Student Cooperation Asked For Basketball Seating Plan

Dr. C. B. Read, chairman of the committee in charge of seating at basketball games, announces that the demand for tickets for the remaining games is very heavy. The University is asking the co-operation of all students in an attempt to make available to the public any seats which will not be used by students.

For the remainder of the season, starting with the Bradley game Jan. 20, seats reserved for students will be held until 7:30 p.m. only. If not claimed by this time, such seats will be made available for sale to the general public. This may in a few cases cause some inconvenience, but it is believed that students will be willing to cooperate in the interest of good public relations.

University officials point out that since student attendance has never reached 500 at any game so far this year, and that be-

Officials Want Old ID Cards

University officials have requested that students bring their first semester identification photographs at registration time in order to facilitate the preparation of identification photographs for the second semester.

Student Council Urges Formation Of Rifle Team

The Student Council voted Monday night to send letters of recommendation to Pres. Harry F. Corbin of the University and the athletic department requesting that a varsity rifle team be solicited and participants be classed as competitors in a minor sport.

This measure was adopted after Lt. Col. Robin G. Montgomery, professor of military science and tactics, appeared before the Council to answer questions regarding the formation of an official varsity rifle team open to all male students on the campus.

Colonel Montgomery believes that a rifle team should be placed in the same category as tennis, golf, and other minor sports. He explained that varsity rifle teams are popular on college campuses in the South, Great Lakes, and Pacific Coast regions. Furthermore, Colonel Montgomery added that the letters should be awarded on the basis of winning a dual meet or some similar honor instead of merely being on the team.

Colonel Montgomery said that he has talked to different members of the athletic department on the matter, but as yet, no definite action has been taken.

Corbin Releases Service Figures

Official tabulations concerning students leaving the University for service were released through the office of Pres. Harry F. Corbin, this week.

Of the total campus male enrollment, (2,097), 96 or less than one-half of one percent have gone into the service, the release reveals.

The information, compiled by the registrar's office, shows that 17 of the total were drafted, and all of this number were called before Christmas.

The figures, complete as of Jan. 9, point out the fact that 24 men were called up from the reserves and the remaining 55 enlisted. Four of the reserve members received their orders after Christmas and the remaining 20 were taken before.

Commenting on the figures, President Corbin said, "The number of enlistments is neither good or bad, but we need to keep in its proper perspective."

Exam Schedule May Be Altered

Final examinations beginning Jan. 22-25 may be subject to the changes given below.

Students who find that they have three examinations on the same day, may in some cases arrange to take one of the exams with another section of the same course. Examination changes can be made only if arranged with the instructor in advance of the scheduled exam time and must be approved in writing by the instructor and the dean.

The maximum examination time allotted for the various courses is as follows: One hour courses will have one hour exams; two hour courses will have two hour exams; three and four hour courses will have two hour exams. But if the department wants to give a three-hour exam, three hours may be used by starting the exam at 7 a.m. or running one hour beyond the scheduled closing hour.

Parnassus Queen To Be Honored At Annual School Dance Jan. 31

Woody Herman To Play For Semi-Formal Affair; Yearbook Banquet To Be Held At Lassen Hotel

The 1951 Parnassus Queen will be honored at the annual Parnassus Dance which will be held at the New Moon, Jan. 31, from 9 p. m. until 1 a. m., according to Bob Olson, editor of the Parnassus, who is in charge of the dance.

Woody Herman and his Herman Herd will play for the dance. It will be semi-formal and no corsages will be allowed.

Before the dance, the annual Parnassus Banquet will be held at the Lassen Hotel at 6 p. m. Candidates for the queen will be presented to the judges at the

banquet and they will be judged on personality, manners, and personal appearances.

The judges of the candidates will be Woody Herman, orchestra leader, Paul Threlfall, head photographer of The Wichita Beacon, and Johnny Dixon, chief photographer of the Wichita Eagle. The candidates will be judged in person and by a series of photographs.

Queen candidates are Janette Stiles, Alpha Tau Sigma; Donna Weyl, Delta Omega; Alice Monk, Epsilon Kappa Rho; Marilyn Johnson, Independent Students Association; Shirley Tegeler, Pi Kappa Psi; Gerry Hunter, Sorosis; and Sue Jones, Unaffiliated Students. The winning candidate will be crowned Parnassus "Queen" by Woody Herman, at the 10:30 p. m. intermission.

The dance is co-sponsored by Parnassus and Student Council. The admission to the dance is \$3.50 a couple, tax included, and the tickets are now on sale at the Commons Building. Table reservations may be made when the tickets are bought, according to Olson.

