

President Itemizes Budget for Regents

Corbin Says No Fee Hike Next Year

An increase in tuition for next year was officially denied Wednesday by President Harry F. Corbin.

The misunderstanding arose over his statement that part of the funds to meet the increase in the budget would come from more students paying more tuition.

President Corbin said that this meant that additional funds would come about through an increase in enrollment. He said that the second source would be an increase in the tax money.

President Corbin said, however, that there might be a \$5 increase in the future to help finance the proposed Student Union.

The University is expecting a 15 per cent increase in enrollment next fall. Also, the tax levy, although the same, will collect more money because of an increase in the city's assessed valuation.

Regents Make Appointments; 4 Faculty Members Added

Four new instructors were recently added to the University faculty, according to Dr. Emory Lindquist, director of faculties.

The new instructors are Dr. Paul Swartz, associate professor of psychology; Mrs. Lucille Patten, English instructor; Miss Patricia Ann Couger, instructor in mathematics; and Allan D. Linder, assistant professor of zoology.

Dr. Swartz received his bachelor of arts degree from the University of Buffalo and his master's degree at Stanford University in 1949. He completed his graduate work in psychology and received his doctorate at the University of Rochester in 1951.

Mrs. Patten received both her bachelor's and master's degrees from Kansas State College. She has previously taught here at the University.

Miss Couger received her bachelor's degree from the University in 1955 and is a graduate fellow. She is scheduled to receive her master's degree this spring.

Mr. Linder received his bachelor of science degree in 1951 from the University of Nebraska, and his master's degree from Oklahoma A and M. He is scheduled to receive his doctor of philosophy degree this spring.

'Juliet' Sets Record

Tragedy Opens on WU's Largest Set

On the largest set ever designed in the history of the University Theater, the Shakespearian tragedy "Romeo and Juliet" opened last evening for a three night run.

The set was constructed similarly to the theaters used in Shakespeare's day with the action taking place on two different levels. In the old style playhouses, scenes were depicted on three balconies—right, left, and center stage. Action also took place on a forward part of the stage and an inner stage behind and beneath the center balcony.

The play centers around the love affair between Romeo

played by Norman Lofland and Juliet portrayed by Char Cale. The two fall in love and wed without the knowledge of their feuding families.

Their attempt to reconcile their families so they may reveal their marriage goes well until Romeo is forced to uphold his honor in a duel with Tybalt, Juliet's kinsman, played by Irl German, resulting in Tybalt's death. For this, Romeo is sent into exile.

Juliet meanwhile is being forced into marriage. She escapes by fleeing to Friar Laurence, played by Jerry Hurlley, and obtains a capsule that makes her appear dead. Romeo arrives and finds Juliet

lying asleep. Believing her dead, Romeo drinks poison. Juliet awakens and finds Romeo dying. In sorrow she slays herself with his dagger.

Cast in supporting roles are Mercutio and Benvolio, played by Greg Fowler and Marc McLean, and Juliet's nurse, played by Marcia Hill. Friar John is portrayed by Doctor Clair Hannum, associate professor of zoology.

Prof. George D. Wilner directed the uniquely staged tragedy which will be presented again tonight and Saturday at 8:30 p.m. in the Commons Auditorium. Students will be admitted free upon presentation of their ID Cards.

Council Names Relays Candidate

Graduate School Exams Scheduled

Students seeking admission to graduate school will be given an examination at 8 a.m., Saturday, April 14, in Rm. 202, Morrison Library.

The test is a service of the Educational Testing Service of Princeton University and is a requirement for most graduate schools, said Dr. L. Hekhuis, head of the philosophy and religious education department.

Phyllis Brown, Education junior, was selected by the Student Council to represent the University at the Kansas Relays Queen Contest to be held at the University of Kansas, April 22.

Phyllis Brown

Miss Brown was chosen on the basis of beauty and personality. She will vie with other Kansas college candidates at the thirty first annual Relays contest.

A member of Alpha Tau Sigma sorority, Miss Brown is treasurer of the Student Council. She is also secretary to the Young Republican Club, a member of YWCA, Kappa Delta Pi, Student Forum, Kappa Psi, the Angel Flight, and is an AFROTC sweetheart. She was organizations editor for the 1956 Parnassus.

