Miss F. W. Collins,
55 Pineapple St., Brooklyn, N.Y.

Dear Madam:-

I have considered somewhat carefully your communication of the 2nd inst. and would say that inasmuch as the boy to whom you refer is already in Kansas it seems to me that it would be wise for you to address President N. J. Morrison of Fairmount Institute, Wichita, Kan. stating the case as you have stated it to me. This school is growing, and has many features that would meet the wants of such a boy as you mention; and I think that President Morrison would carefully consider the matter and do for you all that anybody can.

Hoping that you may succeed in finding the right place for the boy in question, I am

Very sincerely yours,

John A. Hamilton
