### Coach Trimble Also Submits His Resignation

#### No Successor Named For Athletic Director, Head Football Position

•BULLETIN

Ralph Miller, Wichita High School East cage mentor, was named head basketball coach at the University of Wichita, Wednesday morning. Announcement of Miller's appointment indicated that he would assume his new duties here as soon as possible. A graduate of Kansas University in 1942, he was one of more than 20 applicants for the position. Miller succeeds Ken Gunning who resigned last Saturday.

By Clifford Kraus  
Sunflower Sports Editor

Jim Trimble resigned Tuesday as Director of Athletics and Head Football Coach, effective July 1, 1951, at the University of Wichita. Trimble's resignation followed that of Ken Gunning, head basketball and baseball coach, by three days. Pres. Harry F. Corbin has named Norval Neve, backfield coach, to take temporary charge of the athletic department.

In his letter of resignation, Trimble stated that it was completely of his own doing and as a result of much deep thought.

"My resignation is not in defense of any person or persons, but rather in defense of the ideals of coaching as I learned them. Athletics always have been and always shall be a very important factor in the development of young men. There is no room in athletics for actions that are meant to satisfy the whims of a few excited and unstable fans who yearn for the spectacular

### Former Student Killed In Plane

Carol S. Rogers, former University student, died Sunday evening of burns received in an airplane crash that afternoon. Also killed in the crash was Donald L. Belisle, of Wichita.

Rogers, who withdrew from the University at the end of the first semester this year, was enrolled in the College of Business Administration. He was employed by a local aircraft plant.

The light plane flown by Rogers and Belisle crashed Sunday afternoon southwest of the Wichita city limits near Meridian. Rogers died that evening in Wichita hospital; Belisle was killed instantly.

# Reed Is Chosen Queen

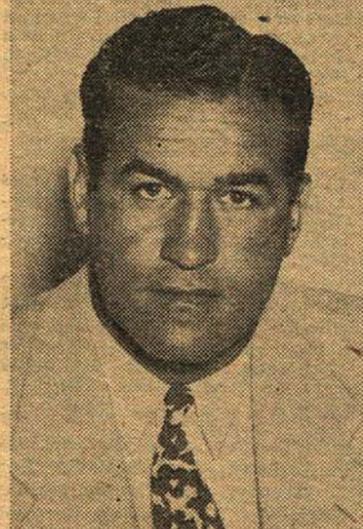

## Will Reign Over U of W Events Through May 11

### Hippodrome, Crowning Are Main Attractions Of Annual Celebration

Maryann Reed, Alpha Tau Sigma, was chosen Friday by the student to reign as May Queen during festivities May 11.

Miss Reed, a senior Economics major, was a candidate for Parnassus Queen during her freshman year. Last year she was vice-president of the Women's Panhellenic Council and was also on the board of the Associated Women Students. She served as vice-president of Alpha Tau Sigma last semester, and is now secretary of the Senior Women's Honor Group and treasurer of Student Council. She also heads the high school Promotion Committee.

Coronation of the May Queen

THESE THREE prominent figures were involved in the changes in the athletic staff here this week. Ralph Miller (left) replaced Ken Gunning (center) Wednesday as head basketball coach. Jim Trimble resigned Tuesday as athletic director and head football coach.

### College Selects Beech Winners

Two winners and two alternates have been selected for the \$1,600, four-year Walter Beech Scholarship for aeronautical engineers, following competitive examination on the campus Friday.

One of the winners, Charles Richard Ross, is the son of Mr. and Mrs. Fay P. Ross of Burrton. He will graduate from Halstead High School this May.

The other winner is Warren Earl Brown, son of Mrs. Leila Brown of Sterling. He attended Sterling High School for three years, and is a senior at Lyons High School this year.

The two alternates, who will be given the scholarships if the winners do not accept, are Gerald Francis Schmidt, Wichita, and Donald Max Gowen, Winfield.

Schmidt was graduated from Hayden High School in Topeka in 1946. He is a member of the Civil Air Patrol, and is active in civilian defense. He is interested in becoming an aircraft designer. He is the son of Mrs. J. F. Schmidt.

Gowen is a senior at Winfield High School, and is the son of Mrs. Jackie Scholing of Winfield. He is a member of the Civil Air Patrol Cadets.

### Test Questions Truman Action

"Was Harry Truman justified in firing MacArthur?"

Professor John Rydjord, head of the history department, recently asked this question in an American Diplomacy test, and the results of the quiz were as follows:

Of the 57 class members, 40 voted yes; seven voted no; three were undecided; and seven expressed no opinion.

Dr. Rydjord draws no conclusion from the unofficial poll but believes it shows that college students make decisions independently, and are not influenced to any extent by mass opinion.

### ROTC Passes U. S. Inspection

University Reserve Officers Training Corps air and ground units received satisfactory ratings from the federal inspecting officers at the annual inspection Tuesday morning, it was announced by Lt. Col. Robin Montgomery, professor of military science and tactics, and Maj. Herbert Hartman, professor of air science and tactics.

Featured at the inspection were the honor awards given to Cadets Harry Hobson and Joe Catudal. Hobson received the first air award, presented by the Air Force Association, ever given at this University, Major Hartman said. Both awards were given on scholarship, both scholastic and military, leadership, and "military performance and bearing."

Inspecting officers for the infantry were headed by Col. Walter Sewell, of Iowa State College, and Lt. Col. Woodford Nelson, of Notre Dame University. Air Force representatives were Col. M. J. Coutlee, also of Notre Dame; Lt. Col. J. H. Mohne, of the headquarters of the Fifth Air Force; and Major W. W. Johnson, also of Iowa State.

Reviewing officers stated that the University cadets "showed a high degree of pride and esprit de corps." Major Hartman also said that the air unit was considered "very outstanding" by the inspecting officers.

Col. Montgomery commented that several of the inspecting officers were "taken aback by the performance" of the cadets, and stated, "We are very proud of them."

Among those viewing the inspection from the reviewing stand were Pres. Harry F. Corbin and ROTC Honorary Colonel Dee Gist.

### U of W Grants Salary Increase

Teaching and non-teaching personnel of the University were granted a salary budget of \$741,785 for the next fiscal year by the board of regents Monday afternoon.

An average salary increase of nearly 10 per cent was slated for most of the teaching personnel. A total increase of \$32,700 for the faculty will bring the overall teaching salary budget to \$545,975.

A reduction of 25 full-time members of the teaching faculty will result in a net saving of \$41,562 in next year's budget, according to Pres. Harry F. Corbin. Academic leaves of absence, calls to military duty, resignations, and a few releases are responsible for the reduction.

Releases are being effected because of the expected enrollment decreases next year. No faculty member with tenure is being released, according to President Corbin.

Janitorial workers will receive 10 per cent increases and clerical and stenographic personnel will receive over 11 per cent salary increases. These increases will amount to nearly \$6,800 over this year's salaries.

The action taken by the board of regents allowed President Corbin to officially notify faculty and staff of their new contracts.

### Eight Music Students Chosen To Attend Musical Seminar

Eight University students in the School of Music have been selected by Boris Goldovsky, opera director, conductor, and pianist, to attend the Berkshire Music Center next summer, Harold A. Decker, head of the choral department, announced.

Darlene Reece, James Wainer, and Preston Sandlin were chosen from auditions of over 600 students to sing in the 40 voice opera division of the festival.

Two operas and several scenes from the operas will be given by the opera group. Robert Minser, voice instructor, will sing a major role in one of the operas. At least 60 leading music critics will attend these productions.

Achilles Balabanis, celloist, Don Caldwell, violinist, and Ralph Lutz, bassoonist, will play in the first orchestra at Berkshire. Only teachers and advanced students perform in this orchestra.

Martha Reaugh will attend as a member of the costume division; and Jim Stearns will go in the designers division. Berkshire, located in Tanglewood, Mass., is sponsored by the Boston Sym-

phony Orchestra. About 400 musicians are invited to attend the annual affair; however, many of them are only spectators.

Goldovsky Visits Campus  
Goldovsky, head of the opera division, was on the University campus Monday, Tuesday, and Wednesday of last week. He appeared in a concert in Wichita Monday evening.

He conducted the University Symphony Orchestra, as well as listening to all the major music organizations and individual performances. He is holding auditions for the Berkshire affair throughout the United States.

Goldovsky conducts and directs the New England Opera Theater and is heard weekly on the "Metropolitan News Of The Air" broadcasts.

The Boston Symphony Orchestra under the direction of Serge Koussevitsky will present concerts at Berkshire. Among faculty members are Aaron Copland, composer; Leonard Bernstein, director of the Israel Philharmonic; Lucas Foss, composer and pianist; and Paul Ulanowsky, voice coach.

Maryann Reed

will be held at 7:30 p. m. on May Day, in the men's gym. The May Dance will follow at the New Moon. Bob Bashford's orchestra

### Workshop To Present Opera Evening; Cast To Sing Scenes From 'Carmen'

"An Evening of Opera" will be presented Tuesday at 8 p.m. in the Commons Auditorium as the major production this year of the University Opera Workshop, according to Robert Minser, voice instructor in the School of Music and director of Tuesday's performance. Harold A. Decker, head of the choral department, is musical director.

Scenes from Bizet's "Carmen", Puccini's "La Boheme" and "Madame Butterfly," "The Magic Flute" by Mozart, Verdi's "Il Trovatore," and "Albert Herring," by Britten will be sung in English by University students.

One Act Opera

The entire one-act American opera, "Don't We All," by Burrill Phillips, will be presented at the close of the evening's program. The opera is based on an English folk poem.

Costume supervisor for the production is Jim Stearns. Bonnie Moltz, Jim Billings, Bill Forney, and Charlyn Dixon are cast in "Don't We All."

Jim Fleming and Sally Lambert will sing the "Love Duet" from "La Boheme." The "Tower Scene" from "El Trovatore" is played by Miss Moltz, Mary Myrth Weatherwax, and Charles Broadhurst.

Two scenes from "The Magic Flute" include Keith Jones, Preston Sandlin, Phyllis Danielson, Mary Esther Bowles, Carolee Thiry, and Cortetha Sexton.

Children's Scene Cast

Vivian Graber, Doris Stapleton, Joanne Cartmill, and Miss Dixon are cast in the "Children's Scene" from "Albert Herring." Loy Holler, Martha Reaugh, and Miss Moltz sing the "Card Trio" from "Carmen." The "Flower Duet" of "Madame Butterfly" will be performed by Darlene Reece and Roberta Oursler.

Accompanists are Lucretia Crum, Miss Cartmill, Olivia Wolcott, and Roberta Tade.

The operatic selections will be presented as a benefit concert for the expenses of the University musicians selected to attend the Berkshire Music Center Festival. Adult admission is 60 cents; student admission is 30 cents.

The Opera Workshop presented Mascagni's "Cavalleria Rusticana" and Puccini's "Gianni Schicchi."

The group has entertained local civic club and Kansas schools. Previous productions include "The Bartered Bride," "The Old Maid and the Thief," "The Marriage of Figaro," and "Hansel and Gretel."

## and about the Campus

By Dorothy Ludiker  
Sunflower Society Editor

**M**OST SURPRISING RUMOR after last week's election is that the new Independent Party is thinking of merging with the Shocker coalition to form a new party. The name of this party may be the Sunflower Party.

The Delta Omega, Sorosis, and Gamma pledges walked out of meetings Monday night and met at Sandy Beach. Actives kidnapped were Ann Asher, Anabel Baker, Lyman Hardy, and Harold Hoffman.

**M**ARIAN ROBBINS passed chocolates at Sorosis meeting Monday night to announce her engagement to Bill McKay.

An impromptu program was presented at ISA meeting Monday night by Jim Lyle, and Rudy Weigand, two harmonica players.

**R**USSELL WATSON of the debate team will be initiated into Delta Sigma Rho, national Forensic Fraternity, at Kansas State University Friday.

Berton Scott, Jerry Busch, Bill Wyckoff, and Charles King attended the Explorers Rendezvous at Fall River last week-end. Jack Shumard also attended.

**T**HE PI KAPS will have a slumber party at the house Saturday night.

The Instrumentalists vs. the Vocalists will vie in a softball game Sunday afternoon at 2 in the field north of the Business Administration Building. It ought to be pretty good with Mr. Duker as bat boy, and Harold Decker and James Caesar as team managers.

**M**R. HOWARD HALGEDAHL, more commonly known to the student body as "Mr. Hada-col," was surprised to find a huge box of Hada-col placed in front of his studio door Tuesday morning

## Scabbard And Blade To Have Annual Dinner-Dance Friday

The annual spring dinner-dance given by Scabbard and Blade, military organization, will take place tomorrow from 7 p. m. to midnight in the Colonial Room of the Hotel Lassen.

Special guests will include Dr. and Mrs. Ross Taylor, Col. and Mrs. Robin Montgomery, Lt. and Mrs. Francis Hesse, and two past presidents of the organization, R. G. Langenwaller and George Stables.

Attending members and their guests will be:  
R. G. Langenwaller  
Nat Barton  
Bob Ramsey  
Andy Larson  
Bert Stratmann  
J. D. Edminston  
John R. Walker  
Wayne Sullivan

**D**R. CLAIR HANNUM of the Zoology Department is playing with the Community Theater this week. In the play Dr. Hannum rides on a bicycle down the aisle in a Western Union suit and vocalizes a singing telegram to a dinosaur, to the tune of Yankee Doodle Dandy.

Shirley Smith who is in Wesley Hospital can now have visitors.

**P**HYLLIS McMICHAEL who has just recovered from an appendectomy is back on the job as secretary for the journalism department.

