council to determine through the help of the students a cooperative program that, in the future, will guarantee no recurrence of Monday's post-walkout affair.

Let's have walkouts in the future with programs arranged in advance by the duly elected student government and the students in joint, full, and cooperative effort.

College People 'Hope Of Next Generation' Says Retired Prof.

"College students of today are the hope of the coming generation," according to Dr. Allen B. Albert, retired head of the department of sociology at the University of Minnesota. He compared young people with a plant that is still growing, bursting its bark and blossoming.

Dr. Albert, a past president of Rotary International, was in Wichita to address the local Rotary Club. In his speech, he said the growth of Wichita, since his last visit here twenty years ago, has convinced him that the population of the city will reach 500,000 in the next 20 years.

He also commented on the failure of the United Nations to live up to the expectations of the delegates to the San Francisco Conference. He served as the historical consultant to the United States delegation.

Dr. Albert said that he felt the U. N. would be much more successful today if the Russian policy of spreading world Communism had been known at the meeting.

He further said, "The Russians have misused the original veto power sinfully. The veto was meant as a control policy measure, not punctuation for every sentence uttered."

Dr. Albert concluded his speech with a request that people throughout the world begin corresponding in order to further international understanding. He further said, "If the people of the United States

would make a project of sending letters throughout the world on a scale similar to the campaign in Italy a few years ago, the spread of Communism could be completely checked."

In the critical election in Italy in 1947 all Americans of Italian descent were asked to write members of their family in Italy encouraging them to vote against the Communist candidates. The Communists lost the election about two-to-one.

Dr. Albert is not a newcomer to Wichita. He made a study of the local government in 1927 and recommended the change to a commission form of municipal government.

Progreso!

Translation Bureau Serves Five States With Interpretations

The University Translation Bureau, which was established in 1946 to serve the people of Kansas, is now serving five states, Dr. Eugene Savaiano, head of the Spanish department, said Monday.

Sixty to 70 letters are received each month from Colorado, Kansas, Missouri, Texas, and Oklahoma, Dr. Savaiano said.

At the present time letters are being translated in 13 different languages. Languages are: French, Spanish, Italian, Portuguese, Russian, Polish, Dutch, German, Chinese, Hungarian, Finnish, Greek, and Flemish.

The Bureau is maintained by a group of students and faculty members who translate letters written in foreign language. Five students and four faculty members comprise the Bureau's staff.

Student translators are: Barbara Gist, Howard Current, Joseph Thanner, David Luo, and Mack Castrosos. Dr. N. H. Pronko, head of department of psychology; John Spellman, assistant librarian; Mrs. Dorothy S. Gardner, instructor in Spanish; Miss Francis Brownlee, instructor in German and English and Dr. Savaiano assist the students.

Cost for translating a letter into English is 50 cents for 250 words. Translating English letters into a foreign language costs 59 cents for 100 words.

In case of commercial letters or those with technical vocabularies, charges are determined by length of time spent in translating them.

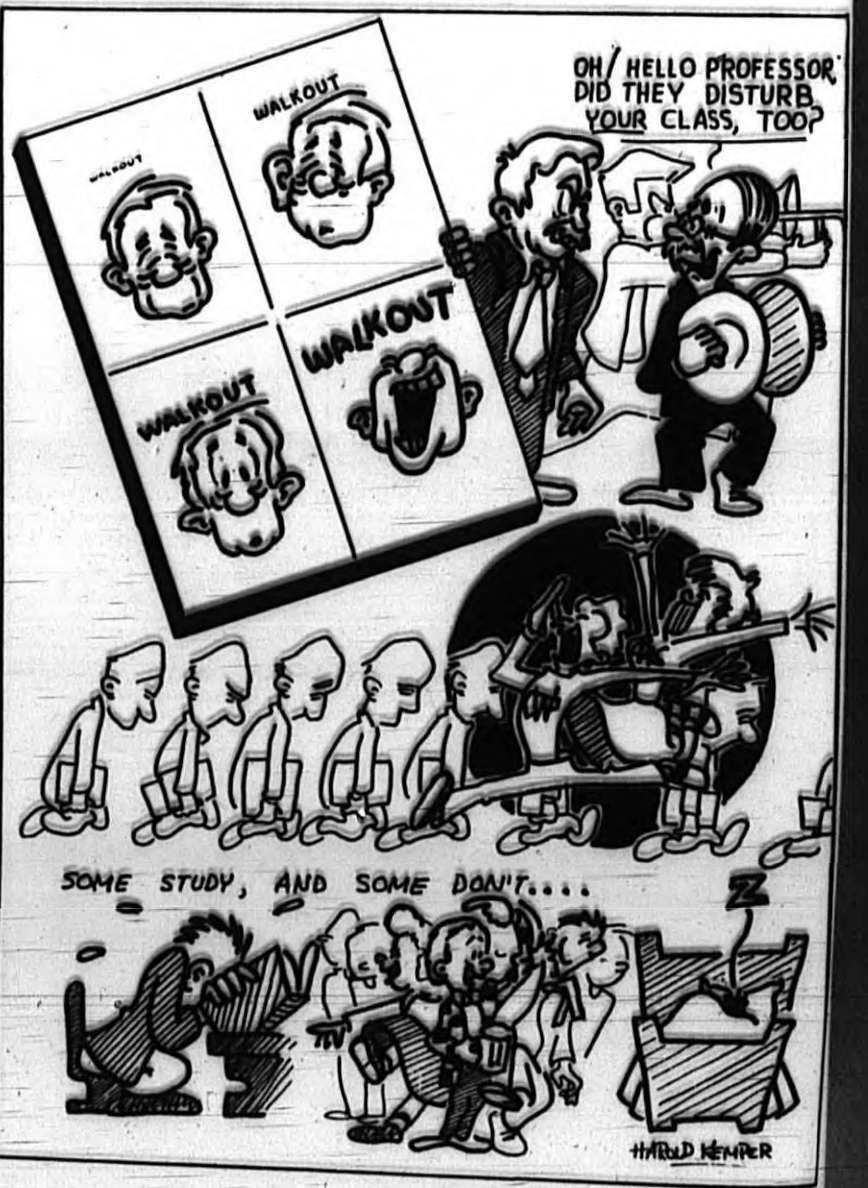

Free Canine Movies Issued On Request

"Partners," a 19-minute sound movie on dogs and the roles which dogs have played in human happiness will be shown free to any campus organization interested in dog subjects.

The picture, produced by the Jim Handy Organization of New York for the Ralston-Purina Company, shows dogs working as shepherds, "eyes" for the blind, aids to hunters, and as watchdogs over property.

For details on the free showing, organizations should write to G. M. Philpott, The Ralston-Purina Company, St. Louis, Mo.

U.S. Civil Service Commission Announces Tests For Seniors

The U. S. Civil Service Commission has announced its 1949 Junior Professional Assistant, Junior Management Assistant, and Junior Agricultural Assistant examinations.