Forum Open To New Members

The University of Wichita Student Forum announced plans to increase its membership number to 50, this week, according to Andy Larson, publicity chairman.

Any student is eligible to join providing he will have sophomore standing next semester and is not a graduating senior, Larson said. Application forms for the Forum will be available Monday at Mrs. Ruth G. Price's desk in the Commons Lounge. After the applications are filled out they are to be returned to Mrs. Price, Larson explained.

New Business Administration Building Ready For Second Semester Classes

The new building which will house the University College of Business administration will be ready for occupancy when the second semester begins, according to John Geddis, superintendent of buildings and grounds.

Officials of the Eby Construction Company had hoped to complete the building by Dec. 15, but weather conditions and a shortage of material hampered construction last spring.

"The building will lack blackboards and doors until delivery can be made on them," Geddis said. He further explained that concrete for the sidewalks will be poured as soon as the weather permits.

According to Geddis, the building is furnished with the best lighting, ventilation and heating systems on the campus. The acoustics will prove more satisfactory than in other University buildings.

The new building is not to be confused with the Administration building. "Due to the similarity of names of the new building and the Administration building it should be understood that only the College of Business Administration and its offices will occupy the new structure," said Geddis. "The University admin-

istration and business offices will remain in the present Administration building," he added.

Superintendent Geddis added that it should be quite interesting to note what name students will give the new building to distinguish it from the familiar Administration building.

College Councils To Meet Here

Some 20 Kansas colleges and universities will send delegates to the Kansas Student Council convention on the University of Wichita campus March 9 and 10.

Suzanne Gray and Dan Nyberg were appointed to arrange for housing facilities for the visiting delegates during their stay in Wichita.

Two University Couples Engaged

Two engagements of University couples were announced recently.

Mr. and Mrs. Jack E. Wheeler, 1157 North Broadway, announce the engagement of their daughter, Jacqueline Louise, to Thomas Merton Rymph, son of Mr. and Mrs. Levi B. Rymph, 1201 Woodrow. The wedding will take place on Mar. 22. Both Miss Wheeler and Rymph now are attending the University where she is a member of Delta Omega sorority.

Mr. and Mrs. Kenneth W. Staley, of 3201 Salina, announce engagement of their daughter, Barbara, to Ernest L. Balay, son of Mr. and Mrs. Ernest C. Balay, 1657 Payne. The date of the wedding will be announced later. Miss Staley and Balay are both attending the University where she is a member of Pi Kappa Psi sorority and he is a member of Pi Alpha Pi fraternity.

Last Schedule Released Here

- Jan. 19: Aesculapius banquet.
- Jan. 20: Bradley basketball game.
- Jan. 22-25: Final examinations.
- Jan. 25: Reception for graduating students by Pres. Harry F. Corbin.

Colophon To Present Honor Memberships

Two outstanding practicing journalists will be presented honorary memberships by Colophon, men's journalism fraternity, at its annual banquet to be held in the Pine Room, February 8, at 6:30 p. m., announced Rankin Griesinger, fraternity president.

This will be the first time Colophon has awarded an honorary membership. The names of the persons to be honored will be announced at the banquet.

The banquet is also a farewell to Dean T. Campbell, journalism instructor, who is leaving to accept a position as advertising manager for a local firm.

Newcomer On Sorority Row

ALMOST READY to take its place on Sorority Row is the new Epsilon Kappa Rho House. Current plans schedule a move from the old Kappa Rho House to the new one in about two weeks. The new house will be covered with red brick siding on three sides. Highlights of the new house will be a club room, a kitchen, a dining room, and two picture windows. Standing in back of the new house are (left to right) Della Bates, Helen Lyman and Charlene Jackson.

WITH final examinations just around the corner most Shockers have taken their books and gone into hiding . . . that is, all but Dan Cupid, who is still at large. This week's announcements include the engagement of Jeanette Stiles and Otha Hawkins; Lou Brown and June Smoyer of Clairton, Pa.; and Joe Kushi and Barbara Sturgeon. Added to the pinned list are Joan Vogt and Webster Harold Fulker-son, Delores Berry and Linwood Sexton.

SOON to become Mr. and Mrs. S are Harold Enns and Jane McElhiney, who have set Feb. 17 as their date; and Quincy Utter and Pat Eisenbach, who will be married Jan. 28. Jim Lynn and Jean Erhardt, and Betty Cadman and Bill Bruce have also chosen Jan. 28 for their wedding. King Finlay and Vicki Betzner were married during the holiday vacation.

Other couples who announced their pinning recently were Jeanie Ponds and Hank Edwards, Sally Duke and Hugh Livingston.

