

## Oscar Levant Concert Slated Monday Night

### Program Will Feature Music And Comments; Symphony Season Ends

Oscar Levant—pianist, actor, and author will appear at 8:15 p.m. Monday in the Auditorium with the Wichita Symphony Orchestra under the direction of James P. Robertson, head of the University orchestral department.

Included in Levant's "Program of Piano Music—With Comments" will be his performance as piano soloist in "Concerto in

Oscar Levant

F" and "Rhapsody in Blue," composed by his friend, the late George Gershwin.

The orchestra will play the

## Schneider Heads Campus Rights

A new organization on the campus will carry out programs and establish policies in support of the United Nations Declarations of Human Rights, according to Charles Schneider, organizing head. The next meeting of the new group will be held in room 328, Administration Building next Tuesday at 7:30 p. m.

Schneider stated that all organizations on the campus are invited to lend their support to the new movement. As soon as new members are added, there will be a new election of officers.

A copy of the rough draft of the constitution may be obtained from Carl E. Ortmeier, instructor of sociology. Anyone interested in the organization is urged to do so and then come out and help draw up a final constitution for the organization Schneider said.

Schneider said that this is to be an "action group, not just a talking group." If the students on this campus support the Human Rights organization, contacts will be made to work with other groups throughout the city and nation that have similar objectives, stated Schneider.

## Blood Donors Are Requested

Students will have an opportunity to contribute blood to the Red Cross blood bank on April 17 from 9 a. m., to 1 p. m., according to Dr. Clinton C. McDonald, director of the college health program.

Facilities for taking blood will be set up in room 119 in Science Hall.

Students under 21 years of age must secure permission from their parents to give blood. Blanks for this purpose may be obtained from Maurine Ramsey, student Red Cross representative on the campus.

# Regents Request Erection Loan

## School to Give Draft Tests

A Presidential order issued Saturday authorized Gen. Lewis B. Hershey, Director of Selective Service, to defer college students on the basis of their scores in a national test.

President Truman's order does not mean that college students will get preferential treatment in the draft, said President Harry Corbin.

It does mean that men in college will know whether or not they should plan to continue in college work. The tests will make students aware of their status in relation to students all over the country.

The tests also will help to improve the enrollment situation at most universities, Corbin said. College enrollment has been dropping off steadily since the beginning of the national emergency.

After the order was issued, General Hershey announced the tests would be given on May 26, June 16 and June 20, under the direction of local draft boards. The University of Wichita has been unofficially designated as a testing center in this area.

## Hawaii Debaters Here on April 17

An Hawaiian debate team from the University of Hawaii at Honolulu will meet a University pair in an all-school convocation at 9:30 a.m. April 17, in the Auditorium and again at 7:30 that evening in the Commons Lounge, announced Miss Eva Hangen, chairman of the convocation committee.

Harry Hobson and Merton Rymph will represent University of Wichita when the debaters argue the point "The United States Should Limit Defense Commitments to the Western Hemisphere."

On the negative side of the question are the two Hawaiians, Masani Funai and Shunneschi Kimura, who are on a good will tour of several United States universities and colleges.

Both students are juniors. Funai is president of his class and Kimura is vice president. They also are members of Delta Sigma Rho, national honorary debate fraternity.

No admission will be charged for the evening debate, which is open to the public. Regular convocation periods will be observed for the morning appearance.

KURT VON SCHUSCHNIGG, former chancellor of Austria, spoke to the students of the University at a convocation yesterday. President Corbin introduced the speaker and later announced that 10 o'clock classes would not be held in order that students might ask questions of Dr. Schuschnigg.

## Ask For Fund of \$700,000

### University Will Build Student Dormitories

An application for a loan of \$700,000 from the Community Facilities Service for the construction of two dormitories on the University Campus, has been made by President Harry F. Corbin. A resolution passed Monday night by the Board of Regents gave President Corbin authority to make application.

President Corbin explained this is simply a request to see if the loan would be granted. Should the loan be granted, he continued, revenue bonds would be given to the government, and would be paid for over a period of 40 years, mainly from the income from the dormitories. He said that there is a good chance that the loan will be granted, because Wichita is considered a defense area.

The Community Facilities Service, it was explained, is a government agency which aids universities to obtain student housing. Congress appropriated \$300,000,000 for this purpose last year.

P. K. Smith, the only board member who opposed the resolution authorizing President Corbin to make application for the loan, said that although he favored dormitories, he did not feel that the University should obligate itself at this time.

The board also approved a definite tenure policy, which had been drawn up by a five man faculty committee, and had been recommended by the Ways and Means Committee. Major points of the policy include provision that tenure shall begin for University teachers of Professional rank, after three years with the

## Mexico Trip Is Planned For Members Of University Faculty, Student Body

A trip to Old Mexico, which starts June 1 and will last until June 16, is being sponsored by the Spanish department of the University of Wichita, organized exclusively for students and employees of the University. Others who desire to make this trip, must receive special permission from the Spanish department and pay the regular price of the tour, stated Dr. Eugene Savaiano, head of the Spanish department.

Student and University employees price for the tour is \$139. This includes transportation, hotel accommodations, sight-seeing trip thru the city, guide service and lectures, a boat ride in the Floating Gardens of Xochimilco, and a tourist card permit. Breakfast the first day and dinner the last day, tips, personal items, shows, concerts, bull fights, or other entertainment of this kind is not included in the tour price.

All members who plan to make the trip should carry with them certificates of vaccination against smallpox. Baggage will be limited to one medium-sized suitcase, and the cars will be driven by members of the faculty.

Pamphlets with more information on the trip to Mexico are being distributed on the campus, according to Dr. Savaiano.

## 1950 Graduate Killed By Prop

Miss Helen Ruth Coltrane, who was graduated from the University last year, was killed Thursday night at the Municipal Airport when she walked into an airplane propeller.

Miss Coltrane attended the University for two years, and was enrolled in the College of Education. Previously she attended Kansas State Teachers College at Pittsburg.

At the time of her death she was employed by the Cessna Aircraft Company.

## Merit Exam Offered To Medical Students

Applications for merit examinations for medical technicians must be submitted by April 25, according to Charles S. Manley, acting director of the Kansas Department of Civil Service.

The test will be given May 12. Application forms can be obtained from the Department of Civil Service, 801 Harrison, Topeka, Kas.

Positions are open at the University of Kansas Medical Center in Kansas City, Kansas State College, University of Kansas, and Norton Sanatorium for Tuberculosis, Manley said.

## Heiress Features Different Leads

Audiences at "The Heiress," the drama to be presented April 19-21, will have the opportunity to see different portrayals of the male lead each night.

John Foster will play the fortune hunter, Morris Townsend, on opening night. However, Charles Schneider will create the role in the second performance. The two actors will alternate in another role—that of Arthur Townsend, cousin of the irresponsible Morris.

Abbie Troup plays the heiress in the drama, suggested by Henry James' novel, "Washington Square." Richard Weidman will be seen as the awkward heroine's stern father who despises her for her lack of wit and charm, and who threatens to disinherit her if she goes through with her marriage to a fortune-hunting fiancé.

Joan McClure will portray Lavinia Penniman, the heiress' silly aunt who promotes the love match. Marjorie Coover will be seen as Marian Almond, and Martha Reaugh as Elizabeth Almond. Dana Johnson and Barbara Conroy will be seen as Mrs. Montgomery and Maria.

The costumes and the setting, a fashionable parlor in New York's Washington Square of a century ago, are being designed by James Stearns.

## Miller Resigns Sunflower Post

The resignation of Mike Miller as editor-in-chief of The Sunflower was announced Tuesday by Dr. Robert Frazer, chairman of the Board of Student Publications.

Miller resigned his position to assume duties immediately in house magazine and personnel work at Coleman Company, Inc.

Dr. Frazer said that until formal action is taken by the board, Rankin Griesinger will serve as editor-in-chief; Joe Ludiker, managing editor; and Mary Fran Sullivan, desk editor.

Applications for the position of desk editor will be considered at the next meeting of the board April 16, and any student desiring this post should leave a sealed application, stating qualifications for the position, in the journalism office, Communications Building. Applications should be submitted not later than 5 p.m., Friday, April 13.

## 3 Art Students Win In Contest

Denzil Lane, Oliver Phillips, and Jane Barclay Taylor have been notified that their entries in the National Carpet Design Contest have been rated as part of the best 100 out of 1200 entries, according to Robert W. Cooke, associate professor of art.

The University student's winning designs will be displayed in an exhibit to schools and institutions throughout the United States. Prof. Cooke stated that the exhibit is scheduled for the University and will probably be presented here next fall.

The competition was sponsored by the Arthur Fleischman Carpet Company in Detroit, Mich., to inspire new types of carpets. The entries were judged for their originality, design, harmony, and practicability. Seven cash prizes were awarded.