Positions in Washington, D. C., and throughout the United States, at \$2,974 a year, will be filled from these examinations. The announcements issued by the Commission are in booklet form and give full information regarding the examinations and the positions to be filled.

This information is of particular interest to college graduates and senior students, since the positions to be filled are trainee positions in which young people may begin a career in the Federal service.

Those with outstanding ability may develop into Federal administrators and high-grade professional workers.

To qualify in these examinations,

competitors must pass a written test and must have had appropriate education or experience or a combination of education and experience.

Applications will be accepted from students who expect to complete their college courses by June 30, 1950. Age limits, waived for persons entitled to veteran preference, are from 18 to 35 years.

Information about the examinations is available at the Placement Office at the Federal Building.

Applications must be received in the appropriate office of the Civil Service Commission not later than Nov. 8, 1949.

Former Student Dies In Air Crash

First Lieut. Robert N. Fidler, jet fighter pilot, was killed in an air crash July 22, 1949 over Okinawa. He was 24 years old.

Fidler, son of Mr. and Mrs. H. R. Woodward, 1604 Fairmount, was a graduate of East high school. He graduated from University of Wichita in 1947 where he was a member of the Student Council, Student Forum Board, Alpha Gamma Gamma fraternity, and the varsity debate team. He was an active leader in the drive for funds to build Veterans Field.

Survivors include his widow, the former Helen Bowen; one son, Joseph Woodward; his mother and stepfather; a brother, William A. Fidler; and a sister, Sue Woodward.

Living Kansas Vets Total Over 240,000

Kansas veterans still living total 242,000 as estimated by the Veterans Administration Information Service as of Aug. 31, 1949. The total of all veterans in the United States and its possessions is 18,976,000. The total of veterans includes those of World War II and prior wars.

New York leads the states with 2,060,000 living veterans. Nevada and Alaska have the smallest number with 21,000 and 10,000 respectively.

Following New York are Pennsylvania with 1,437,000; California, 1,355,000; Illinois, 1,220,000; Ohio, 989,000; and Texas, 902,000. Oklahoma exceeds Kansas by 58,000 having a total of 298,000 living veterans.

Eleven hundred high school musicians will perform during halftime ceremonies at the University of Wichita-South Dakota State Game.

APPLICATION FORMS ARE AVAILABLE AT POST OFFICES, VA OFFICES, AND VETERANS ORGANIZATIONS

To give you a finer cigarette Lucky Strike maintains AMERICA'S FINEST CIGARETTE LABORATORY

America's largest cigarette research laboratory is your guarantee that Luckies are a finer cigarette!

YOU SEE HERE the largest and most complete laboratory of its kind operated by any cigarette manufacturer in America.

For many years Lucky Strike scientists have delved into cigarette research on an extensive scale. Out of this has grown an elaborate system of quality control. Every step in the making of Luckies—from before the tobacco is bought until the finished cigarette reaches you—comes under the laboratory's watchful eye. As you read this, a constant stream of tobacco... samples

from every tobacco-growing area... is flowing into the laboratory in Richmond, Virginia. These samples are scientifically analyzed, and reports of their quality go to the men who buy at auction for the makers of Lucky Strike.

Armed with this confidential, scientific information—and their own sound judgment—these men go after finer tobacco. This fine tobacco—together with scientifically controlled manufacturing methods—is your assurance that there is no finer cigarette than Lucky Strike!

Testing tobacco. Samples from every tobacco-growing area are analyzed before and after purchase. These extensive scientific analyses, along with the expert judgment of Lucky Strike buyers, assure you that the tobacco in Luckies is fine!

So round, so firm, so fully packed. Typical of many devices designed to maintain standards of quality, this mechanism helps avoid loose ends... makes doubly sure your Lucky is so round, so firm, so fully packed.

So free and easy on the draw. This meter draws air through the cigarette, measures the draw. Samples are tested to see if they are properly filled. Tests like this guarantee Luckies are free and easy on the draw.

We know: LUCKIES PAY MORE
for fine tobacco
(millions of dollars more than official parity prices)

We are convinced: LUCKIES PAY MORE
for cigarette research

So, for your own real deep-down smoking enjoyment

Smoke a Lucky!

Lucky Strike's fine tobacco and constant research combine to give you a finer cigarette. Prove this to yourself. Buy a carton of Luckies today!

Many University Alumni Take New Positions, Receive Honors And Travel During Summer

1907

Marguerite Bliss spent a delightful summer vacation in the Scandinavian countries. She flew from Montreal to London and then on to Norway, Sweden and Denmark, and was enchanted with the sights she saw during her 35 day visit.

In Oslo, Norway, she visited our American envoy, Walter Orebaugh '31, Mrs. Orebaugh (Marguerite Howard '31) and their son and daughter.

She is a teacher at Wichita High School East and resides at 229 South Vassar in Wichita.

1927

Faye Ricketts, head of the secretarial training department of the University of Wichita, attended a seminar at Gregg College, Chicago, Ill. in July.

The training included the new and simplified shorthand teaching methods and, also, the latest methods in teaching high speed typing.

1928

Gertrude Hatfield was featured in the Know Your Schools column of the Eagle recently, in an article on Parent-Teacher Teamwork.

She is principal of Hyde elementary school in Wichita and resides at 236 South Erie.

Kathleen Walsh (M.A. '39) and her father, James M. Walsh, have published a book "Language Etiquette." The book contains 150 pages, is illustrated in color, and stresses the idea that language is an important part of etiquette.

Miss Walsh is an English instructor at Allison school in Wichita.

1929

Annalaura Williamson has been elected secretary of the Denver chapter of the National Office Management Association with offices at 2345 Walnut Street, Denver, Colo.

Bentley Barnabas spoke on scientific information and methods in placing persons in jobs suited to them at a meeting of the Cooperative Club, Aug. 6, in the Allis Hotel, Wichita, Kans. He is sales promotion manager of S. A. Long company in Wichita.

1930

Howard N. Fullington f/s, has been elected chairman of the board of regents of the University of Wichita. He has served on the board for the past three years.

1931

Otto L. Culbert is vice-president of the Civitan Club of Wichita. He resides at 807 South Lorraine, Wichita.

1934

Dr. F. Wesley Park is the new president-elect of the seventh district dental society. He is a member of the executive committee of the University of Wichita Alumni Association and resides at 325 Circle Drive, Wichita.

Capt. William A. Jones has reported to Keesler Air Field base, Biloxi, Miss., for a 38-week training course. He and his family returned recently from Japan where he served nearly two years in the Japanese occupation army.

Mrs. Jones (Mary Elizabeth Tippin) and their children, Karen, Arthur, and Susan Elaine, will remain at their home, 1511 South Kansas, Wichita, while he is in Biloxi.

