NUMBER 1

COUNCIL MEETS TO APPOINT COMMITTEES

Two Orchestras Will Be Organized to Play for School Affairs

VARSITIES CHEAPER

Upper Class Class Elections Are Scheduled to Occur Next Wednesday

Committee chairmen and their committees which will act during this school year were appointed at the first meeting of Student Council which was held Monday evening, September 20, in the Y. W. C. A. rooms in the administration building.

Cheerleaders

Tryouts for cheer leaders for the university will be held during convocation, Wednesday, September 28, according to George Squibb, president of the Student Council. Following the tryouts, the student body will vote on their selections. Those students who wish to compete for this position must give their names to Mr. Squibb not later than Friday of this week in order that the ballots for the election may be printed.

Sophomores, juniors and seniors will meet after convocation to elect their respective officers. At this time the men student council representatives will be selected, Mr. Squibb states.

The pep committee, which has charge of pep activities, has as its chairman Will G. Price. Miss Alberta Watkins, Bert Wells, Clifford Stoner, Miss Bettina Bosworth, Miss Mary Katherine Gelbach, Les Tucker, Mano Stucky and Miss Katherine Templeton.

Clayton Walton has been appointed chairman of the social committee, which is in charge of all varieties and school social affairs. The committee includes Robert Shadon, Miss Marjorie Morrison, Don Croft, Miss Virginia Scott, Miss Ada Francis Warren, Kermit Oakes, Miss Geraldine Lansdowne and Bob Hornung.

The activities committee is headed by Miss Alberta Baimbridge, who has as her assistants Miss Luella Thayer, Miss Juanita Priboth, Miss Fern Worden, Miss Eunice Snyder, Miss Mary Elmer, Miss Jeanne Mahin, Miss Helen Hilliard and Miss Jessie Shanklin.

The convocation committee whose duty it is to confer with faculty members to plan the convocations is composed of Milton Lampl, chairman, Miss Mary Elmer, Joe Sotter and Clifford Booth.

The green caps, which will be worn by the freshmen men, were ordered last week and are expected to arrive during the week according to George Squibb, president of the student council. Efforts will be made to enforce the freshmen's wearing the caps this year.

Two all-school Shocker bands, operating on a competitive basis, will be sponsored by the council for the first varieties. The orchestras are composed of 16 students, all of whom have had experience with various well known bands. Their appearances will be limited to one. The prices of the varieties will be cut considerably, Mr. Squibb stated.

The council will cooperate with the Y. W. C. A. and Y. M. C. A. in publishing the student directory, which will make its appearance in a few weeks.

The officers of the council this year are George Squibb, president; Miss Genevieve Wright, vice president; Miss Ruth Burney, secretary; and Vance Gillmore, treasurer.

STUDENTS MEET IN FIRST CONVOCATION

Dr. Harold W. Foght, president of the university, was scheduled to give the main address at the first convocation of the year, Wednesday morning, at 10 o'clock. Rev. Samuel West, pastor of St. James Episcopal church of Wichita was in charge of the devotions.

Musical numbers for convocation were under the direction of Homer Hubbard, director of public school music and were presented by members of the Fine Arts college.

George Squibb, president of the Student Council, made announcements concerning the class elections which will be held next week.

Permanent convocation seats will be assigned from announcements on the bulletin board in front of the Morrison library by Monday, September 26 and all students will be expected to occupy permanent seats in the convocation of Sept. 28.

FACULTY MEMBERS MARRIED RECENTLY

Two members of the University of Wichita faculty were married recently. Miss Mabel Whitney, instructor in piano, theory, and piano journal in the college of fine arts, was married to Boyce Redfield, Wichita lawyer, Edwin A. Beito, assistant professor in mathematics, was married to Mabel Miller, sister of Dr. Moines, Ia. Following their wedding in August, Mr. and Mrs. Beito took a trip into Canada.

NEW IN MATHEMATICS

CEREMONIES HONOR POEM BY LIEURANCE

DEDICATE FRIDAY

"Southwest Trails," New Poem, Composed During Summer Travel

First Bridge the United States Dedicated to Music—that will be the phrase applied to the new Minisa bridge at Little river and High School North following the formal dedication ceremonies, Friday evening at 6:30.

At that time Dean Thurlow Lieurance, dean of the College of Fine Arts and composer of "Minisa" the symphonic poem for which the Minisa bridge was named, will be honored.