Other candidates were Jeannine Chilcoat, Delta Omega; Marcella Kerick, Epsilon Kappa Rho; Sally Jo Norton, Pi Kappa Psi; and Cindy Rader, Sorosis.

Last year's candidate from the University was Marilyn Haney, Alpha Tau Sigma.

Pre-registration Begins Monday

Pre-enrollment for the fall semester will begin Monday, according to the registrar's office.

Students whose names begin with A or B pre-enroll on April 9 through 12. Those students may enroll only during this time, however, the office stressed. If they do not enroll at this time they will have to enroll after June 11, according to Mrs. Irene Feak, clerk in the Registrar's office.

Other students may enroll in the following weeks in accordance with their last names. Students whose names begin with C through G enroll April 13 to 18; H through L, April 19 to 24; M through R, April 25 to 30; and S through Z, May 1 to 4.

Pre-registration procedure will follow the same pattern as for the second semester of this year. To reserve class space students must pay a \$5 fee, which will be deducted from the total cost of tuition in the fall.

Marine Corps Representative To Visit Campus Next Week

An officer of the Marine Corps will be in the Commons Lounge, Thursday and Friday, to interview men about the Marine Officer programs. The officer will be present 9 a.m. to 4:30 p.m., Thursday and 9 a.m. to 4 p.m., Friday.

Football Tickets Available to Staff

Athletic Director Bob Kirkpatrick announced that faculty and staff members may place orders for their 1956 football season tickets in Rm. 102, Fieldhouse.

Each full-time faculty and staff member will be permitted two adult tickets and as many children's tickets as needed.

To be eligible for the tickets a faculty member must be teaching at least six hours and a staff member must be working full time. The price of the tickets is 50 cents for each game and \$3 for the season.

Tickets must be picked up and paid for by Sept. 7, 1956, Kirkpatrick said.

Corbin Helps FU

President Harry F. Corbin, as chairman of Friends University Civic Leaders Advisory Committee is promoting Friends' \$1.25 million facilities expansion campaign.

Paul White, general chairman of the drive, said President Corbin has done a "splendid" job in his own school's expansion program.

Journalism Awards Banquet To Honor Top WU Pressmen

The annual Journalism Awards Banquet is scheduled for tonight in the Common's Pine Room at 6 p.m., with the top photographers and reporters of the year slated to be chosen.

The highlight of the dinner will be an address by John McCormally, Kansas journalist, currently the Sunday and Political Editor of the Hutchinson News Herald.

Winners of the photo contest, which this year is open to pictures slanted toward news angles, will be announced tonight. The contest features top pictures in both the University and high school

Budget Allows For Increased Faculty, Staff

A 5 per cent general increase in faculty salaries and the addition of 30 new faculty and staff members will account for an increase in the 1956-57 budget at the University.

It will cost approximately \$2.5 million to run the University during the next fiscal year. This is a 10 per cent increase over the 1955-56 budget, according to the report given the Board of Regents by President Harry F. Corbin, at their meeting, Monday night.

There will be no increases in taxes for the residents of Wichita. The funds to meet the increase in the budget are expected from two sources, President Corbin explained. More students paying tuition is one source, and an increase in the amount of tax money due to the increase in the city's assessed valuation is a second source.

The University expects to obtain its operating income from the following sources: taxes, \$1,131,000; students, \$1,072,000; other income sources, \$77,000; and the remainder from the year end balance, of approximately \$175,000. These funds are from money unspent, and extra tuition income.

These budget figures were tentative, and the President said that many items are currently being revised. The budget will be formally adopted after a public hearing by the regents later this summer.

Proposed operating expenses for 1956-57 include teaching salaries, \$1,214,552; administrative salaries, \$121,475; other salaries (clerical, secretarial, buildings and grounds, etc.) \$307,333; student assistants, \$109,939; fellows, \$38,550; operations, \$208,436; other expenses (buildings and grounds, fixed expense, scholarships), \$319,632. The tentative capital budget is \$41,541, and \$75,000 is budgeted for the contingent (Continued on Page 4)

Pep Candidate Deadline Today

The last call for cheerleading candidates will be at 7 p.m., today, in Rm. 209, Neff Hall.