It was reported that the Gamma-Webster Square Dance at Hillside Joyland last Friday was a huge success. It was the first time they had ever combined together anything like that.

**H**ARRY CROW, Charley Thomas, Jerry Maxwell, Bob Williamson, Jim Dorsett, Jim Mohrbacher, John McCure, Mike Hrynewich, Don Yokley, Bernard Casey, and Rankin Griesinger all left for Detroit last Friday and returned Tuesday after driving back new Frazer cars. They each drove one and towed one.

Bill Klobuchar's mother came to Wichita from Chicago this week to hear Myrth Weatherwax's senior recital Monday.

## ISA To Have Activity Night

Student Activity Night, sponsored by the Independent Students Association, will be held tomorrow night from 8:30 to 11:30 p. m. in the Commons.

Ping-pong and other games will be offered in the Lounge, and dancing will be held in the Alibi Room. Refreshments will also be available in the Alibi.

Mary Ann Gable, a student from East High School, will play the accordion and Mary Major, a University student, will sing several popular songs as part of the floor show.

Junior McIntyre and Jean Gable are in charge of Activity Night. No admission will be charged, and all students on the campus are invited, according to Bill Holland, president of I. S. A.

## Recital Planned By Dance Group

Modern dance club, assisted by the modern dance classes and the folk and square dance club, will present a recital at 8:15 p. m. Saturday in the Auditorium.

According to Abbie Troup, modern dance club president, the program will be divided into two parts. The first half will be the story of jazz as told thru dances. The seven numbers in the first section will illustrate primitive jazz, blues, Dixieland jazz, swing, bee-bop, boogie-woogie, and modern progressive jazz.

The second half of the recital will contain solos and group numbers. "Ava Maria" and "Dancing in the Dark" will be presented by the modern dance classes. The folk and square dance club will present two numbers.

The solos include "Firebird" by Connie Weckel, "Thirty Pieces of Silver" by Barbara Staley, and "Sabre Dance" by Jeannine Crowds.

"The Clock" will be presented by Abbie Troup and Donna Henry.

Costumes and setting are being designed and executed by the students taking part in the recital.

Lighting arrangements are under the supervision of Gene Spangler, stage and auditorium manager.

Admission will be 50 cents. Tickets may be purchased at the door.

## Kappa Pi Will Visit Kansas City Galleries

Members of Kappa Pi, local chapter of the national honorary art fraternity, will spend the weekend in Kansas City visiting the Kansas City Art Institute and the Nelson Art galleries, according to Vivian Koehn, president.

Mr. and Mrs. David E. Bernard will serve as chaperones. Bernard, associate professor of art at the University, is an honorary member of Kappa Pi.

## Barnes Elected New APO Prexy

Marvin Barnes was recently elected president of Alpha Phi Omega for next year. Also elected were: Eugene Riedl, vice-president in charge of pledging; William Wyckoff, vice-president in charge of projects; Russell Watson, vice-president in charge of programs.

Jim McHugh was elected alumni secretary; Robert Bronson, recording secretary; Rollin Kettelman, treasurer; George Wallace, historian; and Dr. Robert Christian, senior faculty advisor.

The pledge class received last Wednesday included Keith King, Virgil Brown, Hugo Teufel, and Jerry Busch. It was named the Dean L. Hekhuis Pledge Class.

The local Alpha Phi Omega fraternity is the Beta Alpha Chapter of the national service fraternity.

## Paul Miner To Take Oral Exam On Joyce

Paul Miner's public oral examination for honors in English will be held today at 3:30 p. m., in Room 220, Administration Building. Miner is an undergraduate student majoring in English. His topic is "A Study of James Joyce's Ulysses."

Miss Juliet Reeve of Friends University will be the extramural examiner.

## Club Corner

### M'Arthur Issue To Be Discussed By Democrats

**Young Democrats**  
The University Young Democrats will elect officers at a meeting at 7:30 p. m. today in Room 221 Administration Building. Following the election, a group discussion will be held on the subject, "MacArthur vs. Truman, Asia or Europe," according to Don Lambdin, retiring president. Coffee will be served.

**W. R. A. Board**  
The Women's Recreational Association will have a board meeting today at noon in the Women's Gym, according to Miss Dorothy Martin, WRA sponsor.

**Canterbury Club**  
The Canterbury Club will meet today at 4 p. m. in the Faculty Dining Room of the Commons Building. Fathers Swift and Basso, Episcopal chaplains at Kansas University, will speak at the meeting.

**Pi Mu Epsilon**  
Pi Mu Epsilon will hold a regular meeting at 6 p. m. today in the Faculty Dining Room of the Commons.

**Delta Epsilon**  
Delta Epsilon will hold a regular meeting at 7:30 tonight in Room 207 in the Science Building.

**Modern Dance**  
A regular meeting of the Modern Dance Club will be held next Wednesday from 3 until 5 p. m. in the Women's Gym. A "post mortem" of the Spring Recital will be held.

**Folk and Square Dance Club**  
A regular meeting of the University Folk and Square Dance Club will be held tomorrow at 7:30 p. m. in the Women's Gym.

**Math Club**  
Richard Dean Turner was presented the award of highest achievement in freshman math at the last meeting of the Math Club. The selection was made by the math department on the basis of records in analytic geometry and prerequisites. The award of two math handbooks was donated by the Chemical Rubber Company. The next meeting of the Math Club will be held May 17.

**Newman Club**  
A Catholic Youth mixer will be held at St. Anthony's Hall Saturday from 9 p. m. until midnight. There will be dancing and games. An admission fee will be charged.

**ISA**  
Regular meetings of the Men and Women's Independent Students Associations will be held in Rooms 112 and 113 in the Service Building next Monday night at 7:30.

# University Couples Announce School Musicians Senior Women's Honor Group To Host Engagements, One Wedding Plan Ball Game Sophomores At Scholarship Tea Sunday

Five engagements and one wedding of University couples have been announced recently.

The engagement of Phyllis Jean Sipult to Walter Robert Sanders, son of Mr. and Mrs. Paul Sanders, Belle Plaine, Kas., was announced by her parents, Mr. and Mrs. Leo Sipult. The wedding date will be announced later.

Miss Sipult is a junior at Wichita High School North and Sanders attends the University.

The engagement and approaching marriage of Doris Lorena Wohlgenuth to Phillip A. Little, son of Mr. and Mrs. Fred L. Little, was announced by her parents, Rev. and Mrs. Robert J. Wohlgenuth, Freeport, Kas. The wedding will be June 1 at the First Presbyterian Chapel.

Miss Wohlgenuth, a graduate of the University, has taught for the past two years in the high school at Lyons, Kans.

Little, a graduate of the University, is office manager at Murray Wilson and Associates, Consulting Engineers.

Mr. and Mrs. James Morton Weaver announce the engagement and approaching marriage of their daughter, Julianna, to Edward G. Masters, son of Mr. and Mrs. Edward R. Masters. The wedding will be an event of June 17 at the Central Christian Church with the Rev. D. Wright Lunsford officiating.

The bride-elect, fashion co-ordinator of the George Innes Company, attended this University, Northwestern School of Radio, and Columbia Radio School. She is a member of Alpha Tau Sigma Alumnae, the Pilot Club of Wichita, and the Community Theater.

Masters attended the University where he was affiliated with Alpha Gamma Gamma. He is associated with his father in the Masters Dry Goods Company.

Mr. and Mrs. C. H. Hine announce the marriage of their daughter, Charlene, to Gene Costner, son of Mrs. Frank Wellman, on April 7 at Sunnyside Baptist Church with the Rev. R. L. Moreland officiating at the double ring ceremony.

The bride attended Wichita High School East. Costner also attended Wichita High School East and the University. He is now employed at Boeing.

The engagement and approaching marriage of Mary Auld Heleker to Duane Garner Hamilton has been announced by her brother and his wife, Mr and Mrs. William Herbert Heleker. The wedding will be held June 2 in the Westminster Presbyterian Chapel in Topeka, Kans.

The bride-elect, a graduate of Topeka High School and Washburn University, has been teach-

The Instrumentalists will compete with the Vocalists of the music department in a softball game next Sunday at 2 p. m. in the field north of the Business Administration Building.

The Instrumentalists are managed by James Caesar, associate professor of music, and the assistant managers will be Joe Giewartowski and Don Caldwell.

The manager of the Vocalists will be Harold Decker, head of the department of choral music, and the assistant managers will be Bill Forney and Duane Edwards.

Cheerleaders from the music department will be Myra Smith, Esther Lee Titus, and Myrth Weatherwax.

Jack Falkenstrom will be the water boy, and Walter Duerkson, director of the School of Music, will be the bat boy.

## Home Economics Club Holds Dinner Today

A Dutch theme will prevail at the annual Home Economics Club dinner to be given today at 6:30 p. m., in the Pine Room of the Commons. Mary Ann Bingham is in charge.

Members, their mothers, and alumni of the Home Economics Club will attend. Miss Katherine Van Keuren, head of the home economics department, and her mother will be present, along with other special guests.

Notes from alumni unable to attend the dinner will be featured as part of the program. New club officers will also be introduced.

The Senior Women's Honor Group will honor all sophomore women who have maintained a "B" average at the second annual Scholarship Tea, to be given Sunday at 3 p. m. in Pres. Harry F. Corbin's home.

Miss Grace Wilkie, dean of women, will talk to the group about the significance of scholarship and leadership. Jane Barclay Taylor, president of the Honor Group, will discuss the background of that organization and the role which the honor women play in campus leadership.

Hostesses for the affair will include Mrs. Taylor, Lois Anderson, Thelma Graber, Hazel Shanklin, Pat Cuplin, and Maryann Reed, all members of the Honor Group. Miss Margaret Walker and Miss Fern Wrestler, faculty sponsors of the Honor Group, will also be present.

Guests will be Pat Bennett, Virginia Bing, Mary Ann Bingham, Evelyn Brown, Helen Carroll, Joanne Cartmill, Marguerite Churchman, Patricia Curry, Anita Dinsmore, Charlyn Dixon, Ann Earp, Pat Frazier, Jo Anne Friend, Phyllis Gaddis, Patricia Garberson, Pat Gegan, Gynith Giffin, Marlynn Glaser, Sylvia Goodman, Vivian Graber.

Florence Grant, Joanne Harris, Kay Hass, Catherine Henderson, Nancy Johnson, Pat Jones, Carole Lax, Elaine Lupton, Lie McIntash,

Lila McWhorter, Connie Magruder, Marilyn Maninger, Barbara Matthews, Eva Jeannine Miller, Emma Mueller, Polly Peckham, Muriel Querner.

Martha Reaugh, Beverly Regier, Geraldine Reimer, Marie Reynolds, Norma Richmond, Alice Roche, Carol Roll, Lucille Schrek, Vera Koehn Slade, Myra Smith, Ruth Smith, Barbara Staley, Viola Townsend, Mary Villepique, Carolyn Weckel, Diane Welsh, Janet Whitson, Olivia Wolcott, and Mary Helen Young.

## U of W Band Frat Plans Baseball, Picnic

Members of Kappa Kappa Psi, local chapter of a national honorary band fraternity, will hold a stag picnic and baseball game Sunday, according to Gary Fletcher, group president.

Fletcher, Norman Dawson, and pledges are in charge of the affair, which is a major social event of the club. James Kerr, associate professor of bands and woodwinds, is sponsor.

## What Next?

At Michigan State College an English instructor was having trouble holding his class's attention. At the same time he kept confusing Thomas Jefferson with Benjamin Franklin.

The second time he confused the two names he declared, "I think I need some blood in my head." Laying his glasses on the desk, he executed a perfect handstand.

## U of W ROTC Men Win Honors

Hamilton Beardsley, sophomore R.O.T.C. cadet, won first place in individual drill competition Saturday at Oklahoma university, during a regimental assembly of Pershing Rifles honorary military fraternity. John R. Walker, cadet lieutenant colonel and commanding officer of the R.O.T.C. infantry battalion here, placed second in individual competition for advanced cadets.

The W. U. Pershing Rifles company won second place in the series of military events against such schools as Southern Methodist university, K-State and Oklahoma.

The rifle team placed second in its event, and the drill team, commanded by Dick Strauss, also won second place. In both divisions the W. U. teams were defeated by Kansas State, which placed first at the assembly and won the traveling trophy held during the past year by Wichita.

Twenty-six Wichita men traveled to Norman on Thursday and returned Sunday afternoon.

# Trimble's Resignation . . .

ED. NOTE—The following letter was submitted to President Harry Corbin by Athletic Director Jim Trimble Tuesday. We print it in its entirety so that all interested persons may know the background and complete facts concerning Trimble's resignation.

Mr. Harry Corbin  
University of Wichita  
Wichita, Kansas.  
Dear Mr. Corbin:

I am submitting my resignation as Director of Athletics and head football coach at the University of Wichita, effective July 1, 1951.

This resignation is completely of my own doing and as a result of much deep thought. I have consulted with my friends about this, and I feel that I have had good counsel. It is indeed a fine feeling that I have as a result of having visited with these people.

My resignation is not in defense of any person or persons, but rather in defense of the ideals of coaching as I learned them. Athletics always have been and always shall be a very important factor in the development of young men. There is no room in athletics for actions that are meant to satisfy the whims of a few excited and unstable fans who yearn for the spectacular and sometimes expect the impossible.

I feel that I have given my very best at all times to the job which I hold and for which I was responsible. The accomplishments and results show that our efforts have borne fruit. I sincerely hope that the program that I have helped develop continues to grow and prosper beyond our fondest hopes.

