Sipple Retires In September

Concludes 21 Years At
University of Wichita

Dean Leslie B. Sipple, head of the College of Education and summer school director, will retire at the end of the 1950 summer session after 21 years at the University, it was announced by Pres. Harry F. Corbin last week.

Dean Sipple will reach the set faculty retirement age of 70 in September. "We are very grateful to Dean Sipple for his outstanding contribution to our teacher training program," President Corbin said. "He has won recognition throughout the state and the entire middlewest as a leader in his field. We will miss his steady counsel and his friendly and helpful way of meeting every problem," President Corbin added.

The retiring dean also headed the bureau of recommendations which handles teacher placement at the University. Dean Sipple has been asked to aid the University next fall by visiting University alumni at their teaching posts in Kansas.

Taught At Every Level

He has taught at every educational level including grade, intermediate, high school, college, and university.

"The last 30 years of my life have been devoted to the education of teachers, and I believe that for extending one's influence there is no equal to education," Dean Sipple said.

"If the world's problems are to be solved, they will be solved through intelligent Christian education," he added.

Before coming to the University in 1929, Dean Sipple held teaching positions at Kirksville, Mo., State Teachers College; Kearney, Neb., State Teachers College; and South Dakota Northern State College at Aberdeen.

In speaking of his career, Dean Sipple said, "I've had wonderful cooperation from the education department and the faculty which has enabled us to have what success we have had."

To Leave State

Dean and Mrs. Sipple plan to move to a small ranch in the Ozarks located east of Springfield, Mo.

A native of Mexico, Mo., the Dean holds the master's degree from Columbia University, two bachelor's degrees from Kirksville, Mo., State Teacher college, and an honorary doctorate from Southwestern College. In addition, he has studied at the University of California and the University of Nebraska.

Dean and Mrs. Sipple reside at 3223 East First. They have a daughter, Mrs. Lee Hunt, who is reference librarian at Columbia University, and a son Max, who is comptroller for a manufacturing concern at Aurora, Ill.

\$3,200 Fire Guts Varsity

A fire at the Varsity Grill, 3317 East Seventeenth, which District Fire Chief D. G. Brown believes might have been started by a match or cigarette tossed by burglars, burned through the roof shortly after 5 Sunday morning.

When firemen arrived the interior was filled with flames which cracked mirrors and plate glass windows.

Chief Brown said that the fire evidently had been burning for at least an hour and he estimated a loss of \$3,200, including contents.

The fire probably started in a box of used napkins near the water heater, Chief Brown said. He plans to investigate further.

Thieves Enter Two Buildings

Approximately \$100 worth of damage resulted when the Armory and Engineer Buildings were broken into Sunday, according to John Gaddis, superintendent of buildings and grounds.

The Armory was entered through a window, sometime between 10 a. m. and 1 p. m. Vending machines were forced open and the money and merchandise taken. The vandals also broke a large mirror valued at \$25. However, no government property was damaged. There was light damage in the engineering building.

"Students and any other person connected with the University could help stop this breaking into the buildings, if they would call the police department when they see a suspicious person on the campus," Mr. Gaddis stated.

Tuition Increase Is Proposed

Noted Artist Board Of Regents Hear Plans Resigns Sept. 1 To Increase Student Rates

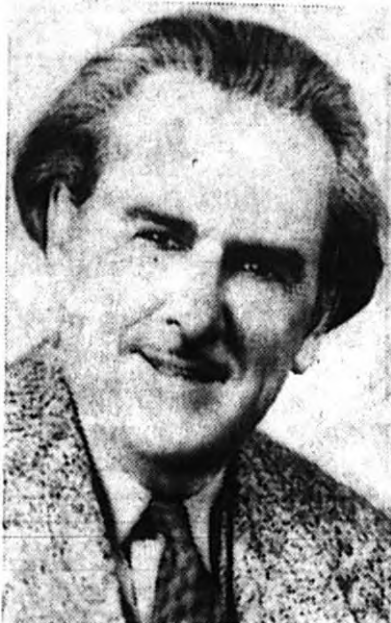

Resignation of Prof. Clayton H. Staples, head of the art department at the University of Wichita since 1930, was announced Saturday by Pres. Harry F. Corbin.

Staples' resignation becomes effective Sept. 1, President Corbin said. The University art department head has been on a year's leave of absence during the current school year. Professor Staples is leaving the school to devote all of his time to painting.