Ellis Charles (Charles Ellis) has joined Margaret Webster's Shakespeare Company and is currently acting in Shakespeare's "Julius Caesar" and "Taming of the Shew."

The company is making a nationwide tour, which began in Woodstock, N. Y., Oct. 6 and will appear in Wichita next spring. Charles is the son of Mr. and Mrs. F. M. Ellis, 724 South Estelle, Wichita.

1935

Kenneth Nickel attended the summer meeting of the National Council of Teachers of Mathematics held at Denver, Colo., Aug. 29 to Sept. 2 on the Denver University campus. He is a member of the mathematics department at Wichita High School East.

J. Ashford Manka has been elected president of the newly-organized Kiwanis club of East Wichita. He resides at 228 North Oliver, Wichita.

1936

E. Leon Watkins is instructor of a two-hour course in office management offered in the extension division at U. of W.,

Grad News Wanted By Alumni Secretary

One of the purposes of this monthly page in the Sunflower is to provide a maximum of news about alumni everywhere. Won't you help us by sending such information to us? And will those of you, who are paid-up members, do your best to encourage others to help us reach our 1,000 member goal? Beulah Mullen.

this fall semester. He is vice president and controller of Watkins, Inc. and resides at 223 North Belmont, Wichita.

Raymond D. Bounous has been elected president of the Southwestern Chamber of Commerce Institute. This institute is the regional school for Chamber of Commerce executives and is held annually at Dallas, Tex.

Mr. Bounous is manager of the conventions, trade development and civic affairs department of the Wichita Chamber of Commerce.

1937

W. L. Feldner, Jr. has been elected president of the National Office Management Association of Wichita. He lives at 1907 East Orme Court, Wichita.

1938

Verne Nydegger left for California, Oct. 1, where he will enter business with his brother, Lee. He has been music director for radio station KFBI in Wichita since 1940. His family will join him Nov. 1, at 429 South Horne, Oceanside, Cal.

Francis Ward f/s and her partner, Gladys Shockey, have begun performances of their Jupiter Marionettes. Working since last March, they have built two dozen 24-inch puppets, written script for several 30-minute shows and commercial skits, constructed a portable stage and numerous props.

One of their first performances was made at Planeview High School in Wichita. Frances, who resides at 202 South Pinecrest, has found her skill as a woodcarver invaluable in the undertaking.

1939

Althea McQuoid was featured in the Wichita Eagle "Know Your Schools" column. The story concerned creative self-expression taught by kindergartens. She teaches the kindergarten at Jefferson School in Wichita.

1940

Meuli Curry was elected vice president of the National Office Management Association of Wichita. His home is at 449 Pennsylvania, Wichita.

1941

Betty Jane Roberts is instructor in two secretarial training courses offered in the Adult education program at U. of W. this fall semester. She is teaching courses in shorthand and typing. She is a member of the Planeview High School faculty and lives at 717 Buffum in Wichita.

1941

Walter R. Tait has devised a card filing system which has attracted the attention of top railroad officials. The system cuts delay in routing specialty cars at the terminal and is widely acclaimed by railroad people who use it daily. Mr. Tait was instructor in mathematics at the University of Wichita in 1946-1947.

Since that time he has been connected with the Missouri Pacific Lines and is now in St. Louis, Mo. His home address is 7150 Princeton Avenue, University City, Mo.

1942

Lee Allan Burrell received his B.D. degree from the Garrett Biblical Institute at Evanston, Ill., June 13. He is now pastor of the Methodist Church at Lee, Ill.

Edward Armstrong has been elected second vice president of the Wichita Club of Printing House Craftsmen. He resides at 5114 Kingsrow in Wichita.

1943

Howard H. Depew received the masters degree in Electrical engineering from Kansas State College, Manhattan, in August. He is married and has one child, four-year-old, Joan Rene. The family

lives at 442 Cleveland in Manhattan.

Robert F. Hudson has entered the practice of law with the firm of Coombs, Smith and Shay in Wichita. He was admitted to the bar after graduation from the University of Kansas law school in June 1949.

Mrs. Hudson is the former Lynn Matterna. They have one daughter. The family lives at 603 North Fountain, Wichita.

Dr. Harold L. Jackson (M.A. '46) has joined the experimental station of the Du Pont Company's Chemical Department in Wilmington, Del. He received his degree of doctor of philosophy in organic chemistry in 1949 from the University of Illinois.

1946

Bob Tyler is general chairman of the Wheat Bowl committee of the Junior Chamber of Commerce which is planning the second annual Wheat Bowl football game. The game will be played Nov. 26, at Veterans Field, University of Wichita.

1947

Kelly Sowards, graduate student at the University of Michigan, has been elected to Phi Beta Kappa as announced in May 1949. He lives at 216 South Ingalls, Apt. 23, Ann Arbor, Mich.

R. D. Tucker is employed in the Manufacturing Department of the Continental Oil Company, Ponca City, Okla.

1948

Jimmy Kelly is working for the Seismograph Service Corporation of Tulsa. His address is % General Delivery, Atlanta, Tex.

Fred A. Beaty has established his general law practice as an associate in the law offices of Sidney J. Brick, Beacon Building, Wichita. He received his law degree from the University of Kansas.

Mrs. Beaty is the former Barbara Watson. They have one daughter, Roberta Lou. The family resides at 5809 East Lincoln in Wichita.

George Melloy attended the University of Zurich, Switzerland this past summer. He took courses in German and international relations. He is teaching at Assuit College, Assuit, Egypt.

1949

Robert A. MacNaughton has been commissioned a First Lieutenant in the army medical corps reserve. He is taking his intern training at Wesley hospital in Wichita. He resides at 1426 West 20th Street, Wichita.

Herbert James began work as speech instructor and debate coach at Dartmouth University in Hanover, New Hampshire this fall. He served as public speaking instructor and assistant forensics director at the University of Wichita for one semester following his graduation.

Douglas Conrod is enrolled as a graduate student in speech at Ohio State University. He writes that graduate work is really work but he is enjoying it. His address is 85 West Tenth, Columbus, Ohio.

Don Riggs sends greetings from Petersburg, Alaska where he began his teaching career this fall. He extends best wishes to the 1949 football squad for a very successful season. His mailing address is Box 443, Petersburg.

Lloyd D. "Bill" Baker has joined the John Hancock Mutual Life Insurance company, Wichita. He resides at 2208 Random Road in Wichita.

George W. Dennis is employed in the geophysical department of the Continental Oil Company, Ponca City, Okla. His address is Box 521, Decatur, Tex.

Al J. Hummel is campaign director of the fall membership roundup of the YMCA. He is executive secretary of the East Side Y branch and resides at 2059 George Washington Blvd., Wichita.

Virgil Thurlow is employed by the University of California in research at Los Alamos, New Mexico. He visited his parents, Mr. and Mrs. Rollo Thurlow, in June, enroute to ROTC camp at Fort Monmouth, N. J. His Los Alamos address is Box 1663.