FIVE COMPANIES FORM AT FIRST R. O. T. C. DRILL

Approximately 200 Men Begin Training Under Senior Officers

The companies formed at the first drill of the R. O. T. C. of the University of Wichita Thursday, September 15, with an enrollment totaling approximately 200 men.

Senior officers numbering 27 will engage in competition for commanding positions. They will be tested in drill, in leadership and in ability to command.

The highest rating officers will be selected for each major and colonel of the unit. Instructive instructions in field training were given the senior officers during their annual summer encampment at Fort Leavenworth, Kan. during the past summer.

The new members of the unit were given soldier-without-arms instruction by cadet officers with facilities and sound drill completing the work. The unit will be issued to these men as they are qualified to handle them. Senior officers who were engaged in commanding the new companies engaged in saber drill.

Leaboard and Blade, national military fraternity, is being organized under the leadership of Lieut. Wilfrid Hartz.

The senior officers of the R. O. T. C. are Kenneth Bano, Stuart Beck, Thomas Byrnes, Kenneth Corbett, Clifton Dalbon, Walter J. Ego, Vance E. Gillmore, Charles Gable, Clyde Grimes, Wilford Hale, William Hunkle, Tom Horton, Don Howard, Hugh E. Jewett, Milton Lantz, Glenn Lehmann, Maurice Monasmith, Jim Postswain, John Stone, Ross Stucky, Ogie Swore, Martin Tidwell, Albert Witman, Warren Jones, Warren Kinney, Robert Woods and Clyde Johnson.

Sergeants include Rex Andrews, E. Acheppoff, Marc Benjamin, Ed Bosa, George E. Burkett, Remick E. Collier, Paul Cline, Marcus Cullen, Parker Dumbauld, Wayne Dixon, Edwin Francis, Derrol Ewbank, Charles Gill, Eugene Hanson, Robert Hartman, Carl Johnson, Frank Jukes, Harry Meader, Claude Nichols, Wesley Park, Arthur Platt, James Peck, Pete Pierce, Curtis Sauer, Don Shrader, Garner Shriver, Robert Sitter, Clifford Stoner, E. W. Foster, Wayne Templeton, Robert Tobert, Stewart Wilson, Al Windsor and Hal Wright.

Major Paul Christmas of the reserve corps will give medical examinations to the sergeants Thursday, September 22. Maj. George W. Price and Capt. Cecil Rutledge will hold a medical inspection for the freshmen and sophomores in the near future.

Senior officers under Maj. Price will have a larger classroom room arrangements have been made for them to use two basement rooms in Fiske hall.

ALL-SCHOOL MIXER HELD FRIDAY NIGHT

To acquaint all the students enrolled in the University of Wichita with one another, the all-school mixer, an annual affair, held under the joint auspices of the Y. W. C. A. and the Y. M. C. A., was held in the Henning gymnasium, Friday evening, September 16. The two cabinets acted as a committee in preparing for the affair.

Miss Ruth Burney, who was in charge of the program for the evening, had as her assistants in the planning of the games, Miss Virginia Lippman, Merrill Bosworth and Charles Heffer, of the city Y. M. C. A. The general entertainment consisted of games, several piano duets by Guy Snyder and Bobby Rush, and vocal numbers by Cecil Enlow and Bob Clark. Speeches of welcome given by the Y. W. C. A. and Y. M. C. A. presidents, Miss Genevieve Wright and Merrill Bosworth, constituted the program, which followed the entertainment. Miss Marjorie Morrison was in charge of refreshments.

The Brig is the home of The Sunflower. The Sunflower is the university newspaper. Its columns are yours. Dial 3-5227 and ask for The Brig and turning in your items in your homes for room and board. Mr. Griffith finds that business is picking up and in a few weeks he hopes to be able to place the rest of the applicants.

President Foght Greet Incoming Freshman Class

Incoming Freshman Class

"Each year since my coming to Wichita, the editor of the Sunflower has permitted me to greet the incoming freshman class through the medium of the paper's columns. Again this year I have the pleasure of greeting the largest class in our annals. Your class numbers exactly 482 to date, and may reach the 500 mark before the enrollment closes.

"Numbers, to be sure, are not all that is desired; still they indicate, at any rate, that we are the recipients of a young and vital group and progressive educational institution.

"That you will prove as great educational achievements as you are now in number is my further hope for you. Let us remember, you have entered college at a critical time in the history of mankind—some say at the beginning of a new era, others argue in the midst of a worldwide revolution. It is that as a man, the fearful responsibility that has so largely paralyzed our civilization will have a chance to be met by a new generation of men and women who will be the leaders of the future."

