DEPARTMENT OF THE INTERIOR
UNITED STATES GEOLOGICAL SURVEY

CIRCULAR LETTER

Concerning the sale of maps made by the United States Geological Survey.

TO THE PUBLIC:

The business of handling the maps made by this Survey has grown to such proportions that delays in making up small shipments are frequently unavoidable. It is believed that purchasers will find it more convenient to secure these maps, in quantities less than 100, from their local dealers than from the office of the Survey at Washington. Therefore, for the two-fold reason of accommodating the public and of reducing the work of this office, the Survey has arranged with local stationers and others to sell its maps at retail rates. Herewith is a list of dealers who have agreed to carry these maps in stock. Similar lists for other parts of the country may be had on application.

Very respectfully,

Chas. D. Walcott,
Director.

WASHINGTON, D. C., April 1, 1902.