The University of Wichita and the city of Wichita have been my home for five years, and these five years have been among the most enjoyable years of my life. The administration, faculty, and the townspeople have been grand. One of the fondest memories I will ever carry with me is the reaction of all of you after the Nevada game in 1948. Although we lost that game by 30 points, everyone had nothing but praise for a bunch of boys who had played beyond themselves.

It is with the greatest reluctance that I leave my staff. Each man has personified loyalty to me and to the things I was seeking. I have never, under any circumstances, questioned the staff's loyalty or sincerity. It is a good feeling to know that they have never questioned mine.

If I have made a contribution to the University of Wichita, I hope it has been made through the boys with whom I have worked. They are too numerous to mention by name but I consider my time well spent if each of them learned just a little bit from me about how to do things for themselves in the right way. They must know in their own minds that it is the right way; there can be no deviation, no halfway measures, it has to be right or wrong. Once determined, they must lend every effort to doing that right thing as well as they can.

I have always and will continue to do anything within my power to make this university an even greater school than it is. I know that I leave the University of Wichita in good faith and with many fine friends and happy experiences.

Respectfully submitted,  
Jim Trimble.

April 24, 1951

# Class Schedules Ready May 1

Schedules of summer school classes will be available Tuesday, announced the registrar's office.

Summer session bulletins, schedules and other information may be obtained from Dr. Hugo Wall in the political science office in the Administration Building.

# Rosen To Tour With Caravan

Lester Rosen, director of public relations, will represent the University in the annual Wichita Chamber of Commerce trade caravan which will leave May 3.

The 14-car train will visit cities in the Wichita trade area. Rosen will provide prospective University students with information on the school during the tour which will take the caravans thru Kansas, Oklahoma, Texas, and New Mexico.

# Engineers Needed In Oil Field Jobs

The Seismograph Service Corporation, engaged in geophysical work, is offering jobs to students who have degrees in electrical engineering.

A letter from the Corporation received by Kenneth Razak, dean of the College of Business Administration, said that the work will require their employees to move quite frequently, as most of the work is done in various oil fields.

The company will finish hospitalization, a \$2300 life insurance policy, and a two-weeks vacation with pay.

Application blanks can be obtained in the office of Dean Razak.

# Pep Applications Will Be Taken

Students interested in trying out for cheerleaders should meet at 7 p. m. Tuesday in the Student Council office for information concerning yells and regulations, according to Andy Larson, pep co-ordinator.

Applications for the position of pep co-ordinator on the Student Council will also be accepted in the office at 6 p. m. Monday.

Preliminary elimination for cheerleaders will be held Tuesday, May 8, at 6:30 p. m. in the Women's Gymnasium. Final selection will be made during the May Day Celebrations, Friday, May 11.

Four cheerleaders, two women and two men, will be chosen this year. Two other couples will be elected next year from the new freshman class to complete the eight member staff.

# Educational Society Initiates 16 Students

Sixteen University students and a professor became members of the Gamma Rho Chapter of Kappa Delta Pi at an initiation dinner held Thursday evening in the University Commons.

To become a member of Kappa Delta Pi, an honorary educational organization, a student must be a junior or senior, majoring or minoring in education with definite plans of entering that field, and be in the upper fourth in scholastic rating at the University.

The pledges initiated were: Della Bates, Josephine Brown, Harriet Cornwell, Helen Crockett, John Friesen, Edna Harrison, Robert Harrison, Loyette Hollar, Solon Hunt, Florabella Johns, Edna Kaum, Corinne Miller, Collette Porter, Charlene Rittenoure, Eunice Stofor, and Lucia Wedel. Carrol O. Noel, assistant professor in education, was made an honorary member of the organization.

# Oh You Kid!!!

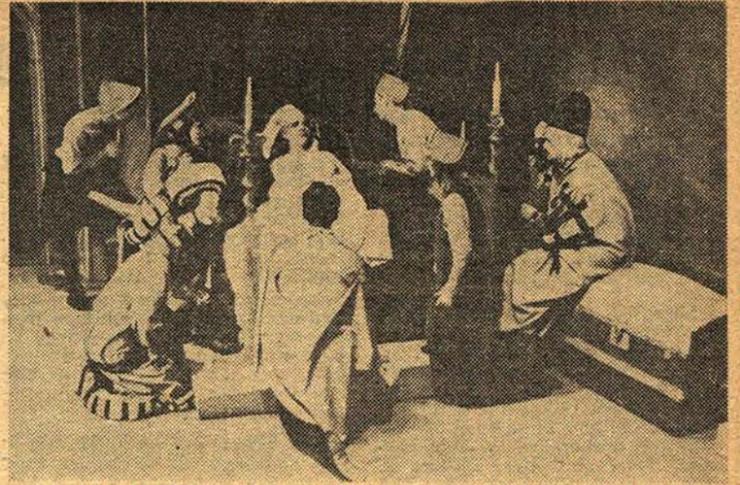

# 'Rah Rah' Era Returns To Campuses

The ukelele and the raccoon coat are appearing on the nation's campuses—a sign that the college 'rah rah' era is again near at hand.

Porter Butts of the University of Wisconsin reports that such symbols as football pennants are showing up more often and the attendance in union activities is four times greater than last year. He names three reasons for this trend.

1. The increasing number of students who are coming to col-

# Present Opera

THE OPERA THEATER WORK SHOP presented "Johny Skeeky" December 13 to 15 and on May 1 will present acts from six operas. The cast of Johny Skeeky include (back) Fred Wolf, Bonnie Molz, Dr. Clare Hannum, zoology professor, and Jay Hershey; (front) Jim Billings, Betty McMullen, James Wainner, Joann Cartmill, and William Henderson.

# Clipped By A Barber

By Bob Barber

Slanguage, the Texas State Women's College believes, is strictly for the birds. Which doesn't mean to forget it completely. Once in a while it can lend lots of spice to everyday small talk.

It should, the Texas misses believe, do for conversation just what a cherry does for a hot fudge sundae—give that extra dash.

That might be true but how can a person talk with a mouth full of cherries?

A marketing class at the University of Detroit recently tested razor sets before writing advertising copy. Two overzealous students had to be hauled out for repairs to their faces.

Those guys must have utilized razor blades that were used to cut linoleum or possibly lumber.

Pome of the Week:

ANTI-APRIL

A curse upon

April's allure;

There goes my lawn

Right down the sewer.

Cute, cute headline of the week comes from St. Louis University News: "I Thought I Taw a Putty Tat—'Twas The Tee Todule." By the time all this is unraveled it simply means that the golf team is ready to start the season.

Pointless headline of the week also comes from the St. Louis paper. They must have lost a weekend or two around their newspaper office. The headline: Students Buy Old Books at Lower Prices.

Philosophy courses are a great thing. The Louisiana Institute Vermillion points out that eight courses are listed in its university catalogue.

Only hitch: The courses aren't taught at the Institute.

University of Detroit students have gone whiffle crazy. Everyone is running around the campus selling whiffles. It seems that whiffles are tickets sold in an effort to build an Activities Building on campus.

Only 823 votes out of a possible 1,128 were cast at a recent election at Albion College, Mich., and the paper believes this shows an unfortunate lack of interest.

This figures up to a lousy 78 per cent. The last University of Wichita student officer election raced up a strong 20 per cent, in contrast.

Headline that seems to need another word: "January Order of Junior Rings Is In." (From the Connecticut Campus)

Sentence of the week that can be read at least thirty times. Anyone unraveling this please report to the Sunflower for a free. (From the Wellington Crimson Rambler) "After a time custom of those in the Aftertime."

# WRA Elections Result In Tie

The Women's Recreational Association elections which were held last Friday resulted in a two-way tie for the presidency between Rose Lamb and Gynith Giffin, according to Miss Dorothy Martin, WRA sponsor and women's physical education instructor.

Other officers who were elected Friday are Charlene Dixon, treasurer; Pat Weaver, publicity; Jean Walker, secretary; Patty Payne, recorder; and Lois Murra, intramural representative.

Another election is planned in the near future to decide the presidency according to Miss Martin. The loser will assume the vice-president's office.

# Powell Attends Meet Of Advisory Council

Dr. Jackson O. Powell, dean of the College of Education, attended the annual April meeting of the Kansas Advisory Council to the State Superintendent of Public Instruction.

Plans for the certification of special education were formulated to be presented to the State Board of Education, according to Dr. Powell.

# Council Starts Clean-Up Plan

A campaign to "Keep Your Campus Clean" will soon be launched by the Student Council, according to Dean Kenneth Razak, of the College of Business Administration. Dean Razak discussed the problem of disposing of cigarette stubs with the Council Monday evening.

Students are asked by Dean Razak to refrain from throwing cigarette stubs on the floors of the new Business Administration building. Instead, they are asked to place them in the cans provided for disposal of cigarette stubs.

# The Sunflower

Volume XXLVI, No. 27

April 26, 1951

Published each Thursday morning during the school year by students in the department of journalism of the University of Wichita except on holidays, during vacations and examination periods. Entered as second class matter September 24, 1916, at the postoffice at Wichita, Kansas, under the Act of March 2, 1879. The Sunflower is one of the oldest student publications in the state of Kansas, having been founded in 1896.

Subscription by mail in the United States is \$2.00 per school year. Advertising rates furnished upon request. Address, The Sunflower, University of Wichita, Wichita, Kansas. Telephone 62-6521.

Represented by National Advertising Service, Inc., College Publishers Representative, 420 Madison Ave., New York, N. Y., Chicago, Boston, Los Angeles, San Francisco.

## Rural Seniors Make Plans

Graduation exercises, including addresses by prominent state and regional educators, will highlight the commencement programs of the Sedgwick County high schools this spring. Hundreds of senior secondary school students will complete one phase of their education and prepare to step forward toward new

## Corbin Tells Of Education Need

Editor's Note: The following is a message to all high school seniors from Harry F. Corbin, President of the University of Wichita.

The educational defenses of the Nation are as important as the military program. I should like to encourage high school and college students to increase their efforts on this vital front. We need resourceful men and women in human relations, education, diplomacy and government as surely as in the physical sciences and in medicine.

It is apparent too, that the women of our country have tremendously increased responsibilities calling for the maximum in intelligence and understanding. If you have the desire to achieve a University education and if your talent is suited to further academic work, then I urge you to prepare well at the earliest possible time.

Ours is a complicated world. The leaders of tomorrow will need additional historical perspective, a vigorous idealism and the capacity and skills to think orderly and systematically about many problems. Your creative talent combined with a serious concern for the moral and religious quality of our lives may be one of the keys to a better world. The University of Wichita is dedicated to the task of providing a competent and inspiring faculty and an integrated community life for its students.

## School of Music Offers Variety

By Nancy Rittenoure

A wide range of courses in all phases of music, an outstanding faculty, adequate facilities for practice, and opportunities for performance experience are all offered students who wish to enter the School of Music.

Ten different degrees can be earned by students for piano, organ, orchestral or band instruments, voice, performance, and music education. Extensive classes are offered in all these courses.

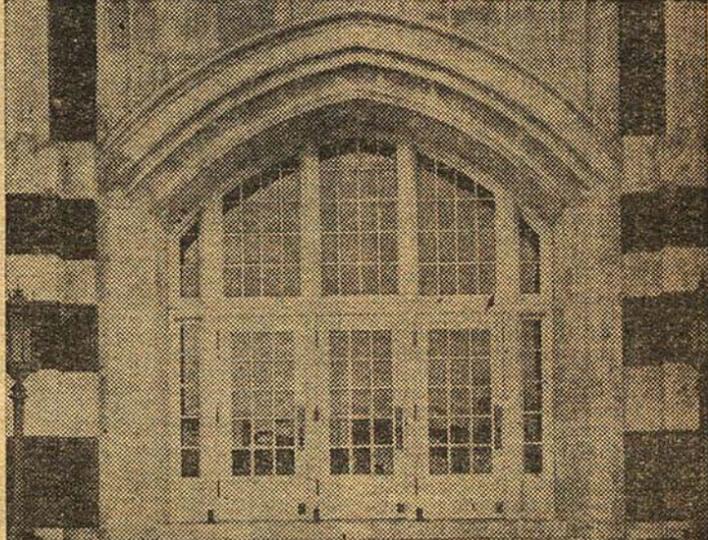

Twenty-seven professional musicians, selected as graduates of major American music schools, are the instructors. Prof. Harold A. Decker directs the A Capella Choir, Prof. James P. Robertson conducts the University Symphony, and Associate Prof. James Kerr directs the concert band.

Fiske Hall, which houses the School of Music, provides four floors of studios, practice rooms, and record listening rooms. Equipment for practice is also available to students.