"We are sorry to receive the resignation of Mr. Staples," President Corbin commented. "He has been instrumental in giving the University of Wichita considerable recognition in the field of art," he added.

Professor and Mrs. Staples will move to their home and studio at Cucharo, Colo., where he has es-

established an art school which operates during the summer for a six-week period. He also plans to do some painting in old Mexico next winter.

The noted artist has concentrated on landscape work in watercolors and oil. He has also done portraiture and lithography. His paintings are to be found in approximately 150 private collections. Professor Staples has studied and painted in many foreign countries including England, France, Belgium, Spain, Algeria, Tunisia, Tripolitania, Egypt, Greece, and Italy.

Professor Staples, a native of Osceola, Wis., is a graduate of the Chicago Art Institute and has held numerous teaching posts. He is a member of the Rotary Club, University Club, and the American Watercolor Society. He has also worked with the Wichita Art Association.

Group Approves Budget Including Pay Raises And Appoints New Head Of Education School

A proposal to increase student tuition to \$100 a semester was discussed, and Dr. Jackson O. Powell, University of Kansas, was appointed to replace Dean Leslie B. Sipple as head of the College of Education, at an executive meeting of the Board of Regents, Monday afternoon, at the Lassen Hotel.

Increased Tuition

The increase of \$16.50 a semester was proposed by Pres. Harry F. Corbin as a possibility to take care of the record-high budget of \$1,175,573, which was submitted by his office for 1950-51.

Increased charges for tuition and fees, President Corbin said, appeared the only means of financing the proposed budget, which exceeds the current \$1,111,430 budget by \$64,107, because the new schedule also contemplates levying the statutory maximum tax levy.

President Corbin pointed out that a recent survey of the tuition and fee systems of ten municipal universities showed the University second from the bottom, and that the proposed raise would place it "in the middle group."

Higher Salaries

The regents approved the expenditure of \$803,561 for salaries in the new budget, a raise of \$46,279 over the current year.

Provided in the new pay allotment, approved last week by the ways and means committee, is a \$2,500 increase to \$10,000 annually for President Corbin, who received \$7,500, this year.

Also approved was some \$9,000 in merit raises for present members of the teaching staff. The rest of the increase provides largely for additional administrative and custodial personnel to care for the University's expanding plant.

New Faculty Member

Dr. Powell, 30, has been assistant professor of education at the University of Kansas for the past year.

He received his degree from Syracuse University, and has been a visiting professor at the University of Arkansas. He served in the army during the war as a captain engaged in personnel work.

Pi Alpha, Sigma Leave Party

Two members of the Shocker Coalition, Sorosis' sorority and Pi Alpha Pi fraternity, have withdrawn from the coalition, it was announced this week. Sorosis has "pulled out" of campus politics temporarily while Pi Alpha Pi has joined the University Coalition.

"Sorosis has quit campus politics and has no immediate plans other than that everyone is voting independently in the coming Student Council elections," said Barbara Mendell, Sigma spokesman.

"Pi Alpha Pi is attempting to better the situation of student government on the campus," said Hugh Livingston, vice-president of the fraternity.

Summer Schedules Are Available Now

Schedules of courses for the 1950 summer session at the University of Wichita are now available in the office of the Dean of Education.

This schedule is for the eight week term from June 12 to Aug. 4 only.

A survey of student preference will be made during the first session to determine courses to be offered in the four week session from Aug. 7 to Sept. 1.

Honor Group Picks Six Women; Phi Sig, Pi Kap Win Hippodrome

Six University of Wichita junior women were admitted to the 1950-51 Women's Honor Group May Day, in ceremonies conducted by Marjorie Van Camp, May Day Queen.

Elected were Lois Anderson, unaffiliate; Jane Barclay, Sorosis; Patricia Cuplin, Independent Students Association; Thelma Graber, Pi Kappa Psi; Mary Ann Reed, Alpha Tau Sigma; Hazel Shanklin, unaffiliate. Miss Anderson is from Wellington and the others are Wichitans.

Members of last year's honor group tapped the six women before an audience of over 1,600 people. They were presented corsages and honor pins by Miss Van Camp. Qualifications for this group are based upon scholastic standing, character, and leadership in campus activities.

