UNIVERSITY OF WICHITA, WICHITA, KANSAS

October 15, 1963

WURopes Cowboys 26-12

By TED RINEBARGER
Sports Editor

Bob Long sparked an otherwise dull and sporadic offense as the University of Wichita exploded for three touchdowns in the second period to post a come-from-behind 26-12 victory over Hardin-Simmons at Veterans Field Saturday night.

The ex-basketballer from Apollo, Penn., caught touchdown passes of 39 and 5 yards from his split-end position. Long ended up with seven catches for 111 yards.

With Hardin-Simmons leading 6-0 early in the second quarter, Shocker halfback Miller Farr attempted to skirt left end. He found ten H-SU players waiting for him so he circled back, picked up some key blocking, and raced 78 yards for Wichita's first score.

Long then went into action as he took a Henry Schichtle pass on the side-line and fought his way through five Cowboy tacklers to complete a 39-yard scoring play. After a fumble recovery, Long scored his second touchdown, this time from five yards out, on a look-in pass from Schichtle.

Wichita could not get a sustained drive going until the final minutes of play when they came within one yard of scoring. The other Shocker touchdown drives were the result of alert defensive play. Senior end Larry Beckish recovered a fumble to set up Long's first score and sophomore halfback Harold Myers recovered one to set up the second Schichtle-to-Long score.

But the outstanding man on defense last Saturday night was sophomore center Jim Waskiewicz. Big Jim intercepted a H-SU pass in the fourth period and returned it 35 yards to set up WU's final touchdown. Farr galloped through a big opening on a counter play to the left side for the final 23 yards and the score.

Attention Frosh!

All freshmen must attend a University College assembly to be held at 11 a.m. Thursday, according to Mel Moorhouse, assistant to the dean of University College.

JIM OXLEY, Beta Theta Pi, and Becky Shenk, Gamma Phi Beta, congratulate each other Saturday night after they were announced the winners in the Varsity Sue and Sam competition.

Townsend Named to Post Of UCF Campus Minister

The Rev. Thomas N. Townsend, a Wisconsin minister, has been selected as Campus Minister of the United Christian Fellowship, according to the UCF Board of Directors.

Reverend Townsend was pastor of St. John's United Church of Christ, in Germantown, Wis., for 3 years before coming here. He served on the staff of the NEA Journal, and has been in the office of the alumni organizations at the University of Omaha and at Lakeland College, Sheboygan, Wis.

A graduate of Omaha University, Rev. Townsend received a B.D. degree from Mission House Theological Seminary in Plymouth, Wis.

Rev. Townsend will succeed the Rev. Raymond H. Ahrens, Jr., who has served as campus minister since 1958.

Rev. Ahrens has recently been appointed to the faculty as assistant professor in the department of philosophy and religious education.

The United Christian Fellowship is a Christian ministry which operates from an on-campus office in the Campus Activities Center. It is sponsored by the Methodist, Christian, and United Presbyterian Churches.

The United Church of Christ, which includes the Congregational, Evangelical, and Reformed churches, the Episcopal Church, the Evangelical United Brethren Church,

and the Wichita Council of Churches are also sponsors.

The UCF is related to the National Christian Federation, the World Student Christian Federation, and the Faculty Christian Fellowship.

One appointment will be made.

U.S. Army Band to Present Free Concert at Field House

The United States Army Field Band, "The Kings of the Highways," will present a free concert in the Field House at 7:30 tonight.

The band, which is one of the Army's two main bands, is presently on a tour which extends from California to Indiana. The group has traveled in all 50 states since its formation in 1946. In addition, appearances have been made in 15 foreign countries including Canada, Mexico, and countries in such areas as Europe and the Far East.

The commanding officer and leader of the 100 member band is Maj. Robert L. Bierly. The members of the band travel about the country in four buses, two trucks, and two cars.

The Field Band has performed in Washington, D.C., on various oc-

casions. It played at the inaugurations of President Kennedy, President Eisenhower, and President Truman.