## Printer's Devils

## U of W Scribes Purchase Attica Weekly Paper

Two University students took steps this week to secure positions at the top of the journalistic profession after graduation, rather than working their way up from the bottom of the ladder.

Joe Ludiker and Bob Olson, senior journalism majors, completed arrangements to purchase the Attica Independent at Attica, Kans., this week. The men will assume duties as publishers of the weekly newspaper on June 1.

At present the Independent is owned and published by J. E. Jacobson, publisher and editor of the Anthony (Kans.) Republican. Olson was employed for two months last summer by Mr. Jacobson under provisions of the on-the-job training course in newspaper publishing offered by the department of journalism.

"We intend to do everything from editing copy to setting up type and printing job orders,"

## Reunion Of University Alumni To Include 450 Graduates

The 52nd annual spring reunion of University alumni will be held on the University campus, Saturday, June 2, according to Miss Beulah Mullen, executive secretary of the alumni association. Approximately 460 graduates of the class of 1951 will be welcomed into the alumni association at this time.

Evadeene Bishop Baker and Dene Heskett are co-chairmen of the general alumni committee in charge of the reunion. Two seniors will be chosen at a later date to appear on this committee.

Special gatherings will be held,

prior to the general reunion, of the honor classes of 1901, 1911, 1921, 1931, and 1941. The reunion will mark the fiftieth anniversary of the graduation for five members of the class of 1901.

# Phi Sigs Will Honor Annual Sweater Girl At Broadview

The 1951 Sweater Girl will be honored at the annual Phi Sig "Sweater Dance" to be held in the English Room of the Broadview Hotel Saturday from 9 p. m. until midnight.

The Sweater Girl is chosen by the active chapter of the fraternity on the basis of beauty, poise, and personality. She will be presented with a sweetheart pin bearing the fraternity emblem.

The dance was planned by John Kincheloe. Bob Bashford's orchestra will play for dancing.

Special guests include Mrs. Charles M. Jones, Mr. and Mrs. N. W. Edwards, and Dr. and Mrs. Ross M. Taylor.

## Sorority Holds Open House

Open house at the newly-completed Epsilon Kappa Rho sorority house was held Sunday from 3 to 5 p. m. and during the evening from 7 to 9 p. m.

Faculty and the sorority's Mother's Club were invited to the afternoon open house, and the social organizations on the campus attended the evening open house.

## Koehn New President

New officers were elected at a recent meeting of the University chapter of Kappa Pi, national honorary art fraternity.

Vivian Koehn is president; Denzel Lane, vice-president; Marilyn Bills, treasurer; Anne Mann, secretary; Jackie Johnson, publicity chairman; and Marguerite Churchman, pledge mother.

"Grinding and Mixing of Oil Paints from Dry Pigments" was demonstrated at the meeting by Lane.

## and about the Campus

By Dorothy Ludiker  
Sunflower Society Editor

The Wheaties "Eayseed Hop," scheduled for Saturday has been postponed until April 13, according to Joan Weigand, who is in charge of the dance.

Johnell Yost and Lonnie Calen are going "steady."

Jack Shumard has been accepted in the Marine Officers' Training School in South Carolina. He will leave immediately following his graduation.

Heading the activities for the coming week-end are the Phi Sig "Sweater Dance," and the Pershing Rifles dance. The 1951 Sweater Girl will be chosen by the Phi Sigs. Last year's Sweater Girl was Shirley Fisher Geist.

When the delegates from the University attended the National I.S.A. convention at K.U., they took with them Wushock as part of their identification. Wushock was quite a hit at K.U. according to Bill Holland. They also wore Wheaties sweaters, minus the emblems, and black and gold beanies.

Plans are being made by I.S.A. for a party in their newly decorated room, which will be held April 20. It will be an informal dance.

An open house will be held by the Phi Sigs April 15. All the sororities are invited and will visit during the afternoon.

Journeying home over last week-end were D. R. Stewart and Curtis Buller who went to Newton, Kas. Rudy Weigand went to Oklahoma during Easter vacation.

Red faces dominated again over the University campus early this week. No, Lid's Off was not shown again, it was due to a hot sun beating down during the ROTC Field Day.

Peg and Jack Shotemeyer trimmed Bob Barber and Gloris Davis in canasta over the week-end.

Bob Langenwalter, former Shocker, now public relations director of Hillside Joyland, put several University students to

# Pershing Rifles Pledge Dance Planned For Friday Evening

The Pershing Rifles pledge dance will be held tomorrow night from 9 p. m. until midnight in the Alibi Room in the Commons.

A skit will be presented by the pledge class, Lila McWhorter, honorary captain, and Jave Marteny, last semester's commanding officer will be honored. White roses, Pershing Rifles' emblem, will be worn by the women.

Special guests are Lt. Col. Robin Montgomery and Capt. Russell Smith.

- A partial guest list includes:
- |                     |                     |
|---------------------|---------------------|
| Hamilton Beardsley  | Sallie Talbott      |

| Leonard Runion      | Carolyn Small       |
| Leo Bigelow         | Sallie Lambert      |
| Frank Miller        | Nancy Rittenoure    |
| Bob Bixler          | Sally Albright      |
| Jim Clay            | Jewel McEnulty      |
| Bob VanVranken      | Charlene May        |
| Richard Matassarini | Nancy Cohen         |
| Bill Eldred         | Jim Wood            |
| Frederick Smith     | Barbara Seddon      |
| Harold Smock, Jr.   | Patricia McReynolds |
| Pat Tiltford        | Carol Lies          |
| Dee Stahl           | Jacque Leonard      |
| David Marteny       | Peggy Su Rorabaugh  |
| Dick Strauss        | Grace Ann Berberich |
| Stewart Engel       | Sharon Guigley      |
| Ward Bray           | Sylvia Wooley       |
| David Dewey         | Marybell St. Peter  |
| John R. Walker      | Alice Monk          |
| Perry Rose          | Wanda Gray          |
| Larry Harris        | Barbara Bonsser     |
| Forrest Jorgensen   | Lila McWhorter      |

work at Hillside Joyland Easter hiding Easter eggs. They reported that it wasn't easy, with 5,000 people looking on.

Ed King returned Sunday from two weeks active duty in the Naval Air Corps Reserve.

Dem Topaz, University student from the Philippines, went to Kansas City over the week-end, for the first time.

Many students will be on hand next Sunday afternoon to witness the Alumni-Varsity game.

Members of Sorosis Sorority had a "get together" last Thursday night at the house, to celebrate the closing of classes.

Phyllis McMichael is home from the hospital following an appendectomy.

The Pi Alphas aren't so anxious to find out when The Sunflowers are out nowadays. It seems that a few weeks ago just for a joke all the Pi Alpha pledges called the Sunflower office at intervals asking when the Sunflowers would be out. Last week in turn all the members of the Sunflower staff called the Pi Alpha house and informed them that the Sunflower was out. Turn about!

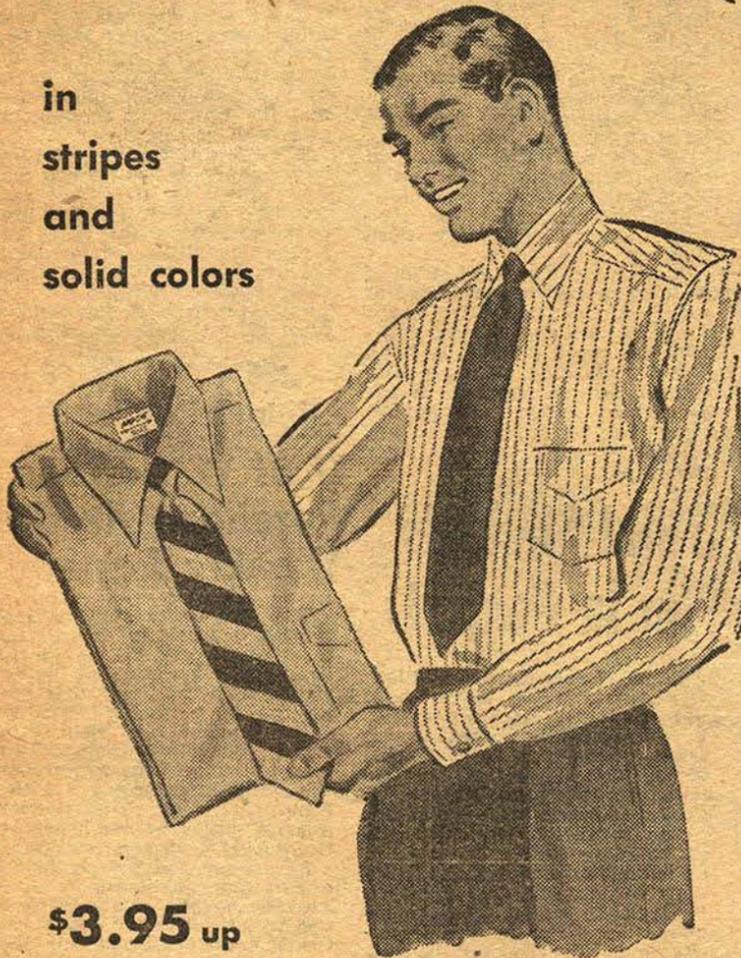

All of the sororities and fraternities seem to be busy these days practicing on their hippodrome skits.