Winners of the Hippodrome skits held earlier in the day and repeated Saturday night for the benefit of the Institute of Logopedics, included Phi Upsilon Sigma, first; Men of Webster, second; Alpha Gamma Gamma, third; in the men's division. Those winning in the women's division were: Pi Kappa Psi, first; Alpha Tau Sigma, second; and Sorosis, third.

In the convocation preceding the Hippodrome skits, tryouts and election of cheerleaders was held. Three men and three women were

picked by the student body to lead them in cheers next year. Bill "Buster" Lassen, Men of Webster; Farris Farha, Alpha Gamma Gamma; and Bill Hornish, Phi Upsilon Sigma won the election for the men cheerleaders. Women cheerleaders are: Ann Dunham, Carol Landis, and Susie Lovelace, all of Sorosis sorority.

and about the Campus

By M. M. "Loreli" Miller

THIS WEEK'S NOMINEE for the "Orchid of the Week" — To the little man wearing the Dewey button who sat on the eighty-first row in the Auditorium during the Hippodrome Review. He applauded three different times during the evening which set an undisputed high over the other people attending.

Congratulations, though, to the cast of the skits who carried on despite the deafening silence.

PEEK-A-BOO, I'm pinned to you. Mary Lou "Skeeter" Cox and Bill Scofield were pinned May Day and another Sorosis, Mary Jo Bush and former Webster Dick Wood were pinned at KU, Saturday.

The Phi Sig Four traveled to Topeka, Saturday, to compete with 25 other quartets in a regional barbershop quartet contest. Result of the trip was seventh place rating.

WITH HIPPODROME out of the way, walkouts once again are right in style. Monday, the Delta Omega and Pi Alpha pledges "excused" themselves from meetings and held a picnic at Elkhorn Lodge.

Webster pledges were hosts to a Pi Kap walkout and an Alpha Tau pledge kidnaping Monday evening which ended up at Ken's Club.

CAMPUS GROUPS will honor their mothers, Sunday, when Kappa Rho, Pi Kap, Alpha Tau, Delta Omega, Sorosis, Phi Sig, Pi Alpha, Alpha Pi Alpha, and Alpha Gam hold Mother's Day teas in their respective sorority and fraternity houses. Men of Webster held it's annual spring open house and tea Sunday.

Annual Ball Planned By Scout Fraternity

Alpha Phi Omega, national boy scout fraternity, will sponsor a Senior Scout dance tomorrow night from 9 to 12 in the Alibi Room of the Commons Building.

Melvin Stone's band will play for the semi-formal dance, which is an annual affair. Senior scouts from eleven counties will attend. Carl Hishew is in charge of the preparations.

Picnic Will Be Given For Accounting Club

Baseball, horseshoes, sunbathing, and food will be featured at the annual Accounting Club picnic to be held May 21, at 2:30 p.m. The picnic will be at the Salvation Army camp grounds on the Little Arkansas River, north of Wichita.

The picnic is open to members and alumni only, together with their guests. Members are asked to bring buns and wieners. Dean W. Krueger is in charge of all arrangements.

Wheaties will hold election of officers this afternoon at 4 p.m. in the Science Building.

In a recent program at Hutchinson Reformatory, the School of Music's Varsity Quartet dedicated a number to the inmates. The number? — "I Surrender Dear!"

Decker Conducts Choral Singers

Prof. Harold A. Decker, head of the department of choral music, will conduct a 1,000 voice choral group at the Southwestern Illinois State Choral Festival, Wood River, Ill., tonight.

The group will feature, "Go Down, Death," a spiritual which Professor Decker arranged for choral groups.

Music Group Installs New Officers Sunday

Thelma Graber was installed as next year's president of Mu Phi Epsilon, national music sorority, at a tea in the Commons Lounge last Sunday.

Other officers were Darlene Reece, vice-president; Bonnie Molz, recording secretary; Margaret Fownall, corresponding secretary; and Nancy Lehman, treasurer.

Guests at the tea were members of the Alumnae Chapter and patrons.

Quest Club Presents Operetta May 12-13

"H. M. S. Pinafore," an operetta, will be presented May 12 and 13 in the Recreation Room of the First Presbyterian Church, 525 N. Broadway by members of the Quest Club.

The Quest Club is a local organization of college and high school students and young business people belonging to the First Presbyterian Church.

