Here Sunday...

WILLIAM MILLER, noted Chicago tenor, will appear as one of the soloists during a public concert Sunday at the Forum.

Choral Groups Will Perform

Harold A. Decker, head of the vocal music department of the University of Wichita, will conduct the 350 members of the Wichita Choral Society and the University of Wichita choral groups, Sunday, at a concert to be held at the Forum at 4 p.m. There will be no admission charge.

The performance is being given by these groups in co-operation with the Wichita Council of Churches.

Two Chicago stars of concert and radio will sing the principal solo roles. Bruce Foote, baritone, who will sing the title role, returns to Wichita for his second appearance with the Wichita Choral Society. William Miller, tenor, will sing in Wichita for the first time.

Other soloists, all Wichitans, include Mrs. Mary Wood Thompson, soprano; Miss Christa Fisher, contralto; and David Gunther, boy soprano. The North High School Girls' Choir, under the direction of Mrs. Todd Wolf, will sing the renowned angels' choir chorus, "Lift Thine Eyes."

Mendelssohn's famed, sacred oratorio, "Elijah," will be sung by the 350 members of the vocal groups.

An orchestra of nearly 40 persons, formed under the direction of Mrs. Beatrice Sanford Pease, will support the choral groups. Many of Wichita's leading orchestra personnel will take part.

"So You Want To Go To College?"

11 Students To Visit Schools

The University of Wichita is organizing several teams of students who will travel with Lester L. Rosen, director of the news bureau, to several high schools in the Wichita area to present a roundtable discussion on, "So You Want to Go to College."

Eleven out-of-town students have been selected to make up the teams which will appear before the senior classes of the various schools. The students selected include Lois Anderson, Della Bates, Joanne Cartmill, and Pat Quinn—Wellington; Ed King—Augusta; Donald Dean—Howard; Melvin R. Reser—Caldwell; Barbara Shirley and Darlene Reese—Winfield; Joy Breeze—Eldorado; Mary Ann Unruh—Newton; and Evelyn Brown—Cheney.

Mr. Rosen said that the purpose of the tours is to give high school seniors a clear understanding of what college life is like. The teams will discuss such important topics as costs, tuition, housing, and entertainment. Mr. Rosen added. Majors, minors, credit hours, the University counseling program, extra curricular activities, fraternities, and sororities will also be explained to the seniors.

Schools and departments within the University, the University athletic program, how to apply for admission and Freshman week will be included on the roundtable discussions. Two musical selections will be presented by members of the School of Music in addition to the 30-minute panel, Mr. Rosen announced.

Students making up the teams will meet in Room 153, Administration Building, tonight at 6:30 to make plans for the tours.

Schools and the dates to be visited are as follows: April 18—Augusta; 20—Cheney; May 8—Winfield; May 9—Planeview; May 10—Mulvane.

Science Group To Meet Here

Academy To Convene Today In Auditorium

The eighty-second annual meeting of the Kansas Academy of Science will bring more than 250 members to the University of Wichita campus today through Saturday. Dr. Clair A. Hannum, associate professor of zoology, is chairman of the committee for arrangements.

University of Wichita, Friends University, North and East High Schools are cooperating in the annual session of the science group. Registration of delegates will begin Friday morning in the Auditorium lobby.

Friday and Saturday sessions will feature separate science meetings in botany, chemistry, geology, physics and zoology.

President of the academy, Dr. Paul G. Murphy of Pittsburg, will preside at the general meetings, and Dr. Penrose S. Albright of the University is first vice president of the organization.

Highlighting Friday's evening meeting will be a tour of the Boeing airplane plant and an address by J. Earl Schaefer, vice president and general manager, on "The Immediate Necessity for an Adequate Air Force in Being."

The Science group will attend open house Friday from 4 to 6 p.m. at the Wichita Guidance Center.

Section chairman for the Friday and Saturday sessions include: Dr. C. C. McDonald, botany and bacteriology; B. L. Glendening, chemistry; Dr. J. R. Berg, geology and geography; J. A. Brownlee, junior academy; J. M. Michener, physical science teachers; Dr. T. F. Watson, physics; Dr. Robert C. Challman, psychology; and Dr. H. E. Crow, zoology.

April 19 Is Deadline To File For Gowns

All orders for senior caps and gowns as well as announcements must be taken by Wednesday, April 19. Mid-term graduates also must order by this date.