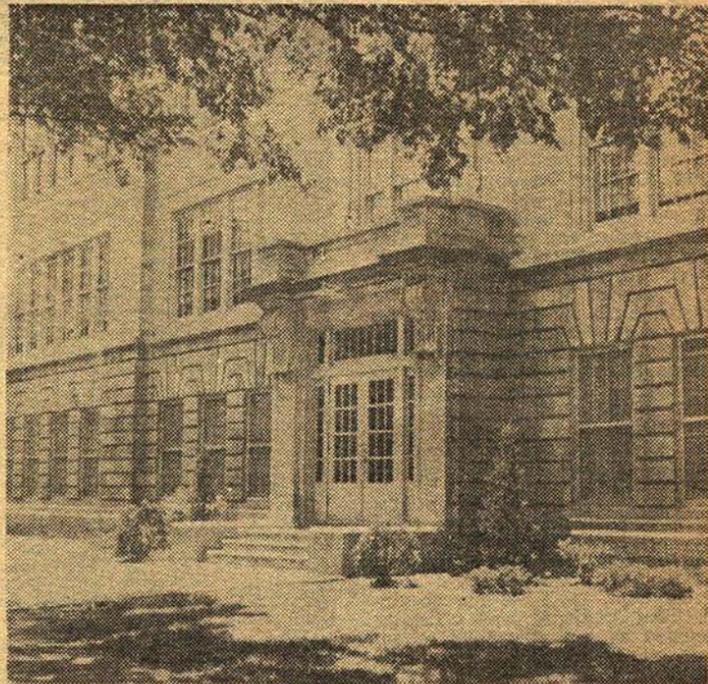

Opportunities for performance experience include participation in the concert band, A Cappella Choir, University, Symphony, public recitals, faculty recitals, programs by the music organizations, and various ensembles. An average of eighty such musical events are calendared each year. Performances are given in Kansas, Oklahoma, and Missouri as well as in Wichita.

Organizations which are of interest to music students are a national music fraternity and sorority, and the honorary band fraternity.

# 56 Years Produce Scholarship...

Air View of The University of Wichita

## U Of W Grows For 25 Years

Founded In 1895, U of W Municipalized In 1926

By Jack Campbell

From a struggling but worthy church-affiliated college to a stalwart, growing and scholarly municipal university in the span of 56 years is, briefly told, the history of the present-day University of Wichita.

Founded in 1895 as Fairmount College under the auspices of the Congregational Church, the University was created by a referendum vote of the people of Wichita on April 24, 1926, exactly 25 years ago. In June of that year, the Board of Trustees of Fairmount College deeded the property of the College to the University, and the municipal institution of higher learning for this community became a reality.

The history of the University, however, goes back even before the period of Fairmount College. As early as 1886, the Rev. J. H. Parker, minister of the Plymouth Congregational Church here, suggested plans for a "school for young ladies" to be located in the Wichita area. He hoped that such a school would eventually become "the Vassar of the West."

### Directors Named

Following an organizational meeting held on Dec. 8, 1886, at which a Board of Directors was selected, offers were received for donations of land and money for the proposed school for women, to be known as the Wichita Ladies' College. On Jan. 29, 1887, the directors accepted a donation of 350 acres of land in the north-east area of the community and the sum of \$32,000 in cash with which to erect the first building.

It was at this time that the Board changed the name of the school to Fairmount Institute, largely because of the panoramic view of the Arkansas River valley from the campus. A building was constructed but remained unfinished and vacant for several years because of a financial depression and lack of available funds.

Aid eventually came in the form of financial assistance from several individuals in the East on the condition that the school be made co-educational.

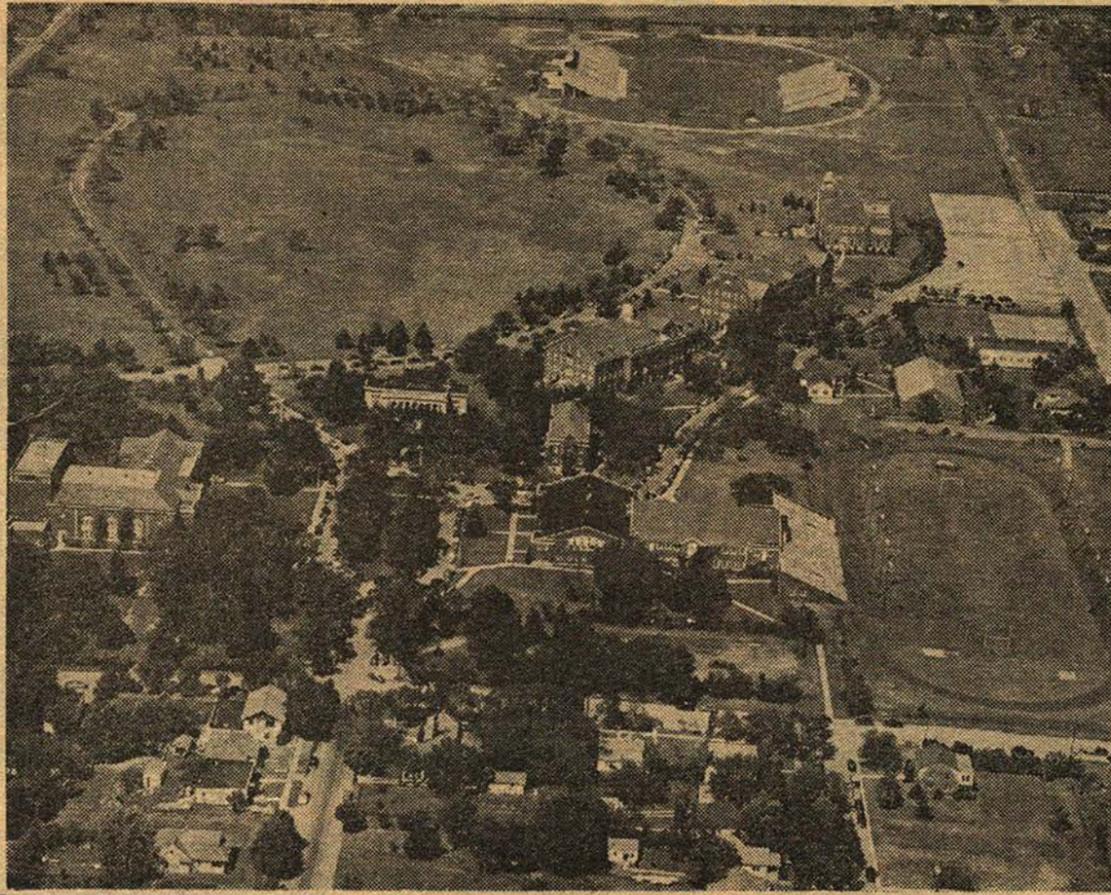

On Sept. 15, 1892, the co-educational Institute was officially opened as a preparatory school and ready to receive students, but within three years it became apparent to educators that a college was more needed than a prep school. In 1895, the first Fairmount College freshman class was enrolled, a class of 12 students.

During that year, the Rev. Dr. N. J. Morrison became head of the school. Dr. Morrison and four instructors comprised the entire staff. A publicity poster issued during the administration of Dr. Morrison proclaimed the virtues of the school in glowing words.

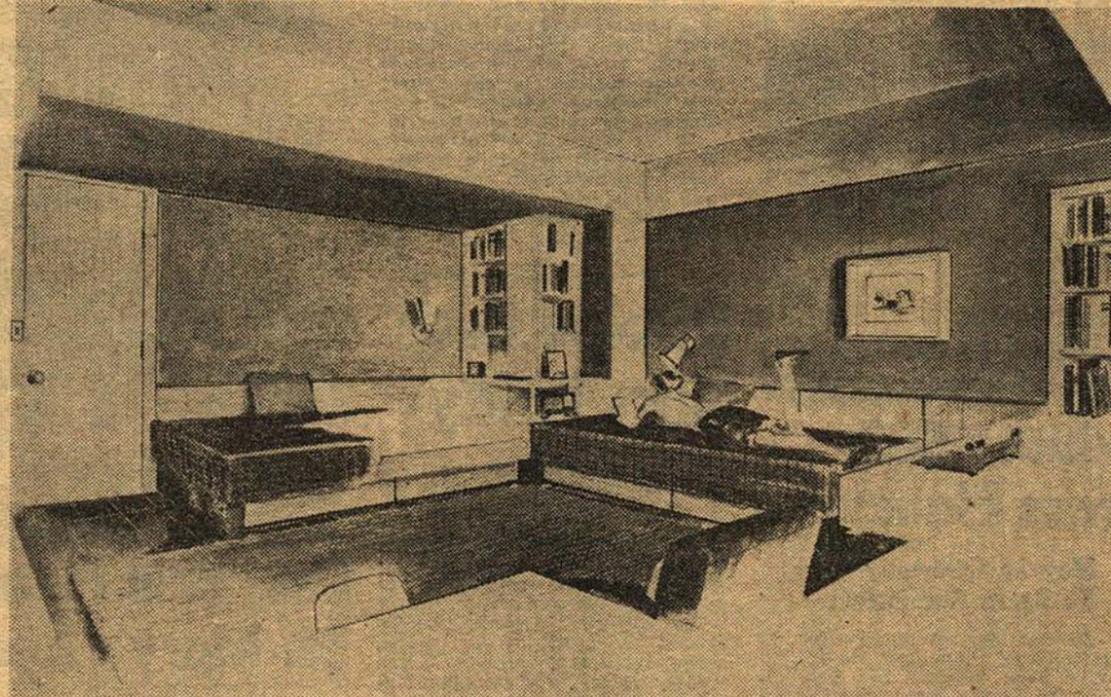

"Able and experienced teachers, trained in the best Eastern and Western colleges, in every department and course of study. The highest grade of instruction and training guaranteed. All methods modern and 'up to date.' Earnestly christian (sic) but nonsectarian and undenominational.

"The discipline gentle and kindly, but firm and strict.

"The view of the river valley below and of the city embowered in trees, seen from the college tower, is superb, and once witnessed is never forgotten by the admiring visitor," declared the author of this early school poster in describing the college

## Dormitories Like This Planned For Future Students

FUTURE STUDENTS of the University of Wichita will have new and modern dormitories in which to stay. In the near future dormitories for both men and women will be built on the University campus. Here is what you can expect the rooms to look like.

and its physical surroundings.

### Costs Low

School expenses as well as student living expenses during the early years can best be characterized as consistently low. In 1892, students attending Fairmount Institute preparatory school paid an average of \$21 a semester for tuition and fees. To enroll in the English department then required an outlay of \$6 for each term; in the mathematics department, \$8; and in the language department, \$8. A fee of 50 cents was charged to cover all incidental expenses.

Room and board could be secured then for from \$2.50 to \$3.50 a week. By 1895 and the arrival

of Dr. Morrison as first president of Fairmount College, total necessary expenses for the college year of 37 weeks were then estimated at from \$137 to \$167 for each student. Cost for board without room ranged from \$2 to \$3 a week, with many students able to live on \$1 a week at food prices current then.

In 1908, Fairmount College had a faculty of 19 and a graduating class of 14. By 1920, the faculty had increased to 25 and the graduating class to 27. The decade following municipalization in 1926 was marked by rapid progress for the University of Wichita and by 1937 a class of 198 seniors was graduated and the school faculty had increased to 42.

### Enrollment High

Immediately following World War II and up to the present Korean crisis, the enrollment steadily increased. In 1950, more than 3,000 students registered at the University to receive instruction from a faculty of 175 members. At the present time there are 2,648 students enrolled at the school.

The first session of the Municipal University of Wichita was opened just 25 years ago in September, 1926, and the first baccalaureate class was graduated in 1927, a class of 48.

Original organization of the University of Wichita consisted of the College of Liberal Arts and Sciences, the College of Business Administration and Industry, the College of Education, the College of Fine Arts, the Summer School, and the Extension Division.

In 1928, the Board of Regents authorized a Graduate Division, offering courses leading to the

(Continued on Page 8)

## Speech, News Facilities Vary

By Joe Ludiker  
Sunflower Managing Editor

A champion debate team, a radio station, an exclusive newscasting course, and a half dozen wire recorders available for student use at all times are only a few of the features offered by the speech and journalism departments of the University of Wichita.

Both the department of speech and the department of journalism are located in the Communications Building on the corner of Seventeenth and Fairmount Streets, just off the campus of the University.

### Many Debate Trophies

The debate team has won many honors and trophies. They have beaten such larger schools as Notre Dame, West Point, Indiana, Detroit, and many others. The massive array of loving cups, plaques and other metals the team has won cover an eight by four foot table.

On the second floor of the Communications Building is radio station KMWU. It has a 10 watt FM transmitter, and can be heard all over the city of Wichita. It is located on the radio at 89.1 megacycles in the FM band. A student who wishes to have his own show applies at the studios of the station for an audition, and when a spot becomes vacant the student is given a show of his own. However while the student is waiting for his chance, he can gain valuable experience by being a general announcer for the station during his free hours.

### Unique News Class

Another feature of the radio and journalism courses is the exclusive newscasting course given by George Gow, director of news at Station KANS in Wichita. This course is the first of its kind to be offered in the United States. The students of this course are given instruction in newscasting, and they also receive first hand experience by giving a news show once a week over station KMWU. Television news writing is also being taught in this course.

The student publication of the University, The Sunflower, is published weekly by the students of the department of Journalism. Beginners in journalism are reporters for the paper and the more advanced students edit and copyread for the paper. Students who wish to serve on any of its eight editorial positions may apply to the student board of publications twice a year for a position. The candidates are selected on the basis of experience, grades, and the courses they have taken that would fit them for the work.

### Recorders Available

Recently the school has purchased 6 wire recorders. They are located on the first floor of the Communications Building, and each is in a separate and private room. Students who wish to practice speeches, train for radio work, or who just want to hear their voice may use the wire recorders at any time.

Graduates of the speech and journalism departments are now holding down jobs on many Kansas' radio stations and newspapers. Some of these graduates are already successes in their fields.

## Send Records To Registrar

High school seniors planning to register at the University of Wichita should advise their high school principals of their plans, and request that a copy of their transcripts be forwarded to the Office of the Registrar.

## KMWU Offers Radio Experience

RADIO IS ACTIVE on the University of Wichita campus. The station broadcasts on FM all during the school day. Programs include news, sports, disc-jockey shows, discussion panels, dramatic features, and interview specialties. Students Morris Reichley, Abbie Troup, and Gene Torline rehearse their scripts.