# YW Officers Are Installed

Four officers and 18 cabinet members were installed into the University Young Women's Christian Association Monday night following a dinner.

Officers for next year are Della Bates, president; Carlene Sturges, vice-president; Abbie Troup, secretary; and Corrine Miller, treasurer.

New cabinet members are Edna Kamm, Anita Weurtz, Vivian Graber, Jo Ann Friend, Evelyn Brown, Bea Bowman, Juanita Clinard, Marjorie Coover, Elaine Lupton, Mary Helen Young, Polly Peckham, Harriet Cornwell, Jeannie Ponds, Nancy Rittenoure, Barbara Matthews, Pat Terrill, Barbara Richey, and Sue Smith.

Guest speaker was Mrs. Guy Gebhardt who discussed the subject of "Looking Forward," which concerned the importance of YWCA and its future.

Thelma Graber, the outgoing president, spoke on "Looking Backward," a topic which dealt with the achievements and events of the past year, and welcomed Miss Bates as incoming president.

# Students Attend Kansas U. Meet

Delegates to the Kansas District Conference of Young Men's and Women's Christian Associations will attend meetings at the University of Kansas tomorrow and Saturday.

The joint YWCA-YMCA conference will begin Friday evening and continue thru Saturday until evening. Della Bates, newly-elected president of the University YWCA and member of the district council, will remain in Lawrence to attend planning committees for summer retreat.

The Rev. Bill Hage, First Presbyterian minister at Emporia, Kas., will be the main speaker at the conference.

Those attending will include Thelma Graber, Carlene Sturges, Frances Spalding, Margaret Rinehard, Donna Baird, and Della Bates.

# Dr. Mood To Attend Teachers' Convention

Dr. Robert Mood, head of the University English department, will attend a meeting of the Committee for Articulations of General Education in Common Learning at the Kansas State Teachers Association in Topeka April 14.

Ten other Kansas cities will be represented at the meeting, said Dr. Mood.

# University Couples Announce Wedding Plans For Spring, Summer Months

The approaching marriage of Miss Collette Porter to Dale Howard Cooper, son of Mr. and Mrs. Lloyd F. Cooper is announced by her parents, Mr. and Mrs. M. R. Richards, of Amarillo, Tex. The wedding will be an event of June 2 at 9 o'clock in the morning in the chapel of the First Presbyterian Church.

Miss Porter was graduated from Wichita High School East where she was a member of the National Honor Society. Both Miss Porter and Cooper attend the University. She is a member of Alpha Tau Sigma sorority and he is affiliated with Men of Webster fraternity.

Mr. and Mrs. Sheldon Lee Scott announce the engagement of their daughter, Patsy Queen, to Jackson Hubert Sheats, son of Mr. and Mrs. Claude L. Sheats. The wedding date will be announced later.

Miss Scott and Sheats were graduated from Wichita High School East. She previously attended the University where she was affiliated with Sorosis sorority and Sheats now is affiliated with Alpha Gamma Gamma fraternity.

The engagement of Miss Marguerite Wadsworth to Homer (Bud) Fanning, son of Mrs. Maude Fanning is announced by her parents, Mr. and Mrs. Albert E. Wadsworth.

A graduate of Wichita High School East, Miss Wadsworth attended the University where she was affiliated with Sorosis sorority.

Fanning also is a graduate of Wichita High School East and is attending the University where he is a member of Alpha Gamma Gamma fraternity.

Mr. and Mrs. Anthony Gorges announce the engagement and approaching marriage of their daughter, Dorothy, to William J. Hill, Jr., son of Mrs. William J. Hill. The wedding will take place April 14 in Blessed Sacrament Church.

Miss Gorges attended the University where she was a member of Alpha Tau Sigma sorority. Hill was graduated from Southern Methodist University.

The engagement of Elizabeth Ann Brown, daughter of Mr. and Mrs. Nicholas Brown, to Robert Francis Bennett, son of Mr. and Mrs. A. L. Bennett, was announced recently. No date has been set for the wedding.

Miss Brown was graduated from the University where she was a member of Alpha Tau Sigma. Bennett also was graduated from the University of Wichita where he was a member of Alpha Gamma Gamma fraternity.

The engagement and approaching marriage of Mary Beth Burns, daughter of Mrs. Faye Burns, to W. B. Phillips, son of Mr. and Mrs. W. B. Phillips, was announced recently. The wedding will take place April 21 at Sacred Heart Church in Dodge City.

Phillips is a graduate of the University where he was a member of Phi Upsilon Sigma fraternity.

Miss Mary Margaret Horn, daughter of Mr. and Mrs. Charles C. Horn, became the bride of Richard L. Wright, son of Mrs. Lorene B. Wright, on March 8 in the chapel of the First Presbyterian Church. The Rev. Joseph R. Laughlin officiated at the double ring ceremony.

Both the bride and groom attended the University where Wright was a member of Alpha Gamma Gamma fraternity.

## Websters To Hold Mother-Son Luncheon

The annual Men of Webster Mother-Son Luncheon will be held at noon today at the fraternity house.

The committee in charge includes: Mrs. J. C. Schwank, Mrs. Claude Utterback, Mrs. Don Douglass, Mrs. B. B. Warner, and Mrs. Goodwin.

## Club Corner Drake To Speak To Young GOP Meeting Tonight

**Young Republicans**  
A regular meeting of the University Young Republicans will be held tonight at 7:30 in Room 106 in the Business Administration Building. Tentatively scheduled to speak is Mr. Whitney Drake, chairman of the Republican Central Committee of Sedgewick County.

**Kappa Delta Pi**  
Kappa Delta Pi, education fraternity, will hold its regular meeting tonight in Room 230 in the Administration Building, at 6:30.

**Spanish Club**  
The next meeting of the Spanish Club will be held at El Charro Cafe, April 12, at 6:30 p. m. A Spanish comedy will be presented by members of the club.

**Sociology Club**  
Gordon Heller, lecturer of anthropology, will speak at the next meeting of the Sociology Club April 18, at 8:10 p. m., Room 324 Administration Building. Mr. Heller will speak on "The Romance of Archeology."

**Folk and Square Dance Club**  
The University Folk and Square Dance Club will hold a regular meeting at 7 p. m. tomorrow in the Women's Gym.

**Modern Dance**  
A regular meeting of the University Modern Dance Club will be held next Wednesday from 3 p. m. until 5 p. m. in the Women's Gym.

**Alpha Phi Omega**  
A business meeting will be held at the next meeting of Alpha Phi Omega next Wednesday at 7:30 p. m. in Room 204 Administration Building.

**I.S.A.**  
Flower arrangements will be discussed at the next meeting of the Women's I.S.A., which will be held next Monday at 7 p. m. in Room 113 of the Service Building.  
A regular meeting of the Men's I.S.A. will be held next Monday at 7 p. m. in Room 112 of the Service Building.

## Dean Wilkie Attends Guidance Convention

Miss Grace Wilkie, dean of University women, recently attended the Convention of Councils of Guidances and Personnel Associations in Chicago.

While at the conference, the dean attended a number of educational discussions and heard Edith Simpson, a United States representative to the General Assembly of the United Nations.

## Elk Lodge Gives Institute \$500

A \$500 check was presented recently to the Institute of Logopedics by the Elks Lodge at Independence, Kan.

The gift was presented to Dr. Martin F. Palmer, founder and director of the Institute, by Ray Creeley, chairman of the club's charity committee and Max L. Wickersham, Exalted Ruler of the Lodge.

The spokesman for the Independence Lodge stated that the Lodge hopes to make its contribution annually, and to make a larger gift next year.

## Teachers To Go To Convention

Faculty of the University art department will join approximately 150 other Kansas art instructors Saturday at the twenty-fifth annual convention of the Kansas State Art Teachers at Newton, according to Robert W. Cooke, associate professor of art. Fifty examples of University students' work will be displayed at the all-day meeting. It is the first time, said Prof. Cooke, that one of the representative schools has been invited to prepare a departmental exhibit.

The oil paintings, drawings, commercial art works, designs, ceramics, jewelry and metal-craft pieces will be taken to Newton Friday by Prof. Cooke.

Prof. Cooke has also been asked to introduce the convention's featured speaker, J. B. Smith, director of the Kansas State Art Institution and School of Design, who will discuss the theme of the affair, "Art and the Community."