Paul Steg (M.A. '49) has accepted a position as orchestral director and instructor of strings at Hutchinson, Kans.

Alumni Association To Sponsor Dinner

The Alumni Association will sponsor a dinner Friday evening in conjunction with the Kansas State Teachers meeting to be held in Wichita Nov. 4 and 5. The dinner meeting will be held in the Walnut Room of the Hotel Lassen at 6:30 P. M. The price per plate will be \$2.25.

Reservations must be in the Alumni Office by Wednesday, Nov. 2. Additional information will be given in a Newsletter to the teaching alumni.

Alumnus Receives Govt. Promotion

Theo E. Hall, student at the University of Wichita from 1934 to 1939, has been appointed deputy executive secretary of the United States high commission at Frankfurt, Germany. He has been chief of the public safety branch of military government in Germany.

Hall began his career on the police force of Wichita in 1936 under Chief O. W. Wilson. He later became police chief at Two Rivers, Wis., and Williamette, Ill. He served as director of security for the metallurgical laboratory at the University of Chicago, an installation for atomic research.

Hall joined the military government in July, 1945, as deputy director of the public safety branch and became chief in 1947. He is the son of Mr. and Mrs. O. B. Hall of Route 7, Wichita.

Three Alumni Die At Home

Charles C. Isely died Saturday, May 14, at his home in Dodge City, Kans. He was 74 years old.

Born May 11, 1875, on a farm near Fairview, Kans., he graduated in 1902 from Fairmount College and went to work as a traveling salesman for the Arkansas Valley Lumber Company.

In 1904 the Wichita firm sent him to Great Bend, and in 1905 he went into the lumber business for himself at Cimarron.

He moved to Dodge City in 1919. Survivors include a sister, Miss M. Alice Isely, formerly librarian at University of Wichita, three brothers, Bliss of Wichita, J. W. of Salem, Oregon, Dwight of Fayetteville, Ark., five children, Charles C., of Jefferson City, Mo., Mrs. Lyman Johnson, Concordia, Kans., Thornton, Moundridge, Kans., Mrs. David McGuire, Harper, Kans., and Quentin, a student at the University of California.

A sixth son, Robert, was shot down in World War II as a navy commander flying over Saipan.

He had long been grain analyst for the "Northwestern Miller," a trade publication, and wheat belt correspondent for the Wall Street Journal. During World War II, a chain of Kansas newspapers sent him to cover operations in the Near East.

Funeral services were held May 16, at the Methodist Church in Dodge City, Kans.

Allen C. Bonjour died Sunday, May 8 at his home in Long Beach, (Continued on Page 9)

Sedgwick, Kans.

To Mr. and Mrs. Elmo Meek (Margaret Craig) a son, Mark Alan, Sept. 15. They live at 1219 South Kansas in Wichita.

To Mr. and Mrs. Maurice Byrd (Mary Louise Adams) a son, Jyrd 8, in St. Louis, Mo. They live at 10444 Eaglewood in Overland, Mo.

To Mr. and Mrs. John B. Newhall (Shirley Richey) a daughter, Georgia Lee, July 16. They have another daughter, Kathryn. Their home is at 1555 Northeast Parkway, Wichita.

1941

To Mr. and Mrs. Gaylord M. Smith (Ramona Custer) a son, Alan Foster, June 10. They reside at 652 North Bluff, Wichita.

To Mr. and Mrs. Robert P. Kirkpatrick (Mildred Stokely '41) a daughter, Colleen, Oct. 2. They live at 825 Coolidge in Wichita.

To Dr. and Mrs. L. V. Kaufman (Marjorie Sawtelle) a daughter, Crystal Sue, May 24. They live at 280 North Glenn, Wichita.

To Dr. and Mrs. V. E. Howard (Colleen Moore '43) a daughter, Dristin Kay, June 19. Their home is at 615 South Fountain in Wichita.

To Mr. and Mrs. Robert Branson, a son, Mark Robert, June 22. They also have a two-year-old daughter, Janie. Their home is at 3517 East Thirteenth in Wichita.

To Capt. and Mrs. Gerald Hayter (Betty Virginia Greene '42) a daughter, July 12, in Murphysboro, Tenn. They live in Smyrna, Tenn.

To Mr. and Mrs. Wallace W. Solter (Harriet Porter '42) a daughter, Ree Ann, Aug. 6. Their home is at 3105 N.W. Park, Oklahoma City.

1942

To Mr. and Mrs. Bert Buller (Joan Edgar) a son, Max Edgar, Sept. 19. They live at 820 South Topeka, Wichita.

To Mr. and Mrs. John S. Long (Mary Lou Hoag f/s) a daughter, Janice Louise, July 28. They also are the parents of a daughter, Beverly, who is five-years-old and a son, Gregory, who is seven-and one-half years old. They reside at 315 North Crestway in Wichita.

To Mr. and Mrs. James A. Green (Ruth Mayfield) a son, James A. Green, III, May 13. They live at 1014 South Minneapolis, Wichita.

To Mr. and Mrs. Cec Schulte, a son, Peter J., May 29. They reside at 509 South Fern in Wichita.

To Mr. and Mrs. Leonard C. Blood (Mary Lou McMullen) a son, Leonard Claire Blood, (Continued on Page 10)

VISIT KANSAS' LARGEST ELECTRIC GENERATING STATION

"I hope you'll accept our invitation to attend 'Open House' at Ripleys Plant located just north of Wichita on Sunday, Oct. 16. My bosses have just finished installing another huge turbo-generator. This addition brings the generating capability of the Ripleys Plant up to 90,000 kilowatts and gives the entire area served by KG&E an adequate supply of low-cost electric power for every purpose.

"We'd like you to see the new generator... and the two companion units that were installed in 1938 and 1948. We'd like you to inspect the roaring furnaces that consume more than one and a half times as much gas as all the domestic gas users in Wichita — the huge boilers which furnish 875,000 pounds of steam to operate the humming generators that produce more than 120,000 h.p. per hour — cooling towers that cool more than 641,000 gallons of water per hour — and all the other interesting equipment it takes to generate electricity.

"Increasing the generating capacity at Ripleys Plant is just part of a \$27,500,000 building program now in progress, throughout the KG&E system, on sub-stations, transmission lines, distribution lines and other facilities necessary for furnishing adequate and instant electric service to homes, farms, offices, stores and industries in our area.

"That's a pretty big chunk of money to be spending, but all of us in KG&E have lots of faith in the continued growth and prosperity of Kansas. So we're planning and building... not only to supply the present need but to insure an ample reserve of low-cost, dependable electric power to assist in the continued development of the entire area served by KG&E.

"IT'S GOOD TO BE GROWING WITH KANSAS — AND TO BE HELPING KANSAS GROW"

Lawyers Teach Police Science

Two ex-FBI agents, Eugene Coombs and Paul V. Smith, and Douglas Shay, probate attorney, are teaching criminal law courses in the University ROTC Armyory entitled Criminal Law and Evidence, according to Lt. R. L. Anderson, director of police science.