## The Luxurious "Alibi Room"

THIS \$65,000 student union serves the students free hours. The "Alibi" provides food and music in a spacious but intimate atmosphere under indirect lighting. This is truly the pride of the campus.

# ...And Varied Athletic Program

## U of W Social Life Complete

By Dorothy Ludiker  
Sunflower Society Editor

Social life on the University campus is certainly not lacking with five sororities, four fraternities, and the Independent Students Associations, which supply the students with formal dances, dinners, pledge dances, and hipodrome skits on May day.

The sorority houses are all located on Clough Place which was named for Flora Clough, the first Dean of Women on the campus. This is more commonly known as sorority row. All of the frats are located on Fraternity row on Vassar except Alpha Gamma Gamma which is located on Hillside.

Alpha Tau Sigma Sorority was the first Greek organization for women on the campus and was organized in 1908, when ten girls joined together to form the sorority. It now has about 55 members.

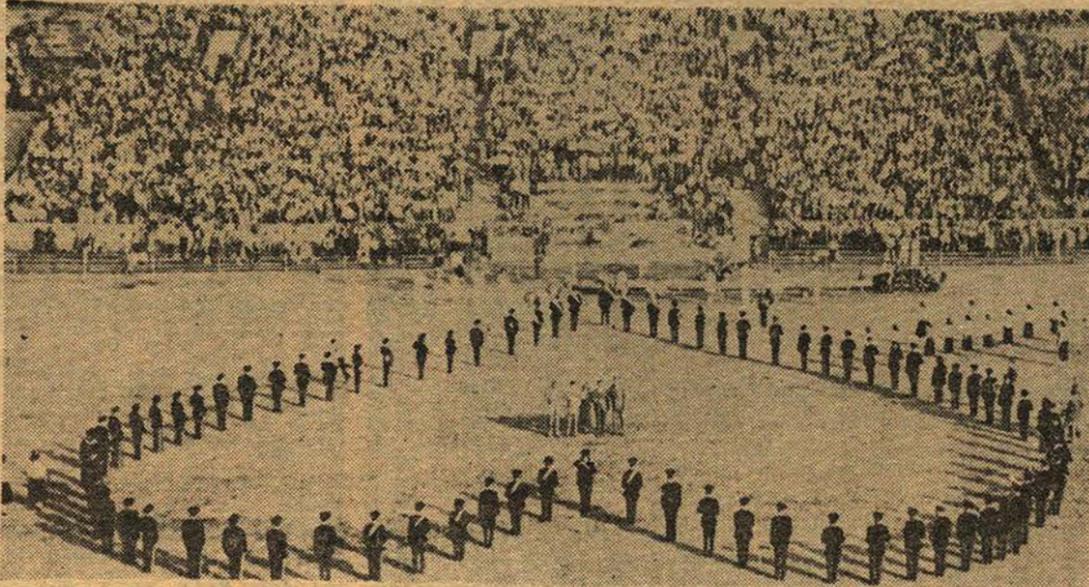

In 1916, Delta Omega Sorority was founded by three girls. It now numbers about 30 women. The sorority house was located on Fairmount until the completion of their new house on Clough Place last year.

With the completion of their new home this year on Clough Place, Epsilon Kappa Rho now joins the other sororities on Sorority row. It was founded in 1928 and is the youngest sorority on the campus, started with about 8 members and has grown to about 30 members.

Pi Kappa Psi was founded at the University in 1922 with two members. There are about 45 members now. For ten consecutive years, the Pi Kappas have taken the honor of the "Belle of

(Continued on Page 8)

## Band Director James Kerr Exhibits Half-Time Formation

THE UNIVERSITY OF WICHITA CONCERT BAND under the direction of James Kerr has been favorably compared with the best in the nation. The band performs half-time ceremonies at all home football games. Each Saturday the formations revolve around a different theme. Wichita fans have proclaimed the Shocker Band as one of the highlights of the game.

## Shocker Sports Year Complete

Athletes Face Tough Conference Opponents

By Clifford Kraus  
Sunflower Sports Editor

Versatility and tough opposition are perhaps the two most salient features of the University of Wichita's athletic program.

There is hardly a Shocker athlete who plays under the Black and Gold banner and doesn't participate in more than one varsity sport. Jimmy Nutter, Eddie Kriwiel, and Rex McMurray, all members of the Class of 1951, are prime examples.

Nutter has won four letters in both football and basketball in addition to earning awards in baseball and track. Kriwiel is another four-year letterman in the grid sport and is working towards his third letter in baseball. McMurray, meanwhile, lettered four years in basketball and presently is after another "W" in baseball. The three Shockers have also received places on all-Missouri Valley Conference teams.

After September 1, 1951, freshmen will again be eligible for varsity sports in the Missouri Valley. This means that any freshman making the grade next year will stand a good chance of duplicating the feats of Nutter, Kriwiel, and McMurray.

The above-mentioned trio

## Urged To Seek Admission Soon

High school seniors who plan to enter the University of Wichita should file an application for admission through the Office of the Registrar as soon as possible, according to Dr. Worth A. Fletcher, University registrar. These applications may be obtained either by writing to the Office of the Registrar or by coming in person to that office, located on the ground floor of the Administration Building.

## U of W Offers 3 Art Majors

Majors in the field of art at the University may be obtained by taking a four-year course in either drawing and painting, commercial and advertising art, or public school art.

Students earning a bachelor of fine arts degree by majoring in drawing and painting will receive training in landscape, still life, graphic art, freehand drawing, painting of the human body, and the history of art. Pen and ink, charcoal, oil, water color, and pastels are included in the media used.

Commercial and advertising majors will take such courses as design, poster, commercial art, fashion illustration, advertising art, technical illustration, and life illustration.

Students wishing to teach art will base their training on courses in public school art. Requirements for the Life Teaching Certificate issued by the Kansas State Board of Education are fulfilled by this major. Classes in crafts, ceramics, art methods and supervision, and in the School of Education are required.

Teaching experience is obtained by supervised teaching in Wichita schools.

Forty-eight classes are offered each school term, and summer school sessions offer from five to seven classes.

Every month a new exhibition of art work is shown in the art gallery of Morrison Hall, the art building. These exhibitions are sent to the University by schools from all over the country. Students also participate in exhibition work. Starting May 6 an exhibition of student creation will be shown at the Wichita Art Museum.

Art instructors at the University include Associate Prof. Robert W. Cooke, head of the department; Associate Prof. John M. Strange; Assistant Prof. Robert M. Kiskadden; Assistant Prof. David E. Bernard; Mrs. Barbara J. Kiskadden, instructor; and Reed O. Rogers, instructor.

## Pre-Freshmen Days Announced

A key, three-day period of interest and importance for incoming freshmen is that of Monday, Tuesday, and Wednesday, Sept. 10, 11, and 12, known collectively as Pre-Freshmen Days. During this time, freshmen are welcomed to the campus and orientation, counselling, and registration which take place.

Dates to remember: Sept. 10, 11, and 12.

## Dancing Is Fun At Wichita

MANY ALL-SCHOOL DANCES are held at the University each year. Each year numerous big name bands play for the Varsity dances, which are usually at the New Moon Ballroom.

## Institute Of Logopedics Widens Field Of Speech Correction At University

By Marvin Barnes

Stop and think how would it feel to be unable to talk or read, all because when you were small you had lost your hearing, and you could not remember how it feels to hear or speak.

This is the condition of many children entering the Institute of Logopedics at Wichita University. These children are seeking help in correcting their handicap. Correcting the various speech defects of the children takes many workers with a great deal of skill and patience.

The Institute had its beginning in a room on the fourth floor of the Administration Building on the campus here at the University of Wichita. There was no elevator and the staff and a few volunteers carried the children up and down the three flights of stairs every day to and from the clinic.

The speech correction work began when Dr. Martin F. Palmer, a graduate of the University of Michigan, took over the new department of Logopedics at the University in 1933. From the one room in the Administration building Dr. Palmer started what today is the best known speech correction center in the United States. The classes were held in the one room. It gave the students of this new field actual cases to study, and the needed experience for this type of work.

In 1936 the son of A. A. Hyde, Wichita industrialist visited the Institute and contributed \$10,000 from the family estate to the Institute. Soon after, Mrs. E. M. Brown of Salina donated \$2,000

in memory of her daughter. The Institute moved from its fourth floor room to the ground floor.

The fame of the Institute grew and there was a growing demand for help from the handicapped. There has been no time in the history of the Institute that enough trained workers were trained. Even today with the increasing number of students in Logopedics the demand far exceeds the supply. The training necessary for a degree in this field requires six years, and graduate work takes three more with practical experience.

In 1949 the Institute made its biggest step forward with its opening of a new \$2,000,000 model training center. It is located on a 40 acre plot of land at 2400 Jardine Drive, about two miles north and west of the University campus. This new Institute contains a Administration Building which is the nerve center of the training program. There are also 40 cottages arranged in a U shape with the Administration as the base. Each cottage has four apartments. The apartments are built to house three children under the supervision of a house mother.

The scope of the speech correction work has widened to include other field centers in thirteen Kansas towns, two in New York state, and one in Oklahoma and Maryland.

## Pardon My Night Shirt

THE NIGHT SHIRT PARADE, the annual freshman fun night, is one of the first activities for the freshman after he starts his college life on the University campus. All first year students don the old PJ's and parade the streets of Wichita prior to the first home football game.

## Dean Kenneth Razak Heads Business, Industry Divisions

The College of Business Administration and Industry comprises the Division of Business Administration and the School of Engineering. The Division of Business Administration is under the administrative direction of the Dean of the College Kenneth Razak, and the School of Engineering is also under the supervision of Dean Razak.

The curriculum in business administration leads to the bache-

lor of science degree in business administration. Majors for this degree include accounting, aeronautical administration, general business, industrial management, marketing, or secretarial training. Four year curricula leading to a bachelor's degree are offered in aeronautical engineering, industrial arts, and industrial engineering.

Instruction in basic academic courses are offered during the freshman and sophomore years. During the junior and seniors a major of at least 48 hours in professional subjects must be completed. Junior and senior students are required to elect a minimum of 40 hours from upper division courses.

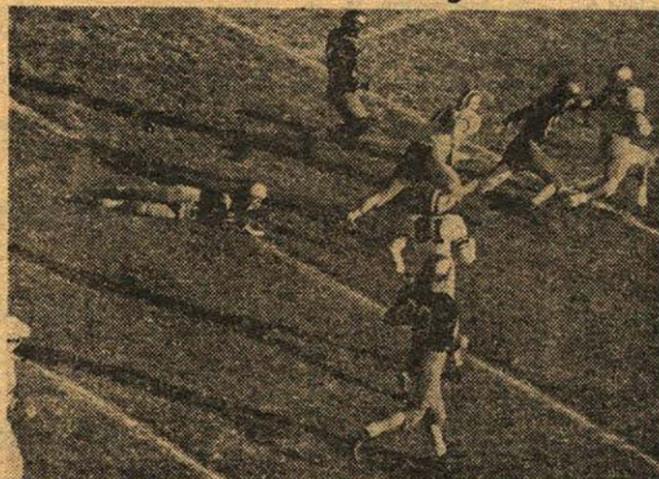

Offers Two-Year Preparatory Courses

An advanced course leads to the degree of master of science in aeronautical engineering. A two year program leads to the certificate of tool engineer. Two year preparatory programs are offered in mechanical, electrical, civil, and chemical engineering which are accepted by other recognized engineering schools.

Modern engineering facilities including a wind tunnel laboratory and machine shops are lo-

(Continued on Page 8)

## Shockers Score Again

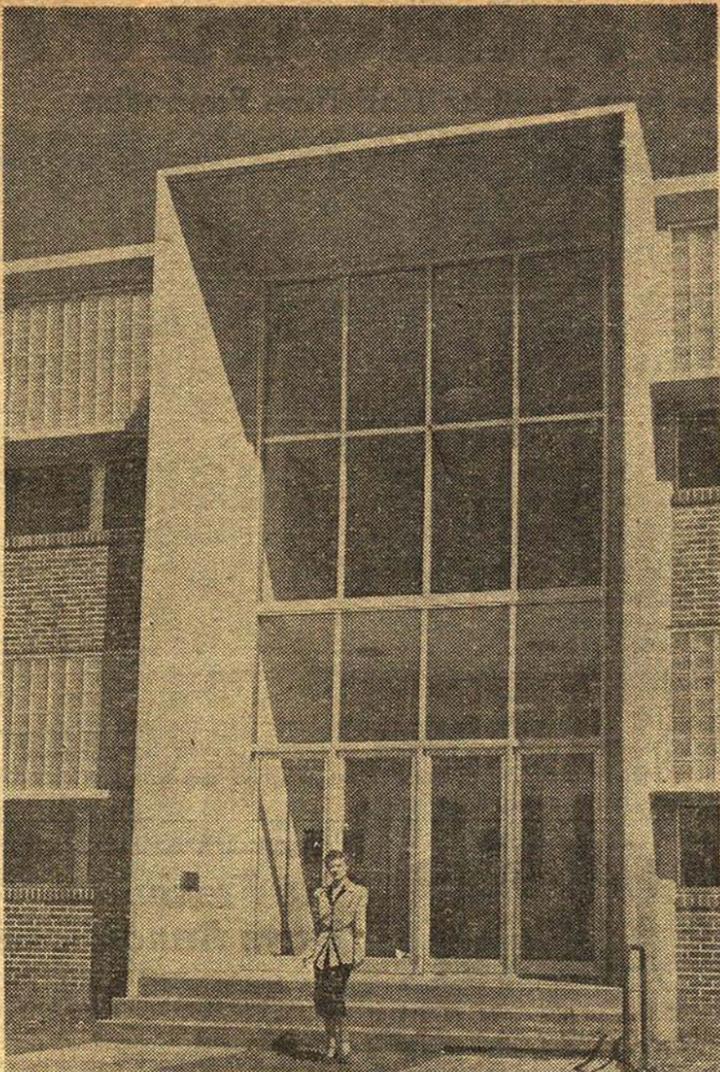

WALT CORBIN (23), who will be playing for the 1951 Shockers, exhibits last year's talent against Nevada. Wichita will boast many returning lettermen and prospects for a great season. Under new Missouri Valley rules, freshmen will be allowed to compete in varsity sports.

