Kansas City, Mo., Feb 20th 1904.

Prof W. H. Isely,
Wichita Kansas.

Dear Sir!

We recd your letter regarding exchange of cylinders you have for 25 ft cylinder and in reply will say that we cannot exchange them as we have so few of that size and they are all out. We will repair valves in the cylinders if you wish any time they are sent in. The packing around the spindle gets loose and causes the leakage. Thanking you for favor and hoping this will be satisfactory we remain Very Truly yours
