Not Anymore Online Training

All new WSU students begin their experience on our campus with Not Anymore, an online interpersonal violence prevention program from Student Success™. This video-based program will provide critical information about Consent, Bystander Intervention, Sexual Assault, Dating and Domestic Violence, Stalking, and much more. Not Anymore will help you better understand how vitally important these issues are and what you can do to help make our campus safer.

To enter the program log on to the myWSU portal. Click on the “Home” tab and you will see the link to the training in the top left box.