Members of the Girls' Glee Club serenaded sorority and fraternity members at meeting Monday evening.

MORE Shockers have joined the ranks of the Armed Forces. Arnie Minks and Bob Chisholm left Tuesday for service in the Army Signal Corps, while Mel Reser and Claude Foltz will soon be leaving for Naval duties.

Second semester rushing for fraternities will begin soon, and Pi Alphas will start their activities with a dance at Corky's Corral on Jan. 25 for rushees and their dates.

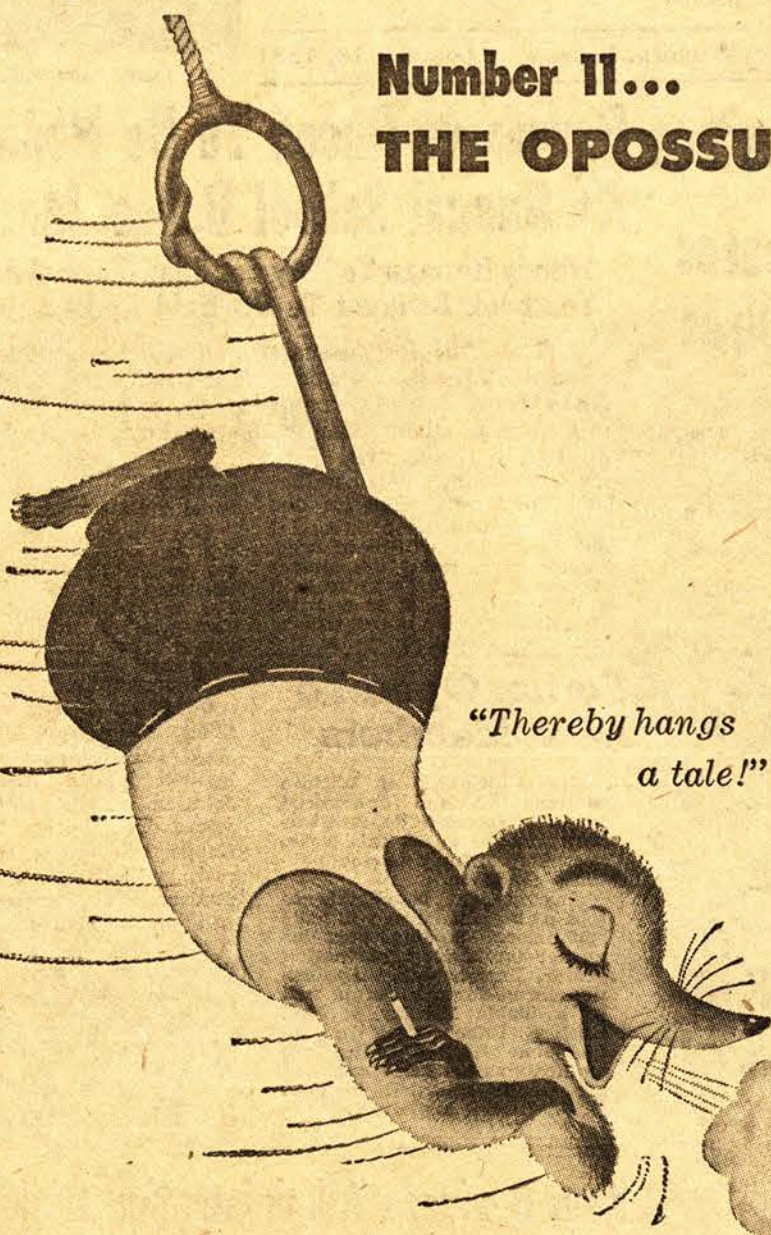

Sorority pan-hellenic representatives have voted to discontinue second semester rushing for women.

PLANS for the annual Haul Your Man dance are being completed by YWCA members, who sponsor the turn-about affair each year. Carolyn Cöburn has announced Feb. 17 as a probable date.

Staff members of The Sunflower celebrated their last issue by taking time out for cake and cokes Tuesday. Peggy Schotemeyer surprised the staff with a huge white cake, decorated with miniature candy Sunflowers.

Campus Interviews on Cigarette Tests

Number 11... THE OPOSSUM

"Thereby hangs a tale!"

The class clown went out on a limb and tried to prove cigarette mildness by the quick-trick method! He tried the fast inhale, fast exhale test—a whiff, a sniff—and they still left him up in the air!

But then he got his feet on the ground. He learned that there is a reliable way to discover how mild a cigarette can be!

And that test is . . .

