10 Fall Staffers Selected

Presentation of honors, awards, and scholarships highlighted the 16th Annual Journalism Awards Banquet Friday evening. Also announced were the Sunflower and Parnassus staffers for next year.

Winner of the best collegiate news photo was Mike Bird. Second and third place honors in this category went to Dwight Lowther and Don DeWitt, respectively.

Recipient of the Wichita Eagle-Beacon Award for the best feature article was Fran Smith. Leland Harris was awarded the Eagle-Beacon prize for the best display advertisement.

Outstanding beginning reporter on The Sunflower was Don DeWitt. He was also given the Henry W. Lawrence scholarship.

Wichita Press Women scholarship was presented to Kaye Wilson. Larry Fortner was granted the Wichita Advertising Club scholarship. Alternate for the honor was Ted Rinebarger.

Top Sunflower staff members for next semester are Betty Barwick, editor-in-chief, and Mary Jane Dunlap, managing editor. Business Manager is David Crockett. News editors are DeWitt and Wilson. Richard Cole and Doris Mortimer are copy desk chiefs.

Carol Chambers was renamed editor-in-chief of the Parnassus. Managing editor is Janna Wassweiler and David McFadden is Business Manager.

Parnassus queen for 1962 is Carol Woodard.

YGOP Elects New Officials

During the last meeting of the year Wednesday night, the Young Republicans elected officers for 1962-63.

Newly elected officials are: Merle Gates, president; Don Coulter, men's vice president; Barbara Kemp, women's vice president; Al Jones, treasurer; Lee Erdwien, sergeant-at-arms; and Karen Adams, secretary. Gates was also elected 2nd vice chairman of the state earlier this year at the state YGOP convention.

Discussed at the meeting were plans for the full membership drive for YGOP and possible speakers to provide an informative program to benefit students during the next election year. The existing members are to busy themselves this summer by working on individual candidate's campaigns, according to Gates.

"This has been our most successful year in terms of program and overall attendance," Gates said.

Maternity Clause Forms

The Fact-finding and investigation committee of SGA has sent out 300 questionnaires to representative married students on campus to find out if the married students

MOVING UP FROM news editor slots to managerial positions on the Sunflower are Mary Jane Dunlap, managing editor; and Betty Barwick, editor-in-chief. They were named at the journalism banquet Friday.

Crosbys', Pete Fountain To Play Logo Benefit

An all-star cast headed by the singing Crosby Brothers and jazz clarinetist Pete Fountain will highlight the second annual Institute of Logopedics Benefit, May 29 at 8 p.m.

All proceeds will go toward a scholarship fund designed to aid qualified students of speech therapy, according to Mrs. Drew Noble, benefit chairman of the Women's Advisory Council of the Institute.

Approximately \$65,000 is spent annually to provide the scholarships. The first benefit, held in 1960, featured Bob Hope and drew a capacity crowd to the field house.

This year's two-hour show will be built around a musical theme and will feature alternate performances by Pete Fountain and the Crosby trio.

Tickets to the benefit performance, priced at \$3.50, \$3, \$2.50, \$2, \$1.50 and \$1, are available by mail from the Central Ticket Agency, McClellan Hotel, Broadway & Williams. Checks must accompany all mail orders.

The second secretary to the British Embassy, Roger Brooke, spoke at a coffee in the PAC Room Wednesday. Brooke reassured his audience that relations between America and Great Britain are excellent.

Socialized medicine apparently has been beneficial to the British. Brooke said, "People are unquestionably in favor of it."

The question of Red China and the U.N. then came up. When asked about how long he thought it would be before the U.S. would be defeated on the Chinese issue in the U.N., Mr. Brooke said "It depends on how long you can keep the resolution from coming up."

A number of other items were touched on by him. Concerning the West Indies, Mr. Brooke said "We can continue to be a responsible power. They can take care of themselves internally."

About Cuba, he said that the mistake was in the invasion. He seemed hopeful that if one country in the socialist block could rise up it would be a devastating blow. "The candidate in question is Cuba, for this is the most likely Communist state where it would happen."

The question was raised at SGA that some married students were unhappy because they wanted maternity coverage and weren't offered it. This is their chance to change the policy.

If there are others who have a position on this question the SGA office will be open today.

Corbin Asks Student Help

President Harry Corbin's five minute speech highlighted last Friday morning's state-merger rally, held in the amphitheatre north of the FAC.

The crowd of University students, seated on the grass, clapped enthusiastically at remarks of the speakers, and listened to the Kappa Kappa Psi stage band.