New Business Administration Building

THIS BEAUTIFUL BUILDING, on the east campus will play a major role during the University's 1951 Summer Session. The modern structure is not as yet completed, but classes have been held here the past semester. Almost every day, students have been able to see new additions and conveniences take shape.

Edward; Leonard, Billy Jess; LePel, Corban Roy; Levy, Ellen Rae; Lewis, William Robert; Lincoln, Donna Marie; Lindt, Stanley Laevrae; Littleton, Cleophus

# 'The Heiress' Performances Enjoyed By Small Audiences

By Bob Barber

Abbie Troup, playing the title role in "The Heiress," last weekend, turned in a surprisingly deft portrayal of the plain but rich girl Catherine Sloper.

Small crowds were in attendance all three nights, but showed appreciation of the dramatic presentation which was directed by George D. Wilner, speech and dramatics professor.

Ronald Weidman was at his best since first seen on the University stage with his portrayal of the father, Dr. Austin Sloper. The audience was able to completely forget Weidman and concentrate on the part he played.

Martha Reaugh and Joan McClure gave enjoyable performances as Elizabeth Almond and Lavinia Penniman, aunts of the heiress. McClure was particularly good as the aunt who started the whole thing.

The drama of the 1850's concerned the heiress who was imposed upon by the "heavy" Morris Townsend, played by Jack Foster.

Townsend is out to get her money even if he has to marry her. He is stopped by the father who wants only the best for his daughter.

Costumes reflected the careful planning and authenticity characteristic of their designer, James Stearns.

Dana Johnson did well with the small part allotted to her, and Marjorie Coover fitted right the part of a silly cousin in her presentation of Marian.

Some complaint was heard that the prologue and between acts music was out of place and unimaginative but on the whole the backstage work went smoothly under the leadership of technical director Gene Spangler.

One of the biggest laughs of the show was unplanned. In one scene the heiress was to blow out a lamp. Somehow cues got mixed and she blew and blew before the light finally obliged.

Most dramatic scene, show-

goers agreed, was between the aunt and the heiress near the end of the play. The ending left the audience undecided whether the heroine had made the right decision but all agreed it was deftly done.

All in all, an enjoyable show.

## Debaters Keep National Rank

University debaters retained their titles in the oratory and extemporaneous division of the National Invitational Debate meet at Texas University in Austin last week. In debate, the University affirmative team tied for first in team ratings.

Russell Watson and Larry Jones swept to the oratory title, Harry Hobson and Merton Rymph met similar success in placing first and second respectively in the extemporaneous division of the meet.

In debate, Hobson and Rymph topped the speaker ratings, but took second place on a loss and split decision. They took the negative on the question, "The American People Should Reject the Welfare State."

Keller, Rymph, and Hobson wound up their debate careers under Coach Phillip J. Mohr, whose debate squad took first at Alabama and Iowa, and second at the Missouri Valley and Texas tournaments.

## Miss Titus To Give Senior Music Recital

Esther Lee Titus, senior student in the school of music, will present a senior recital, leading toward the completion of the bachelor of music education degree, Monday at 8 p. m. in the Commons Auditorium, announced Walter M. Duerkson, head of the school of music.

Miss Titus, concert mistress of the University Symphony Orchestra, also plays in the violin section of the Wichita Symphony Orchestra.

Three Paganini "Caprices"—13, 20, 24—are included in the program. Miss Titus will also play Chausson's "Poeme," "Sonata" by Faure, and the Bach "Sonata III."

# Dinner Planned For Newsmen

The University will play host to the Kansas Associated Press Radio Newscasters' Association at a dinner to be held at 6:30 p. m. Saturday in the faculty dining room in the Commons.

The dinner is part of the two-day convention to be held in Wichita Saturday and Sunday. Representatives of 26 Kansas radio stations have been invited to attend.

In addition to the newscasters, five Associated Press representatives will be present at the convention. They are Oliver Gramling, assistant general manager of the Associated Press; Frank Gorrie, chief of the AP Kansas City bureau; Rolla Clymer, chairman of the newspaper division of the Kansas AP; Al Stine and Joe De George, both of the Kansas City AP bureau.

A skit will be presented at the dinner by Colophon, honorary men's journalism fraternity. After the dinner the newscasters will see a demonstration in the Communications Building by members of the radio newswriting class, taught by George Gow, news director of station KANS.

## U. of W. Offers Fun, Knowledge In Summertime

By Mary Fran Sullivan  
Sunflower Desk Editor

"Summer is pleasant on the W.U. campus," reads the University summer schedule of classes, but actually there is more truth in the statement than fiction.

Twelve hours of college credit are available during the two sessions of school. One can earn eight semester hours of credit in the first eight weeks term, and four in the second term, which lasts four weeks.

Rules governing admission are the same as those required for the regular school semester. Persons who have completed the course of an accredited high school may enroll in any department.

Most of the regular University faculty will be on the staff this summer and in addition, several visiting professors will be added. For residents of Kansas the tuition is seven dollars per semester hour, plus a small incidental fee which covers convocations and other recreational facilities.

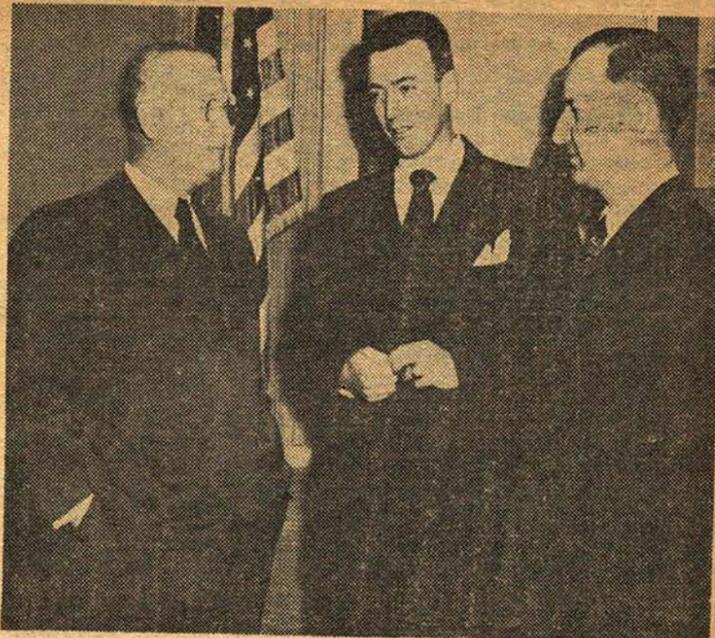

The new Business Administration Building, located on east campus behind sorority row, will be much in demand in its first summer of use because of air conditioned classrooms. Not to be forgotten when cool and modern comfort is mentioned is the popular Alibi Room in the Commons Building. There is always time for a coke and a quick visit here between classes.

All work and no play make students dull people, and certainly the summer students are not about to let this happen. Most classes are over around noon, so one never has to look far to join a group just leaving for swimming or a picnic.

A catalogue of classes is available in the Registrar's office of the Administration Building. High school students would do well to gather a few college credits this summer, and have a lot of fun doing it.

R And R  
R and R will come in handy.

## Psychology Seminar Room

FURNITURE for the A. E. Howse Seminar Room was presented to the University Tuesday by Col. A. E. Howse, chairman of Howse Furniture Company, and assistant to Charles E. Wilson, National Defense Mobilizer. The furniture was accepted for the University by President Harry F. Corbin and Dr. N. H. Pronko, head of the psychology department.

## 2 Commissions Open To GI's

Two commissions in the Coast Guard Reserve are open to students attending the University under the GI Bill, Dean L. Hekhuis, of the College of Liberal Arts and Sciences, announced this week.

Interested students may contact Dean Hekhuis. Applications will be filed for qualified students, Dean Hekhuis said.

## Lehman Elected AWS President

Nancy Lehman was elected Friday by the women students on the campus to head next year's activities of the Associated Women Students.

Other officers are Mary Lou Rucker, first vice-president; Flossie Bates, second vice-president; Mary Ann Bingham, third vice-president; Joanne Harris, secretary, and Elaine Lupton, treasurer.

Members of the unaffiliated council are Sherrill Bliss, Lucretia Crum, Shirley Lake, Barbara Ewing, and Marilyn Boyles. Affiliated council members will be appointed by each of the sororities and the Independent Students' Association.

Junior representatives to the AWS court are Charlyn Dixon and Kay Hass. Senior representatives are Ruth Mercer and Colleen Schreffler.

Ann Klein will serve as representative at large. Installation of the newly-elected officials will be May 16 at the annual "Big Women On The Campus" banquet.

## C U W Plan To Honor Haymaker At Dinner

Miss Mary Haymaker, assistant professor of English, was honored at the annual spring dinner of the Council of University Women Wednesday evening April 25 at Droll's English Grill. Miss Haymaker has completed 25 years of teaching at the University.

Mrs. Carol Holman of the English department, was in charge of the program for the affair. Miss Margaret Walker, English instructor, and Mrs. Katherine Griffith, secretary to President Harry F. Corbin, are in charge of the decorations, which will be planned around spring flowers.

Arrangements were taken care of by Mrs. Anne Ortmeier, Mrs. Dorothy Gardner, Miss Joetta Downing, and Miss Eva Hangen.

## Home Economics Club

Officers for next year were elected by members of the Home Economics Club during their meeting on April 12 in the home economics department.

The new officers are Ruth Stevens, president; Shirley Lake, vice-president; Charlotte Noe, treasurer; Marjorie Martin, secretary; and Elaine Lupton, recorder.

## Debaters Guests Of K-State Frat

Harry Hobson, Merton Rymph and Loren Keller will be guests of the new chapter of Delta Sigma Epsilon, national debate fraternity, at Kansas State College at Manhattan tomorrow night. While there, they will aid in the installation of the new chapter.

Dr. F. L. Whan, head of the University speech department and local sponsor, will be the featured speaker at the ceremonies.

Hobson, Rymph, and Keller are president, vice-president, and secretary-treasurer respectively of the University chapter of the fraternity.

## Cowgill Named Officer Of Sociology Group

Dr. Donald O. Cowgill, head of the sociology department, was elected first vice-president at the last meeting of the Midwest Sociological Society in Des Moines, Iowa. This society has its members in nine states of the Midwest.

The University sociologist will help plan the program for the 1952 session of the society.

During the three-day meeting, Dr. Cowgill presented a paper on "An Index of Segregation Based on Block Statistics" which will be published in the near future.

## Cooke Is Appointed

Robert W. Cooke, associate professor of art at the University, was recently appointed to the membership board of the Western Arts Association, a 16 state regional division of the National Arts Education Association.

## Trimble Resigns

Continued From Page 1

and sometimes expect the impossible," the letter continued. Trimble praised the University and the city for the support given him during his stay here. He also added that "it was with the greatest reluctance that I leave my staff. . . I have never, under any circumstances, ques-

Norvall Neve

tioned the staff's loyalty or sincerity."

The Indiana graduate said that if he has made a contribution to the University, he hoped that it has been thru the boys with whom he has worked. At a press conference Tuesday afternoon, Trimble told newsmen how the number of University graduates in the coaching field has grown from three or four when he

## Meet Entries Due On May 7

Entries for the intramural track meet are due May 7, at 2 p. m. and competition will start the following week on May 14, according to Robert Kirkpatrick, men's intramural director. Events will include all those used in a regulation high school meet except the mile run. A three-quarter run will be substituted for the mile.

came here to the 80 or 90 of today.

In accepting Trimble's resignation, President Corbin said that it was done with deep regret. "He has been a fine and sympathetic leader and we are grateful for the contribution he has made to University of Wichita sports. He carries my personal best wishes for happiness in whatever he does."

President Corbin added that a special constituted committee headed by Dr. Lloyd McKinley, the University's Missouri Valley Conference faculty representative, will be named to recommend necessary appointments for the vacant positions. The committee will be comprised of faculty, students, and alumni, President Corbin stated.

### Separate Resignation

He emphasized that Trimble's resignation was separate from that of Gunning's. "Jim's decision came after months of deliberation rather than a few days, and I know that he feels the importance of it." President Corbin said in his reply to the letter of resignation.

Gunning's resignation was announced last Saturday. He had been head basketball coach since the 1948-49 season. It has been strongly rumored that Ralph Miller, basketball coach at Wichita

## Shocker Golf Team Defeated By Okla. A & M

Shocker golfers dropped two matches to Oklahoma A & M Friday and Monday, by scores of 15-3 and 16½-½ in the respective matches. The first match was played on the MacDonald course here, the second at Stillwater.

Low men for the Shockers were Danny Smith in the first with a 74, and Joe Minjares in the second, also carding a 74.

A & M was led by medalist George Bangham, who carded a 71. Bangham, one of the top amateurs in the nation, recently defeated the number two man on Great Britain's Walker Cup team, and is the Kansas City Amateur champion.