"I am in the hope that you will dedicate all your striving to the service of the remainder of your lives. It is even possible that you may extend to the service of the Regent and Faculty and welcome you to the class."

"I am in the hope that you will dedicate all your striving to the service of the remainder of your lives. It is even possible that you may extend to the service of the Regent and Faculty and welcome you to the class."

WOMEN'S COUNCIL REVISES RULES

COMEDY TO OPEN DRAMATIC SEASON

Each Sorority Allowed One Dinner and One Tea by New Regulations

University Players Plan to Present Initial Play in Middle of October

Several new rules of particular importance to freshman rushers are included in the revised set of regulations which was adopted by a constitution committee and accepted by the Pan-Hellenic Council last February, according to Miss Bessie H. Kline, president of the council.

The time of rush week will extend from Tuesday to Friday of the third week of school, September 27 to September 30, with Friday as the day of silence. During this last day it is supposed to be no communication between sorority girls and rushers. The date carries will be held out not before 8 a. m. on Thursday of the second week of school, and will be returned not later than noon the following Monday. One rush dinner from 8 to 10 p. m. and one rush tea from 3 to 5 p. m. will constitute the entertainment given by the sororities during rush week. No rushers will give any parties during rush week, and no alumnae will give any parties during rush week at which rushers are present.

There will be no rushing before 8 p. m. or after 8 p. m. during the rush week. There will be no "spiking" on the part of the rusher, or the promise of a bid on the part of a sorority member.

No sorority member will be expelled from a sorority except on special grounds of rush week and rushers must provide their own transportation to rush functions. No dates should be broken or split by rushers. No rusher will enter sorority houses except at sorority functions during rush week before pledging. There is to be no rushing with men.

The preference committee will send by special delivery to each sorority on each list the special form notice which they are to use. If a rusher does not accept a bid she must be pledged for one school year.

According to Dean Lieurance, the orchestra score will probably be completed within three weeks.

The new composition, though not completed, contains nine movements. The progressive movements of the nine movements are as follows: "The Wagon Train," from the Kansas Prairies; "Dance of the Prairie Flowers," ballet; "Gloria," Indian melody; "Pueblo," flute solo; "From the Pueblo Indians," "Little Rachito," Spanish; "Eagle Dance," Grand Canyon; "Fiesta," from Santa Barbara, California; "Vestal," a picture; and "Wheat," from Kansas.

According to Dean Lieurance, the orchestra score will probably be completed within three weeks.

GRADUATE-INSTRUCTOR ENROLLMENT OF STUDENTS EQUALS PAST

President Foght Pleased with Showing Made This Year

2,700 EXPECTED

Reasonable Fees and Costs May Have Drawn Students

The first week of the school has shown conclusively that the University of Wichita will more than hold its own in student attendance this year. From the first day of the registration, the enrollment has exceeded between three and four per cent above the figures for the same time in 1931.

This is most gratifying when one considers the disquieting reports coming from other schools in this part of the Southwest. I can say again without attempt at flattery that this year's students—with last year—are the finest physically and most alert mentally for education that I have ever known. We will all of us be more serious this year; for experience teaches that the temper of youth is as well as of the more mature.

It is especially gratifying that the university's sphere of influence is constantly enlarging. Last year the total net attendance for education that I have ever known. We will all of us be more serious this year; for experience teaches that the temper of youth is as well as of the more mature.

It is especially gratifying that the university's sphere of influence is constantly enlarging. Last year the total net attendance for education that I have ever known. We will all of us be more serious this year; for experience teaches that the temper of youth is as well as of the more mature.

OLYMPIC GAMES
THRILL STUDENT OF UNIVERSITY

Heroes of Tenth Olympiad Impress Frank Brooks, Junior at W. U.
RITES ARE COLORFUL
'I never expect to be so thrilled again.' In these words Frank Brooks, junior at the University, expressed his reaction to the games of the Tenth Olympiad which he witnessed during the past summer.

STARTING OUT WITH A BANG!
THAT FRIENDLY SCHOOL SPIRIT
... SOPHOMORE MAKING CONTACT WITH A FRESHMAN

Students in Russia Are Paid to Attend College
Students in the University of Wichita who are finding it difficult to surmount the perplexing problems connected with entering college such as the purchasing of books, the paying of tuition, the providing and paying for board and room should go to Russia where students are paid to go to school and where they are housed in palaces.

