Committee Reports Senate Athletic Policy Committee

Wichita State University

INTER-DEPARTMENTAL CORRESPONDENCE

To Senate Committee-On-Committees Date 1/29/68
From Tom Ugg
Subject Senate Athletic Policy Committee

As you know, the Committee-On-Committees has been charged by the Senate to examine the role of the Senate Athletic Policy Committee. In view of the recent developments in the athletic program, the Committee-On-Committees felt it best to wait until the situation became more clear.

Fred Sudermann will represent the University at the NCAA meetings on February 24. By March 1 he will be in a position to discuss matters with the Committee-On-Committees and he has consented to do so. You will receive notice of a committee meeting to be scheduled about March 1.