Orders will be taken for caps and gowns at the cashier's office, in the Administration Building, and announcements may be ordered on the first floor in the rotunda.

Scholarship Candidates Chosen; Plan Tour Of Aircraft Plant

Nineteen high school seniors in 10 Kansas cities were named as candidates for the University of Wichita's new Walter H. Beech scholarships in aeronautical engineering.

Two \$1,600 grants will be awarded by the University scholarship committee for a four-year education in aeronautical engineering. The scholarship was established last November when Mr. Beech, noted Wichita airplane manufacturer, gave an \$8,000 personal gift.

The 19 seniors will report to the Wichita campus on Friday, April 21, for competitive examinations and personal interviews which will

determine the two winners. Each recipient will receive \$400 for each of the four years in college.

The seniors will visit the Beech Aircraft corporation during the afternoon. There they will meet the scholarship donor, Walter H. Beech. Ted A. Wells, chief engineer at Beech, will speak to the candidates during their visit. Mr. and Mrs. Beech will also attend a noon luncheon on the campus with the group.

Candidates are Donald Rorabaugh, Smith Center; Joe Engle, Chapman; Charles Grable and George Gummig, Wathena; Joe Gault, Richmond; Dwayne Lahman and Leroy Ulrich, Quinter; Robert Landon and James Tanner, Russell; James Keeny, Sedan.

Aubrey Luper, Augusta; John Noblit, Kingman; Robert Alabratt, Wichita St. Mary's; Clark Beck, Charles Main, Ronald Stearman, and John Wall, Wichita East; and Carl Buck and Gerald Shutts, Wichita North.

Forum Speaker...

"WHY POLITICIANS Act The Way They Do In America and Europe," was the topic of the Student Forum address presented in the University Auditorium last night by Dwight Griswold, former Governor of Nebraska for three terms. Bob Langenwelter, president of the Student Forum Board, introduced Mr. Griswold.

Sunflower Receives \$250 Award In Nation-Wide Safety Contest

Bob Ames, editor-in-chief of The Sunflower, accepted a \$250 award, the second prize in a nation-wide safety contest, at a brief ceremony at the Commons Lounge, April 3, at 9 a. m.

The contest, which took place last semester, was sponsored by the Lumbermen's Mutual Casualty Company, with over 250 college weekly newspapers competing.

R. L. Hardaker, public relations representative of the Chicago firm, made the presentation after a brief address. Mr. Hardaker was introduced by Paul Gerhard, journalism instructor. Lieut. Bernard Clark, of the Wichita Police department gave a short talk.

The ceremony was attended by the Sunflower staff members, reporters, Dean Campbell and Mr. Gerhard, journalism instructors. The Sunflower began a safety campaign early in October, 1949, before its members had been informed of the nation-wide contest.

A reminder to the students to drive carefully was displayed on the campus Dec. 15, in the form of a demolished automobile body. The safety campaign was culminated with the publishing of a special safety edition in connection with the Christmas edition of the Sunflower.

A cartoon drawn by Harold Kemper, Sunflower cartoonist, drew considerable comment and praise from Mr. Hardaker.

First prize in the non-daily contest was won by the Ohio Wesleyan University's Transcript, of Delaware, Ohio.

Judges for the contest were Rep. Joseph W. Martin; Herman W. Steinkraus, United States Chamber of Commerce president; James T. Berryman, Washington Star cartoonist; George E. Allen, New York and Washington business executive, and Merle Thorpe, prominent publicist.

Features, editorials, news, and cartoons were submitted by Mike Miller, Joan Kallail, Joe Ludiker, Harold Landon, Warren Taylor, Rankin Griesinger, Joe McConkey, Jack Chegwidan, Jack Campbell, Harold Kemper, and Ames.

Defend Title Here - April 6 To 8

Debaters Win MV Tournament

The University of Wichita debate team successfully defended their first place title at the annual Missouri Valley Forensic tournament held on the Wichita Campus April 6, 7, and 8.

Bill Reynolds of the University of Wichita won second place in

the oratory contest, with the oration, "The Renaissance," dealing with political corruption.

The winning debate team consisted of Bill Tinscher and Merton Rymph, affirmative, undefeated in six straight debates. Bill Reynolds and Harry Hobson debated the negative winning 4 of 6 debates.

The University of Colorado took second in debate, winning 9 of 12 debates, with St. Louis University winning 8 of 12 for third place.

