Evelyn Hendren Cassat Speech-Language-Hearing Clinic

The Evelyn Hendren Cassat Speech-Language-Hearing Clinic at Wichita State University offers diagnostic and clinical services to the general public in the areas of speech, language and hearing disorders.

Faculty and graduate students in the Communication Sciences and Disorders program provide client services, while students develop clinical knowledge and enhance their skills under the direct supervision of certified speech-language pathologists and audiologists. Students also conduct clinically related research designed to advance their knowledge base in the discipline.

The clinic operates year-round, following the fall, spring and summer session calendars at Wichita State University.