LEAVES TO TEACH IN AFGHANISTAN

George Foot, W. U. Visitor, Will Be First American Professor
Eagerly, though with unusual calmness in view of his subject, George Foot stood with his hostess, Miss Razella Klepper, senior, in the Administration building of the University of Wichita and discussed a journey which will take him half way around the world into a country in which he will be the first American teacher.

FIRE IN FRESHMAN'S CAR MAKES TROUBLE

That students of the university are not supposed to be late and that parking spaces set aside especially for the faculty members are not to be used by late students was warmly impressed upon Donald Barnes, freshman at the university Friday morning by his own admission Mr. Barnes was very nearly late.

DOLLY, PRICE HELP HOMESICK

Campus Horses Also Used to Do Mowing When Not on Parade
When the ex-farmer and his wife of the University of Wichita grow weary of riding in the cushions of a luxuriously upholstered automobile, they become overpowered by a desire to ride once again in the uncut grass of a hayrack.

The Sunflower and You

The University of Wichita has a weekly publication. It is the Sunflower. Practically every campus or community has a paper. Thus, the University is not unusual in this respect.

As an independent paper we will at all times deal independently with issues which arise to be solved by you. It will be our aim to give both, or if there are more, every side of your questions.

LINCOLN HONORED BY NEW LIKENESS

America's newest memorial to Abraham Lincoln, a heroic bronze statue of the martyred president in youth, is depicted as a Hoosier youth of 21, with a high school diploma with fitting ceremonies at Fort Wayne, Ind.
The statue, which was executed by Paul Maniship, celebrated New York sculptor, has been planned to serve as an inspiration to the youth of the nation, signifying the simple virtues by which Lincoln arose from humble birth to the highest office in the land.

WOMEN WELCOME NEW STUDENTS TO SCHOOL

Campus life is being thoroughly explained by the Y. W. C. A. campus sisters to the upwards of 150 new girls who have just entered the University of Wichita.
The campus sister organization is the same as the big sister organization of last year. This year with the new collegiate name, the carefully selected upper-classmen working under eleven captains, and with a genuine atmosphere of friendliness, this Y. W. C. A. "friendliness" plan is expected to be a big success.

TWIN CITIES TAKE STAPLES' PAINTINGS

To have the honor of exhibiting his paintings in St. Paul and Minneapolis the first of next year after a summer of painting in Glacier National Park will be the experience of Clayton Henri Staples, director of the department of art.
This exhibit is being given by the Great Northern Railway in New York and Chicago as well as in St. Paul and Minneapolis.

WORK IN LIBRARY WELL DISTRIBUTED

"It has been felt best under present conditions," said Clinton H. Colletter, librarian, "to distribute the available library work among more people than usually employed."
"Although this has some disadvantages from the point of view of pure working efficiency, I believe that with the earnestness and quality of the staff selected that these will be a minimum.

NEW SECRETARIES ARE IN SIX OFFICES

Six new secretaries have been employed to work in offices in six colleges and departments of the university. Of the group three are freshmen, one sophomore, one senior and one graduate.
Miss Josephine Underwood, a freshman, is taking a course in journalism and is secretary in the Journalism department.

has enrolled in the college of Liberal Arts for a general course.
Coach A. J. Gebert's new secretary, Miss Wilma Franklin, although only a freshman in this university, has taught business classes in night school at the Franklin Business School for Women the last four years.

AERONAUTICS GROUP OPENS YEAR'S WORK

Tau Omega, national aeronautics fraternity of the university, began its year's program Monday night, September 19. Bruce Smith, who represented the university chapter at a meeting of students with the leaders of the air industry at the Cleveland air races this summer, was in charge of the program.
Alexander Petroff, director of the school of aeronautics will show the films taken during his European tour at meetings of the fraternity early in the school year.

There were all kinds of smoking tobaccos
... tobaccos made for cigarettes and pipes; granulated tobaccos. But there was plenty of room for a tobacco made solely for pipes.

Deferred Pledging

With the completion of fraternity pledging on the University campus it is noted that approximately 100 scalps have fallen. The various Greek letter organizations have rushed these men into their memberships in a mad scramble which is likely to result in most anything.
This process of getting potential members is a handicap to both the fraternities and the men who have pledged themselves.