The Kings of the Highways play a wide variety of music ranging from marching music, to modern music, to novelty numbers. Musicians in the band also make up a 27 member choral group.

The public is invited to attend this concert. Admission and parking will be free.

Any ex-bandmembers who would like to contact present members may see them at the Broadview Hotel this afternoon.

SGA to Vote On Resolution

The Fair Housing Resolution will be the key issue before the SGA at their meeting this evening.

At their meeting two weeks ago the SGA endorsed the concept of fair housing in Wichita, but put off the vote on whether or not to endorse the resolution until this week so that every member would have a chance to read it.

Under new business the congress will take up three items. One will be a report by Fred Funk, chairman of the fact finding and investigation committee, on the constitution of the philosophy club. The philosophy club is just newly formed and is seeking to become a campus organization.

A Red Cross Bloodmobile will be on campus the last part of November. The SGA will discuss means for coordinating efforts with other campus organizations to get students to donate blood.

The last item under new business to be considered will be the setting up of a campus-wide United Fund campaign.

Committee reports will also be heard. Among the most important will be the report on Parents' Day by Bob Long, chairman of the special events committee.

One appointment will be made.

Steve Crane will be appointed to fill a court justice position. Dave Leach, SGA president, will make the appointment, which will be subject to the congress's approval.

Coordinator Position Open On CAC Board

The position of CAC coordinator in the educational and cultural area is currently open, according to Sam Gill, president of the CAC Governing Board.

The position will be filled at 1 p.m. Thursday at the CAC Governing Board's meeting.

Persons wishing to apply for the position should be at the meeting at 1 p.m. with a letter of application. The meeting will be held in the Board Room on the second floor of the CAC. It is recommended that the applicants be upperclassmen and have at least a 2.0 grade average, according to Gill.

The following committees are in the educational and cultural area: Film Society, People to People, International Students' Club, Art, Music, and Discussion. It will be the coordinator's job to coordinate these committees with the other two coordinators' areas.

The person selected for the job will also receive a grant-in-aid. Anyone desiring more information should contact Sam Gill in Rm. 207 of the CAC.

Student Leaders To Meet Tonight

There will be a meeting of student leaders at 7:30 tonight, according to Dave Leach, president of the SGA. The meeting will be held in Rms. 209-10, second floor of the CAC.

Alpha Chi's, DU's Take First Place in 'Parade'

Alpha Chi Omega

Alpha Chi Omega and Delta Upsilon won the first place trophies in the annual Nightshirt Parade, held before the Hardin-Simmons game Saturday night.

"Brand 'em, Hard'n, Simmer'em Down!" was the theme of the Alpha Chi's and Delta Upsilon won with "Wax H. S. Cowboys with D. U. Pledge."

Second place winner in the sorority division was Delta Gamma. Their theme was "Cowboys Show Defect." In the fraternity division the Phi Delta Theta's theme of "Look Ma, No Cowboys" took second place honors.

The Nightshirt Parade has become a University tradition. The entire event is originated by the Greek pledges.

The first place winners receive points toward the Pep Trophies, awards presented by Pep Council to the sorority and fraternity competing the most points.

Trees Shedding Paper?

One of nature's prettiest times of year is fall when the leaves begin to change colors and drop from the trees.

At present there are parts of our campus that it looks like the trees are shedding paper trash rather than leaves. Notebook paper, paper cups, kleenex, and various other materials can be seen strewn about.

Our University has an attractive campus and it is a shame to have things such as this blowing around, marring its appearance.

Some of the trash conceivably blows in from neighboring areas or streets, and sometimes papers will accidentally fall from a person's notebook unnoticed.

However, this accounts for very little of the total accumulation. Certainly those CAC Shocker drinking cups didn't blow in from someplace else or fall out of someone's notebook.

It is easy for a person to be walking along and throw a little scrap of trash aside. He thinks what difference could one little piece make.

It takes only a minority of our 6,700 students to think this way before the problem that now exists pops up.

We're sure that no one wants a trash-laden campus, so let's be more conscientious about keeping it clean.

