ACADEMIC DRESS

Today's academic dress evolved from caps and gowns worn in medieval universities. The academic gown is the basic garment and by tradition is black for all degrees and ranks. The square caps or mortarboards are part of the prescribed academic dress. Accompanying the gowns are hoods lined with silk in the official color of the institution conferring the degree and bordered in the color representing the discipline of learning. The color of the tassel designates the student's degree and may vary from what is found on the hood. Students receiving graduate degrees wear the color appropriate to the degree emphasis.

Drab - W. Frank Barton School of Business
 Light Blue - College of Education
 Orange - College of Engineering
 Brown - College of Fine Arts
 Pink - College of Fine Arts-School of Music
 Green - College of Health Professions
 Apricot - College of Health Professions-School of Nursing
 Black - Fairmount College of Liberal Arts and Sciences

Colorful sashes and cords, as well as medallions, are worn by members of Honor Societies and the Student Ambassador Society.

THE WICHITA STATE UNIVERSITY MACE

As the official symbol of the University's authority and power, the mace is carried today by University Marshal Silvia Carruthers. The mace was commissioned in 1978 by Paul J. Magelli, former dean of Fairmount College of Liberal Arts and Sciences, as a memorial to his twin brother, Peter M. Magelli, and presented for the first time at the 1980 commencement.

Designed by artist Jonathan Graham Bonner of Providence, Rhode Island, the mace is executed primarily in stainless steel, gold, and silver. The head of the mace is a gilt frame with twenty-two stainless steel spikes. The points are sterling silver. A silver ball engraved with the three seals of Wichita State University—Fairmount College, the Municipal University of Wichita, and Wichita State University—is suspended in the frame by two springs. The shaft is a stainless steel spring, and the handle is a gilt ball set with nine hematites.

THE PRESIDENTIAL MEDALLION

The Presidential Medallion is worn by the President of Wichita State University on significant or official ceremonial occasions as the symbolic manifestation of his role and responsibility as the chief officer of the university. The official seal of Wichita State University anchors the ceremonial anaglyph and is encircled by two hyperbolic forms designed to complement the University Mace. The Presidential Medallion is suspended from black silk trimmed with gold.

THE UNIVERSITY SEAL

The seal of Wichita State University incorporates many images. A farmer and an Indian, representing Kansas' rural background and Native American heritage, are looking up at seven stars above a lamp of learning. The University's name arcs above these images. Below them is a sunflower flanked by wheat, again signifying Kansas, and a laurel, a symbol of learning. Three significant dates of the university's past also are included: 1895, Fairmount College founding, and 1926, University of Wichita reorganization date, on the sides and, in the center, 1964, the date the university entered the Kansas Regents' system.

Commencement Guests

Jill Docking
 Kansas Board of Regents

Jill Docking was appointed to the Kansas Board of Regents by Governor Kathleen Sebelius in 2007. She currently is the vice president of investments with A. G. Edwards & Sons, Inc. She serves on the boards of the Kansas Food Bank and the Mid-Kansas Jewish Federation in Wichita. Docking attended Brown University in Providence, Rhode

Island, and received a bachelor's degree in history and a master's degree in business administration from the University of Kansas.

William B. Moore
 President and Chief Executive Officer
 Westar Energy

Bill Moore joined Kansas Gas and Electric Company in Wichita in 1978 and held various positions within the finance department, eventually becoming Chairman of the Board and President of KG&E. He left the company in 2000, but returned in 2002 to Westar Energy as Executive Vice President and Chief Operating Officer. In 2006

he became President and Chief Executive Officer of Westar Energy. Moore graduated cum laude from Wichita State University where he also played football. He has served in leadership positions of several civic and charitable organizations.

THE ALMA MATER, *J. Bert Graham, arr. Dean K. Roush*

1. Our Alma Mater, Wichita,
 Stands proudly on the hill,
 Our sons and daughters bow to thee,
 Our hearts with praise we fill.

Then hail our Alma Mater!
 Hail thee, grand and true,
 Long wave the yellow and the black
 Oh Wichita, here's to you!

2. Around our lives are memories
 That tenderly entwine,
 And through the midst of the rolling years
 Of thee we build a shrine.

Then hail our Alma Mater!
 Hail thee, grand and true,
 Long wave the yellow and the black
 Oh Wichita, here's to you!

3. Thy call to all that life holds dear
 Is a clear and constant guide,
 With love and truth and loyalty
 And may they e'er abide.

Then hail our Alma Mater!
 Hail thee, grand and true,
 Long wave the yellow and the black
 Oh Wichita, here's to you!

Commencement Notes

DATE OF GRADUATION

Students' names are listed in this program as they appear on the graduation list provided by the Office of the Registrar. Students' names are read during the university commencement ceremony as they appear on the graduation card provided by the graduates.

GRADUATION WITH HONORS

Degrees are conferred with distinction upon undergraduate students who have shown exceptional scholarship in both their cumulative and WSU grade point averages. Students with grade point averages of 3.90 out of a possible 4.00 receive the summa cum laude award; those with averages of 3.550 to 3.899 receive the magna cum laude; and those with averages of 3.250 to 3.549 receive the cum laude.