Coombs, Smith, and Shay, partners in a Wichita law firm, also teach one of four police science courses now offered qualified University students, Anderson said.

Three other police science courses offered are Traffic Control, taught by Lt. Bernard R. Clark; Scientific Crime Detection, taught by Claud Nichols, laboratory technician; and Police Organization and Procedure, taught by Lt. R. L. Anderson. Dr. Hugo Wall, head of the department of political science, is counselor of the police science courses.

"Courses in police science have been organized to meet the growing demands for training in this field of public service with three specified objectives in view," Anderson said. "These objectives are effective law enforcement, specialized techniques in combatting crime, and a general basic training for police executives."

"The police science courses are under the general direction of the department of political science and under the immediate supervision of the chief of police of the Wichita Police Department. Police Science Certificates, awarded by the Police Department, are given to those officers who have passed the prescribed courses (police science courses and courses in related fields) with credit and have performed the duties of officers in the department with merit," Anderson said.

Secretary Attends Washburn Meeting

Miss Beulah Mullen, executive secretary of the University Alumni Association, will attend the annual meeting of the Kansas Association of Teacher Placement Officers which will be conducted at Washburn University, Topeka, Kans., on Oct. 17.

Life Insurance Dividend Checks Will Not Be Mailed This Year

Veterans Administration said today there is no possibility that any checks in payment of the special National Service Life Insurance dividend will be mailed before Jan., 1950.

Harold W. Breining, assistant administrator for insurance, said reports that checks might start going out before Christmas were "absolutely without foundation."

"The real fact is," Breining said, "that we are even working overtime in an effort to get these dividend checks to the veterans entitled to them according to our present schedule which calls for the first checks to be dispatched sometime around the middle of January."

More than 12 million applications for dividend payments have been received in Washington since application forms were made avail-

Reserve Training Available to Men

"Free uniforms, good pay, and a two week vacation in many foreign ports are being offered to men between the ages of 18 and 35 by the U. S. Naval Reserve," said Lt. S. F. Graham, Executive Officer of Division 963 of the Wichita Naval Reserve.

The Navy is offering the reservists the chance to learn a good civilian occupation, or a fine hobby while they are being paid for it, according to Lieutenant Graham.

"A reservist comes to our classes once a week for a two hour period. He learns welding, electronics, signaling and many other things that will help his country in time of emergency, or will help him in civilian life," Lieutenant Graham said.

A seaman recruit, the lowest paid sailor, gets \$2.50 each week that he attends class. The reservist is issued a uniform worth \$138.90 when he joins. Each year the reservist is entitled to make a two week cruise either to some navy land base or to a foreign port, according to Lieutenant Graham.

University students with no previous military service may join the 89th Infantry Division in Wichita to help fill the non-commissioned and commissioned reserve vacancies, according to Lt. Col. R. P. Ronne, commanding officer of reserve activities.

"Honorably discharged war veterans may enlist in the same grade held at the time of discharge," Lieutenant Ronne said.

Students 17 and up, are eligible to qualify for service in reserve forces. Information may be obtained by contacting reserve headquarters, 626 East Douglas.

Young Demo's To Meet Soon

The 1949 national convention of the Young Democratic Clubs of America has been scheduled for Nov. 17 through 19, at Chattanooga, Tenn., Roy G. Baker, president of the official youth organization, has announced.

National officers will immediately launch plans to make the 1949 convention the largest and most successful ever staged, Baker said.

A program of addresses by prominent figures in the National Administration, and in Congress, and by Democratic Governors will be arranged and strategy for young Democratic participation in the 1950 campaign will be drafted. National officers for 1949-51 will be elected.

Among the scenic attractions in Chattanooga which delegates will have the opportunity to visit are the famous Chicamauga Dam and other TVA installations, and historic Lookout Mountain, where several battles of the Civil War were fought.

The previous Young Democratic biennial convention was held in Cleveland, O., in 1947. At that time Baker was elected president, Theodora Hansen of California, vice-president, Angela Parisi of New York, secretary, and E. Hoover Taft, Jr., of North Carolina, was elected treasurer.

Ten Medical Books Given To Library

The University library has received ten valuable medical books from the Hertzler Clinic of Halstead, Kans., according to N. H. Pronko, professor and head of the department of psychology, who secured the gift for the library.

Seven of the books are monographs on surgical pathology and the other three are entitled Diseases of the Thyroid Gland, Ventures in Science of a Country Surgeon, and The Grounds of an Old Surgeon's Face. Dr. Arthur E. Hertzler is author of the books.

"All men interested should contact the U. S. Naval Reserve at 310 West Third Street, telephone 4-4242, or see me there on Tuesday nights," said Graham.

Shockers Invade Nevada Saturday

Students To Know Alma Mater And All Hail Wichita For Games

"Students should know our two school songs, the Alma Mater, and Hail Wichita, by the next home game, Oct. 22, when the Shockers play South Dakota State," Dick Mullen, president of the Student Council said today.

The songs are listed below.