Bill Seigle acted as master of ceremonies. Short talks were made by Jim Allen, SGA president; Gary Stephens, chairman of the SGA State-merger committee; and Sharon Richardson, secretary of the committee. They discussed what students could do to aid in the struggle for merger action.

President Corbin said: "You as students, especially those of you who live in other towns, can do a great deal to carry the University of Wichita story to the state. You are as much entitled to higher education opportunities at prices you can afford as those in other areas of Kansas."

State-merger is obtainable, according to President Corbin. "It can be done at the next session of the legislature. It is going to be done," he stated.

History Prof Retires Here Friday Night

Miss Marie Graham, the last of the professors who began teaching here when it was still Fairmount College, retired Friday night after 45 years of service.

Miss Graham came to Fairmount College in 1916. In the following years the enrollment rose from 400 to 5,200. Five presidents were appointed. More than \$17 million was spent on campus improvements. Miss Graham continued to teach her History of England class day by day.

Friday night Miss Graham was honored by being named Assoc. Professor Emeritus of History, at the banquet held in the Civic Playhouse.

Two other faculty members were honored. They were Archie D. Cox, asst. professor and acting head of industrial arts, and Mrs. Lucille Gossett, asst. professor of English.

George Carter and Alva H. Parsons, groundsmen, and Harvey Chandler, custodian of the Science Hall, all retiring this year, were guests at the banquet.

'East of Eden' Slated Friday

"East of Eden," starring James Dean, Julie Harris, and Burl Ives, is the next "Two-bit Flick" to be shown at 8 p.m. Friday, May 18, in the FAC concert hall.

James Dean, in his first starring role, plays the part of a tormented, neurotic young man who feels that his stern, religious father rejects him. He subsequently searches out the residence of his mother, the madame of a house of prostitution.

The film is directed by Elia Kazan and taken from the book by John Steinbeck.

Cartoons will feature Speedy Gonzales and the Road-runner.

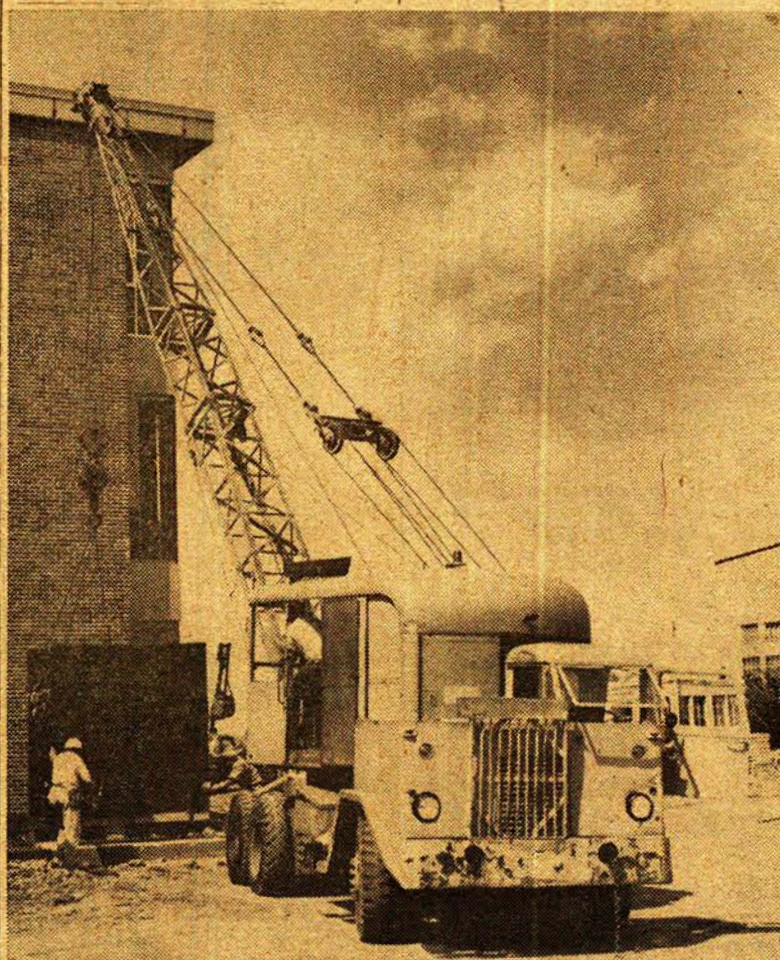

Funeral Scheduled For WU Student Today at 2 p.m.

Funeral services for Phillip E. Binford, University freshman, will be held at 2 p.m. today in the Woodlawn Baptist Church. Binford was killed Saturday afternoon when he swerved to avoid collision with another car and his late model sports car tipped over and he was pinned beneath it.

The accident occurred northeast of the city. A passenger in the car, Miss Kathleen Marsh, received cuts and bruises.