The sensible test . . . the 30-Day Camel Mildness Test which simply asks you to try Camels as a steady smoke—on a pack after pack, day after day basis. No snap judgments needed. After you've enjoyed Camels—and only Camels—for 30 days in your "T-Zone" (T for Throat, T for Taste), we believe you'll know why . . .

Square Dance Club Is One Of Campus' Youngest Organizations

Texas Star, Korobushka, and Do Si Do

DANCING THE Korobushka, a Russian dance, are members of the Square Dance Club. This club is one of the youngest organizations on the campus. The Club meets each week on Friday night, and the members learn folk dances as well as square dances which have recently become popular again. Members are (left to right) Mary Loop, Mary Jean Kennedy, Charles Schlicher, Mary Ann Thissen, Harold Harold and Ann Klein.

"Dive for the oyster! Dig for the clam! Go for the hole in the pan!" is just one of the many square dance calls that may be heard every Friday night at 7:30 when the Square Dance Club, directed by Miss Yuriko Onoda, dance instructor, meets in the Women's Gym.

The club, formed early this semester, is presided over by John R. Walker, while Rose Lamb and Mary Loop are vice-president and secretary-treasurer, respectively.

Open to any student of the University, the Square Dance Club's purpose is to learn folk dances as well as the many square dances which are currently being revived.

Some of the folk dances which are popular with the club are "Kolo", a Serbian dance, "The Oklahoma Mixer", "The California Schottische", "Korobushka", and "The Three Horses." The latter two are of Russian origin. The square dances include "Texas Star", "Grapevine Twist", "Dive for the Oyster", "Pop Goes the Weasel", and "Birdie in the Cage."

Of the present members, many are just beginners at square dancing. "There is nothing difficult about square dancing and no fancy steps to learn," Miss Onoda stated.

Besides providing entertain-

ment for the members, the club also helps those who plan to teach or lead play groups. All members get chances to practice calling and may even get the opportunities to demonstrate the dances before other groups. For instance, Walker called the square dances at student activity night last Saturday. The club has

also received calls from downtown groups to call dances and teach folk dancing.

Another aim of the club is to send delegates to give demonstrations or attend meetings at square dance festivals which are held throughout the country. Norma Jean Haley attended such a meeting in the International Festival at Chicago last fall.

AF Interviews Planned Jan. 23

Two U. S. Air Force officers, Capt. Frank Voigtman and Capt. Edwin Baquet, will arrive on the campus January 23 to interview students interested in officer training programs offered by the Air Force. They are located in the rotunda of the Administration Bldg., and will be available from 9:00 a. m. to 5:00 p. m., January 23, 24 and 25.

Qualified applicants, upon finishing their courses, have an opportunity to learn about all aspects of aviation while they earn in the U. S. Air Force.

College men have two choices—then can enter into a year's Aviation Cadet Pilot or Navigator training course. They will be paid \$105 a month and upon graduation they will be awarded second lieutenant's commissions. If ordered to active duty, their pay and allowances will amount to about \$5,000 a year. Applicants must be between the ages of 20 and 26½, single, citizens, and have two years of college work completed.

Both men and women have an opportunity to apply for Air Force Officer Candidate School where they will take six months' intensive training.

Applicants for Officer Candidate School must be between the ages of 20½ and 26½, citizens, have at least two years of college or be able to pass an equivalent examination.

Those men and women who are accepted for training and who fail to complete the required course will be returned to civilian status.

Reading Class Offered Again Next Semester

A reading laboratory offered at the University for the first time this semester will be continued next semester, according to Prof. Evelyn Hinton, of the psychology and physical education departments who heads the laboratory.

This laboratory is to diagnose reading difficulties and to help students improve in areas of reading where they have weaknesses.

Next semester the laboratory will be offered at 1 p.m. on Monday and Wednesday, and at 10 a.m., 1 p.m., and 2 p.m. on Tuesday and Thursday.

Anyone who is interested in the reading laboratory may contact Professor Hinton in Room 419, Administration Building or Room 109, Women's Gym.

Hinton To Teach First Aid Class

An instructor's course in first aid is being offered next semester in co-operation with the Red Cross, according to Prof. Evelyn Hinton, assistant professor of physical education and psychology, who will instruct the class.

The course is open to all students who have standard and advanced first aid certificates. One hour of University credit will be offered for the course.

The course will be held every Monday from 7 until 9 p. m. for nine weeks, and will be listed under Physical Education 119.

University Alumnus To Secretary Post

Sauer Memorial Plaque Installed

A bronze plaque was installed, Tuesday, on the door of the Sauer Memorial Library, a library founded in memory of Kenneth F. Sauer, journalist-soldier who died in a Japanese prisoner of war camp, Dec. 15, 1944.