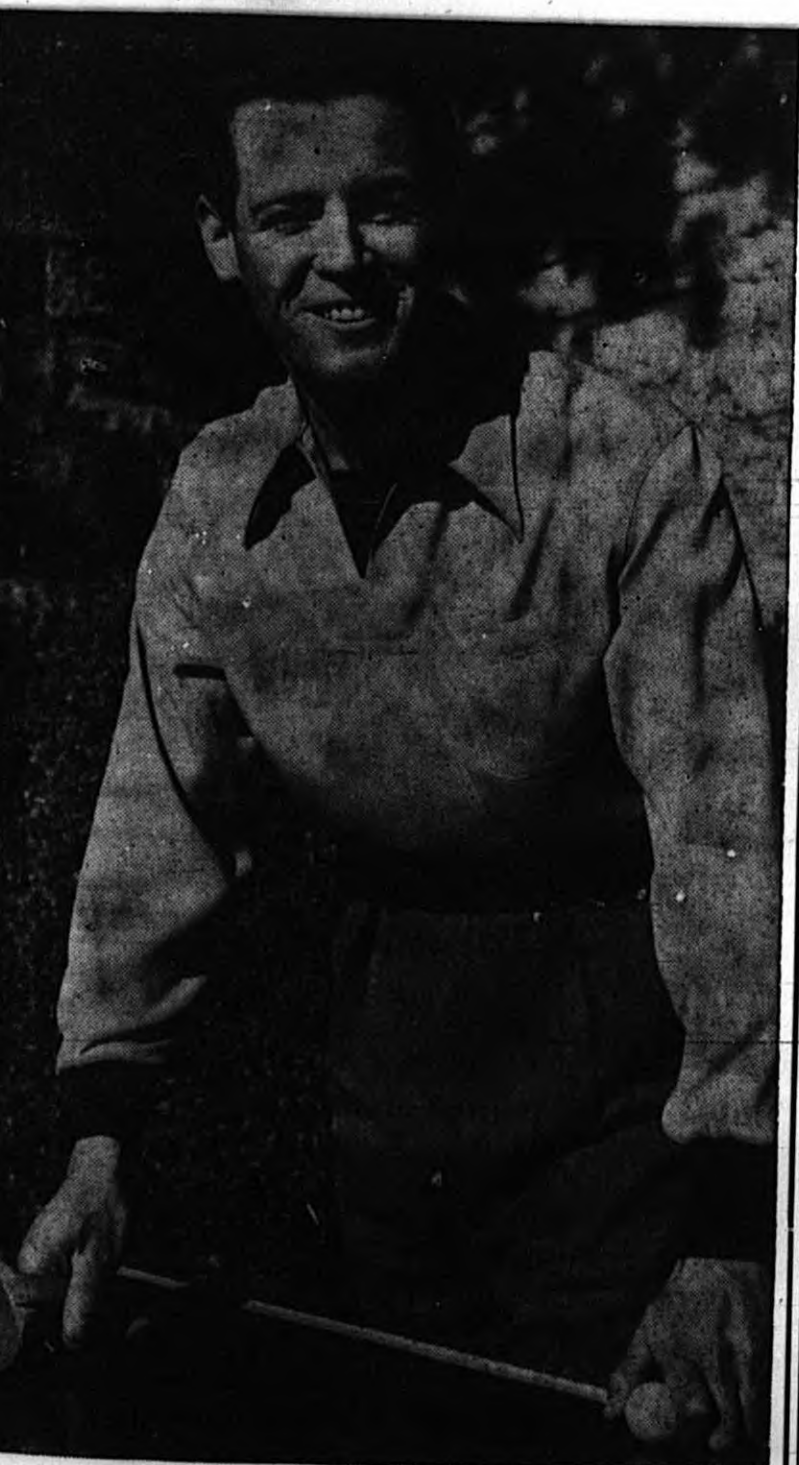

HAIL WICHITA

All Hail, Hail, Wichita
U rah, rah, rah, for Wichita
March onward banners high
With courage, force that will never die
We'll fight for Wichita
Brave spirits never fail
To Wichita our loyalty
Hail our varsity, triumphantly, hail.

ALMA MATER

Our Alma Mater, Wichita
Stands proudly on the hill
Our sons and daughters, bow to thee
Our hearts with praise we fill
Then hail our Alma Mater
Hail thee, grand and true
Long wave the yellow and the black
Oh, Wichita, here's to you.

Good For Valuable Yardage...

TOMMY ALLEN, SHOCKER END, catches a pass thrown by Eddie Kriwiel, in Saturday's game against Bradley University.

Approaching to make the tackle is Heiniger, No. 20, Bradley half-back. The other Shocker player is end, Walt Knoke.

Varsity Meets Nevada Eleven

The University of Wichita Shockers will meet the University of Nevada Wolf Pack Saturday at 2 p. m. PCT, in Mackay Stadium in Reno, Nevada.

The Wolf Pack beat the Shockers Thanksgiving day, 1948, by a score of 42 to 12.

Nevada's Head Coach, Joe Sheeketski, has coached the Wolf Pack for the past two years. During that time the Pack has made 800 points and has had 288 points scored against them.

Last year Nevada, with an enrollment of 1,800, was the nation's passing offense champion. The Wolf Pack appeared in the Salad Bowl, the Harbor Bowl, and played in a post season exhibition game with the University of Hawaii which they won by a score of 72 to 12.

Twenty-five lettermen from last year's team remain to play this year. All American quarterback Stan Heath was lost to the professionals this year. "This year's team is not as strong offensively as last season's, but it is better balanced in most positions," said Sheeketski in a press conference at the beginning of the season.

This year Nevada has won two games and lost two games. In their season opener the Wolf Pack won over Cincinnati University by a score of 41 to 21. In their second game the Wolf Pack defeated Portland University 53 to 27. On Oct. 1, Nevada lost to St. Mary's, 20 to 14. Saturday they were beaten by the College of the Pacific by a score of 47 to 6.

The Shockers met the College of the Pacific in the Raisin Bowl two years ago and were defeated 47 to 6.

"Although the Nevada team appears stronger than the Wichita team and the boys will be playing in a higher altitude than they are accustomed to, if the boys put everything they've got into this game we have a very good chance of winning," said coach Jim Trimble. "As far as the Shocker team is concerned, a game is never won until the final whistle blows," Trimble said.

Organized Confusion Reigns In Press Box When Shockers Play

by Joe Morrissey

With typewriters clacking, telephones screaming for attention, and 20 strong-voiced men talking at the same time, the pressbox in Veterans Field on a Saturday when the Shockers are at home resembles a club meeting without a chairman.

But this is organized confusion; here everyone knows just what he is doing.

From the assistant coach who is constantly in touch with his chief on the field by means of the special pressbox-to-bench telephones to the stolid statistics keepers, everyone is busy at a job which has to be done for a successful coverage

of the contest.

Radio announcers with their spotters, assistants, and engineers keep the fans at home informed about the action taking place on the field. Men from out-of-town stations who reserve broadcast booths in advance just as they would seats down in the stadium are there to follow the activities of their home town club.

Reporters from the local papers are out in force to prepare the stories read in Sunday's editions. Working under the direction of their sports editor they keep statistics, type out running accounts of the game, make special notes of any outstanding happenings, and usually phone in play-by-play reports for special editions.

Down on the field itself are the photographers from the various papers trailing the action around the gridiron in search of pictures which will illustrate the stories being written in the pressbox.

Representatives from the major news services which have offices in Wichita are there to write their

Activity Books Lost By College Violators

Twelve students forfeited activity books at the Wichita-Bradley game last Saturday. Dr. C. B. Read, chairman of the Special Stadium Committee, reported that the books were taken from the students because they did not follow the conditions under which the book was issued.

To eliminate further necessity of taking up activity books students should read carefully the conditions printed on the inside of the front cover, as well as the white WARNING insert, Dr. Read said. Delay at the gate also can be avoided if the book is signed on the cover page.

Dr. Read also said that when an activity book is presented by someone other than its owner, there is no alternative except to take up the book.

Shockers Play Six More Games But Opponents 'Ain't So Tough'

By Jack Campbell

Who said the Shockers have a tough football schedule? Pre-season dope said the Shockers would be lucky to win two games this year. Early season results have shown however, that the powerful Missouri Valley Conference "ain't so tough as she used to be."

Prediction!!!

As Football Reigns, Skiing Is Announced, And Sports Continue

By Estel Smith
Sports Editor

Now that winter is coming, here is an interesting note for all ski fans. The 1950 World Ski Races will be at Aspen, Colorado, February 13 to 18. This is the first time that the ski races have been held in the United States.

