Study Abroad

Watch our Study Abroad Video to see where WSU students have already been and where you could go!

Twenty years from now, you may not remember the atomic weight of beryllium, how to divide square roots or the countries that signed the Versailles Treaty. But if you Study Abroad with Wichita State we guarantee there will be at least one part of college you'll never forget.

Our Study Abroad programs give you the chance to study anywhere from Australia to Zimbabwe (and virtually everywhere in between) for up to one year while earning credit toward your WSU degree.

You'll get a once-in-a-lifetime opportunity to explore your world, experience more of what it has to offer and expand your knowledge of how it all fits together.

Prepare yourself for an adventure of a lifetime!