## Unusual Reaction

The Seawanhaka, Long Island University recently ran a full sports page—completely blank. The paper was protesting the administration's policy of curtailment in all intercollegiate athletics as a result of involvement in the basketball scandal.

## Honor Women Plan Annual Tea

Sophomore women who have maintained a high scholastic standing will be honored at the second annual sophomore achievement

ment tea to be given April 15 by the Senior Women's Honor Group.

Recognition will be given to all sophomore women who have maintained a high scholastic record during their freshman and sophomore years at the University.

Invitations will be mailed next week to all eligible women.

Starting April 9th ...

## NATIONAL ARROW WEEK

celebrating Arrow's 100 Years of style leadership

1851

1951

Campus life has certainly changed these past 100 years. Back in 1851 there were only 160 colleges in the entire country. Today, there are 1,849. No Rose Bowl game at the end of the football season in those days. No football season as a matter of fact. Open surreys were standard equipment of college Romeos—there wasn't a cream-colored convertible on the landscape. It was then, a century ago, that Arrow started manufacturing their famous collars ... and in a few years they were setting campus styles. That's one thing that hasn't changed. Arrow is still style leader on America's campuses. College men everywhere know that the Arrow label always stands for smart styles, fine fabrics, meticulous tailoring ... the superior quality that reflects good taste.

See your Arrow dealer's fine new Spring selections during National Arrow Week!

# ROTC Winners In Field Day Events Are Announced

Air Force and Ground ROTC cadets put their military training to the test Friday, when they competed in the annual Field Day events. Winners in the events were announced this week by Major Herbert Hartman, professor of air science and tactics, and Lieut. Col. Robin Montgomery, professor of military science and tactics.

During the military review which climaxed the events, best-drilled units in both air and ground ROTC were selected. Air squadron C, commanded by cadet Major Lonnie Callen, was judged first in its division, and infantry company B, commanded by cadet Captain John Hartman, won the other.

In other air events an element led by Andy Larson and a flight led by Dick Strauss won drilling awards in their respective divisions. A flight consists of three elements of eight men each. In the infantry unit, a squad led by Stuart Lane was named first in foot drill competition.

Winners in individual manual of arms were, seniors—Wayne Sullivan, first; John Caulkins, second; juniors—Hervert Babb, first, and Bob Greenburg, second; sophomores—Hamilton Beardsley, first, and Roland Kettelman, second; freshman—John Troup, first, and Harold Smock, second. The field wire laying event was

won by a team composed of Jim McHugh, Herschel Dehner, Hohn Meilert and John Swanson. In this event, the team raised a telephone line the length of the field, and connected instruments at both ends, in less than five minutes.

Joe Catudal, sophomore, won in the weapons assembly divisions. In that event, the contestants were handed 50 loose parts from four different disassembled weapons. Catudal managed to separate the pieces and reassemble an automatic rifle, an M-1 rifle, an M-1 carbine and an automatic pistol in three minutes, 40 seconds, some one minute, 8 seconds faster than his nearest competitor.

When asked to comment on the rapid 3 minute 40 second time, Catudal replied, "Well I usually do it in a minute less than that, I must have been nervous today."

A four-man team composed of Hamilton Beardsley, Joe Catudal, Myron Basom, leader, and Jim Snodgrass won first place in the heavy machine gun drill. In the heavy mortar drill the winning team consisted of Gene Thorpe, leader; John Birnett, Bob Rydjord and Edwin Hell.

Winners in the various events were presented with medals by Honorary Cadet Colonel Dee Gist. Judges for the events were members of the Reserve Officers Association and the Sojourners, co-sponsors of the competition.

# Two Debaters Lead At Meet

Two University debaters, Harry Hobson and Loren Keller, led the Missouri Valley Forensic League on the basis of combined speaker's rankings at the tournament which was held Saturday at Norman, Okla.

A split decision in a contest with the University of Kansas cost the University debaters a tie for the tournament title and made them narrowly miss making Missouri Valley Forensic League history.

Merton Rymph and Russell Watson, along with Hobson and Keller, composed the Shocker team which was seeking the third successive championship for the University. No school had accomplished the feat in the 27-year history of the league.

The University team was relegated to a second-place tie with Colorado University with an 8-4 count. The University of Kansas won the title with a 9-3 record.

Debaters from 11 schools argued President Truman's Point Program. No single speaker went thru the two-day event unbeaten.

Other entries included the University of Oklahoma, host school; Kansas State College; Texas University; Nebraska University; Creighton University of Omaha, Neb.; Washington University of St. Louis, Mo.; South Dakota University and Iowa State College.

The debaters will enter the University of Texas tournament on April 20-21, according to their coach, Prof. Philip J. Mohr of the University speech department.

# TYPED ON A WEDNESDAY

Ed. note—Typed On A Wednesday is published this week at the request of students on the campus for a humor column. This column was discontinued in 1949 and is being reinstated by the staff to determine the popularity of this type of humor among the students. All students are urged to contribute by leaving manuscripts in the Sunflower news room. The editors reserve the right to refuse publication or revise any stories submitted.

By Bob Barber

Agnes Dewlap was, without a doubt, the most unique woman on the campus during her four years. Her name will be remembered when other, lesser people have been long forgotten.

Do you remember that famous commercial, "She's young, she's lovely, she uses Lava?" You do? Well, that has nothing whatsoever to do with Miss Dewlap.

The name of Dewlap is, even yet heard on every lip. Her name is a shining beacon, a star for all who follow to set their course by. Every so often, a likely woman is picked, to succeed her, but all of them fail. None can live up to her accomplishments.

A book written about her life and the amazing series of incidents which led up to her unbe-

lievable accomplishments will soon be published by Scribblers and Relatives, the noted publishing house.

Only one of the minor incidents of her life will be mentioned here. She once rode a cross-country bus from Wichita to Kechl. She sat next to a dignified lady, and soon they were conversing.

They found that they had no friends in common, knew absolutely no one with the same names, had never been in the same towns, went to completely different schools, and they didn't even like the same foods. Agnes was flabbergasted. More gasted than flabber, in fact.

But what is even more amazing, when they got off the bus, they never saw each other again.

Her list of accomplishments include NOT being chosen Homecoming Queen, Honorary Cadet Colonel, Parnassus Queen, Belle of the Ball, May Queen, Betty Coed, or Sweater Girl, during her college career.

Judges zipped by her in picking the Pi Alpha Princess, and "The Girl We Would Most Like to Go to Press With."

The football team sidestepped her application for their "Girl We Would Most," and the Chess Club moved not to make her their "It's Your Move," girl.

The engineers flashed by her to choose a willowy blond "Woman With the Best Structural Design;" the baseball team fouled her out as a possible choice as their "Girl We Would Love to Get to First Base With;" and the geology group told her she took a lot for "granite" when she competed for "Miss Down to Earth."

Mark her name. Remember her well. She will go down in history of the University of Wichita.

She was never elected queen of anything.

Three cheers for Agnes Dewlap, queen of the no-queens.

# U Of W Scribes

Continued From Page 1

Ludiker said when asked about his new venture.

Living quarters for the publishing partners will consist of an apartment behind the printing plant. The two graduating journalism majors intend to serve in every phase of the newspaper publishing business, from policy determination to the work of the printer's devil.

Ludiker is currently serving as managing editor of The Sun-

Joe Ludiker Bob Olson

flower and president of Colophon, men's journalism honorary fraternity. He attended the Printing School of Kansas State Teachers College last summer at which time he received instruction in linotype operation, photography, and press room operation.

Olson is editor of Parnassus and vice-president of Colophon. He was editor of the yearbook last year.

"I'm not sure yet whether we're starting from the top down or the bottom up . . . but we're starting," was Olson's cryptic comment when queried about his future in the publishing business.

# Lieurance Guest Of Kiwanis Club

Thurlow Lieurance, retired Dean of Music at the University was guest of honor on his 72nd birthday at the Kiwanis club meeting last Friday at the Allis Hotel. He is an honorary member of the group.

After being introduced to the Kiwanians by Worth A. Fletcher, University registrar, there was a special program of Lieurance music performed by Beatrice Sanford Pease, violinist, and Guy Snyder, pianist. Mr. Lieurance gave the background of each composition as it was played.

Music played included "Falling Leaves," "Romance in A," the Lament from "Minisa," "Blue Mist," "Sweet As an Angel Fair" and "Cereonial War Dance."

The Kiwanis chorus closed the program with Lieurance's "Remembered" arranged especially for men's voices by the composer, accompanied by Mary Alice Fishback.

# Get Out!!

The University, which has its share of dogs in the classroom, can now boast a remarkable canine who understands French.