Faculty Decrease Subnormal

University faculty terminations in 1962-63 included 12 regular and eight part-time faculty members.

Dr. Emory Lindquist, University president, reported to the Board of Regents this week that the terminations were "fewer than normal." He called the decrease encouraging.

Regular faculty terminations included Walter D. Bernhart, assistant professor of mechanics and materials; Sidney E. Brinkman, accounting instructor; William T. Burke, English instructor; Jerry J.

Cotter, assistant professor of administration; Patricia Elliot, speech instructor; Claude A. Foltz, aeronautical engineering instructor.

Victor Gilpin (deceased), associate professor of chemistry; Frederick A. Kalber, Jr., assistant professor of biology; Herbert Netsch, associate professor of mechanical engineering; Irving M. Sarin, instructor in trumpet and ensemble; Charles R. Statler, assistant professor of education; and Arthur A. Wichmann, professor and head of the economics department.

Temporary faculty terminations included Bruce Curtis, assistant professor of history; Barbara De Marco, French instructor; Helen E.

1st Concert By Faculty To Be Tonight

James Caesar, professor of violin at the University of Wichita, will perform his eighth annual faculty recital at 8:15 p.m., tonight, in the Fine Arts Center Auditorium.

The violinist, accompanied by Peggy Missal, will play works by Tartini, Brahms, Kriesler, Prokofiev, and Wieniawsky.

Caesar, who has presented these recitals since 1956 when the Fine Arts Center was opened, spent 10 weeks this summer as faculty artist in residence, teacher, and concert master of the Brevard Sinfonietta at Brevard Music Center, Brevard, N.C.

Eight students from the School of Music also attended Brevard in the college division under scholarships.

Caesar is presently concert master of the Wichita Symphony and leader of the faculty string quartet.

The public is invited to the recital free of admission.

Peace Corps Test Set for Saturday

The next Peace Corps Placement Test has been scheduled for 8:30 a.m. Oct. 19, Rm. 208 of the Insurance Building, 212 North Market, according to Marshall Williams, Peace Corps Liaison Officer for the University.

All applicants should have completed an application and mailed it or have one ready at the time of the test.

For information and application blanks, contact Marshall Williams, Campus Activities Center, Rm. 213, or telephone extension 219 at the University. Additional information may be obtained in Rm. 228 of the CAC.

Cotter Assumes New Post As Head of Political Science

The political science department has a new face this semester, Dr. Cornelius P. Cotter, the new head of the department.

Dr. Cotter, who comes to the University from Washington, D.C., has received 3 degrees: an A.B. from Stanford in 1949, an M.P.A. from Harvard in 1951, and a Ph.D. from Harvard in 1953. In addition to these degrees, he has studied at the London School of Economics in 1951-52.

In addition to teaching and organizational work on the university level, Dr. Cotter has also had a varied career that includes writing, editing, and work for a government agency in Washington.

He has taught at Columbia University in New York and at Stanford University in California.

Dr. Cotter has written 3 books on the subject of political science. Besides these, he has edited 7 other books on the same subject. In his office is a long shelf of documents which he assisted in writing for

the United States Commission on Civil Rights. Dr Cotter has worked for this agency for 3 years, up until the time that he came to the University.

When asked about any new plans he might have for the political science department, the new department head said that he has no basic changes to make. He commented that this was his chief consideration in accepting his new job here at the University. Dr. Cotter said that he "feels that the political science department here at the University is the best in this part of the country."

Dr. Cotter also feels that the initiation of Wichita into the state system will have a favorable effect on his department. While it will not increase the quality of the program, he stated that it would likely

Shocker Shenanigans

By LORRY BROSIUS, Society Editor

Shockers are getting back to the books as they recuperate from a weekend of football and visiting parents. Fans will have ample time to prepare for the next gridiron battle because Wichita will not have another home game until homecoming, Nov. 9.

The men of Phi Delta Theta staged their own combat Sunday afternoon at Henrion Field. The public was invited to watch as the pledges beat the actives in their annual clash.