"Resolved That the Communist Party Should be Outlawed in the United States," was the topic debated at the tournament Friday. All debate contests were held in the Communications Building and the Women's Gymnasium.

First in oratory was William Arnold of the University of Arkansas, on the topic, "A Toast to the Winners."

Leslie M. Blake and Phillip Mohr, professors of speech at the University of Wichita directed the meet.

Debaters To Texas For National Meet

The University of Wichita debate team will participate in the National Invitational Tournament sponsored by Delta Sigma Rho, debate society of the University of Texas, at Austin, Texas Friday. Wichita is the defending champion of the tournament.

The topic to be debated is, "Resolved, that the member nations of the Atlantic Pact should now form a Federal Atlantic Union within the framework of the United Nations."

Approximately 20 universities, including several Missouri Valley schools, have entered the tournament.

Round about the Campus

By Joan Kallail

PROBABLY one of the happiest women on the campus, since the Phi Sig dance April 1, is the new "Sweater Girl," Betty Colliatie. She is the fourth to receive the honor and was presented with a bouquet of roses by the first Sweater Girl, Helen Carter Fitzwilliams, and was given a pin by Eileen Cerney, who was the second.

The 1950 Sweater Girl was introduced by the unveiling of a 5 foot by 4 foot portrait. Betty was presented by Hugh Frederick, president, and then the chapter sang its traditional "Sweetheart Song." To show her appreciation, Betty cried hard and long.

CAROLYN COBURN and Bill Hawes were a bit perturbed a couple of weeks ago when they were in Oklahoma and couldn't get out. They had been leisurely riding when they came to a river, with no bridge. After circling for about ten miles, they finally discovered the only bridge crossing in that area.

Sorosis pledges walked out with the Pi Alpha pledges and had a

"cultural" evening of fun at the Wichita School of Fine Arts last Monday. They kidnaped actives Gerry Hunter, Kitty Ann Curry, and Marian Robbins to help them have fun.

KAPPA RHO actives found their sorority house in a tornado-like condition when they arrived for the last meeting before Easter. The cause of it all was a playful pledge class who carefully turned everything topsy-turvy and walked out to go roller skating.

Della Bates Elected YWCA Councilwoman

Della Bates, sophomore, was one of six women elected to the Kansas district council at the recent Young Women's Christian Association conference in Manhattan. She will assist in planning all Kansas district YWCA activities for the following year.

At the convention, the University of Wichita had one of the largest delegations in attendance. University seniors Shirley Galatas, Kansas co-chairman, and Mary Ann Unruh, former district council member, attended the conference as members of the planning committee.

Fashion Show Here Friday

Miss Olive Berry, college fashion advisor for Simplicity Pattern Company, will present a fashion show styled for college women Friday, at 2:30 p.m., in the Women's Gymnasium. The models for the show will be university women, sponsored by the Home Economics Club.

The show, entitled "Spring Fashion Cruise," will feature clothing suitable to wear on a boat trip to the tropical seas but which also would fit into the life of the average college girl. These garments, 20 in all, have been made from Simplicity patterns. All University women have been invited to attend.

Students of Friends University, Sacred Heart College, North High School, East High School, and St. Mary's High School will attend.

Miss Berry, an authority on clothing construction, received training in home economics at Mount Allison Girls School in Canada and holds the bachelor of science degree from the Teachers College at Columbia University.

Students Will Hear Mrs. Savaiano Talk And Watch Movies

Mrs. Eugene Savaiano will speak and show movies about her life in Lima, Peru, in observance of Pan American Day at the Spanish Club meeting tonight at 7:30 in the Alpha Tau house.

Members of the Pan American Club have been invited to the meeting, according to Mrs. Dorothy Gardner, Spanish instructor and

director of the Spanish Club activities.

Dr. Eugene Savaiano, head of the Spanish department, will speak on "The Significance of Pan Americanism," at the annual Pan American Day meeting of the Wichita Pan American Club tomorrow, at the El Charro restaurant.

Farrell

"The Eternal Sacrifice," a moving picture portraying the Catholic Mass will be shown at the Farrell Club meeting next Wednesday evening at 7:45 p.m. at the Knights of Columbus Hall, 626 N. Broadway. Father Edward Pfirman, club chaplain, will narrate the film and has invited all University students to attend.