At this time all students who are interested in trying out for next year's cheerleading positions will have an opportunity to prepare for the auditions, which are scheduled for next Friday, according to Marilyn Koop, assistant pep coordinator.

The 14 cheerleaders will be chosen this date. Students must sign by today in the office of Mrs. Frances Porter, women's physical education instructor, in the women's gym, Miss Koop added.

Men, Women Favor Color

By JUDY ARTHUR
Sunflower Society Editor

The Chinese touch has accented the spring fashions for both women and men. The new brightly colored shirts with Chinese collars seem to be going places.

These shirts are swell with the open collar for the sportsmanlike look or closed with a sport coat for dress. It was thought at first that this new style would not catch on with the University students, but as the springtime approaches they are making a debut.

The men who wear these new styled shirts think they are just the thing and make comments that they are cool, attractive for dress or sport, and are in style with the spring fashions for women.

Shedding Winter

Warm Weather Brings Cleaning

By FRED MENEFFEE
Sunflower Reporter

Come the first warm days everyone is hustled off to some little job related to spring cleaning. Cleaning utensils of every size, shape, and kind are rounded up and put to use.

Spring cleaning is not necessarily confined to the home. Amusement parks, swimming pools, businesses, and even universities shake off the shabbiness of the long winter months.

What brings about this great interest in cleanliness? The ancient Greeks had a word for it, "katharotes"—"cleanliness." The Romans liked nothing better than a bath. Only the lower classes of the city went unwashed.

Henry IV of England was a great advocator of cleanliness and went so far as to initiate "The Order of the Bath" in 1399, perhaps to encourage his court members to spend more time in the tub.

It is written in the bathroom at Buckingham Palace: "Cleanliness is next to Godliness."

However, the group of backsliders was not without number. Heading the list of this group is Queen Isabella of Spain who took pride in having taken only two baths in her life. The first was at her birth, the other was a some-

Engagement Told At DO Sorority

The engagement of Connie Bartles and Bob Boling was announced at the Delta Omega Sorority house Monday evening.

Miss Bartles, daughter of Mr. and Mrs. Roy A. Bartles, is a freshman in the College of Business Administration, and her fiance is employed in the city.

ISA's Schedule 3 Social Events

Members of the Independent Student Association have three social functions planned during April.

This evening at 7:30 they will be hosts to a gathering for the men's and women's dormitories. They will spend the evening playing cards and dancing.

Two open houses have been planned. All students are invited to attend the gathering on Sunday, April 15, which will be held from 2:30 to 5 p.m. at the ISA house.

On Tuesday, April 17, from 9 to 11 a.m. the ISA's will be host at an open house for the faculty. Refreshments will be served.

300-voice Choir To Sing 'Elijah'

More than 300 musicians and dancers will appear in the Wichita Choral Society's presentation of "Elijah," Sunday in the University Fieldhouse.

University Prof. Harold Decker, instructor of vocal and choral music, will direct the 300 voice chorus, which will be accompanied by members of the Wichita Symphony Orchestra. Mr. Wallace Dunn, instructor of organ and piano, will accompany on the organ.

The presentation will be dramatized in costumes and members of the Wichita Dance Association will portray the pagan worshippers of Baal, as related in the Biblical version of the story.

The performance is scheduled to begin at 3 p.m.

Couple Engaged

Mr. and Mrs. Clifford Kendall announce the engagement of their daughter, Kay, to Ronnie Baker.

Miss Kendall, Business Administration sophomore, is affiliated with Alpha Tau Sigma Sorority. Baker is an Education senior.

3 to Leave On ISA Trip

Three members of the Independent Students Association will leave, Sunday, for the National ISA Convention at the University of Texas in Austin.

Bessie Goodin, Muriel Newall, and Joyce Ayers will be the representatives at the convention from the University. Miss Ayers, the ISA Sweetheart, will compete for National honors at a banquet to be held Wednesday.

The three women will drive to Texas and stay on the campus during the three day affair.

The lack of a swimming pool on the campus seems to affect students in various ways. For instance, some say the University needs a swimming pool for dignity's sake, while many say one is needed to interest more students in the sport of swimming.

THIS WEEK'S QUESTION: Do you think a swimming pool is needed on the campus?