The animal wandered into a French classroom and settled himself under a chair, to the amusement of the students who dubbed him "a French poodle." The dog stubbornly resisted efforts to evict him until Miss Jacquetta Downing, professor and head of the French department, fixed a stern look upon him and commanded, "Va-t'en mon petit chien, va-t'en" (French equivalent of "Get out of here with that !!!").

The penitent pup promptly hastened from the room.

# The Alumni Football Roster

## Night Football Is First Played Here During '05

(Reprinted from Sunflower Inaugural Edition)

The first football team at the University of Wichita, then Fairmount College, was organized in 1897. Half of the team was made up of players outside the school. The team clashed with Wichita High School, winning by the odd score of 12-4.

In 1898 Fairmount College played its first game against college competition, losing to Friends University, 5-0.

### First Night Game

The following season the school had its first full schedule, four years after its establishment.

An important year in football history was 1905. On October 6, Wichita was the scene of the first night football game in Kansas, and believed by many to be the first one in the United States. On that night Fairmount defeated Cooper College of Sterling, Kans., 24-0, on a field illuminated by gas lights.

On Christmas Day of that year the first forward pass in the history of the game was completed during an experimental game encouraged by President Theodore Roosevelt to determine whether football could be saved for collegiate competition. This was done against severe public criticism. The pass was an awkward two handed toss from Bill Davis, Fairmount center, to Art Solter, end, completed for 10 yards.

### 29 Years Later

Twenty-nine years after the first Fairmount game, the University of Wichita Shockers played their first game against the Haskell Indian Braves. The Shockers couldn't match the Braves' power and went down to a count of 57-0.

Haskell was considered one of the best teams in the country that year, playing some professional teams.

The 1926 season was a success, however, with the Haskell team being their only defeat.

## U of W Field Tribute to Vets Of Two Wars

(Reprinted from Sunflower Inaugural Edition)

On Thanksgiving Day, 1930, Shocker Field was unveiled to 2,200 enthusiastic football fans. The Wheatshockers beat their bitter rivals, Friends University, that day 14-0.

However, with the passing of years, ideas changed. As the city grew, it became apparent that Shocker Field was inadequate for a city Wichita's size. It was far below the capacity of any other university fields in the Missouri Valley Conference, of which Wichita is a member. Plans to enlarge the field, making it into the form of a horseshoe, were soon drawn.

### Plans Sought

In 1946, a committee of students appointed by the Student Council approached W. M. Jardine, president of the University. The committee asked that plans be made, as soon as possible, to erect a memorial stadium to the veterans of both world wars.

Several weeks later, students, alumni, and leading Wichitans began an intensive drive to raise \$250,000 by popular subscription for the construction of the memorial stadium to be called, Veterans' Field. The stadium, to be located on the University campus, was not to be "a statue, or monument, but a permanent, living, and useful citation to 17,857 Sedgwick County war veterans."

### 15,000 Capacity

People of Sedgwick County contributed nearly \$100,000 to the field's construction. By the start of the 1946 football season, 8,000 permanent seats were finished and Veterans' Field became a reality. Present seating capacity of the stadium is 15,000.

The press box, high atop Veterans' Field, is comparable to the finest in this region. It has accommodations for 40 scouts and sportswriters, six radio broadcasting booths, a public address booth, equipment for three Western Union operators, and a booth for motion picture cameras. The stadium's bowl-type design allows for expansion. Future plans are to have a field house, greater seating capacity, and floodlights for night games.

### Six Eyes

Benjamin Franklin invented bifocal glasses.

### Officials

Referee—Pete Marconi, Pittsburgh.

Umpire—Pike Gawthrop, University of Wichita.

Head Linesman—Mick Stevens, University of Wichita.

Field Judge—Meredith Pitkin, Emporia.

# Taylor Newspaper Wrathful At Religion Biased Teachers

The Echo at Taylor University in Indiana was slightly irritated with some of the professors. Having read that the Daily Iowan was condemning professors for being anti-religious the Echo decided that many of the Taylor professors had committed an even worse sin; that of being against only certain religions.

"Often we have heard," declared the Echo, "professors present views that they are not in agreement with in such a sarcastic and mocking manner as to make those views appear utterly ridiculous."

"Yet a little reflective thinking should reveal to those teachers that the very presence of those views in the text-books shows that they have some merit.

To present non-Christian views in an objective light does not constitute agreement with those views, and the students realize that.

"To present non-Christian views with a vindictive bias is unfair to the student who should be learning to make up his own mind and do his own thinking. . . This does not mean that the professor has no position as a guide. It does mean, however, that the professor has no position as an instrument of thought control. . . ."

"We at Taylor are oftentimes as guilty of tearing down an important pillar of democracy—freedom of education—as they are at other schools of tearing down. . . freedom of religion."

# 5000 Students Attend Festival

Nearly five thousand music students from 63 Kansas high schools took part in the 12th annual Wichita University music festival, held on the campus last Friday and Saturday.

All soloists and ensembles from the three classes that received superior ratings are automatically entered in the state music festival to be held at Emporia April 14. Entries were judged on a non-competitive basis, receiving ratings ranging from superior to good. The festival, along with nine others held in Kansas, were sponsored by the Kansas High School Activities Association.

Large ensembles, including bands and orchestras, were heard by the judges Friday, with the small ensembles on Saturday. On both days festival sessions continued from 8:30 a.m. to about 6 p.m.

Buhler, Harper, Halstead and Haven received many of the top ratings in classes A and B. Wichita East, North, St. Mary's, Winfield, Hutchinson and El Dorado received many of the superior ratings in the AA class.

Several University music department alumni now at high schools in this area conducted larger ensembles, and small groups entered at the festival. They were Robert Senner, Buhler; Ethel Mae Scott, Walton; Lyle Dilley, Belle Plaine; Howard Oliphant, Cheney.

# Pilots Invited To Air Meet

Student pilots at the University who are interested may enter the fourth annual National Intercollegiate Air Meet, to be held at the University of Oklahoma airfield from May 4 to 6, according to word received from the National Intercollegiate Flying Association, sponsor of the meet.

Student pilots from more than 20 colleges and universities are expected to enter the meet, features of which will be navigational competition, and stunts, flour-sack bombing, and an Air Force exhibit.

# Ehram Will Attend State Guidance Meet

Twelve members of the faculty of the University mathematics department will go to the University of Kansas tomorrow and Saturday for a joint meeting of the Kansas Association of Mathematics and the Kansas section of the Mathematics Association of America.

Making the trip will be Professors C. B. Read, Lewis M. Reagan, Ferna Wrestler, Edward B. Wedel, and J. Ray Hanna, along with Miss Jeneva Brewer, John Snodgrass, Mrs. Agnes Nibarger, Harold F. Simmons, Miss Sabrina Morlan, Miss Louise Hartman, and Miss Janet Burnham.

# VD, Communism

In an editorial the Silver and Gold at the University of Colorado told the following anecdote: "It seems that a member of the University faculty was speaking at a luncheon somewhere in Colorado recently. At the conclusion of his address a gentleman arose and said, 'Sir, I understand that they teach Communism in the classes at the University. Is that true?'"

"The faculty member replied: 'Sir, that is quite true. We do teach Communism in our classes. And in our medical school we teach syphilis. But we don't advocate either.'"

# Spanish Comedy Music Members To Be Presented At Club Meeting Plan Concerts

A Spanish play, "Uno de ellos debe casarse," will be presented to the Spanish Club at El Charro Cafe on April 12 at 6:30 p. m. The program is part of the annual Pan American celebration, according to Dr. Eugene Savaiano, head of the Spanish department.

The play is a short two-act comedy by Ruth Henry and the cast consists of Sharne Winters, Bill Howell, and Dan Tevis. It is directed by Dr. Savaiano and Mrs. Dorothy Gardner, Spanish instructor.

There will be another performance of the play for the Wichita Pan American Club on April 14. On April 28, it will be given at the University of Kansas during the annual meeting of the American Association of Teachers of Spanish.

One hundred and thirty-five members of the School of Music will perform in two concerts in Salina Friday, April 13, according to Walter M. Duerksen, head of the School of Music.

The Salina Public School Department of Music is sponsoring the appearance of the 75-piece University Symphony Orchestra under the direction of James P. Robertson, head of the University orchestra department, and the 60-voice A Cappella Choir directed by Harold A. Decker, professor and head of the choral department.

Friday afternoon the group will present a joint concert for the Salina public schools. The public will attend an 8 p.m. evening performance.

# Applied Health Class Sees Demonstration

The applied health class of the University recently attended a

# For The Best

The best business firms in the territory advertise in The Sunflower. Patronize them.

# Psychology Film Available Now

The film of the experiences of Fred Snyder, a psychology instructor, while wearing upside down glasses, has been completed, according to Dr. N. H. Pronko, head of the psychology department.

Snyder wore these glasses for thirty days and everything he viewed through them was completely reversed. This experiment received national publicity in Life magazine and he was featured on television at the time.

demonstration and tour at the Institute of Logopedics.