Alpha Phis Nan Maxedon and Lynn Walker attended homecoming festivities at Northwestern State Teachers College in Alva, Okla., last weekend.

Tri Deltas Nancy Okerberg and Karen Hartong invited Kerrie McDonough and Susie Kueck to dinner in their apartment after the Wichita Symphony concert Sunday afternoon.

Diane Swank is Alpha Phi pledge of the month for October.

Gamma Phi pledge leaders include Dianne Wolff, president; Joan McCabe, social chairman; Linda Lockert, secretary; and Kathy Hoyer, treasurer.

Alpha Phi Cathy Marsh was honored at a miscellaneous shower Sunday afternoon at Marcie Low's house. Marcie and Barbie Wilkes were co-hostesses for their sorority

sisters and special guests. Cathy passed the candle several weeks ago to announce her engagement to DU Ken Seybert.

Tri Deltas Nancy Carson, Nancy Flagg, and Janet Parrish attended the YWCA-YMCA district conference at Emporia this weekend.

Nancy Johnston is Alpha Phi's newest pledge.

Delta Gammas were guests of the Phi Deltas Monday evening for an hour dance.

'HONOR PARENTS,' Mr. and Mrs. Charles Seshier and Mr. and Mrs. William Welshimer, receive their food at the buffet Saturday.

Stylish Coats Have Variety This Season

In Kansas where the weather is known for its rapid shifts from cold to warm to wet to windy, the all-weather coat is almost a necessity for campus wear.

Designers have concentrated on details to give this year's coats more style variety. They have used many different patterns and materials and emphasize fur and fake fur collars, double breasted styling, and leather trims. Raglan sleeves and traditional button shoulder flaps are still popular; newest are sleeves set into a yoke in front, raglan in back.

Detachable fur collars to match zip-out linings is a new idea that lets the same coat look right in any season. Removable linings may be luxurious fur or a synthetic, mad wool plaids, or bright corduroys.

Leather is often used for buttons, finishing buttonholes, and binding pockets. Many coats feature vertical or horizontal slash pockets; others have patches of angled flaps.

One coat that will really be noticed is a classic front-yoked black cotton which dramatically reverses itself to an off-white raglan sleeve style.

Geology Meet Set

The Geology Club will hold its first meeting of the year at 6 p.m., Thursday, according to Phil Knighton, president.

All students interested in the Geology Club are invited to attend the meeting which will be held in Rm. 214 of the Science Building. Refreshments will be served.

THE SAFE WAY to stay alert without harmful stimulants

NoDoz keeps you mentally alert with the same safe refresher found in coffee and tea. Yet NoDoz is faster, handier, more reliable. Absolutely not habit-forming.

Next time monotony makes you feel drowsy while driving, working or studying, do as millions do . . . perk up with safe, effective NoDoz tablets.

Another fine product of Grove Laboratories.

WHERE ARE YOU GOING THIS VOCATION?

Young scientists and engineers "going places" investigate a variety of challenging engineering avenues before selecting one best suited to their goals. And they look for a professional climate with lots of individual recognition and advancement opportunity. If you are charting your career along this course, let Ling-Temco-Vought be your guide.

As one of the nation's most versatile contributors to the aerospace, military electronics and communications sciences, LTV can offer you a personalized route to an exciting and rewarding future in such areas as **aerodynamics • avionics and instrumentation • operations analysis • dynamics • systems design •**

servomechanisms • stress analysis • propulsion • communications design • reliability/maintainability engineering • reconnaissance systems • amplifier and computer systems • microwave components design • electromagnetic interference control • electronic systems analysis • telemetry and tracking • trajectory analysis • manufacturing r&d • industrial engineering • technical administration . . . plus many others.