Graduate Accepts Teaching Position

Robert Minser, who graduates this spring, has been appointed by the Board of Regents as a voice teacher in the music department.

Minser is a member of Phi Mu Alpha Sinfonia, national honorary music fraternity, National Collegiate Players, student director of the University Opera Workshop, and soloist for the First Presbyterian Church.

Program Planned For Spanish Club

The Spanish Club will hold its last meeting of the year at El Charro Cafe at 7 this evening. After the dinner, an election of officers will take place, and a program of entertainment given.

Officers for this year are Howard Current, president; Jean Wathan, vice-president; and Pamela Galvan, secretary-treasurer.

The meeting is open to the public.

Farewell To Four...

The University will have lost four valuable staff members by the end of the 1950 summer school sessions.

Prof. C. C. Harbison, speech and oratory coach, is resigning because of ill health, after 37 years on the University faculty.

Prof. Clayton H. Staples, head of the art department, is resigning to devote all of his time to painting, after 20 years of University service.

Dean Frank A. Neff, head of the College of Business Administration will retire after 39 years at the University.

Dean Leslie B. Sipple, head of the College of Education and summer school director, will retire at the end of the 1950 summer session after 21 years on the University faculty.

These men have devoted segments of their professional life to the University. They have contributed materially to the school's growth and development—adding, each in his own field, to the school's scholarship. All have made generous contributions in the realm of general education.

To these educators, sincerely said and said again, "Hail and farewell."

Shakespeare!

'Macbeth' Continues To Receive Praises For Recent Showing

By Bobbie Campbell

Despite the two weeks lapse of time since the University Players presented William Shakespeare's immortal "Macbeth" before three highly receptive audiences, the campus talk still buzzes with compliments for George Wilner, and his outstanding cast.

Continued applause goes to Professor Wilner, who stepped into the leading comic role of "Macbeth" and played the drunken gate keeper, with all the poise and perfection of a long time trouper.

Jim Stearns, as Macbeth, provided interesting effects through unusual stances, modern staging, and a really mature handling of the difficult role. Helen Christy, as Lady Macbeth gave her usual outstanding performance, probably best of her University career.

Costumes were elaborate and beautiful, even though many were improvised out of drapes from the Commons Lounge. Under the able supervision of Stearns, costumes took on the air of the age, as though they were really made of gold and silver.

Cary Daniels, who has ably handled lighting and staging effects during the absence of Gene Spangler, technical director, is to be complimented for a fine job. With the exception of a few too brilliant spots, the lighting effects seemed to be more impressive than any of Daniel's previous jobs. Dependable Mary Jabara cannot be praised too highly for her untiring efforts backstage.

Dr. Snell Says, 'Cold War Here To Stay'
Russian Aim Is To Discredit U.S. In Europe

By Joe Rockford

"The cold war is with us to stay, and only a shooting war can end it," said Dr. John Snell, assistant professor of history, in an interview, Friday. The history professor went on to add that it is an illusion to hope for 'better' relations between western capitalism and the United Soviet Socialist Republics, now or in the future.

Student Feels DO Skit Underestimated

Dear Editor:

I believe that a grave mistake was made on this campus last Friday in the judging of the Hippodrome skits. I was shocked when I found out that the Delta Omega sorority did not even place.

I had them picked for first place and many other people on the campus who had no connection with the sorority felt as I did.

As the audience was leaving the auditorium, practically everybody was praising the D. O. skit. It seems strange that in spite of this praise that skit didn't even place.

I would like to see the judges answer this letter in your column, based upon the points set down by our student council.

First among the awards is the \$100 Gouldner prize, donated by Mrs. R. N. Gouldner. This award will be given to the outstanding journalism senior.

Matrix, women's honorary journalism society, will give an award to the outstanding freshman woman journalism student. The outstanding male freshman journalism student will receive an award from Colophon, men's honorary journalism society.

Staff positions to be announced will include editor-in-chief, managing editor, desk editor, society editor, sport editor, photo editor, business manager, and assistant business manager for the Sunflower. Positions for the Parnassus will include editor and business manager.

Sunflower Overlooks Macbeth Production

Dear Editor:

In the last issue of the Sunflower there appeared an article about a mystery play which was given twenty-three years ago. Yet for the major production of the year Macbeth not a single comment appeared.

