# Kansas Qualified Admissions Quick Facts

## High School Graduates Beginning Academic Year 2014-2015 and After

### What are Qualified Admissions?

Qualified Admissions (QA) are a set of standards used by the six state universities to review applicants for undergraduate admission. The universities that use QA are Emporia State University, Fort Hays State University, Kansas State University, Pittsburg State University, the University of Kansas, and Wichita State University. These standards are set by the Kansas Board of Regents, the governing body for the state universities.

### When are the new standards effective?

State universities will use the standards for 2015 summer applicants. The standards will apply to freshmen entering high school in the fall of 2011.

### What are the new QA standards?

Students graduating from an accredited Kansas high school, under the age of 21, **MUST**;

- Complete the precollege or Kansas Scholars Curriculum with at least a 2.0 GPA; AND
- Achieve ONE of the following:
  - ACT score of 21 or higher; OR
  - SAT score of 980 or higher; OR
  - Graduate in the top one-third of their class; AND
- Achieve a 2.0 GPA or higher on any college credit taken in high school.

New standards were also approved for graduates of unaccredited high schools (including home-schooled students), GED students, students 21 or older and international students. The standards can be viewed online at [www.kansasregents.org](http://www.kansasregents.org) in the December Board agenda.

### Were changes made to the precollege curriculum?

Yes. Changes were made to the English and Math requirements. Electives were added to the curriculum. (For complete details see the chart at right.)

### Qualified Admissions Precollege Curriculum

<b>English</b>	4 approved units of English, one unit taken each year of high school, 1/2 unit may be Speech