In addition to the plaque, given by the journalism department, a picture of Sauer was presented by his brothers and sisters.

The library was dedicated to the memory of Sauer, a former University journalism student, at a ceremony Oct. 28, 1950.

Located in the northwest corner of the Communications Building, the Sauer Memorial Library serves the reference needs of the journalism students in the nearby classrooms.

for two years. He will continue his work at Joyland.

While at the University, Langenwalter was a member of Phi Upsilon Sigma fraternity; Colophon, honorary journalism fraternity; and the 1950 Men's Honor Group; elected "Mr. Personality" at the 1950 annual "Haul Your Man Dance," and was the president of the Student Forum of 1950.

Debate Members To Attend Alabama Meet, Mardi Gras

Four debate squad members, accompanied by squad coach Phillip J. Mohr, will participate in the Spring Hill College debate tournament and attend the Mardi Gras in Mobile, Ala., during the semester vacation.

Loren Keller, Merton Rymph, Russell Watson, and Harry Hobson have been tentatively chosen to make the trip to the Alabama college. The meet will be held February 1-4.

Spring Hill College, active in debate for over a century has invited the largest southeastern colleges and a selected number of midwestern universities to the meet.

Schools participating will be the Universities of Alabama, Florida, Georgia, Tennessee, Kentucky, and Mississippi, Tulane, Louisiana State College, University of Wichita, Kansas State College, and Notre Dame have also been invited.

"It provides a rare opportunity to meet some of the large southeastern college students," Professor Mohr said. "Most of the debates we attend do not include these schools. We appreciate the opportunity to compete with them," he added.

The meet will consist of eight rounds of debate, the largest and most strenuous debate ever scheduled by the University squad, Mohr believes.

This meet has been scheduled to coincide with the time of the Mardi Gras so that the visitors may join in festivities, try their hand at deep sea fishing, and relax from the duties of debate, Mohr said.

This is the first year the University squad will attend the meet, which is invitational. Three

members of the squad were on the University's winning squad at the Iowa tournament in December. They are Hobson, Rymph, and Watson.

ROTC Enrollees To See Officers

All students, not presently enrolled in Air ROTC, who plan to enroll for the course second semester should contact officers in the University armory before Feb. 1, according to Maj. Herbert Hartman, professor of air science and tactics.

This will enable ROTC officers to know the number planning to enroll and the program may be scheduled accordingly. Enrollment is open to male students, including veterans who meet the requirements set forth, Major Hartman said.

Hardin-Simmons Loses

Hardin-Simmons recently lost a basketball game in which it never once was behind in regulation playing time. New Mexico tied the count in the last split second and then won out in overtime.

8 Sunflower Staff Positions Are Now Open To Students

Opportunities for work in the publishing, public relations, and photographic fields are open to interested students thru staff positions on The Sunflower next semester.

Today at 5 p. m. is the deadline for submitting applications for positions. Each applicant is requested to submit a sealed letter, stating job preference addressed to Dr. Robert W. Frazer, associate professor of history and chairman of the Student Board of Publication.

Letters should include three choices of positions in the order of preference, and a statement of qualifications as to experience in high school, college, or on other publications, if any.

Salaries Paid

Positions open, and the salaries paid per issue are as follows: editor-in-chief, 12.5; managing editor, \$7.50; desk editor, \$5.00; sports editor, \$3.00; and society editor, \$3.00.

Photo editor will be paid \$2.00 per issue; and two new staff positions, assistant photo editor-librarian, and circulation manager-promotion director will draw \$1.50 and \$2.00 per week, respectively.

The assistant business and advertising manager will be paid on a commission basis.

New Positions

Two new positions on the Sunflower will be filled for the first time this year. The first, assistant photo editor and librarian, will consist of helping the photo editor and librarian, will consist of helping the photo editor in ar-

ranging for photographs to be taken, and allied work.

As librarian, he will keep the reference library of the department up to date.

The circulation manager and promotion director will spot issues of The Sunflower at distribution points every week and will work with other staff members in promoting projects sponsored by The Sunflower such as crusades and drives.

Positions are open to all students interested in work of this type.

Teachers Lead Adult Enrollees

Teachers and aviation workers make up the largest group of students enrolled in the University of Wichita's adult education program this semester, according to Prof. Leslie M. Blake, University extension division director.

Nearly 23 per cent of those registered for night school are teachers from the county and city schools. Personnel from Boeing, Beech and Cessna aviation plants are close behind the teachers, making up 22.6 per cent of the adult enrollment.

A total of some 46 occupations and professions are represented by W. U. evening students. Many are working toward bachelor's or master's degrees in a number of fields, said Professor Blake. Others are taking courses to cultivate various interests.