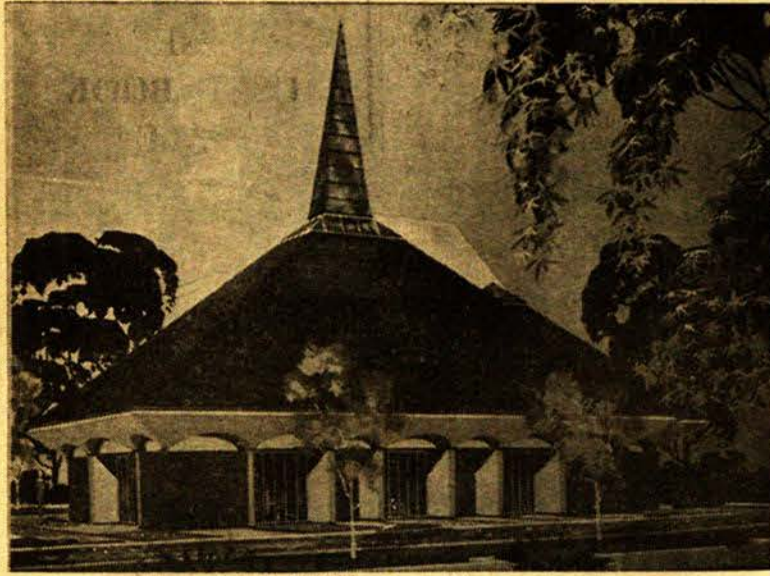

For a closer look at the numerous career directions available with Ling-Temco-Vought, ask your Placement Office for our brochure describing LTV projects and products. Or write College Relations Office, Ling-Temco-Vought, Inc., P. O. Box 5907, Dallas 22, Texas. Ling-Temco-Vought is an equal opportunity employer.

Chapel to Be Done by Yule

Artist's Conception

The Harvey D. Grace Memorial Chapel is expected to be ready for use by the Christmas vacation, according to Glen Gardner, director of development.

The chapel, on which construction began during the summer, is being built in accordance with the will of Mrs. Harvey D. Grace which allocated \$100,000 for the construction of an inter-denominational chapel open to all students regardless of race, color or creed.

The chapel will seat 120 and is intended for use by students for meditation, religious services and weddings. A lectern, altar, and communion table will be included in the furnishings.

Stained glass windows will "add an air of meditation" to the chapel, according to Gardner.

Commenting on the location of the chapel, Gardner explained that the Board of Regents and trustees of Mrs. Grace's will agreed that the chapel should be located centrally on campus so that the students would be able to use the chapel during the day with convenience. It is planned that the chapel be open at all times during the day and evening for students to spend a few quiet minutes of meditation or attend religious services.

Included in the plans of the building are the main chapel, and a small room adjoining the chapel for preparation by the minister. A pipe organ will be provided by the University. The organ has been ordered but will be about two years in the building.

AWS Chooses Frosh Board

Freshman board members have been chosen by the Associated Women's Students Council, according to Nancy Flagg, AWS publicity chairman.

A member from each sorority, two from Grace Wilkie Hall, and three independent members are chosen. In addition to this, five members at large are chosen, according to Miss Flagg.

Independent representatives are Marion College, Sherry Herndon, and Kathryn Hayes. Representing Grace Wilkie Hall are Jane Doughs and Nancy Mingle.

Sorority representatives are Carolyn Francis, Alpha Phi; Sandy Sharkey, Delta Gamma; Carol LeGree, Delta Delta Delta; Kathy Epps, Alpha Chi-Omega; and Sharon Bailey, Gamma Phi Beta.

Kathy Farmer, Jan Wolgomott, Dorothy McCanna, Kerrie McDonough, and Valarie Carlock were chosen members at large, according to Miss Flagg.

FACULTY DECREASE

Opinions Differ on Cut Policy; Excuses Sometimes Ridiculous

By BILL RAPPS, News Editor

Many different opinions about the policies of varying instructors in regard to cutting have been voiced by students.

First of all, it seems generally understood that attendance in such classes as physical education and university choir is rather important.

Suppose each student here at the University cut one class a week. This would amount to 119,400 hours of cuts per semester. This makes a crowd in the CAC not too surprising.

Most instructors have a policy that allows a certain minimum number of cuts and excuses students presenting a legitimate excuse.

