ONE HUNDRED SIXTEENTH COMMENCEMENT | FALL 2013

UNIVERSITY EMBLEMS

THE PRESIDENTIAL MEDALLION

The presidential medallion is worn by the president of Wichita State University on significant or official ceremonial occasions as the symbolic manifestation of his role and responsibility as the chief officer of the university. The official seal of Wichita State University anchors the ceremonial anaglyph and is encircled by two hyperbolic forms designed to complement the university mace. The presidential medallion is suspended from black silk trimmed with gold.

THE UNIVERSITY MACE

As the official symbol of the university's authority and power, the mace is carried by selected college faculty in the academic procession. The mace was commissioned in 1978 by Paul J. Magelli, former dean of Fairmount College of Liberal Arts and Sciences, as a memorial to his twin brother, Peter M. Magelli, and presented for the first time at the 1980 commencement.

Designed by artist Jonathan Graham Bonner of Providence, Rhode Island, the mace is executed primarily in stainless steel, gold and silver. The head of the mace is a gilt frame with 22 stainless steel spikes. The points are sterling silver. A silver ball engraved with the three seals of Wichita State University—Fairmount College, the Municipal University of Wichita and Wichita State University—is suspended in the frame by two springs. The shaft is a stainless steel spring, and the handle is a gilt ball set with nine hematites.

THE UNIVERSITY SEAL

The seal of Wichita State University incorporates many images. A farmer and an Indian, representing Kansas' rural background and Native American heritage, are looking up at seven stars above a lamp of learning.

The university's name arcs above these images. Below them is a sunflower flanked by wheat, again signifying Kansas, and a laurel, a symbol of learning. Three significant dates of the university's past also are included: 1895, Fairmount College founding; 1926, University of Wichita reorganization date; and 1964, the date the university entered the Kansas Regents' system.

UNIVERSITY CHALLENGE COIN

The Challenge Coin has its origins from early in WWI when a number of Americans flew with the Brits. One individual, from a wealthy family, had bronze medallions struck for his squadron. Out on a mission, he was shot down and captured by the Germans. They took his uniform and papers but let him keep the little leather sack where he kept his coin. He escaped during a night barrage, crossed no-man's land, and was recaptured by the French. The French took him as a saboteur and were about to execute him. The young flyer showed them the medallion; they recognized the squadron emblem and confirmed his story. Instead of a firing squad, they gave him a bottle of wine and eventually got him back to his squadron. The coin saved his life.

The WSU Challenge Coin has the Seal of the University on the obverse (heads) and the Shocker brand on the reverse (tails). The coin of each college has a distinctive reverse side. The WSU Challenge Coin is carried by our alumni, staff, faculty, and friends as a symbol of unity. Graduates receive theirs during commencement through a handshake. Shockers around the world are encouraged to carry their coin always, lest they be challenged by another Shocker.

The WSU Challenge Coins were designed in 2013 by Daniel Worley, a junior in the graphic design program.

Obverse (heads)

Reverse (tails)

COMMENCEMENT GUESTS

Gary Bender grew up on a farm outside of Ulysses, Kan., where he first started broadcasting games on a tractor. He was an All-State high school football player and won a football scholarship to Wichita State University. When a shoulder injury forced him off the field, he started broadcasting games for KMWU-FM, the university radio station. After graduation, he attended the University of Kansas, where he received a Master's degree in radio-television-film and became the radio voice of the Jayhawks.

GARY BENDER
2013 President's Medal
Recipient

Bender began his network television broadcasting career with CBS in 1975, serving as a play-by-play announcer for the NFL, NBA, college football and basketball. During his 12 years at CBS, he had the opportunity to broadcast 27 sports, working with such giants of the business as Johnny Unitas, John Madden, Bill Russell, Dick Vermeil and Sonny Jurgensen.

In 1987, Bender joined ABC. His assignments included coverage of baseball, college football, basketball and the 1988 Winter Olympics in Calgary. In 1991, he joined Turner Sports as the lead announcer for TNT's NFL Sunday Night Football and NBA Basketball.

Bender has been inducted into the Kansas Sports Hall of fame, the Phi Delta Theta Sports Hall of Fame and the Kansas Broadcasting Hall of Fame. He is author of, "The Call of the Game" and his second book "Beyond the Call" is ready to be published.