GIFFORD BOOTH IS FRESHMAN PRESIDENT

Gifford Booth, graduate of Wichita high school East in the class of 1932, heads the freshman class as president this semester, assisted by Nano Stuckey, from Holsington as vice president; Garland Campbell, graduate of Wichita high school North, secretary; Miss Martha Mae Brink, Wichita high school East, treasurer; Miss Olive Adele Krebbel, Wichita high school East, and Jack Rathbone, Wichita high school North, student council representatives; and William Branch, East high, board of publications.
Officers were elected at the Freshman Mixer, held in the auditorium, last week, with George Squibb president of the student council, president, Walter Duerksen's Bhoeker orchestra played "Old Man River" and "Gooftus." Mrs. Alice Campbell Wrigley read a one act play, and Arch Booth, of the Chamber of Commerce, addressed the freshmen regarding school traditions. Charles E. Parr, chairman of the board of regents, presided over the program, introduced by Dr. Harold W. Foght, president of the university.

BAND SHOWS LARGE NUMBER INCREASE

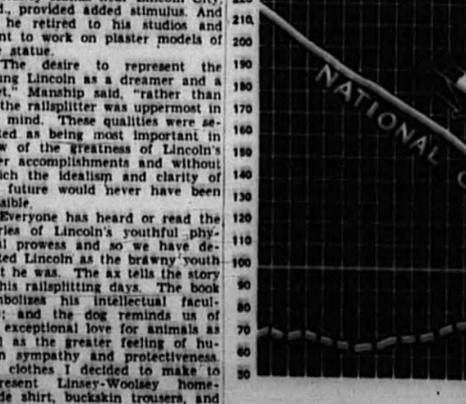

Captain Walter Duerksen prophesies a banner year of activity for the R. O. T. C. band. With a 25 per cent increase, the company numbers about 60 members this year, the largest enrollment in school history, including some freshman talent.
Wesley Parks will act as first sergeant and drum major of the band. For the present, Warren Jones and Robert Woods will be senior officers.
Football band music will conform to 1933 standards. Rhythmic songs will take the place of last year's operatic marches. The band hopes to arrange to accompany the football team on their first engagement with the Kansas State college at Manhattan.
A concert band will be organized soon, composed of 22 members, chosen for efficiency and skill. Mr. Duerksen will announce try outs and rehearsals in the Sunflower next week.

Hugh S. Hall

In the death of Hugh S. Hall in August, Fairmount college lost one who was for many years a staunch supporter, serving on its board of trustees from 1895 until the college was taken over by the municipal university.
He belonged to the pioneer group, having come to Wichita while the herd of buffalo was still ranging a little outside the city limits. For a short time after his arrival he took part in the buffalo hunt, but did not continue his participation into the period when the local herd was decimated. He engaged in ranching and the cattle business, and later removed to Fairmount hill, where he was a familiar figure until his death at upwards of 80 years.

REGENTS COMPLETE PLANS FOR YEAR

Under the direction of the Board of Regents, plans for the university for the coming year have been completed and a program of progressive economy initiated, according to President H. W. Foght. The Board of Regents, composed of Wichita citizens, is in direct charge of the conduct of the university.
The personnel of the Board, which includes many of the most active civic workers in Wichita, is headed by Harry D. Cottman, mayor of the city of Wichita, and Charles E. Parr, chairman of the group. Mrs. Rene M. Goulander is vice chairman of the body, while Dr. E. E. Stauffer is secretary. Clyde N. Smyser is treasurer and Dr. H. W. Horn, assistant treasurer. The remainder of the board is made up of W. E. Holmes, Walter S. Henrion and Otto Souder.

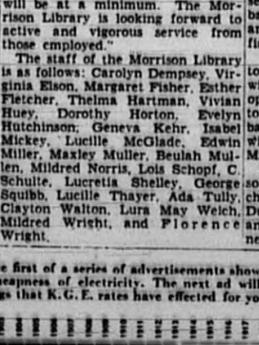

NEW BUCKET OFFERS COMPLETE SERVICE

Moving from its old location west of the cafeteria, the Bucket this year, combined with the cafeteria, has been equipped to serve every need of the university student body, according to H. O. Davis, manager.
The cafeteria building has been entirely redecorated in collegiate fashion and booths have been installed, furnishing additional facilities for serving students.
The same service is featured at the Bucket as was featured at the cafeteria last year, with the addition of rooming facilities. Included in the program of the Bucket is the serving of breakfast and lunch either cafeteria style or by table service.