Perhaps it was an oversight and yet a major football game is never overlooked. A play by play description, always appears in the Sunflower as it by all means should but a major production of the drama department at least deserves a review.

Nearly a thousand hours went into the total production of Macbeth. The sets and costumes were originally designed by a university student and were voluntarily executed by university students. These facts were overlooked by your reporters and staff.

It seems that a reporter was assigned the story or review and went to Mr. Wilner to obtain information as to the success of the show. This reporter had not even felt it important to see the production and went to the director of the play and asked him to criticize his own production. Because Mr. Wilner was backstage playing a minor part he felt he could not criticize the play as seen by the audience. He then referred the Sunflower reporter to Dr. Marsh who had seen Macbeth. This reporter never saw Dr. Marsh for a review.

Student Disagrees; 'May Be Commie'

Dear Editor:

In last week's Sunflower, an article appeared on the subject of the charges of Communism in the State

Department made by Senator McCarthy. The individuals who were interviewed for the article were shocked to think anyone would accuse the administration of having Communists in it.

I would like to call your attention to one fact, which is that the same persons who are defending Owen Lattimore also defended Alger Hiss. Today Alger Hiss is in prison, convicted by a jury in the state of New York. Mr. Hiss denied being a Communist. A jury decided he lied.

It is entirely possible that when all the smoke has cleared away that Mr. Lattimore, like Mr. Hiss, will be convicted of perjury.

U of W Band Plans Concert

A twilight band concert, conducted by senior students, will be presented on the steps of the Library Building, May 16, at 6:45 p.m.

This will be the last concert presented by the University of Wichita Band this year, but a concert by the Varsity Band has been scheduled for later in the semester, according to James Kerr, associate professor of music. "We hope to present several twilight concerts this summer," Mr. Kerr said.

The program includes: "The Black Horse Troop March," by Sousa, conducted by James Kerr; "Victory Tide," by Sousa, conducted by Charles Baker; "Symphony in B Flat," by Fauchet, conducted by Norman Lanning; "Two Marches," by Milhaud, conducted by Eliel Dye; "The World Is Waiting for the Sunrise," by Seitz-Alford, conducted by John Hensley; and "Polonaise," by Rimsky-Korsakov, conducted by James Criswell.

In case of rain or high wind, the concert will not be held, Mr. Kerr said.

Experimental Group Will Produce Drama

An Experimental Theatre production, "A Highland Fling," by Margaret Curcis, will be presented at the Unitarian Church, Central and Topeka, May 10-13, at 8:30 p.m.

Mrs. Mary Jane Woodard, University instructor in speech and drama, is director of the play and James Stearns, acting technical director and designer, is costume director.

Ticket price for students is 75 cents. Regular admission price is \$1.

University English Teacher Plans Fifty Day Tour Of Europe

The "Passion Play" in Oberammergau, Bavaria, and the Holy Year Tour of Italy, will climax a 50-day tour of seven European countries, for Miss Geraldine Allbritten, English instructor at the University. Miss Allbritten plans to travel to Cherbourg, France on the Queen Mary, which will sail June 8 from New York.

The Passion Play will be given for the first time in 16 years. It was canceled in 1940 because of the war. It has been presented every ten years since 1634. The Play begins at 8 a.m. and lasts until 6 p.m.

Some of the countries Miss Allbritten plans to visit are: France, Austria, Holland, Switzerland, and England.

Student To Attend Citizenship Seminar

Della Bates, College of Education sophomore, is one of 100 college students selected to participate in the yearly Washington Citizenship Seminar to be held from June 28 to Sept. 1.

The seminar, sponsored by the federal government and supervised by the national student Young Men's Christian Association and Young Women's Christian Association, is designed to acquaint college students with the processes of federal government.

Miss Bates will be assigned clerical work in the office of Edward Barrett, assistant secretary of state for public affairs.

Alumni Dinner Open To Wives

Seniors interested in bringing their wives or husbands to the Alumni Banquet June 3 in Shock-Stadium, may purchase guest tickets at the time they turn in their own coupon to the Alumni office, according to Miss Beulah Mullen, Alumni secretary.

Guest tickets for the banquet are \$1.65. Seniors may exchange the coupon which they received when they paid their graduation fee for a banquet ticket.

Following the activities at the stadium a dance will be held at the New Moon, where a section for the University of Wichita Alumni will be reserved. Tickets may be obtained in the Alumni office which may be exchanged at the New Moon with \$.94 for an admission ticket, according to Miss Mullen.