Currently he is working with the KU Athletic Department as a broadcaster in residence. Gary and his wife Linda, also a WSU graduate, will celebrate their 50th anniversary this year. They live in Kansas City, Mo, and have two sons Trey and Brett.

Robba Moran was appointed to the Kansas Board of Regents by Governor Sam Brownback in 2011. She is presently serving as chair of the Board's Academic Affairs committee and is the Regents' representative to the Education System Coordinating Council and the Washburn Board of Regents. Moran is also a commissioner of the Education Commission of the States, an interstate compact that works to help bridge the gap between good ideas and effective education policy. In 2013, Robba was elected chairman of the Midwest Cancer Alliance Partners' Advisory Board at the KU Cancer Center. She is a past member of the Hays Medical Center Board of Directors and the Kansas Agriculture and Rural Leadership, Inc. Board of Directors.

ROBBA MORAN
Kansas Board of
Regents

Moran holds a B.S. in Business Administration from William Jewell College, and a J.D. from Duke University. She practiced law in Kansas City at Stinson, Mag (now Stinson Morrison Hecker) and later was assistant professor of business at Fort Hays State University.

She and her husband, U.S. Senator Jerry Moran, have two daughters: Kelsey is a student at Georgetown Law School, and Alex is a student at Kansas State University's Veterinary Medical School.

COMMENCEMENT NOTES

DATE OF GRADUATION

This program is not an official list of confirmed graduates for the 2013 fall commencement. Students listed in this commencement program are candidates for degrees in December 2013.

Students' names are listed in this program as they appear on the graduation list provided by the Office of the Registrar. Students' names are read during the university commencement ceremony as they appear on the graduation card provided by the graduates.

GRADUATION WITH HONORS

Degrees are conferred with distinction upon undergraduate students who have shown exceptional scholarship in both their cumulative and WSU grade point averages. Students with grade point averages of 3.90 out of a possible 4.00 receive the summa cum laude award; those with averages of 3.550 to 3.899 receive the magna cum laude; and those with averages of 3.250 to 3.549 receive the cum laude.

Candidates for degrees and for university honors for December 2013 have been tentatively determined on the basis of work completed through summer 2013.

In addition to university honors, departmental honors are awarded to students who have met the appropriate requirements. Wichita State does not confer honors upon students completing degrees in the Graduate School.

ACADEMIC DRESS

Today's academic dress evolved from caps and gowns worn in medieval universities. The academic gown is the basic garment and by tradition is black for all degrees and ranks. The square caps or mortarboards are part of the prescribed academic dress. Accompanying the gowns are hoods lined with silk in the official color of the institution conferring the degree and bordered in the color representing the discipline of learning. The color of the tassel designates the student's degree and may vary from what is found on the hood. Students receiving graduate degrees wear the color appropriate to the degree emphasis.

DRAB → W. Frank Barton School of Business

LIGHT BLUE → College of Education

ORANGE → College of Engineering

BROWN → College of Fine Arts

PINK → College of Fine Arts-School of Music

GREEN → College of Health Professions

APRICOT → College of Health Professions-School of Nursing

BLACK → Fairmount College of Liberal Arts and Sciences

Colorful sashes and cords, as well as medallions, are worn by members of honor societies and the Student Ambassador Society.

THE ALMA MATER

J. Bert Graham, arr. Dean K. Roush

- | | | |
|--|--|--|
| 1. Our Alma Mater, Wichita,
Stands proudly on the hill,
Our sons and daughters bow to thee,
Our hearts with praise we fill. | 2. Around our lives are memories
That tenderly entwine,
And through the midst of the rolling years
Of thee we build a shrine. | 3. Thy call to all that life holds dear
Is a clear and constant guide,
With love and truth and loyalty
And may they e'er abide. |
| Then hail our Alma Mater!
Hail thee, grand and true,
Long wave the yellow and the black
Oh Wichita, here's to you! | Then hail our Alma Mater!
Hail thee, grand and true,
Long wave the yellow and the black
Oh Wichita, here's to you! | Then hail our Alma Mater!
Hail thee, grand and true,
Long wave the yellow and the black
Oh Wichita, here's to you! |