If your grandmother dies and you have to attend the services, this rates as a legitimate excuse. The problem is that some students are losing seven or eight grandmothers a semester. A signed note from a nurse or doctor also constitutes an excuse. Students adhere closely to this rule by bringing notes signed by Florence Nightengale or Dr. Schweitzer.

Some students feel that a University has no right to complain about cuts as long as a student maintains his grades sufficiently. "In high school the students were the inmates and the teachers were the guards. Now that I've come to college and they've begun to keep tabs on me about cutting I feel like I've only been paroled," was one student's comment.

Again supposing that on the

average there is one cut a week per student, why not simply have all students attend class and take the time they would have cut in vacation. At 119,400 hours of cuts per semester this would only be about 713 weeks of vacation.

Most instructors penalize for cutting because they feel that the attitude the student shows toward attending class is probably about the same as his attitude toward learning. But students, just think how easy it would be to get a college degree in four years with 713 weeks of vacation.

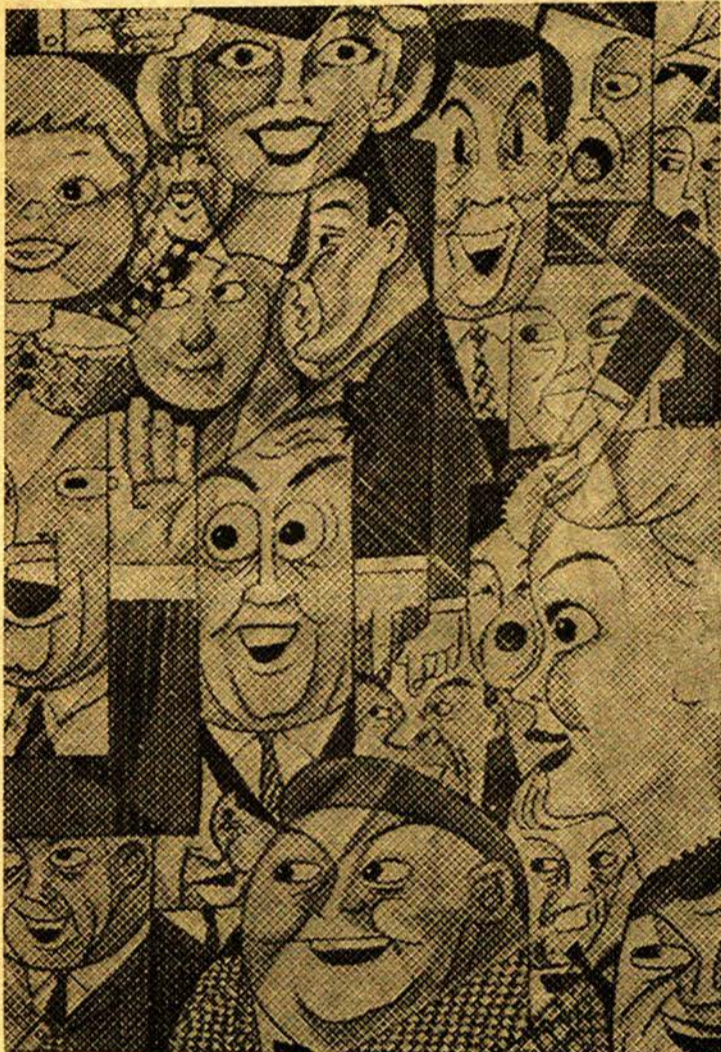

Student Directories To Go on Sale Soon

Alpha Kappa Psi, professional business fraternity on campus, has announced that the 1963-64 student directories will go on sale within the next few weeks.

The exact date for their arrival has not been learned yet, according to Dan Latta, publications chairman for the organization.

Directories will be sold in the CAC, Neff Hall, and in the Fine Arts Center. Selling schedules at these posts will be from 8 a.m. to 1 p.m. Monday through Friday. Booths will also be open from 6:30 to 8:30 p.m. for the benefit of night school students. Price of directories will be 75 cents.