Next matches for the Shocker golfers are at Nebraska University today and at the University of Omaha tomorrow.

High School East, would be named his successor. Gunning is married and has two children. He, too, expressed regret upon leaving the University.

Trimble became athletic director and head coach here in 1948 after Ralph Graham had resigned to go to Kansas State at Manhattan. He was line coach under Graham two years prior to assuming the latter position. Trimble's coaching record here for three seasons was 13 wins, 14 losses, and 3 ties. The former Big Ten star is 31 years old, married, and has a daughter, Pat, and son, Mike.

At the press conference, the mentor said that he had no definite plans for the future. He emphasized, at the same time, that he has not forgotten the coaching profession entirely.

# Sports Roundup

By Clifford Kraus  
Sunflower Sports Editor

This past week has seen two important athletic figures here at the University of Wichita resign from their positions. Circumstances surrounding the events have led many to believe that Jim Trimble, athletic director and head football coach, and Ken Gunning, head basketball coach, were forced to leave. As we see it, this is hardly the whole story.

Furthermore, as a result of the above thoughts, much ill light has been cast upon the two men's character. This matter, we feel, should be cleared immediately.

As sports editor of The Sunflower and past manager of some of the Shocker athletic teams we have come into contact with both men frequently. Therefore, we feel that we can say without reservation that never have we ever been deprived of news or advice without just cause from either Trimble or Gunning. We feel, too, that those athletes which have served under them would say the same if given the opportunity.

Going back to the start of this column, let us relate here what Pres. Harry F. Corbin told newsmen at Tuesday's press conference: "There was no pressure on Trimble to resign." True, the news of Gunning's resignation did "break" suddenly and he has had losing seasons here, but the fact remains that he was offered a position as baseball coach and physical education instructor at his present salary.

Trimble's resignation was a result of a several months' deliberation although the Gunning incident did bring things to a head. Both Trimble and Gunning resigned with regret.

The two coaches both denounced the "win at any odds" complex which prevails in college sports today. It was the primary aim of both men to develop leadership and character in their athletes rather than a strictly "let's win at any cost" attitude. It is also apparent that both had the best interests of the school at heart in the performances of their duties.

With the past now taken care of here and elsewhere in these pages and the downtown press, let's turn to the future.

Students here should realize that what has happened here has happened at other campuses without jeopardizing the overall position of their schools. We have every reason to believe now that the successors to the vacant positions will be well qualified men and will continue to promote the University's growth in the athletic world. Incidentally, Trimble will serve in an advisory capacity in making the selections.

Rumors that this University is heading back to the Central Conference are without justification. Just as it continues to grow academically, it will grow athletically. Other rumors attached to this situation should be spiked too, for although some of them may be true, they will as a whole only add unrest to a situation where unrest is not desired.

In closing we would like to say that we feel Trimble and Gunning should be shown all the respect due a faculty member, coach, and a gentleman and that this respect should continue in the future to both them and their successors.

## Softball League Continues In Tie

The Phi Sig and P and O (Pennsylvania and Ohio) softball teams were tied for first place in the men's softball league with one win and no losses as of Tuesday morning. Men of Webster's nine are lodged in third place with a record of one win and one loss. Alpha Gamma Gamma is in last place with no wins and two defeats.

P and O notched their win over Alpha Gamma 15 to 8. The Phi Sigs won their first victory at the expense of the Websters 12-5. Alpha Gamma dropped their other game to the Websters 12-11.

## Unaffiliates In Front In Bowling Tourney

The Unaffiliate team took the lead in the bowling tournament sponsored by the Women's Recreational Association by defeating the Delta Omegas last week.

In their third win of the tournament, the Unaffiliates piled up a score of 888 to their opponent's score of 794.

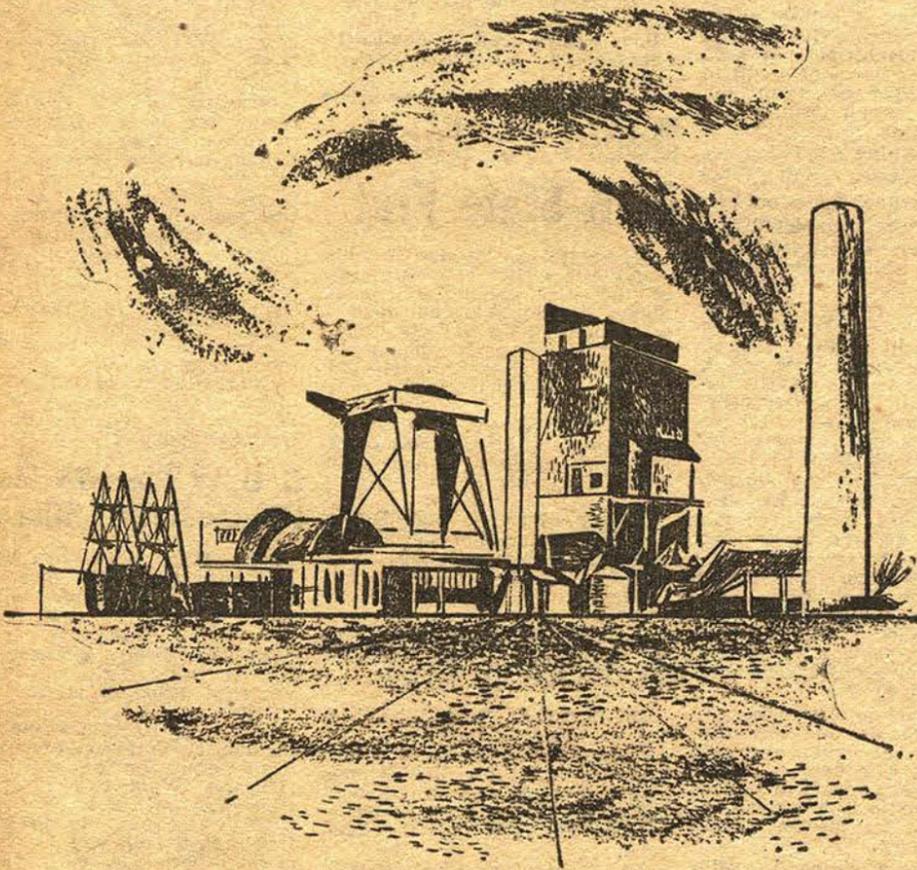

## Frosh Thinclads Lose 69½-49½

The Shocker frosh track squad picked up five first places to win second in the El Dorado Junior College invitational track meet with 49½ points Friday afternoon. Hutchinson Junior College's Blue Dragons copped first place in the meet with 62½ points. El Dorado was third with 30 tallies and St. John's College of Winfield was fourth with 12 points.

Kermit Hollingsworth paced the Shocker yearlings with 10½ points. He took first in pole vault with a mark of 10 feet, six inches; tied for first in the high jump with Bob Roberts of Wichita who jumped five feet, nine inches, and finished third in the 120-yard high hurdles.

Curtis Hightower, broad jump—19 feet, 11½ inches; Ron Summers, discus throw—121 feet, three inches; and Mike Foley, javelin—169 feet, four inches were the Shockers' other first place finishers.

Other placers for the Shockers were Hightower, third in the 100-yard dash; Jerry Howell, second in the broad jump and a tie for third in the pole vault; Summers, second in the shot put; Tom Wolf, second in the mile run; John Troup, third in the mile run; Bud Glazier, fourth in the discus; and Harris, third in the 220-yard dash. The yearling's mile relay team placed third.

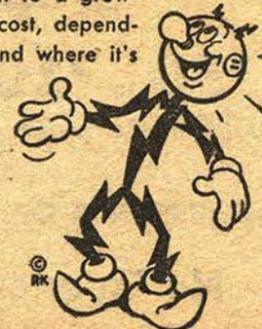

# Horsepower on the way...

This is an artist's conception of the Murray Gill Plant . . . KG&E's new electric generating station now under construction.

When the first two generating units scheduled for the Gill plant are installed — at a cost of about \$15,000,000 — over 150,000 additional horsepower will be available to the area served by KG&E. That's enough power to serve all the electric needs in a community of approximately 350,000 people.

This is KG&E's contribution to a growing area . . . plenty of low-cost, dependable electric service when and where it's needed.

Electricity is Cheaper!

### Several Students, Faculty Members Appear In Community Theatre's Play

Several University students and faculty members are currently appearing in the Community Theater's production of "The Skin of Our Teeth," a play by Thornton Wilder, which opened Monday night at the First Unitarian Church, located at the corner of Central and Topeka Avenue.

Jim Stearns, University student, plays the male lead Mr. Antrobus, Wilder's equivalent of John Doe. A University graduate, Bobbie Campbell, has the role of Mrs. Antrobus.

The play, directed by Mrs. Mary Jane Woodard, instructor in speech and dramatics, shows how man through the ages has escaped destruction by the skin of his teeth.

It is a comedy and an allegory with no chronology. A dinosaur (Donald Dill) and an amorous telegraph messenger boy (Dr. Clair Hannum, associate professor of zoology) scamper about the stage in the same scene, and a bathing beauty contest at Atlantic City is interrupted by the biblical Flood.

According to Time, the play is like "a philosophy class conducted in a monkey cage."

University student Dave Hazelwood, and Miss Phillida Whitby, instructor in French, are also seen in the play, which ends its run Saturday evening. Curtain time for the play is 8:30 p.m.

### KMUW Airs 2 New Series

Two new series of weekly programs are being aired by University radio station KMUW, according to Bob Williams, assistant professor of speech.

In the first of these, Wichita High School East Radio Players are presenting comedies, suspense, and mystery dramas Sunday at 3 p. m. Many of these have been presented previously as network shows, Professor Williams stated.

The other, inaugurated recently, is a series of dramatic programs presented by high school members of Junior Red Cross, under the direction of Mrs. Bobbie Campbell, at 4 p. m. on Thursday.

### Pure-Blood?

### Student Paper Slams Senator's "Patriotic" Views

A recent Associated Press story quoted North Carolina Senator Willis Smith as saying, "There are no disloyal persons in our midst (North Carolina) . . . We have the purest Anglo-saxon blood. We don't have to be suspicious of our people."

A columnist for the Daily Tar Heel, University of North Carolina, had this to say about the senator's views: ". . . As to that 'purest Anglo-saxon blood,' your thesis is probably correct, if one discounts the million and a half Negroes, the Cherokees, the several thousand descendants of Mediterranean peoples, and the few hundred Asiatics and Euro-Asiatics.

"And to you, Mr. Smith, these must be second-rate citizens, unworthy of inclusion in your own special census. But as to the 'disloyal persons in our midst,' if you mean what you seem to mean, then on this point alone I must disagree with you. For there are untold numbers of North Carolinians who are disloyal to your particular concept of democracy."

### Iowa Students Exhibit Art Here

A student exhibition from the State University of Iowa will open in the University Art Gallery Sunday at 2 p. m., according to David E. Bernard, assistant professor of art.

The exhibition will be shown from 2 to 5 p. m. Sunday and will continue on week days until Thursday, May 17. Hours are from 8 a. m. to 5 p. m.

It consists of selections from the work of present and former students of the University of Iowa art department. Several of the artists represented are now teaching in colleges and universities in the Middle West.

Included in the exhibition are large oil paintings, water colors, gouaches, drawings, and intaglio prints.

Professor Bernard states that most of the compositions show a careful combination of subject matter and design.

### Utah Students State Opinions Of Korean War

The Student Life at Utah State agriculture school, recently held a "collegiate bull session," to determine what male students think about the national emergency. Here are some of the opinions it reported.

Said a veteran of 27: "I want a chance to do something I like, and if I get called back in I'll be too old to get a good coaching position. . . It's the reserve commission I have in the artillery that puts a wet blanket on my future."

Another veteran, married and father of three, declared, "I don't want my kids to experience the hell of Anzio, much less waste the young years of their lives carrying a rifle. I've got to get a job up the ladder some place and as much as I hate the war, the draft, frankly, is going to help me. Competition isn't going to be as tough."

Commented a freshman: "Before I get drafted I'm going to join the Navy; I don't like the idea of being forced into anything I don't want to go in. I wish they would make up their minds about this damned war, and either get going or cut it out."

### Student Librarian Begins Duties Here

Miss Inez Esping, of the Library School at Emporia State Teachers College, recently began practice work in the University of Wichita Library, according to Librarian Downing P. O'Harra.

Miss Esping will work in all library departments in order to gain experience.

She is working on the campus as part of a program at Emporia State in which all students in the Library School spend two weeks in an off-campus library to gain experience.

### VA To Close Offices May 1

The Veterans Administration will close its offices on May 1, according to George Smith, director. Smith announced that any veterans desiring information after that date should contact the Veterans Administration Center, Kellogg and Buckley Drive, or telephone 62-4581.

### Tourers May Enroll Late For Session

Students who are planning to take the trip to Old Mexico, currently being offered by the Spanish department, will be allowed to enroll in summer school four days late, said Dr. Eugene Saviano, head of the Spanish department.

Any student who pre-enrolls before leaving on the 16 day excursion will not have to pay the late enrollment fee. Price of the tour for students and University employees is \$139. This fee includes transportation, hotel accommodations, sight-seeing tours, guide service, and lectures. Pamphlets containing further

### Speech Meeting Scheduled Here

Speech majors are invited to attend the annual Kansas Speech Teachers convention, to be held at the University Saturday, Dr. F. L. Whan, head of the University speech department, announced this week.

Although there will be no formal speeches, there will be a discussion of three petitions, which will be the highlight of the meeting, Dr. Whan stated.