The demonstration of children taking speech training was presented by Mr. Roy Elben, instructor and supervisor in logopedics. John Grover, member of the staff at the Institute conducted the tour.

Leon M. Bauman, lecturer in bacteriology, is the instructor in the applied health class.

# Eye Movements To Be Studied In Joint Project

Many art observers gaze at a beautiful painting without ever realizing what paths their eyes take in the process.

The psychology and art departments are launching a joint research program in which they will study what movements the human eye makes when looking at a painting. They plan to find out if there are certain elements of design that cause the eye to take varied paths thru the picture.

This process will involve photographing eye movements of subjects while they are looking at various pictures. Each picture will be set on an easel in front of the subject and the camera will be set up focusing on the subject's eye. By this method the eye movements will be recorded on a slow moving film.

"In this way we hope to find out how people react to paintings," stated Dr. N. H. Pronko, head of the psychology department.

# Howell Presides Over Convention

Carol Howell, University home economics major, presided over the meetings of the joint Kansas-Missouri home economics convention at Kansas City, Mo., March 30 and 31.

Mary Fields, Carol Turney, Joyce Allison, Elaine Lupton, Thelma Farra, and two home economics instructors, Miss Katharine Van Keuren and Mrs. Carl Ortmeier, also attended the convention.

Miss Howell, student president of the Kansas Home Economics Club, had charge of the initiation of new officers and presided at the meetings and special luncheon in the absence of the president of the Missouri Home Economics Club.

"It was the first time in home economics history that two states met jointly for an annual convention," said Miss Van Keuren. "It was a fine experience for the girls because they met professional home economists who have an opportunity to offer these girls employment."

Special departmental tours of the Keith Furniture Company gave the women additional information concerning interior decoration, upholstery and draperies, furniture, and silver, crystal, and china.

Approximately 200 college women and 425 professional home economists attended the convention.

# 'Dem' Tupaz, Filipino Student, Says Americans Have Accent

By Virginia Stafford

A 25-year-old Filipino, who learned of the Institute of Logopedics when he read an article in a magazine about it, has found knowledge and adventure along with his own speech improvement at the University of Wichita.

Demosthenes Tupaz of Quezon City, Philippines, read an article in a Saturday Evening Post in 1948 when he was a senior in high school. He attended the Institute of Technology in Manila for two years while awaiting the arrangement for the journey to the States to be completed.

"For many years I have wanted to have my speech corrected but there is no school in the Philippines that gives speech correction work," said the Filipino boy whose name has been shortened to "Dem" by his fellow-students here at the University.

Dem arrived in San Francisco September 17, 1950.

"Although I had studied English for many years, during my first two months here I found it somewhat a problem to under-

stand what was said to me because of the American accent," he stated.

Dem is impressed with the traffic, which moves so much faster than the traffic in Manila, the Institute with its modern Administration Building, and the cold weather which he experienced this winter for the first time in his life.

"Although the food is quite similar to what we have at home, I had to adapt myself to the American way of cooking," he explained.

Dem still has his "merienda" which is similar to the English afternoon tea, each afternoon.

"I have a coke and doughnut in the logopedic cafeteria during the afternoon," he said with a smile. "If I were at home, I

# Veterans Must Watch Grades

Veterans who are on probation this semester, because their credit point index was below 0.3 last semester, run the risk of not receiving further benefits under the G.I. Bill of Rights if they are again below 0.3, according to George Smith, head of the Veterans Guidance Division.

Mr. Smith explained that if a student is below the 0.3 level for the probation semester, he is suspended for 18 weeks. Therefore, should a veteran be suspended for 18 weeks he would not be allowed to enroll the next semester.

would be having a cup of hot chocolate and a rice cake for my merienda."

Besides carrying courses toward a major in logopedics, the Filipino student works for 4 hours each weekday in the commissary at the Institute.

"My plan upon the completion of my course is to work at some university in the Philippines helping the students who have speech handicaps," Tupaz said.

# Munies Schedule Season Opener

Batting practice featured the first day of outdoor drills for the Shocker baseball players who reported to Coach Ken Gunning Monday afternoon. Pitchers and catchers have been working out in the Men's Gym for the past several weeks.

The Munies open the season this weekend against Oklahoma Baptist University of Shawnee on April 6 and 7. Both games will be played at Swartz Field on West Second Street starting at 2:15 p.m.

Players working out Monday included Randy Barron, Gerald Bowen, John Friedersdorf, Rex McMurray, and Joe Rochford, pitchers; Ross Bartholomew, Eddie Kriwiell, Dick Sanders, Bob Balman, John Walor, and Eddie Zegler, infielders; Ed Houlik, Gene Kuhns, Bill Tibbetts, Lyle Timmons, and Jim White, outfielders.

Kansas State has been added to the 1951 schedule with games here April 10 and 11.

# Thinclads Invade Winfield April 7

## Freshmen Will Host Invitational April 10

University of Wichita's track squad will travel to Winfield Saturday for a dual meet with Southwestern College. The meet had been scheduled for March 28 but was postponed because of bad weather and illness of key men on both squads.

As in past meets this year, Walt Byfield, Sam Evans, Wesley Hodge, Clarence Jernigan, Jimmy Nutter, Carl Sundgren, and Ted Theodosoff are expected to carry the load for coach Al Bidwell's Shocker thinclads against the Moundbuilders.

Sundgren, a sophomore weights specialist, set a new record in the discus throw for the Oklahoma A and M Relays last Saturday with a heave of 137 feet.

# Emporia State Edges Shockers

The Shocker track squad dropped its first dual meet of the season to Emporia State Teachers College by a score of 67 and two-thirds to 63 and one-third Tuesday afternoon at Emporia.

Carl Sundgren was high point man for the Shockers with 10 points. He won first place in both the shot put and discus throw with distances of 44 feet and 136 feet, six inches respectively. High point man for the E State Hornets was Roger Ruth with 10 and one-half points.

Other first place winners for Wichita were Sam Evans and Dan Blankenship—the first in the high jump, Wes Hodge—100-yard dash, Walt Corbin—220-yard dash, and Walt Byfield—Javelin throw.

eleven and a half inches. A sore finger on the right hand hampered Sundgren in the shot put in the Stillwater meet. However, coach Bidwell expects the 250-pounder from Denver, Colo. to do better with the shot once the finger is healed.

Other Shockers who placed in the university division of the Aggie Relays were Byfield, third in the javelin throw; Evans, first for third in the high hurdles; and Hodge, third in the 100-yard dash.

Several freshmen also showed promise last Saturday. Ed Lomax placed second in both the shot put and discus throw. Bob Roberts tied for first place in the high jump with a jump of six feet, two inches. Bob Bixler, Bob Burright, Darrel Basom, Jack Ackeborg, John Swanson, Jerry Howell and Frank Miller combined talents to place in several relay events.

The freshmen will make their first home appearance next Tuesday when they host an invitational meet. Schools which are expected to participate include Bethany, Bethel, Friends, and McPherson.

A triangular meet with the Fort Hays and Emporia State Teacher Colleges participating against the Shockers has been added to the varsity track schedule on April 24.

**The Law Says**  
Persons, firms, or corporations charging fees or collecting dues for the bringing together and making acquaintance of persons for matrimonial and companionship purposes will be charged \$200 per annum.

# Sports Roundup

By Clifford Krause  
Sunflower Sports Editor

The announcement this week of Commissioner A. E. Eiler of the Missouri Valley Conference that freshmen would be eligible for varsity competition after September 1, 1951 was received very enthusiastically in Shocker athletic circles.

Lack of personnel looms as one of the chief problems facing University coaches next year, but with freshmen becoming eligible this hardship should be considerably eased. For instance, the present varsity football roster includes 41 men, yet with the addition of some talented freshmen the Shockers could be turned into a more formidable aggregation.

**Basketball should benefit from the new ruling, too. In fact, it should stimulate cage coach Ken Gunning's efforts to lure such talented high school cagers as Cleo Littleton of East along with Don Hartman and Larry Olick of St. Mary's to this school.**

Spring sports will receive more support thru the addition of freshmen. Coach Ab Bidwell's freshmen thinclads of this year have already shown signs of being capable of entering varsity competition. High jumper Bob Roberts' jump of six feet, two inches at Stillwater last Saturday is just one-half inch short of the school record. As a team, the freshmen finished fifth in the Aggie Relays. Round up a frosh cinder squad comparable to this year's crew and the Shockers could dethrone Oklahoma A. and M. from the Valley track championship. Sam Sadler, freshman golfer, posted a score of 154 in the first two rounds of qualifying play, to place second behind team captain Joe Minjares.

In short, it is not too difficult

to see how the freshmen eligibility rule will benefit the University's athletic program next year.