Pork, Potatoes and Pants--vs. Electric Service

Search as you may for a genuine bargain, you can't beat the cheapness of electricity. As the above graph shows, everything included in the cost of living except electricity remains about 146% above the 1913 normal prices.
Electricity never climbed the peak of high living costs. Instead it has steadily decreased in cost until today you buy it for 70% of what it cost in 1913, according to national averages.

Electricity is Cheaper

It never went up—it keeps on going down—and it's the finest bargain that you buy!

Shocker Gridmen Clash with Aggie "Wildcats" Saturday

WILDCATS ARE FAVORITES IN OPENING GAME

Shockers Are Strong, However, and May Show Terrific Battle for Victory SQUAD LEAVES FRIDAY

One of the mightiest Shocker grid machines in the history of the university will leave Friday morning at 10:30 by bus en route to Manhattan where the Shockers will open the 1932 grid season Saturday afternoon when they battle the giant Kansas Aggie football team. This first game is expected to be the hardest played game on the Wichita schedule and draw more attraction. A large number of fans are making plans to witness the game.

The Kansas Aggies encountered the Shockers at Wichita last year and trounced them by the score of 20-18. Their star halfback, "Rambling Ralph" Graham, played the principal role in crashing through the stubborn Wichita defense for frequent gains. Wichita scored in the final quarter and threatened a second touchdown but couldn't make the remaining final one yard in three attempts and lost the ball. Although the Wildcats are a favorite to repeat their victory of last season, the Shockers are primed to give them a hard battle. Some even said that the Aggies are considering the game as a warm-up number before playing Purdue a week later but, considering the performance of the Wichita aggression in practice, the Shockers have a fine chance to upset the dope and win.

This year's Aggie squad is minus several of their outstanding performers of last season and several newcomers and yearlings are slated to see service Saturday. On the other hand, the Shockers are blessed with a large number of lettermen, all of whom are capable of displaying the Shocker banners. A number of good backs are on hand and competition for berths in the starting lineup is so heavy that it is uncertain yet who will start.

The probable starting lineup, according to Coach Al Gebert, will include Beeman and Grubb at ends, Parsons and Shadoan at tackles, Spradling and Ford at the guard posts, and Pechin at center.

Koch will start the game at quarter, Captain Hunter and Neeley at halfbacks, and V. Wilson at the fullback berth. Gebert's chief problem has been the forming of a line to hold against the plunges of "Rambling Ralph" Graham, the Aggie backfield ace. It was he who was mostly responsible for the Aggie victory last year. Play was on nearly even terms until Graham was inserted in the third quarter.

All in all, the Shocker school is hoped to have an unusually strong team this year. The center position was left open by the graduation of last year's captain, Bill Crawley, but Pechin, a reserve, has improved considerably and with his weight should take care of his duties. Parsons, a big freshman, will fill the tackle position left vacant by the ineptitude of Pierce and Ford, who was a fullback at the university three years ago, is teamed with Spradling at guard.

Outside of these boys the Shockers have practically a veteran team. Neeley will be depended upon to fill the vacancy left by Tip Tucker who graduated. The big sophomore has all the ability of a great halfback. He is exceptionally fast, and can kick, run, and pass.

Beeman and Grubb rank with the best ends in the state and Shadoan, tackle, and Spradling, guard, are both veterans of last year.

The backfield combines a heavy quarterback in "Keewpie" Koch, speed and driving power in V. Wilson. Fulton, whose line plunging was a feature of the Wichita attack last year will be ready to step into the fullback position if he is needed. Gebert is working his 65 candidates strenuously and making all efforts to mould together a winning combination for the opening game. It is probable that the Wichitans will unleash numerous trick and deceptive plays.

It is a well known fact that the Aggies are "penny tough" and will furnish unwelcome stubborn opposition. Although their line will average near 190 pounds and the backfield approximately 180 pounds, the Shockers boast of some husky gridsters and will not face a heavy weight handicap.

These Wildcats Await Shocker Invasion

SHOWN ABOVE is the "den of Wildcats" of the Kansas State Agricultural college of which the Shocker varsity grid team will encounter in its first game of the season Saturday afternoon on foreign ground. The Kansas Aggies are favored to win but little is known of the Shockers' power, and some predict a very close game.

SPORTS

It looks like domestic troubles in the Aggie-Shocker game Saturday. Two brothers, Shelby and Leroy Neeley, will be fighting against each other in the affray. Shelby is an end on the Aggie roster while Leroy is a halfback on the Shocker squad.