Kappa Delta Pi

Thomas M. Phillips and Donald R. Bull will give reports of the recent national Kappa Delta Pi convention tonight at 6 p.m. in the basement of Fiske Hall where a meeting of the University chapter of Kappa Delta Pi will be held.

Second semester pledge class will provide the entertainment for the evening.

Phi Mu

A regular meeting of the honor. ary music fraternity will be held Monday at 7:30 p.m. in the basement of Fiske Hall.

International Relations

A member of the present Czechoslovakian underground, Mr. G. Prochazka, will speak to the International Relations Club today at the Sorosis sorority house at 7:30 p.m.

Phi Sig Men Stage Musical

"Show Business," a musical production featuring entertainment, will be presented Wednesday, in the Wichita High School East Auditorium.

The stage production will be presented by the Phi Upsilon Sigma fraternity with Dick Haughton directing the performance.

A 20-man chorus will present several modernistic interpretations of late hit tunes and will furnish background music for some of the most unusual lighting effects ever used in this section of the country.

The Phi Sig Four, popular college quartette, will offer their versions of several barbershop melodies in addition to late hit tunes, set in old-style harmony fashion. "Show Business" will vary its musical mood with the comedy of Jerry Sheets and his crew of comedians.

Tickets for the production may be purchased at Henry's, from any member of Phi Sig fraternity, or at the door on the night of the show.

Faculty To Fete Neff At Dinner

Dean Frank A. Neff, retiring head of the department of economics, will be honored at a dinner Saturday night at 6:15, in the Alibi Room.

Dean Neff, who retires the first of July, will be feted by the combined faculties of the accounting, economics, and secretarial training departments.

Special guests will be President and Mrs. Harry F. Corbin, Mrs. Frank Neff, and Miss Ann Neff. The toastmaster for the evening will be Robert Baird, economics instructor.

Others taking part in the program will be Dean Grace Wilkie, department of home economics; William Crum, head of the department of accounting; and Professor S. W. Wright, retired instructor.

Dean Neff was also presented an honorary life membership in the Accounting Club Tuesday evening by Dale Shelley, president of the club. Shelley made the presentation and cited Dean Neff for his service to the department and his interest and help to students in the business college.

E. Leon Watkins, Vincent Moore and Douglas Shay, alumni of the business college, also spoke in honor of Dean Neff during the meeting.

The University Alma Mater May Be Recorded By Morgan

"We are going to make an album of collegiate records, and it is possible that we may use the University of Wichita 'Alma Mater,' in the collection." These were the words of Russ Morgan, famous band leader and recording artist, in an interview with Bill Veidt and Gene Torline of KMWU, student operated radio station, at the New Moon, Saturday night.

The occasion was the only appearance of Morgan and his dance band in Wichita this year. In the interview, he told Veidt that the band would record school songs of the largest and best known universities and colleges.

"Mr. Morgan asked me if I thought the University was an important school. When I said yes, he asked me to send him a post card reminding him of our conversation," said Bill Veidt, program director of KMWU.

"It might be a good idea for the members of the student body to write to him expressing the hope that he will record our 'Alma Mater'; the more letters he receives, the better chance we have of getting the song published. Interested students may write to Russ Morgan in care of the Capitol Theatre, New York City," Veidt said.

Professor Harold A. Decker, head of the department of choral music, has volunteered the services of the University a cappella

choir to make a recording of the song, to be sent to Mr. Morgan. Prof. Decker wrote a special arrangement of the music which can be used. "We'll be glad to make a record of the school song," Professor Decker said.

The music to the "Alma Mater" was written by Thurlow Lieurance, dean emeritus of the College of Fine Arts, and the words were written by W. H. Miksell.

Scholarship Tea Planned April 16

A Scholarship Tea will be held in the Pi Kappa Psi sorority house, Sunday at 3 p.m., in honor of women of the sophomore class who have maintained a grade average of 1.75. It will be sponsored by the University Honor Women Society.

Kemper Fails To Alter Rule

Harold Kemper, a former member of the Student Council, told the Council at their last meeting that they should seek to divorce the May Day Queen elections from coalition politics by reducing the number of petitioners for each queen candidate from 75 signers to 25.

It was his belief that the reduction of petitioners would allow more candidates to compete for the honor of May Queen, and so the advantages of the coalition powers on the campus would be weakened.

Council members answered Kemper by declaring that they felt that 75 signers were needed for each aspirant to show that the candidate was truly backed by a group of the student body.