Engineering Students Elect Club Officers

The University student chapter of the American Institute of Industrial Engineers, one of the newest organizations on the campus, has elected officers for next year. They are Bill Cochran, president; Jack Anderson, vice-president; and Clyde Krug, secretary. Sponsor of the chapter is Associate Professor Lawrence H. Hall, head of the industrial engineering department.

Appointed by the executive council were Henry D. Bogardus, chairman of the membership committee, and Richard Holloway, chairman of the publicity committee.

ROTC Equipment Should Be Returned

All air and military science cadets may turn in their uniforms, books, and equipment any week day at the supply room, according to Col. Donald T. Beeler, professor of military science and tactics.

The equipment must be in the supply room before the final examinations begin.

Colonel Beeler stated that only those seniors receiving commissions may keep their uniforms.

Shockers Face Southwestern

The University baseball team will try for its second consecutive win this afternoon when they go against Southwestern College at Winfield. The game was originally scheduled for Tuesday, May 9, but postponed because of wet grounds.

The Shockers won their first Missouri Valley conference game last Saturday afternoon, when they came from behind to down Tulsa University, 9-6. The win was the Munies' second in 14 games this season.

John Friedersdorf, who relieved Joe Knapic in the fourth inning, was credited with the win. He whiffed seven and walked none, in a sterling performance.

Vince Norman and Erwin Knocke were the big guns in the Shocker offensive barrage, Norman collecting two for two, and batting in three runs, and Knocke getting three for five while driving in three. Mike Halabura, Shocker third baseman, drove in a pair of runs.

Records Topple . . . Shockers Lose Dual Meet To Ft. Hays In Last Home Stand

The University of Wichita Shockers were overpowered by the Ft. Hays Teachers' thinslads last Friday in a dual meet at old Shocker Stadium which caused school and meet records to topple. The meet was the last of the season for the Shockers on home ground.

The Tigers led the Shockers all the way after the first event and won the meet by a score of 78½ to 52½.

Shocker Wesley Hodge won two events for the Munies, setting a new meet record in the 100-yard dash by running it in 10.5 seconds. Hodge also won the 220-yard dash in 22.6 seconds.

Ira Barkman won the discus and shotput events for the Shockers. He heaved the discus 139 feet 7 inches to better the meet mark of 133 feet 10¼ inches and the old school record of 138 feet and 7 inches.

Barkman lengthened the meet Shockers.

Dirty Socks Trounce Pi Alphas For Record

The Dirty Socks set a new scoring record for this year's intramural softball league, when they crushed Pi Alpha last week, 46-12. The 46 runs scored broke the 31-run total set earlier in the week by the Zoomers, who also made their record while trouncing Pi Alpha, 31-19. It was victory number three for the Socks, and the seventh consecutive loss for Pi Alpha.

P and O took over undisputed possession of first place with wins over Alpha Gam, 22-8; Phi Sig, 10-1; and the Farrell Club by forfeit.

shotput record distance of 45 feet and 3 inches, with a 45 feet 5¼ inch throw. Barkman and Hodge were high point men of the afternoon.

Shocker Sam Evans bettered the 120 yard high hurdle record when he went the route in 15.4 seconds. The old mark was 15.5 seconds.

Tiger Jack Hague set a meet record in the pole vault department reaching a height of 12 feet 7¼ inches. Jack Childers captured second place in the event for the

Sport-Shocks

By Jack Campbell

Whenever a ball team of any kind finds itself losing more games than it is winning, gripes of all sorts begin to fly thick and fast. Such is the case with the University baseball squad, and, to keep Shocker spring sports on a healthy basis, it might be well to bring these gripes to light.

Briefly, these are the main complaints against our losing baseball nine: (1) Many prospective players feel they weren't given a fair trial to make the team at the beginning of the season. (2) It's the general opinion among eligible prospective ball players that "you have to play basketball in order to play baseball." (3) Those basketball scholarship players who don't particularly care for baseball feel they should not be forced to play the game.

Quite naturally, Ken Gunning, baseball and basketball coach, is disturbed by these complaints. He hopes this feeling on the part of his players and other Shocker athletes will be short-lived.