The Aggies insist on having another "ladder" man this year. Last year Cronkite of towering height was a flankman. Now the Aggies report a new end, Freeland, a sophomore of Trenton, Missouri, who measures 6 feet, 4 inches.

Opponents should take precaution before crashing into the center of the Shocker line as Ford, Pechin, and Spradling together tip the scales at an even 600 pounds, thus making an average of 200 pounds each.

Al Gebert, football coach, has another quarterback on hand. He's a newcomer here, inexperienced, and just reported last Sunday. This new lad calls signals with the best of 'em but as yet, they are rather difficult to interpret. The short of it is that a son was born to Mr. and Mrs. Gebert at the St. Francis hospital last Sunday.

And night football seems to be waning. Wichita has only two night games at home this season. Players are having difficulty following the ball. Also the weather during the later part of the season is a bit too cool for the spectators to be entirely comfortable.

Second string men are fighting so hard to make the varsity that scrimmages are anything but "tea parties" for the veterans. Those reserves and second string men are fighting like they were in a grudge feud.

SHOCKER SECONDS BATTLE McPHERSON

The University of Wichita will officially open the 1932 football season Friday night, September 23, when the Shocker "B" squad engages the McPherson college Bulldogs in a night affray.

This is the first contest of the season for both teams and little is known of the respective merits of them. The McPherson squad will enter the game as tophave favorites because of their superior experience.

On the other hand, Coach Al Gebert will send a well-rounded group of freshmen on the field which are expected to furnish the Bulldogs undesired opposition. The Shockers boast of a number of speedy and colorful froshes and reserves and it wouldn't be going too far to predict a very close battle or possibly a Shocker win.

The "B" squad will depart for McPherson by bus Friday afternoon. Mr. and Mrs. A. J. Gebert announce the birth of a son, Jack Davidson, born 2 o'clock Sunday, September 18.

CAPTAIN

JAY HUNTER, the "Vanishing J American" who captains this year's Shocker varsity football squad. Hunter, stellar Indian quarterback, plays the role of a dangerous triple threat man, being considered one of the state's best quarterbacks.

PLAN WOMEN'S NET TOURNAY

With tennis still holding favor for many of the freshmen women as well as the upperclassmen, a fall tennis tournament is being planned, the dates of which will be announced in the near future. The two above mentioned groups will contest for the honor of being tennis queen.

Since the same athlete, Amy Ruth Mahin, has held the position of tennis champ for the past four years, a new winner should be chosen this fall, is the opinion of the W. A. executive board. The tournament players will be selected at the W. A. party tomorrow, and tournament drawings will be made up as early as possible.

GYM CLASSES INCREASE

Harry Goerger, director of physical education, announces an increase in numbers of students enrolled in physical education classes. According to Goerger, the enrollment last year was 240 while this year's number totals 265 and more students are expected as not all the students have enrolled.

Two student instructors will assist Goerger in the physical education classes. They are Dean Heskett, a sophomore, who also was an assistant last year, and Sid Moore, a junior.

Tidwell Reappointed

A junior, John Tidwell, has been re-appointed as student manager of the varsity football squad, according to an announcement by Al Gebert, head football coach. Tidwell also served last year in the same capacity. He will be assisted by Charles Lavender, freshman, who comes from Wichita High School East where he was student football manager.

KANSAS AGGIES EXPECT VICTORY

Wildcats to Present Strong Team Despite Losses by Graduation

MANHATTAN, KAN., Sept. 20.—Making final preparations for their first game of the 1932 grid season, the Kansas Aggies are expected to chalk up their first win when the University of Wichita gridmen invade Wildcat territory Saturday afternoon.

Although Coach "Bo" McMillan lost several outstanding men, a large array of veterans and newcomers are on hand and many of them give promise of outstanding performances before the season ends. Aggie fans realize the Wichita team will not be a setup by any means but aren't giving the game serious consideration, and appear to be banking on at least a two-touchdown victory.

Although the team was hit hard by the graduation of Wiggins, Auker, McMillan, Cronkile, all-American end, and several linemen, the squad still retains the hard-hitting Bushby and Graham in the back field and has a promising crop of reserves and sophomores.

It is likely that a team of veterans with one exception will open fire against the invading Wheat-shockers. A sophomore will be likely called on to work in the backfield, and in this event either Douglas Russell or Oren Stoner will be called on.