Some occupations and professions represented in night school are secretaries, nurses, accountants, clerks, engineers, editors, bankers, policemen, housewives, and real estate men.

Halfback Loses Teeth

Dick Doyne, halfback of the unbeaten Lehigh football team, had a ready answer when asked if he would play pro ball. Doyle said, "I'd like to keep the rest of my teeth." Doyne lost some front teeth in the Lehigh-Rutgers game.

Nursing Course To Open Here

The University of Wichita will offer two classes in home nursing during the spring semester; which will be a part of the civil defense program for the city of Wichita.

Mrs. Fern Byington, Red Cross instructor and graduate nurse will teach the classes. The subject matter, according to Miss Katharine Van Keuren, associate professor and acting head of the home economics department, is much like that given in training nurses' aides during World War II. This will be the first time the course has been offered at the University; although during the war, a somewhat different type of home nursing class was given.

No prerequisite courses will be required to take the course, Miss Van Keuren said, but only students or persons able to meet the University's entrance requirements will be eligible to enroll.

The class is open to both men and women. Two hours' college credit will be given, and a person completing the course will be given a Red Cross home nursing certificate.

Registration will take place with W.U.'s regular enrollment, Jan. 31 to Feb. 2. The first class will be held Feb. 6.

University Bands Need Musicians, Director Says

Students desiring to enroll in the University varsity or concert bands may do so at any time, according to James Kerr, University band director.

Band openings apply to all instrumentalists, Kerr said, but flute and clarinet sections are especially needed for the concert band, he added.

The concert band will have two spring concerts, go on a tour, and will do broadcasting and recordings, explained the director.

The varsity band plays for basketball games and will present a spring concert. In addition it will do clinic laboratory work for high school music students.

College Canteen
College of Charleston
Charleston, South Carolina

In Charleston, South Carolina, a favorite gathering spot of students at the College of Charleston, is the College Canteen because it is a cheerful place—full of friendly collegiate atmosphere. And when the gang gathers around, ice-cold Coca-Cola gets the call. For here, as in college haunts everywhere—Coke belongs.

Ask for it either way... both trade-marks mean the same thing.

Bradley To Invade Forum Saturday

Randy Barron Joins Shocker Varsity Squad

Randy Barron, a member of the Men of Webster fraternity basketball team for the past three years, joined the University of Wichita varsity cage squad last week, according to Pat Quinn, assistant sports publicity director.

Barron, who stands at six feet, three and one-half inches, was

named to the all-state AAU team last year and was also voted the most valuable player in the Augusta AAU tournament last season. Besides winning these individual honors, he sparked the Webster five to first place in last year's intramural play, runner-up in the Augusta meet, and fourth place in the Kansas AAU tournament.

Meanwhile the Shocker varsity is wasting no time in making use of Barron's talents. He made the trip to Columbia, Mo., for the Shockers' two-game stand against the Missouri Tigers, Tuesday and Wednesday nights.

Aggies Remain Only Unbeaten Team In The Missouri Valley

Only Oklahoma A and M remained unbeaten following a week-end of upsets for Missouri Valley schools in basketball.

Bradley University, voted the nation's number one team last week, was trounced by St. John's of Brooklyn, 68 to 59, in New York's Madison Square Garden last Thursday. It was the first loss in 16 starts for the Braves this year. Saturday night Bradley redeemed itself partially by whipping a tough Niagara five, 78 to 74. The Braves then dropped their first conference game Monday night, losing to Detroit, 70 to 65.

Meanwhile, the Oklahoma Aggies continued to roll right along, but not without trouble. The Cowpokes had to come from behind to edge Tulsa, 40 to 38, last Thursday. Then on Saturday, the Ags needed three overtime periods to slip past Drake, 72 to 70.

St. Louis also suffered from the Madison Square Garden jinx. It was trampled by unbeaten

Long Island, 74 to 62, in the Garden before returning home to knock Detroit in a conference game, 58 to 52.

Houston broke even in two non-conference affairs last week. The Cougars tripped Oklahoma City 53 to 51 and then lost to Midwestern 54-53.

Tulsa's only action was the two-point loss to Oklahoma A and M and Drake's fate was the same as the Hurricane.

Wichita's only action this week was a two-game series with Missouri, last night and Tuesday.

The schedule:

Tonight
Houston at Sam Houston State.

Friday
St. Louis at Tulsa.

Saturday
Bradley at WICHITA.
Oklahoma A and M at Oklahoma.
Wayne at Detroit.
Creighton at Drake.
North Texas State at Houston.

