Your success is our success.

Our goal is to help students develop skills and plans to graduate in a timely manner while engaging with our community of learners. While your experience may be different now, we hope you choose to embrace the change and continue to work hard to be successful.

Our services are offered in-person and remotely, depending on the circumstance. Our location in Neff Hall is open Monday through Friday, from 8 a.m. - 5 p.m. Contact us if you need our assistance outside of those hours.

We are here for you.

We serve students in all academic majors, regardless of class or academic standing and in collaboration with many campus partners. We know navigating the university can be overwhelming, and we are eager to help you reach your goals.