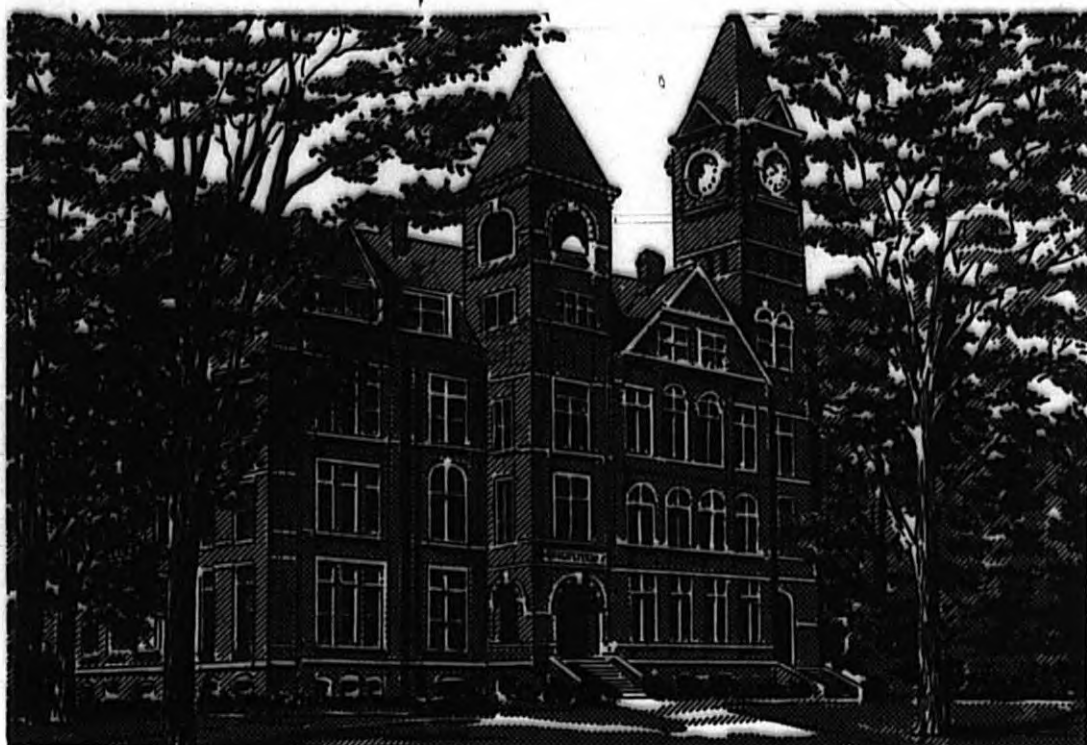

Coach Gunning said that he was

sorry that those fellows who didn't make the team, believe that he overlooked their talents. "At the beginning of the season when I picked the 20 top players for a workable baseball group, I felt they were the best available among those who tried out. It is possible, of course, that I could have been wrong in my choice in a few instances, but it is impossible to know for sure who are the 20 best boys on the campus without long and tedious spring trials. We don't have time for those trials," the baseball mentor added.

"As far as basketball players having a monopoly on baseball positions, that is completely absurd. True we do have several basketball regulars on the baseball squad, but that is because they have earned their way there. I have shown no partiality either toward or against any basketball player or any other player on the squad," Coach Gunning continued.

"No player on my cage squad is forced to play baseball against his wishes. I do encourage those bas-

Major Nathan Adams, Auburn '40 Personnel Manager, U.S. Air Force

A top scholar and ROTC Honor Graduate, Cadet Lt. Col. Nathan Adams enjoyed his final military ball in 1940, soon left for Fort Sill's Field Artillery School.

Following a three month course, Lt. Adams decided the Air Force was the place for him. He applied for pilot training, was accepted, proceeded to Maxwell Field.

He won his wings and reported to the 36th Fighter Group in Puerto Rico. The group soon returned to the States, giving Adams a chance to marry his college sweetheart.

Within months Adams was overseas, flying "rhubarbs" (missions against enemy transport). He flew 63 P-47 missions within seven months, returned to the States late in 1944 for rest and recuperation.

V-J Day came, and Adams decided to make the service a career. He chose personnel work as his career field, was assigned for training to the Adjutant General's School at Fort Oglethorpe, Georgia.

Now a regular Air Force Major, he heads a 32-man section at Bolling Air Force Base. He advises his Commanding Officer on selection, assignment and promotion of all officers and airmen in the command.

