President Golden,

I received word back from Chair Bangerter that he has approved the Fall schedule. I also approve which makes it official. Any schedule changes, including Spring, that need approved will be sent to Chair Feuerborn (copied) after July 1. That is when his term will begin.

Best,

Blake

The Board Chair and me will need to approve the Spring schedules. That is step 1. You should have written approval for the Fall schedule. It will likely be a response to your request for approval. Just let me know if I need to locate.

President Flanders:

Please find the proposed adjusted schedule for Spring 2021 for Wichita State University. Please reach out if you have any questions. Also, do we need to receive any written approval from KBOR for the Fall schedule we provided as well as for this adjusted schedule?

Many thanks,  
Jay