Another bit of good news which should aid athletics is the plan to test college students to determine whether they remain in school or be immediately subject to the draft. This new ruling plus the freshmen edict should guarantee colleges enough athletes during the current conflict. Several athletes at this school are already deferred because of enrollment in ROTC and prior military service.

### Shocker Shorts

Pres. Harry F. Corbin not only holds down the top position of the University, but also leads all intramural bowlers with an average of 179, according to latest figures from intramural director Bob Kirkpatrick's office. He is a member of the Faculty "A" team. Bill Hornish of Phi Sig "B" is close behind with an average of 177. Webster "A" still remain in first place in the league standings with 15 wins and three losses.

Shocker Stadium will be the scene of a Class AA invitational high school track meet April 13, according to Shocker track coach, Ab Bidwell. Schools which have already announced intention of participating include McPherson, Dodge City, Great Bend, Hutchinson, El Dorado, Wichita East, Wichita North, Planeview, and St. Mary's.

## Websters Take Matmen Title

Men of Webster's wrestling team swept the intramural tournament by winning five of the eight title matches last Thursday night in the Men's Gym. Phi Upsilon Sigma fraternity took second place honors, Independents and Pi Alpha Pi tied for third, and Alpha Gamma Gamma was the fifth place finisher.

Results of the eight championship matches are as follows: 121 lbs.—Jack Tolliver (Phi Sig) pinned Jerry Busch (Pi Alpha Pi); 128 lbs.—Tom Wolf (Webster) pinned Joe Catudal (Webster); 135 lbs.—Pat Corbett (Independent) decided Bob Young (Phi Sig); 145 lbs.—Bob Bixler (Webster) decided Don Yokely (Pi Alpha); 155 lbs.—Al Clum (Webster) pinned Ed Tucker (Phi Sig); 165 lbs.—Dick Linn (Phi Sig) pinned Rod Sweetman (Webster); 175 lbs.—Ray Coleman (Webster) pinned Leonard Walz (Phi Sig); heavyweight—J. D. Edmiston (Webster) pinned Gene Paluzzi (Phi Sig).

In the ping pong tournament which also ended last week, Carl Mibeck copped the singles championship and then teamed up with Willie Johnson to win the doubles title.

## Badminton Title Goes To Jean Drake Again

Three badminton players won singles and doubles championships in the tournament which ended March 21.

Jean Drake took top honors in the singles division for the second time in two years, after Mary Jabara forfeited in the final round.

Donna Cravens and Phyllis McMichael defeated Jean Drake and Peg Gregory in the finals of the doubles tournament. The scores for the three matches were 4-15, 15-7, and 17-14.

## Varsity-Alum Football Game To End Short Spring Drills

The shortest spring football practice sessions in the history of the school will end Sunday with the Varsity-Alumni game at 2:30 in Veterans Field.

Bad weather has been the chief cause for the abbreviated spring drills. Also, uncertainty of returning personnel for the 1951 season was a factor for making practice shorter this spring, according to the Shocker coaching staff.

Highlighting the Alumni contest Sunday, besides the parade of former Shocker stars, will be the lineup changes on the Varsity squad. Eddie Ziegler, who has been playing defensive quarterback, will be moved over to the right halfback post on the defensive eleven. Eli Romero, a fullback on the 1950 varsity, will be running out of the offensive right halfback slot.

In the line, Jim Jernigan, formerly a guard, is slated to start at offensive right tackle. J. D.

Edmiston, who played fullback as a freshman and then moved up to guard on the varsity, is now expected to get the nod for starting offensive center. Dick Coleman, regular offensive center in 1950, has been switched to an end position.

Earl Hamilton, coach of the Alumni squad, will have about 40 players at his command for Sunday's tilt. Hamilton will also see action as offensive quarterback. Alumni players will include those who played here in the 1930's such as Rip DePascal, now coach at St. Mary's High School, along with some of the 1950 stars such as Eddie Kriwiel, Harold Nevius, Gene Wells, and Jim White. Red Shadoan has been named honorary coach for the game.

Probably starting offensive lineups are as follows:

## Minjares Leads In Golf Round

Joe Minjares was the leader at the end of 36 holes in the 54 hole qualifying round in golf, April 4, with a total of 151. The final 18 holes will be played tomorrow at Macdonald Park.

Maurice Bowen is seven strokes off the pace with a 158. Dan Smith is seven strokes behind Bowen, and Dick Adkisson and Irving Coffey are 15 strokes off the pace. Sam Saddler carded a 154, but is not eligible to play, being a freshman.

The varsity will play a practice match with the faculty, Monday. The faculty team will consist of Pres. Harry F. Corbin, Bob Kirkpatrick, Earl Hamilton, and Bob Carlson, of the coaching staff.

Members of the golf team will have their first match April 13 with Kansas State College at Wichita.

## Women Bowlers Begin Intramurals Mar. 27

The women's intramural bowling league got under way with two games bowled Mar. 27.

In the first game the ISA defeated Delta Omega, 981 to 767. The Unaffiliates upset the Pi Kaps, 957 to 780.

Two games were played Tuesday between Pi Kaps-Alpha Taus and ISA-Unaffiliates. On the schedule for April 10 are games between ISA and Pi Kaps and Delta Omegas-Alpha Taus.

The games are played at 3 p. m. on Tuesdays at the Sky Bowl Alleys.

### The Law Says

Engaging in the operation of a museum requires a fee of \$5.00 per day or \$50 per month, according to a city ordinance.

## Taggart Attends District Meet

The April calendar of the women's physical education department is crowded with many conventions and trips.

Miss Gladys Taggart, professor and director of the department, is currently in Des Moines attending the central district convention of the American Association of Health, Physical Education and Recreation which ends April 7.

From April 10-13, Rose Lamb, Gynith Giffin, Mary Jabara, and Miss Dorothy Martin, instructor in women's physical education, will be in Ann Arbor, Mich., attending the national convention of the Women's Recreation Association.

Miss Martin will go from Ann Arbor to Detroit where she will be joined by Miss Yuriko Onoda, also an instructor in the department. They will take part in the national convention of the A. A. H. P. E. R. Miss Martin will also participate in the national meeting of the Basketball Rules Committee.

On April 7 Miss Onoda and students from the modern dance club will journey to Kansas State College in Manhattan to participate in a master lesson being conducted by Merce Cunningham, modern dance teacher and former associate of Martha Graham.

## M. Smith, Golf Pro Gives Demonstration

Marilyn Smith, Wichita golf pro, conducted a golf clinic and demonstration on the campus Tuesday.

The demonstration was attended by physical education majors and members of the golf classes.

## Oxford Is Open For Scholarships

Applications for 1951 Rhodes Scholarships to the University of Oxford, England, have been received by Dean L. Hekhuis of the College of Liberal Arts and Sciences. Those eligible to apply for the scholarships should see Dean Hekhuis, University representative for the scholarships.

To be eligible, the applicant must be an unmarried male citizen of the United States, be between the ages of 19 and 25 on October 1, 1952, when the scholarship goes into effect, have at least junior standing in the University, and have official endorsement of his college or university.

Final state selections will be made December 12, 1951, for the scholarship. The selections will be made on the basis of literary and scholastic ability, qualities of manhood, leadership, and physical vigor.

There are annually thirty-two Rhodes scholarships awarded in the United States, each worth about \$2,000. Those qualifying for GI benefits will receive the same benefits from Oxford.

## Library Purchases French Dictionaries

For any students desiring to look up or define anything in French, the University Library has added four new volumes of the Larousse Twentieth Century Dictionary. These four new volumes complete the set, according to Librarian Downing P. O'Harra. The six volumes are with the other dictionaries in the Reference Room. Printed in French, the books were bought direct from Paris.

## All-Expense Scholarship In Economics To Be Offered By University Of Oslo

An all-expense scholarship to the summer school session of the University of Oslo will be granted to an American student whose main interest is in the field of economics and who has at least two years of undergraduate college work. The announcement of the scholarship was made by the executive committee of the Oslo summer school.

Students can earn six semester credits for the six weeks course of the 1951 summer session which will be held June 23 to Aug. 4.

The award will cover the expenses of transportation to and from Oslo, board, room, tuition, and student and excursion fees.

## Regents Request

Continued From Page 1

University. It also provides for the appointment each year of a Faculty Committee on Tenure, appointed by the president.

In commenting on the plan, President Corbin said it is a security plan for the faculty and university.

The Board also discussed the rough draft of the 1951-52 budget. One of the proposals provides for an average increase of about 10 percent in salaries for the instructors. It was emphasized that this will not be a blanket increase, but merely an average. President Corbin urged quick action to complete the budget.

The proposed budget is \$1,063,000, a reduction of \$67,000 from last year. The proposed tax will be about 3½ mills, ½ mill less than the maximum.