If you are single, between the ages of 20 and 26½, with at least two years of college, consider the many career opportunities as a pilot or navigator in the U. S. Air Force. Procurement Teams are visiting many colleges and universities to explain these career opportunities. Watch for them. You may also get full details at your nearest Air Force Base or U. S. Army and U. S. Air Force Recruiting Station, or by writing to the Chief of Staff, U. S. Air Force, Air Aviation Cadet Branch, Washington 25, D. C.

Conference Meet At Peoria On Friday

HE WILL MAKE JUMP TO PEORIA TOMORROW. Walt Sanders, (above) will join Coach Ab Bidwell's 13 track squad members who will journey to Peoria, Ill., tomorrow for the Missouri Valley track meet. Bradley University is the host team, while Oklahoma A and M is the defending champion.

NETMAN TO PEORIA TOMORROW. Carl Mibeck, (above) will be the only Shocker tennis player to compete in the Missouri Valley tennis meet tomorrow at Peoria, Ill.

LINKSMEN TO PEORIA TOMORROW. Left to right, Joe Minjares, Jack Douglas, Al Littleton, and Dan Smith left early Monday for a midwestern tour, which will be climaxed tomorrow at the Missouri Valley golf meet at Peoria, Ill. The boys warmed up for the meet by tripping Illinois Wesleyan 12½ to 5½, at Bloomington, Tuesday.

Shocker Trackmen Will Travel To Illinois For Conference Tilt

Shocker thinclads will travel to Peoria, Ill., today, to compete in the annual Missouri Valley Conference track meet Friday and Saturday. Bradley University will be host to Wichita and the five other league schools for the championship meet.

Thirteen cinder men, accompanied by Ab Bidwell and Jim Valek, coaches, will represent the Shockers.

Records Equalled

Four Shockers competing at Peoria have either equalled Wichita records or set new ones. Wesley Hodge equalled the old record of 9:8 for the 100-yard dash at the Kansas Relays last month. Sam Evans proved equal to the 120-yard high hurdles record of 14:9 in the Shockers-A and M dual meet.

Ira Barkman set a new school record of 47 feet, 1½ inches in the discus throw last week in the Wichita-Fort Hays dual. Walt Byfield heaved the javelin 195 feet, 7 inches at the Kansas Relays last

month to establish a new Shocker record in that event.

Carl Mibeck will be the lone Shocker entry in the tennis championship.

Golfers Left Monday

Earl Hamilton's golf squad left Monday for a week's stay in Illinois.

The golf squad includes Al Littleton, captain, Joe Minjares, Dan Smith, and Jack Douglas.

ketball players who play baseball to turn out, because if a boy is out for basketball, he should also be out for other spring sports. In fact, he should feel obligated to come out in order to keep himself in condition and to help the school," Coach Gunning concluded.

The Hoosier coach had this to say about the Shockers' losing baseball season: "We have

been competing, in the majority of cases, against schools that offer scholarships to some of their baseball players. It is impossible at the present time to offer a scholarship to a baseball player as an incentive

to enroll at the University. This is not an alibi for our losing season, nor a reflection towards our athletic policy. It takes time to develop a well rounded sports program."

Shockers To Use Speedy Offense

Bill Moran, a transfer student from Texas Christian University, is expected to bolster next year's Shocker basketball team, according to head coach Ken Gunning.

Moran, former star for Newton High, is working at a guard post in spring practice.

Don Binford, guard, and Bill Tibbets, forward, members of the 1949-50 freshman squad, are also expected to see extensive action for the fast-breaking Shocker quintet, according to Coach Gunning.

"The passing is better and the fast break is working better than last year's. The 1950-51 squad should be the fastest team in the three seasons that I have been here," Gunning said.

A full-length scrimmage game is tentatively scheduled for Friday night, May 19, at Henrion Gymnasium.

Campfire Girls Need Summer Counselors

"An extremely good opportunity to gain camping experience and work with children has been offered by the Campfire Girls of this city," according to Prof. Gladys M. Taggart, head of the women's physical education department.

The organization is now seeking volunteer counselors for its summer camping program. The counselors will work from June 26 to July 1, at the Church of God camp located 15 miles west of Wichita.

Anyone desiring further information should contact Professor Taggart.