The Student Council decided that the petitions for each May Queen candidate must be in by Tuesday, with 75 signers on each petition. The election for Queen will take place Friday, April 21.

President's Wife Confined To House

Mrs. Harry F. Corbin, wife of the president of the University, is sticking pretty close to home these days.

It seems that she has been afflicted with a "common childhood disease", known as the mumps. To make matters worse, none of the three Corbin children have had the mumps, yet.

Upon consultation with his mother, President Corbin asserted, "She says that I have had them on both sides. I hope she is right. I have a convention to attend in Chicago next week and it would be rather difficult if I were to catch the mumps at this time."

Munie Relays Begin Friday

State's Top Class AA High Schools Will Meet

Top Class AA High School thin-clads will compete in the fifth annual University of Wichita Relays Friday, at Old Shocker Stadium. The preliminaries will begin promptly at 1:00 p.m., and the finals will be run at 2:15 p.m.

The annual classic will see 10 of the state's best high school track squads in action. According to Track Coach Ab Bidwell, two high schools have not yet answered their invitation to compete in the meet.

Since the annual meet was inaugurated in 1945, Wichita schools have captured the bulk of the meet records. Wichita East holds meet records in the high hurdles, one mile run, 880-yard relay, low hurdles, 220-yard dash and the medley relay. North remains unchallenged in the javelin throw, 100-yard dash, 440-yard dash and shares honors with East in the 220-yard dash.

According to Coach Bidwell, high school mentors from all over the state regard this meet as one of the best track classics held during the season.

High schools which will compete Friday are: McPherson, Salina, Great Bend, Hutchinson, Emporia, Winfield, Wichita East, Wichita North, Dodge City and St. Mary's Cathedral.

Shockers Open Missouri Valley Baseball Year At Tulsa Friday

The University of Wichita and Tulsa University will touch off the Missouri Valley Conference baseball race this week-end with Friday and Saturday games at Harwell Field in Tulsa.

The Saturday meeting of the two squads will serve as a preliminary to the Tulsa Oilers-Dallas Eagles Texas League tilt.

The Shockers have dropped all of their contests so far this season, two to Oklahoma Baptist and one each to Emporia State and Southwestern Oklahoma. Tulsa has won one out of four, losing two to Kansas State and splitting a double-header with Phillips University of Enid.

Head Baseball Coach Ken Gunning has not named the starting lineup for Friday's contest, but said that John Friedersdorf will probably be the starting hurler for the Shockers.

The Missouri Valley conference is divided into two sections for baseball, the Western and Eastern division. The conference diamond men will compete only in their respective divisions until the final play-offs, at which time the champions of each division will clash for the Valley honors.

Shockers Attend Pittsburg Meet

Shocker track men left early today to compete in a dual meet with the Pittsburg State Teachers' College at Pittsburg.

Last week the Shockers won third place in the Emporia State Relays at Emporia. Emporia State won the meet and Ft. Hays took second.

At Emporia, the Shocker's only first was claimed by Ira Barkman who put the shot 47 feet 9 inches. Cindermen grabbed second places in the javelin, broad jump and the 880 yard relay events.

The javelin crew was composed of Walt Byfield, Jimmy Nutter, Jack Childers, and Jack Skelton.

Included in the broad jump team were Nutter, Childers, Sam Evans, and Wes Hodge.

Running on the 880 yard relay team were Hodge, Ervin Work, Jack Nichols, and Nutter.

The Shockers also took third in the pole vault and 480 yard shuttle hurdle relay; and fourth in the discus, high jump and the 440 yard relay events.

Hodge Has Battled For Regular Berth With Munie Varsity

"The tackle was made by Hodge." Loudspeakers at Veterans' Field echoed this announcement many times during the University's 1949 football season, as Wesley Hodge battled his way into the number one right end position on the Shocker squad.

Sport-Shocks

By Jack Campbell

The Shocker baseball nine will be a party to a mighty sharp plan Saturday night, when they meet Tulsa University in the Tulsa Oilers' Texas League baseball park.

The college game will precede a regular Texas League pro contest, pitting the Tulsa Oilers' defending loop champions, against the Dallas Eagles. The same admission price as a single game will prevail for the attraction.

A doubleheader of this fashion not only presents college baseball to fans who normally don't get a chance to see it, but it enables the school, through the co-op arrangement, to make a little more money than it ordinarily would.