The Rev. Darrell J. Sanford will officiate and interment will be in the Douglass, Kans., cemetery.

He is survived by his mother, Mrs. Phyllis Tharp of Enid, Oklahoma. Other survivors include three brothers of the home and his grandparents, Mr. and Mrs. A. H. Parsons.

NEW 15,000 volt transformer is to be installed Thursday at the southeast corner of the new library. One floor of the new three-story library will have as much space as the entire Morrison Library.

Rush Deadline Told

Women students already enrolled in 12 or more hours at the University who wish to participate in formal rush this fall should contact the Panhellenic Office, 113 Jardine, this spring or summer. The deadline date is August 24th.

Public Apathy Reigns

Last Thursday night "The Limelitters" appeared on the University campus to kick-off the festivities to celebrate the third anniversary of the CAC.

Our hats are off to the CAC officials who made their appearance of "The Limelitters." Once again public apathy put forth to make the celebration a success.

We are sorry to report that the CAC lost money on the appearance of the "Limelitters." Once again public apathy reigned supreme. A mere 800 persons attended the concert which was held in a place that could seat 1,400.

Other examples of student and faculty apathy have also been displayed this semester. When Gov. John Anderson came to talk on state merger the turnout was sparse.

We are happy to say that the SGA State Merger Convo on Friday was a success. The crowd was estimated at some 600 to 700 people. We believe this will be a great start in getting the ball rolling across the state so that in 1963 Wichita University will be integrated into the state system.

Graduate Opportunities Open Via International Institute

More than 800 American students will have an opportunity to pursue graduate study or research in 46 countries in the academic year 1963-64 through scholarships made available under the Fulbright-Hays Act of 1961, the Institute of International Education announced.

Three types of grants are available. A full U.S. Government Grant provides round-trip transportation, maintenance, tuition, and books. These awards are available for study in Argentina, Australia, Austria, Belgium-Luxembourg, Brazil, Burma, Ceylon, Chile, China (Republic of), Denmark, Ecuador, Finland, France, Germany (Federal Republic of), Greece, Iceland, India, Iran, Ireland, Italy, Japan, Korea, Netherlands, New Zealand, Norway, Pakistan, Peru, Philippines, Portugal, Spain, Sweden, Turkey, United Arab Republic, and the United Kingdom (including overseas territories).

Joint awards are available for study in Bolivia, Brazil, Chile, Columbia, Costa Rica, Ecuador, Guatemala, Haiti, Honduras, Mexico, Nicaragua, Poland, Rumania, Panama, Paraguay, Peru, and Venezuela.

The third type of award, Travel-Only Grants, supplements a scholarship received from a foreign government, university, or private donor. Travel-Only awards are available for study in Austria, Denmark, France, Germany, Israel, Italy, and The Netherlands.

General eligibility requirements for all types of grants are: 1) U.S. citizenship at time of application; 2) a Bachelor's degree or its equivalent before the beginning date

of the grant; 3) language proficiency sufficient to carry out the proposed study and to communicate with the people of the host country; and 4) good health. A good academic record and a demonstrated capacity for independent study are also necessary.

Preference is given to applicants under 35 years of age who have not previously lived or studied abroad.

Applicants for scholarships for 1963-64 will be accepted until Nov. 1, 1962. Requests for applications must be postmarked by October 15. Students enrolled at a college or university should consult their campus Fulbright Program Advisers.

Others who are interested may write to the Information and Counseling Division, Institute of International Education, 800 Second Avenue, New York 17, New York, or to any of IIE's regional offices.

The Institute of International Education, founded in 1919, seeks to encourage international understanding and foster educational development abroad through programs of international education.

It administers exchange programs which annually involve over 5,000 students, teachers, specialists, and leaders between the United States and more than 85 countries, and is an information center on all aspects of international education.

Small World Revisited

By ART LARSEN
Mikrokosmos Editor

The school year is rapidly drawing to its inevitable conclusion and so, I hope, is my under-graduate "career." In closing I would like to take time to pat a few backs and say a few words of thanks to those who have helped make this year on campus an interesting one and to those who have helped make my past few years here even enjoyable at times.

The University Players presented us with a most interesting season. In addition to Dick Welsbacher's fine direction of "Arms and the Man," fine performances by Jackie Blaine, Jean Ann Stevens, Wilbur Love, and Lloyd Thompson and the unsung backstage heroics of Al Matson and Leonard Carter, the campus thespians displayed an acute sensitivity to any kind of criticism.

Film Society had a very fine season despite the Eisenstein endurance test of this past weekend. Highlight of the season was the silent movie show with Bob Edwards at the piano.

