## Graduation with Excellence

Degrees are conferred with distinction upon students who have shown exceptional scholarship. Students attaining a scholarship average of 3.90 out of a possible 4.00 receive the *summa cum laude*; those with an average of 3.55 receive the *magna cum laude*; and those with an average of 3.25 receive the *cum laude* award.

Candidates for degrees and for University honors for May 1977 have been determined on the basis of work completed through the fall 1976 semester. The official list of May 1977 graduates will identify those May graduates who achieved honors status in their final semester. The August 1977 graduates are not included in the honors listings.

In addition to University honors, departmental honors are awarded to those students who have met the appropriate requirements.

*Students listed in this Commencement program, with the exception of those names followed by an asterisk (\*) or a dagger (†), are candidates for degrees or certificates in May 1977 or August 1977. This program is not an official list of confirmed graduates or confirmed honors for the 1977 Commencement at Wichita State University.*