The Oklahoma Aggies boast of some outstanding linemen on their team this year, and all of them are sophomores. They include: Waldo Schaaf, end; Bill Scanlan, tackle; Urban Schrage, tackle; Phil Smith, guard; and Jerry Stubbs, guard.

Francis Wallace, Collier's Magazine sports writer, in giving his estimated won-loss records of this year, didn't mention Wichita, but he gave the following for some of our foes: Oklahoma A. & M.—win 6, lose 4; Tulsa—win 4, lose 6; and Nevada—win 9, lose 1.

Many sports writers make predictions of games and season's scores, and usually they miss the correct score or number, as Mr. Wallace has done with Nevada, because they have lost two games so far this season.

With the Shockers playing Nevada Saturday, there could be an upset, but the Nevada team is powerful and has lots of reserves. Considering the facts of other team scores against Nevada, Wichita should lose, so we will say the score will be 19-6 Nevada's favor.

Mr. Wallace may have missed another prediction. Of course, a few weeks will tell, but a the rate they're going, Tulsa may have a much better record than expected at the end of the season. Tulsa has found a great team general in Len Makowski, versatile senior quarterback.

Jimmy Nutter looked great in the game Saturday, along with Milo Mraovich, Hap Houlik, and Eddie Kriwiel. A man in the press box remarked, "Those boys are good. They would go on anyone's team."

Herb Eddington, Walt Corbin, and several other members of the freshman squad did a fine job at Hutchinson. They proved once again, that they could come from behind and get the job done.

Injured Varsity Men May Play At Nevada

Three members of the Shocker football team, who did not play in Saturday's game, will probably see action in the game against Nevada, Jim Trimble, head football coach, announced yesterday.

Center Jack Swager, end George Miller, and tackle Bob Harclerode, were injured in the game against Houston. Swager suffered a knee injury, Miller received a light brain concussion, and Harclerode suffered from heat exhaustion.

Mike Knopick, who was injured in the game with Miami University, at the first of the season, was operated on this week and is out for the season.

Ray "Scooterbug" Morrison, who was also injured in the Miami game, may get to play in the Nevada game, Trimble stated.

Drake is the only Valley team that is playing above .500 ball. It has won four games without a defeat, but its opposition hasn't been the greatest. The Bulldogs hold victories over South Dakota State Teachers, Emporia State, Bradley, and South Dakota.

Oklahoma A and M, which has won one, lost one and tied one this season, will give the Bulldogs a big test in their meeting Saturday at Stillwater.

The Aggies are the defending champions and are as tough as ever despite their record. They tied a strong Texas Christian team, 33-33, were beaten by a strong Missouri team, 7-21, and romped easily over Denver, 48-2.

Detroit, the Valley's newest member, was highly touted in pre-season speculation but it has failed to live up to the praises. After whipping Tulsa, 20-14, the Motor City men were humbled by Villanova, 34-7, and San Francisco, 38-14. Detroit will try again against Marquette Saturday.

Tulsa has shown that it's not much stronger than last season. The Hurricane edged small McMurry College 27-26, then fell to Detroit, 20-14, Florida, 46-7, and Texas Tech, 15-0. Little hope is held for the "Big Wind" Friday night against unbeaten Villanova.

St. Louis has played only two games thus far, but its 48-6 victory over Northeast Missouri was overshadowed last week when it fell before the 62-7 onslaught of Marquette. The Bills are idle this week.

Bradley, which was Wichita's first league victim, will tangle with Washington and Jefferson Saturday night.

So, if scores mean anything, Wichita can cast its victory eye on such contests as South Dakota State, St. Louis, and perhaps Tulsa, Drake, and Detroit. As far as Nevada is concerned, after a crushing 47-6 defeat at the hands of College of Pacific, those Wolfpack fangs may be blunt enough. Let's go Shockers!

Students To View Shockers On Film

Films of the University of Wichita-Bradley football game were shown at the Lassen Hotel Tuesday noon to the downtown quarterbacks. The films were shown in slow motion and details of the game were pointed out by Jim Trimble, Shocker football coach.

According to Trimble, pictures of all the Shocker football games will be shown every Tuesday noon and pictures of the out-of-town games will be shown to students in the University Auditorium at 7:30 p. m. Tuesday evenings.

Shockers Down Hutch Dragons

The University of Wichita freshmen football team defeated the Hutchinson Junior College Blue Dragons 20 to 18 in a game played before an estimated record crowd of 4500 at the public school stadium in Hutchinson.

All scoring was in the first half. Hutchinson scored first when Shocker fullback Eli Romero's punt from his own end zone was blocked by Don Dunham, Dragon end, who recovered the ball on the three-yard line and stepped into the end zone.

Seven minutes later Hutchinson Halfback Gene Ackerman sprinted 17 yards for another touchdown and the Dragons took a 12 point lead.

After the Hutchinson kick-off the Shockers drove the length of the field in three plays, with halfback Herb Eddington scoring on a 25 yard run and Wayne Ubben kicked the extra point.

The Dragon's again took a commanding lead by the combined efforts of Wall and Ackerman who drove the length of the field on wide end sweeps.

The Shockers took the kick-off, with Corbin, Eddington and Romero alternating on running plays drove the ball to the Hutchinson 20 yard line. Eddington then scored his second touchdown by a run off tackle.

The winning touchdown was made after the Dragons again threatened, but lost the ball at the

Intamural 'Sports' Turn To Speedball

The second round of the tennis play-off for both singles and doubles will be completed by Oct. 18.

Speedball will be the next sport on the program and will start immediately after the conclusion of touch football.

Departmental organizations or individuals wishing to enter teams in the intramural program for speedball should contact either Bob Kirkpatrick or Tom O'Connor in Mr. Bidwell's office.

Tickets For Alumni Are Now Available

Tickets have been ordered for the University of Wichita-Tulsa football game to be played at Tulsa, Oct. 29.

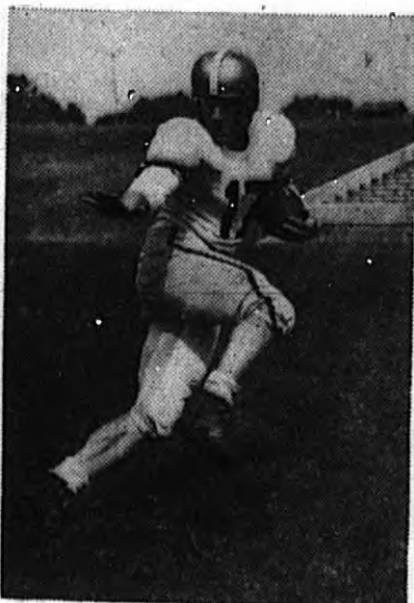

Some tickets will be available for alumni and friends of the University. Interested persons should watch the daily papers for details about the place and time of the sale of these tickets.