Braves Suffer Only 2 Losses

Peorians Now Tied For Second In MVC

Bradley University, the nation's number three team, will invade the Forum for a basketball game with the University of Wichita Shockers, Saturday night.

The Braves have won 16 of 18 games so far this season and had been named the top team in the country for two weeks in a row before St. John's of Brooklyn upset them, 68-59, in Madison Square Garden last week.

Currently tied for second place in the Missouri Valley parade with three wins and one loss, the Braves will bring one of the best-known arrays of stars to Wichita since the Harlem Globetrotters.

Gene Melchiorre, 5-foot-8½-inch pivot artist, was named to virtually every pre-season All-America basketball team, and he has lived up to those notices. He is currently leading the Valley in scoring.

Besides Melchiorre are such stalwarts as Bill Mann, Fred Schlichtman, Charley Grover, Elmer Behnke, Jim Kelly, and Aaron Preece. Bradley lost All-America Paul Unruh through graduation, but that is small consolation to the Shockers.

Unruh scored only one point against the Munies in the Forum last year. Behnke filled Unruh's shoes most capably at the center spot, pouring in 11 points.

Coach Ken Gunning expressed belief early this week that Shock-ace John Friedersdorf will be able to start in Saturday's game.

The Saturday night fracas is the first for Coach Gunning's and Coach Fordy Anderson's cagers this season. Bradley will host Wichita in a return game, Feb. 12.

BRADLEY	Pos.	WICHITA
Gene Melchiorre	F	John Friedersdorf
Fred Schlichtman	F	Cot Friesen
Elmer Behnke	C	Erwin Knocke
Bill Mann	G	Rex McMurray
Charley Grover	G	Bill Tibbets

Game time: 8:15 p.m.
Place: Wichita Forum.

Shockers Play 6 Home Games

The University basketball team will swing into the second half of its schedule during the next three weeks playing in six games, all of which are home affairs. Five of the contests will be against Missouri Valley League opponents—Bradley, Houston, Drake, Detroit, and St. Louis, and the other against Creighton University.

All of the encounters, with the exception of Houston and Creighton Universities, will be initial games for the Munies with these rivals.

The first game of this group will be this Saturday evening against twice-beaten Bradley University. The Braves of Peoria, Ill., beat the Shockers last season by scores of 61-49 and 68-56. Creighton University's Blue Jays visit the Forum next Tuesday night.

Gunning's charges meet the University of Houston Saturday, January 27, and the Munies will try to reverse an early season loss to the Cougars in a game that was played at Houston. The Bulldogs of Drake University clash with the Shockers on Tuesday, January 30.

Saturday, February 3, Detroit University, upset victors over Bradley University earlier this week, comes to Wichita for a tilt with the Shockers.

The finale of this home set for the University hoopers this season will be against St. Louis on Tuesday, February 6.

The Shockers open a long road trip by starting their league tour against Detroit University on February 10, and then playing Bradley, St. Louis and Drake during the following two weeks. The Shockers return home for their last home game on February 24 when they meet Oklahoma A. and M.

Don Goff Tops Cage Scorers

Intramural Star Hits 22 Points In Game

Don Goff, of the All-Stars in the White League, scored 22 points against Alpha Gam "B" to lead the field after the first week of play in the intramural basketball program.

Following Goff in the race for individual scoring honors was Don Gill of I. S. A. in the Gold League, who tallied 10 points against the Phi Sig "B" team and nine points against the Lillies.

Bob Kirkpatrick, of Men's Faculty in the Black League, with 17 counters; and Bob Harris, of the Wheels in the Gold League, with 16 points, are third and fourth in the individual scoring parade.

The All-Stars also captured team scoring honors for the week by drubbing the Alpha Gama "B" five, 79-25. In other games, (Gold League) Phi Sig "A" beat the Super-Sonics, 35-25; I. S. A. 26-Lillies 22; Wheels 46-Zoomers 35; Phi Sig "B" 47-I. S. A. 16.

In the Black League: Alpha Gama "A" 56-FOF 12; Pi Alph 29-Men's Faculty 27; and the Broncos forfeited to the Webster "B" Team.

The White League: Winners 48 Websters "A" 21; Braves 26-Hot Panthers 22.

Tonights games beginning at 6:30: FOF-Pi Alph; at 7:30, Tigers-Broncos; 8:30, Winnersster "B" meets the Men's Faculty Braves in the Men's Gym. Web in the Women's Gym at 8:30.

Webster Cagers Sweep Tourney

The Men of Webster basketball team downed Boeing, Saturday to sweep the Augusta Tournament, undefeated.