Other business by the Regents included an appropriation of \$10,000 from the contingent fund, for the waterproofing of the bricks and stone on major buildings. Another appropriations measure was the authorization of \$8,750 for the purchase of a piece of property at the east end of the campus. Land on both sides of it are owned by the University.

Candidates should make application with Dean Norman Nordstrand, St. Olaf College, Northfield, Minn.

In the third volume of the Unesco publication "Study Abroad, International Handbook of Fellowships, Scholarships and Exchange," details are given to the fellowship programs developed by the United Nations.

The International Labor Office has also reported on the facilities developed to enable workers in various trades and professions to work abroad for a limited period to improve their linguist and occupational competence.

000 from the contingent fund, for the waterproofing of the bricks and stone on major buildings. Another appropriations measure was the authorization of \$8,750 for the purchase of a piece of property at the east end of the campus. Land on both sides of it are owned by the University.

## Graduating Seniors To Obtain Job Blanks

Graduating seniors are asked to watch the bulletin boards outside the office of Dean L. Hekhuis of the College of Liberal Arts and Sciences for information about full-time jobs after graduation.

Information about material on the boards can be obtained inside Dean Hekhuis' office.

Seniors who have not filled out job blanks at Dean Hekhuis' office should do so in the near future, according to Dean Hekhuis.

## Chesney's Prints To Be Displayed

Black, white and color prints by Lee Chesney Jr., professor of art at the University of Illinois, will be on display in the art gallery at Morrison Hall, Sunday, April 8, from 2 to 5 p. m.

Mr. Chesney did his undergraduate work at the University of Colorado, and his graduate work at the University of Iowa where he studied in the print group of Mauricio Lasansky.

After the completion of his master of fine arts degree, he remained at the University of Iowa for three years as an instructor in drawing and design.

Mr. Chesney has received recognition in national print exhibitions. The display at Morrison will continue daily from 8 a. m. to 5 p. m. until April 28.

## K. Razak, M. Snyder Will Speak Tonight

Dean Kenneth Razak, director of the School of Engineering, and Prof. Melvin H. Snyder, head of the Aeronautical Engineering Department of the University, will speak tonight at the April meeting of the Wichita section of the Institute of Aeronautical Sciences.

Prof. Snyder and Dean Razak will discuss high speed flight, and review two papers on the subject—"What Price Speed?" by Theodore Van Karman and "Predictions of Supersonic Airplane Performance," by Harold Luskin.

The meeting will be held in the faculty dining room in the Commons.

## Oscar Levant

Continued From Page 1

overture to Humperdinck's opera, "Hansel and Gretel," and selections from Mendelssohn's "Midsummer Night's Dream."

Levant, who frequently makes guest appearances on radio and television, was regularly heard several years ago with Al Jolson on "Kraft's Music Hall," and was often a guest on "Information Please."

He has performed with many of the nation's leading symphony orchestras.

His most recent motion picture is "An American in Paris," which co-stars Gene Kelly.

The pianist's book, "A Smattering of Ignorance," includes many of his experiences with conductors, composers and other musicians.

University students will be admitted to the Monday performance on the campus without charge. Faculty members and husbands and wives of the faculty and students may purchase tickets for \$1 at the box office preceding the event.

"Otherwise, the concert is not open to the general public," said Walter Duerksen, director of the School of Music.

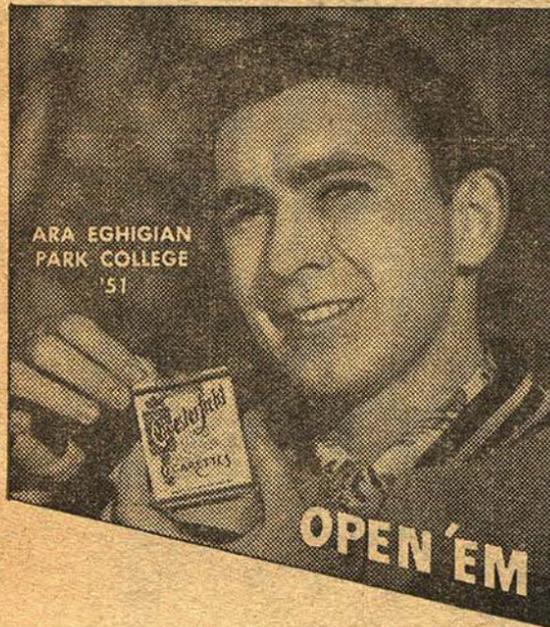

Levant, who arrives in Wichita Sunday afternoon, will give another concert with the Wichita Symphony Tuesday evening for subscribers to the Symphony's regular concert series.

This is the last guest musician scheduled to appear on the campus this semester. The concert also ends the season's Wichita Symphony Orchestra appearances here.

## First Talkie

"The Jazz Singer" starring Al Jolson was the first talking picture.

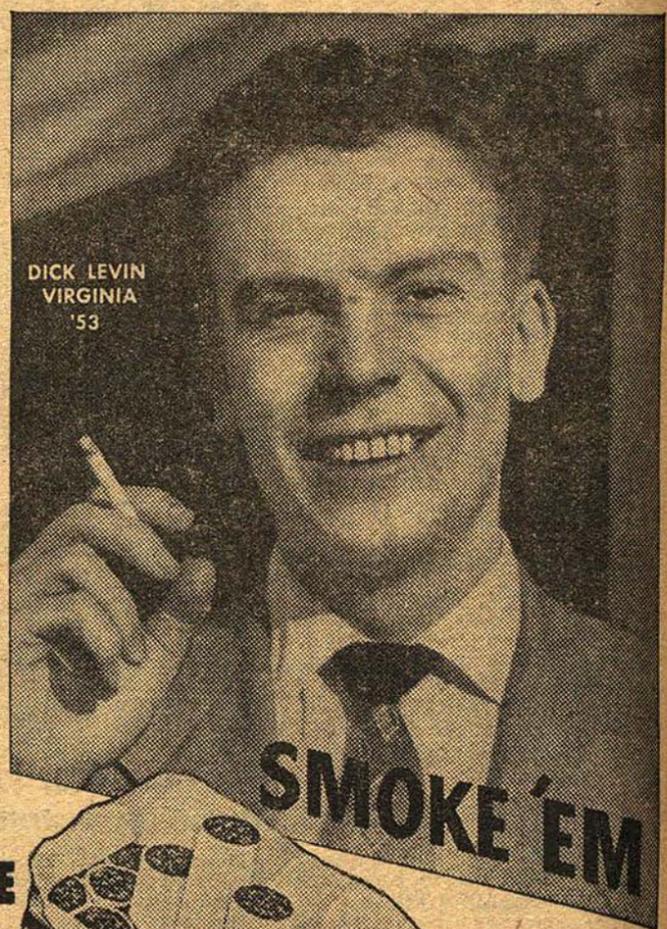

LIKE THOUSANDS OF AMERICA'S STUDENTS—  
MAKE THIS MILDNESS TEST YOURSELF AND GET  
**WHAT EVERY SMOKER WANTS**

OPEN 'EM

SMELL 'EM

SMOKE 'EM

**MILDNESS**

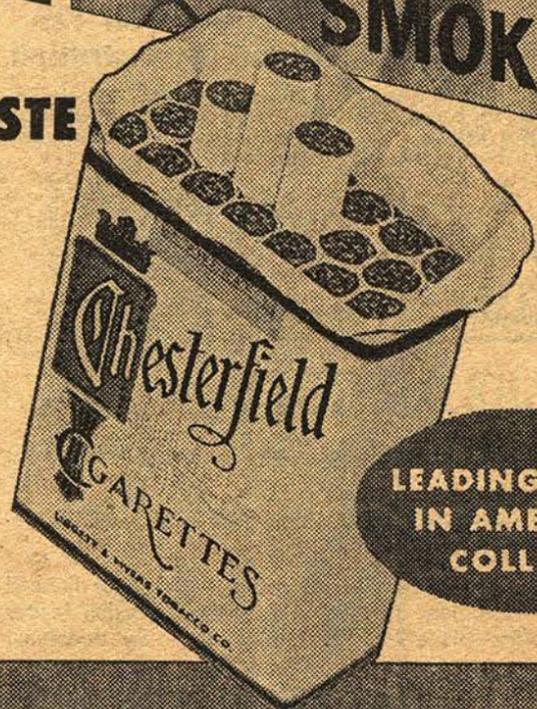

*Plus* NO UNPLEASANT AFTER-TASTE

OVER 1500 PROMINENT TOBACCO GROWERS SAY:

"When I apply the standard tobacco growers' test to cigarettes I find Chesterfield is the one that smells milder and smokes milder."

A WELL-KNOWN INDUSTRIAL RESEARCH ORGANIZATION REPORTS:

"Chesterfield is the only cigarette in which members of our taste panel found no unpleasant after-taste."