Wichita three yard line, the Shockers took over and after a series of plays scored on a pass from Baldon to Thomas, minutes before the half.

In the second half both teams gained yardage but neither was able to score.

Eddington and Romero were the

Slippery And Fast...

JIMMY NUTTER, SHOCKER HALFBACK, figured highly in the defeat of Bradley University, by accounting for much of the valuable yardage gained around the Bradley ends.

standouts in the Wichita backfield, with Eddington gaining 123 yards in 14 attempts and Romero rushing 113 yards in 16 attempts.

Wichita had the advantage in statistics, outgaining Hutchinson 296 yards to 230 yards. The Shockers piled up 14 first downs while the Dragons got 12.

The WSSF drive will begin Nov. 14. Back it!

Future Opponents Of Munies Lose

Six teams scheduled to meet the University football team this season played in games last Saturday. Five lost and one team was victorious.

Oklahoma A&M lost their game to Missouri University, 21 to 7.

Drake University and the University of South Dakota, two of the Shockers' future football foes, met Saturday. Drake emerged the victor by a score of 48 to 6.

The University of Tulsa lost their second game in two weeks to Texas Tech., 15 to 0.

St. Louis University, scheduled to play the Shockers Homecoming Day, lost to Marquette by a score of 62 to 7.

Detroit University, who will play at Veterans Field Thanksgiving Day, lost to the University of San Francisco, 38 to 14.

Miami University of Oxford, Ohio, who defeated the Shockers in their opening game, 23 to 6, lost to Xavier University, 19 to 27, Saturday.

Houston University, who defeated the University eleven, 26 to 6 at Houston Oct. 1, beat Southwestern Louisiana Institute, 28 to 7.

Frosh Eleven To See Action

U. Of W. To Play Host To Oklahoma Freshman

The University of Wichita freshman squad will play host tomorrow night to the Oklahoma A. & M. yearlings in Shocker Stadium at 8 p.m.

There were no serious injuries in the Hutchinson game and reports indicate that the cowboys are in full strength. Both teams should be in good condition for Friday night's tilt, according to Bob Carlson, freshman coach.

The Shockers have gone through a week of heavy practice and have

Placement Kicker...

FRESHMAN FULLBACK, WAYNE UBBEN, kicked the two conversions, that gave the Shocker freshman their small margin of victory against the Hutchinson Junior College eleven. His "educated toe" also figured highly in the 14-13 defeat of the Tulsa freshman, earlier in the season.

been working on passing and pass defense.

The starting line-up has not been released by Carlson, however, the top ground gainers, Herb Eddington, Eli Romero and Walt Corbin are again expected to pace the Shocker attack.

Also standing out in past games were Gerald Bowen, quarterback and top passer of the club, and Wayne Ubben fullback from Peabody, Kans., whose extra point kicking provided the winning margin of the freshmen's two previous wins, according to Carlson.

By virtue of the Aggie's past records the Shockers will enter the game as a slight underdog according to pre-game reports.

A capacity crowd is expected for the game and students will be admitted at the presentation of their activity tickets.

Shockers Win Over Bradley

The University of Wichita Shockers quelled a final period Bradley rally and downed the Braves 21 to 13 before 6,000 sweltering fans in Veterans Field Saturday.

After being scoreless in the first period, the Shockers scored in each of the remaining frames while Bradley tallied twice in the final stanza.

The Shocker offense, paced by Jimmy Nutter, Eddie Kriwiel, and Hap Houlik, gathered a net rushing total of 181 yards compared to Bradley's 144. Wichita also had a large edge on first downs, 16 to 8.

Kriwiel tallied first for the Shockers when he circled right end and dashed 26 yards to score. Milan Mraovich then kicked his first of three conversions for the

afternoon.

Midway in the third period Houlik intercepted a Bradley pass on the Bradley 46 and ran all the way to score. Again Mraovich's kick was good and the third period ended with the Shockers leading 14 to 0.

Jim Heiniger, Bradley's leading ground gainer for the day, broke loose to the Wichita 29 yard line, and three plays later drove over for the first Brave score. Bradley's attempt for the extra point was wide and the Shockers led, 14 to 6.

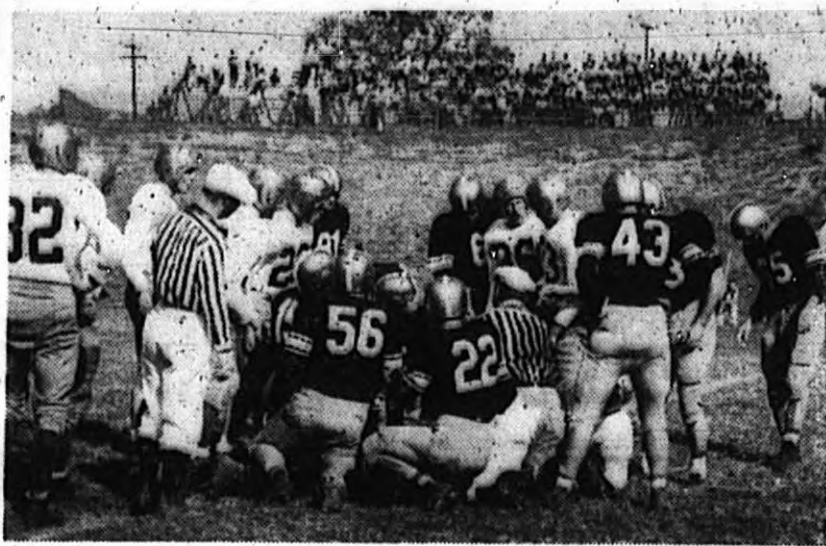

Nutter and Kriwiel engineered the ball to the Bradley 10 yard line where Mraovich passed to Houlik in the end zone for the final Shocker touchdown. Mraovich's kick made the score 21 to 6.

The Braves then took the kickoff and marched to the Wichita 16 yard line where Gib Carl passed to Bill Tuttle in the end zone. This time Stamps' kick was good and the score read 21 to 13.

The running score:

Wichita	0	7	7	7	21
Bradley	0	0	0	13	13

Who Has The Ball...

REFEREE AL HASKINS, and Umpire John Waldorf, are shown attempting to see who recovered the third period Bradley fumble, in Saturday's game, as a host of players look on.

Kerr Names Oct. 22 As Annual Band Day

High school musicians numbering 1100 will participate in the annual Band Day to be held Saturday, Oct. 22 during the South Dakota game, according to James Kerr, director of the University Band.

The various bands will perform at the half-time ceremonies. Also the University Band will play "Salute to the Flag," and "Music in the Air," while they spell, in formation, the words "Press," and "Music." In conclusion the band will play the national anthem.

About 20 bands and 75 twirlers will be present at Band Day. All Wichita high school bands have been invited to participate, Kerr said.

The WSSF drive will begin Nov. 14. Back it!