Bob "Stretch" Cather was high point man for the series, even tho he played only in the last two games.

Eddie Kriwiel and Dick Coleman were also point leaders for the Webster five.

Webster's schedule and scores during the tournament were as follows: Monday, 73-45 over Douglas; Wednesday, 61-34, against Benton; Friday, 58-56 over the Augusta Merchants; and Saturday they downed the Boeing team 60-57.

Frosh Cagers To Battle Iola Juco Saturday

The University of Wichita freshman cagers will meet the Iola Junior College Red Devils Saturday night at 6:15 in the Forum.

Don Toevs, graduate of the University of Wichita last spring, is coach of the Red Devils. While attending the University, Toevs played varsity basketball and was captain of the squad during his senior year.

The freshmen have won four and have dropped two games so far this season.

Highest scorer on the freshman squad this season is Dub Qualls who has a total of 79 points. Alex Chuk had the percentage on field goals, with 54.4 per-cent; best percentage on free throws, Jim Slayback, 83.3 per-cent.

Dub Qualls has hit 29 field goals and has a total of 21 free throws; Jim Mastin has 18 fouls so far this season followed by Gary Thompson, who has 17 fouls.

There will be no preliminary game, Tuesday, Jan. 23, when the Shockers meet Creighton University, according to Bob Carlson, freshman coach.

Bowling Loop Is Considered

All students and faculty members interested in entering an intramural bowling league, are urged to contact Bob Kirkpatrick, intramural director. "There are no definite plans for intramural bowling at this time," said Mr. Kirkpatrick, "but if there is enough response to this announcement, a league will be formed."

The only cost to entrants, according to Mr. Kirkpatrick, will be 25 cents for each game.

Cagers Rated High

Latest statistics released from the office of Missouri Valley Commissioner A. E. Eilers, St. Louis, Mo., have placed two Wichita cagers on the list of top-scoring Valley players. John Friedersdorf and Rex Mc-

Murray have gained fourteenth and thirty-third place respectively on the list.

Kurland Sets Record

Oklahoma A and M's great All-American basketball player, Bob Kurland, had his best night against St. Louis in 1946. He scored 58 points.

Women To Schedule Cage Practice Dates

Women's intramural basketball teams wanting to practice before league play opens are to contact Miss Dorothy Martin, physical

education instructor, in the Women's Gymnasium.

The opening league games will start soon after the beginning of the second semester, Miss Martin said. ISA and the Unaffiliates will compete in a practice game tonight at 6:45 in the Gymnasium.

Tomorrow Last Day Of Club Book Audits

Tomorrow is the last day for treasurers of campus organizations to submit their books for auditing to the Student Affairs Committee, according to S. W. Wright, retired professor of economics, who will audit the books. Professor Wright will be at the University today and tomorrow from 8:30 a. m. to 4 p. m. in the comptroller's office. He will receive the books and consult with treasurers of the various campus organizations.

Lid's Off! Variety Show To End WSSF Campus Drive

"The Lid's Off," all-student variety show, will be presented Feb. 17 to climax the annual World Student Service Fund drive which will be conducted that week on the campus. A "Hell-za-poppin'" type show, the "Lid's Off" will feature many zany acts and gimmicks, according to Willie Parks, who is in charge of this year's production. Parks has urged all students interested in trying out for "The Lid's Off," to submit their names, phone numbers, and details of their acts to the journalism office in the Communications Building. Tryouts will be held Feb. 3.

Economics Students To Hear Lectures On Office And Personnel Procedures

Wichita businessmen, specialists in their fields, will present fourteen lectures on office procedure and personnel problems to an economics class on office management.

The course, according to Raymond E. Peterson, assistant professor of economics and co-ordinator of the class, will be offered on Tuesday nights, 7-8:45. Two hours credit will be given.

"Its purpose is to give a general working knowledge of office work to the student," Professor Peterson said. "The needs of Wichita businessmen will be considered in the teaching of the course," he added.

Lecturers for the office management course will be: Myron Garretts, Farmers Alliance Insurance Co. of McPherson; R. W. Walton, K. G. and E.; D. Edward Conklin, Conklin Office Equipment Co.; Robert H. Algie, O. A. Sutton Corp.;

Glen Montague, K. G. and E.; J. E. Isaacs, Beech Aircraft Co.; Walter Feldner, Jr., Fourth National Bank; J. E. Hanson, O. A. Sutton Corp.; Carl Walker, Globe Oil Co.

Other lecturers include Marguerite Warner, Siebert and Willis; and A. A. Knapp, Coleman.

Co-operation between the College of Business Administration and Wichita businessmen have made this course possible, Professor Peterson noted.