First of the petitions is for a required speech course in Kansas high schools. The second is for a change in requirements for speech teachers in high schools, requiring more speech courses to be taken in colleges. The third is for a uniformed recommendation on what speech courses should contain. All petitions will be sent to the Kansas State Board of Education.

Dr. Whan will preside over the meeting, to be held in the Communications Building.

Information may be obtained from the office of the Spanish department.

### Tennis Intramurals Enter Second Round

Five matches in the second round of the men's intramural singles tennis tournament had been completed by Monday afternoon.

Frank Beattie, Independent, defeated Robert Reece, Independent; Roger Harter, Phi Upsilon Sigma, won over Kendall King, Men of Webster; Harry Frazier, Webster, downed Jim Taylor, Webster; Bob Lewis, FOF, eliminated Dick Linn, Phi Sig; and Roger Wilkinson, Alpha Gamma Gamma, won from Pat Corbett, Independent.

### Kansas U. Students View University Art

Thirty students and three faculty members of the University of Kansas art department recently examined University of Wichita students' work and the Lee Chesney exhibit now current in the University Gallery Saturday.

The group were in Wichita for the opening of the Decorative Arts Show at the Wichita Art Museum.

# BELIEVE IN YOURSELF!

## Don't test one brand alone...compare them all!

Unlike others, we never ask you to test our brand alone. We say... **compare PHILIP MORRIS...match PHILIP MORRIS...judge PHILIP MORRIS against any other cigarette!**

Then make your own choice!

### TRY THIS TEST!

Take a PHILIP MORRIS — and any other cigarette. Then, here's all you do:

**1** Light up either cigarette. Take a puff—don't inhale—and s-l-o-w-l-y let the smoke come through your nose.

**2** Now do exactly the same thing with the other cigarette.

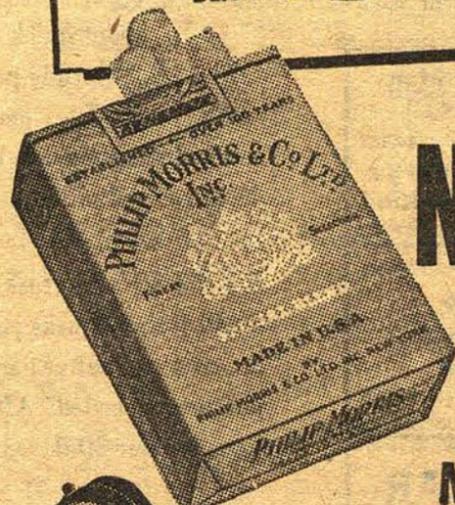

**NOTICE THAT PHILIP MORRIS IS DEFINITELY LESS IRRITATING, DEFINITELY Milder!**

Remember...

# NO CIGARETTE HANGOVER

means MORE SMOKING PLEASURE!

## CALL FOR PHILIP MORRIS

### Shocker Sports

(Continued from Page 5)

aren't the only all-around athletes around the Shocker campus. According to the recently-issued spring sports brochure, no less than 15 football and basketball players are listed on the rosters. Heading this list is Dick Sanders, sophomore, who has already earned letters in football and basketball and is now playing shortstop on the baseball team.

**Athletes From Near And Far**  
Birthplaces of the Shockers have no geographical limits. Although such Kansas towns as Hutchinson, McPherson, Newton, and Wichita contribute a major share of the athletes, Pennsylvania, Ohio, Texas, Oklahoma, Indiana, Colorado, Illinois, Michigan, New York, and Wisconsin are also well represented.

**Intramurals Popular**  
Not to be overlooked in the University's athletic set-up is its intramural program. Headed by Robert P. Kirkpatrick of the physical education staff, approximately 1,000 students participate in touch football, basketball, speedball, tennis, wrestling, volleyball, bowling, and softball.

Each fraternity sponsors at least one team in the different events, but the competition doesn't end there. The other teams offer a long and varied list on nicknames. To name a few, there are the Super-sonics, Zoomers, Wheels, Winners, Hot Panthers, P and O's, and the Dirty Socks.

**Nutter**

Now discuss some of the opposition that the Shockers face during the year. The University is the smallest school in the tough Missouri Valley Conference, however, this factor didn't keep Wichita from finishing fifth in the race for the All-Sports Trophy offered each year by the Detroit University Athletic Club.

Next football season, the Shockers, 1950 third-place Valley finishers, will face all six conference opponents besides Boston University, Utah State, and Miami University of Ohio.

Basketball is the MVC's pride and joy. Last season the Shockers finished fifth facing such opposition as Oklahoma A and M, Bradley, and St. Louis in the conference. These three teams were listed among the top 10 in the nation during 1950-51. Next year Wichita will face all of the Valley teams again and an attractive non-conference slate has been arranged.

Indiana, Colorado, Denver, Arizona State at Tempe, San Diego State, Loyola of Los Angeles, and Pepperdine are tentatively scheduled to face the Wheatshockers. The western schools will be met on an extensive road trip to the West Coast in December, according to present plans.

Athletes in spring sports also face major opposition. For instance, the track team regularly participates in the Oklahoma A and M, Kansas, and Drake Relays. The baseball, golf, and tennis teams list several Big Seven schools among their opponents.

**Kriwiel**

During the past year, the University added the rifle squad to its minor sport team list and is open to any regularly enrolled male student. Like other Shocker aggregations, the rifle team also meets top-flight opposition.

Whenever one speaks of the athletic program here the coaching staff always gets its share of mention. Jim Trimble, a graduate of Indiana, recently resigned as athletic director and head coach of football.

It is rumored that Ralph Miller, who coached East High's state basketball champions for 1950, will direct the basketball and baseball teams for Wichita next season. C. A. "Ab" Bidwell is head of the physical education department and head track coach.

Assisting Trimble in football are Norval Neve, backfield coach; Jim Valek, end coach; Bob Carlson, line coach; and Earl Hamilton, scout and backfield coach. Hamilton also doubles as golf coach in the spring.

### Need Students In Logopedics

The major goal of the first chapter of the National Auxillary of the Institute of Logopedics will be the recruitment and development of logopedics to help meet a critical national need for 20,000 such teachers.

The organization, which will be founded in Wichita on May 7, will operate in the belief that more trained teachers will lead to more research in this field, and that professional training and research will result in the successful correction of speech handicaps of millions of persons in the world.

According to leaders of the organization, a student in logopedics at the University has the opportunity for the best training available, as the Institute has the clinical facilities for such training. The Institute works with all types of speech defects, such as articulation, stuttering, aphasia, cerebral palsy, and defects caused by hearing loss.

A bachelor's degree in logopedics requires 60 hours in this field plus lectures and laboratory. Knowledge of physiology, anatomy, and neurology is required and courses in the education department are included because the logopedist's field is teaching.

The University was the first one to set up the department of logopedics as a separate unit. Its standards are even higher than those established by the American Speech and Hearing Association to eliminate partially-informed teachers in the work with the speech-handicapped, according to Institute officials.

### Apply Now For Jobs In College Bookstore

Positions as student assistants at the University Bookstore may be applied for now with Frank M. Robertson, Bookstore manager.

Several students are needed for employment this summer and next fall. Extra students will be hired for summer registration, June 11.

Robertson urges those who want these jobs to apply now.

### May Queen

Continued From Page 1

will play for dancing from 9 p. m. until 12 midnight.

Other candidates for May Queen were Alberta Martin, Shocker Coalition, and Pat Cullin, Independent. Miss Reed represented the University Coalition. Hippodrome skits will begin at 8:30 a. m. on May Day.

Five social organizations, Phi Upsilon Sigma, Phi Lambda Psi, Delta Omega, Pi Alpha Pi, and Epsilon Kappa Rho will present their skits during the morning. Election of cheerleaders will take place between the presentation of the third and fourth skits.

From 11:30 a. m. to 1:30 p. m. various athletic events will take place. A May Pole will be wound by men students, a tug-of-war between the freshmen and sophomore men's team and the junior-senior men's team will be battled over a mud puddle, and several exhibitions by members of the R.O.T.C. will be held.

Alpha Gamma Gamma, Pi Kappa Psi, Sorosis, and Alpha Tau Sigma will present their skits beginning at 1:30 p. m.

Announcements concerning the Student Council election and a brief campaign speech given by candidates for Student Council president will be held between the second and third Hippodrome skits.

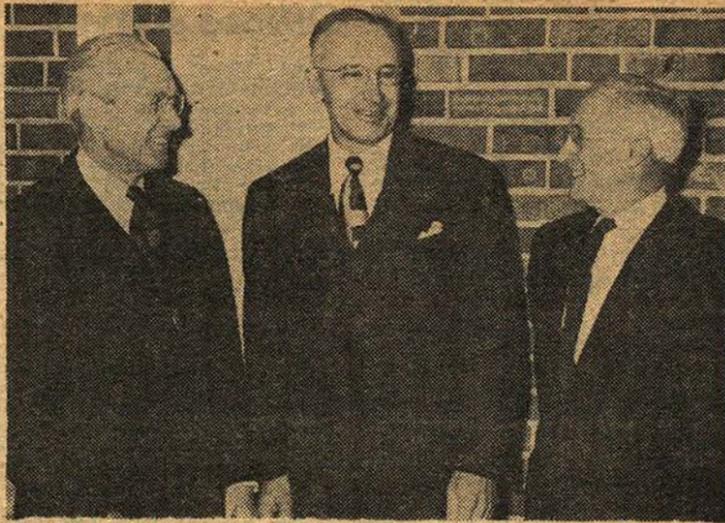

The traditional May Pole winding will be at 7 p. m. on the campus. Members of the fraternities and sororities will wind the May Pole.

### Twenty-fifth Anniversary

THE 25TH ANNIVERSARY of the University of Wichita was Tuesday. Three of the present faculty were on the faculty of Fairmount College. Dean L. Hekhuis dean of the College of Liberal Arts; John Rydjord director of the graduate division and history department head and Dr. C. C. McDonald botany and bacteriology professor have served on both faculties.

### Officers Evaluate ROTC Students

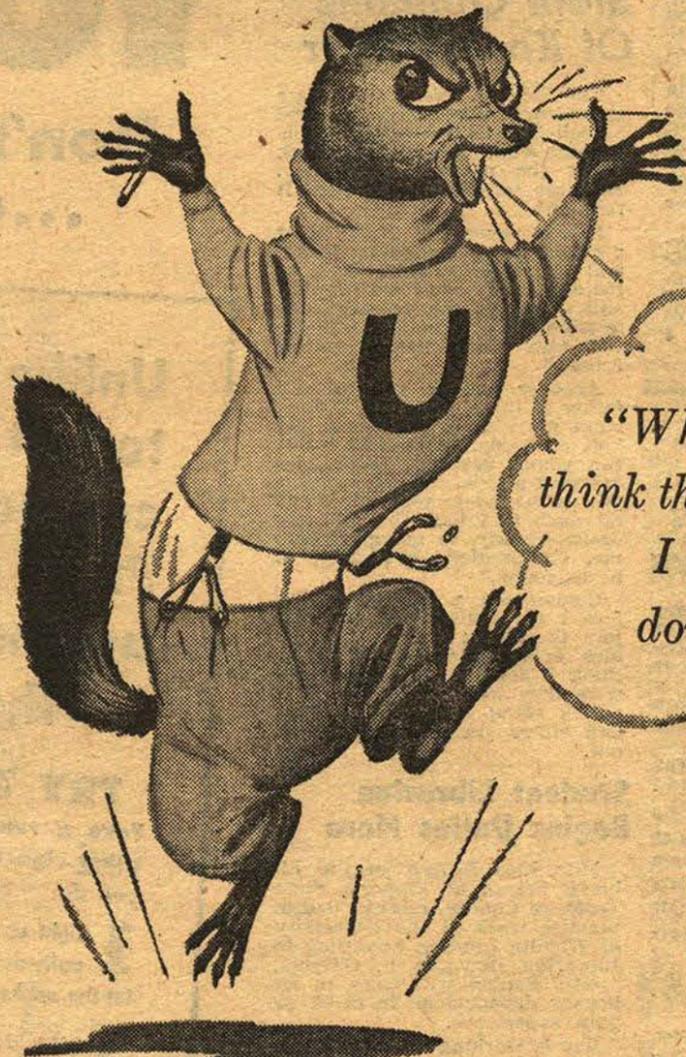

A board of three officers, headed by Major M. R. Walsh Jr. was at the University Tuesday, April 17 to interview two Distinguished Military Students from the Air ROTC unit for appointments as regular Air Force officers, according to Major Herbert Hartman, professor of air science and tactics.

The two students interviewed were Clyde K. Finley and Burnill B. Healan. These men have been designated as distinguished military students and if they are approved by the board, they will go into the Air Force after graduation from one University with regular commissions instead of reserve commissions, as will be awarded the other men in their class.

To be designated as a distinguished military student, the ROTC student must be in the upper 10 per cent of his class and recommended by Maj. Hartman.

## Campus Interviews on Cigarette Tests

### Number 19...THE WEASEL

"Who do they think they're kiddin'?"  
I invented  
double talk!"

No wonder he blew his stack! All this double talk about quick cigarette tests was a flagrant infringement on his patent rights! They couldn't fool this character with "one-puff"—"one-whiff" experiments. Millions of smokers have reached the same conclusion—there's just *one* real way to prove the flavor and mildness of a cigarette.

It's the sensible test—the 30-Day Camel Mildness Test—which simply asks you to try Camels as your steady smoke... on a pack-after-pack, day-after-day basis. No snap judgments needed! After you've enjoyed Camels—and only Camels—for 30 days, we believe you'll know why...

**More People Smoke Camels than any other cigarette!**