A lot of work and imagination by Richard Meyer, Gwen Vorderstrasse, and the other members of the Society went into the preparation of this year's program.

Richard Meyer also displayed a great amount of work and imagination in another area. "Ideas In Action," one of the University's television productions, had it's most rewarding and interesting season

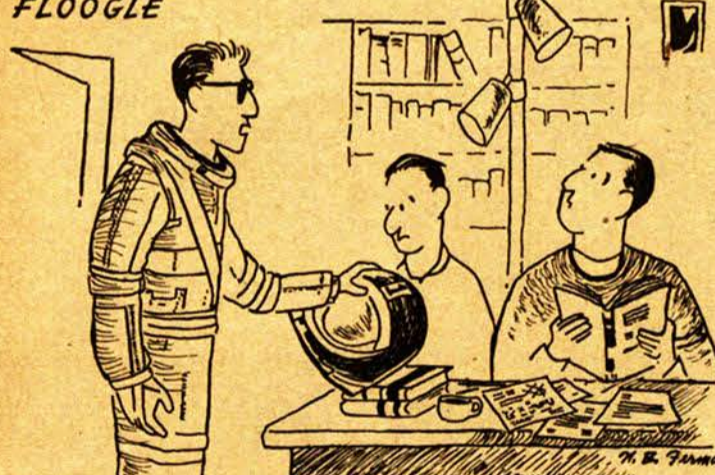

in a number of years.

It is not possible to mention the audi-visual area without saying something about Mrs. Carol Holman whose tireless efforts have made the best in (Continued on Page 4)

WU Senior Given Fullbright Grant

Often-honored Lee Robert, senior in the School of Music, is the winner of a Fullbright Scholarship to study in England.

Miss Robert, an instrumental major in viola, will study at the Royal College of Music in London. Her grant will cover expenses and provide tuition and living expenses for her year's stay in Britain.

She has been showered with awards in recent weeks. Miss Robert was the winner of the Nafzger Young Artist award, which entails a prize of \$300 plus the honor of a solo appearance with the Wichita Symphony. She plans to fly back from London in January for the performance, according to Joshua Missal, associate professor of viola.

The graduating senior was also

the recipient of the St. Louis Symphony Association scholarship to Aspen, Colo., for study this summer in the Music Colony there. The music festival will provide her with the opportunity of studying with teachers from all parts of the world, said Professor Missal.

Miss Robert has become accustomed to opportunities for study out of state and out of the country. Last summer she won a scholarship for study at the Tanglewood Summer Music Festival in Tanglewood, Mass.

Two summers ago she traveled to Puerto Rico as winner of the American String Congress award. Miss Robert graduated from high

school in Aurora, Illinois, and has studied under Prof. Missal during her four years at the University.

Her plans for the future are pointed at the professional field of music, playing the viola in chamber music groups, and in a symphony. She may eventually teach in a college or university, according to Professor Missal.

Officers Installed

Installation of officers for the Baptist Student Union was held recently at the annual banquet.

New officers are Stan Purvis, president; Eddie Stanley, program chairman; Julie Zimmerman, secretary; Phil Elder, enlistment chairman; Joy Whitefield, social chairman; Tom Crouch, missions chairman; and Judy Hurst, publicity chairman.

MPE Records Special Music For Children

Mu Phi Epsilon, professional music sorority on campus with one of the largest chapters in the nation, has made a project of recording special music for handicapped children.

Women in the 55-member chapter of the national music group composed and arranged the numbers they recorded and donated the tapes and disks to the Institute of Logopedics.

A series of four recitals for the benefit of Logopedics will be sponsored this month by Mu Phi Epsilon and the School of Music. Mu Phi members will display both their vocal and instrumental talents during the performances.

Last but not least, I would like to say thanks to a number of instructors who have made my stay here a memorable one. In the final analysis, it is the faculty and not the pretty buildings or gaudy athletic programs, by which the quality of an institution is measured.

This University has been blessed with an extremely fine faculty. It is unfortunate that many of the finest members of this faculty have either departed or are in the process of departing.

Whether this has been due to the inability of this expanding University to meet the salaries required to retain them or to some other factor, it is difficult to say. One thing is certain, however, the broadened base of administration and finance offered by integration into the state system is bound to help.

My hat is off to Earle Butler, Mike Harder, Jack Robertson, George Lewis, Kelley Sowards, Mel Morehouse, J. R. Berg, Paul Tasch, John Mitchell, E. E. Williams, Richard Kennedy, Bruce Cutler, Inez Wallace, Lee Thayer, Corban LePell, Willam Zook, and the many others who have helped and are helping to make a fine University.