This will be the fourth year that TU and the Oiler baseball organization are cooperating to stage the novel twin-bill. Hurricane athletic director, Ed Morris, and Oiler president, Grayle Howlett believe it stimulates student and public interest in both ball clubs.

That latter reason sounds like a natural for Wichita, doesn't it? With Western League pro ball starting up again plus the fact that the Shocker nine needs an audible and financial boost, why couldn't such a co-op be arranged between the Shockers and the Wichita Indians next year, if not this spring?

Dates don't conflict this spring since Colorado Springs will be in Lawrence Stadium April 21 and 22, the same days that the Oklahoma Aggies visit the Munies.

The Tulsa plan of having a separate section for students, who are admitted by activity tickets, and having the University band uphold pep enthusiasm, has also proved successful. Therefore, Wichita could profit by its rival's whole experiment. Anything that would stimulate interest in college and pro ball in Wichita this year would be welcomed by both parties concerned.

Shockers Face Aggies, Spartans

Shocker baseball and track teams are busy preparing for meets next week.

The track squad entertains Oklahoma A and M Tuesday in a dual meet with both freshman and varsity squads competing. The meet will start at 2:30 p.m. in old Shocker Stadium.

Monday the baseball crew travels to Emporia to play the Spartans in a return game. The Emporia State nine won an earlier game with the Shockers 15 to 12.

The following baseball roster was released by Coach Ken Gunning this week. Members are Jerry Breth, Vince Norman, Ed Houlik, Mike Halabura, Bob Lewis, Bob Douglas, Hank Hemingway, John Friedersdorf, Dick Sutphin, Ross Bartholomew, Jim Barnhouse, Erwin Knocke, John Baker, Quincy Utter, Deb Saunders, Bud Fanning, and Joe Knapic.

Hodge Has Battled

(Continued from Page 6)

with Oklahoma A and M last season, he is now listed as a leading candidate for an end position on the 1950 Shocker "T" team.

Hodge's prowess, however, is not limited to the gridiron. Although held down by spring football practice at the beginning of the year, he has managed to hold a strong position in the plans of track mentor Ab Bidwell. In a recent dual with Emporia State, held at Old Shocker Stadium, Hodge gained individual high point honors for the Munies, garnering 11 points.

Billed as a "defense artist" in the advance notices issued by the University's football coaching staff, Hodge has given good promise of becoming one of the "greats" in the annals of Shocker history.

Spring Drills Close With Game Friday

Shocker football fans will have their last preview of next year's pigskin manipulators Friday at 7:30 p.m. in old Shocker Stadium, according to Bob Glazier, University sports publicity director. The game will mark the close of spring football practice.

Coach Jim Trimble has divided the squad into two teams, the K and K, co-captained by Mike Knopick and Eddie Kriwel, and the O and H, co-captained by Aggie Oleksak and Bob Harclerode.

The probable starting lineups have not been announced, according to Glazier.

Okla Aggies Win Southern Relays

Oklahoma A and M took four first places to win the third annual Southern Relays at Birmingham, Ala., April 8. The Aggies beat a field of 28 colleges and universities.

Yale University, which placed second, took most of the record-breaking honors for the afternoon. Other point-winners included Illinois with one first and four seconds, Arkansas, Louisiana State, Tulane, Pennsylvania, and Alabama.

Nine Southern Relay records were broken. Yale's Jim Fuchs set a new record for the shot put with a heave of 57 feet, 6 1/4 inches. Vic by LSU.

Frank of Yale won the discus throw with his 170-foot-3-inch toss, which was another record.

Harmon Beauchamps of Alabama bettered the javelin mark by 25 feet with a 204-foot-7-inch throw.

Other records broken were the distance medley relay by Michigan, the high jump by Elmo Adams of Arkansas, and the half-mile relay

Intramurals Move Outdoors Today

The University's 1950 intramural program moved into its outdoor session yesterday as play began in softball. Eight teams have been entered in league competition.

This afternoon Pi Alph will play the Men of Webster at 2 o'clock, and Farrell Club will meet the Zoomers at 4 o'clock. Both games are to be played on diamonds located north of the campus.

The Men of Webster captured seven of the eight first-place honors in the intramural wrestling tournament, to take top honors in mat competition. They succeeded in winning all but the 121 pound division.

The wrestling tournament ended indoor competition until fall. Golf, track, and tennis are scheduled to begin soon, and these outdoor sports will hold the spotlight until the close of the semester.