Ralph M. Graham, Engineering sophomore—The University most definitely needs an indoor swimming pool.

Morris Brown, Engineering sophomore—I could sure use one! It would be great if there could be an indoor pool so it could be used the year round.

Don Pugh, Fine Arts sophomore—We need a pool on campus. It is too much trouble to go down to the YMCA, YWCA or high schools to take lessons or practice. I believe more students would go out for swimming if a pool was handy for them.

Stan Haring, Fine Arts sophomore—Yes! And in the Student Union. It is bad that those interested in swimming have to go to East High for classes.

Ed Thompson, Education sophomore—Yes. A university this large should be ashamed for not having a pool. We can't expect to borrow one forever.

Paul Fritts, Education freshman—I feel as though the University should have a pool; so we can have the dignity that other universities our size have.

Norman Lofland, Liberal Arts senior—One distinct advantage would be that students desiring to take swimming instruction would not be forced to journey so far from the campus. And think how it might help summer school enrollment!!

Karen Knight, Liberal Arts sophomore—Yes, as it would make it much easier for those who work and want to take swimming lessons to be able to take them in the morning on the campus.

Junior Coed Gets Award

An Education junior, Kathy Blocker, is the recipient of the Wichita Press Women's Journalism scholarship for the coming year. The announcement of the award was made earlier this week by the Scholarship Committee.

Miss Blocker was awarded the scholarship on the basis of her interest in radio and television work and her plans to continue in that field after graduation.

A mistress of ceremonies on her own radio program on KMWU, "Showtime," she is also a member of Air Angels, Wheaties, Delta Omega sorority, and has been YWCA cabinet member for two years.

She is the daughter of Mr. and Mrs. William Blocker of Haven, Kans.

Ten Top Accounting Awards Announced at Club Meeting

The ten top scholarship awards in accounting were presented recently at the Accounting Club meeting at the Pi Kappa Psi Sorority house.

According to William F. Crum, accounting professor, the winners of the awards, which were presented by the Wichita Cosmopolitan Club, included juniors and seniors in the Accounting Club.

Winners were Ronald B. Stevens, Sheridan Morgridge, Merlin

G. Briner, Donald Oder, Janet Regier, William Swenson, Glenn Kinkade, Kay B. Fieser, Delma Lafferty, and Howard Dull.

Professor Crum said the meeting program included a panel discussion by members of the Cosmopolitan Club on "What Business Expects from the University Graduate and What It Has to Offer the University Graduate."

Life Was Unbearable For J. Paul Sheedy* Till Wildroot Cream-Oil Gave Him Confidence

Sheedy's honey kept giving him the cold shoulder. "This is more than I can bear! Why not be n-ice?" he moaned. "What fur?" she demanded, "It'll be a frosty Friday before I date you again. And just in glacier wondering why, take a look at your shaggy hair." This made Sheedy paws and think. So he got Wildroot Cream-Oil and now he's the picture of confidence. His hair is handsome and healthy looking, neat but not greasy. Wildroot contains the heart of Lanolin, Nature's finest hair and scalp conditioner. Take Sheedy's advice. Whether your hair is straight or curly, blonde, red, black or bruin, keep it neat with Wildroot Cream-Oil. In bottles or handy tubes. It's the bearies!

More than \$200,000 will be spent to complete Unit C of the Fine Arts Center. Units A and B are now being completed and used by the students.

Other campus improvements scheduled are remodeling of the first, third, and fourth floors of Fiske Hall, conversion and addition to a quonset hut to provide additional room for the School of Engineering; cabinets for the new Home Economics Building; equipment for laboratories and classrooms; and remodeling of the men's and women's gymnasiums and the old home economics quarters.

Optimism: the world is the best of all worlds and everything in it is a necessary evil.

The print went on exhibition March 28 and will be displayed until April 22. A print by William W. Dodgen, University art instructor, was also selected.

Professor Bernard was one of 17 printmakers recently invited to submit three graphic prints to the Midwestern Printmaker exhibit, which was held Feb. 28 to April 1 at the 1020 Art Center in Chicago, Ill.

One of Professor Bernard's prints, "Russian Easter Overture" was reproduced in the Midwestern Printmakers catalogue for the exhibition.
