National Science Foundation Seminars

The WSU Office of Research is offering seminars and mock proposal reviews to prepare Faculty for applying to upcoming deadlines to the National Science Foundation. The first seminar is *National Science Foundation Proposal Development* and will be led by Dr. Coleen Pugh, Dean of the Graduate School and Associate Vice President for Research. The second seminar is *National Science Foundation CAREER Proposal Development* and will be led by Dr. Jan Twomey, Associate Dean of Engineering for Research & Faculty Development. After attending the seminars, Faculty are invited to submit proposal documents for review by a panel of your peers. Faculty who submit proposal documents must also commit to reviewing other proposal documents and sharing feedback at an in-person review event.