The veteran backs are Graham and Breen of El Dorado, Bushby of Belleville, and Shaffer of Dodge City. Shelby Neeley, brother of Leroy Neeley, Shocker halfback, and Blaine are slated at ends. Weybrew and Vertzberger will start at tackles. Zecker and Hanson at guards and either Michael or Harter at center.

SHOCKER SCHEDULES

Windsfield football schedules, containing a complete schedule of games for the 1932 season on the figure of a football player have been left at the gymnasium for distribution to university students. The schedules, which are pasted on windsfields, identify the car as from the University of Wichita. They were donated by the Steffen Ice and Ice-Cream company and may be secured at the Steffen plant as well as from the athletic office.

UNIVERSITY PLAYERS TO HOLD INITIATION

University Players will initiate three new members and pledge one student at their first meeting which will be held within the next two weeks according to Charles Ellis, president. The new members are Miss Alberta Watkins, Miss Eleanor Essex and Miss Geraldine Hite. Miss Helen Hilliard will be pledged at this time. Following the services the club will discuss plans for this year. Other officers of the University Players are Miss Bettina Bosworth, vice president; and Miss Eunice Stofus, secretary-treasurer.

Miss Geraldine Hite, who graduated from the University last spring, is now residing at Hutchinson, Kan.

GAMES THIS WEEK
 Friday:
 W. U. "B" team vs. McPherson at McPherson (night).
 Southwestern vs. Friends at Ark City (night).
 Baker vs. Washburn at Topeka (night).
 Port Hays vs. Colorado Teachers at Greeley.
 Ottawa vs. Haskell at Lawrence (night).
 Saturday:
 Wichita U. vs. Kansas State at Manhattan.
 Pittsburgh Teachers vs. Missouri Mines at Rolla.

MOUNDBUILDERS LACK LINESMEN

Friends U. and Southwestern Open Season at Ark City Friday

WINFIELD, KAN., Sept. 20.—Despite the fact the 19 lettermen will be back in uniform for the first game, the Moundbuilders football team at Southwestern college will be lacking capable linemen when the Central Conference season opens in another week.

With the squad slightly injured from recent heavy workouts, the exact strength of the Moundbuilders is uncertain as they prepare to meet the Wichita Quakers of Friends university at Arkansas City Friday night.

Coach Bill Monypenny has an over-supply of experienced backs and is meeting with difficulty in moulding together a good line as he has a shortage of linemen. Numerous changes may be made in the lineup before they encounter the Wichita Quakers. Dishing out heavy workouts and scrimmages, Monypenny is wasting

WALTER ZECKER, veteran Aggie guard, who captains the 1932 Kansas State Aggie team and will match his wits against Hunter, Shocker captain, at the Manhattan, Saturday.

"Nature in the Raw is seldom MILD"

LUCKY STRIKE CIGARETTES
 "IT'S TOASTED"

They are *not* present in Luckies... the *mildest* cigarette you ever smoked

WE buy the finest, the very finest tobaccos in all the world—but that does not explain why folks everywhere regard Lucky Strike as the *mildest* cigarette. The fact is, we never overlook the truth that "Nature in the Raw is Seldom Mild"—so

these fine tobaccos, after proper aging and mellowing are then given the benefit that Lucky Strike purify process, described by words—"It's toasted". That's why folks in every city, town and hamlet say that Lucky are such mild cigarettes.

"It's toasted That package of mild Luckies"

"If a man write a better book, preach a better sermon, or make a better mouse-trap than his neighbor, build his house in the woods, the world will make a beaten path to his door."—RALPH WALDO EMERSON
 Does not this explain the world-wide acceptance and approval of Lucky Strike?

SHOCKER GAMES

- Sept. 21—Kansas Aggies at Manhattan.
- Sept. 30—Friends U. at Wichita (night).
- Oct. 7—Phillips U. at Wichita (night).
- Oct. 14—Emporia Teachers at Emporia.
- Oct. 21—Pittsburg at Pittsburg.
- Oct. 28—Fort Hays at Hays.
- Nov. 4—Southwestern at Wichita.
- Nov. 11—College of Emporia at Wichita.
- Nov. 24—Washburn at Wichita.

FAVOR WASHBURN TO DEFEAT BAKER

Only One Non-Founder in Starting Lineup Against Baker

TOPEKA, KAN., Sept. 20.—burn college, Central co-champions of last year, one exception will have a team of letter men to a schedule against Baker this week end. Brassmer back, is the only man of last year's starting lineup who is a letterman. The last year's players are easy favorites.
